Any lease or other agreement may have a duration that the Trustee deems reasonable, even though extending beyond the duration of any trust created in this agreement.

The Trustee may drill, test, explore, mine, develop, and otherwise exploit any and all oil, gas, coal, and other mineral interests, and may select, employ, utilize, or participate in any business form, including partnerships, joint ventures, co-owners' groups, syndicates, and corporations, for the purpose of acquiring, holding, exploiting, developing, operating, or disposing of oil, gas, coal, and other mineral interests.

The Trustee may employ the services of consultants or outside specialists in connection with the evaluation, management, acquisition, disposition, or development of any mineral interests, and may pay the cost of such services from the principal or income of the trust property.

The Trustee may use the general assets of the trusts created under this agreement for the purposes of acquiring, holding, managing, developing, pooling, unitizing, repressuring, or disposing of any mineral interests.

The term "mineral" shall mean minerals of whatever kind and wherever located, whether surface or subsurface deposits, including (without limitation) coal, lignite and other hydrocarbons, iron ore, and uranium.

Power to Enter Into or Continue Business Activities

The Trustee shall have the authority to enter into, engage in, expand, carry on, terminate and liquidate any and all business activities, whether in proprietary, general or limited partnership, joint venture or corporate form, with such persons and entities as the Trustee deems proper. This power pertains to business activities in progress at the date of our deaths, and to business opportunities arising thereafter. Business activities conducted by the Trustee should be related to the administration and investment of the trust estate, for it is not our intention to convert any trust into an entity that would be taxable as an association for federal tax purposes.

Banking Authority

The Trustee is authorized to establish and maintain bank accounts of all types in one or more banking institutions that the Trustee may choose.

Corporate Activities

The Trustee may form, reorganize or dissolve corporations, and may exercise all rights of a stockholder, including the right to vote for or against mergers, consolidations and liquidations, and to act with or without substitution. An individual serving as Trustee may elect himself as an officer or director of a corporation owned in part or in whole by a trust created by this declaration, and a corporate entity serving as Trustee may elect one of its officers to such a position, and in each such instance the person so elected may be paid reasonable compensation for services rendered to such corporation in such capacity. The Trustee may retain, exercise or sell rights of conversion or subscription to any securities held as part of the trust property.

Agricultural Powers

The Trustee may retain, sell, acquire, and continue any farm or ranching operation whether as a sole proprietorship, partnership, or corporation.

The Trustee may engage in the production, harvesting, and marketing of both farm and ranch products either by operating directly or with management agencies, hired labor, tenants, or sharecroppers.

The Trustee may engage and participate in any government farm program, whether state or federally sponsored.

The Trustee may purchase or rent machinery, equipment, livestock, poultry, feed, and seed.

The Trustee may improve and repair all farm and ranch properties; construct buildings, fences, and drainage facilities; acquire, retain, improve, and dispose of wells, water rights, ditch rights, and priorities of any nature.

The Trustee may, in general, do all things customary or desirable to operate a farm or ranch operation for the benefit of the beneficiaries of the various trusts created under this agreement.

Real Estate

The Trustee may purchase or sell real property, and may exchange, partition, subdivide, develop, manage, and improve real property. The Trustee may grant or acquire easements, may impose deed restrictions, may adjust boundaries, may raze existing improvements, and may dedicate land or rights in land for public use. The Trustee may construct, repair, alter, remodel, demolish or abandon improvements. The Trustee may take any other action reasonably necessary for the preservation of real estate and fixtures comprising a part of the trust property or the income therefrom.

Authority to Sell or Lease and Other Dispositive Powers

The Trustee may sell, lease or grant options to lease trust property without the consent or ratification of any court, remainderman, or third party, including the authority to lease beyond the anticipated term of a trust, upon such terms and for such consideration as the Trustee deems appropriate. The Trustee may make such contracts, deeds, leases, and other instruments it deems proper under the circumstances, and may deal with the trust property in all other ways in which a natural person could deal with his or her property.

Warranties and Covenants

The Trustee may convey properties with such covenants and warranties of title (general or special) as the Trustee deems appropriate.

Trustee's Compensation

The Trustee shall pay itself reasonable compensation for its services as fiduciary as provided in this agreement.

Employment and Delegation of Authority to Agents

The Trustee may employ and compensate, and may discharge, such advisors and agents as the Trustee deems proper, and may delegate to an agent such authorities (including discretionary authorities) as the Trustee deems appropriate, by duly executed powers of attorney or otherwise.

Power to Release or Abandon Property or Rights, and to Pursue Claims

The Trustee may release, compromise or abandon claims or rights to property for such consideration (including no consideration) as the Trustee determines to be appropriate when the Trustee determines it is prudent to do so. The Trustee is authorized to institute suit on behalf of and to defend suits brought against a trust estate, and to accept deeds in lieu of foreclosure.

Nominal Title and Use of Nominees

With or without disclosing fiduciary capacity, the Trustee may acquire title to property in the name of the Trustee or in the name of one or more nominees, and may allow its nominees to take possession of trust assets with or without direct custodial supervision by the Trustee.

Power to Lend Money and Guarantee Obligations

The Trustee may lend money to any person, to any business entity, to an estate, or to any trust, if the Trustee deems the loan to be in the best interests of the trust beneficiaries, provided that any such loan (except loans to beneficiaries) shall be adequately secured and shall bear a reasonable rate of interest.

The Trustee, in the Trustee's discretion, may endorse, guarantee, become the surety of or otherwise become obligated for or with respect to the debts or other obligations of any person or legal entity, whether with or without consideration, when the Trustee believes such actions advance the purposes of any trust created hereunder.

The Trustee may make loans from a beneficiary's trust share to or for the benefit of such a beneficiary on an unsecured basis, and for such rate of interest as the Trustee deems appropriate, when in the Trustee's judgment, such loan would be consistent with the purposes of such trust.

Power to Borrow

The Trustee may assume the payment of and renew and extend any indebtedness previously created by either or both Founders, and the Trustee may create new indebtedness and raise money by any means, including margin trading in securities, when the Trustee believes such borrowing will be beneficial to the trust estate.

The Trustee is authorized to secure the payment of each such indebtedness, and all renewals, extensions and refinancing of same, by pledge, mortgage, deed of trust or other encumbrance covering and binding all or any part of the trust estate of a trust.

The Trustee may loan its own monies to a trust and may charge and recover the then usual and customary rate of interest thereon when, in the discretion of Trustee, it is prudent to do so.

Payment of Indebtedness and Settlement Costs

The Trustee may in its sole discretion pay the funeral and burial expenses, expenses of the last illness, and valid claims and expenses of an income beneficiary of any trust created under this agreement.

Funeral and burial expenses shall include, but not be limited to, the cost of memorials of all types and memorial services of such kind as the Trustee shall approve. Valid claims and expenses shall include, but not be limited to, all state and federal death taxes.

The payments shall be paid from the assets of the trust or trusts from which the beneficiary was receiving income.

Transactions Between the Trustee and Our Personal Representatives

The Trustee is authorized to accept from our personal representatives, upon the termination or during the administration of our respective probate estates, if any, assets delivered by our personal representatives to the Trustee on the basis of the accounting submitted by the personal representatives, without requiring an audit or other independent accounting of the acts of our personal representatives, and the Trustee shall not have liability for the acts or omissions of our personal representatives. The foregoing shall not limit the right of our Trustee to request an accounting from our personal representatives and our personal representatives shall, upon request from the Trustee, furnish a complete accounting for their actions.

The Trustee shall have the power to purchase property from our estates at its fair market value, as determined by our personal representatives and by our Trustee, and to the extent required to permit such purchase of assets and to permit loans from the Trustee to our estate, we specifically waive application of the provisions of Section 352 of the Texas Probate Code and Sections 113.053 and 113.054 of the Texas Trust Code.

Commingling Trust Estates

For the purpose of convenience with regard to the administration and investment of the trust property, the Trustee may hold the several trusts created under this agreement as a common fund.

The Trustee may make joint investments with respect to the funds comprising the trust property.

The Trustee may enter into any transaction authorized by this Article with fiduciaries of other trusts or estates in which any beneficiary hereunder has an interest, even though such fiduciaries are also Trustees under this agreement.

Addition of Accumulated Income to Principal

The Trustee shall, on a convenient periodic basis, add the accumulated undistributed income of any trust which does not provide for mandatory income distributions to specified beneficiaries, and which does not require that any undistributed income be maintained separately for ultimate distribution to specified beneficiaries, to the principal of such trust.

Distributions Not Treated as Advancements

No distributions to a beneficiary of any trust created hereunder shall be treated as an advancement against the beneficiary's share of such trust unless the distribution is specially so treated on the Trustee's records at the time of the distribution or unless the Trustee gives notice of such fact to the beneficiary at the time of the distribution. If the Trustee has the discretion to make distributions from a trust to more than one beneficiary, the Trustee ordinarily should not treat distributions to any particular beneficiary as an advancement of that beneficiary's share of the trust unless an event has occurred causing the termination of such trust.

Tax Elections

The Trustee may exercise any available elections regarding state or federal income, inheritance, estate, succession or gift tax law including the right to elect any alternate valuation date for federal estate or inheritance tax purposes, the right to elect whether all or any parts of the administration of a deceased Founder's estate are to be used as estate tax deductions or income tax deductions, the right to make compensating adjustments between income and principal as a result of such elections if necessary, and the right to elect to have trust property qualify for the federal estate tax marital deduction as qualified terminable interest property under the appropriate provisions of the Internal Revenue Code and its regulations. The Trustee may also sign tax returns; pay any taxes, interest or penalties with regard to taxes; apply for and collect tax refunds thereon.

The Trustee is authorized to make elections available under applicable tax laws as the Trustee determines, in its discretion, to be advisable even though such elections may affect the interests of trust beneficiaries. The Trustee need not, but may, in its sole discretion, make equitable adjustments of the interests of the trust beneficiaries in light of the effect of such elections.

Transactions in Which the Trustee Has A Direct or Indirect Interest

We expressly waive prohibitions existing under the common law and the Texas Trust Code that might otherwise prohibit a person or entity who is serving as a Trustee from engaging in transactions with himself or itself personally, so long as the consideration exchanged in any such transaction is fair and reasonable to the trust created by this declaration. Specifically, we authorize the Trustee (a) to buy or sell trust property from or to an individual or entity serving as a Trustee, or from or to a relative, employee, business associate or affiliate of such individual serving as Trustee; (b) to sell or exchange and to transact other business activities involving properties of one trust with another trust under the control of the Trustee; and (c) to sell or purchase from a trust the stock, bonds, obligations or other securities of the Trustee or its affiliate.

Notwithstanding the general powers conferred upon the Trustee, or anything to the contrary contained in this agreement, no individual Trustee shall exercise or participate in the exercise of discretion with respect to the distribution of trust income or principal to or for the benefit of such Trustee.

No individual Trustee shall exercise or participate in the exercise of such discretionary power with respect to distributions to any person or persons such Trustee is legally obligated to support as to that support obligation.

Section D. Apportionment of Receipts and Expenses Between Income and Principal

The Trustee shall have the power, exercisable in such Trustee's reasonable and sole discretion, to determine what is principal or income of a trust or trust share. The Trustee shall pay from income or principal all of the reasonable expenses attributable to the administration of the respective trusts created in this agreement. The Trustee shall have the power to establish a reasonable reserve for depreciation or depletion and to fund the same by appropriate charges against income of the trust estate. For purposes of determining an appropriate reserve for depreciable or depletable assets, the Trustee may (but need not) adopt the depreciation or depletion allowance available for federal income tax purposes.

Section E. Records, Books of Account and Reports

The Trustee shall promptly set up and thereafter maintain, or cause to be set up and maintained, proper books of account which shall accurately reflect the true financial condition of the trust estate. Such books of account shall at all reasonable times be open for inspection or audit only by current, mandatory income beneficiaries, their parent or court appointed guardians, and the duly authorized agents, attorneys, representatives and auditors of each, at the expense of the beneficiary making such inspection or audit.

