

Section Q. Retirement Plan Elections

Except as otherwise provided in this trust declaration, the Trustee may receive or disclaim any and all proceeds from retirement plans, including, but not limited to, qualified pension, profit sharing, Keogh, individual retirement accounts, or any other form or type of plan. The Trustee may make such elections and exercise options as provided in such plan, without liability to any beneficiary for the election made or option elected. Any disclaimed proceeds or benefits shall be paid in accordance with the terms, conditions, and directives set forth in the subject plan.

Section R. Qualification as a Qualified Subchapter S Trust

If any stock of an S corporation becomes distributable to a trust created under this agreement, and such trust is not a qualified Subchapter S trust, the Trustee may implement any of the following alternatives with respect to the S corporation stock:

1. A Sole Beneficiary

Where the original trust is for a sole beneficiary, the Trustee may create for that beneficiary a separate trust that qualifies as a Subchapter S trust, and then distribute such stock to the newly created trust.

2. Multiple Beneficiaries

Where the original trust is for multiple beneficiaries, the Trustee may divide the trust into separate trusts for each of the beneficiaries. Each newly created trust shall hold that beneficiary's pro rata share of the S corporation stock, and shall qualify as a Subchapter S trust.

3. Outright Distribution

If circumstances prevent the Trustee from accomplishing the first two alternatives under this paragraph, the Trustee may, in its sole and absolute discretion, distribute such stock to the beneficiaries as if the trust had terminated, while continuing to hold any other non-S corporation property in trust.

Each newly created S corporation trust shall have mandatory distributions of income and shall not provide for powers of appointment that can be exercised by the beneficiary during the beneficiary's lifetime. In all other respects, the

newly created trusts shall be as consistent as possible with the original trusts and still qualify as Subchapter S trusts.

The Trustee may take any action necessary with regard to S corporations, including making any elections required to qualify stock as S corporation stock, and may sign all required tax returns and forms.

Section S. Elective Deductions

A Trustee will have the discretionary authority to claim any obligation, expense, cost or loss as a deduction against either estate tax or income tax, or to make any election provided by Texas law, the Internal Revenue Code, or other applicable law, and the Trustee's decision will be conclusive and binding upon all interested parties and shall be effective without obligation to make an equitable adjustment or apportionment between or among the beneficiaries of this trust or the estate of a deceased beneficiary.

We, ELMER H. BRUNSTING and NELVA E. BRUNSTING, attest that we execute this trust declaration and the terms thereof will bind us, our successors and assigns, our heirs and personal representatives, and any Trustee of this trust. THE RESTATEMENT OF THE BRUNSTING FAMILY LIVING TRUST

Article I

Our Family Living Trust

Section A. The Restatement of Our Trust

This restatement of the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996 is made this day by ELMER HENRY BRUNSTING, also known as ELMER H. BRUNSTING, and wife, NELVA ERLEEN BRUNSTING, also known as NELVA E. BRUNSTING, (together called "Founders") who presently reside in Harris County, Texas.

We now wish to restate that original trust agreement and any amendments thereto, in their entirety.

This restatement, dated January 12, 2005, shall replace and supersede our original trust agreement and all prior amendments.

We shall serve together as the initial Trustees of this joint revocable living trust.

Notwithstanding anything in our trust declaration to the contrary, when we are serving as Trustees under our trust declaration, either of us may act for and conduct business on behalf of our trust as a Trustee without the consent of any other Trustee.

Section B. The Title of Our Trust

Although the name we have given to our trust for our own convenience is the BRUNSTING FAMILY LIVING TRUST, the full legal name of our trust for purposes of transferring assets into the trust, holding title to assets and conducting business for and on behalf of the trust, shall be known as:

ELMER H. BRUNSTING or NELVA E. BRUNSTING,
Trustees, or the successor Trustees, under the BRUNSTING
FAMILY LIVING TRUST dated October 10, 1996, as
amended.

