CARL HENRY BRUNSTING'S MOTION FOR PARTIAL SUMMARY JUDGMENT

TO THE HONORABLE PROBATE COURT:

COMES NOW Drina Brunsting as attorney-in-fact for Carl Henry Brunsting, individually ("Carl"), filing this Motion for Partial Summary Judgment, and in support thereof would show as follows:

I.

Summary Judgment Issues

This is a case involving, among other things, a dispute about changes purportedly made to a trust of which all of the parties are beneficiaries, as well as the administration of that trust and disbursements made from that trust after the parties' mother resigned as trustee and Defendant, Anita Kay Brunsting ("Anita"), took over the trustee duties. This Motion for Partial Summary Judgment seeks relief on two specific points at issue in this case.

- 1. Carl seeks a determination, as a matter of law, that the August 25, 2010 Qualified Beneficiary Designation is null and void because it violates the terms of the Brunsting Family Living Trust as restated on January 12, 2005 (the "Family Trust") which prohibits amendments after the death of the first founder.² Elmer, the first founder to die, died in 2009. (Exhibit 4, p. P4347).
- 2. Carl also seeks a determination, as a matter of law, that disbursements in 2011 of Exxon Mobil stock and Chevron stock were improper distributions for which Anita, as the trustee making the disbursements is liable, and for which the beneficiaries who

¹ The Brunsting family members, for simplification purposes only, will all be referred to herein by their first names.

² Because the Family Trust refers to settlors as founders, that terminology is being used in this motion.

Ados

received benefits from those distributions are also liable pursuant to Tex. Prop. Code §114.031, including through an offset of the applicable beneficiary's liability against that beneficiary's remaining interest in the trust estate.

II.

Summary Judgment Evidence

The following summary judgment evidence is presented in support of this motion:

- The Restatement of The Brunsting Family Living Trust dated January 12,
 2005 (P317-403)³ (Exhibit 1)
- 2. The First Amendment to the Restatement to the Brunsting Family Living

 Trust dated September 6, 2007 (P444-445) (Exhibit 2)
- 3. The Qualified Beneficiary Designation and Exercise of Testamentary Powers of Appointment Under Living Trust Agreement dated August 25, 2010 (P407-443) (Exhibit 3)
- Documents produced by Computershare in Carl's pre-suit discovery action filed on March 9, 2012⁴
 (P4308-4396) (Exhibit 4)
- 5. Schedule F from the summaries of transactions provided by Anita on March 27, 2012 (P12168-12170) (Exhibit 5)

³ The page number references are to the documents as numbered and previously produced by Carl in discovery in this case.

⁴ This exhibit as filed has been redacted to remove or limit sensitive information. Such redactions were not made on the documents when produced.

- 6. Anita's Responses to Candace Louise Curtis' First Written Interrogatories (Exhibit 6)
- 7. Acceptance By Successor Trustee dated December 21, 2010 (p. P446)(Exhibit 7)

III.

8/25/10 Qualified Beneficiary Designation Is Void As a Matter of Law

In 1996, Elmer and his wife Nelva E. Brunsting ("Nelva") created the Family Trust. In addition to the restated Family Trust dated January 12, 2005 (Exhibit 1), a further amendment was done on September 6, 2007 which changed the provision naming successor trustees (Exhibit 2). Carl and Amy had been named successor trustees in the Family Trust, with Candy named as a further potential successor co-trustee should either Carl or Amy be unable to serve (Exhibit 1, p. P239, Article IV, Section B). The 2007 amendment named Carl and Candy as successor trustees (Exhibit 2).

Article III of the Family Trust allowed it to be revoked or amended only so long as both founders were living. The Family Trust specified, however, that upon the death of the first founder, the Family Trust "shall not be subject to amendment, except by a court of competent jurisdiction." (Exhibit 1, P. P237, Article III, Section, B, first paragraph). The same section in Article III concerning amendments also addressed the issue of qualified beneficiary designations with the following explanation:

"Each of us may provide for a different disposition of our share in the trust by using a qualified beneficiary designation, as we define that term in this agreement, and the qualified beneficiary designation will be considered an amendment to this trust as to that Founder's share

or interest alone." (emphasis added) (Exhibit 1, p. P237, Article III, Section B, second paragraph)

On April 1, 2009, Elmer Brunsting died, thus triggering the provision which stated that the trust had become irrevocable and could no longer be amended, including by way of a qualified beneficiary designation. Elmer's death also triggered the division of the Family Trust's assets into the Elmer H. Brunsting Decedent's Trust ("Decedent's Trust") and the Nelva E. Brunsting Survivor's Trust ("Survivor's Trust") (Exhibit 1, p. P257, Article VII, Section B).

In July 2010, when Carl became ill with encephalitis and was in no position to continue to moderate the contentious relationship between his sisters as he had done before, the Defendants took aggressive steps to take control of the Family Trust's assets to the exclusion of Carl, and in some respects, to the exclusion of Carl's other sibling, Candy. Those steps culminated in the August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Powers of Appointment Under Living Trust Agreement prepared by Nelva's counsel. Under that document, only Carl and Candy were stripped of rights they had been afforded under the Family Trust.

This was done despite the lack of ambiguity in Article III of the Family Trust. That Article provides that a qualified beneficiary designation is an amendment to the Family Trust and that no amendment could be made after Elmer died in 2009. Moreover, any confusion that might be caused

⁵ A separate action was brought against Vacek & Freed and Candace Freed in Cause No. 2013-05455; Carl H. Brunsting, Independent Executor of the Estates of Elmer H. Brunsting and Nelva E. Brunsting v. Candace L. Kunz-Freed and Vacek & Freed, PLLC, f/k/a The Vacek Law Firm, PLLC; In the 164th Judicial District Court of Harris County, Texas when that law firm refused to continue a tolling agreement until a resolution could be reached among the Brunsting siblings. That action can not continue to be prosecuted, however, until a successor personal representative is appointed to replace Carl. Some of the issues raised in this motion should make it clear why an action was brought against the attorneys who prepared an instrument in conflict with the provisions of the earlier instrument they, themselves had also prepared.

by the title of the document executed on August 25, 2010 which included both the term "qualified beneficiary designation" and "exercise of testamentary powers of appointment" would seem to be dispelled by consulting the definitions contained in Article XIII of the Family Trust. The definition provided for a power of appointment indicates that is simply another name for a qualified beneficiary designation. That definition is found in Article XIII which reads as follows:

10. Power of Appointment or Qualified Beneficiary Designation. Whenever this trust declaration gives a trust beneficiary the power or authority to appoint a beneficiary of the trust, the designation must be in writing and be acknowledged in the form required of acknowledgments by Texas law or exercised by a will executed with the formalities required by law of the trust beneficiary's residence.

The designation must clearly evidence the intent of the trust beneficiary to exercise a power of appointment; and, the written beneficiary designation must have been delivered to the Trustee prior to the trust beneficiary's death or, if exercised by will, must subsequently be admitted to probate no matter the time interval.

The term of this trust may be extended if the qualified beneficiary designation requires that a beneficiary's interest remain in trust, or the trust may be divided and be held as a separate trust which is governed by the terms of this trust declaration. (Exhibit 1, p. P309, Article XIII, definition 10).

While that is really more of a recitation of the requirements than a definition, what it does make clear is that, under the terms of the Family Trust, a qualified beneficiary designation and a power of appointment are one and the same. Thus, regardless of whether it was called a qualified beneficiary designation, a power of appointment, or both, the Family Trust states that it is to be

considered an amendment to the trust.⁶ As such it was prohibited by the Family Trust after the death of one of the founders. The 8/25/10 Qualified Beneficiary Designation was prepared after Elmer's death and is, therefore, void as a matter of law.

IV.

Stock Transfers Were Improper as a Matter of Law

Anita took over the role of trustee from her mother on December 21, 2010. (Exhibit 7). Once Anita took over as trustee, she used her new position of control to make distributions of substantial portions of Exxon Mobil and Chevron stock to herself, her children, her sisters, and one of her sister's children, and to the exclusion of her ill brother, Carl, who, after his mother, was the one most in need of assistance. Those transactions were as follows:

- 1. Anita transferred 1120 shares of Exxon Mobil stock to Amy from the Survivor's Trust on May 9, 2011 (Exhibit 4, p. P4310, 7th paragraph; p. P4385-4386)
- 2. Anita transferred 160 shares of Exxon Mobil stock to herself from the Survivor's Trust on June 13, 2011 (Exhibit 4, p. P4310, 8th paragraph, p. P4387-4388)

⁶ While Defendants may attempt to claim confusion because of the inclusion of language in Article VIII, Sections B and C suggesting the surviving founder would have some right to make powers of appointment (Exhibit 1, p. P262 and 264), those provisions, at best, conflict with, but do not negate, the provisions indicating such to be just another name for a qualified beneficiary designation which is not allowed after the first founder's death because it would be an attempted amendment to a trust which is no longer revocable. (Exhibit 1, p. P237, Section B). And should Defendants attempt to assert that there is some different status given to a power of appointment pursuant to the terms of the Family Trust, that is not specified anywhere, nor was any distinction preserved by the 8/25/10 Qualified Beneficiary Designation itself.

- 3. Anita transferred 135 shares of Chevron stock to herself from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12169, bottom of page under "Anita became trustee Dec. 2011")⁷
- 4. Anita transferred 135 shares of Chevron stock to Amy's minor daughter, Ann Brunsting, from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12170)
- 5. Anita transferred 135 shares of Chevron stock to Amy's minor son, Jack Brunsting, from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12170)
- 6. Anita transferred 135 shares of Chevron stock to her own minor daughter,
 Katie Riley, from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12170)
- 7. Anita transferred 135 shares of Chevron stock to her own son, Luke Riley, from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12170)
- 8. Anita transferred 160 shares of Exxon Mobil stock to Candy from the Survivor's Trust on June 15, 2011 (Exhibit 4, p. P4310, 8th paragraph; p. P4387-4388)

⁷ The proof of the transfers of Chevron stock must be taken from Anita's summaries provided on March 27, 20112 because Carl is aware of no transfer documents ever having been provided by Anita. Likewise, the documents concerning the Exxon Mobil stock transfers were not provided by Anita, but Carl had learned of those transfers from Candy and sought the records directly from Exxon Mobil's transfer agent through the pre-suit discovery action he filed on March 9, 2012. It was only after Anita received notice of that action that she provided her unsupported summary. The inadequacies of Anita's disclosures as a fiduciary, however, will be addressed at a later time.

9. Anita transferred 1325 shares of Exxon Mobil stock to Carole from the Decedent's Trust on June 15, 2011 (Exhibit 4, p. P4310, 3rd paragraph; p. P4362; p. P4369-4370)

None of these transfers were authorized by the provisions of the Family Trust. One reason they are unauthorized is that all of the shares of stock, other than those transferred to Carole, were transferred from the Survivor's Trust. Article VIII of the Family Trust requires the Survivor's Trust to be administered solely for the surviving founder's benefit.⁸ That Article requires distributions, whether of income⁹ or principal to be for the founder's benefit as may be necessary for her education, health, maintenance, and support. (Exhibit 1, p. P261-263, Article VIII, Section B and C). These disbursements were not to the surviving founder or for her benefit¹⁰ and thus were not authorized by the Family Trust.

And even if the Family Trust had provided for distributions from the Survivor's Trust to someone other than the surviving founder, these were distributions of principal. Therefore, Anita, as trustee, was required to follow the specified standards for disbursements for the surviving

⁸ Once again, after the party vacancy has been cured, the issue of Vacek & Freed's role in the administration of the Family Trust is one which needs to be addressed in the case filed against that law firm, but it is clear that Vacek & Freed took on Anita's representation as trustee and that they also continued to represent Nelva until her death. In addition to the damages caused by these improper transfers, if the transfers are not reversed, the question of tax consequences raised by failing to use the Survivor's Trust only for Nelva's benefit will have to be explored.

⁹ In addition to the lost value of the shares themselves, all shares were dividend-bearing shares during the period after they were transferred, and those amounts of income were also lost.

¹⁰ In fact, there is a significant question concerning whether grandchildren would have been entitled, under any circumstances, to distributions from the Family Trust until the death of both founders. Article I, Section C limits descendants to the named children of Elmer and Nelva Brunsting and any children subsequently born to or adopted by Elmer and Nelva. (Exhibit 1, p. P234, last full paragraph).

founder's education, health, maintenance, or support. (Exhibit 1, p. P262-263). Instead, Anita has admitted in her responses to Candy's interrogatories that she did not take anything into consideration, including whether the distributions were necessary or advisable even to the recipients, 11 much less to the surviving founder. Instead, Anita indicated such transfers were "made at Nelva Brunsting's instruction." (Exhibit 6, Responses to Interrogatory Numbers 3, 4, 5). That is not a basis under the terms of the Family Trust for these transfers, even if they had been otherwise authorized transfers. Thus, these transfers resulted from Anita's breach of her fiduciary duties and were improper as a matter of law.

And although the disbursement of 1325 shares of Exxon Mobil stock to Carole came from the Decedent's Trust, the terms of the Family Trust as to administration of the Decedent's Trust were still not followed. All net income from the Decedent's Trust was to be paid to the surviving founder, and only limited amounts of principal could also be disbursed to the surviving founder without the imposition of the guidelines set forth in Article IX. (Exhibit 1, p. P268-269, Article IX). So, even

leaving aside for the moment Nelva's health issues and her need for caregivers, as well as Carl's serious medical issues, Anita's summary reflects that none of these transfers were necessary. The June 14, 2011 transfers of Chevron stock to Amy's minor children were, according to Anita's own summary, a "gift for future car/college." (Exhibit 5, p. P12170). And the similar transfers to Anita's own children were described as "gift for college exp." (Exhibit 5, p. P12170). The gifts to Anita's children come on the heals of, or were made contemporaneously with, over \$37,000 in other disbursements to Anita for college expenses and automobiles for her children. (Exhibit 5, p. P12169).

¹²That seems unlikely since there was no history of such distributions while Nelva was trustee, and one would assume the distributions would have been made by Nelva before she resigned had she truly wanted them to be made. Nevertheless, even if the allegation that Nelva instructed that the distributions be made is accepted as true, that does not relieve Anita of her fiduciary obligations under the provisions of the Family Trust. There is nothing in the Family Trust authorizing Anita to make such distributions on Nelva's instruction.

¹³ This is the case without even examining the self-dealing nature of a number, if not all, of the transfers.

if such a distribution had been authorized under certain standards, no attempt was even made to meet those standards because it was again done, without regard to the standards, but allegedly at Nelva's instruction. (Exhibit 6, Response to Interrogatory number 2). Moreover, there is further evidence that the transfer allegedly to "pay off/fix house" was not necessary, because Anita's summary indicates Carole had already been paid \$20,000 from the Family Trust on October 1, 2010 for either a loan or a gift to "fix house" (Exhibit 5, p. P12169).

First of all, the transfer of Exxon stock did not properly meet the guidelines for all distributions from the Decedent's Trust which required the trustee to "give primary consideration to the Surviving Founder's health, education, maintenance and support, and thereafter to our descendants health, education, maintenance and support." (Exhibit 1, p. P268, Article IX, Section B). And since this was, at best, a discretionary distribution, the following guidelines had to be met:

"Before making discretionary distributions of principal from the Decedent's Trust to the surviving Founder, our Trustee shall preferably exhaust the Survivor's Trust.

Before making discretionary distributions pursuant to this Article, our Trustee shall consider income or other resources which are available outside of the Decedent's Trust to any beneficiary. Distributions need not be made to all Decedent's Trust beneficiaries and may be to the complete exclusion of some beneficiaries. Distributions may be made in equal or unequal amounts according to the respective needs of the Decedent's Trust beneficiaries and shall not be charged against a beneficiary's ultimate share of trust property." (emphasis added) (Exhibit 1, p. P269, Article IX, Section C).

As stated, the beneficiary most in need of assistance, other than Nelva, was Carl but he received nothing. Since none of the transfers of stock met the standards required by the terms of the Family Trust, Anita, as the trustee making these distributions, is liable, as a matter of law, for all

such distributions, including the one to Carole from the Decedent's Trust. And pursuant to Tex. Prop. Code §114.031, the beneficiaries receiving the improper distributions are also responsible for the damages caused by the distributions once those damages are established. That section provides as follows:

- (a) A beneficiary is liable for loss to the trust if the beneficiary has:
 - (1) misappropriated or otherwise wrongfully dealt with the trust property;
 - (2) expressly consented to, participated in, or agreed with the trustee to be liable for a breach of trust committed by the trustee;
 - (3) failed to repay an advance or loan of trust funds;
 - (4) failed to repay a distribution or disbursement from the trust in excess of that to which the beneficiary is entitled; or
 - (5) breached a contract to pay money or deliver property to the trustee to be held by the trustee as part of the trust.
- (b) Unless the terms of the trust provide otherwise, the trustee is authorized to offset a liability of the beneficiary to the trust estate against the beneficiary's interest in the trust estate, regardless of a spendthrift provision in the trust.

V.

Conclusion

The Qualified Beneficiary Designation of 8/25/10 fails, as a matter of law, as an attempted amendment to the Family Trust after the death of one of the founders. The transfers by Anita of significant stock holdings to the detriment of Nelva and the exclusion of Carl notwithstanding his

life-threatening illness were not authorized by the terms of the Family Trust and, as a matter of law, create liability for Anita as trustee and for the beneficiaries who, at a minimum, have received distributions in excess of that to which they are allowed under the terms of the Family Trust.

WHEREFORE, PREMISES CONSIDERED, Carl requests that the Court grant his Motion for Partial Summary Judgment, and for such other and further relief to which Carl may be entitled.

Respectfully submitted,

THE RESTATEMENT OF THE BRUNSTING FAMILY LIVING TRUST

Article I

Our Family Living Trust

Section A. The Restatement of Our Trust

This restatement of the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996 is made this day by ELMER HENRY BRUNSTING, also known as ELMER H. BRUNSTING, and wife, NELVA ERLEEN BRUNSTING, also known as NELVA E. BRUNSTING, (together called "Founders") who presently reside in Harris County, Texas.

We now wish to restate that original trust agreement and any amendments thereto, in their entirety.

This restatement, dated January 12, 2005, shall replace and supersede our original trust agreement ad all prior amendments.

We shall serve together as the initial Trustees of this joint revocable living trust.

Notwithstanding anything in our trust declaration to the contrary, when we are serving as Trustees under our trust declaration, either of us may act for and conduct business on behalf of our trust as a Trustee without the consent of any other Trustee.

Section B. The Title of Our Trust

Although the name we have given to our trust for our own convenience is the BRUNSTING FAMILY LIVING TRUST, the full legal name of our trust for purposes of transferring assets into the trust, holding title to assets and conducting business for and on behalf of the trust, shall be known as:

ELMER H. BRUNSTING or NELVA E. BRUNSTING, Trustees, or the successor Trustees, under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

Our trust may also be known as:

ELMER H. BRUNSTING and NELVA E. BRUNSTING. Trustees, or the successor Trustees, under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

In addition to the above descriptions, any description for referring to this trust shall be effective to transfer title to the trust or to designate the trust as a beneficiary as long as that format includes the date of this trust, the name of at least one initial or successor Trustee, and any reference that indicates that assets are to be held in a fiduciary capacity.

Section C. Our Beneficiaries and Family

This trust is created for the use and the benefit of ELMER H. BRUNSTING and NELVA E. BRUNSTING, and to the extent provided in this trust, for the other trust beneficiaries named herein.

The term "spouse" will refer to either of us, whichever is appropriate in context, and the term "both spouses" will mean both of us. The term "surviving spouse" or "surviving Founder" will identify the spouse who is living at the time of the other spouse's death (the "deceased spouse" or "deceased Founder").

For reference, our children are:

Name	Birth Date
CANDACE LOUISE CURTIS	March 12, 1953
CAROL ANN BRUNSTING	October 16, 1954
CARL HENRY BRUNSTING .	July 31, 1957
AMY RUTH TSCHIRHART	October 7, 1961
ANITA KAY RILEY	August 7, 1963

All references to our children or to our descendants are to these named children, as well as any children subsequently born to us or legally adopted by us.

The terms "trust beneficiary" or "beneficiary" will also mean any and all persons, organizations, trusts and entities who may have or may acquire a beneficial interest in this trust, whether vested or contingent in nature, including a transfer of an interest in the trust during our lives, from either of us, or both, or from an exercise of a power of appointment by a trust beneficiary or otherwise.

Article II

Transfers of Assets to Our Trust

Section A. Our Initial Contribution

We have delivered to our Trustees certain property as the initial assets of this trust, the receipt of which is acknowledged.

Section B. Additions to Our Trust

Any person, trust or entity may add property of any character to this trust by a last will and testament, from another trust (regardless of whether such trust is a living trust or a trust contained in a Will), by a deed or any other legally accepted method of assignment, conveyance, delivery or transfer, subject only to the acceptance of such property or asset by the Trustee.

Section C. Our Separate and Community Accounts

Any contributions of separate property to the trust by, or for the benefit of, either Founder shall remain the separate property of such Founder. A separate schedule signed by both of the Founders may be maintained for purposes of identifying such separate property and its ownership.

Each of us may withdraw, remove, sell or otherwise deal with our respective separate property interests without any restrictions. Should we revoke our trust, all separate property shall be transferred, assigned, or conveyed back to the owning Founder as his or her respective separate property.

All community property, as well as the income from and proceeds of such community property, shall retain its community property characterization under the law unless we change such characterization by virtue of a duly executed marital partition agreement.

All community property withdrawn or removed from our trust shall retain its community characterization. Should we revoke our trust, all community property shall be transferred, assigned or conveyed back to us as community property.

Article III

Our Right to Amend or Revoke This Trust

Section A. We May Revoke Our Trust

While we are both living, either of us may revoke our trust. However, this trust will become irrevocable upon the death of either of us. Any Trustee, who is serving in such capacity, may document the non-revocation of the trust with an affidavit setting forth that the trust remains in full force and effect.

The affidavit may, at the Trustee's discretion, be filed in the deed records in each county in which real property held in trust is located or in the county in which the principal assets and records of the trust are located. The public and all persons interested in and dealing with the trust and the Trustee may rely upon a certified copy of the recorded affidavit as conclusive evidence that the trust remains in full force and effect.

Section B. We May Amend Our Trust

This trust declaration may be amended by us in whole or in part in a writing signed by both of us for so long as we both shall live. Except as to a change of trust situs, when one of us dies, this trust shall not be subject to amendment, except by a court of competent jurisdiction.

Each of us may provide for a different disposition of our share in the trust by using a qualified beneficiary designation, as we define that term in this agreement, and the qualified beneficiary designation will be considered an amendment to this trust as to that Founder's share or interest alone.

Section C. Income Tax Matters

For so long as this trust remains subject to amendment or revocation in its entirety, and for so long as a Founder is a Trustee of the trust, this trust will be treated for income tax reporting purposes as a "grantor trust" as that term is used by the Internal Revenue Service, particularly in Treasury Regulation Section 1.671-4(b).

For so long as a Founder is a Trustee of the trust, the tax identification numbers will be the social security numbers of the Founders and all items of income, gain, loss, credit and

deduction are to be reported on the Founders' individual or joint income tax returns. At such time as the trust becomes irrevocable, in whole or in part, because of the death of one of us, the trust is to be treated for income tax purposes as required by Subchapter J of the Internal Revenue Code.

Article IV

Our Trustees

Section A. Original Trustees

Founders appoint ELMER H. BRUNSTING and NELVA E. BRUNSTING as the original Trustees of this trust. However, either of us may conduct business and act on behalf of this trust without the consent or authority of any other Trustee. Any third party may conclusively rely on the authority of either of us without the joinder of the other.

Section B. Our Successor Trustees

Each of the original Trustees will have the right to appoint their own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any reason, and may specify any conditions upon succession and service as may be permitted by law. Such appointment, together with any specified conditions, must be in writing.