The Trustee shall make a written financial report, at least semi-annually, to each beneficiary of the trust who is entitled to receive a present, mandatory income distribution, unless such beneficiary, or such beneficiary's parent or legal guardian, has executed a written waiver of the right to receive such a report. The Trustee shall not be obligated to provide financial reports to a beneficiary who is less than eighteen years old if such reports are being provided to a parent of such beneficiary. Such reports shall be submitted to the parent or guardian of a minor beneficiary, or to the guardian or other legal representative of any incapacitated beneficiary.

The first financial report shall identify all property initially received by the Trustee. The first report and each subsequent report shall include a statement of all property on hand at the end of such accounting period, of all property that has come to the knowledge or possession of the Trustee that has not been previously listed as property of the trust, of all known liabilities, of all receipts and disbursements during such period (including a statement as to whether the receipt or disbursement is of income or principal), and of such other facts as the Trustee deems necessary to furnish in order to provide adequate information as to the condition of the trust estate.

Except as otherwise provided in this declaration, should any person interested in a trust estate request an accounting for the Trustee's actions that is more extensive or more frequent than the accounting normally to be rendered, the Trustee may require such person to pay the additional costs incurred in preparing the same before complying with such request.

Section F. Trustee's Liability

No person or entity serving as Trustee without compensation shall be liable for any error of judgment or mistake of fact or law or for ordinary negligence, but shall be liable for acts involving willful misconduct, gross negligence or bad faith.

Unless otherwise provided, no person or entity serving as Trustee who is receiving compensation for his or its services hereunder shall be liable for any loss which may occur as a result of any actions taken or not taken by the Trustee if such person or entity has exercised the reasonable care, skill and prudence generally exercised by a compensated fiduciary with respect to the administration, investment, and management of similar estates.

No person or entity serving as Trustee shall be liable for the acts, omissions or defaults of any other person or entity serving as Trustee, agent or other person to whom duties may be properly delegated hereunder (except that each corporate trustee shall be liable for the acts, omissions and defaults of its officers and regular employees) if such agent or other person was engaged with reasonable care.

Unless a Trustee shall expressly contract and bind himself or itself individually, no Trustee shall incur any personal liability to any person or legal entity dealing with the Trustee in the administration of a trust. The Trustee shall be entitled to reimbursement from the properties of a trust for any liability or expense, whether in contract, tort or otherwise, incurred by the Trustee in the proper administration of a trust.

The Trustee shall be indemnified from the trust property for any damages sustained by the Trustee as a result of its exercising, in good faith, any of the authorities granted it under this trust declaration.

Section G. Duty of Third Parties Dealing with Trustee

No person dealing with the Trustee shall be responsible for the application of any assets delivered to the Trustee, and the receipt of the Trustee shall be a full discharge to the extent of the property delivered. No purchaser from or other person dealing with the Trustee, and no issuer or transfer agent of any securities to which any dealing with the Trustee shall relate, shall be under any duty to ascertain the power of the Trustee to purchase, sell, exchange, transfer, encumber or otherwise in any manner deal with any property held by the Trustee. No person dealing with the Trustee in good faith shall be under any duty to see that the terms of a trust are complied with or to inquire into the validity or propriety of any act of the Trustee.

Section H. Division and Distribution of Trust Estate

When the Trustee is required to divide or make distribution from a trust estate, in whole or in part, such division or distribution may be made by the Trustee in cash or in kind, or partly in cash and partly in kind, and the Trustee may assign or apportion to the distributees undivided interests in any assets then constituting a part of such trust estate. The Trustee may encumber property, may sell property, and may make non-pro-rata distributions when the Trustee believes it is practical or desirable and equitable to do so in order to effectuate a trust distribution regardless of the income tax basis of any asset.

If non-pro-rata distributions are to be made, the Trustee should attempt to allocate the tax basis of the assets distributed in an equitable manner among the beneficiaries of the trust, but the Trustee may at all times rely upon the written agreement of the trust beneficiaries as to the apportionment of assets. To the extent non-pro-rata distributions are made and the tax basis of the assets so distributed is not uniformly apportioned among beneficiaries, the Trustee may, but need not, make any equitable adjustments among such beneficiaries as a result of such nonuniformity in basis.

Section I. Life Insurance

The Trustee shall have the powers with regard to life insurance as set forth in this Section I, except as otherwise provided in this agreement.

The Trustee may purchase, accept, hold, and deal with as owner, policies of insurance on both Founders' individual or joint lives, the life of any trust beneficiary, or on the life of any person in whom any trust beneficiary has an insurable interest.

The Trustee shall have the power to execute or cancel any automatic premium loan agreement with respect to any policy, and shall have the power to elect or cancel any automatic premium loan provision in a life insurance policy.

The Trustee may borrow money with which to pay premiums due on any policy either from the company issuing the policy or from any other source and may assign any such policy as security for the loan.

The Trustee shall have the power to exercise any option contained in a policy with regard to any dividend or share of surplus apportioned to the policy, to reduce the amount of a policy or convert or exchange the policy, or to surrender a policy at any time for its cash value.

The Trustee may elect any paid-up insurance or any extended-term insurance nonforfeiture option contained in a policy.

The Trustee shall have the power to sell policies at their fair market value to the insured or to anyone having an insurable interest in the policies.

The Trustee shall have the right to exercise any other right, option, or benefit contained in a policy or permitted by the insurance company issuing that policy.

Upon termination of any trust created under this agreement, the Trustee shall have the power to transfer and assign the policies held by the trust as a distribution of trust property.

Section J. Insured Trustee's Authority

.

Any individual Trustee under this agreement, other than either Founder, is prohibited from exercising any power conferred on the owner of any policy which insures the life of such individual Trustee and which is held as part of the trust property.

If the Trustee holds any such policy or policies as a part of the trust property, the powers conferred on the owner of such a policy shall be exercised only by the other then acting Trustee.

If the insured Trustee is the only then acting Trustee, then such powers shall be exercised by a substitute Trustee designated pursuant to the provisions of this agreement dealing with the trusteeship.

If any rule of law or court decision construes the ability of the insured Trustee to name a substitute Trustee as an incident of ownership, the substitution process shall be implemented

by a majority of the then current mandatory and discretionary income beneficiaries, excluding the insured Trustee if the insured Trustee is a beneficiary.

Section K. Estimated Income Tax Payment Allocation

The Trustee, in its sole discretion, may elect or not elect to treat all or any portion of federal estimated taxes paid by any trust to be treated as a payment made by any one or more beneficiaries of such trust who are entitled to receive current distributions of income or principal from such trust. The election need not be made in a pro rata manner among all beneficiaries of the trust.

If there is an individual serving as a co-trustee who is a beneficiary of a trust created by this declaration, that individual may not take part in any decision to treat any trust estimated income tax payment as a payment by such individual.

In exercising or choosing not to exercise the discretion granted in this paragraph, the Trustee shall not be liable to any beneficiary or to any other persons directly or indirectly for any action or inaction so taken except for its willful fraud or gross negligence.

Section L. Merger of Trusts

If at any time the Trustee determines it would be in the best interest of the beneficiary or beneficiaries of any trust created by this declaration to transfer or merge all of the assets held in such trust with any other trust created either by trust instrument or by will for the benefit of the same beneficiary or beneficiaries and under substantially similar trusts, terms and conditions, the Trustee under this declaration, after giving not less than thirty days advance written notice to its beneficiaries, is authorized to transfer to or merge all of the assets held under the trust created by this declaration to such other substantially similar trust, and to terminate the trust created under this declaration regardless of whether the Trustee under this declaration also is acting as the trustee of such other trust.

The Trustee under this declaration shall not be subject to liability for delegation of its duties for any such transfer to a substantially similar trust having a different person or entity serving as trustee, and shall have no further liability with respect to trust assets properly delivered to the trustee of any such other substantially similar trust. Similarly, the Trustee of any trust created by this declaration is authorized to receive from the trustee of any other substantially similar trust the assets held under such other trust.

Section M. Termination and Distribution of Small Trust

1. 1

If, in the discretionary judgment of the person(s) or entity serving as Trustee, other than a surviving Founder acting as Trustee, any trust shall at any time be a size which, in the Trustee's sole judgment, shall make it inadvisable or unnecessary to continue such trust, then the Trustee may distribute the trust estate of such trust to its beneficiaries in proportion to their respective presumptive interests in such trust at the time of such termination.

If either or both of us are a beneficiary of a trust terminated pursuant to this paragraph and are surviving at the date of such termination, the Trustee (other than a surviving Founder acting as Trustee) shall distribute the assets of such terminated trust to both of us or the survivor of us. The Trustee shall not be liable either for terminating or for refusing to terminate a trust as authorized by this paragraph.

Section N. Elimination of Duty to Create Identical Trusts

If the provisions of this trust direct the Trustee to hold any portion of its trust estate at its termination as the trust estate of a new trust for the benefit of any person or persons who already are beneficiaries of an existing identical trust, that portion of the terminating trust shall be added to the existing identical trust, and no new trust shall be created.

Section O. Powers of Trustee Subsequent to an Event of Termination

The Trustee shall have a reasonable period of time after the occurrence of an event of termination in which to wind up the administration of a trust and to make a distribution of its assets. During this period of time the Trustee shall continue to have and shall exercise all powers granted herein to the Trustee or conferred upon the Trustee by law until all provisions of this declaration are fully executed.

Section P. Requesting Financial Information of Trust Beneficiaries

In exercising its discretion to make any discretionary distributions to the beneficiaries of any trust created hereunder, the Trustee is authorized to request any financial information, including prior federal income tax returns, from the respective beneficiaries that the Trustee deems necessary in order to exercise its discretion in accordance with the provisions for making such distributions under this declaration.

Section Q. Retirement Plan Elections

Except as otherwise provided in this trust declaration, the Trustee may receive or disclaim any and all proceeds from retirement plans, including, but not limited to, qualified pension, profit sharing, Keogh, individual retirement accounts, or any other form or type of plan. The Trustee may make such elections and exercise options as provided in such plan, without liability to any beneficiary for the election made or option elected. Any disclaimed proceeds or benefits shall be paid in accordance with the terms, conditions, and directives set forth in the subject plan.

Section R. Qualification as a Qualified Subchapter S Trust

If any stock of an S corporation becomes distributable to a trust created under this agreement, and such trust is not a qualified Subchapter S trust, the Trustee may implement any of the following alternatives with respect to the S corporation stock:

1. A Sole Beneficiary

Where the original trust is for a sole beneficiary, the Trustee may create for that beneficiary a separate trust that qualifies as a Subchapter S trust, and then distribute such stock to the newly created trust.

2. Multiple Beneficiaries

Where the original trust is for multiple beneficiaries, the Trustee may divide the trust into separate trusts for each of the beneficiaries. Each newly created trust shall hold that beneficiary's pro rata share of the S corporation stock, and shall qualify as a Subchapter S trust.

3. Outright Distribution

If circumstances prevent the Trustee from accomplishing the first two alternatives under this paragraph, the Trustee may, in its sole and absolute discretion, distribute such stock to the beneficiaries as if the trust had terminated, while continuing to hold any other non-S corporation property in trust.

Each newly created S corporation trust shall have mandatory distributions of income and shall not provide for powers of appointment that can be exercised by the beneficiary during the beneficiary's lifetime. In all other respects, the

newly created trusts shall be as consistent as possible with the original trusts and still qualify as Subchapter S trusts.

The Trustee may take any action necessary with regard to S corporations, including making any elections required to qualify stock as S corporation stock, and may sign all required tax returns and forms.

Article XIII

Miscellaneous Matters

Section A. Distribution of Personal Belongings by Memorandum

Each of us may have certain items of tangible personal property which have been transferred to the trust or otherwise subject to the Trustee's control which we wish to give to particular individuals while we are living or at the time of our respective deaths.

The term "personal belongings" or "tangible personal property" will mean and identify personal wearing apparel, jewelry, household furnishings and equipment, books, albums, art work, entertainment and sports equipment and all items of decoration or adornment.