Article III

Our Right to Amend or Revoke This Trust

Section A. We May Revoke Our Trust

While we are both living, either of us may revoke our trust. However, this trust will become irrevocable upon the death of either of us. Any Trustee, who is serving in such capacity, may document the non-revocation of the trust with an affidavit setting forth that the trust remains in full force and effect.

The affidavit may, at the Trustee's discretion, be filed in the deed records in each county in which real property held in trust is located or in the county in which the principal assets and records of the trust are located. The public and all persons interested in and dealing with the trust and the Trustee may rely upon a certified copy of the recorded affidavit as conclusive evidence that the trust remains in full force and effect.

Section B. We May Amend Our Trust

This trust declaration may be amended by us in whole or in part in a writing signed by both of us for so long as we both shall live. Except as to a change of trust situs, when one of us dies, this trust shall not be subject to amendment, except by a court of competent jurisdiction.

Each of us may provide for a different disposition of our share in the trust by using a qualified beneficiary designation, as we define that term in this agreement, and the qualified beneficiary designation will be considered an amendment to this trust as to that Founder's share or interest alone.

Section C. Income Tax Matters

For so long as this trust remains subject to amendment or revocation in its entirety, and for so long as a Founder is a Trustee of the trust, this trust will be treated for income tax reporting purposes as a "grantor trust" as that term is used by the Internal Revenue Service, particularly in Treasury Regulation Section 1.671-4(b).

For so long as a Founder is a Trustee of the trust, the tax identification numbers will be the social security numbers of the Founders and all items of income, gain, loss, credit and

deduction are to be reported on the Founders' individual or joint income tax returns. At such time as the trust becomes irrevocable, in whole or in part, because of the death of one of us, the trust is to be treated for income tax purposes as required by Subchapter J of the Internal Revenue Code.

Article IV

Our Trustees

Section A. Original Trustees

Founders appoint ELMER H. BRUNSTING and NELVA E. BRUNSTING as the original Trustees of this trust. However, either of us may conduct business and act on behalf of this trust without the consent or authority of any other Trustee. Any third party may conclusively rely on the authority of either of us without the joinder of the other.

Section B. Our Successor Trustees

Each of the original Trustees will have the right to appoint their own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any reason, and may specify any conditions upon succession and service as may be permitted by law. Such appointment, together with any specified conditions, must be in writing.

If an original Trustee does not appoint a successor, the remaining original Trustee or Trustees then serving will continue to serve alone.

If both of the original Trustees fail or cease to serve by reason of death, disability or for any reason without having appointed a successor or successors, then the following individuals will serve as Co-Trustees:

CARL HENRY BRUNSTING and ~~AMY RUTH TSCHIRHART~~

If a successor Co-Trustee should fail or cease to serve by reason of death, disability or for any other reason, then CANDACE LOUISE CURTIS shall serve as Co-Trustee in his or her place, with the remaining Co-Trustee then serving. However, if there is only one successor Co-Trustee able or willing to serve, such successor Co-Trustee shall serve alone.

Successor Trustees will have the authority vested in the original Trustees under this trust document, subject to any lawful limitations or qualifications upon the service of a successor imposed by any Trustee in a written document appointing a successor.

Article VII

Upon the Death of One of Us

Section A. Settlement of Affairs

Upon the death of the first Founder to die, our Trustee is authorized, but not directed, to pay the following expenses, claims and liabilities which are attributable to the first Founder to die:

Funeral, burial and expenses of last illness

Statutory or court-ordered allowances for qualifying family members

Expenses of administration of the estate

Legally enforceable claims against the deceased Founder or the deceased Founder's estate

Taxes occasioned by death

Any payment authorized above is discretionary. No claim or right to payment may be enforced against this trust by virtue of such discretionary authority.

1. Deceased Founder's Probate Estate

Payments authorized under this Section shall be paid only to the extent that the probate assets (other than real estate, tangible personal property or property that, in our Trustee's judgment, is not readily marketable) are insufficient to make these payments. However, if our trust holds United States Treasury Bonds which are eligible for redemption at par in payment of the federal estate tax, our Trustee shall redeem such bonds to the extent necessary to pay federal estate tax as a result of a death.