If an original Trustee does not appoint a successor, the remaining original Trustee or Trustees then serving will continue to serve alone.

If both of the original Trustees fail or cease to serve by reason of death, disability or for any reason without having appointed a successor or successors, then the following individuals will serve as Co-Trustees:

CARL HENRY BRUNSTING and AMY RUTH TSCHIRHART

If a successor Co-Trustee should fail or cease to serve by reason of death, disability or for any other reason, then CANDACE LOUISE CURTIS shall serve as Co-Trustee in his or her place, with the remaining Co-Trustee then serving. However, if there is only one successor Co-Trustee able or willing to serve, such successor Co-Trustee shall serve alone.

Successor Trustees will have the authority vested in the original Trustees under this trust document, subject to any lawful limitations or qualifications upon the service of a successor imposed by any Trustee in a written document appointing a successor.

A successor Trustee will not be obliged to examine the records, accounts and acts of the previous Trustee or Trustees, nor will a successor Trustee in any way or manner be responsible for any act or omission to act on the part of any previous Trustee.

Section C. No Bond is Required of Our Trustees

No one serving as Trustee will be required to furnish a fiduciary bond as a prerequisite to service.

Section D. Resignation or Removal of Our Trustees

We may each remove any Trustee we may have individually named as our respective successors. Any appointee serving or entitled to serve as Trustee may resign at any time and without cause, and the instructions in this trust will determine who the successor will be. All removals or resignations must be in writing.

In the event that no Trustee is remaining who has been designated in this trust, a majority of all adult income beneficiaries and the legal guardians of all minor or disabled beneficiaries of the trust shares created hereunder shall have the power to appoint any corporate or banking institution having trust powers as the successor Trustee. Such power shall be exercised in a written instrument in recordable form which identifies this power, identifies the successor Trustee, contains an acceptance of office by such successor Trustee and identifies the effective time and date of such succession.

A majority of all adult beneficiaries and the legal guardians of all minor or disabled beneficiaries who are then entitled to receive distributions of income from the trust, or distributions of income from any separate trust created by this document, may only remove any corporate or institutional Trustee then serving, the notice of removal to be delivered in writing to the said Trustee.

If such beneficiaries shall fail to appoint a successor corporate or institutional Trustee, the selection of a successor to the Trustee will be made by a court of competent jurisdiction.

Section E. Affidavit of Authority to Act

Any person or entity dealing with the trust may rely upon our Affidavit of Trust, regardless of its form, or the affidavit of a Trustee or Trustees in substantially the following form:

On my oath, and under the penalties of perjury, I swear that I am the duly appointed and authorized Trustee of the BRUNSTING FAMILY LIVING TRUST. I certify that the trust has not been revoked and remains in full force and effect, I have not been removed as Trustee and I have the authority to act for, and bind, the BRUNSTING FAMILY LIVING TRUST in the transaction of the business for which this affidavit is given as affirmation of my authority.

Section F. Documentary Succession of Our Trustees

The successor to any Trustee may document succession with an affidavit setting forth that the preceding Trustee is unwilling to serve or has failed or ceased to serve due to death or disability and the successor has assumed the duties of the Trustee.

The affidavit may, at the Trustee's discretion, be filed in the deed records in each county in which real property held in trust is located or in the county in which the principal assets and records of the trust are located. The public and all persons interested in and dealing with the trust and the Trustee may rely upon a certified copy of the recorded affidavit as conclusive evidence of a successor's authority to serve and act as the Trustee of the trust.

Section G. Our Trustees' Compensation

Any person who serves as Trustee may elect to receive reasonable compensation to be measured by the time required in the administration of the trust and the responsibility assumed in the discharge of the duties of office.

A corporate or bank Trustee will be entitled to receive as its compensation such fees as are then prescribed by its published schedule of charges for trusts of a similar size and nature and additional compensation for extraordinary services performed by the corporate Trustee.

If an attorney, accountant or other professional shall be selected as Trustee, such professional shall be entitled to compensation for professional services rendered to a trust by himself or by a member of his firm in addition to compensation for services as Trustee.

A Trustee will be entitled to full reimbursement for expenses, costs or other obligations incurred as the result of service, including attorney's, accountant's and other professional fees.

Section H. Multiple Trustees

In the event there are two or more Trustees serving the trust, other than the Founders, the authority vested in such Trustees must be exercised by a majority of the Trustees. If only two Trustees are acting, the concurrence or joinder of both shall be required.

When more than two Trustees are acting, any dissenting or abstaining Trustee may be absolved from personal liability by registering a written dissent or abstention with the records of the trust; the dissenting Trustee shall thereafter act with the other Trustees in any manner necessary or appropriate to effectuate the decision of the majority.

Section I. Delegation of Authority

Any Trustee may delegate to any other Trustee named in our trust the powers and authority vested in him or her by this declaration. A delegating Trustee may evidence such delegation in writing and may revoke it in writing at any time.

Section J. Successor Corporate Trustees

Any successor corporate or bank Trustee must be a United States bank or trust company vested with trust powers pursuant to state or federal law, and must have a combined capital and surplus of 20 million dollars.

Any bank or trust company succeeding to the business of any corporate or bank Trustee serving by virtue of this declaration because of change of name, reorganization, merger or any other reason shall immediately succeed as Trustee of this trust, without the necessity of court intervention or any other action whatsoever.

Section K. Partial and Final Distributions

The Trustee, in making or preparing to make a partial or final distribution, may prepare an accounting and may require, as a condition to payment, a written and acknowledged statement from each distributee that the accounting has been thoroughly examined and accepted as correct; a discharge of the Trustee; a release from any loss, liability, claim or question concerning the exercise of due care, skill and prudence of the Trustee in the management, investment, retention and distribution of property during the Trustee's term of service, except for any undisclosed error or omission having basis in fraud or bad faith; and an indemnity of the Trustee, to include the payment of attorney's fees, from any asserted claim of any taxing agency, governmental authority or other claimant.

Section L. Court Supervision Not Required

All trusts created under this agreement shall be administered free from the active supervision of any court.

Any proceedings to seek judicial instructions or a judicial determination shall be initiated by our Trustee in the appropriate state court having original jurisdiction of those matters relating to the construction and administration of trusts.

Section M. Health Insurance Portability and Accountability Act (HIPAA) of 1996 Compliance

In order to maintain the integrity of this trust declaration and to meet our estate planning desires and goals, our Trustees shall comply with the directive set forth in this Section to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this Trust Agreement, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in this Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and

deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

2. Obtain the Release of Protected Health Information

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founders' physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. Each of the Founders have separately signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, each of the Founders hereby grant the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this trust agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

3. Determination of "Incompetence" or "Incapacity"

For purposes of this Trust, and notwithstanding any other conflicting provisions contained in this Trust Declaration or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or

estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founders, the Founders hereby voluntarily waive any physician-patient privilege or psychiatrist-patient privilege and authorize physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founders' desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or

such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under this Trust Agreement (if any), or if there is no such Trust Protector provided under this Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event this Trust Declaration does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of this trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

Each of the Founders have separately signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of this trust agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, each of the Founders hereby grant the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the trust agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

Insurance Policies and Retirement Plans

Section A. Our Authority While We Are Living

To the extent of a Founder's community or separate interest in insurance policies, retirement plans or any other third party beneficiary contract, during the life of a Founder, each shall have the following rights, and the Trustee of this trust declaration shall have the following duties with respect to any third party beneficiary contract owned by or made payable to this trust.

1. The Founder's Rights

Each Founder reserves all of the rights, powers, options and privileges with respect to any insurance policy, retirement plan or any other third party beneficiary contract made payable to this trust or deposited with our Trustee. Each Founder may exercise any of the rights, powers, options and privileges with respect to such third party beneficiary contract without the approval of our Trustee or any beneficiary.

Neither Founder shall be obligated to maintain any insurance policy, retirement plan or any other third party beneficiary contract in force.

2. Our Trustee's Obligations

Upon a Founder's written request, our Trustee shall deliver to the requesting Founder or the Founder's designee any and all third party beneficiary contracts and related documents which are owned by or deposited with our Trustee pursuant to our trust declaration. Our Trustee shall not be obligated to have any of such documents returned to the Trustee.

Our Trustee shall provide for the safekeeping of any third party beneficiary contract, as well as any documents related thereto, which are deposited with our Trustee. Otherwise, our Trustee shall have no obligation with respect to any third party beneficiary contract, including payment of sums due and payable under such contracts, other than those obligations set forth in this Article.

Section B. Upon the Death of a Founder

Upon a Founder's death, our Trustee shall have authority to and shall make all appropriate elections with respect to any insurance policies, retirement plans and other death benefits which are the separate estate of the deceased Founder. With respect to any insurance policies, retirement plans and other death benefits which are a part of the community estate, our Trustee and the surviving Founder shall have the authority and shall make all appropriate elections consistent with the laws of the state having jurisdiction over such property.

1. Collection of Non-Retirement Death Proceeds

Regarding any life insurance policy, or any other non-retirement death benefit plan, wherein death benefits are made payable to or are owned by our trust, our Trustee shall make every reasonable effort to collect any and all such sums. In collecting such sums, our Trustee may, in its sole and absolute discretion, exercise any settlement option available under the terms of a policy or any other third party beneficiary contract with regard to the interest of the deceased Founder in those policies or death benefit proceeds. However, our Trustee shall not be liable to any beneficiary for the settlement option ultimately selected.

2. Retirement Plan Elections

To the extent of the interest of the deceased Founder, our Trustee shall have the right, in its sole and absolute discretion, to elect to receive any retirement plan death proceeds either in a lump sum or in any other manner permitted by the terms of the particular retirement plan. Such right shall exist and pertain to any retirement plan including, but not limited to, any qualified pension plan, profit sharing plan, Keogh plan and individual retirement account. Our Trustee shall not be liable to any beneficiary for the death benefit election ultimately selected.

Any benefit of any retirement plan which is payable to our trust, including individual retirement accounts that are payable to our trust, may be disclaimed by our Trustee in its sole and absolute discretion. Such disclaimed benefits shall be payable in accordance with such plan.

3. Collection Proceedings

In order to enforce the payment of any death proceeds, our Trustee may institute any legal, equitable, administrative or other proceeding. However, our Trustee need not take any action to enforce any payment until our Trustee,

in its sole judgment, has been indemnified to its satisfaction for all expenses and liabilities to which it may be subjected.

Our Trustee is expressly authorized, in its sole and absolute discretion, to adjust, settle and compromise any and all claims that may arise from the collection of any death proceeds. Any decision made by our Trustee pursuant to this Section B.3 shall be binding and conclusive on all beneficiaries.

4. Payor's Liability

Any person or entity which pays any type of death proceeds to our Trustee as beneficiary, shall not be required to inquire into any of the provisions of this trust declaration, nor will they be required to see to the application of any such proceeds by our Trustee. Our Trustee's receipt of death proceeds shall relieve the payor of any further liability as a result of making such payment.

Section C. Special Provisions Pertaining to Tax-Deferred Trust Assets

Since the Founders anticipate that tax-deferred plans such as 401(k) plans, IRA's, SEP's and similar retirement plans and tax-deferred accounts might name this trust as the designated beneficiary in the event of the death of the Founders, the following provisions will hereby apply in all respects with regard to the assets and proceeds of such plans, notwithstanding that other provisions in this Agreement are in conflict with the following provisions:

1. Minimum Distribution

It is the purpose and intent of the Founders that this trust will qualify as a "designated beneficiary" pursuant to Section 401(a)(9) of the Internal Revenue Code and the term "Minimum Required Distribution" shall mean such mandatory distributions as are required to qualify this trust pursuant to the said Section 401(a)(9) of the Internal Revenue Code.

2. Distribution Restrictions

Notwithstanding any other provision in this trust declaration, and except as provided in this Article, the Trustee may not distribute to or for the benefit of the estate of either Founder, any charity or any other non-individual beneficiary, any benefits payable to this trust under any qualified retirement plan, individual retirement account or other retirement arrangement subject to the "Minimum Required Distribution Rules" of Section 401(a)(9) of the Internal Revenue Code, or other comparable provisions of law. It is the intent

of the Founders that all such retirement benefits be distributed to or held only for individual beneficiaries within the meaning of Section 401(a)(9) and applicable regulations. This paragraph shall not apply to any charitable bequest which is specifically directed to be funded with assets other than those encompassed by this provision.

3. Exclusion of Older Adopted "Descendants"

Notwithstanding any other provision hereof or state law, the class of the Founders' (or any other persons) "issue" or "descendants" shall not include an individual who is the Founders' (or such persons') "issue" or "descendants" by virtue of legal adoption if such individual (i) was so adopted after the Required Beginning Date of a Founder or a Founder's death, whichever occurs first, and (ii) is older than the oldest beneficiary of this trust who was a living member of said class on the earlier of said dates. The "Required Beginning Date," for purposes of this paragraph means April 1 of the year following the year in which the plan participant reaches 70½, or, if later, the date on which this trust is first named as a beneficiary of any retirement plan, benefit or arrangement subject to the "Minimum Distribution Rules" of Section 401(a)(9) of the Internal Revenue Code. The said Section 401(a)(9) of the Internal Revenue Code is incorporated by reference in this trust declaration for all purposes, together with applicable treasury regulations pertaining thereto.

4. Payment of Estate Taxes of Plan Participant

Except as required by state law, the trustee shall not use any plan benefits to pay a plan participant's estate taxes.

5. Delivery of Trust to Plan Administrator

If the Founders have not previously done so, the Trustee shall deliver a copy of this trust declaration to any plan administrator within the time limits required by applicable statute, as well as final and proposed treasury regulations.

6. Distribution to the Beneficiaries

Notwithstanding any other provision contained in this trust declaration to the contrary, the Trustee shall withdraw from the individual retirement account or other retirement plan payable to the trust, and distribute directly to the beneficiaries named herein, each year, the Minimum Required Distribution for such year based on the oldest beneficiary's life expectancy. After the death

of a beneficiary, the Trustee shall pay income of the trust and such Minimum Required Distribution to the descendants of such deceased or remainder beneficiary, as specified in Article X of this trust declaration.

7. Distribution of More Than the Minimum Distribution

The Trustee is authorized in its sole and absolute discretion, to distribute to the beneficiary and contingent beneficiaries more than the Minimum Required Distribution if deemed necessary and appropriate prior to the mandatory distributions of trust assets provided in Article X of this trust declaration.

Article VI

For So Long As We Both Shall Live

Section A. Our Use of Income and Assets

While we are both living, the net income of the trust is to be paid at least monthly to us, or to be used for our benefit. Any unused income will be accumulated and added to the principal assets of this trust.

While we are both living, we shall have the absolute right, either individually or jointly, to add to the trust property at any time.

While we are both living, we shall each have the right to withdraw, use or benefit from all or any part of our own separate property and our respective interests in any community property. However, the surviving spouse will be entitled to the use and benefit of the deceased spouse's interest as provided in this trust declaration.

Either of us, individually, may make gifts of our separate property contributed to the trust or may make gifts of our interests or shares in the trust itself to the extent permitted by law, including our community property interests. Neither of us shall have the power to direct our Trustee to make gifts of any trust principal or income. If any such gift is made directly to a third party, such gift shall be deemed to have first been distributed directly to either or both of us and then distributed as a gift from either or both of us to such third party.

Section B. If One or Both of Us Are Disabled

If one or both of us should become disabled, our Trustee shall provide to both of us, and to any person deemed by our Trustee to be dependent on either or both of us, such portions of income and principal from each of our respective interests in separate property and from our respective one-half interests in our community property, as deemed necessary or advisable in its sole discretion, for our health, education, maintenance and support, as well as for the health, education, maintenance and support of any person deemed by our Trustee to be dependent on either or both of us.

Our Trustee's discretion may include the payment of insurance premiums pursuant to contracts for insurance owned by one of us or by our trust. Premiums paid on a separate property policy shall be paid out of separate property funds of the owner of that policy.

During any period that one or both of us are disabled, it is the intention of each of us that we be cared for in our residence or in the private residence of another who is dear to us. It is our preference that neither of us be admitted to a convalescent care facility or similar facility unless our condition mandates such placement.

Valid obligations of either of us which are confirmed by our Trustee shall be provided for by our Trustee from such portions of income and principal from each of our separate property accounts and from our respective one-half interests in our community accounts, as deemed necessary or advisable in our Trustee's sole discretion.

If, prior to the disability of either one or both of us, one or both of us were making regular lifetime gifts to our children for purposes of estate tax planning, then our Trustee shall continue such gifting program to our children; provided, however, no such gifts shall be made until our support and obligations have been provided for.

Section C. Income Tax Matters

If any interest or share in the trust is irrevocable for so long as one or both of us are living, and if the Trustee of the trust is classified as subordinate or related to either of us, the distribution of trust corpus to the beneficiary of an irrevocable share, to the extent of his or her share or interest alone, will be limited to discretionary distributions necessary or appropriate to provide for the beneficiary's health, education, maintenance and support, and this standard shall be construed and limited according to the requirements of Section 674(b)(5)(A) of the Internal Revenue Code.

Section D. Residence Homestead

Pursuant to Section 11.13 of the Texas Property Tax Code, a qualifying trust may claim the statutory homestead exemption provided by the said Texas Property Tax Code as well as other provisions of Texas law. In order to comply with the said Texas Property Tax Code provisions, the Founders hereby agree as follows:

- 1. Our residence shall be owned by us through a beneficial interest in this qualifying trust;
- 2. Our residence shall be designed or adapted for human residence;

- 3. Such property shall at all times be used as our residence;
- 4. Such property will be occupied by us as Founders or Trustors of this trust as a result of our beneficial interest in this qualifying trust;
- 5. By separate deed of our residential property, we have conveyed our interest in such real property to this qualifying trust and are therefore qualified as "Trustors" pursuant to the said Code;
- 6. This revocable intervivos trust is a "Qualifying Trust" in that we specifically provide that as Trustors of the trust we have the right to use and occupy as our principal residence the residential property rent free and without charge except for taxes and other costs and expenses which may be specified in this instrument. Such right to use and occupation shall be for life or until the date the trust is revoked or terminated by an instrument that describes the property with sufficient certainty to identify it and is recorded in the real property records of the county in which the property is located; and
- 7. This trust has acquired the property in an instrument of title that
 - a. describes the property with sufficient certainty to identify it and the interest acquired;
 - b. is recorded in the real property records of the county in which the property is located; and
 - c. is executed by one or both of us as Trustors or by our personal representatives.

Article VII

Upon the Death of One of Us

Section A. Settlement of Affairs

Upon the death of the first Founder to die, our Trustee is authorized, but not directed, to pay the following expenses, claims and liabilities which are attributable to the first Founder to die:

Funeral, burial and expenses of last illness

Statutory or court-ordered allowances for qualifying family members

Expenses of administration of the estate

Legally enforceable claims against the deceased Founder or the deceased Founder's estate

Taxes occasioned by death

Any payment authorized above is discretionary. No claim or right to payment may be enforced against this trust by virtue of such discretionary authority.

1. Deceased Founder's Probate Estate

Payments authorized under this Section shall be paid only to the extent that the probate assets (other than real estate, tangible personal property or property that, in our Trustee's judgment, is not readily marketable) are insufficient to make these payments. However, if our trust holds United States Treasury Bonds which are eligible for redemption at par in payment of the federal estate tax, our Trustee shall redeem such bonds to the extent necessary to pay federal estate tax as a result of a death.

Payments authorized under this Section may be made by our Trustee, in its sole and absolute discretion, either directly to the appropriate persons or institutions or to the personal representative of the deceased Founder's probate estate. If our Trustee makes payments directly to the personal representative

of the deceased Founder's probate estate, our Trustee shall not have any duty to see to the application of such payments. Any written statement of the deceased Founder's personal representative regarding material facts relating to these payments may be relied upon by our Trustee.

As an addition to our trust, our Trustee is authorized to purchase and retain in the form received any property which is a part of the deceased Founder's probate estate. In addition, our Trustee may make loans to the deceased Founder's probate estate with or without security. Our Trustee shall not be liable for any loss suffered by our trust as a result of the exercise of the powers granted in this paragraph.

Our Trustee shall be under no obligation to examine the records or accounts of the personal representative of the deceased Founder's probate estate and is authorized to accept distributions from the personal representative of the deceased Founder's probate estate without audit.

2. Exempt Property Excluded

Our Trustee shall not use any property in making any payments pursuant to this Section to the extent that such property is not included in the deceased Founder's gross estate for federal estate tax purposes. However, if our Trustee makes the determination, in its sole and absolute discretion, that other non-exempt property is not available for payments authorized under this Section, it may then use such exempt property where it is not economically prudent to use non-exempt property for the payment of such expenses.

3. Apportionment of Payments

Except as otherwise specifically provided in this trust declaration, all expenses and claims, and all estate, inheritance and death taxes, excluding any generation-skipping transfer tax, resulting from the death of a Founder shall be paid without apportionment and without reimbursement from any person.

Notwithstanding anything to the contrary in our trust, no death taxes payable as a result of the death of the first Founder to die shall be allocated to or paid from the Survivor's Trust or from any assets passing to the surviving Founder and qualifying for the federal estate tax marital deduction unless our Trustee has first used all other assets available to our Trustee.

Notwithstanding anything to the contrary in our trust declaration, estate, inheritance and death taxes assessed with regard to property passing outside

of our trust or outside of our probate estates, but included in the gross estate of a Founder for federal estate tax purposes, shall be chargeable against the persons receiving such property.

Section B. Division and Distribution of Trust Property

Our Trustee shall divide the remaining trust property into two separate trusts upon the death of the first one of us to die. The resulting trusts shall be known as the Survivor's Trust and the Decedent's Trust.

1. Creation of the Survivor's Trust

The Survivor's Trust shall consist of the surviving Founder's interest in the community portion of the trust property, if any, and his or her separate portion of the trust property. In addition, the Survivor's Trust shall be the fractional share of the deceased Founder's trust property as follows:

a. Numerator of the Fractional Share

The numerator of the fractional share shall be the smallest amount which, if allowed as a marital deduction, would result in the least possible federal estate tax being payable as a result of the deceased Founder's death, after allowing for the unified credit against federal estate tax (after taking into account adjusted taxable gifts, if any) as finally determined for federal estate tax purposes, and the credit for state death taxes (but only to the extent that the use of this credit does not require an increase in the state death taxes paid).

The numerator shall be reduced by the value, for federal estate tax purposes, of any interest in property that qualifies for the federal estate tax marital deduction and which passes or has passed from the deceased Founder to the surviving Founder other than under this Article.

b. Denominator of the Fractional Share

The denominator of the fractional share shall consist of the value, as finally determined for federal estate tax purposes, of all of the deceased Founder's trust property under this agreement.

2. Creation of the Decedent's Trust

The Decedent's Trust shall consist of the balance of the trust property.

Section C. Valuation of Property Distributed to the Survivor's Trust

Our Trustee shall use those values as finally determined for federal estate tax purposes in making any computation which is necessary to determine the amount distributed to the Survivor's Trust. On the dates of distribution, the fair market value of all of the deceased Founder's property shall in no event be less than the amount of the Survivor's Trust as finally determined for federal estate tax purposes.

Section D. Conversion of Nonproductive Property

The surviving Founder shall at any time have the absolute right to compel our Trustee to convert nonproductive property held as an asset of the Survivor's Trust to productive property. Such right exists notwithstanding any contrary term in this agreement. The surviving Founder shall exercise this right by directing our Trustee in writing to convert such property.

Section E. Survivor's Right to Refuse Property or Powers Granted

With respect to property passing to the surviving Founder or for the surviving Founder's benefit, any portion of any interest in such property or power may be disclaimed by the surviving Founder within the time and under the conditions permitted by law with regard to disclaimers.