Each spouse may, at any time and from time to time, deliver to the Trustee written, signed and dated instructions as to any living or post-mortem gifts of his or her personal belongings and the Trustee shall be authorized and bound to make disposition of these items as a spouse has reasonably directed in any such instructions which may be in the form of a Memorandum of Distribution or a love letter from either of us to the intended recipients of such items.

If there are conflicting instructions at the time of our deaths, then the instructions bearing the latest date shall be controlling. All such instructions are hereby incorporated by reference into this declaration.

Section B. Special Bequests

Unless otherwise provided in this trust document, or in any amendment, or in a document exercising a power to appoint the beneficiaries of this trust, if property given as a special bequest or gift is subject to a mortgage or other security interest, the designated recipient of the property will take the asset subject to the obligation and the recipient's assumption of the indebtedness upon distribution of the asset to the recipient.

The obligation to be assumed shall be the principal balance of the indebtedness on the date of death, and the trust shall be entitled to reimbursement or offset for principal and interest payments paid by the trust to date of distribution.

Section C. The Rule Against Perpetuities

In no event will the term of this trust continue for a term greater than 21 years after the death of the last survivor of the Founders and all relatives of the Founders living on the effective date of this trust declaration.

Any continuation of the trust by the qualified exercise of a power of appointment will be construed as the creation of a separate trust and an extension of the rule against perpetuities to the extent permitted by law. A court of competent jurisdiction is to liberally construe and apply this provision to validate an interest consistent with the Founders' intent and may reform or construe an interest according to the doctrine of cy pres.

Section D. Jurisdiction

The jurisdiction of this trust will be the State of Texas. Any issue of law or fact pertaining to the creation, continuation, administration and termination of the trust, or any other matter incident to this trust, is to be determined with reference to the specific directions in the trust declaration and then under the laws of the State of Texas.

If an Article or Section of this trust declaration is in conflict with a prohibition of state law or federal law, the Article or Section, or the trust declaration as a whole, is to be construed in a manner which will cause it to be in compliance with state and federal law and in a manner which will result in the least amount of taxes and estate settlement costs.

Section E. Dissolution of Our Marriage

If our marriage is dissolved at any time, each spouse shall be deemed to have predeceased the other for purposes of distributions under this agreement. It is our intent that our respective property held in our trust shall not be used for the benefit of the other spouse upon the dissolution of our marriage.

Section F. Maintaining Property in Trust

If, on the termination of any separate trust created under this agreement, a final distribution is to be made to a beneficiary for whom our Trustee holds a trust created under this agreement, such distribution shall be added to such trust rather than being distributed.

The property that is added to the trust shall be treated for purposes of administration as though it had been an original part of the trust.

Section G. Survival

Except as otherwise provided in this trust declaration, for the purpose of vesting in the event two or more persons who have an interest in the trust die within a short time of one another, one must have survived the other for a period of at least 90 days as a condition to vesting.

Section H. Simultaneous Death

In the event that the Co-Founders shall die simultaneously, or if there is insufficient evidence to establish that Co-Founders died other than simultaneously, it is deemed that the spouse owning the greater share of the separate property in this trust or passing into this trust due to the death of the Co-Founders, as defined for federal estate tax purposes, shall have predeceased the other Co-Founder, notwithstanding any provision of law to the contrary, and the provisions of this trust shall be construed on such assumption.

Section I. Changing the Trust Situs

After the death or disability of one of us, the situs of this agreement may be changed by the unanimous consent of all of the beneficiaries then eligible to receive mandatory or discretionary distributions of net income under this agreement.

If such consent is obtained, the beneficiaries shall notify our Trustee in writing of such change of trust situs, and shall, if necessary, designate a successor corporate fiduciary in the new situs. This notice shall constitute removal of the current Trustee, if appropriate, and any successor corporate Trustee shall assume its duties as provided under this agreement.

A change in situs under this Section shall be final and binding, and shall not be subject to judicial review.

Section J. Construction

Unless the context requires otherwise, words denoting the singular may be construed as denoting the plural, and words of the plural may be construed as denoting the singular. Words of one gender may be construed as denoting another gender as is appropriate within such context.

Section K. Headings of Articles, Sections and Paragraphs

The headings of Articles, Sections and Paragraphs used within this agreement are included solely for the convenience and reference of the reader. They shall have no significance in the interpretation or construction of this agreement.

Section L. Notices

All notices required to be given in this agreement shall be made in writing by either:

Personally delivering notice to the party requiring it, and securing a written receipt, or

Mailing notice by certified United States mail, return receipt requested, to the last known address of the party requiring notice.

The effective date of the notice shall be the date of the written receipt or the date of the return receipt, if received, or if not, the date it would have normally been received via certified mail, provided there is evidence of mailing.

Section M. Delivery

For purposes of this agreement "delivery" shall mean:

Personal delivery to any party, or

Delivery by certified United States mail, return receipt requested, to the party making delivery.

The effective date of delivery shall be the date of personal delivery or the date of the return receipt, if received, or if not, the date it would have normally been received via certified mail, provided there is evidence of mailing.

Section N. Duplicate Originals

This agreement may be executed in several counterparts; each counterpart shall be considered a duplicate original agreement.

Section O. Severability

If any provision of this agreement is declared by a court of competent jurisdiction to be invalid for any reason, such invalidity shall not affect the remaining provisions of this agreement. The remaining provisions shall be fully severable, and this agreement shall be construed and enforced as if the invalid provision had never been included in this agreement.

Section P. Gender, Plural Usage

The use of personal pronouns, such as he, she or it are to be construed in context. The term "person" will include a non-person, such as a corporation, trust, partnership or other entity

as is appropriate in context. The identification of person in the plural will include the singular and vice versa, as is appropriate in context.

Section Q. Special Election for Qualified Terminable Interest Property

For the purpose of identifying the "transferor" in allocating a GST exemption, the estate of a deceased spouse, or the Trustee of this trust, may elect to treat all of the property which passes in trust to a surviving spouse for which a marital deduction is allowed, by reason of Section 2056(b)(7) of the Internal Revenue Code, as if the election to be treated as qualified terminable interest property had not been made.

Reference to the "special election for qualified terminable interest property" will mean and identify the election provided by Section 2652(a)(2) of the Internal Revenue Code.

The term "GST exemption" or "GST exemption amount" is the dollar amount of property which may pass as generation skipping transfer under Subtitle B, Chapter 13, of the Internal Revenue Code 1986 (entitled "Tax On Generation-Skipping Transfers") which is exempt from the generation skipping tax.

Section R. Generation Skipping Transfers

Our Trustee, in the Trustee's sole discretion, may allocate or assist either Founders' personal representatives or trustees in the allocation of any remaining portion of either Founder's GST exemptions to any property as to which such Founder is the transferor, including any property transferred by such Founder during life as to which such Founder did not make an allocation prior to his or her death and/or among any generation skipping transfers (as defined in Section 2611 of the Internal Revenue Code) resulting under this trust declaration and/or that may later occur with respect to any trust established under this trust declaration, and the Trustee shall never be liable to any person by reason of such allocation, if it is made in good faith and without gross negligence. The Trustee may, in the Trustee's sole discretion, set apart, to constitute two separate trusts, any property which would otherwise have been allocated to any trust created hereunder and which would have had an inclusion ratio, as defined in Section 2642(a)(1) of the Internal Revenue Code, of neither one hundred percent nor zero so that one such trust has an inclusion ratio of one hundred percent and the other such trust has an inclusion ratio of zero. If either Founder's personal representative or trustee and/or the Trustee exercises the special election provided by Section 2652(a)(3) of the Internal Revenue Code, as to any share of either Founder's property that is to be held in trust under this trust declaration, then the Trustee is authorized, in the Trustee's sole discretion, to set apart property constituting such share in a separate trust so that its inclusion ratio of such trust is zero.

Section S. **Elective Deductions**

A Trustee will have the discretionary authority to claim any obligation, expense, cost or loss as a deduction against either estate tax or income tax, or to make any election provided by Texas law, the Internal Revenue Code, or other applicable law, and the Trustee's decision will be conclusive and binding upon all interested parties and shall be effective without obligation to make an equitable adjustment or apportionment between or among the beneficiaries of this trust or the estate of a deceased beneficiary.

We, ELMER H. BRUNSTING and NELVA E. BRUNSTING, attest that we execute this trust declaration and the terms thereof will bind us, our successors and assigns, our heirs and personal representatives, and any Trustee of this trust. This instrument is to be effective upon the date recorded immediately below.

PERSONAL ASSET TRUST PROVISIONS

A. <u>Establishment of the Personal Asset Trust</u>:

A Personal Asset Trust shall be created for a beneficiary of the Trust when, under any other provision of this Trust Agreement, a distribution of the Trust Estate specified to be made to said beneficiary's Personal Asset Trust first occurs. The Personal Asset Trust shall be held, administered and distributed as set forth under this Agreement. After a beneficiary's Personal Asset Trust is established, any further distribution specified to be made to said beneficiary's Personal Asset Trust under any other provisions of this Agreement shall be added to and become a part of said existing Personal Asset Trust, to be held, administered and distributed as if it had been an original part thereof. The Personal Asset Trust may be referred to by either using the name of the beneficiary for whom such trust is created or such other name as is designated by the Trustee. Notwithstanding the foregoing, if the Trustee exercises his or her right to create a separate and distinct Personal Asset Trust for said beneficiary (pursuant to the paragraph of this Agreement entitled "Trustee's Discretion to Hold, Manage and Distribute Separate Trusts in Different Manners"), any further distributions specified to be made to said beneficiary's Personal Asset Trust may, in the Trustee's sole and absolute discretion, instead be partly or entirely made to such newly created Personal Asset Trust.

- B. <u>Trustor's Intent in Establishing Personal Asset Trusts</u>: The Trustor's intended purposes in creating a Personal Asset Trust for a beneficiary are as follows:
 - 1. To protect and conserve trust principal;
 - 2. To eliminate and reduce income taxes, generation skipping transfer taxes and estate and death taxes on trust assets and on assets in the estate of the beneficiary;
 - 3. To benefit and provide for the financial needs of the beneficiary and his or her descendants;
 - 4. To protect trust assets and income from claims of and interference from third parties;
 - 5. To invest in non-consumables, such as a principal residence, in order to provide the beneficiary with the liberal use and enjoyment of such property, without charge, rather than make a distribution of trust assets to the beneficiary or purchase them in the name of the beneficiary. It is the Trustor's desire in this regard that the beneficiary, to the extent possible, use his or her own resources to pay for living expenses and consumables in order to reduce the size of such beneficiary's estate subject to estate taxes and claims of third parties;
 - 6. To invest in reasonable business ventures, including business start-ups, where the beneficiary is a principal or otherwise involved in such ventures or start-ups;

- 7. To give the beneficiary the ability to direct the distribution of wealth (during life or at death) to other individuals or charitable organizations (subject to any limitation provided elsewhere herein);
- 8. To allow for the prudent management of property if the beneficiary is incapacitated or otherwise unable to handle his or her own financial affairs because of alcohol or drug abuse or other reasons;
- 9. To protect the beneficiary from the unreasonable or negative influence of others, divorce claims, paternity or maternity suits or claims, and other lawsuits; and
- 10. To protect the beneficiary against claims of third parties.
- C. <u>Duty to Inform Beneficiary of Trust Benefits and Protections</u>: Immediately prior to a Personal Asset Trust being established for a beneficiary hereunder, the then acting Trustee of the Trust shall, if at all practicable, have a private meeting or telephone call with such beneficiary to explain the above stated long-term purposes and benefits of the Personal Asset Trust and to advise such beneficiary how he or she may maintain the benefits and protections that such trust provides. The Trustee is directed to have an attorney assist the Trustee in conducting this meeting or call and the Trustor hereby authorizes the Trustee to employ the services of VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, for such purpose and waive any potential conflict that may otherwise deter them from acting; however, the Trustee is free to hire any other attorney, provided such attorney is an experienced estate planning specialist.
- Designation of Trustee: Except for the Personal Asset Trusts created for CARL D. HENRY BRUNSTING and CANDACE LOUISE CURTIS, each beneficiary for whom a Personal Asset Trust is created shall act as sole Trustee of said trust. ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART shall act as Co-Trustees for the Personal Asset Trusts for CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS. If either ANITA KAY BRUNSTING or AMY RUTH TSCHIRHART cannot serve for any reason, the remaining Co-Trustee shall serve alone. Both ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART shall have the right to appoint their own successor Trustee in writing. Notwithstanding the foregoing, each beneficiary who is acting as his or her own Trustee of his or her said trust shall have the right, at such time as said beneficiary is acting as sole Trustee and in said beneficiary's sole and absolute discretion, to appoint an independent bank or trust company to act jointly with said beneficiary as Co-Trustee of said trust. Said beneficiary shall also have the right, at any time and in said beneficiary's sole and absolute discretion, to remove said independent bank or trust company acting as Co-Trustee provided said beneficiary appoints another independent bank or trust company in its place. The appointment or removal of an independent bank or trust company as Co-Trustee shall be by written instrument delivered to the Co-Trustee. Furthermore, said beneficiary shall have the right to designate by will or other written instrument, either individual(s) or an independent bank or trust company, to act as a

successor Trustee or Co-Trustee(s) in said beneficiary's place, as the case may be, in the event of said beneficiary's death, incompetency, inability or unwillingness to act; but, if said beneficiary is still living, the majority of acting Trustees must be independent within the meaning of Internal Revenue Code Section 674(c) and said beneficiary shall not have the right to remove the successor Trustee or Co-Trustee so designated and appoint another in its place. Should said beneficiary fail to so designate a successor Trustee or Co-Trustees of such trust, then the FROST NATIONAL BANK shall act as successor Trustee, notwithstanding any other provisions contained in the trust agreement. Notwithstanding the foregoing provisions of this paragraph, the ability of said beneficiary to appoint a successor Trustee may be limited as set forth in the Sections of the Trust entitled "Special Co-Trustee Provisions" and "Trust Protector Provisions."