Payments authorized under this Section may be made by our Trustee, in its sole and absolute discretion, either directly to the appropriate persons or institutions or to the personal representative of the deceased Founder's probate estate. If our Trustee makes payments directly to the personal representative

of the deceased Founder's probate estate, our Trustee shall not have any duty to see to the application of such payments. Any written statement of the deceased Founder's personal representative regarding material facts relating to these payments may be relied upon by our Trustee.

As an addition to our trust, our Trustee is authorized to purchase and retain in the form received any property which is a part of the deceased Founder's probate estate. In addition, our Trustee may make loans to the deceased Founder's probate estate with or without security. Our Trustee shall not be liable for any loss suffered by our trust as a result of the exercise of the powers granted in this paragraph.

Our Trustee shall be under no obligation to examine the records or accounts of the personal representative of the deceased Founder's probate estate and is authorized to accept distributions from the personal representative of the deceased Founder's probate estate without audit.

2. Exempt Property Excluded

Our Trustee shall not use any property in making any payments pursuant to this Section to the extent that such property is not included in the deceased Founder's gross estate for federal estate tax purposes. However, if our Trustee makes the determination, in its sole and absolute discretion, that other non-exempt property is not available for payments authorized under this Section, it may then use such exempt property where it is not economically prudent to use non-exempt property for the payment of such expenses.

3. Apportionment of Payments

Except as otherwise specifically provided in this trust declaration, all expenses and claims, and all estate, inheritance and death taxes, excluding any generation-skipping transfer tax, resulting from the death of a Founder shall be paid without apportionment and without reimbursement from any person.

Notwithstanding anything to the contrary in our trust, no death taxes payable as a result of the death of the first Founder to die shall be allocated to or paid from the Survivor's Trust or from any assets passing to the surviving Founder and qualifying for the federal estate tax marital deduction unless our Trustee has first used all other assets available to our Trustee.

Notwithstanding anything to the contrary in our trust declaration, estate, inheritance and death taxes assessed with regard to property passing outside

of our trust or outside of our probate estates, but included in the gross estate of a Founder for federal estate tax purposes, shall be chargeable against the persons receiving such property.

Section B. Division and Distribution of Trust Property

Our Trustee shall divide the remaining trust property into two separate trusts upon the death of the first one of us to die. The resulting trusts shall be known as the Survivor's Trust and the Decedent's Trust.

1. Creation of the Survivor's Trust

The Survivor's Trust shall consist of the surviving Founder's interest in the community portion of the trust property, if any, and his or her separate portion of the trust property. In addition, the Survivor's Trust shall be the fractional share of the deceased Founder's trust property as follows:

a. Numerator of the Fractional Share

The numerator of the fractional share shall be the smallest amount which, if allowed as a marital deduction, would result in the least possible federal estate tax being payable as a result of the deceased Founder's death, after allowing for the unified credit against federal estate tax (after taking into account adjusted taxable gifts, if any) as finally determined for federal estate tax purposes, and the credit for state death taxes (but only to the extent that the use of this credit does not require an increase in the state death taxes paid).

The numerator shall be reduced by the value, for federal estate tax purposes, of any interest in property that qualifies for the federal estate tax marital deduction and which passes or has passed from the deceased Founder to the surviving Founder other than under this Article.

b. Denominator of the Fractional Share

The denominator of the fractional share shall consist of the value, as finally determined for federal estate tax purposes, of all of the deceased Founder's trust property under this agreement.

2. Creation of the Decedent's Trust

The Decedent's Trust shall consist of the balance of the trust property.

Section C. Valuation of Property Distributed to the Survivor's Trust

Our Trustee shall use those values as finally determined for federal estate tax purposes in making any computation which is necessary to determine the amount distributed to the Survivor's Trust. On the dates of distribution, the fair market value of all of the deceased Founder's property shall in no event be less than the amount of the Survivor's Trust as finally determined for federal estate tax purposes.