Any interest disclaimed by the surviving Founder with respect to any portion of the Survivor's Trust shall be added to the Decedent's Trust. Any interest disclaimed by the surviving Founder with respect to any portion of the Decedent's Trust shall be disposed of under the appropriate provisions of this agreement as though the surviving Founder had predeceased the first Founder to die.

Any disclaimer exercised must be an irrevocable and unqualified refusal to accept any portion of such interest in the property or power disclaimed. Such disclaimer must be delivered to our Trustee in writing.

Section F. Allocation of Trust Property

Subject to the conditions of Section B.1 of this Article, our Trustee shall have the complete authority to make allocations of the deceased Founder's trust property between the Survivor's and Decedent's Trusts.

Our Trustee may make allocations in cash or its equivalent, in kind, in undivided interests, or in any proportion thereof between the two trusts. Our Trustee may also, in its sole discretion, allocate such assets in kind based on the date of distribution values, rather than an undivided interest in each and every asset.

Our Trustee shall not allocate any property or assets, or proceeds from such property or assets, to the Survivor's Trust which would not qualify for the federal estate tax marital deduction in the deceased Founder's estate.

Our Trustee shall not allocate any policies of life insurance insuring the life of the surviving Founder to the Survivor's Trust that are the sole and separate property of the deceased Founder.

To the extent that there are insufficient assets qualifying for the marital deduction to fully fund this Survivor's Trust, the amount of the funding to the Survivor's Trust shall be reduced accordingly.

Our Trustee shall consider the tax consequences of allocating property subject to foreign death tax, property on which a tax credit is available, or property which is income in respect of a decedent under applicable tax laws prior to allocating the deceased Founder's property to the Survivor's Trust.

Section G. Distributions from Retirement Plan to the Survivor's Trust

If Retirement Plan distributions are included in the Survivor's Trust, or in any Survivor's Trust Share, our Trustee shall comply with the following guidelines.

1. Form of Distribution

Our Trustee may elect to receive distributions from any pension, profit sharing, individual retirement account, or other retirement plan ("Retirement Plan") for which our Trust, or any subtrust provided for herein, is named as beneficiary, in installments or in a lump sum.

2. Income Requirement

Our Trustee shall elect to receive distributions from a Retirement Plan payable to the Survivor's Trust or any Survivor's Trust Share in compliance with the minimum distribution rules of the Internal Revenue Code if applicable and also so that at least all income earned by the Retirement Plan each calendar year is distributed to the Trust and allocated to trust income during the year. If distributions from the Retirement Plan total less than all income earned by the Retirement Plan for a calendar year, our Trustee shall demand additional distributions equal to at least the shortfall so that the surviving Founder will receive all income earned by the Retirement Plan at least annually. The surviving Founder shall have full power, in such surviving Founder's discretion, to compel our Trustee to demand such distributions and to compel the Retirement Plan Trustee to convert any nonproductive property to productive property.

3. Retirement Plan Expenses

In calculating "all income earned by the Retirement Plan," our Trustee shall allocate all Retirement Plan expenses, including income taxes and Trustee's fees, that are attributable to principal distributions so that all income distributions from the Retirement Plan are not reduced.

Article VIII

Administration of the Survivor's Trust

Section A. Creation of Two Survivor's Shares

The property passing to the Survivor's Trust shall be divided into two shares. Both shares shall collectively constitute the Survivor's Trust.

1. Survivor's Share One

Our Trustee shall allocate all of the surviving Founder's separate portion of the trust property and all of the surviving Founder's community portion of the trust property, if any, to Survivor's Share One.

2. Survivor's Share Two

Survivor's Share Two shall consist of the balance, if any, of the property passing to the Survivor's Trust.

If any allocation under this Article results only in the funding of Survivor's Share One, our Trustee shall administer this agreement as if Survivor's Share Two did not exist. The funding of Survivor's Share One, when Survivor's Share Two does not exist, shall be referred to only as the Survivor's Trust and no designation shall be necessary.

Separate accounts shall be maintained for Survivor's Share One and Survivor's Share Two. Our Trustee may, however, hold the separate shares as a common fund for administrative convenience.

Section B. Administration of Survivor's Share One

Our Trustee shall administer Survivor's Share One for the surviving Founder's benefit as follows:

1. The Surviving Founder's Right to Income

Our Trustee shall pay to or apply for the surviving Founder's benefit, at least monthly during the surviving Founder's lifetime, all of the net income from Survivor's Share One. Ade

2. The Surviving Founder's Right to Withdraw Principal

Our Trustee shall pay to or apply for the surviving Founder's benefit such amounts from the principal of Survivor's Share One as the surviving Founder may at any time request in writing.

No limitation shall be placed on the surviving Founder as to either the amount of or reason for such invasion of principal.

3. Principal Distributions in Our Trustee's Discretion

Our Trustee may also distribute to or for the surviving Founder's benefit as much of the principal of Survivor's Share One as our Trustee, in its sole and absolute discretion, shall consider necessary or advisable for the surviving Founder's education, health, maintenance, and support.

Our Trustee shall take into consideration, to the extent that our Trustee deems advisable, any income or resources of the surviving Founder which are outside of the trust and are known to our Trustee.

4. The Surviving Founder's General Power of Appointment

The surviving Founder shall have the unlimited and unrestricted general power to appoint either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, the entire principal and any accrued and undistributed net income of Survivor's Share One as it exists at the surviving Founder's death. In exercising this general power of appointment, the surviving Founder shall specifically refer to this power.

The surviving Founder shall have the sole and exclusive right to exercise the general power of appointment.

This general power of appointment specifically grants to the surviving Founder the right to appoint property to the surviving Founder's own estate. It also specifically grants to the surviving Founder the right to appoint the property among persons, corporations, or other entities in equal or unequal proportions, and on such terms and conditions, whether outright or in trust, as the surviving Founder may elect.

Section C. Administration of Survivor's Share Two

Our Trustee shall administer Survivor's Share Two for the surviving Founder's benefit as follows:

1. The Surviving Founder's Right to Income

Our Trustee shall pay to or apply for the surviving Founder's benefit, at least monthly during the surviving Founder's lifetime, all of the net income from Survivor's Share Two.

The surviving Founder shall have the unlimited and unrestricted general power to appoint either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, any accrued and undistributed net income of Survivor's Share Two. In exercising this general power of appointment, the surviving Founder shall specifically refer to this power.

The surviving Founder shall have the sole and exclusive right to exercise the general power of appointment.

This general power of appointment specifically grants to the surviving Founder the right to appoint property to the surviving Founder's own estate. It also specifically grants to the surviving Founder the right to appoint the property among persons, corporations, or other entities in equal or unequal proportions, and on such terms and conditions, whether outright or in trust, as the surviving Founder may elect.

2. Principal Distributions in Our Trustee's Discretion

Our Trustee may also distribute to or for the surviving Founder's benefit as much of the principal of Survivor's Share Two as our Trustee, in its sole and absolute discretion, shall consider necessary or advisable for the education, health, maintenance, and support of the surviving Founder.

Our Trustee shall take into consideration, to the extent that our Trustee deems advisable, any income or resources of the surviving Founder which are outside of the trust and are known to our Trustee.

It is our desire, to the extent that it is economically prudent, that principal distributions be made from Survivor's Share One until it is exhausted, and only thereafter from the principal of Survivor's Share Two.

3. The Surviving Founder's Limited Testamentary Power of Appointment

The surviving Founder shall have the limited testamentary power to appoint to or for the benefit of our descendants, either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, all or any portion of the principal of Survivor's Share Two as it exists at the surviving Founder's death.

The surviving Founder may make distributions among our descendants in equal or unequal amounts, and on such terms and conditions, either outright or in trust, as the surviving Founder shall determine.

This power shall not be exercised in favor of the surviving Founder's estate, the creditors of the surviving Founder's estate, or in any manner which would result in any economic benefit to the surviving Founder.

Section D. Administration of Both Survivor's Shares at Surviving Founder's Death

Both Survivor's Share One and Survivor's Share Two shall terminate at the surviving Founder's death. Our Trustee shall administer the unappointed balance or remainder of both shares as follows:

1. The Surviving Founder's Final Expenses

Our Trustee shall be indemnified from the trust property for any damages sustained by our Trustee as a result of its exercising, in good faith, the authority granted it under this Section.

It is our desire that, to the extent possible, any payments authorized under this Section be paid from the surviving Founder's probate estate before any payments are made pursuant to this Section.

2. Redemption of Treasury Bonds

If the Survivor's Trust holds United States Treasury Bonds eligible for redemption in payment of the federal estate tax, our Trustee shall redeem the bonds to the extent necessary to pay any federal estate tax due by reason of the surviving Founder's death.

3. Coordination with the Personal Representative

This Paragraph shall be utilized to help facilitate the coordination between the personal representative of the surviving Founder's probate estate and our Trustee with respect to any property owned by the surviving Founder outside of this trust agreement at the surviving Founder's death.

a. Authorized Payments

Our Trustee, in its sole and absolute discretion, may elect to pay the payments authorized under this Section either directly to the appropriate persons or institutions or to the surviving Founder's personal representative.

Our Trustee may rely upon the written statements of the surviving Founder's personal representative as to all material facts relating to these payments; our Trustee shall not have any duty to see to the application of such payments.

b. Purchase of Assets and Loans

Our Trustee is authorized to purchase and retain in the form received, as an addition to the trust, any property which is a part of the surviving Founder's probate estate. In addition, our Trustee may make loans, with or without security, to the surviving Founder's probate estate. Our Trustee shall not be liable for any loss suffered by the trust as a result of the exercise of the powers granted in this paragraph.

c. Distributions from the Personal Representative

Our Trustee is authorized to accept distributions from the surviving Founder's personal representative without audit and our Trustee shall be under no obligation to examine the records or accounts of the personal representative.

The authority granted our Trustee in this Paragraph includes the right to elect any alternate valuation date for federal estate or state estate or inheritance tax purposes.

b. Deduction of Administration Expenses

The authority granted our Trustee in this Paragraph shall include the right to elect whether all or any parts of the administration expenses of the surviving Founder's estate are to be used as estate tax deductions or income tax deductions.

No compensating adjustments need be made between income and principal as a result of such elections unless our Trustee, in its sole and absolute discretion, shall determine otherwise, or unless required by law.

c. Taxes and Returns

Our Trustee may also sign tax returns; pay any taxes, interest, or penalties with regard to taxes; and apply for and collect tax refunds and interest thereon.

Section E. Subsequent Administration of the Survivor's Trust

Article IX

Administration of the Decedent's Trust

Section A. Use of Income and Principal

During the lifetime of the surviving Founder, our Trustee shall pay to or apply for the benefit of the surviving Founder all net income and such portions of principal from the Decedent's Trust according to the following guidelines:

1. **NET INCOME** shall be paid in convenient installments, at least monthly.

2. PRINCIPAL

- a. The surviving Founder shall have the noncumulative right to withdraw in any calendar year amounts not to exceed \$5,000.00.
- b. In addition, on the last day of any calendar year, the surviving Founder may withdraw an amount by which five percent (5%) of the then market value of the principal of the Decedent's Trust exceeds principal amounts previously withdrawn in that year pursuant to Section A.2.a. of this Article.
- c. Our Trustee may also distribute any amount of principal deemed necessary, in our Trustee's sole and absolute discretion, for the health, education, maintenance and support of the surviving Founder and our descendants.

Section B. Guidelines for All Distributions

At all times, our Trustee shall give primary consideration to the surviving Founder's health, education, maintenance and support, and thereafter to our descendant's health, education, maintenance and support.

If the surviving Founder has the power to remove a Trustee of the Decedent's Trust, our Trustee shall not distribute any of the principal of the Decedent's Trust that would in any manner discharge the surviving Founder's legal obligation to a beneficiary of the Decedent's Trust. If the surviving Founder is disabled, our Trustee shall ignore this restriction during the period of the surviving Founder's disability, and the surviving Founder shall not have the power to remove a Trustee of the Decedent's Trust.

Section C. Guidelines for Discretionary Distributions

Before making discretionary distributions of principal from the Decedent's Trust to the surviving Founder, our Trustee shall preferably exhaust the Survivor's Trust.

Before making discretionary distributions pursuant to this Article, our Trustee shall consider income or other resources which are available outside of the Decedent's Trust to any beneficiary. Distributions need not be made to all Decedent's Trust beneficiaries and may be to the complete exclusion of some beneficiaries. Distributions may be made in equal or unequal amounts according to the respective needs of the Decedent's Trust beneficiaries and shall not be charged against a beneficiary's ultimate share of trust property.

Section D. Termination of the Decedent's Trust

When the surviving Founder dies, the Decedent's Trust shall terminate and our Trustee shall administer the balance of the Decedent's Trust according to the following guidelines and in the following order:

1. The surviving Founder shall have the limited testamentary power to appoint all of the undistributed principal and income of the Decedent's Trust among our descendants only (but only to the extent such undistributed principal and income have not been transferred or assigned to the Decedent's Trust by virtue of a disclaimer executed by the surviving Founder). Any such appointment may be in any proportion and on such terms and conditions as the surviving Founder may elect. The surviving Founder shall not have the right or power to appoint any portion of the Decedent's Trust in favor of the surviving Founder's estate, creditors of the surviving Founder's estate, or in any manner which would result in any economic benefit to the surviving Founder. The right to exercise this limited testamentary power of appointment is the sole and exclusive right of the surviving Founder. Our Trustee shall distribute the

appointed portions of the Decedent's Trust according to such appointment if exercised and specifically referred to either (i) in a valid last will and testament; (ii) in a living trust agreement; or (iii) by a written exercise of power of appointment executed by the surviving Founder.

2. Any unappointed balance of the Decedent's Trust shall be administered as provided in the Articles that follow.

Section C. Administration of the Share of a Descendant of a Deceased Beneficiary

Notwithstanding the foregoing provisions as to the disposition of a trust share upon the death of a beneficiary, each share set aside for a deceased beneficiary who has then living descendants shall be divided into as many shares as shall be necessary to create shares for each then living descendant of such deceased beneficiary on a per stirpes basis. For example, if a deceased beneficiary has a deceased child who leaves children, then the share that would have passed to such deceased child shall be shared equally among his or her living children on a per stirpes basis. Each such share shall be held in trust to be administered as follows:

1. Distribution of Trust Income

Our Trustee, in its sole and absolute discretion, shall pay to or apply for the benefit of any descendant of a deceased beneficiary as much of the net income from his or her trust share as our Trustee deems advisable for the health, education, maintenance and support of such descendant.

2. Distribution of Trust Principal

Our Trustee, in its sole and absolute discretion, shall pay to or apply for the benefit of any descendant of a deceased beneficiary as much of the principal from his or her trust share as our Trustee deems advisable for the health, education, maintenance and support of such descendant.

When such descendant reaches the age of 30 or if, on the creation of his or her trust share, he or she has already attained the age of 30, thereafter, upon the written request of such descendant delivered to our Trustee, our Trustee shall distribute an amount not greater than fifty percent of the accumulated net income and principal, as it is then constituted, free of trust. If more than one written request for distribution is made by such descendant, our Trustee shall not cumulatively distribute to such descendant, in response to all such requests, more than fifty percent of the accumulated income and principal of the trust as it existed on the date of the first request for a distribution made under this paragraph by such descendant or fifty percent of the total trust funds remaining at the date of any subsequent request, whichever is the lesser amount.

When such descendant reaches the age of 40 or if, on the creation of his or her trust share, he or she has already attained the age of 40, thereafter, upon the written request of such descendant delivered to our Trustee, our Trustee shall distribute the balance of the accumulated net income and principal of such trust share, as it is then constituted to such descendant, free of trust. Undistributed funds shall continue to be held in trust.

If a descendant of a deceased beneficiary should die before the complete distribution of such trust share, the trust share shall terminate and our Trustee shall distribute the balance of the trust share to the surviving descendants of such descendant, share and share alike, per stirpes. If such descendant of a deceased beneficiary dies with no surviving descendants, then such share shall terminate and be distributed to the remaining descendants of the deceased beneficiary, share and share alike, per stirpes. If there are no descendants of such deceased beneficiary, our Trustee shall distribute the balance of the trust share to our then living descendants, per stirpes. In the event we have no then living descendants, our Trustee shall distribute the balance of the accumulated income and principal of the trust share as provided in Section G of this Article.

Our Trustee shall administer and distribute each such share according to the provisions of Article XI, Section D.

Section D. Subsequent Children

Notwithstanding the provisions of this Article wherein beneficiaries are named, if, subsequent to the creation of this trust declaration, we have additional children or legally adopt children who are under the age of 18, each such child shall be included among the beneficiaries named in this Article and an equal trust share shall be created for each such beneficiary.

Our Trustee shall administer and distribute each such share according to the provisions of Article XI, Section D.

Section E. Guidelines for Discretionary Distributions

Whenever we have given our Trustee any discretionary authority over the distribution of income or principal to any named beneficiary, our Trustee shall be liberal in exercising such discretion and shall give such beneficiary assistance for any opportunity or expense deemed by our Trustee to be in the best interest of such beneficiary. However, before making discretionary distributions, our Trustee shall take into consideration any additional sources of income and principal available to such beneficiary which exist outside of this agreement and are known to our Trustee, and the future probable needs of such beneficiary.

Section F. Guidelines for All Distributions

Whenever any provision of this Article authorizes or requires a distribution to any beneficiary, then our Trustee shall retain such distribution in trust at such beneficiary's written request. Our Trustee shall pay to or apply for the benefit of the beneficiary such amounts of income and principal as the beneficiary may at any time request in writing. No limitations shall be placed upon the beneficiary regarding withdrawals from his or her respective trust share. In addition, our Trustee, in its sole and absolute discretion, may distribute to or apply for the benefit of the beneficiary as much of the principal and income of the beneficiary's trust share as our Trustee deems advisable, in its sole and absolute discretion, for the health, education, maintenance and support of the beneficiary.

Section G. Ultimate Distribution

If at any time there is no person, corporation or other entity entitled to receive all or any part of the trust property of one of us, it shall be distributed as follows:

Beneficiary Share%

CENTRAL COLLEGE OF IOWA Pella, Iowa

100%

If the CENTRAL COLLEGE OF IOWA, Pella, Iowa, is no longer in existence at the date of distribution, but has designated a successor, such successor shall receive such beneficiary's share. However, if no such successor has been designated, the share of such beneficiary shall pass one-half to those persons who would be the wife Founder's heirs as if she had died intestate, unmarried, owning such property and the balance shall pass to those persons who would be the husband Founder's heirs as if he had died intestate, unmarried, owning such property.

The distribution of trust property, for purposes of this Section, shall be determined by the laws of descent and distribution for intestate estates in the State of Texas as such laws are in effect at the time of any distribution under this Article.

UNOFFICIAL COP

Article XI

Protection of Beneficial Interests

Section A. Protection of the Interests of Our Beneficiaries

No beneficiary will have the power to anticipate, encumber or transfer any interest in the trust. No part of the trust will be liable for or charged with any debts, contracts, liabilities or torts of a beneficiary or subject to seizure or other process by any creditor of a beneficiary.

Section B. Unproductive or Underproductive Assets

A beneficiary who is then entitled to the income of the trust, or the income of any other trust established or continued pursuant to this trust declaration, will have the authority to issue a written directive to the Trustee to convert trust property which does not produce an income, or which is underproductive, into property which is income producing or which will provide a greater income to the trust.

Upon actual receipt of an income beneficiary's written directive, the Trustee will reasonably and prudently proceed to convert unproductive or underproductive property into property which will produce a reasonable and safe rate of return. The Trustee may do so by selling the unproductive or underproductive asset upon such terms and conditions as are prudent and reasonable under all circumstances which may then exist (including the acceptance of an income or interest bearing obligation as the whole or a part of the sales price), and investing the proceeds of the sale in income producing instruments or obligations.

Notwithstanding these requirements, a trust beneficiary cannot direct the Trustee to invest or reinvest trust property in a trust investment which is speculative in nature or which, in result, would violate the spendthrift provisions of this trust declaration.

Section C. No Contest of Our Trust

The Founders vest in the Trustee the authority to construe this trust instrument and to resolve all matters pertaining to disputed issues or controverted claims. Founders do not want to burden this trust with the cost of a litigated proceeding to resolve questions of law or fact unless the proceeding is originated by the Trustee or with the Trustee's written permission.

Any person, agency or organization who shall originate (or who shall cause to be instituted) a judicial proceeding to construe or contest this trust instrument, or any will which requires distribution of property to this trust, or to resolve any claim or controversy in the nature of reimbursement, or seeking to impress a constructive or resulting trust, or alleging any other theory which, if assumed as true, would enlarge (or originate) a claimant's interest in this trust or in the Founders' estates, without the Trustee's written permission, shall forfeit any amount to which that person, agency or organization is or may be entitled and the interest of any such litigant or contestant shall pass as if he or she or it had predeceased us, regardless of whether or not such contestant is a named beneficiary.

These directions shall apply even though the person, agency or organization shall be found by a court of law to have originated the judicial proceeding in good faith and with probable cause and even though the proceedings may seek nothing more than to construe the application of this no contest provision.

This requirement is to be limited, even to the exclusion thereof, in the event it operates to deny the benefits of the federal estate tax or federal gift tax marital deduction.

Section D. Our Trustee's Authority to Keep Property in Trust

Unless this trust declaration provides otherwise, if any trust property becomes distributable to a beneficiary when the beneficiary is under 21 years of age, or when the beneficiary is under any form of legal disability, as defined in Article XIII, our Trustee shall retain that beneficiary's share in a separate trust until he or she attains 21 years of age, or until his or her legal disability has ceased, to be administered and distributed as follows:

1. Distributions of Trust Income and Principal

Our Trustee shall pay to or apply for the benefit of the beneficiary as much of the net income and principal of the trust as our Trustee, in its sole and absolute discretion, deems necessary or advisable for the beneficiary's health, education, maintenance and support. No guardian or custodian of a beneficiary shall have any control or interposition over our Trustee.

In making any distributions of income and principal under this Section, our Trustee shall be mindful of, and take into consideration to the extent it deems necessary, any additional sources of income and principal available to the beneficiary which arise outside of this agreement.

Any net income not distributed to a beneficiary shall be accumulated and added to principal.

2. Methods of Distribution

Distributions to an incompetent or disabled beneficiary, or a minor beneficiary, may be made in any of the following ways as in the Trustee's opinion will be most beneficial to the interests of the beneficiary:

- (a) Directly to such beneficiary;
- (b) To his or her parent, guardian or legal representative;
- (c) To a custodian for said beneficiary under any Uniform Gifts to Minors Act and/or Gifts of Securities to Minors Act in the jurisdiction of residence of such beneficiary;
- (d) To any person with whom he or she is residing;
- (e) To some near relative or close friend; or
- (f) By the Trustee using such payment directly for the benefit of such beneficiary, including payments made to or for the benefit of any person or persons whom said beneficiary has a legal obligation to support;
- (g) To persons, corporations or other entities for the use and benefit of the beneficiary;
- (h) To an account in a commercial bank or savings institution in the name of the beneficiary, or in a form reserving the title, management and custody of the account to a suitable person, corporation or other entity for the use and benefit of the beneficiary; or
- (i) In any prudent form of annuity purchased for the use and benefit of the beneficiary.

The Trustee may instead, in the Trustee's sole discretion, hold such income or corpus for the account of such beneficiary as custodian. A receipt from a beneficiary or from his parent, guardian, legal representative, relative or close friend or other person described above shall be a sufficient discharge to the Trustee from any liability for making said payments.

The Trustee is likewise authorized to consult with and act upon the advice of the parent, guardian, custodian or legal representative of any beneficiary who is either an incompetent or a minor with respect to any and all matters which may arise under this trust and as it concerns the rights or interests of said beneficiary.