- E. Designation of Trustee for Primary Beneficiary's Issue: Notwithstanding the foregoing, upon attaining age thirty five (35) each of the descendants of a Primary Beneficiary (hereinafter sometimes referred to as "issue") shall act as sole Trustee of the Personal Asset Trust created for such issue. Said issue shall have the right, at such time as said issue is acting as sole Trustee and in said issue's sole and absolute discretion, to appoint an independent bank or trust company to act jointly with said issue as Co-Trustee of said trust. Said issue shall also have the right, at any time and in said issue's sole and absolute discretion, to remove said independent bank or trust company acting as Co-Trustee provided said issue appoints another independent bank or trust company in its place. The appointment or removal of an independent bank or trust company as Co-Trustee shall be by written instrument delivered to the Co-Trustee. Furthermore, said issue shall have the right to designate by will or other written instrument, either individual(s) or an independent bank or trust company, to act as a successor Trustee or Co-Trustee(s) in said issue's place, as the case may be, in the event of said issue's death, incompetency, inability or unwillingness to act; but, if said issue is still living, the majority of acting Trustees must be independent within the meaning of Internal Revenue Code Section 674(c)) and said issue shall not have the right to remove the successor Trustee or Co-Trustee so designated and appoint another in its place. Should said issue fail to so designate a successor Trustee or Co-Trustees of such trust, then the FROST NATIONAL BANK shall act as successor Trustee, notwithstanding any other provisions contained in the trust agreement. Notwithstanding the foregoing provisions of this paragraph, the ability of said issue to appoint a successor Trustee may be limited as set forth in the Sections of the Trust entitled "Special Co-Trustee Provisions" and "Trust Protector Provisions."
- F. <u>Administration of Personal Asset Trust</u>: The Personal Asset Trust shall be held, administered and distributed by the Trustee appointed under this Section of the Trust Agreement as follows:
 - 1. <u>Discretionary Distributions of Income and/or Principal</u>: The Trustee, shall have the power, in such Trustee's sole and absolute discretion, binding on all persons interested now or in the future in this trust, to distribute or apply for

the benefit of the beneficiary for whom the trust was created (hereinafter the "primary beneficiary") and the primary beneficiary's issue or to a trust for their benefit, so much of the income and/or principal of the Trust Estate, and at such time or times as such Trustee shall deem appropriate for such distributees' health, support, maintenance and education. Any income not distributed shall be accumulated and added to principal. In exercising the discretions conferred in this paragraph, the Trustee may pay more to or apply more for some beneficiaries to the exclusion of others, if such Trustee deems this necessary or appropriate in light of the circumstances, the size of the Trust Estate and the probable future needs of the beneficiaries. The Trustee shall, before making any such distributions, consider the Trustor's intent in creating the trust, as set forth above in paragraph B.

- 2. <u>Additional Guidelines for Distributions</u>: In addition to the provisions set forth above for making discretionary distributions of income and/or principal, the Trustee shall be further guided as follows in making such distributions. Any such distributions shall be made in the sole and absolute discretion of the Trustee and shall be binding on all persons howsoever interested now or in the future in this trust.
 - Primary Beneficiary's Needs Considered First; Broad Interpretation of a. "Health, Education, Maintenance and Support": In exercising the discretionary powers to provide benefits under this trust, the Trustee shall take into consideration that the primary purpose in establishing this trust is to provide for the present and future welfare of the primary beneficiary, and secondly, the present and future welfare of the primary beneficiary's issue. Furthermore, the Trustee may take into account any beneficiary's character and habits and his or her willingness and action to support himself or herself in light of his or her particular abilities and disabilities, and the needs of other beneficiaries, if any, of the same trust. Finally, the Trustor requests that the Trustee be liberal in determining the needs of a beneficiary for health, support, maintenance and education and in conferring benefits hereunder. The term "health" need not take into account any private or governmental medical insurance or other medical payments to which a beneficiary may be entitled, and the Trustee may pay for the expense of providing health and medical insurance coverage for the beneficiary, The term "education" may include but is not limited to, all expenses incurred in connection with or by reason of a beneficiary's attendance at public or private elementary or high school, college, university or vocational, technical or other educational institution or specialized training programs (whether or not any such institution or program provider shall be a fully accredited educational institution), graduate or post-graduate education expenses, and all expenses incurred in providing such beneficiary with an education in a non-institutional setting; including,

but not limited to, the expense of travel and charges for tutoring, tuition, room and board (whether or not charged by an educational institution at which such beneficiary shall be a student), laboratory fees, classroom fees, clothing, books, supplies, laboratory or other equipment or tools (including computer hardware and software) or other material or activities that the Trustee shall determine to be of educational benefit or value to such beneficiary. In determining the need for funds for education, the Trustee shall consider all direct and indirect expenses, including living expenses of the beneficiary and those persons who may be dependent upon said beneficiary. The terms "support" and "maintenance" may include but are not limited to investment in a family business, purchase of a primary residence, entry into a business, vocation or profession commensurate with a beneficiary's abilities and interests; recreational or educational travel; expenses incident to marriage or childbirth; and for the reasonably comfortable (but not luxurious) support of the beneficiaries. When exercising the powers to make discretionary distributions from the trust, the Trustee shall maintain records detailing the amount of each distribution made to any beneficiary from trust income and/or principal and the reasons for such distribution. The distributions made to a beneficiary shall not be allocated to or charged against the ultimate distributable share of that beneficiary (unless so provided in the primary beneficiary's exercise of his or her limited power of appointment).

- Consider the Situation of the Beneficiary: In determining whether or b. not it is in the best interest of a beneficiary for any payment to be made to that beneficiary, the Trustee shall consider the financial responsibility, judgment and maturity of such beneficiary, including whether or not, at the time of such determination, such beneficiary: (i) is suffering from any physical, mental, emotional or other condition that might adversely affect the beneficiary's ability to properly manage, invest and conserve property of the value that would be distributed to said beneficiary; (ii) is at such time, or previously has been, a substantial user of or addicted to a substance the use of which might adversely affect the beneficiary's ability to manage, invest and conserve property of such a value; (iii) has demonstrated financial instability and/or inability to manage, invest and conserve the beneficiary's property; or (iv) is going through a period of emotional, marital or other stress that might affect the beneficiary's ability to manage, invest and conserve such property.
- c. <u>Consider Any Written Letter of Instructions from the Trustor</u>: The Trustor may from time to time by written letter or other instrument, not constituting a holographic will or codicil or amendment to any trust, set forth instructions to the Trustee as to how the Trustor wishes the

Trustee's discretion to be exercised. The Trustor recognizes and intends that such instructions shall only be directive in nature and not binding on the Trustee or any beneficiary hereunder; however, the Trustor requests, to the extent possible, that the Trustee be mindful of these instructions when administering the trust.

- d. <u>Loans, Use of Trust Property and Joint Purchases Preferred Over</u> <u>Distributions</u>: The Trustee is directed, prior to making any distributions directly to or for the benefit of a beneficiary, to consider the alternatives of making a loan to the beneficiary, allowing the beneficiary the use of property of the Trust Estate (or such property to be acquired) and/or making a joint purchase of property with the beneficiary, pursuant to the paragraph below entitled "Special Trustee Powers."
- e. <u>Restrictions on Distributions That Discharge Legal Obligations of a</u> <u>Beneficiary</u>: The primary beneficiary is expressly prohibited from making any distributions from the trust, either as Trustee or under any limited power of appointment, either directly or indirectly, in favor of anyone to whom the primary beneficiary owcs a legal obligation, to satisfy, in whole or in part, such legal obligation. Any such distributions may only be made by the Trust Protector.
- G. Primary Beneficiary's Limited Power of Appointment: The primary beneficiary shall have the following Limited Powers of Appointment. During the lifetime of the primary beneficiary, said beneficiary may appoint and distribute the accumulated income and/or principal to any one or more of said beneficiary's issue, either outright or in trust upon such terms and conditions, and in such amounts or proportions as said beneficiary wishes. Upon the death of the primary beneficiary, the Trustee shall distribute any remaining balance, including accumulated income and principal, to any one or more of said beneficiary's issue, either outright or in trust upon such terms and conditions and in such amounts or proportions as said beneficiary shall appoint by said beneficiary's last unrevoked Will, codicil or other written instrument executed prior to said beneficiary's death and specifically referring to this power of appointment. In the event there should be a failure of disposition of all or any portion of said income or principal, either in connection with the exercise or as a result of the nonexercise of the above testamentary limited power of appointment, all of said income and principal not disposed of shall be administered and distributed as set forth below in the paragraph entitled "Final Disposition of Trust." The terms of this paragraph may be limited by the Section of this Trust Agreement entitled "Trust Protector Provisions."
- H. <u>Final Disposition of Trust</u>: If the primary beneficiary for whom the Personal Asset Trust has been created should die before complete distribution of said trust, and the beneficiary's above powers of appointment have not been fully exercised, said trust shall terminate and the remaining principal (including accumulated income added

thereto) in said trust shall be held, administered and distributed for the benefit of the succeeding or contingent beneficiaries named, if any, pursuant to the respective paragraph set forth in Section 3.B. of this Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment establishing said beneficiary's share as if such beneficiary had been an original part thereof. Any share or portion thereof of any trust administered hereunder which is not disposed of under any of the foregoing provisions (or the provisions of the Article entitled "Trust Protector Provisions") shall be distributed pursuant to the paragraph of the Trust Agreement entitled "Ultimate Distribution."

I. <u>Special Trustee Powers</u>: With respect to each Personal Asset Trust created under this Section, and in addition to or in lieu of the powers and authority granted to the Trustee under any other provisions of the Trust Agreement, during the existence of the Personal Asset Trust and until such time of its termination the Trustee, in his or her sole and absolute discretion, shall have the powers and authority to do the following.

