

Court of Appeals Number: 01-22-00378-CV

Trial Court Case Number: 412249-401

Thank you for your kind reminder about the designation of records. Unfortunately the records pertinent to the appeal are spread across 4 cases so your instruction to limit the record to one case is impossible.

Appellant filed Petition for Writ of Mandamus No. 01-22-00514-CV with the First Court of Appeals on July 12, 2022 on want of jurisdiction ground. The records necessary to a proper substantive appellate review will require a more definite and certain statement of findings of fact and conclusions of law from the trial court regarding the orders challenged.

If Relators' Petition for Writ of Mandamus is denied, Appellant will supplement the trial courts record by filing a statutory bill of review, in the trial court, in order to make the trial courts findings of fact and conclusions of law more definite and certain.

With these considerations in mind Appellant knowingly and voluntarily withdraws her appeal at this time by informing the court of her desire to withdraw her notice of appeal.

Respectfully submitted,

Candice Schwager