All statements, accounts, documents, releases, notices or other written instruments, including but not limited to, written instruments concerning the resignation or replacement of any Trustee or Trustees, required to be delivered to or executed by such beneficiary, may be delivered to or executed by the parent, guardian, custodian or legal representative of said incompetent or minor beneficiary, and when so delivered or executed shall be binding upon said incompetent or minor beneficiary, and shall be of the same force and effect as though delivered to or executed by a beneficiary acting under no legal disability.

3. Termination and Ultimate Distribution

Our Trustee shall distribute the trust property to a beneficiary:

When he or she attains 21 years of age, or

When he or she ceases to be disabled.

Section E. Application to Founders

Notwithstanding anything in this agreement to the contrary, this Article shall not apply to, modify or affect the surviving Founder's right to receive the net income from the Survivor's Trust as set forth and provided for in this agreement.

Article XII

Our Trustees' Powers and Authority

Section A. Applicability of Texas Trust Code and Other Statutes

The Trustee shall have the powers, duties, and liabilities set forth in this declaration and as more specifically stated in this Article, as well as such powers, duties and liabilities set forth in the Texas Trust Code, and all other applicable state and federal statutes, as now enacted and as hereafter amended, except to the extent the same may be inconsistent with the provisions of this declaration, in which case the provisions of this declaration shall govern.

Section B. Powers to Be Exercised in the Best Interests of the Beneficiaries

The Trustee shall exercise the following administrative and investment powers without the order of any court, as the Trustee determines in its sole and absolute discretion to be in the best interests of the beneficiaries.

Notwithstanding anything to the contrary in this agreement, the Trustee shall not exercise any power in a manner inconsistent with the beneficiaries' right to the beneficial enjoyment of the trust property in accordance with the general principles of the law of trusts.

The Trustee may perform every act reasonably necessary to administer each and every share or trust created under this agreement.

Section C. General Investment and Management Powers

The Trustee is authorized to invest in such investments as the Trustee deems proper and prudent, even if such investments fail to constitute properly diversified trust investments or for any other reason could be considered to be improper trust investments. The Trustee's investment authority is intended to be quite broad, and shall include, but is not limited to, all authority that follows.

In addition, the Trustee is granted the authority to exercise any managerial powers of an individual with respect to matters affecting a trust, it being our intention to grant broad managerial discretion to the Trustee that is consistent with the management and administration of a trust, including the following managerial authorities.

Originally Contributed Properties

The Trustee may continue to hold and maintain all assets originally contributed to any trust.

Additional Properties

The Trustee is authorized to receive additional trust property, whether by gift, will, or otherwise, either from us, from either of us, or from any other person, corporation, or entity.

Upon receipt of any additional property, the Trustee shall administer and distribute the same as part of the trust property.

The Trustee may retain, without liability for depreciation or loss resulting from such retention, all property constituting the trust estate at the time of its creation or thereafter received from other sources.

The foregoing shall be acceptable even though such property may not be of the character prescribed by law for the investment of trust funds or may result in inadequate diversification of the trust property.

Securities Powers

The Trustee may invest and reinvest in such classes of stocks, bonds, securities, commodities, options, metals, or other property real or personal, as it shall determine.

The Trustee is authorized to buy, sell, and trade in securities of any nature, including short sales on margin. The Trustee may maintain and operate margin accounts with brokers, and may pledge any securities held or purchased by other Trustees with such brokers as securities for loans and advances made to the Trustee.

The Trustee may retain, exercise, or sell rights of conversion or subscription with respect to any securities held as part of the trust property.

The Trustee may vote or refrain from voting at corporate meetings either in person or by proxy, whether general or limited, and with or without substitutions.

Investment of Cash Assets

A corporate entity serving as Trustee may deposit trust funds with itself as either a permanent or temporary investment, and may place trust funds under its administration in common trust funds established and maintained by such corporate trustee or its affiliate. In

Unproductive or Wasting Assets

Except as otherwise provided in this agreement, the Trustee may receive, acquire and maintain assets that may constitute unproductive, underproductive or wasting assets if the Trustee believes it is reasonable to do so. Upon the sale or disposition of any such asset, the Trustee need not make an allocation of any portion of the principal element of such sale proceeds to the income beneficiaries of the trust.

Personal Residence and Furnishings of Personal Residence

To the extent that the personal residence that we occupied at the date of the death of the first of us to die and any furnishings of such residence become part of a trust estate, the Trustee is authorized to continue to retain and use, to distribute in kind, or to sell any such assets should the Trustee believe the retention, use, distribution or sale of such assets would be beneficial to the survivor of us.

Mineral Properties

The Trustee shall have the power to acquire, exchange, maintain or sell mineral interests, and to make oil, gas and mineral leases covering any lands or mineral interests forming a part of a trust estate, including leases for periods extending beyond the duration of the trust.

The Trustee may pool or unitize any or all of the lands, mineral leaseholds or mineral interests of a trust with others for the purpose of developing and producing oil, gas or other minerals, and may make leases or assignments containing the right to pool or unitize.

The Trustee may enter into contracts and agreements relating to the installation or operation of absorption, repressuring and other processing plants, may drill or contract for the drilling of wells for oil, gas or other minerals, may enter into, renew and extend operating agreements and exploration contracts, may engage in secondary and tertiary recovery operations, may make "bottom hole" or "dry hole" contributions, and may deal otherwise with respect to mineral properties as an individual owner might deal with his own properties.

The Trustee may enter into contracts, conveyances and other agreements or transfers deemed necessary or desirable to carry out these powers, including division orders, oil, gas or other hydrocarbon sales contracts, processing agreements, and other contracts relating to the processing, handling, treating, transporting and marketing of oil, gas or other mineral production.

Any lease or other agreement may have a duration that the Trustee deems reasonable, even though extending beyond the duration of any trust created in this agreement.

The Trustee may drill, test, explore, mine, develop, and otherwise exploit any and all oil, gas, coal, and other mineral interests, and may select, employ, utilize, or participate in any business form, including partnerships, joint ventures, co-owners' groups, syndicates, and corporations, for the purpose of acquiring, holding, exploiting, developing, operating, or disposing of oil, gas, coal, and other mineral interests.

The Trustee may employ the services of consultants or outside specialists in connection with the evaluation, management, acquisition, disposition, or development of any mineral interests, and may pay the cost of such services from the principal or income of the trust property.

The Trustee may use the general assets of the trusts created under this agreement for the purposes of acquiring, holding, managing, developing, pooling, unitizing, repressuring, or disposing of any mineral interests.

The term "mineral" shall mean minerals of whatever kind and wherever located, whether surface or subsurface deposits, including (without limitation) coal, lignite and other hydrocarbons, iron ore, and uranium.

Power to Enter Into or Continue Business Activities

The Trustee shall have the authority to enter into, engage in, expand, carry on, terminate and liquidate any and all business activities, whether in proprietary, general or limited partnership, joint venture or corporate form, with such persons and entities as the Trustee deems proper. This power pertains to business activities in progress at the date of our deaths, and to business opportunities arising thereafter. Business activities conducted by the Trustee should be related to the administration and investment of the trust estate, for it is not our intention to convert any trust into an entity that would be taxable as an association for federal tax purposes.

Banking Authority

The Trustee is authorized to establish and maintain bank accounts of all types in one or more banking institutions that the Trustee may choose.

Corporate Activities

The Trustee may form, reorganize or dissolve corporations, and may exercise all rights of a stockholder, including the right to vote for or against mergers, consolidations and

liquidations, and to act with or without substitution. An individual serving as Trustee may elect himself as an officer or director of a corporation owned in part or in whole by a trust created by this declaration, and a corporate entity serving as Trustee may elect one of its officers to such a position, and in each such instance the person so elected may be paid reasonable compensation for services rendered to such corporation in such capacity. The Trustee may retain, exercise or sell rights of conversion or subscription to any securities held as part of the trust property.

Agricultural Powers

The Trustee may retain, sell, acquire, and continue any farm or ranching operation whether as a sole proprietorship, partnership, or corporation.

The Trustee may engage in the production, harvesting, and marketing of both farm and ranch products either by operating directly or with management agencies, hired labor, tenants, or sharecroppers.

The Trustee may engage and participate in any government farm program, whether state or federally sponsored.

The Trustee may purchase or rent machinery, equipment, livestock, poultry, feed, and seed.

The Trustee may improve and repair all farm and ranch properties; construct buildings, fences, and drainage facilities; acquire, retain, improve, and dispose of wells, water rights, ditch rights, and priorities of any nature.

The Trustee may, in general, do all things customary or desirable to operate a farm or ranch operation for the benefit of the beneficiaries of the various trusts created under this agreement.

Real Estate

The Trustee may purchase or sell real property, and may exchange, partition, subdivide, develop, manage, and improve real property. The Trustee may grant or acquire easements, may impose deed restrictions, may adjust boundaries, may raze existing improvements, and may dedicate land or rights in land for public use. The Trustee may construct, repair, alter, remodel, demolish or abandon improvements. The Trustee may take any other action reasonably necessary for the preservation of real estate and fixtures comprising a part of the trust property or the income therefrom.

Authority to Sell or Lease and Other Dispositive Powers

The Trustee may sell, lease or grant options to lease trust property without the consent or ratification of any court, remainderman, or third party, including the authority to lease beyond the anticipated term of a trust, upon such terms and for such consideration as the Trustee deems appropriate. The Trustee may make such contracts, deeds, leases, and other instruments it deems proper under the circumstances, and may deal with the trust property in all other ways in which a natural person could deal with his or her property.

Warranties and Covenants

The Trustee may convey properties with such covenants and warranties of title (general or special) as the Trustee deems appropriate.

Trustee's Compensation

The Trustee shall pay itself reasonable compensation for its services as fiduciary as provided in this agreement.

Employment and Delegation of Authority to Agents

The Trustee may employ and compensate, and may discharge, such advisors and agents as the Trustee deems proper, and may delegate to an agent such authorities (including discretionary authorities) as the Trustee deems appropriate, by duly executed powers of attorney or otherwise.

Power to Release or Abandon Property or Rights, and to Pursue Claims

The Trustee may release, compromise or abandon claims or rights to property for such consideration (including no consideration) as the Trustee determines to be appropriate when the Trustee determines it is prudent to do so. The Trustee is authorized to institute suit on behalf of and to defend suits brought against a trust estate, and to accept deeds in lieu of foreclosure.

Nominal Title and Use of Nominees

With or without disclosing fiduciary capacity, the Trustee may acquire title to property in the name of the Trustee or in the name of one or more nominees, and may allow its nominees to take possession of trust assets with or without direct custodial supervision by the Trustee.

Power to Lend Money and Guarantee Obligations

The Trustee may lend money to any person, to any business entity, to an estate, or to any trust, if the Trustee deems the loan to be in the best interests of the trust beneficiaries, provided that any such loan (except loans to beneficiaries) shall be adequately secured and shall bear a reasonable rate of interest.

The Trustee, in the Trustee's discretion, may endorse, guarantee, become the surety of or otherwise become obligated for or with respect to the debts or other obligations of any person or legal entity, whether with or without consideration, when the Trustee believes such actions advance the purposes of any trust created hereunder.

The Trustee may make loans from a beneficiary's trust share to or for the benefit of such a beneficiary on an unsecured basis, and for such rate of interest as the Trustee deems appropriate, when in the Trustee's judgment, such loan would be consistent with the purposes of such trust.

Power to Borrow

The Trustee may assume the payment of and renew and extend any indebtedness previously created by either or both Founders, and the Trustee may create new indebtedness and raise money by any means, including margin trading in securities, when the Trustee believes such borrowing will be beneficial to the trust estate.

The Trustee is authorized to secure the payment of each such indebtedness, and all renewals, extensions and refinancing of same, by pledge, mortgage, deed of trust or other encumbrance covering and binding all or any part of the trust estate of a trust.

The Trustee may loan its own monies to a trust and may charge and recover the then usual and customary rate of interest thereon when, in the discretion of Trustee, it is prudent to do so.

Payment of Indebtedness and Settlement Costs

The Trustee may in its sole discretion pay the funeral and burial expenses, expenses of the last illness, and valid claims and expenses of an income beneficiary of any trust created under this agreement.

Funeral and burial expenses shall include, but not be limited to, the cost of memorials of all types and memorial services of such kind as the Trustee shall approve. Valid claims and expenses shall include, but not be limited to, all state and federal death taxes.

The payments shall be paid from the assets of the trust or trusts from which the beneficiary was receiving income.

Transactions Between the Trustee and Our Personal Representatives

The Trustee is authorized to accept from our personal representatives, upon the termination or during the administration of our respective probate estates, if any, assets delivered by our personal representatives to the Trustee on the basis of the accounting submitted by the personal representatives, without requiring an audit or other independent accounting of the acts of our personal representatives, and the Trustee shall not have liability for the acts or omissions of our personal representatives. The foregoing shall not limit the right of our Trustee to request an accounting from our personal representatives and our personal representatives shall, upon request from the Trustee, furnish a complete accounting for their actions.

The Trustee shall have the power to purchase property from our estates at its fair market value, as determined by our personal representatives and by our Trustee, and to the extent required to permit such purchase of assets and to permit loans from the Trustee to our estate, we specifically waive application of the provisions of Section 352 of the Texas Probate Code and Sections 113.053 and 113.054 of the Texas Trust Code.

Commingling Trust Estates

For the purpose of convenience with regard to the administration and investment of the trust property, the Trustee may hold the several trusts created under this agreement as a common fund.

The Trustee may make joint investments with respect to the funds comprising the trust property.

The Trustee may enter into any transaction authorized by this Article with fiduciaries of other trusts or estates in which any beneficiary hereunder has an interest, even though such fiduciaries are also Trustees under this agreement.

Addition of Accumulated Income to Principal

The Trustee shall, on a convenient periodic basis, add the accumulated undistributed income of any trust which does not provide for mandatory income distributions to specified beneficiaries, and which does not require that any undistributed income be maintained separately for ultimate distribution to specified beneficiaries, to the principal of such trust.

Distributions Not Treated as Advancements

No distributions to a beneficiary of any trust created hereunder shall be treated as an advancement against the beneficiary's share of such trust unless the distribution is specially so treated on the Trustee's records at the time of the distribution or unless the Trustee gives notice of such fact to the beneficiary at the time of the distribution. If the Trustee has the discretion to make distributions from a trust to more than one beneficiary, the Trustee ordinarily should not treat distributions to any particular beneficiary as an advancement of that beneficiary's share of the trust unless an event has occurred causing the termination of such trust.

Tax Elections

The Trustee may exercise any available elections regarding state or federal income, inheritance, estate, succession or gift tax law including the right to elect any alternate valuation date for federal estate or inheritance tax purposes, the right to elect whether all or any parts of the administration of a deceased Founder's estate are to be used as estate tax deductions or income tax deductions, the right to make compensating adjustments between income and principal as a result of such elections if necessary, and the right to elect to have trust property qualify for the federal estate tax marital deduction as qualified terminable interest property under the appropriate provisions of the Internal Revenue Code and its regulations. The Trustee may also sign tax returns; pay any taxes, interest or penalties with regard to taxes; apply for and collect tax refunds thereon.

The Trustee is authorized to make elections available under applicable tax laws as the Trustee determines, in its discretion, to be advisable even though such elections may affect the interests of trust beneficiaries. The Trustee need not, but may, in its sole discretion, make equitable adjustments of the interests of the trust beneficiaries in light of the effect of such elections.

Transactions in Which the Trustee Has A Direct or Indirect Interest

We expressly waive prohibitions existing under the common law and the Texas Trust Code that might otherwise prohibit a person or entity who is serving as a Trustee from engaging in transactions with himself or itself personally, so long as the consideration exchanged in any such transaction is fair and reasonable to the trust created by this declaration. Specifically, we authorize the Trustee (a) to buy or sell trust property from or to an individual or entity serving as a Trustee, or from or to a relative, employee, business associate or affiliate of such individual serving as Trustee; (b) to sell or exchange and to transact other business activities involving properties of one trust with another trust under

the control of the Trustee; and (c) to sell or purchase from a trust the stock, bonds, obligations or other securities of the Trustee or its affiliate.

Notwithstanding the general powers conferred upon the Trustee, or anything to the contrary contained in this agreement, no individual Trustee shall exercise or participate in the exercise of discretion with respect to the distribution of trust income or principal to or for the benefit of such Trustee.

No individual Trustee shall exercise or participate in the exercise of such discretionary power with respect to distributions to any person or persons such Trustee is legally obligated to support as to that support obligation.

Section D. Apportionment of Receipts and Expenses Between Income and Principal

The Trustee shall have the power, exercisable in such Trustee's reasonable and sole discretion, to determine what is principal or income of a trust or trust share. The Trustee shall pay from income or principal all of the reasonable expenses attributable to the administration of the respective trusts created in this agreement. The Trustee shall have the power to establish a reasonable reserve for depreciation or depletion and to fund the same by appropriate charges against income of the trust estate. For purposes of determining an appropriate reserve for depreciable or depletable assets, the Trustee may (but need not) adopt the depreciation or depletion allowance available for federal income tax purposes.

Section E. Records, Books of Account and Reports

The Trustee shall promptly set up and thereafter maintain, or cause to be set up and maintained, proper books of account which shall accurately reflect the true financial condition of the trust estate. Such books of account shall at all reasonable times be open for inspection or audit only by current, mandatory income beneficiaries, their parent or court appointed guardians, and the duly authorized agents, attorneys, representatives and auditors of each, at the expense of the beneficiary making such inspection or audit.

The Trustee shall make a written financial report, at least semi-annually, to each beneficiary of the trust who is entitled to receive a present, mandatory income distribution, unless such beneficiary, or such beneficiary's parent or legal guardian, has executed a written waiver of the right to receive such a report. The Trustee shall not be obligated to provide financial reports to a beneficiary who is less than eighteen years old if such reports are being provided to a parent of such beneficiary. Such reports shall be submitted to the parent or guardian of a minor beneficiary, or to the guardian or other legal representative of any incapacitated beneficiary.

The first financial report shall identify all property initially received by the Trustee. The first report and each subsequent report shall include a statement of all property on hand at the end of such accounting period, of all property that has come to the knowledge or possession of the Trustee that has not been previously listed as property of the trust, of all known liabilities, of all receipts and disbursements during such period (including a statement as to whether the receipt or disbursement is of income or principal), and of such other facts as the Trustee deems necessary to furnish in order to provide adequate information as to the condition of the trust estate.

Except as otherwise provided in this declaration, should any person interested in a trust estate request an accounting for the Trustee's actions that is more extensive or more frequent than the accounting normally to be rendered, the Trustee may require such person to pay the additional costs incurred in preparing the same before complying with such request.

Section F. Trustee's Liability

No person or entity serving as Trustee without compensation shall be liable for any error of judgment or mistake of fact or law or for ordinary negligence, but shall be liable for acts involving willful misconduct, gross negligence or bad faith.

Unless otherwise provided, no person or entity serving as Trustee who is receiving compensation for his or its services hereunder shall be liable for any loss which may occur as a result of any actions taken or not taken by the Trustee if such person or entity has exercised the reasonable care, skill and prudence generally exercised by a compensated fiduciary with respect to the administration, investment, and management of similar estates.

No person or entity serving as Trustee shall be liable for the acts, omissions or defaults of any other person or entity serving as Trustee, agent or other person to whom duties may be properly delegated hereunder (except that each corporate trustee shall be liable for the acts, omissions and defaults of its officers and regular employees) if such agent or other person was engaged with reasonable care.

Unless a Trustee shall expressly contract and bind himself or itself individually, no Trustee shall incur any personal liability to any person or legal entity dealing with the Trustee in the administration of a trust. The Trustee shall be entitled to reimbursement from the properties of a trust for any liability or expense, whether in contract, tort or otherwise, incurred by the Trustee in the proper administration of a trust.

The Trustee shall be indemnified from the trust property for any damages sustained by the Trustee as a result of its exercising, in good faith, any of the authorities granted it under this trust declaration.

Section G. Duty of Third Parties Dealing with Trustee

No person dealing with the Trustee shall be responsible for the application of any assets delivered to the Trustee, and the receipt of the Trustee shall be a full discharge to the extent of the property delivered. No purchaser from or other person dealing with the Trustee, and no issuer or transfer agent of any securities to which any dealing with the Trustee shall relate, shall be under any duty to ascertain the power of the Trustee to purchase, sell, exchange, transfer, encumber or otherwise in any manner deal with any property held by the Trustee. No person dealing with the Trustee in good faith shall be under any duty to see that the terms of a trust are complied with or to inquire into the validity or propriety of any act of the Trustee.

Section H. Division and Distribution of Trust Estate

When the Trustee is required to divide or make distribution from a trust estate, in whole or in part, such division or distribution may be made by the Trustee in cash or in kind, or partly in cash and partly in kind, and the Trustee may assign or apportion to the distributees undivided interests in any assets then constituting a part of such trust estate. The Trustee may encumber property, may sell property, and may make non-pro-rata distributions when the Trustee believes it is practical or desirable and equitable to do so in order to effectuate a trust distribution regardless of the income tax basis of any asset.

If non-pro-rata distributions are to be made, the Trustee should attempt to allocate the tax basis of the assets distributed in an equitable manner among the beneficiaries of the trust, but the Trustee may at all times rely upon the written agreement of the trust beneficiaries as to the apportionment of assets. To the extent non-pro-rata distributions are made and the tax basis of the assets so distributed is not uniformly apportioned among beneficiaries, the Trustee may, but need not, make any equitable adjustments among such beneficiaries as a result of such nonuniformity in basis.

Section I. Life Insurance

The Trustee shall have the powers with regard to life insurance as set forth in this Section I, except as otherwise provided in this agreement.

The Trustee may purchase, accept, hold, and deal with as owner, policies of insurance on both Founders' individual or joint lives, the life of any trust beneficiary, or on the life of any person in whom any trust beneficiary has an insurable interest.

The Trustee shall have the power to execute or cancel any automatic premium loan agreement with respect to any policy, and shall have the power to elect or cancel any automatic premium loan provision in a life insurance policy.

The Trustee may borrow money with which to pay premiums due on any policy either from the company issuing the policy or from any other source and may assign any such policy as security for the loan.

The Trustee shall have the power to exercise any option contained in a policy with regard to any dividend or share of surplus apportioned to the policy, to reduce the amount of a policy or convert or exchange the policy, or to surrender a policy at any time for its cash value.

The Trustee may elect any paid-up insurance or any extended-term insurance nonforfeiture option contained in a policy.

The Trustee shall have the power to sell policies at their fair market value to the insured or to anyone having an insurable interest in the policies.

The Trustee shall have the right to exercise any other right, option, or benefit contained in a policy or permitted by the insurance company issuing that policy.

Upon termination of any trust created under this agreement, the Trustee shall have the power to transfer and assign the policies held by the trust as a distribution of trust property.

Section J. Insured Trustee's Authority

Any individual Trustee under this agreement, other than either Founder, is prohibited from exercising any power conferred on the owner of any policy which insures the life of such individual Trustee and which is held as part of the trust property.

If the Trustee holds any such policy or policies as a part of the trust property, the powers conferred on the owner of such a policy shall be exercised only by the other then acting Trustee.

If the insured Trustee is the only then acting Trustee, then such powers shall be exercised by a substitute Trustee designated pursuant to the provisions of this agreement dealing with the trusteeship.

If any rule of law or court decision construes the ability of the insured Trustee to name a substitute Trustee as an incident of ownership, the substitution process shall be implemented

by a majority of the then current mandatory and discretionary income beneficiaries, excluding the insured Trustee if the insured Trustee is a beneficiary.

Section K. Estimated Income Tax Payment Allocation

The Trustee, in its sole discretion, may elect or not elect to treat all or any portion of federal estimated taxes paid by any trust to be treated as a payment made by any one or more beneficiaries of such trust who are entitled to receive current distributions of income or principal from such trust. The election need not be made in a pro rata manner among all beneficiaries of the trust.