- Permit Beneficiaries to Use Trust Assets: The Trustor desires that the 1. beneficiaries of the trust be given the liberal use and enjoyment of trust property. To the extent deemed practical or advisable in the sole and absolute discretion of the Trustee, the primary beneficiary (or other beneficiaries) of each trust hereunder may have the right to the use, possession and enjoyment of (a) all of the tangible personal property at any time held by such trust, including but not limited to artwork, jewelry, coin or stamp collections and other collectible assets, and (b) all real property that may at any time constitute an asset of such trust. Such use, possession and enjoyment may be without rent or other financial obligation. To the extent of the trust assets and unless the Trustee is relieved of such obligation by such beneficiary (or beneficiaries), which the Trustee may agree to do, the Trustee shall see to the timely payment of all taxes, insurance, maintenance and repairs, safeguarding and other charges related to the preservation and maintenance of each and every such property. The Trustor requests, but do not require, that any such use, possession or enjoyment by a beneficiary other than the primary beneficiary be subject to veto at any time by the primary beneficiary.
 - a. <u>Hold and Maintain a Residence for the Use of Beneficiaries</u>: The Trustee is specifically authorized to hold and maintain any residence (whether held as real property, condominium or cooperative apartment) for the use and benefit of any beneficiary of any trust. If the Trustee, in the Trustee's sole and absolute discretion, determines that it would be in the best interests of any beneficiary of any trust to maintain a residence for their use, but that the residence owned by the Trustee should not be used for such purpose, the Trustee is authorized to sell said residence and to apply the net proceeds of the sale to the purchase of such other residence or to make such other arrangements as the Trustee, in such Trustee's sole and absolute discretion, deems suitable

for the purpose. Any proceeds of sale not needed for reinvestment in a residence as provided above shall be added to the principal of the trust and thereafter held, administered and disposed of as a part thereof. The Trustee is authorized to pay all carrying charges of such residence, including, but not limited to, any taxes, assessments and maintenance thereon, and all expenses of the repair and operation thereof, including the employment of domestic servants and other expenses incident to the running of a household for the benefit of any beneficiary of the trust; the Trustee may alternatively provide, by agreement with the beneficiary, that such charges and expenses, or a portion of them, are to be paid by the beneficiary. Having in mind the extent to which funds will be available for future expenditure for the benefit of the beneficiaries, the Trustee is authorized under this paragraph to expend such amounts as such Trustee shall, in his or her sole and absolute discretion, determine to maintain the current lifestyle of the beneficiaries and their personal care and comfort; the Trustor does not, however, desire that the Trustee assist the beneficiaries in maintaining a luxurious lifestyle.

- 2. <u>Special Investment Authority</u>: Notwithstanding any investment limitations placed on the Trustee under the Trust Agreement or the provisions of any state law governing this trust which may contain limitations such as the prudent investor rule, the Trustee is authorized to make the following types of investments of trust assets:
 - Closely <u>Held Businesses</u>: To continue to hold and operate, to acquire, a. to make investments in, to form, to sell, or to liquidate, at the risk of the Trust Estate, any closely held partnership, corporation or other business that a beneficiary is involved in as an owner, partner, employee, officer or director, as long as the Trustee deems it advisable. The Trustee shall not be liable in any manner for any loss, should such loss occur, resulting from the retention or investment in such business. In the absence of actual notice to the contrary, the Trustee may accept as correct and rely on financial or other statements rendered by any accountant for any such business. Any such business shall be regarded as an entity separate from the trust and no accounting by the Trustee as to the operation of such business shall be required to be made. The Trustee shall have these powers with respect to the retention and purchase of such business, notwithstanding any rule or law requiring diversification of assets. Additionally, the foregoing shall not be limited by the fact that the Trustee or related parties, or any of them, shall be owners, partners, employees, officers or directors of the business. This paragraph, however, shall not be deemed to be a limitation upon the right of the Trustee to sell the investment in any

business if in the Trustee's sole and absolute discretion such sale is deemed advisable.

- b. <u>Tangible Personal Property</u>: To acquire and/or continue to hold as an asset of the trust such items of tangible personal property as an investment or for the use of a beneficiary, including but not limited to artwork, jewelry, coin or stamp collections and other collectible assets, home furniture and furnishings.
- Permit Self-Dealing: Financial transactions, both direct and indirect, between 3. any trust and any beneficiary and/or Trustee who is also a beneficiary of that trust (including, for example, the sole or joint purchase, sale or leasing of property, investments in mortgages, acquisitions of life insurance policies, employment in any capacity, lending, etc.), whether or not specifically described in the Trust Agreement as permitted between such parties, except to the extent expressly prohibited hereunder, are expressly authorized, notwithstanding any rule of law relating to self-dealing, provided only that the Trustee, in thus acting either on behalf of or with or for such trust, shall act in good faith to assure such trust receives in such transaction adequate and full consideration in money or money's worth. Furthermore, the Trustee shall have the power to employ professionals or other individuals to assist such Trustee in the administration of any trust as may be deemed advisable (and as more particularly described in the paragraph of the Trust Agreement entitled "Trustee Powers"), notwithstanding such person or entity may be, or is affiliated in business with, any Trustee or beneficiary hereunder. The compensation to which a Trustee who is also a beneficiary is entitled under the Trust Agreement shall not be reduced or offset by any employment compensation paid to such Trustee for services rendered outside the scope of such Trustee's ordinary fiduciary duties and responsibilities, or for reason of receiving sales or other fees or commissions on property sold to the trust by such Trustee (directly or indirectly), which sales are hereby authorized.
- 4. <u>Make Loans</u>: Loan money to any beneficiary, or to any estate, trust or company in which such person or any trust hereunder has an interest, or had an interest while living, for any purpose whatsoever (including but not limited to purchasing, improving, repairing and remodeling a principal residence or entering into, purchasing or engaging in a trade or business or professional career), with or without security and at such rate of interest as the Trustee shall determine in the exercise of reasonable fiduciary discretion, and, with respect to such loans and/or security interests, to renew, extend, modify and grant waivers. Notwithstanding the foregoing, and without limiting the ability of the Trustee to act in such Trustee's discretion under this paragraph, the Trustor hereby expresses his preference that, whenever economically feasible, any and all loans made pursuant to the provisions of this paragraph be adequately secured and bear interest at least at the higher of the "applicable federal rate"

as set forth by the Internal Revenue Service for loans with similar payment terms and length or a fair market rate for such loans.

- Take Actions With Respect to Properties and Companies Owned in Common 5. With a Beneficiary or Others: The Trustee is specifically authorized, with or without the joinder of other owners of the property or securities that may be held in trust (and notwithstanding that one or more such other owners may be, directly or indirectly, a beneficiary or a fiduciary hereunder), to enter upon and carry out any plan (a) for the foreclosure, lease or sale of any trust property, (b) for the consolidation or merger, dissolution or liquidation, incorporation or reincorporation, recapitalization, reorganization, or readjustment of the capital or financial structure of any corporation, company or association, the securities of which, whether closely held or publicly traded, may form a part of such trust, or (c) for the creation of one or more holding companies to hold any such securities and/or properties (even if it leaves, following the termination of such trust, a trust beneficiary as a minority shareholder in such holding company), all as such Trustee may deem expedient or advisable for the furtherance of the interests of such trust and the carrying out of the Trustor's original intent as to such trust, its beneficiaries and as to those properties and/or securities. In carrying out such plan, such Trustee may deposit any such securities or properties, pay any assessments, expenses and sums of money, give investment letters and other assurances, receive and retain as investments of such trust any new properties or securities transferred or issued as a result thereof, and generally do any act with reference to such holdings as might be done by any person owning similar securities or properties in his own right, including the exercise of conversion, subscription, purchase or other rights or options, the entrance into voting trusts, etc., all without obtaining authority therefor from any court.
- 6. <u>Right to Distribute to Entities</u>: Any distribution from the trust, including a distribution upon trust termination (whether made by the Trustee or Trust Protector) may be made directly to an entity, such as a trust, "S" corporation, limited liability company or limited partnership, whether existing or newly created, rather than directly to the beneficiary (and if it is a newly created entity or one in which the Trust Estate holds an interest, the interest in the entity may be distributed to such beneficiary).
- 7. <u>Trustee's Discretion to Hold, Manage and Distribute Separate Trusts in</u> <u>Different Manners</u>: Without in any manner limiting any other power or right conferred upon the Trustee hereunder, the Trustee may divide a trust into separate trusts, and if a trust is held as, or divided into, separate trusts, the Trustee may, at any time prior to combining such trusts, treat the trusts in substantially different manners, including, without limitation, the right to: (a) make different tax elections (including the disproportionate allocation of the generation skipping tax exemption) with respect to each separate trust; (b)

make disproportionate principal distributions; (c) exercise differently any other discretionary powers with respect to such separate trusts; (d) invest the property of such separate trusts in different investments, having different returns, growth potentials, or bases for income tax purposes; and (e) take any and all other actions consistent with such trusts being separate entities. Furthermore, the holder of any power of appointment with respect to any trust so divided may exercise such power differently with respect to the separate trusts created by the division of a trust.

TRUST PROTECTOR PROVISIONS

- A. <u>Purpose of Trust Protector</u>: The Trustor has established the position of Trust Protector for the reasons and purposes set forth below, which are intended as general guidelines only and in no way shall limit any other provisions relating to the Trust Protector.
 - 1. <u>Insulate the Trustee from Negative Influences</u>: To protect the Trustee from the negative, or potentially negative, influences of third parties and to protect the Trust Estate and its beneficiaries from damaging, or potentially damaging, conduct by the Trustee.
 - 2. <u>Carry Out the Purposes of the Trust</u>: To help ensure that the Trustor's purpose in establishing the Trust Agreement, as defined elsewhere herein, will be properly carried out.
 - 3. <u>Adapt to Changing Laws and Conditions</u>: To adapt the provisions of the Trust Agreement to law changes, changes in interpretation of the law or other changing conditions that threaten to harm the Trust or its beneficiaries, keeping in mind the dispositive wishes of the Trustor and the Trustor's desires as expressed in the Trust Agreement.
- B. <u>Designation of Trust Protector</u>: In addition to the Trustee and Special Co-Trustce provided in the Trust Agreement, there shall, from time to time, be a Trust Protector whose limited powers and duties are defined below. The order of succession of Trust Protector shall be as follows:
 - 1. <u>Initial Trust Protector</u>: The Special Co-Trustee, at any time and in his sole and absolute discretion, may appoint a Trust Protector of the entire Trust or of any separate trust established hereunder (hereinafter the trust for whom a Trust Protector is appointed shall be referred to as "the affected trust") by a writing delivered to the Trustee of the affected trust. The Trustor requests that the Special Co-Trustee, prior to making the appointment, meet (in person or by telephone) with VACEK & FREED, PLLC, formerly the Vacek Law Firm,

PLLC of Houston, Texas, to help ensure the appropriate selection of the initial Trust Protector.

- 2. <u>Successor Trust Protector</u>: Upon the removal, death, incompetency, inability or unwillingness to act of the initial Trust Protector (including a written resignation delivered to the Trustee of the affected trust), the next succeeding Trust Protector shall be appointed either by the Special Co-Trustee or by the initial Trust Protector (except as limited by paragraph 4 below) in writing delivered to the Trustee of the affected trust (the first such writing delivered to the Trustee shall control). All further successor Trust Protectors shall be appointed in the same manner, except that where the word "initial" is used in the foregoing sentence there shall be substituted the words "last appointed."
- 3. <u>Qualifications to Act as Trust Protector</u>: A Trust Protector may act once he has accepted, in writing, his appointment and, other than the case of the initial Trust Protector, has delivered a copy of his appointment and acceptance to the last appointed Trust Protector. Notwithstanding the foregoing, at no time may a Trust Protector be appointed or otherwise act if such person or entity is a currently acting Trustee or Special Co-Trustee or is a current beneficiary of the affected trust or is related to any such beneficiary in any of the following ways: as spouse, ancestor or issue, brother, sister, employee of such beneficiary or of any corporation, firm or partnership in which such beneficiary is an executive or has stock or other holdings which are significant from the viewpoint of control, or is otherwise "related or subordinate to" such beneficiary under IRC Sections 674(a) and (c) and the Regulations thereunder or any similar succeeding Sections or Regulations.
- 4. <u>Removal of Trust Protector</u>: The primary beneficiaries of the affected trust may by majority vote, and at any time and for any reason, remove the current Trust Protector by delivering to said Trust Protector and to the Special Co-Trustce a signed instrument setting forth the intended effective time and date of such removal. The Special Co-Trustee shall then appoint a successor Trust Protector in accordance with paragraph 2 above (the Trust Protector removed shall no longer have the power under paragraph 2 to appoint his successor). The powers of removal under this paragraph may be limited by the paragraph of the Trust Agreement entitled "Compelled Exercise of Powers Not Effective."
- 5. <u>Temporarily Filling a Trust Protector Vacancy</u>: If at any time a vacancy in the office of Trust Protector has not yet been filled as otherwise provided above (including the time before the initial Trust Protector is appointed), such office may be filled promptly, on a temporary basis, by a bank or trust company experienced in trust administration or an attorney (or law firm) who is an experienced tax and/or estate planning specialist provided they meet the qualifications set forth in paragraph 3 above. The Trustor requests, but do not

require, that VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, or its successors or assigns, act as such temporary Trust Protector and the Trustor hereby waives any conflict of interest that may arise if VACEK & FREED, PLLC, or its successors or assigns, is also representing the Trustee of the affected trust and/or the Trustor. Any Trust Protector acting under this paragraph shall first notify the Trustee of the affected trust and only serve as Trust Protector until such time as a successor Trust Protector is appointed by the Special Co-Trustee in accordance with paragraph 2 above and there is delivered to the Trust Protector acting under this paragraph a written acceptance of such appointment signed by the successor Trust Protector.