Section D. Conversion of Nonproductive Property

The surviving Founder shall at any time have the absolute right to compel our Trustee to convert nonproductive property held as an asset of the Survivor's Trust to productive property. Such right exists notwithstanding any contrary term in this agreement. The surviving Founder shall exercise this right by directing our Trustee in writing to convert such property.

Section E. Survivor's Right to Refuse Property or Powers Granted

With respect to property passing to the surviving Founder or for the surviving Founder's benefit, any portion of any interest in such property or power may be disclaimed by the surviving Founder within the time and under the conditions permitted by law with regard to disclaimers.

Any interest disclaimed by the surviving Founder with respect to any portion of the Survivor's Trust shall be added to the Decedent's Trust. Any interest disclaimed by the surviving Founder with respect to any portion of the Decedent's Trust shall be disposed of under the appropriate provisions of this agreement as though the surviving Founder had predeceased the first Founder to die.

Any disclaimer exercised must be an irrevocable and unqualified refusal to accept any portion of such interest in the property or power disclaimed. Such disclaimer must be delivered to our Trustee in writing.

Section F. Allocation of Trust Property

Subject to the conditions of Section B.1 of this Article, our Trustee shall have the complete authority to make allocations of the deceased Founder's trust property between the Survivor's and Decedent's Trusts.

Our Trustee may make allocations in cash or its equivalent, in kind, in undivided interests, or in any proportion thereof between the two trusts. Our Trustee may also, in its sole discretion, allocate such assets in kind based on the date of distribution values, rather than an undivided interest in each and every asset.

Our Trustee shall not allocate any property or assets, or proceeds from such property or assets, to the Survivor's Trust which would not qualify for the federal estate tax marital deduction in the deceased Founder's estate.

Our Trustee shall not allocate any policies of life insurance insuring the life of the surviving Founder to the Survivor's Trust that are the sole and separate property of the deceased Founder.

To the extent that there are insufficient assets qualifying for the marital deduction to fully fund this Survivor's Trust, the amount of the funding to the Survivor's Trust shall be reduced accordingly.

Our Trustee shall consider the tax consequences of allocating property subject to foreign death tax, property on which a tax credit is available, or property which is income in respect of a decedent under applicable tax laws prior to allocating the deceased Founder's property to the Survivor's Trust.

Section G. Distributions from Retirement Plan to the Survivor's Trust

If Retirement Plan distributions are included in the Survivor's Trust, or in any Survivor's Trust Share, our Trustee shall comply with the following guidelines.

1. Form of Distribution

Our Trustee may elect to receive distributions from any pension, profit sharing, individual retirement account, or other retirement plan ("Retirement Plan") for which our Trust, or any subtrust provided for herein, is named as beneficiary, in installments or in a lump sum.

2. Income Requirement

Our Trustee shall elect to receive distributions from a Retirement Plan payable to the Survivor's Trust or any Survivor's Trust Share in compliance with the minimum distribution rules of the Internal Revenue Code if applicable and also so that at least all income earned by the Retirement Plan each calendar year is distributed to the Trust and allocated to trust income during the year. If distributions from the Retirement Plan total less than all income earned by the Retirement Plan for a calendar year, our Trustee shall demand additional distributions equal to at least the shortfall so that the surviving Founder will receive all income earned by the Retirement Plan at least annually. The surviving Founder shall have full power, in such surviving Founder's discretion, to compel our Trustee to demand such distributions and to compel the Retirement Plan Trustee to convert any nonproductive property to productive property.

3. Retirement Plan Expenses

In calculating "all income earned by the Retirement Plan," our Trustee shall allocate all Retirement Plan expenses, including income taxes and Trustee's fees, that are attributable to principal distributions so that all income distributions from the Retirement Plan are not reduced.

Section D. Survival

Except as otherwise provided in this trust declaration, for the purpose of vesting in the event two or more persons who have an interest in the trust die within a short time of one another, one must have survived the other for a period of at least 90 days as a condition to vesting.

Section E. Changing the Trust Situs

After the death or disability of one of us, the situs of this agreement may be changed by the unanimous consent of all of the beneficiaries then eligible to receive mandatory or discretionary distributions of net income under this agreement.

