Dear Ms. Brunsting,

Of course I remember you and I appreciate any efforts to resolve this case.

I apologize for the delay in response. I needed time to review the record to answer your question.

The -402 was initially established 2/7/2015 by Candace Curtis/Jason Ostrom with the filing of a Notice of Filing of Original Petition from the Federal District Court upon remand by that court.

In the -402, no motion for consolidation appears to be of record.

The unsigned order you emailed was filed in the -401 on 3/5/2015 as an Agreed Order to Consolidate Cases.

Although this was an agreed order, there was no application to consolidate the cases filed of record.

I cannot explain why this agreed order was not signed at that time.

Often orders that are filed without a motion attached were not circulated to the court and, at that time, we had a different filing system.

So, the answer to your question is no, that order does not appear to have been signed, therefore the cases were not ordered to be consolidated.

If you need additional information, please do not hesitate to contact me.

**Subject:** Case 412249-401

Judge Comstock,

I am a Pro Se litigant in Case-No 412249-401 and have never missed a hearing. This case has been in Probate Court 4 for many years.

The issue I am writing to you about today is regarding the consolidation of cases 412249-402 and 412249-401. Did Judge Butts ever sign off on this consolidation? I am attaching a copy of the unsigned document that I found online. Could you please provide me the information that I would need to show that either this case was consolidated or not consolidated.

Thank you so much for your help and please let me know if you need any other information.

Regards,

Carole Brunsting

Judge Comstock—In trying to figure out what might have happened to this consolidation order, I ran across this email where you circulated it to the parties. I thought it might help if you are trying to locate it.