- C. <u>Limited Powers of the Trust Protector</u>: The Trust Protector shall not have all the broad powers of a Trustee; rather, the powers of the Trust Protector shall be limited to the powers set forth below. The Trustor directs the Trust Protector, prior to exercising any power, to consult with VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, or another law firm or attorney specializing in estate planning and/or asset protection planning in order to be fully informed of the consequences of exercising such power.
 - 1. <u>Give Advance Notice to Affected Beneficiaries</u>: Within a reasonable time prior to the exercise of any power under this paragraph C, the Trust Protector shall provide to the Trustee and the primary beneficiary or beneficiaries of the affected trust a written notice, setting forth the power intended to be exercised, the intended date of exercise and the reasons for exercise. The Trust Protector shall, in his sole and absolute discrction, determine what is "a reasonable time," as the Trustor recognizes that emergency situations may arise which may permit little or no time for advance notice or, as a practical matter, it may be too difficult to notify the beneficiary; the Trustor specifically waives this advance notice requirement when the particular beneficiary is "incapacitated" as defined below. Once notice is given, the Trust Protector shall not exercise the power prior to the date specified in the notice, unless the Trust Protector in his sole and absolute discretion determines that an emergency so warrants.

A person shall be deemed "incapacitated" if in the Trustee's sole and absolute discretion, it is impracticable for said person to give prompt, rational and prudent consideration to financial matters, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause.

A person shall be conclusively deemed "incapacitated" if a guardian of the person or his or her estate, or both, has been appointed by a court having jurisdiction over such matters or two (2) licensed physicians who are not related by blood or marriage to such person have examined said person and stated in writing that such incapacity exists; the Trust Protector may, but shall not be under any duty to, institute any inquiry into a person's possible incapacity (such as, but not limited to, by drug testing) or to obtain physician statements; and if he does, then the expense may be paid from the Trust Estate of said person's trust.

2. <u>Postpone Distributions</u>: Notwithstanding any other provisions of the Trust Agreement, except the paragraph herein entitled "Rule Against Perpetuities," the Trust Protector shall have the power to postpone any distribution of income and/or principal otherwise required to be made from the affected trust to any one or more of its beneficiaries (including as the result of exercise of a power of appointment or withdrawal right) and to postpone the termination of such trust which might otherwise be required if the Trust Protector, in his or her sole and absolute discretion, determines, after taking into consideration the Trustor's overall intent as expressed in the Trust Agreement, that there is a compelling reason to do so.

A "compelling reason" may include but is not limited to: the beneficiary requesting in writing that distributions be retained by the trust; the beneficiary being "incapacitated" as defined in paragraph 1 immediately above; the beneficiary contemplating, or in the process of filing for or has a pending bankruptcy; a pending or threatened divorce, paternity or maternity claim or other lawsuit; a creditor claim (including for unpaid taxes or reimbursement of government benefits); an existing judgment or lien; the fact the beneficiary is receiving (or may in the near future receive) government or other benefits that may be jeopardized; the beneficiary having demonstrated financial instability and/or inability to manage, invest or conserve the beneficiary's own property; the beneficiary being under the negative influence of third parties, such that the beneficiary's good judgement may be impaired; a serious tax disadvantage in making such distribution; or any other substantially similar reasons.

Any such postponement of distribution or termination may be continued by the Trust Protector, in whole or in part and from time to time, up to and including the entire lifetime of the beneficiary. While such postponement continues, all of the other provisions previously applicable to such trust shall continue in effect, except (a) any power of appointment or withdrawal shall be exercisable only with the approval of the Trust Protector and (b) distributions of income and/or principal shall only be made to or for the benefit of the beneficiary from time to time and in such amounts as the Trust Protector, in his or her sole and absolute discretion, deems appropriate for the best interests of the beneficiary; provided, however, the Trust Protector may, in his or her sole and absolute discretion, determine that the beneficiary's situation is extreme enough to warrant the establishment of a special needs trust pursuant to other provisions of this Section of the Trust Agreement. The Trust Protector may also, from time to time, make certain distributions which cannot be made by the primary beneficiary because of limits imposed in this Section entitled "Restrictions on Distributions That Discharge Legal Obligations of the Beneficiary."

3. <u>Terminate a Trust Due to Unforeseen Conditions</u>: The Trustor recognizes that some or all of the following conditions may arise in the future, although they cannot be foreseen at the time of creation of this Trust: (a) a radical, substantial and negative change in the political, economic or social order in the United States of America; (b) legislation or IRS or court decisions highly detrimental to a trust or beneficiary hereunder (including, for example, if the federal estate tax or IRA required minimum distribution rules are modified, repealed or no longer applicable and the non-tax reasons for the trust no longer justify the trust's existence); (c) a beneficiary's capability to prudently manage his own financial affairs or a radical, positive change in his situation regarding possible third party claims; (d) a beneficiary no longer has a need for (or the availability of) government benefits; and (e) other events that may greatly impair the carrying out of the intent and purposes of the Trust Agreement.

If any of the foregoing conditions occur, the Trust Protector may, in addition to the other powers granted him or her, in his sole and absolute discretion, and keeping in mind the Trustor's wishes and dispositive provisions of the Trust Agreement, terminate the affected trust, or a portion thereof, and distribute same to or for the benefit of the primary beneficiary thereof (notwithstanding any other provisions of the Trust Agreement), or to a newly created or existing Personal Asset Trust for that beneficiary.

4. Revise or Terminate a Trust So It Can Qualify as a "Designated Beneficiary" of an IRA or Retirement Plan: In the event that the affected trust does not qualify as a "designated beneficiary" of an IRA or other retirement plan as that term is used in IRC Section 401(a)(9), the Regulations thereunder and any successor Section and Regulations, the Trust Protector may, keeping in mind the Trustor's wishes and the dispositive provisions of the Trust Agreement; (a) revise or reform the terms of the Trust Agreement in any manner so that the affected trust will qualify as a "designated beneficiary" (any such revision or reformation may by its terms apply retroactively to the inception of the Trust Agreement or creation of any separate trust established hereunder); or (b) deem it to have been dissolved in part or in whole as of September 30 of the year following the year of the Trustor's death, with fee simple interest vesting outright in the primary beneficiary and the rights of all other persons who might otherwise have an interest as succeeding life income beneficiaries or as remaindermen shall cease.

If the beneficiary is still a minor, the Trustee may designate a custodian and transfer the principal and accrued income of the beneficiary's trust to the custodian for the benefit of the minor under the Texas Uniform Transfers to Minors Act until such beneficiary attains age 21. A receipt from the custodian shall be a complete discharge of the Trustee as to the amount so paid.

Notwithstanding any provisions of the Trust Agreement to the contrary, after the Trustor's death this Trust or any separate trust established hereunder shall not terminate and be distributed in full prior to September 30 of the year following the year of the Trustor's death pursuant to this paragraph if this will result in this Trust or any separate trust established hereunder not qualifying as a "designated beneficiary."

- 5. <u>Modify Certain Other Trust Provisions</u>: The Trust Protector shall have the power, in his or her sole and absolute discretion, at any time and from time to time, to delete, alter, modify, amend, change, add to or subtract from all or any part of the various paragraphs and provisions of the Trust Agreement and any trust created thereunder, effective (even retroactively) as of the date determined by the Trust Protector, for the following purposes.
 - a. <u>Change Income Tax Treatment of the Trust</u>: The Trust Protector may, at any time, and from time to time, create, terminate and/or reinstate a power granted to a beneficiary, either prospectively or retroactively, enabling trust income to be income taxable to a beneficiary, even as income accumulates in the trust, if the Trust Protector deems this to be in the best interests of the affected trust and its beneficiaries.
 - b. <u>Protect a Disabled Beneficiary's Government Benefit by Establishing</u> <u>a Special Needs Trust</u>: The Trust Protector may take any such actions he or she deems appropriate or necessary in connection with a beneficiary's qualification for, receipt of and/or possible future liability to reimburse government benefits (whether income, medical, disability or otherwise) from any agency (state, federal or otherwise), such as but not limited to Social Security, Medicaid, Medicare, SSI and state supplemental programs. In particular, but not by way of limitation, the Trust Protector may add new trust provisions to govern administration and distribution of assets for the benefit of the beneficiary (such as would create a "special needs trust").
 - c. <u>Protect a Beneficiary from Himself or from Creditors by Establishing</u> <u>a Spendthrift Trust or Eliminating Any General Power of Appointment</u>: In the event there is a compelling reason to postpone distributions to a beneficiary pursuant to the paragraph of this Section entitled "Postpone Distributions," the Trust Protector may alternatively, in his or her sole discretion, add new trust provisions to govern administration and distribution of assets for the benefit of said beneficiary (such as would create a "spendthrift trust" in the form recognized by the laws of the

state(s) in which trust assets are located). Furthermore, the Trust Protector may, in his or her sole discretion, in order to protect the beneficiaries of a Trust beneficiary, terminate and/or reinstate said Trust beneficiary's testamentary general power of appointment, if any, under the Section of this Trust Agreement entitled "Generation Skipping Tax Provisions."

- 6. <u>Change Legal Jurisdiction of the Trust</u>: The Trust Protector may change the situs of the affected trust to another jurisdiction by any such means deemed appropriate by the Trust Protector. This paragraph shall in no way limit the Trustee's power and authority to change the situs of this Trust or any separate trust established hereunder.
- 7. <u>Remove and Reinstate a Trustee</u>: The Trust Protector shall have the power at any time to remove the acting Trustee of the affected trust (but not the Special Co-Trustee) for any reason which he believes to be in the best interests of the beneficiaries. Such removal shall be stated in writing and delivered to the Trustee. The successor Trustee shall then be determined and appointed in accordance with the Section of the Trust Agreement entitled "Successor Trustees." At any time after the Trust Protector removes a Trustee, the Trust Protector may reinstate the previously removed Trustee and the order of successor Trustees shall be thereafter determined as if such reinstated Trustee was never removed.
- 8. <u>Eliminate Own Powers</u>: The Trust Protector shall have the power, on his own behalf and/or on behalf of all successor Trust Protectors, to release, renounce, suspend, reduce, limit and/or eliminate any or all of his enumerated powers and to make the effective date any date he wishes, including ab initio to the date of establishment of a trust hereunder or retroactively to the date of death of the Trustor, by a writing delivered to the Trustee of the affected trust.
- 9. <u>Limitations on Above Powers</u>: The Trust Protector may not exercise any power if he is compelled by a court or other governmental authority or agency to do so or is otherwise acting under the duress or undue influence of an outside force; if the Trust Protector is so compelled, or under such duress or influence, his powers shall become void prior to exercise; these limitations are in addition to those contained in the paragraph of the Trust Agreement entitled "Compelled Exercise of Powers Not Effective." The Trust Protector is directed not to exercise any of the foregoing powers if such exercise will result in any substantial, direct or indirect financial benefit to anyone who at the time of exercise is not an ancestor, spouse or issue of a primary beneficiary or is not already a present or contingent beneficiary of this Trust. The Trust Protector shall not exercise any power that may be construed as a general power of appointment to himself, his creditors, his estate or the creditors of his estate under IRC Sections 2041 and 2514, or that would otherwise cause the

inclusion of any of the Trust Estate in the Trust Protector's taxable estate for estate, inheritance, succession or other death tax purposes.