If there is an individual serving as a co-trustee who is a beneficiary of a trust created by this declaration, that individual may not take part in any decision to treat any trust estimated income tax payment as a payment by such individual.

In exercising or choosing not to exercise the discretion granted in this paragraph, the Trustee shall not be liable to any beneficiary or to any other persons directly or indirectly for any action or inaction so taken except for its willful fraud or gross negligence.

Section L. Merger of Trusts

If at any time the Trustee determines it would be in the best interest of the beneficiary or beneficiaries of any trust created by this declaration to transfer or merge all of the assets held in such trust with any other trust created either by trust instrument or by will for the benefit of the same beneficiary or beneficiaries and under substantially similar trusts, terms and conditions, the Trustee under this declaration, after giving not less than thirty days advance written notice to its beneficiaries, is authorized to transfer to or merge all of the assets held under the trust created by this declaration to such other substantially similar trust, and to terminate the trust created under this declaration regardless of whether the Trustee under this declaration also is acting as the trustee of such other trust.

The Trustee under this declaration shall not be subject to liability for delegation of its duties for any such transfer to a substantially similar trust having a different person or entity serving as trustee, and shall have no further liability with respect to trust assets properly delivered to the trustee of any such other substantially similar trust. Similarly, the Trustee of any trust created by this declaration is authorized to receive from the trustee of any other substantially similar trust the assets held under such other trust.

Section M. Termination and Distribution of Small Trust

If, in the discretionary judgment of the person(s) or entity serving as Trustee, other than a surviving Founder acting as Trustee, any trust shall at any time be a size which, in the Trustee's sole judgment, shall make it inadvisable or unnecessary to continue such trust, then the Trustee may distribute the trust estate of such trust to its beneficiaries in proportion to their respective presumptive interests in such trust at the time of such termination.

If either or both of us are a beneficiary of a trust terminated pursuant to this paragraph and are surviving at the date of such termination, the Trustee (other than a surviving Founder acting as Trustee) shall distribute the assets of such terminated trust to both of us or the survivor of us. The Trustee shall not be liable either for terminating or for refusing to terminate a trust as authorized by this paragraph.

Section N. Elimination of Duty to Create Identical Trusts

If the provisions of this trust direct the Trustee to hold any portion of its trust estate at its termination as the trust estate of a new trust for the benefit of any person or persons who already are beneficiaries of an existing identical trust, that portion of the terminating trust shall be added to the existing identical trust, and no new trust shall be created.

Section O. Powers of Trustee Subsequent to an Event of Termination

The Trustee shall have a reasonable period of time after the occurrence of an event of termination in which to wind up the administration of a trust and to make a distribution of its assets. During this period of time the Trustee shall continue to have and shall exercise all powers granted herein to the Trustee or conferred upon the Trustee by law until all provisions of this declaration are fully executed.

Section P. Requesting Financial Information of Trust Beneficiaries

In exercising its discretion to make any discretionary distributions to the beneficiaries of any trust created hereunder, the Trustee is authorized to request any financial information, including prior federal income tax returns, from the respective beneficiaries that the Trustee deems necessary in order to exercise its discretion in accordance with the provisions for making such distributions under this declaration.

Section Q. Retirement Plan Elections

Except as otherwise provided in this trust declaration, the Trustee may receive or disclaim any and all proceeds from retirement plans, including, but not limited to, qualified pension, profit sharing, Keogh, individual retirement accounts, or any other form or type of plan. The Trustee may make such elections and exercise options as provided in such plan, without liability to any beneficiary for the election made or option elected. Any disclaimed proceeds or benefits shall be paid in accordance with the terms, conditions, and directives set forth in the subject plan.

Section R. Oualification as a Qualified Subchapter S Trust

If any stock of an S corporation becomes distributable to a trust created under this agreement, and such trust is not a qualified Subchapter S trust, the Trustee may implement any of the following alternatives with respect to the S corporation stock:

1. A Sole Beneficiary

Where the original trust is for a sole beneficiary, the Trustee may create for that beneficiary a separate trust that qualifies as a Subchapter S trust, and then distribute such stock to the newly created trust.

2. Multiple Beneficiaries

Where the original trust is for multiple beneficiaries, the Trustee may divide the trust into separate trusts for each of the beneficiaries. Each newly created trust shall hold that beneficiary's pro rata share of the S corporation stock, and shall qualify as a Subchapter S trust.

3. Outright Distribution

If circumstances prevent the Trustee from accomplishing the first two alternatives under this paragraph, the Trustee may, in its sole and absolute discretion, distribute such stock to the beneficiaries as if the trust had terminated, while continuing to hold any other non-S corporation property in trust.

Each newly created S corporation trust shall have mandatory distributions of income and shall not provide for powers of appointment that can be exercised by the beneficiary during the beneficiary's lifetime. In all other respects, the

newly created trusts shall be as consistent as possible with the original trusts and still qualify as Subchapter S trusts.

The Trustee may take any action necessary with regard to S corporations, including making any elections required to qualify stock as S corporation stock, and may sign all required tax returns and forms.

If there are conflicting instructions at the time of our deaths, then the instructions bearing the latest date shall be controlling. All such instructions are hereby incorporated by reference into this declaration.

Section B. Special Bequests

Unless otherwise provided in this trust document, or in any amendment, or in a document exercising a power to appoint the beneficiaries of this trust, if property given as a special bequest or gift is subject to a mortgage or other security interest, the designated recipient of the property will take the asset subject to the obligation and the recipient's assumption of the indebtedness upon distribution of the asset to the recipient.

The obligation to be assumed shall be the principal balance of the indebtedness on the date of death, and the trust shall be entitled to reimbursement or offset for principal and interest payments paid by the trust to date of distribution.

In no event will the term of this trust continue for a term greater than 21 years after the death of the last survivor of the Founders and all relatives of the Founders living on the effective date of this trust declaration.

Any continuation of the trust by the qualified exercise of a power of appointment will be construed as the creation of a separate trust and an extension of the rule against perpetuities to the extent permitted by law. A court of competent jurisdiction is to liberally construe and apply this provision to validate an interest consistent with the Founders' intent and may reform or construe an interest according to the doctrine of cy pres.

Section D. Jurisdiction

Section G. Survival

Except as otherwise provided in this trust declaration, for the purpose of vesting in the event two or more persons who have an interest in the trust die within a short time of one another, one must have survived the other for a period of at least 90 days as a condition to vesting.

In the event that the Co-Founders shall die simultaneously, or if there is insufficient evidence to establish that Co-Founders died other than simultaneously, it is deemed that the spouse owning the greater share of the separate property in this trust or passing into this trust due to the death of the Co-Founders, as defined for federal estate tax purposes, shall have predeceased the other Co-Founder, notwithstanding any provision of law to the contrary, and the provisions of this trust shall be construed on such assumption.

Section I. Changing the Trust Situs

After the death or disability of one of us, the situs of this agreement may be changed by the unanimous consent of all of the beneficiaries then eligible to receive mandatory or discretionary distributions of net income under this agreement.

If such consent is obtained, the beneficiaries shall notify our Trustee in writing of such change of trust situs, and shall, if necessary, designate a successor corporate fiduciary in the new situs. This notice shall constitute removal of the current Trustee, if appropriate, and any successor corporate Trustee shall assume its duties as provided under this agreement.

A change in situs under this Section shall be final and binding, and shall not be subject to judicial review.

Section J. Construction

Unless the context requires otherwise, words denoting the singular may be construed as denoting the plural, and words of the plural may be construed as denoting the singular. Words of one gender may be construed as denoting another gender as is appropriate within such context.

If either Founder's personal representative or trustee and/or the Trustee exercises the special election provided by Section 2652(a)(3) of the Internal Revenue Code, as to any share of either Founder's property that is to be held in trust under this trust declaration, then the Trustee is authorized, in the Trustee's sole discretion, to set apart property constituting such share in a separate trust so that its inclusion ratio of such trust is zero.

- D. Designation of Trustee: Except for the Personal Asset Trusts created for CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS, each beneficiary for whom a Personal Asset Trust is created shall act as sole Trustee of said trust. ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART shall act as Co-Trustees for the Personal Asset Trusts for CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS. If either ANITA KAY BRUNSTING or AMY RUTH TSCHIRHART cannot serve for any reason, the remaining Co-Trustee shall serve alone. Both ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART shall have the right to appoint their own successor Trustee in writing. Notwithstanding the foregoing, each beneficiary who is acting as his or her own Trustee of his or her said trust shall have the right, at such time as said beneficiary is acting as sole Trustee and in said beneficiary's sole and absolute discretion, to appoint an independent bank or trust company to act jointly with said beneficiary as Co-Trustee of said trust. Said beneficiary shall also have the right, at any time and in said beneficiary's sole and absolute discretion, to remove said independent bank or trust company acting as Co-Trustee provided said beneficiary appoints another independent bank or trust company in its place. The appointment or removal of an independent bank or trust company as Co-Trustee shall be by written instrument delivered to the Co-Trustee. Furthermore, said beneficiary shall have the right to designate by will or other written instrument, either individual(s) or an independent bank or trust company, to act as a

successor Trustee or Co-Trustee(s) in said beneficiary's place, as the case may be, in the event of said beneficiary's death, incompetency, inability or unwillingness to act; but, if said beneficiary is still living, the majority of acting Trustees must be independent within the meaning of Internal Revenue Code Section 674(c) and said beneficiary shall not have the right to remove the successor Trustee or Co-Trustee so designated and appoint another in its place. Should said beneficiary fail to so designate a successor Trustee or Co-Trustees of such trust, then the FROST NATIONAL BANK shall act as successor Trustee, notwithstanding any other provisions contained in the trust agreement. Notwithstanding the foregoing provisions of this paragraph, the ability of said beneficiary to appoint a successor Trustee may be limited as set forth in the Sections of the Trust entitled "Special Co-Trustee Provisions" and "Trust Protector Provisions."

- E. Designation of Trustee for Primary Beneficiary's Issue: Notwithstanding the foregoing, upon attaining age thirty five (35) each of the descendants of a Primary Beneficiary (hereinafter sometimes referred to as "issue") shall act as sole Trustee of the Personal Asset Trust created for such issue. Said issue shall have the right, at such time as said issue is acting as sole Trustee and in said issue's sole and absolute discretion, to appoint an independent bank or trust company to act jointly with said issue as Co-Trustee of said trust. Said issue shall also have the right, at any time and in said issue's sole and absolute discretion, to remove said independent bank or trust company acting as Co-Trustee provided said issue appoints another independent bank or trust company in its place. The appointment or removal of an independent bank or trust company as Co-Trustee shall be by written instrument delivered to the Co-Trustee. Furthermore, said issue shall have the right to designate by will or other written instrument, either individual(s) or an independent bank or trust company, to act as a successor Trustee or Co-Trustee(s) in said issue's place, as the case may be, in the event of said issue's death, incompetency, inability or unwillingness to act; but, if said issue is still living, the majority of acting Trustees must be independent within the meaning of Internal Revenue Code Section 674(c)) and said issue shall not have the right to remove the successor Trustee or Co-Trustee so designated and appoint another in its place. Should said issue fail to so designate a successor Trustee or Co-Trustees of such trust, then the FROST NATIONAL BANK shall act as successor Trustee, notwithstanding any other provisions contained in the trust agreement. Notwithstanding the foregoing provisions of this paragraph, the ability of said issue to appoint a successor Trustee may be limited as set forth in the Sections of the Trust entitled "Special Co-Trustee Provisions" and "Trust Protector Provisions."
- F. <u>Administration of Personal Asset Trust</u>: The Personal Asset Trust shall be held, administered and distributed by the Trustee appointed under this Section of the Trust Agreement as follows:
 - 1. <u>Discretionary Distributions of Income and/or Principal</u>: The Trustee, shall have the power, in such Trustee's sole and absolute discretion, binding on all persons interested now or in the future in this trust, to distribute or apply for

the benefit of the beneficiary for whom the trust was created (hereinafter the "primary beneficiary") and the primary beneficiary's issue or to a trust for their benefit, so much of the income and/or principal of the Trust Estate, and at such time or times as such Trustee shall deem appropriate for such distributees' health, support, maintenance and education. Any income not distributed shall be accumulated and added to principal. In exercising the discretions conferred in this paragraph, the Trustee may pay more to or apply more for some beneficiaries to the exclusion of others, if such Trustee deems this necessary or appropriate in light of the circumstances, the size of the Trust Estate and the probable future needs of the beneficiaries. The Trustee shall, before making any such distributions, consider the Trustor's intent in creating the trust, as set forth above in paragraph B.

- 2. Additional Guidelines for Distributions: In addition to the provisions set forth above for making discretionary distributions of income and/or principal, the Trustee shall be further guided as follows in making such distributions. Any such distributions shall be made in the sole and absolute discretion of the Trustee and shall be binding on all persons howsoever interested now or in the future in this trust.
 - Primary Beneficiary's Needs Considered First; Broad Interpretation of a. "Health, Education, Maintenance and Support": In exercising the discretionary powers to provide benefits under this trust, the Trustee shall take into consideration that the primary purpose in establishing this trust is to provide for the present and future welfare of the primary beneficiary, and secondly, the present and future welfare of the primary beneficiary's issue. Furthermore, the Trustee may take into account any beneficiary's character and habits and his or her willingness and action to support himself or herself in light of his or her particular abilities and disabilities, and the needs of other beneficiaries, if any, of the same trust. Finally, the Trustor requests that the Trustee be liberal in determining the needs of a beneficiary for health, support, maintenance and education and in conferring benefits hereunder. The term "health" need not take into account any private or governmental medical insurance or other medical payments to which a beneficiary may be entitled, and the Trustee may pay for the expense of providing health and medical insurance coverage for the beneficiary. The term "education" may include but is not limited to, all expenses incurred in connection with or by reason of a beneficiary's attendance at public or private elementary or high school, college, university or vocational, technical or other educational institution or specialized training programs (whether or not any such institution or program provider shall be a fully accredited educational institution), graduate or post-graduate education expenses, and all expenses incurred in providing such beneficiary with an education in a non-institutional setting; including,

but not limited to, the expense of travel and charges for tutoring, tuition, room and board (whether or not charged by an educational institution at which such beneficiary shall be a student), laboratory fees, classroom fees, clothing, books, supplies, laboratory or other equipment or tools (including computer hardware and software) or other material or activities that the Trustee shall determine to be of educational benefit or value to such beneficiary. In determining the need for funds for education, the Trustee shall consider all direct and indirect expenses, including living expenses of the beneficiary and those persons who may be dependent upon said beneficiary. The terms "support" and "maintenance" may include but are not limited to investment in a family business, purchase of a primary residence, entry into a business, vocation or profession commensurate with a beneficiary's abilities and interests; recreational or educational travel; expenses incident to marriage or childbirth; and for the reasonably comfortable (but not luxurious) support of the beneficiaries. When exercising the powers to make discretionary distributions from the trust, the Trustee shall maintain records detailing the amount of each distribution made to any beneficiary from trust income and/or principal and the reasons for such distribution. The distributions made to a beneficiary shall not be allocated to or charged against the ultimate distributable share of that beneficiary (unless so provided in the primary beneficiary's exercise of his or her limited power of appointment).

- Consider the Situation of the Beneficiary: In determining whether or not it is in the best interest of a beneficiary for any payment to be made to that beneficiary, the Trustee shall consider the financial responsibility, judgment and maturity of such beneficiary, including whether or not, at the time of such determination, such beneficiary: (i) is suffering from any physical, mental, emotional or other condition that might adversely affect the beneficiary's ability to properly manage, invest and conserve property of the value that would be distributed to said beneficiary; (ii) is at such time, or previously has been, a substantial user of or addicted to a substance the use of which might adversely affect the beneficiary's ability to manage, invest and conserve property of such a value; (iii) has demonstrated financial instability and/or inability to manage, invest and conserve the beneficiary's property; or (iv) is going through a period of emotional, marital or other stress that might affect the beneficiary's ability to manage, invest and conserve such property.
- c. <u>Consider Any Written Letter of Instructions from the Trustor</u>: The Trustor may from time to time by written letter or other instrument, not constituting a holographic will or codicil or amendment to any trust, set forth instructions to the Trustee as to how the Trustor wishes the

Trustee's discretion to be exercised. The Trustor recognizes and intends that such instructions shall only be directive in nature and not binding on the Trustee or any beneficiary hereunder; however, the Trustor requests, to the extent possible, that the Trustee be mindful of these instructions when administering the trust.

- d. Loans, Use of Trust Property and Joint Purchases Preferred Over Distributions: The Trustee is directed, prior to making any distributions directly to or for the benefit of a beneficiary, to consider the alternatives of making a loan to the beneficiary, allowing the beneficiary the use of property of the Trust Estate (or such property to be acquired) and/or making a joint purchase of property with the beneficiary, pursuant to the paragraph below entitled "Special Trustee Powers."
- e. Restrictions on Distributions That Discharge Legal Obligations of a Beneficiary: The primary beneficiary is expressly prohibited from making any distributions from the trust, either as Trustee or under any limited power of appointment, either directly or indirectly, in favor of anyone to whom the primary beneficiary owes a legal obligation, to satisfy, in whole or in part, such legal obligation. Any such distributions may only be made by the Trust Protector.
- Primary Beneficiary's Limited Power of Appointment: The primary beneficiary shall G. have the following Limited Powers of Appointment. During the lifetime of the primary beneficiary, said beneficiary may appoint and distribute the accumulated income and/or principal to any one or more of said beneficiary's issue, either outright or in trust upon such terms and conditions, and in such amounts or proportions as said beneficiary wishes. Upon the death of the primary beneficiary, the Trustee shall distribute any remaining balance, including accumulated income and principal, to any one or more of said beneficiary's issue, either outright or in trust upon such terms and conditions and in such amounts or proportions as said beneficiary shall appoint by said beneficiary's last unrevoked Will, codicil or other written instrument executed prior to said beneficiary's death and specifically referring to this power of appointment. In the event there should be a failure of disposition of all or any portion of said income or principal, either in connection with the exercise or as a result of the nonexercise of the above testamentary limited power of appointment, all of said income and principal not disposed of shall be administered and distributed as set forth below in the paragraph entitled "Final Disposition of Trust." The terms of this paragraph may be limited by the Section of this Trust Agreement entitled "Trust Protector Provisions."
- H. <u>Final Disposition of Trust</u>: If the primary beneficiary for whom the Personal Asset Trust has been created should die before complete distribution of said trust, and the beneficiary's above powers of appointment have not been fully exercised, said trust shall terminate and the remaining principal (including accumulated income added

thereto) in said trust shall be held, administered and distributed for the benefit of the succeeding or contingent beneficiaries named, if any, pursuant to the respective paragraph set forth in Section 3.B. of this Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment establishing said beneficiary's share as if such beneficiary had been an original part thereof. Any share or portion thereof of any trust administered hereunder which is not disposed of under any of the foregoing provisions (or the provisions of the Article entitled "Trust Protector Provisions") shall be distributed pursuant to the paragraph of the Trust Agreement entitled "Ultimate Distribution."

- I. Special Trustee Powers: With respect to each Personal Asset Trust created under this Section, and in addition to or in lieu of the powers and authority granted to the Trustee under any other provisions of the Trust Agreement, during the existence of the Personal Asset Trust and until such time of its termination the Trustee, in his or her sole and absolute discretion, shall have the powers and authority to do the following.
 - 1. Permit Beneficiaries to Use Trust Assets: The Trustor desires that the beneficiaries of the trust be given the liberal use and enjoyment of trust property. To the extent deemed practical or advisable in the sole and absolute discretion of the Trustee, the primary beneficiary (or other beneficiaries) of each trust hereunder may have the right to the use, possession and enjoyment of (a) all of the tangible personal property at any time held by such trust, including but not limited to artwork, jewelry, coin or stamp collections and other collectible assets, and (b) all real property that may at any time constitute an asset of such trust. Such use, possession and enjoyment may be without rent or other financial obligation. To the extent of the trust assets and unless the Trustee is relieved of such obligation by such beneficiary (or beneficiaries), which the Trustee may agree to do, the Trustee shall see to the timely payment of all taxes, insurance, maintenance and repairs, safeguarding and other charges related to the preservation and maintenance of each and every such property. The Trustor requests, but do not require, that any such use, possession or enjoyment by a beneficiary other than the primary beneficiary be subject to veto at any time by the primary beneficiary.
 - a. Hold and Maintain a Residence for the Use of Beneficiaries: The Trustee is specifically authorized to hold and maintain any residence (whether held as real property, condominium or cooperative apartment) for the use and benefit of any beneficiary of any trust. If the Trustee, in the Trustee's sole and absolute discretion, determines that it would be in the best interests of any beneficiary of any trust to maintain a residence for their use, but that the residence owned by the Trustee should not be used for such purpose, the Trustee is authorized to sell said residence and to apply the net proceeds of the sale to the purchase of such other residence or to make such other arrangements as the Trustee, in such Trustee's sole and absolute discretion, deems suitable

for the purpose. Any proceeds of sale not needed for reinvestment in a residence as provided above shall be added to the principal of the trust and thereafter held, administered and disposed of as a part thereof. The Trustee is authorized to pay all carrying charges of such residence, including, but not limited to, any taxes, assessments and maintenance thereon, and all expenses of the repair and operation thereof, including the employment of domestic servants and other expenses incident to the running of a household for the benefit of any beneficiary of the trust; the Trustee may alternatively provide, by agreement with the beneficiary, that such charges and expenses, or a portion of them, are to be paid by the beneficiary. Having in mind the extent to which funds will be available for future expenditure for the benefit of the beneficiaries, the Trustee is authorized under this paragraph to expend such amounts as such Trustee shall, in his or her sole and absolute discretion, determine to maintain the current lifestyle of the beneficiaries and their personal care and comfort; the Trustor does not, however, desire that the Trustee assist the beneficiaries in maintaining a luxurious lifestyle.

- 2. Special Investment Authority: Notwithstanding any investment limitations placed on the Trustee under the Trust Agreement or the provisions of any state law governing this trust which may contain limitations such as the prudent investor rule, the Trustee is authorized to make the following types of investments of trust assets:
 - Closely Held Businesses: To continue to hold and operate, to acquire, to make investments in, to form, to sell, or to liquidate, at the risk of the Trust Estate, any closely held partnership, corporation or other business that a beneficiary is involved in as an owner, partner, employee, officer or director, as long as the Trustee deems it advisable. The Trustee shall not be liable in any manner for any loss, should such loss occur, resulting from the retention or investment in such business. In the absence of actual notice to the contrary, the Trustee may accept as correct and rely on financial or other statements rendered by any accountant for any such business. Any such business shall be regarded as an entity separate from the trust and no accounting by the Trustee as to the operation of such business shall be required to be made. The Trustee shall have these powers with respect to the retention and purchase of such business, notwithstanding any rule or law requiring diversification of assets. Additionally, the foregoing shall not be limited by the fact that the Trustee or related parties, or any of them, shall be owners, partners, employees, officers or directors of the business. This paragraph, however, shall not be deemed to be a limitation upon the right of the Trustee to sell the investment in any

business if in the Trustee's sole and absolute discretion such sale is deemed advisable.