If such consent is obtained, the beneficiaries shall notify the Trustee in writing of such change of trust situs, and shall, if necessary, designate a successor corporate fiduciary in the new situs. This notice shall constitute removal of the current Trustee, if appropriate, and any successor corporate Trustee shall assume its duties as provided under this agreement.

A change in situs under this Section shall be final and binding, and shall not be subject to judicial review.

Section F. Construction

Unless the context requires otherwise, words denoting the singular may be construed as denoting the plural, and words of the plural may be construed as denoting the singular. Words of one gender may be construed as denoting another gender as is appropriate within such context.

Section G. Headings of Articles, Sections and Paragraphs

The headings of Articles, Sections and Paragraphs used within this agreement are included solely for the convenience and reference of the reader. They shall have no significance in the interpretation or construction of this agreement.

Section H. Notices

All notices required to be given in this agreement shall be made in writing by either:

Personally delivering notice to the party requiring it, and securing a written receipt, or

Mailing notice by certified United States mail, return receipt requested, to the last known address of the party requiring notice.

The effective date of the notice shall be the date of the written receipt or the date of the return receipt, if received, or if not, the date it would have normally been received via certified mail, provided there is evidence of mailing.

Section I. Delivery

For purposes of this agreement "delivery" shall mean:

Personal delivery to any party, or

Delivery by certified United States mail, return receipt requested, to the party making delivery.

The effective date of delivery shall be the date of personal delivery or the date of the return receipt, if received, or if not, the date it would have normally been received via certified mail, provided there is evidence of mailing.

Section J. Duplicate Originals

This agreement may be executed in several counterparts; each counterpart shall be considered a duplicate original agreement.

Section K. Severability

If any provision of this agreement is declared by a court of competent jurisdiction to be invalid for any reason, such invalidity shall not affect the remaining provisions of this agreement. The remaining provisions shall be fully severable, and this agreement shall be construed and enforced as if the invalid provision had never been included in this agreement.

Section L. Gender, Plural Usage

The use of personal pronouns, such as he, she or it are to be construed in context. The term "person" will include a non-person, such as a corporation, trust, partnership or other entity as is appropriate in context. The identification of person in the plural will include the singular and vice versa, as is appropriate in context.

Section M. Generation Skipping Transfers

The Trustee, in the Trustee's sole discretion, may allocate or assist either Founders' personal representatives or trustees in the allocation of any remaining portion of either Founder's GST exemptions to any property as to which such Founder is the transferor, including any property transferred by such Founder during life as to which such Founder did not make an allocation prior to his or her death and/or among any generation skipping transfers (as defined in Section 2611 of the Internal Revenue Code) resulting under this trust declaration and/or that may later occur with respect to any trust established under this trust declaration, and the Trustee shall never be liable to any person by reason of such allocation, if it is made in good faith and without gross negligence. The Trustee may, in the Trustee's sole discretion, set apart, to constitute two separate trusts, any property which would otherwise have been allocated to any trust created hereunder and which would have had an inclusion ratio, as defined in Section 2642(a)(1) of the Internal Revenue Code, of neither one hundred percent nor zero so that one such trust has an inclusion ratio of one hundred percent and the other such trust has an inclusion ratio of zero. If either Founder's personal representative or trustee and/or the Trustee exercises the special election provided by Section 2652(a)(3) of the Internal Revenue Code, as to any share of either Founder's property that is to be held in trust under this trust declaration, then the Trustee is authorized, in the Trustee's sole discretion, to set apart property constituting such share in a separate trust so that its inclusion ratio of such trust is zero.

We, ELMER H. BRUNSTING and NELVA E. BRUNSTING, attest that we execute this irrevocable trust agreement and the terms thereof will bind us, our successors and assigns, our heirs and personal representatives, and any Trustee of this trust. We approve this irrevocable trust agreement in all particulars and request the Trustee to execute it. This instrument is to be effective upon the date recorded immediately below.