- Limited Liability of the Trust Protector: The Trust Protector shall not be held to the D. fiduciary duties of a Trustee. The Trust Protector shall not be liable to anyone. howsoever interested in this Trust either now or in the future, merely by reason of his appointment as Trust Protector and shall not have any affirmative duty to monitor. investigate and learn of any circumstances or acts or omissions of others, relating to this Trust, its beneficiaries or otherwise that may warrant the Trust Protector to act. Furthermore, the Trust Protector shall not be liable to anyone, howsoever interested in this Trust either now or in the future, by reason of any act or omission and shall be held harmless by the Trust and its beneficiaries and indemnified by the Trust Estate from any liability unless (a) the Trustee and/or a beneficiary has brought directly to the attention of the Trust Protector a circumstance that may warrant his action and (b) such act or omission is the result of willful misconduct or bad faith. Any action taken or not taken in reliance upon the opinion of legal counsel shall not be considered the result of willful misconduct or bad faith, provided such counsel was selected with reasonable care. In the event a lawsuit against the Trust Protector fails to result in a judgment against him, the Trust Protector shall be entitled to reimbursement from the Trust for any and all costs and expenses related to his defense against such lawsuit.
- E. <u>Compensation</u>: The Trust Protector shall not be entitled to compensation merely as the result of his appointment. The Trust Protector shall only be entitled to reasonable compensation for his actual time spent and services rendered in carrying out his duties and powers hereunder, at the hourly rate commensurate with that charged by professional Trustces for similar services. The Trust Protector shall, in addition, be entitled to prompt reimbursement of expenses properly incurred in the course of fulfilling his duties and powers, including but not limited to the employment of legal counsel or other professionals to advise him regarding his decisions.
- F. <u>Waiver of Bond</u>: No bond shall be required of any individual or entity acting as Trust Protector.

MISCELLANEOUS PROVISIONS

A. <u>Prohibition Against Contest</u>: If any devisee, legatee or beneficiary under the Trust Agreement or any amendment to it, no matter how remote or contingent such beneficiary's interest appears, or any legal heir of the Trustor, or either of them, or any legal heir of any prior or future spouse of the Trustor (whether or not married to the Trustor at the time of the Trustor's death), or any person claiming under any of them, directly or indirectly does any of the following, then in that event the Trustor specifically disinherits each such person, and all such legacies, bequests, devises and interests given to that person under the Trust Agreement or any amendment to it shall be forfeited and shall be distributed as provided elsewhere herein as though he or she had predeceased the Trustor without issue:

- 1. unsuccessfully challenges the appointment of any person named as a Trustee, Special Co-Trustee or Trust Protector pursuant to the Trust Agreement or any amendment to it, or unsuccessfully seeks the removal of any person acting as a Trustee, Special Co-Trustee or Trust Protector;
- 2. objects in any manner to any action taken or proposed to be taken in good faith by the Trustee, Special Co-Trustee or Trust Protector pursuant to the Trust Agreement or any amendment to it, whether the Trustee, Special Co-Trustee or Trust Protector is acting under court order, notice of proposed action or otherwise, and said action or proposed action is later adjudicated by a court of competent jurisdiction to have been taken in good faith;
- 3. objects to any construction or interpretation of the Trust Agreement or any amendment to it, or the provisions of either, that is adopted or proposed in good faith by the Trustee, Special Co-Trustee or Trust Protector, and said objection is later adjudicated by a court of competent jurisdiction to be an invalid objection;
- 4. claims entitlement to (or an interest in) any asset alleged by the Trustee to belong to the Trustor's estates (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise), whether such claim is based upon a community or separate property right, right to support or allowance, a contract or promise to leave something by will or trust (whether written or oral and even if in exchange for personal or other services to the Trustor), "quantum meruit," constructive trust, or any other property right or device, and said claim is later adjudicated by a court of competent jurisdiction to be invalid;
- 5. files a creditor's claim against the assets of the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise) and such claim is later adjudicated by a court of competent jurisdiction to be invalid;
- 6. anyone other than the Trustor attacks or seeks to impair or invalidate (whether or not any such attack or attempt is successful) any designation of beneficiaries for any insurance policy on the Trustor's life or any designation of beneficiaries for any bank or brokerage account, pension plan, Keogh, SEP or IRA account, employee benefit plan, deferred compensation plan, retirement plan, annuity or other Will substitute of the Trustor;
- 7. in any other manner contests this Trust or any amendment to it executed by the Trustor (including its legality or the legality of any provision thereof, on the basis of incapacity, undue influence, or otherwise), or in any other manner,

attacks or seeks to impair or invalidate this Trust, any such amendment or any of their provisions;

- 8. conspires with or voluntarily assists anyone attempting to do any of the above acts;
- 9. refuses a request of the Trustee to assist in the legal defense against any of the above actions.

Expenses to legally defend against or otherwise resist any above contest or attack of any nature shall be paid from the Trust Estate as expenses of administration. If, however, a person taking any of the above actions is or becomes entitled to receive any property or property interests included in the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise), then all such expenses shall be charged dollar-for-dollar against and paid from the property or property interests that said person would be entitled to receive under the Trust Agreement or the Trustor's Will, whether or not the Trustee (or Executor under the Trustor's Will) was successful in the defense against such person's actions.

The Trustor cautions the Trustee against settling any contest or attack or any attempt to obtain an adjudication that would interfere with the Trustor's estate plan and direct that, prior to the settlement of any such action short of a trial court judgment or jury verdict, the Trustee seek approval of any such settlement from the appropriate court having jurisdiction over this Trust by way of declaratory judgment or any other appropriate proceeding under applicable Texas law. In ruling on any such petition for settlement, the Trustor requests the Court to take into account the Trustor's firm belief that no person contesting or attacking the Trustor's estate plan should take or receive any benefit from the Trust Estate or from the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise) under any theory and, therefore, no settlement should be approved by the Court unless it is proved by clear and convincing evidence that such settlement is in the best interest of the Trust Estate and the Trustor's estate plan.

In the event that any provision of this Section is held to be invalid, void or illegal, the same shall be deemed severable from the remainder of the provisions in this paragraph and shall in no way affect, impair or invalidate any other provision in this paragraph. If such provision shall be deemed invalid due to its scope and breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

The provisions of this paragraph shall not apply to any disclaimer (or renunciation) by any person of any benefit (or right or power) under the Trust Agreement or any amendment to it.

- Β. Compelled Exercise of Powers Not Effective: It is the Trustor's intent that the terms of the Trust Agreement be carried out free from outside interference. Therefore, notwithstanding any other provisions of the Trust Agreement, the purported exercise of any power granted under the Trust Agreement, whether by a Trustee, Special Co-Trustee, Trust Protector or a beneficiary, including a power of appointment, withdrawal, substitution or distribution, shall be of no force and effect if such purported exercise was the result of compulsion. The purported exercise of a power shall be deemed to be the result of compulsion if such exercise is (i) in response to or by reason of any order or other direction of any court, tribunal or like authority having jurisdiction over the individual holding the power, the property subject to the power or the trust containing such property or (ii) the result of an individual not acting of his or her own free will. An individual's agent may not exercise a power given to such individual under the Trust Agreement if such purported exercise is in response to or by reason of any such order or direction unless the order or direction was obtained by the agent in a proceeding in which the agent was the moving party or voluntarily acquiesced. Notwithstanding the above, if a 'Prustee's failure to exercise a power or to acquiesce in a beneficiary's exercise of a power may result in exposing a Trustee to serious personal liability (such as contempt of court or other sanctions), a Trustee may: (a) withdraw and permit the Special Co-Trustee to act instead in relation to such purported exercise of a power; (b) if the Special Co-Trustee would also be exposed to such liability, then the Trustee may notify the Trust Protector who may, in his discretion, act if permitted under the Trust Agreement; or (c) if neither the Special Co-Trustee nor the Trust Protector acts, then the Trustee may exercise or acquiesce in a beneficiary's exercise of a power.
- C. <u>Creditor's Rights Spendthrift Provisions</u>: Subject to the express grant herein of certain rights to withdraw or substitute assets and/or powers of appointment, if any, no beneficiary under the trusts created herein shall assign, transfer, alienate or convey, anticipate, pledge, hypothecate or otherwise encumber his or her interest in principal or income hereunder prior to actual receipt. To the fullest extent permitted by law:

(1) neither the principal of these trusts nor any income of these trusts shall be liable for any debt of any beneficiary, any beneficiary's spouse, ex-spouse or others, or be subject to any bankruptcy proceedings or claims of creditors of said persons (including said persons' spouses or ex-spouses), or be subject to any attachment, garnishment, execution, lien, judgment or other process of law; (2) no interest of any beneficiary shall be subject to claims of alimony, maternity, paternity, maintenance or support; and (3) no power of appointment or withdrawal or substitution shall be subject to involuntary exercise. Should the Trustee so desire, the Trustee may as a condition precedent, withhold payments of principal or interest under this Trust until personal order for payment is given or personal receipt furnished by each such beneficiary as to his or her share. The Trustee may, alternatively in the Trustee's sole and absolute discretion, deposit in any bank designated in writing by a beneficiary to his or her credit, income or principal payable to such beneficiary. The Trustee may, alternatively in the Trustee's sole and absolute discretion, hold and accumulate any income and/or principal so long as it may be subject to the claims, control or interference of third parties, up to and until the beneficiary's death, at which time it shall be distributed in accordance with the beneficiary's exercise of his or her power of appointment, if any, and/or pay to or for the benefit of the beneficiary only such sums as the Trustee deems necessary for said beneficiary's reasonable health, support, maintenance and education.

- Trustee Power to Determine Principal and Income: The Trustee shall determine what D. is principal or income of the Trust Estate, and apportion and allocate any and all receipts and expenses between these accounts, in any manner the Trustee determines, regardless of any applicable state law to the contrary including any Principal and Income Act of Texas, or similar laws then in effect. In particular (but not by way of limitation), the Trustee shall have sole and absolute discretion to apportion and allocate all receipts and expenses between principal and income in whole or in part, including the right to: allocate capital gains; elect whether or not to set aside a reserve for depreciation, amortization or depletion, or for repairs, improvement or upkeep of any real or personal property, or for repayments of debts of the Trust Estate; and charge Trustee's fees, attorney's fees, accounting fees, custodian fees and other expenses incurred in the collection, care, management, administration, and protection of the Trust Estate against income or principal, or both. The exercise of such discretion shall be conclusive on all persons interested in the Trust Estate. The powers herein conferred upon the Trustee shall not in any event be so construed as allowing an individual to exercise the Trustee's sole and absolute discretion except in a fiduciary capacity.
- Broad Trustee Power to Invest: It is the Trustor's express desire and intention that the Ε. Trustee shall have full power to invest and reinvest the Trust Estate without being restricted to forms and investments that the Trustee may otherwise be permitted to make by law. The Trustee is empowered to invest and reinvest all or any part of the Trust Estate in such property as the Trustee in his discretion may select including but not limited to bank accounts, money market funds, certificates of deposit, government bonds, annuity contracts, common or preferred stocks, closely held businesses, shares of investment trusts and investment companies, corporate bonds, debentures, mortgages, deeds of trust, mortgage participations, notes, real estate, put and call options, commodities, commodities futures contracts and currency trading. When selecting investments, the Trustee may take into consideration the circumstances then prevailing, including but not limited to the general economic conditions and the anticipated needs of the Trust Estate and its beneficiaries, the amount and nature of all assets available to beneficiaries from sources outside the Trust and the beneficiaries' economic circumstances as a whole, and shall exercise the judgment that a reasonable person would if serving in a like capacity under the same circumstances and having the same objectives. In addition to the investment powers conferred above, the Trustee is authorized (but not directed) to acquire and retain investments not regarded as traditional for trusts, including investments that would

be forbidden by the "prudent person" (or "prudent investor") rule. In making investments, the Trustee may disregard any or all of the following factors: (i) whether a particular investment, or the trust investments collectively, will produce a reasonable rate of return or result in the preservation of principal; (ii) whether the acquisition or retention of a particular investment, or the trust investments collectively, is consistent with any duty of impartiality as to the different beneficiaries (the Trustor intends no such duty shall exist); (iii) whether the trust is diversified (the Trustor intends that no duty to diversify shall exist); and (iv) whether any or all of the trust investments would traditionally be classified as too risky or speculative for trusts (the Trustor intends the Trustee to have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy). The Trustor's purpose in granting the foregoing broad authority is to modify the prudent person rule insofar as the rule would prohibit an investment or investments because of one or more factors listed above, or any other factor relating to the nature of the investment itself. Accordingly, the Trustee shall not be liable for any loss in value of an investment merely because of the nature, class or type of the investment or the degree of risk presented by the investment, but shall be liable if the Trustee fails to meet the "reasonable person" standard set forth above or if the Trustee's procedures in sclecting and monitoring the particular investment are proven by affirmative evidence to have been negligent, and such negligence was the proximate cause of the loss.