- b. <u>Tangible Personal Property</u>: To acquire and/or continue to hold as an asset of the trust such items of tangible personal property as an investment or for the use of a beneficiary, including but not limited to artwork, jewelry, coin or stamp collections and other collectible assets, home furniture and furnishings.
- 3. Permit Self-Dealing: Financial transactions, both direct and indirect, between any trust and any beneficiary and/or Trustee who is also a beneficiary of that trust (including, for example, the sole or joint purchase, sale or leasing of property, investments in mortgages, acquisitions of life insurance policies, employment in any capacity, lending, etc.), whether or not specifically described in the Trust Agreement as permitted between such parties, except to the extent expressly prohibited hereunder, are expressly authorized, notwithstanding any rule of law relating to self-dealing, provided only that the Trustee, in thus acting either on behalf of or with or for such trust, shall act in good faith to assure such trust receives in such transaction adequate and full consideration in money or money's worth. Furthermore, the Trustee shall have the power to employ professionals or other individuals to assist such Trustee in the administration of any trust as may be deemed advisable (and as more particularly described in the paragraph of the Trust Agreement entitled "Trustee Powers"), notwithstanding such person or entity may be, or is affiliated in business with, any Trustee or beneficiary hereunder. The compensation to which a Trustee who is also a beneficiary is entitled under the Trust Agreement shall not be reduced or offset by any employment compensation paid to such Trustee for services rendered outside the scope of such Trustee's ordinary fiduciary duties and responsibilities, or for reason of receiving sales or other fees or commissions on property sold to the trust by such Trustee (directly or indirectly), which sales are hereby authorized.
- 4. Make Loans: Loan money to any beneficiary, or to any estate, trust or company in which such person or any trust hereunder has an interest, or had an interest while living, for any purpose whatsoever (including but not limited to purchasing, improving, repairing and remodeling a principal residence or entering into, purchasing or engaging in a trade or business or professional career), with or without security and at such rate of interest as the Trustee shall determine in the exercise of reasonable fiduciary discretion, and, with respect to such loans and/or security interests, to renew, extend, modify and grant waivers. Notwithstanding the foregoing, and without limiting the ability of the Trustee to act in such Trustee's discretion under this paragraph, the Trustor hereby expresses his preference that, whenever economically feasible, any and all loans made pursuant to the provisions of this paragraph be adequately secured and bear interest at least at the higher of the "applicable federal rate"

as set forth by the Internal Revenue Service for loans with similar payment terms and length or a fair market rate for such loans.

- 5. Take Actions With Respect to Properties and Companies Owned in Common With a Beneficiary or Others: The Trustee is specifically authorized, with or without the joinder of other owners of the property or securities that may be held in trust (and notwithstanding that one or more such other owners may be, directly or indirectly, a beneficiary or a fiduciary hereunder), to enter upon and carry out any plan (a) for the foreclosure, lease or sale of any trust property, (b) for the consolidation or merger, dissolution or liquidation, incorporation or reincorporation, recapitalization, reorganization, or readjustment of the capital or financial structure of any corporation, company or association, the securities of which, whether closely held or publicly traded, may form a part of such trust, or (c) for the creation of one or more holding companies to hold any such securities and/or properties (even if it leaves, following the termination of such trust, a trust beneficiary as a minority shareholder in such holding company), all as such Trustee may deem expedient or advisable for the furtherance of the interests of such trust and the carrying out of the Trustor's original intent as to such trust, its beneficiaries and as to those properties and/or securities. In carrying out such plan, such Trustee may deposit any such securities or properties, pay any assessments, expenses and sums of money, give investment letters and other assurances, receive and retain as investments of such trust any new properties or securities transferred or issued as a result thereof, and generally do any act with reference to such holdings as might be done by any person owning similar securities or properties in his own right, including the exercise of conversion, subscription, purchase or other rights or options, the entrance into voting trusts, etc., all without obtaining authority therefor from any court.
- Right to Distribute to Entities: Any distribution from the trust, including a distribution upon trust termination (whether made by the Trustee or Trust Protector) may be made directly to an entity, such as a trust, "S" corporation, limited liability company or limited partnership, whether existing or newly created, rather than directly to the beneficiary (and if it is a newly created entity or one in which the Trust Estate holds an interest, the interest in the entity may be distributed to such beneficiary).
- 7. Trustee's Discretion to Hold, Manage and Distribute Separate Trusts in Different Manners: Without in any manner limiting any other power or right conferred upon the Trustee hereunder, the Trustee may divide a trust into separate trusts, and if a trust is held as, or divided into, separate trusts, the Trustee may, at any time prior to combining such trusts, treat the trusts in substantially different manners, including, without limitation, the right to: (a) make different tax elections (including the disproportionate allocation of the generation skipping tax exemption) with respect to each separate trust; (b)

make disproportionate principal distributions; (c) exercise differently any other discretionary powers with respect to such separate trusts; (d) invest the property of such separate trusts in different investments, having different returns, growth potentials, or bases for income tax purposes; and (e) take any and all other actions consistent with such trusts being separate entities. Furthermore, the holder of any power of appointment with respect to any trust so divided may exercise such power differently with respect to the separate trusts created by the division of a trust.

TRUST PROTECTOR PROVISIONS

- A. <u>Purpose of Trust Protector</u>: The Trustor has established the position of Trust Protector for the reasons and purposes set forth below, which are intended as general guidelines only and in no way shall limit any other provisions relating to the Trust Protector.
 - 1. <u>Insulate the Trustee from Negative Influences</u>: To protect the Trustee from the negative, or potentially negative, influences of third parties and to protect the Trust Estate and its beneficiaries from damaging, or potentially damaging, conduct by the Trustee.
 - 2. <u>Carry Out the Purposes of the Trust</u>: To help ensure that the Trustor's purpose in establishing the Trust Agreement, as defined elsewhere herein, will be properly carried out.
 - 3. Adapt to Changing Laws and Conditions: To adapt the provisions of the Trust Agreement to law changes, changes in interpretation of the law or other changing conditions that threaten to harm the Trust or its beneficiaries, keeping in mind the dispositive wishes of the Trustor and the Trustor's desires as expressed in the Trust Agreement.
- B. <u>Designation of Trust Protector</u>: In addition to the Trustee and Special Co-Trustee provided in the Trust Agreement, there shall, from time to time, be a Trust Protector whose limited powers and duties are defined below. The order of succession of Trust Protector shall be as follows:
 - 1. <u>Initial Trust Protector</u>: The Special Co-Trustee, at any time and in his sole and absolute discretion, may appoint a Trust Protector of the entire Trust or of any separate trust established hereunder (hereinafter the trust for whom a Trust Protector is appointed shall be referred to as "the affected trust") by a writing delivered to the Trustee of the affected trust. The Trustor requests that the Special Co-Trustee, prior to making the appointment, meet (in person or by telephone) with VACEK & FREED, PLLC, formerly the Vacek Law Firm,

PLLC of Houston, Texas, to help ensure the appropriate selection of the initial Trust Protector.

- 2. Successor Trust Protector: Upon the removal, death, incompetency, inability or unwillingness to act of the initial Trust Protector (including a written resignation delivered to the Trustee of the affected trust), the next succeeding Trust Protector shall be appointed either by the Special Co-Trustee or by the initial Trust Protector (except as limited by paragraph 4 below) in writing delivered to the Trustee of the affected trust (the first such writing delivered to the Trustee shall control). All further successor Trust Protectors shall be appointed in the same manner, except that where the word "initial" is used in the foregoing sentence there shall be substituted the words "last appointed."
- Qualifications to Act as Trust Protector: A Trust Protector may act once he has accepted, in writing, his appointment and, other than the case of the initial Trust Protector, has delivered a copy of his appointment and acceptance to the last appointed Trust Protector. Notwithstanding the foregoing, at no time may a Trust Protector be appointed or otherwise act if such person or entity is a currently acting Trustee or Special Co-Trustee or is a current beneficiary of the affected trust or is related to any such beneficiary in any of the following ways: as spouse, ancestor or issue, brother, sister, employee of such beneficiary or of any corporation, firm or partnership in which such beneficiary is an executive or has stock or other holdings which are significant from the viewpoint of control, or is otherwise "related or subordinate to" such beneficiary under IRC Sections 674(a) and (c) and the Regulations thereunder or any similar succeeding Sections or Regulations.
- 4. Removal of Trust Protector: The primary beneficiaries of the affected trust may by majority vote, and at any time and for any reason, remove the current Trust Protector by delivering to said Trust Protector and to the Special Co-Trustee a signed instrument setting forth the intended effective time and date of such removal. The Special Co-Trustee shall then appoint a successor Trust Protector in accordance with paragraph 2 above (the Trust Protector removed shall no longer have the power under paragraph 2 to appoint his successor). The powers of removal under this paragraph may be limited by the paragraph of the Trust Agreement entitled "Compelled Exercise of Powers Not Effective."
- 5. Temporarily Filling a Trust Protector Vacancy: If at any time a vacancy in the office of Trust Protector has not yet been filled as otherwise provided above (including the time before the initial Trust Protector is appointed), such office may be filled promptly, on a temporary basis, by a bank or trust company experienced in trust administration or an attorney (or law firm) who is an experienced tax and/or estate planning specialist provided they meet the qualifications set forth in paragraph 3 above. The Trustor requests, but do not

require, that VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, or its successors or assigns, act as such temporary Trust Protector and the Trustor hereby waives any conflict of interest that may arise if VACEK & FREED, PLLC, or its successors or assigns, is also representing the Trustee of the affected trust and/or the Trustor. Any Trust Protector acting under this paragraph shall first notify the Trustee of the affected trust and only serve as Trust Protector until such time as a successor Trust Protector is appointed by the Special Co-Trustee in accordance with paragraph 2 above and there is delivered to the Trust Protector acting under this paragraph a written acceptance of such appointment signed by the successor Trust Protector.

- C. <u>Limited Powers of the Trust Protector</u>: The Trust Protector shall not have all the broad powers of a Trustee; rather, the powers of the Trust Protector shall be limited to the powers set forth below. The Trustor directs the Trust Protector, prior to exercising any power, to consult with VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, or another law firm or attorney specializing in estate planning and/or asset protection planning in order to be fully informed of the consequences of exercising such power.
 - 1. Give Advance Notice to Affected Beneficiaries: Within a reasonable time prior to the exercise of any power under this paragraph C, the Trust Protector shall provide to the Trustee and the primary beneficiary or beneficiaries of the affected trust a written notice, setting forth the power intended to be exercised, the intended date of exercise and the reasons for exercise. The Trust Protector shall, in his sole and absolute discretion, determine what is "a reasonable time," as the Trustor recognizes that emergency situations may arise which may permit little or no time for advance notice or, as a practical matter, it may be too difficult to notify the beneficiary; the Trustor specifically waives this advance notice requirement when the particular beneficiary is "incapacitated" as defined below. Once notice is given, the Trust Protector shall not exercise the power prior to the date specified in the notice, unless the Trust Protector in his sole and absolute discretion determines that an emergency so warrants.

A person shall be deemed "incapacitated" if in the Trustee's sole and absolute discretion, it is impracticable for said person to give prompt, rational and prudent consideration to financial matters, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause.

A person shall be conclusively deemed "incapacitated" if a guardian of the person or his or her estate, or both, has been appointed by a court having jurisdiction over such matters or two (2) licensed physicians who are not related by blood or marriage to such person have examined said person and stated in writing that such incapacity exists; the Trust Protector may, but shall not be under any duty to, institute any inquiry into a person's possible

incapacity (such as, but not limited to, by drug testing) or to obtain physician statements; and if he does, then the expense may be paid from the Trust Estate of said person's trust.

2. Postpone Distributions: Notwithstanding any other provisions of the Trust Agreement, except the paragraph herein entitled "Rule Against Perpetuities," the Trust Protector shall have the power to postpone any distribution of income and/or principal otherwise required to be made from the affected trust to any one or more of its beneficiaries (including as the result of exercise of a power of appointment or withdrawal right) and to postpone the termination of such trust which might otherwise be required if the Trust Protector, in his or her sole and absolute discretion, determines, after taking into consideration the Trustor's overall intent as expressed in the Trust Agreement, that there is a compelling reason to do so.

A "compelling reason" may include but is not limited to: the beneficiary requesting in writing that distributions be retained by the trust; the beneficiary being "incapacitated" as defined in paragraph 1 immediately above; the beneficiary contemplating, or in the process of filing for or has a pending bankruptcy; a pending or threatened divorce, paternity or maternity claim or other lawsuit; a creditor claim (including for unpaid taxes or reimbursement of government benefits); an existing judgment or lien; the fact the beneficiary is receiving (or may in the near future receive) government or other benefits that may be jeopardized; the beneficiary having demonstrated financial instability and/or inability to manage, invest or conserve the beneficiary's own property; the beneficiary being under the negative influence of third parties, such that the beneficiary's good judgement may be impaired; a serious tax disadvantage in making such distribution; or any other substantially similar reasons.

Any such postponement of distribution or termination may be continued by the Trust Protector, in whole or in part and from time to time, up to and including the entire lifetime of the beneficiary. While such postponement continues, all of the other provisions previously applicable to such trust shall continue in effect, except (a) any power of appointment or withdrawal shall be exercisable only with the approval of the Trust Protector and (b) distributions of income and/or principal shall only be made to or for the benefit of the beneficiary from time to time and in such amounts as the Trust Protector, in his or her sole and absolute discretion, deems appropriate for the best interests of the beneficiary; provided, however, the Trust Protector may, in his or her sole and absolute discretion, determine that the beneficiary's situation is extreme enough to warrant the establishment of a special needs trust pursuant to other provisions of this Section of the Trust Agreement.

The Trust Protector may also, from time to time, make certain distributions which cannot be made by the primary beneficiary because of limits imposed in this Section entitled "Restrictions on Distributions That Discharge Legal Obligations of the Beneficiary."

Terminate a Trust Due to Unforeseen Conditions: The Trustor recognizes that some or all of the following conditions may arise in the future, although they cannot be foreseen at the time of creation of this Trust: (a) a radical, substantial and negative change in the political, economic or social order in the United States of America; (b) legislation or IRS or court decisions highly detrimental to a trust or beneficiary hereunder (including, for example, if the federal estate tax or IRA required minimum distribution rules are modified, repealed or no longer applicable and the non-tax reasons for the trust no longer justify the trust's existence); (c) a beneficiary's capability to prudently manage his own financial affairs or a radical, positive change in his situation regarding possible third party claims; (d) a beneficiary no longer has a need for (or the availability of) government benefits; and (e) other events that may greatly impair the carrying out of the intent and purposes of the Trust Agreement.

If any of the foregoing conditions occur, the Trust Protector may, in addition to the other powers granted him or her, in his sole and absolute discretion, and keeping in mind the Trustor's wishes and dispositive provisions of the Trust Agreement, terminate the affected trust, or a portion thereof, and distribute same to or for the benefit of the primary beneficiary thereof (notwithstanding any other provisions of the Trust Agreement), or to a newly created or existing Personal Asset Trust for that beneficiary.

Revise or Terminate a Trust So It Can Qualify as a "Designated Beneficiary" 4. of an IRA or Retirement Plan: In the event that the affected trust does not qualify as a "designated beneficiary" of an IRA or other retirement plan as that term is used in IRC Section 401(a)(9), the Regulations thereunder and any successor Section and Regulations, the Trust Protector may, keeping in mind the Trustor's wishes and the dispositive provisions of the Trust Agreement: (a) revise or reform the terms of the Trust Agreement in any manner so that the affected trust will qualify as a "designated beneficiary" (any such revision or reformation may by its terms apply retroactively to the inception of the Trust Agreement or creation of any separate trust established hereunder); or (b) deem it to have been dissolved in part or in whole as of September 30 of the year following the year of the Trustor's death, with fee simple interest vesting outright in the primary beneficiary and the rights of all other persons who might otherwise have an interest as succeeding life income beneficiaries or as remaindermen shall cease.

If the beneficiary is still a minor, the Trustee may designate a custodian and transfer the principal and accrued income of the beneficiary's trust to the

custodian for the benefit of the minor under the Texas Uniform Transfers to Minors Act until such beneficiary attains age 21. A receipt from the custodian shall be a complete discharge of the Trustee as to the amount so paid.

Notwithstanding any provisions of the Trust Agreement to the contrary, after the Trustor's death this Trust or any separate trust established hereunder shall not terminate and be distributed in full prior to September 30 of the year following the year of the Trustor's death pursuant to this paragraph if this will result in this Trust or any separate trust established hereunder not qualifying as a "designated beneficiary."

- 5. <u>Modify Certain Other Trust Provisions</u>: The Trust Protector shall have the power, in his or her sole and absolute discretion, at any time and from time to time, to delete, alter, modify, amend, change, add to or subtract from all or any part of the various paragraphs and provisions of the Trust Agreement and any trust created thereunder, effective (even retroactively) as of the date determined by the Trust Protector, for the following purposes.
 - a. <u>Change Income Tax Treatment of the Trust</u>: The Trust Protector may, at any time, and from time to time, create, terminate and/or reinstate a power granted to a beneficiary, either prospectively or retroactively, enabling trust income to be income taxable to a beneficiary, even as income accumulates in the trust, if the Trust Protector deems this to be in the best interests of the affected trust and its beneficiaries.
 - b. Protect a Disabled Beneficiary's Government Benefit by Establishing a Special Needs Trust: The Trust Protector may take any such actions he or she deems appropriate or necessary in connection with a beneficiary's qualification for, receipt of and/or possible future liability to reimburse government benefits (whether income, medical, disability or otherwise) from any agency (state, federal or otherwise), such as but not limited to Social Security, Medicaid, Medicare, SSI and state supplemental programs. In particular, but not by way of limitation, the Trust Protector may add new trust provisions to govern administration and distribution of assets for the benefit of the beneficiary (such as would create a "special needs trust").
 - c. Protect a Beneficiary from Himself or from Creditors by Establishing a Spendthrift Trust or Eliminating Any General Power of Appointment: In the event there is a compelling reason to postpone distributions to a beneficiary pursuant to the paragraph of this Section entitled "Postpone Distributions," the Trust Protector may alternatively, in his or her sole discretion, add new trust provisions to govern administration and distribution of assets for the benefit of said beneficiary (such as would create a "spendthrift trust" in the form recognized by the laws of the

state(s) in which trust assets are located). Furthermore, the Trust Protector may, in his or her sole discretion, in order to protect the beneficiaries of a Trust beneficiary, terminate and/or reinstate said Trust beneficiary's testamentary general power of appointment, if any, under the Section of this Trust Agreement entitled "Generation Skipping Tax Provisions."

- 6. <u>Change Legal Jurisdiction of the Trust</u>: The Trust Protector may change the situs of the affected trust to another jurisdiction by any such means deemed appropriate by the Trust Protector. This paragraph shall in no way limit the Trustee's power and authority to change the situs of this Trust or any separate trust established hereunder.
- 7. Remove and Reinstate a Trustee: The Trust Protector shall have the power at any time to remove the acting Trustee of the affected trust (but not the Special Co-Trustee) for any reason which he believes to be in the best interests of the beneficiaries. Such removal shall be stated in writing and delivered to the Trustee. The successor Trustee shall then be determined and appointed in accordance with the Section of the Trust Agreement entitled "Successor Trustees." At any time after the Trust Protector removes a Trustee, the Trust Protector may reinstate the previously removed Trustee and the order of successor Trustees shall be thereafter determined as if such reinstated Trustee was never removed.
- 8. <u>Eliminate Own Powers</u>: The Trust Protector shall have the power, on his own behalf and/or on behalf of all successor Trust Protectors, to release, renounce, suspend, reduce, limit and/or eliminate any or all of his enumerated powers and to make the effective date any date he wishes, including ab initio to the date of establishment of a trust hereunder or retroactively to the date of death of the Trustor, by a writing delivered to the Trustee of the affected trust.
- 9. <u>Limitations on Above Powers</u>: The Trust Protector may not exercise any power if he is compelled by a court or other governmental authority or agency to do so or is otherwise acting under the duress or undue influence of an outside force; if the Trust Protector is so compelled, or under such duress or influence, his powers shall become void prior to exercise; these limitations are in addition to those contained in the paragraph of the Trust Agreement entitled "Compelled Exercise of Powers Not Effective." The Trust Protector is directed not to exercise any of the foregoing powers if such exercise will result in any substantial, direct or indirect financial benefit to anyone who at the time of exercise is not an ancestor, spouse or issue of a primary beneficiary or is not already a present or contingent beneficiary of this Trust. The Trust Protector shall not exercise any power that may be construed as a general power of appointment to himself, his creditors, his estate or the creditors of his estate under IRC Sections 2041 and 2514, or that would otherwise cause the

inclusion of any of the Trust Estate in the Trust Protector's taxable estate for estate, inheritance, succession or other death tax purposes.

- D. <u>Limited Liability of the Trust Protector</u>: The Trust Protector shall not be held to the fiduciary duties of a Trustee. The Trust Protector shall not be liable to anyone, howsoever interested in this Trust either now or in the future, merely by reason of his appointment as Trust Protector and shall not have any affirmative duty to monitor, investigate and learn of any circumstances or acts or omissions of others, relating to this Trust, its beneficiaries or otherwise that may warrant the Trust Protector to act. Furthermore, the Trust Protector shall not be liable to anyone, howsoever interested in this Trust either now or in the future, by reason of any act or omission and shall be held harmless by the Trust and its beneficiaries and indemnified by the Trust Estate from any liability unless (a) the Trustee and/or a beneficiary has brought directly to the attention of the Trust Protector a circumstance that may warrant his action and (b) such act or omission is the result of willful misconduct or bad faith. Any action taken or not taken in reliance upon the opinion of legal counsel shall not be considered the result of willful misconduct or bad faith, provided such counsel was selected with reasonable care. In the event a lawsuit against the Trust Protector fails to result in a judgment against him, the Trust Protector shall be entitled to reimbursement from the Trust for any and all costs and expenses related to his defense against such lawsuit.
- E. <u>Compensation</u>: The Trust Protector shall not be entitled to compensation merely as the result of his appointment. The Trust Protector shall only be entitled to reasonable compensation for his actual time spent and services rendered in carrying out his duties and powers hereunder, at the hourly rate commensurate with that charged by professional Trustees for similar services. The Trust Protector shall, in addition, be entitled to prompt reimbursement of expenses properly incurred in the course of fulfilling his duties and powers, including but not limited to the employment of legal counsel or other professionals to advise him regarding his decisions.
- P. Waiver of Bond: No bond shall be required of any individual or entity acting as Trust Protector.

MISCELLANEOUS PROVISIONS

A. Prohibition Against Contest: If any devisee, legatee or beneficiary under the Trust Agreement or any amendment to it, no matter how remote or contingent such beneficiary's interest appears, or any legal heir of the Trustor, or either of them, or any legal heir of any prior or future spouse of the Trustor (whether or not married to the Trustor at the time of the Trustor's death), or any person claiming under any of them, directly or indirectly does any of the following, then in that event the Trustor specifically disinherits each such person, and all such legacies, bequests, devises and interests given to that person under the Trust Agreement or any amendment to it shall be forfeited and shall be distributed as provided elsewhere herein as though he or she had predeceased the Trustor without issue:

- 1. unsuccessfully challenges the appointment of any person named as a Trustee, Special Co-Trustee or Trust Protector pursuant to the Trust Agreement or any amendment to it, or unsuccessfully seeks the removal of any person acting as a Trustee, Special Co-Trustee or Trust Protector;
- 2. objects in any manner to any action taken or proposed to be taken in good faith by the Trustee, Special Co-Trustee or Trust Protector pursuant to the Trust Agreement or any amendment to it, whether the Trustee, Special Co-Trustee or Trust Protector is acting under court order, notice of proposed action or otherwise, and said action or proposed action is later adjudicated by a court of competent jurisdiction to have been taken in good faith;
- 3. objects to any construction or interpretation of the Trust Agreement or any amendment to it, or the provisions of either, that is adopted or proposed in good faith by the Trustee, Special Co-Trustee or Trust Protector, and said objection is later adjudicated by a court of competent jurisdiction to be an invalid objection;
- d. claims entitlement to (or an interest in) any asset alleged by the Trustee to belong to the Trustor's estates (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise), whether such claim is based upon a community or separate property right, right to support or allowance, a contract or promise to leave something by will or trust (whether written or oral and even if in exchange for personal or other services to the Trustor), "quantum meruit," constructive trust, or any other property right or device, and said claim is later adjudicated by a court of competent jurisdiction to be invalid;
- 5. files a creditor's claim against the assets of the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise) and such claim is later adjudicated by a court of competent jurisdiction to be invalid;
- 6. anyone other than the Trustor attacks or seeks to impair or invalidate (whether or not any such attack or attempt is successful) any designation of beneficiaries for any insurance policy on the Trustor's life or any designation of beneficiaries for any bank or brokerage account, pension plan, Keogh, SEP or IRA account, employee benefit plan, deferred compensation plan, retirement plan, annuity or other Will substitute of the Trustor;
- 7. in any other manner contests this Trust or any amendment to it executed by the Trustor (including its legality or the legality of any provision thereof, on the basis of incapacity, undue influence, or otherwise), or in any other manner,

attacks or seeks to impair or invalidate this Trust, any such amendment or any of their provisions;

- 8. conspires with or voluntarily assists anyone attempting to do any of the above acts;
- 9. refuses a request of the Trustee to assist in the legal defense against any of the above actions.

Expenses to legally defend against or otherwise resist any above contest or attack of any nature shall be paid from the Trust Estate as expenses of administration. If, however, a person taking any of the above actions is or becomes entitled to receive any property or property interests included in the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise), then all such expenses shall be charged dollar-for-dollar against and paid from the property or property interests that said person would be entitled to receive under the Trust Agreement or the Trustor's Will, whether or not the Trustee (or Executor under the Trustor's Will) was successful in the defense against such person's actions.

The Trustor cautions the Trustee against settling any contest or attack or any attempt to obtain an adjudication that would interfere with the Trustor's estate plan and direct that, prior to the settlement of any such action short of a trial court judgment or jury verdict, the Trustee seek approval of any such settlement from the appropriate court having jurisdiction over this Trust by way of declaratory judgment or any other appropriate proceeding under applicable Texas law. In ruling on any such petition for settlement, the Trustor requests the Court to take into account the Trustor's firm belief that no person contesting or attacking the Trustor's estate plan should take or receive any benefit from the Trust Estate or from the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise) under any theory and, therefore, no settlement should be approved by the Court unless it is proved by clear and convincing evidence that such settlement is in the best interest of the Trust Estate and the Trustor's estate plan.

In the event that any provision of this Section is held to be invalid, void or illegal, the same shall be deemed severable from the remainder of the provisions in this paragraph and shall in no way affect, impair or invalidate any other provision in this paragraph. If such provision shall be deemed invalid due to its scope and breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

The provisions of this paragraph shall not apply to any disclaimer (or renunciation) by any person of any benefit (or right or power) under the Trust Agreement or any amendment to it.

- В. Compelled Exercise of Powers Not Effective: It is the Trustor's intent that the terms of the Trust Agreement be carried out free from outside interference. Therefore, notwithstanding any other provisions of the Trust Agreement, the purported exercise of any power granted under the Trust Agreement, whether by a Trustee, Special Co-Trustee, Trust Protector or a beneficiary, including a power of appointment. withdrawal, substitution or distribution, shall be of no force and effect if such purported exercise was the result of compulsion. The purported exercise of a power shall be deemed to be the result of compulsion if such exercise is (i) in response to or by reason of any order or other direction of any court, tribunal or like authority having jurisdiction over the individual holding the power, the property subject to the power or the trust containing such property or (ii) the result of an individual not acting of his or her own free will. An individual's agent may not exercise a power given to such individual under the Trust Agreement if such purported exercise is in response to or by reason of any such order or direction unless the order or direction was obtained by the agent in a proceeding in which the agent was the moving party or voluntarily acquiesced. Notwithstanding the above, if a Trustee's failure to exercise a power or to acquiesce in a beneficiary's exercise of a power may result in exposing a Trustee to serious personal liability (such as contempt of court or other sanctions), a Trustee may: (a) withdraw and permit the Special Co-Trustee to act instead in relation to such purported exercise of a power; (b) if the Special Co-Trustee would also be exposed to such liability, then the Trustee may notify the Trust Protector who may, in his discretion, act if permitted under the Trust Agreement; or (c) if neither the Special Co-Trustee nor the Trust Protector acts, then the Trustee may exercise or acquiesce in a beneficiary's exercise of a power.
- C. <u>Creditor's Rights Spendthrift Provisions</u>: Subject to the express grant herein of certain rights to withdraw or substitute assets and/or powers of appointment, if any, no beneficiary under the trusts created herein shall assign, transfer, alienate or convey, anticipate, pledge, hypothecate or otherwise encumber his or her interest in principal or income hereunder prior to actual receipt. To the fullest extent permitted by law:
 - (1) neither the principal of these trusts nor any income of these trusts shall be liable for any debt of any beneficiary, any beneficiary's spouse, ex-spouse or others, or be subject to any bankruptcy proceedings or claims of creditors of said persons (including said persons' spouses or ex-spouses), or be subject to any attachment, garnishment, execution, lien, judgment or other process of law; (2) no interest of any beneficiary shall be subject to claims of alimony, maternity, paternity, maintenance or support; and (3) no power of appointment or withdrawal or substitution shall be subject to involuntary exercise. Should the Trustee so desire, the Trustee may as a condition precedent, withhold payments of principal or interest under this Trust until personal order for payment is given or personal receipt furnished by each such beneficiary as to his or her share. The Trustee may, alternatively in the Trustee's sole and absolute discretion, deposit in any bank designated in writing by a beneficiary to his or her credit, income or principal payable to such beneficiary. The

Trustee may, alternatively in the Trustee's sole and absolute discretion, hold and accumulate any income and/or principal so long as it may be subject to the claims, control or interference of third parties, up to and until the beneficiary's death, at which time it shall be distributed in accordance with the beneficiary's exercise of his or her power of appointment, if any, and/or pay to or for the benefit of the beneficiary only such sums as the Trustee deems necessary for said beneficiary's reasonable health, support, maintenance and education.

- D. Trustee Power to Determine Principal and Income: The Trustee shall determine what is principal or income of the Trust Estate, and apportion and allocate any and all receipts and expenses between these accounts, in any manner the Trustee determines, regardless of any applicable state law to the contrary including any Principal and Income Act of Texas, or similar laws then in effect. In particular (but not by way of limitation), the Trustee shall have sole and absolute discretion to apportion and allocate all receipts and expenses between principal and income in whole or in part, including the right to: allocate capital gains; elect whether or not to set aside a reserve for depreciation, amortization or depletion, or for repairs, improvement or upkeep of any real or personal property, or for repayments of debts of the Trust Estate; and charge Trustee's fees, attorney's fees, accounting fees, custodian fees and other expenses incurred in the collection, care, management, administration, and protection of the Trust Estate against income or principal, or both. The exercise of such discretion shall be conclusive on all persons interested in the Trust Estate. The powers herein conferred upon the Trustee shall not in any event be so construed as allowing an individual to exercise the Trustee's sole and absolute discretion except in a fiduciary capacity.
- E. Broad Trustee Power to Invest: It is the Trustor's express desire and intention that the Trustee shall have full power to invest and reinvest the Trust Estate without being restricted to forms and investments that the Trustee may otherwise be permitted to make by law. The Trustee is empowered to invest and reinvest all or any part of the Trust Estate in such property as the Trustee in his discretion may select including but not limited to bank accounts, money market funds, certificates of deposit, government bonds, annuity contracts, common or preferred stocks, closely held businesses, shares of investment trusts and investment companies, corporate bonds, debentures, mortgages, deeds of trust, mortgage participations, notes, real estate, put and call options, commodities, commodities futures contracts and currency trading. When selecting investments, the Trustee may take into consideration the circumstances then prevailing, including but not limited to the general economic conditions and the anticipated needs of the Trust Estate and its beneficiaries, the amount and nature of all assets available to beneficiaries from sources outside the Trust and the beneficiaries' economic circumstances as a whole, and shall exercise the judgment that a reasonable person would if serving in a like capacity under the same circumstances and having the same objectives. In addition to the investment powers conferred above, the Trustee is authorized (but not directed) to acquire and retain investments not regarded as traditional for trusts, including investments that would

be forbidden by the "prudent person" (or "prudent investor") rule. In making investments, the Trustee may disregard any or all of the following factors: (i) whether a particular investment, or the trust investments collectively, will produce a reasonable rate of return or result in the preservation of principal; (ii) whether the acquisition or retention of a particular investment, or the trust investments collectively, is consistent with any duty of impartiality as to the different beneficiaries (the Trustor intends no such duty shall exist); (iii) whether the trust is diversified (the Trustor intends that no duty to diversify shall exist); and (iv) whether any or all of the trust investments would traditionally be classified as too risky or speculative for trusts (the Trustor intends the Trustee to have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy). The Trustor's purpose in granting the foregoing broad authority is to modify the prudent person rule insofar as the rule would prohibit an investment or investments because of one or more factors listed above, or any other factor relating to the nature of the investment itself. Accordingly, the Trustee shall not be liable for any loss in value of an investment merely because of the nature, class or type of the investment or the degree of risk presented by the investment, but shall be liable if the Trustee fails to meet the "reasonable person" standard set forth above or if the Trustee's procedures in selecting and monitoring the particular investment are proven by affirmative evidence to have been negligent, and such negligence was the proximate cause of the

- F. <u>Special Co-Trustee Provisions</u>: Notwithstanding anything in the Trust Agreement to the contrary, the powers, duties or discretionary authority granted hereunder to any Trustee shall be limited as follows:
 - Prohibited and Void Trustee Powers: Except where a beneficiary shall act as sole Trustee of his or her share, or unless limited by an ascertainable standard as defined in Code Section 2041, no Trustee shall participate in the exercise of any discretionary authority to allocate receipts and expenses to principal or income, any discretionary authority to distribute principal or income, or any discretionary authority to terminate any trust created hereunder, if distributions could then be made to the Trustee or the Trustee has any legal obligation for the support of any person to whom distributions could then be made. Any other power, duty or discretionary authority granted to a Trustee shall be absolutely void to the extent that either the right to exercise such power, duty or discretionary authority or the exercise thereof shall in any way result in a benefit to or for such Trustee which would cause such Trustee to be treated as the owner of all or any portion of any of the trusts created herein for purposes of federal or state income tax, gift, estate or inheritance tax laws, or cause any disclaimer of an interest or benefit hereunder to be disqualified under Code Section 2518. Notwithstanding the foregoing, a beneficiary serving as Trustee may have and exercise a power, duty or discretionary authority that causes any Personal Asset Trust created hereunder to be a grantor trust with said beneficiary being treated as the owner for income tax purposes.

Notwithstanding the foregoing, this paragraph shall not apply during the lifetime of the Trustor, nor shall it apply when the exercise of any power, duty, or discretionary authority relates to any provisions herein directed towards preserving the trust estate for beneficiaries named in the Trust Agreement in the event the Trustor should require long-term health care and/or nursing home care. Should a Trustee be prohibited from participating in the exercise of any power, duty, or discretionary authority, or should a power, duty or discretionary authority granted to a Trustee be absolutely void, as a result of the foregoing, then such power, duty or discretionary authority may be exercised in accordance with the following paragraphs.

- 2. Exercise of Power by an Existing Independent Co-Trustee: In the event that the right to exercise or the exercise of any power, duty or discretionary authority is prohibited or void as provided above, or is prohibited elsewhere in this Trust Agreement with respect to "incidents of ownership" of life insurance, or the Special Co-Trustee is given any other powers or authority under this paragraph "Special Co-Trustee Provisions," the remaining Co-Trustee, if any, shall have the right to exercise and may exercise said power, duty or discretionary authority, provided the Co-Trustee is independent within the meaning set forth in Section 674(c) of the Code, or any successor statute or regulations thereunder.
- 3. <u>Exercise of Power if No Existing Independent Co-Trustee</u>: In the event there is no independent Co-Trustee capable of exercising any power, duty or discretionary authority which is prohibited or void as provided above, or which is given to the Special Co-Trustee elsewhere herein, then the following procedure shall apply:
 - a. Appointment of Special Co-Trustee: The next succeeding, Trustee or Co-Trustees, as the case may be, of the Trust (or, if only a particular, separate trust created under this Trust Agreement is affected by the exercise of such power, duty or authority, then the next succeeding Trustee or Co-Trustees of said separate trust) who is not disqualified under paragraph "2" above, shall serve as Special Co-Trustee of the Trust herein created.
- 4. Protect the Trust Estate by Appointment and Removal of an Independent CoTrustee: In addition to any other powers granted to the Special Co-Trustee under the Trust Agreement, in the event that the Special Co-Trustee named above, in his sole and absolute discretion, determines that it is necessary in order to protect the Trust Estate and/or the Trustee and/or the beneficiaries of any trust established under the Trust Agreement from the negative influence of outside third parties, including but not limited to a spouse or creditors, then the Special Co-Trustee may appoint a Co-Trustee (to immediately act with the then existing Trustee) who is independent from the party to be protected within

the meaning set forth in IRC Section 674(c). The Special Co-Trustee may appoint himself to act as such Co-Trustee if he is independent within the meaning of IRC Section 674(c). In addition, if the Special Co-Trustee, in his sole and absolute discretion, determines that it is no longer necessary for an independent Co-Trustee to act in order to protect the Trust Estate and/or the Trustee and/or the beneficiaries from the negative influence of outside third parties, including but not limited to a spouse or creditors, then the Special Co-Trustee may remove any independent Co-Trustee whom was either appointed by another acting Trustee of the Trust pursuant to other provisions of the Trust Agreement (if any) or appointed by the Special Co-Trustee, and shall not be required to replace such removed independent Co-Trustee with another.

- 5. <u>Limited Responsibilities of Special Co-Trustee</u>: The responsibilities of the Special Co-Trustee shall be limited to the exercise of the Trustee power, duty or discretionary authority prohibited or void as provided in the Trust Agreement, and the Special Co-Trustee powers regarding the appointment and removal of an independent Co-Trustee as permitted above, and appointment of a Trust Protector as permitted in the Section of the Trust Agreement entitled "Trust Protector Provisions," and said Special Co-Trustee shall not be concerned with, nor shall have, any power, duty or authority with respect to any other aspects of administration of the Trust Estate.
- Limited Liability of the Special Co-Trustee: The Special Co-Trustee shall not 6. be held to the fiduciary duties of a Trustee. The Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust, merely by reason of his appointment as Special Co-Trustee and shall not have any affirmative duty to monitor, investigate and learn of any circumstances or acts or omissions of others, relating to this Trust, its beneficiaries or otherwise that may warrant the Special Co-Trustee to act. The Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust either now or in the future, for failing to properly or timely appoint a Trust Protector or to properly or timely advise a Trust Protector of any circumstances or facts that might impact a Trust Protector's decisions. Furthermore, the Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust, by reason of any act or omission and shall be held harmless by the Trust and its beneficiaries and indemnified by the Trust Estate from any liability unless (a) the Trustee and/or a beneficiary has brought directly to the attention of the Special Co-Trustee a circumstance that may warrant his action and (b) such act or omission is the result of willful misconduct or bad faith. Any action taken or not taken in reliance upon the opinion of legal counsel shall not be considered the result of willful misconduct or bad faith, provided such counsel was selected with reasonable care and in good faith. In the event a lawsuit against the Special Co-Trustee fails to result in a judgment against him, the Special Co-Trustee shall be entitled to reimbursement from the Trust for any and all costs and expenses related to his defense against such lawsuit.

- 7. Compensation: The Special Co-Trustee shall not be entitled to compensation merely as the result of his appointment. The Special Co-Trustee shall only be entitled to reasonable compensation for his actual time spent and services rendered in carrying out his duties and powers hereunder, at the hourly rate commensurate with that charged by professional Trustees for similar services. The Special Co-Trustee shall, in addition, be entitled to prompt reimbursement of expenses properly incurred in the course of fulfilling his duties and powers, including but not limited to the employment of legal counsel or other professionals to advise him regarding his decisions.
- 8. <u>Waiver of Bond</u>: No bond shall be required of any individual or entity acting as Special Co-Trustee.

GENERATION SKIPPING TAX PROVISIONS

Article XIV, Section R of the said Trust entitled "Generation Skipping Transfers" is hereby amended so that from henceforth Article XIV, Section R is replaced in its entirety with the provisions which follow.

- A. Explanation of this Section: The purpose of this Section of the Trust Agreement and the desire of the Trustor is to eliminate or reduce the burden on the Trustor's family and issue resulting from the application of the federal generation skipping transfer tax under Chapter 13 of the Code, including any future amendments thereto (hereinafter referred to as the "GST Tax"). The Trustor directs the Trustee and any court of competent jurisdiction to interpret the provisions of this Section in accordance with the Trustor's desires stated above, since the Trustor, when creating this Trust, is aware that the provisions of said GST Tax are very complex and as yet there are few court rulings to aid in their interpretation. The Trustor requests that, before the Trustee or any beneficiary acts in accordance with the provisions of this Section, they seek professional advice from an attorney who specializes in estate planning, in order that they may avoid any unintentional triggering of negative GST Tax consequences.
- B. Allocation of Trustor's GST Tax Exemptions: The Trustee (or such other person or persons whom Code provisions, Treasury Regulations or court rulings authorize to make elections or allocations with regard to the Trustor's GST Tax exemptions) is instructed to allocate such exemptions in good faith, without a requirement that such allocation be proportionate, equal or in any particular manner equitably impact any or all of the various transferees or beneficiaries of property subject to or affected by such allocations. When allocating such exemptions, the Trustee may include or exclude any property of which the Trustor is the transferor for GST Tax purposes, including property transferred before the Trustor's death, and may take into account prior transfers, gift tax returns and other relevant information known to the Trustee. It is recommended that, to the extent possible, any such trust allocated an inclusion ratio of zero shall contain any and all Roth IRAs. The Trustee is also directed, when allocating Trustor's GST Tax exemptions, to coordinate with the Executor of Trustor's estate and/or the Trustee of Trustor's revocable Living Trusts regarding the

most appropriate use of said exemption; however, the Trustee's final determination shall be made in his or her sole and absolute discretion and shall be binding upon all parties howsoever interested in this Trust.

- 1. Trustee's Power to Combine and Divide Trusts: If a trust hereunder would be partially exempt from GST Tax by reason of an allocation of GST Tax exemption to it, before the allocation the Trustee in his discretion may divide the trust into two separate trusts of equal or unequal value, to permit allocation of the exemption solely to one trust which will be entirely exempt from GST Tax. The Trustee of any trust shall have authority, in the Trustee's sole discretion, to combine that trust with any other trust or trusts having the same exempt or nonexempt character, including trusts established (during life or at death) by the Trustor or any of his issue; and the Trustee may establish separate shares in a combined trust if and as needed to preserve the rights and protect the interests of the various beneficiaries if the trusts being combined do not have identical terms or if separate shares are otherwise deemed desirable by the Trustee. These powers to combine and divide trusts may be exercised from time to time, and may be used to modify or reverse their prior exercise. In deciding whether and how to exercise this authority the Trustee may take account of efficiencies of administration, generation-skipping and other transfer tax considerations, income tax factors affecting the various trusts and beneficiaries (including determination of life expectancy to be used for Retirement Assets required minimum distribution purposes), the need or desirability of having the same or different trustees for various trusts or shares, and any other considerations the Trustee may deem appropriate to these decisions. Prior to exercising any power to combine trusts under this paragraph, the Trustee shall take into consideration that, where possible and appropriate (keeping in mind the dispositive provisions of the Trust Agreement and the situation of the beneficiary), separate trusts should be maintained so that the trust beneficiaries may enjoy the benefit of distributions from any Retirement Assets being stretched out over their separate life expectancies; in particular, the Trustee shall not merge trusts when one provides for the payout to or for the beneficiary of all withdrawals from IRAs and other Retirement Assets, net of trust expenses, and another provides for the accumulation of income (including IRA and Retirement Asset withdrawals).
- 2. <u>Same Terms and Provisions for Divided Trusts</u>: Except as expressly provided in the Trust Agreement, when a trust otherwise to be established is divided under the foregoing provisions into exempt and non-exempt trusts or otherwise into separate trusts, each trust shall have the same provisions as the original trust from which it is established, and references in the Trust Agreement to the original trust shall collectively refer to the separate trusts derived from it.
- 3. Exempt (and Non-Exempt) Character of Property to be Preserved: On termination, partial termination, subdivision or distribution of any of the

separate trusts created by the Trust Agreement, or when it is provided that separate trusts are to be combined, the exempt (zero inclusion ratio) or the non-exempt (inclusion ratio of one) generation-skipping character of the property of the trusts shall be preserved. Accordingly, when property is to be added to or combined with the property of another trust or trusts, or when additional trusts are to be established from one or more sources, non-exempt property or trusts shall not be added to or combined with exempt property or trusts, even if this requires the establishment of additional separate trusts with the same terms and provisions, unless the Trustee believes that economic efficiency or other compelling considerations justify sacrificing their separate generation-skipping characteristics.

- Trustee's Investment Power; Distributions: Without limiting the foregoing, 4. the Trustor specifically authorizes (but do not require) the Trustee, in administering different trusts wholly or in part for the benefit of a particular beneficiary or group of beneficiaries, to adopt different investment patterns and objectives for different trusts based on whether they are funded by Roth IRAs or other assets and on their generation-skipping ratios, and to prefer making distributions from Retirement Assets other than Roth IRAs and from non-exempt trusts to beneficiaries who are non-skip persons for generationskipping purposes and from exempt trusts to those who are skip persons. Upon division or distribution of an exempt trust and a nonexempt trust hereunder, the Trustee may allocate property from the exempt trust first to a share from which a generation-skipping transfer is more likely to occur. It is further recommended that to the extent that distributions would be made for the benefit of skip persons and such distributions would be exempt from GST Tax because such distributions are for the payment of medical expenses exempt under IRC Section 2503(e)(2)(B) or for the payment of tuition or educational expenses exempt under IRC Section 2503 (e)(2)(A), such payments to the extent possible be first made from a trust which has an inclusion ratio of one.
- 5. <u>Trustee's Exoneration</u>: The Trustor expressly exonerates the Trustee from any liability arising from any exercise or failure to exercise these powers, provided the actions (or inactions) of the Trustee are taken in good faith.
- C. Beneficiary's General Power of Appointment: Should a beneficiary die prior to the creation of his or her separate share of the Trust Estate or die subsequent to the creation of such share but before complete distribution of such share, and as a result of said death a portion of the Trust Estate would be subject to GST Tax but for the provisions of this paragraph, the beneficiary may, pursuant to a general power of appointment exercised in his or her last Will (but not in a codicil) or other writing delivered to the Trustee prior to his or her death and specifically referring to the Trust Agreement, provide for such share to pass to the creditors of that beneficiary's estate, in accordance with the terms set forth below. The asset value subject to such general power of appointment shall be the maximum amount, if any, which, when added to

the beneficiary's net taxable estate (computed prior to said power), will cause the federal estate tax marginal rate to increase until it equals the GST Tax marginal rate; but in no case shall such general power of appointment exceed the asset value of such beneficiary's share. This general power of appointment may be subject to termination and reinstatement by the Trust Protector. To the extent the beneficiary does not effectively exercise the general power of appointment, the unappointed asset value shall be held, administered and distributed in accordance with the other provisions of the Trust Agreement.

This account was first opened on February 17, 1984. At that time, 300 shares of ExxonMobil's common stock were transferred to Elmer Brunsting. On August 14, 1987, the company went through a 2-for-1 split, generating an additional 300 shares. Between September 10, 1992 and October 28, 1996, dividends from this account were reinvested. An additional 121.648 were purchased during that period.

The account was closed on October 28, 1996, when all shares (721.648) were transferred to the Brunsting Family Trust (See account number 2102 below).

We have enclosed a certificate transcript and reinvestment statement covering the history of this account. Due to the age of this account, we no longer have any additional documentation. We were unable to determine the source of the original transfer in 1984 and we no longer have copies of the paperwork submitted in 1996. We have no record of the dividends paid prior to 1992 or any of the tax forms generated for this account.

Account Number 2102

This account was first opened on October 28, 1996, when the 721.648 shares were transferred from the account listed above. We have enclosed copies of the statements covering the full history from 1996 until it was closed in 2011. The only transactions that took place during this time were dividend reinvestments and 2 stock splits. We have also enclosed copies of Form 1099-DIV for years 2005 through 2011. We no longer have copies of the tax forms generated prior to 2005.

On March 18, 2011, we received a letter from Anita Brunsting, along with transfer forms requesting that we transfer a portion of this account to the Elmer H Brunsting Decedent's Trust and transfer the remaining shares to the Nelva E Brunsting Survivor's Trust. On March 24, 2011, 1908.232008 were shares transferred to account number 27769 and 2101.968469 shares were transferred to account number 27777.

We have enclosed a copy of the transfer forms and the accompanying letter. The mailing address on the old account was updated at the same time. We have also enclosed a copy of a notice confirming the address change.

Account Number 7769

This account was first opened on March 24, 2011, when the 1908.232008 shares were transferred from the account listed above. We have enclosed statements covering the history of the account from that date to the present. As the new account was not initially enrolled in the dividend reinvestment plan, the fractional shares (0.232008 shares) were immediately liquidated, generating a check in the amount of \$4.18.

Dividends were paid via direct deposit between June 10, 2011 and March 9, 2012. They were deposited into Bank of America account number 11143 via routing number 111000025 based on instructions submitted through our website. We have enclosed a screen print of Computershare's internal records with the details of these payments, a notice confirming the direct deposit information, and a copy of Form 1099-DIV for 2011.

On June 13, 2011, we received transfer forms directing us to transfer 1,325 shares from this account to Carole Brunsting. The shares were transferred to account number 6328 on June 15, 2011. We have enclosed a copy of the forms.

On March 3, 2012, the account was enrolled in dividend reinvestment through our website. We have enclosed a copy of a notice confirming this change. The June 11, 2012 divided was reinvested, as indicated on the most recent statement.

Account Number 7777

This account was first opened on March 24, 2011, when the 2101.968469 shares were transferred from account number 2102. We have enclosed statements covering the history of the account from that date to the present.

All dividends on this account were reinvested. Form 1099-DIV is included on the year end statement for 2011. Direct deposit instructions were added to this account via our website on April 11, 2011. However, as the account was enrolled in the reinvestment plan, no dividends from this account were ever direct deposited. We have enclosed a copy of the notice confirming the direct deposit information.

On May 9, 2011, we received transfer forms directing us to transfer 1,120 shares from this account to Amy Brunsting. The shares were transferred to account number 49041 on May 11, 2011. We have enclosed a copy of the forms.

On June 13, 2011, we received transfer forms directing us to transfer 160 shares from this account to Anita Brunsting and 160 shares to Candace Curtis. The shares were transferred to account numbers 6352 and 6387 respectively on June 15, 2011. We have enclosed a copy of the forms.

We have no record of any additional transactions or correspondence on these accounts or any additional accounts registered to Elmer Brunsting, Nelva Brunsting, or their trusts.

Account Numbers 6387, 6387, 9041, 6352, and 6352, and

As you requested documents reflecting the current ownership of shares formerly registered to the trust, we have enclosed a copy of the most recent statement for each of these accounts. If you need additional records from these accounts, please submit a new request clarifying what information or documents are to be provided.

Computershare assesses a fee of \$10.00 plus \$0.25 per page for records sent in response to this type of request. We kindly ask that you submit a check in the amount of \$24.25 made payable to "Computershare" and enclose a copy of this letter so we may accurately reference the original inquiry.

If you have any further questions, please contact us by phone at 800-252-1800. Representatives are available Monday through Friday, 8:30 AM to 5:00 PM Eastern Time.

Re: Cause No. 2012-14538; *In re: Carl Henry Brunsting*; In the 80th Judicial District Court of Hearis County, Texas

Dear Sirs:

On April 12, 2012, after speaking with Catherine Dixon in your department, I sent additional documents and information relating to a request for information in the above-referenced case concerning the history of some Exxon Mobil Corporation stock. I have heard nothing further since that letter. I have enclosed a copy of that earlier letter and the Court's Order requiring Computershare to provide the information requested, as well as another copy of Exhibit E from the verified petition which outlines the requested information.

As you can see, in my April 12, 2012 letter, I also provided social security numbers for the individuals who originally owned the stock, but at some point the stock was moved to trusts and thereafter, at least in part, out to other parties. So to the extent your delay in responding has been because of the trusts' ownership of the stock, I wanted to provide you with that additional information. Initially, the trust would have been referred to as "The Brunsting Family Living Trust," but after the first grantor of that trust died, the names of "The Nelva Brunsting Survivor's Trust" and the "Elmer Brunsting Decedent's Trust" would have been used. I am enclosing statements with holder account numbers which I have obtained from other sources in the case in hopes that it will speed up your search. I do not intend, however, for your search to be limited to these accounts because, as I said, I believe these shares have been held by or transferred to other parties as well.

It has been sometime since this request was made. I need these documents as soon as possible, so if you have any questions, please contact me upon your receipt of this letter.

Very truly yours

Re: Cause No. 2012-14538; In re: Carl Henry Brunsting; In the 80th Judicial District Court of Harris County, Texas

Dear Sirs:

I spoke with Catherine Dixon this morning about the following documents which were previously filed with the court in the above-referenced matter:

- 1. Carl Henry Brunsting's Verified Petition to Take Depositions Before Suit; and
- 2. Notice to Computershare Investor Services of Hearing on Petition to Take Depositions Before Suit.

While these documents were previously sent via certified mail to Computershare Investor Services's registered agent in Texas, we had received no response. We have enclosed another copy of the documents so this can be addressed by your legal department as soon as possible. To simplify things, we have also enclosed an extra copy of Exhibit E to the Petition which outlines the documents we are asking Computershare, as transfer agent for Exxon Mobil Corporation, to provide. The social security number for Elmer Brunsting is \$\frac{1}{2}\$4685.

Also enclosed is an Amended Notice of Hearing which resets the hearing in the matter for May 18, 2012.

Very truly yours,

Bobbie G. Bayless

Response to Written Interrogatories

Anita Brunsting objects to Candace's interrogatories and request for production made pursuant to "fiduciary obligations." Interrogatories and request for production are exclusive to the Texas Rules of Civil Procedure and are not contemplated by the trust instruments nor any other applicable law. To the extent Candace's interrogatories and request for production are made pursuant to fiduciary obligations under the trust instruments then, pursuant to the trust, the Trustee requires that Candace pay the additional costs incurred to respond to such requests before the Trustee is required to comply with such request.

1. In your exercise of discretion, which of the Founders' ten intended purposes and what aspects of the HEMS standard were factored into your determination to oppose a distribution to beneficiary Candace from her personal asset trust, and upon what set of facts did your determination rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Subject to and without waiving the foregoing objections, see Anita's response to Candace's request for distributions that was filed with the Court and which documents speak for themselves.

2. In 2011, which of the ten intended purposes, if any, and what aspects of the HEMS standard did you apply to your exercise of discretion in transferring Exxon Stock to Carole, and upon what set of facts did your exercise of discretion rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Subject to and without waiving the foregoing objections, such transfer was made at Nelva Brunsting's instruction.

3. In 2011, which of the ten intended purposes, if any, and what aspects of the HEMS standard did you apply to your exercise of discretion in transferring Exxon Stock to Candace, and upon what set of facts did your exercise of discretion rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

¹ Candace's Interrogatories were renumbered for the convenience of the parties and the Court.

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Subject to and without waiving the foregoing objections, such transfer was made at Nelva Brunsting's instruction.

4. In 2011, which of the ten intended purposes, if any, and what aspects of the HEMS standard did you apply to your exercise of discretion in transferring Exxon Stock to Amy, and upon what set of facts did your exercise of discretion rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Subject to and without waiving the foregoing objections, such transfer was made at Nelva Brunsting's instruction.

5. Which of the ten intended purposes, if any, and what aspects of the HEMS standard did you apply to your exercise of discretion in not transferring Exxon Stock to Carl, and upon what set of facts did your exercise of discretion rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, presumably the inquiry relates to the time period Nelva Brunsting was alive and Nelva Brunsting did not instruct an Exxon Stock transfer to Carl.

6. What are, and how did the trustees interpret, the particular distribution standards contained in "the trust"?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, the distribution standards are as set forth in the trust instruments, which were interpreted as written.

7. What is/was the trustee's process for making discretionary distribution decisions?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, the process is as set forth in the trust instruments.

8. What does the trustee require when asked to consider other resources and establish the beneficiary's standard of living?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. The trustee requires what the trust instruments provide.

9. Does the trust require a beneficiary to waive their right of privacy as a condition of receiving a beneficial interest? If so, under which provision of what instrument(s)?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, the trust instruments speak for themselves.

10. Does the trustee work with distribution advisors? If so, who and when? If not, why not?

RESPONSE: The trustee has not worked with distribution advisors. No distributions have been made since the Nelva's death due to the litigation filed by Candace and Carl.

11. When and how did the acting trustees inform the beneficiaries of their beneficial interests?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, prior to defendant's appointment as trustee, on or about October 23, 2010, Candace was informed of her beneficial interest via email. Shortly after Nelva's death in November 2011, the trustees and their counsel were in the process handling the trust affairs incident to Nelva's death. The trustees and

their counsel provided trust documents and assets lists via email and/or mail in December 2011 and thereafter to beneficiaries.

12. What types of distributions would the trustees like a beneficiary to receive?

RESPONSE: Defendant objects to this interrogatory as unintelligible. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, defendant would like a beneficiary to receive distributions in accordance with the trust instruments.

13. For what purposes can the beneficiary request a distribution from the trust?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, the beneficiary can request a distribution for the purposes contained in the trust instruments.

14. When would the trustees like distributions to be made and in what priority?

RESPONSE: Defendant objects to this interrogatory as unintelligible. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, Subject to, and without waiving the foregoing objections, defendant would like a beneficiary to receive distributions in accordance with the trust instruments.

15. What circumstances should or should not exist prior to a distribution from "the trust"?

RESPONSE: Defendant objects to this interrogatory as unintelligible. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, currently, with respect to Candace, the Court must resolve Candace's claims and allegations in the pending lawsuit and, in particular, Candace's allegation that the no contest provisions in the trust instruments are unenforceable, prior to a distribution.

16. Who should be involved in the decision making process?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, currently, the Court and the parties to the litigation should be involved in the decision making process.

17. What factors does the decision-maker measure in determining the beneficiary's need for a distribution?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, currently, the Court would consider the factors set forth in the trusts.

18. Describe the steps you have taken to honor the provisions of Article X, Section B (1)(a)(i) of the Brunsting Family Trust?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. The referenced section was superseded by Nelva and therefore, is inapplicable.

19. Describe the steps you have taken to honor the provisions at Page 6 Item C of the August 25, 2010 QBD regarding PERSONAL ASSET TRUST PROVISIONS, as those provisions relate to the personal asset trusts for each of the five Brunsting beneficiaries?

RESPONSE: After Nelva's death, defendant began the process of collecting assets, informing trust beneficiaries, and working the attorneys specifically referenced in such section to implement the terms of the trust instruments. The trustees and their counsel provided trust documents and assets lists via email and/or mail in December 2011 and thereafter to beneficiaries. Candace then brought litigation.

20. A copy of the 8/25/2010 QBD was included in the October 23, 2010 email attachments. How did you come to be in possession of the 8/25/2010 QBD on October 23, 2010 when Nelva was the only then serving trustee?

RESPONSE: Nelva provided defendant such instrument.

21. What was your forthright explanation to Nelva regarding the changes that you planned for her to make to the trust and what were the exact changes that you intended to be made?²

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and is a compound question. Defendant never planned to make any changes to the trust for Carl. It was defendant's understanding that Nelva planned to make changes to the trust. There was a concern by Nelva, defendant, and defendant's siblings that Carl's future well-being may not be met by Drina, and that Drina may take steps to reach Carl's share of trust assets. Nelva never signed the changes into effect.

22. Where are the documents you referred to that you intended for Nelva to sign?³

RESPONSE: To defendant's knowledge they were never signed. Defendant does not know what happened to such documents.

23. What was the date of your prior inquiry and why was the inquiry made more than one year after you were noticed of the existence of those EE Bonds?

RESPONSE: Candace and Carl consistently and repeatedly accused Carol of stealing bonds that were alleged to be in the name of Nelva or Elmer. Defendant did not see a record of the bonds being in the name of the trusts. In late 2014, Carol informed defendant that she could request a record of the outstanding bonds, which was done in mid to late 2014.

24. What claim(s), if any, were you asking to be processed?

RESPONSE: None.

25. Did you subsequently submit the properly completed forms? If no, why not? If yes, what were the results and where are the transaction records?

² This is a question about a March 8, 2011 email from Anita.

³ This is a question about a March 8, 2011 email from Anita.

RESPONSE: No, because Candace would not agree to the disposition of the bonds and the legal fees to seek court approval to cash the bonds in light of Candace's failure to agree made the transaction cost prohibitive.

Defendant objects to the balance of the interrogatories as exceeding the limits of permissible discovery under the Texas Rules of Civil Procedure. Defendant further objects to the balance of the interrogatories because Candace has not paid Candace pay the additional costs incurred to respond to such requests before the Trustee is required to comply with such request.

Intention 2. To eliminate and reduce income taxes, generation skipping transfer taxes and estate and death taxes on trust assets and on assets in the estate of the beneficiary,

(a) The decedent's trust has received farm income every year, which has not been distributed since 2012. Consequently the decedent's trust owed hefty income taxes each year. Why have those taxes not been reduced by distributions of farm income to personal asset trusts for the five beneficiaries? What advice have you been given regarding income taxes paid by the trusts, if any?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(b) When considering funding for Mother's day-to-day needs prior to the establishment of the Rights of Survivorship account in the name of Carole Brunsting and Nelva Brunsting, what criteria did you use when you liquidated assets in the Edward Jones account? Was avoidance of capital gains tax a factor? If not, why not?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

5. Trustee Manual: The Bates stamped documents included in Plaintiff's document production P6-P155, "MyTrustee Manual". Chapter 2, P19-P22 is titled "BEFORE GETTING STARTED: A FEW IMPORTANT "DO'S AND DON'TS".

(a) Please review pages 2-1 through 2-4 of My Trustee Handbook and answer the following questions with specificity:

i. Which of the eight "Do's" have you done?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

ii. Which of the eight "Do's" have you not done?

- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
 - iii. Which of the nine "Do Not's" have you done?
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
 - iv. Which of the nine "Do Not's" have you not done?
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
 - 6. Instruments are alleged to have been signed by Nelva Brunsting on August 25, 2010.
- (a) Were you involved in the preparatory discussions? If yes, please explain the circumstances leading up to the creation of the instruments.
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
- (b) Were you personally present when those documents were signed? If yes, please identify the location where they were signed and provide the names and contact information for everyone who was personally present when those instruments were signed.
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
 - 7. Instruments are alleged to have been signed by Nelva Brunsting on December 21, 2010.
- (a) Were you involved in the preparatory discussions? If yes, please explain the circumstances leading up to the creation of the instruments.
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
- (b) Were you personally present when those documents were signed? If yes, please identify the location where they were signed and provide the names and contact information for everyone who was personally present when those instruments were signed.
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
 - 8. Please refer to the RESPONSE OF DEFENDANTS TO REPORT OF MASTER, filed

August 27, 2013, and answer the following:

Regarding trustee compensation,

(a) At the point in time when you paid your personal credit card debts from trust assets, were you aware that paying personal debt obligations directly out of trust accounts can be considered self-dealing or co-mingling, whether you were entitled to trustee compensation or not? If not, why not?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(b) Appendix A, Section 1. states that Vacek & Freed determined the percentage amount of your fee to be 2% of the trust value of \$2,291,300, or \$45,826.00. What date was the fee calculation determined? What trust was the value based upon? What trust assets and their corresponding values were used in the calculation? Why was this calculated on an annual basis, rather than monthly or quarterly, since the value of the trust diminished every single month? What provision(s) in the trust set forth the standard for calculating this rate of compensation?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

9. Please refer to George Vie's July 15, 2013 letter to the Master and Attachment 1 to these interrogatories when considering the following questions. Note that Attachment 1 is a summary of your Schedule F, plus distributions to beneficiaries from the Edward Jones account during the 10-year period covered by the schedule, and the distribution you received in 2005 to pay off your house.

Your letter states that:

"Numerous gifts were given to the older Brunsting children (Carl, Candace and Carole); Candace's sons, Kevan Curtis and Andy Curtis (currently in their mid-30s); and Carl's daughter, Marta Brunsting Huntsman (prior to Mr. Brunsting's death) to assist with their college, business and/or wedding expenses." Attachment 1 demonstrates that during the 10-year period of the schedule, approximately 46% of the distributions went to Candy, Carole, Carl, Kevan and Andy, with the balance of approximately 54% going to you, Amy and your respective children. Nothing was noted to have been received by Marta during the 10-year period.

(a) Please state with specificity the dates and amounts of all gifts given to the older beneficiaries and the source of the information in support of these alleged transactions, as claimed by you in your July 15, 2013 letter of influence addressed to the Special Master.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in

the Texas Rules of Civil Procedure.

(b) Our Dad died April 1, 2009. The only noted transactions labeled as gifts to Kevan and Andy Curtis are dated October 2, 2009. Please state with specificity the dates and amounts of all other alleged gifts given to Kevan, Andy, or Marta between 2001 and April 1, 2009, the source of the information in support of these transactions, and the reason why these transactions were not listed on any schedules.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(d) In general the July 15, 2013 letter to the Master attempts to provide excuses for the sudden acceleration of dissipation of mass quantities of trust assets while our Mother was still alive. These take-my-word-for it assertions have not been supported by Generally Accepted Accounting Principles (GAAP) in any disclosures. The recap of distributions, or gifts if you want to call them that, reflected on Attachment 1, clearly shows an inequity. What was the distribution standard applied to those transactions? What effect did these transactions have on the value of the trust assets, trust tax liabilities, and the personal tax liabilities of the recipients? What were the facts upon which discretion was exercised in each of these transactions?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(e) In your July 15, 2013 letter to the Master you claim "Defendants are individuals, not financial professionals." It is presumed you knew of this fiscal incompetence before accepting the appointment to a fiduciary office. Did you hire financial professionals to assist you in meeting the obligations commensurate with your fiduciary duties? If yes, who, when, and what did they do? If not, why not?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(f) In a letter dated May 22, 2012, Edward Jones states "We're contacting you because either your financial advisor recently updated your account information or it has been three years since we last verified your information." It goes on to ask you to "Please review the enclosed pages, which list your account information. If the information is correct, you do not need to return this letter." This information contains the following:

Net Worth (must exclude value of primary residence): \$1,700,000

Annual Income: \$64,000

Prior Investment Experience: (4) Extensive Experience

Risk Profile: (3) Moderate

Current Occupation: Homemaker

Did you return the letter? If not, why not? When did you provide this information to Edward Jones originally?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

10. The following questions refer to information contained in the 2011 Form 1040 for Nelva E Brunsting, prepared by Kroese & Kroese P.C., signed by you as fiduciary "Under penalties of perjury".

(a) Line 15a IRA distributions = \$58,792 / 15b Taxable amount = \$58,792. On February 24, 2010, Mother executed a Change of Beneficiary Designations for IRA Account at Edward Jones, designating the five of us as "beneficiaries in equal shares". A previous List of Beneficiaries under Edward Jones letterhead, dated July 23, 2009, stated the same designation. On May 23, 2011, an electronic transfer was made from the IRA account number 609-91956-1-9, to the B of A account ending in 1143, in the amount of \$54,000.

i. Were you aware of Mother's beneficiary designation for her IRA? If yes, why did you fail to follow it? If no, how could you not be?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

ii. Did you know this transaction would cause a tax liability for Mother?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(b) Schedule A Medical and Dental expenses are listed as \$118,893.

i. Many of the caregiver payments contained reimbursements for meals and incidental expenses purchased on behalf of our Mother. Were these reimbursementsincluded in the caregiver costs? If so, what is the total for these reimbursements? Did the preparer know these reimbursements were included? If so, please provide support of the preparer's knowledge.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

ii. IRS Publication 926 Household Employer's Tax Guide sets forth the rules for employment taxes. You were required to withhold and pay social security and Medicare taxes on the wages. As the employer you can choose to pay this yourself and not withhold it. Did you

withhold social security and Medicare from the caregivers paychecks? If no, why not? Did you pay 13.3% of gross wages on behalf of the caregivers to the IRS? If no, why not? Did you issue a W-2 to each caregiver? If no, why not?

- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
- (c) Did you seek the advice of a professional in connection with employing caregivers and related employment taxes? Did you seek the advice of a professional regarding what medical and dental expenses are deductible? If so, who did you consult with and what did they tell you?
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
- 11. Numerous distributions have been made and some requests for distribution have been declined or opposed by you based upon your exercise of discretion.
 - (a) To what extent, if any, did Amy participate in your discretionary decisions?
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
 - (b) To what extent, if any, did Carole participate in your discretionary decisions?
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
 - (c) To what extent, if any, did Candace participate in your discretionary decisions?
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
 - (d) To what extent, if any, did Carl participate in your discretionary decisions?
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.
 - (e) To what extent, if any, did Candace Freed participate in your discretionary decisions?
- RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

ORDER GRANTING CARL HENRY BRUNSTING'S
MOTION FOR PARTIAL SUMMARY JUDGMENT

Having considered Carl Henry Brunsting's Motion for Partial Summary Judgment, any response thereto, the summary judgment evidence, and the law, the Court is of the opinion that the Motion should be GRANTED.

It is therefore ORDERED that the Qualified Beneficiary Designation and Exercise of Testamentary Powers of Appointment Under Living Trust Agreement dated August 25, 2010 is void as a matter of law.

It is further ORDERED that the following transfers made by Anita Brunsting as trustee were unauthorized as a matter of law and constitute breaches of her fiduciary obligations as trustee:

- 1. 1120 shares of Exxon Mobil stock transferred to Amy from the Survivor's Trust on May 9, 2011;
- 2. 160 shares of Exxon Mobil stock Anita transferred to herself from the Survivor's Trust on June 13, 2011;
- 3. 135 shares of Chevron stock Anita transferred to herself from the Survivor's Trust on June 14, 2011;
- 4. 135 shares of Chevron stock transferred to Amy's minor daughter, Ann Brunsting, from the Survivor's Trust on June 14, 2011;
- 5. 135 shares of Chevron stock transferred to Amy's minor son, Jack Brunsting, from the Survivor's Trust on June 14, 2011;
- 6. 135 shares of Chevron stock transferred to Anita's minor daughter, Katie Riley, from the Survivor's Trust on June 14, 2011;
- 7. 135 shares of Chevron stock transferred to Anita's son, Luke Riley, from the Survivor's Trust on June 14, 2011;

- 8. 160 shares of Exxon Mobil stock transferred to Candy from the Survivor's Trust on June 15, 2011; and
- 9. 1325 shares of Exxon Mobil stock transferred to Carole from the Decedent's Trust on June 15, 2011.

It is further ORDERED that, pursuant to Tex. Prop. Code §114.031, the parties receiving the transfers identified in the previous paragraph are also liable for the resulting loss to the trusts caused by such transfers, and such loss shall be offset against their remaining interest in the trusts.

It is further ORDERED that all other issues remaining to be determined in the case, including the amount of damages caused by the improper stock transfers, will be the subject of further proceedings and orders.

SIGNED this _	day of	, 2015.