- F. <u>Special Co-Trustee Provisions</u>: Notwithstanding anything in the Trust Agreement to the contrary, the powers, duties or discretionary authority granted hereunder to any Trustee shall be limited as follows:
 - Prohibited and Void Trustee Powers: Except where a beneficiary shall act as 1. sole Trustee of his or her share, or unless limited by an ascertainable standard as defined in Code Section 2041, no Trustee shall participate in the exercise of any discretionary authority to allocate receipts and expenses to principal or income, any discretionary authority to distribute principal or income, or any discretionary authority to terminate any trust created hereunder, if distributions could then be made to the Trustee or the Trustee has any legal obligation for the support of any person to whom distributions could then be made. Any other power, duty or discretionary authority granted to a Trustee shall be absolutely void to the extent that either the right to exercise such power, duty or discretionary authority or the exercise thereof shall in any way result in a benefit to or for such Trustee which would cause such Trustee to be treated as the owner of all or any portion of any of the trusts created herein for purposes of federal or state income tax, gift, estate or inheritance tax laws, or cause any disclaimer of an interest or benefit hereunder to be disqualified under Code Section 2518. Notwithstanding the foregoing, a beneficiary serving as Trustee may have and exercise a power, duty or discretionary authority that causes any Personal Asset Trust created hereunder to be a grantor trust with said beneficiary being treated as the owner for income tax purposes.

Notwithstanding the foregoing, this paragraph shall not apply during the lifetime of the Trustor, nor shall it apply when the exercise of any power, duty, or discretionary authority relates to any provisions herein directed towards preserving the trust estate for beneficiaries named in the Trust Agreement in the event the Trustor should require long-term health care and/or nursing home care. Should a Trustee be prohibited from participating in the exercise of any power, duty or discretionary authority, or should a power, duty or discretionary authority, or should a power, duty or discretionary authority or discretionary authority may be exercised in accordance with the following paragraphs.

- 2. <u>Exercise of Power by an Existing Independent Co-Trustee</u>: In the event that the right to exercise or the exercise of any power, duty or discretionary authority is prohibited or void as provided above, or is prohibited elsewhere in this Trust Agreement with respect to "incidents of ownership" of life insurance, or the Special Co-Trustee is given any other powers or authority under this paragraph "Special Co-Trustee Provisions," the remaining Co-Trustee, if any, shall have the right to exercise and may exercise said power, duty or discretionary authority, provided the Co-Trustee is independent within the meaning set forth in Section 674(c) of the Code, or any successor statute or regulations thereunder.
- 3. <u>Exercise of Power if No Existing Independent Co-Trustee</u>: In the event there is no independent Co-Trustee capable of exercising any power, duty or discretionary authority which is prohibited or void as provided above, or which is given to the Special Co-Trustee elsewhere herein, then the following procedure shall apply:
 - a. <u>Appointment of Special Co-Trustee</u>: The next succeeding, Trustee or Co-Trustees, as the case may be, of the Trust (or, if only a particular, separate trust created under this Trust Agreement is affected by the exercise of such power, duty or authority, then the next succeeding Trustee or Co-Trustees of said separate trust) who is not disqualified under paragraph "2" above, shall serve as Special Co-Trustee of the Trust herein created.
- 4. <u>Protect the Trust Estate by Appointment and Removal of an Independent Co-</u> <u>Trustee</u>: In addition to any other powers granted to the Special Co-Trustee under the Trust Agreement, in the event that the Special Co-Trustee named above, in his sole and absolute discretion, determines that it is necessary in order to protect the Trust Estate and/or the Trustee and/or the beneficiaries of any trust established under the Trust Agreement from the negative influence of outside third parties, including but not limited to a spouse or creditors, then the Special Co-Trustee may appoint a Co-Trustee (to immediately act with the then existing Trustee) who is independent from the party to be protected within

the meaning set forth in IRC Section 674(c). The Special Co-Trustee may appoint himself to act as such Co-Trustee if he is independent within the meaning of IRC Section 674(c). In addition, if the Special Co-Trustee, in his sole and absolute discretion, determines that it is no longer necessary for an independent Co-Trustee to act in order to protect the Trust Estate and/or the Trustee and/or the beneficiaries from the negative influence of outside third parties, including but not limited to a spouse or creditors, then the Special Co-Trustee may remove any independent Co-Trustee whom was either appointed by another acting Trustee of the Trust pursuant to other provisions of the Trust Agreement (if any) or appointed by the Special Co-Trustee, and shall not be required to replace such removed independent Co-Trustee with another.

- 5. <u>Limited Responsibilities of Special Co-Trustee</u>: The responsibilities of the Special Co-Trustee shall be limited to the exercise of the Trustee power, duty or discretionary authority prohibited or void as provided in the Trust Agreement, and the Special Co-Trustee powers regarding the appointment and removal of an independent Co-Trustee as permitted above, and appointment of a Trust Protector as permitted in the Section of the Trust Agreement entitled "Trust Protector Provisions," and said Special Co-Trustee shall not be concerned with, nor shall have, any power, duty or authority with respect to any other aspects of administration of the Trust Estate.
- 6. Limited Liability of the Special Co-Trustee: The Special Co-Trustee shall not be held to the fiduciary duties of a Trustee. The Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust, merely by reason of his appointment as Special Co-Trustee and shall not have any affirmative duty to monitor, investigate and learn of any circumstances or acts or omissions of others, relating to this Trust, its beneficiaries or otherwise that may warrant the Special Co-Trustee to act. The Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust either now or in the future, for failing to properly or timely appoint a Trust Protector or to properly or timely advise a Trust Protector of any circumstances or facts that might impact a Trust Protector's decisions. Furthermore, the Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust, by reason of any act or omission and shall be held harmless by the Trust and its beneficiaries and indemnified by the Trust Estate from any liability unless (a) the Trustee and/or a beneficiary has brought directly to the attention of the Special Co-Trustee a circumstance that may warrant his action and (b) such act or omission is the result of willful misconduct or bad faith. Any action taken or not taken in reliance upon the opinion of legal counsel shall not be considered the result of willful misconduct or bad faith, provided such counsel was selected with reasonable care and in good faith. In the event a lawsuit against the Special Co-Trustee fails to result in a judgment against him, the Special Co-Trustee shall be entitled to reimbursement from the Trust for any and all costs and expenses related to his defense against such lawsuit.

- 7. <u>Compensation</u>: The Special Co-Trustee shall not be entitled to compensation merely as the result of his appointment. The Special Co-Trustee shall only be entitled to reasonable compensation for his actual time spent and services rendered in carrying out his duties and powers hereunder, at the hourly rate commensurate with that charged by professional Trustees for similar services. The Special Co-Trustee shall, in addition, be entitled to prompt reimbursement of expenses properly incurred in the course of fulfilling his duties and powers, including but not limited to the employment of legal counsel or other professionals to advise him regarding his decisions.
- 8. <u>Waiver of Bond</u>: No bond shall be required of any individual or entity acting as Special Co-Trustee.

GENERATION SKIPPING TAX PROVISIONS

Article XIV, Section R of the said Trust entitled "Generation Skipping Transfers" is hereby amended so that from henceforth Article XIV, Section R is replaced in its entirety with the provisions which follow.

- A. <u>Explanation of this Section</u>: The purpose of this Section of the Trust Agreement and the desire of the Trustor is to eliminate or reduce the burden on the Trustor's family and issue resulting from the application of the federal generation skipping transfer tax under Chapter 13 of the Code, including any future amendments thereto (hereinafter referred to as the "GST Tax"). The Trustor directs the Trustee and any court of competent jurisdiction to interpret the provisions of this Section in accordance with the Trustor's desires stated above, since the Trustor, when creating this Trust, is aware that the provisions of said GST Tax are very complex and as yet there are few court rulings to aid in their interpretation. The Trustor requests that, before the Trustee or any beneficiary acts in accordance with the provisions of this Section, they seek professional advice from an attorney who specializes in estate planning, in order that they may avoid any unintentional triggering of negative GST Tax consequences.
- B. <u>Allocation of Trustor's GST Tax Exemptions</u>: The Trustee (or such other person or persons whom Code provisions, Treasury Regulations or court rulings authorize to make elections or allocations with regard to the Trustor's GST Tax exemptions) is instructed to allocate such exemptions in good faith, without a requirement that such allocation be proportionate, equal or in any particular manner equitably impact any or all of the various transferees or beneficiaries of property subject to or affected by such allocations. When allocating such exemptions, the Trustee may include or exclude any property of which the Trustor is the transferor for GST Tax purposes, including property transferred before the Trustor's death, and may take into account prior transfers, gift tax returns and other relevant information known to the Trustee. It is recommended that, to the extent possible, any such trust allocated an inclusion ratio of zero shall contain any and all Roth IRAs. The Trustee is also directed, when allocating Trustor's GST Tax exemptions, to coordinate with the Executor of Trustor's estate and/or the Trustee of Trustor's revocable Living Trusts regarding the

most appropriate use of said exemption; however, the Trustee's final determination shall be made in his or her sole and absolute discretion and shall be binding upon all parties howsoever interested in this Trust.

- 1. Trustee's Power to Combine and Divide Trusts: If a trust hereunder would be partially exempt from GST Tax by reason of an allocation of GST Tax exemption to it, before the allocation the Trustee in his discretion may divide the trust into two separate trusts of equal or unequal value, to permit allocation of the exemption solely to one trust which will be entirely exempt from GST Tax. The Trustee of any trust shall have authority, in the Trustee's sole discretion, to combine that trust with any other trust or trusts having the same exempt or nonexempt character, including trusts established (during life or at death) by the Trustor or any of his issue; and the Trustee may establish separate shares in a combined trust if and as needed to preserve the rights and protect the interests of the various beneficiaries if the trusts being combined do not have identical terms or if separate shares are otherwise deemed desirable by the Trustee. These powers to combine and divide trusts may be exercised from time to time, and may be used to modify or reverse their prior exercise. In deciding whether and how to exercise this authority the Trustee may take account of efficiencies of administration, generation-skipping and other transfer tax considerations, income tax factors affecting the various trusts and beneficiaries (including determination of life expectancy to be used for Retirement Assets required minimum distribution purposes), the need or desirability of having the same or different trustees for various trusts or shares, and any other considerations the Trustee may deem appropriate to these decisions. Prior to exercising any power to combine trusts under this paragraph, the Trustee shall take into consideration that, where possible and appropriate (keeping in mind the dispositive provisions of the Trust Agreement and the situation of the beneficiary), separate trusts should be maintained so that the trust beneficiaries may enjoy the benefit of distributions from any Retirement Assets being stretched out over their scparate life expectancies; in particular, the Trustee shall not merge trusts when one provides for the payout to or for the beneficiary of all withdrawals from IRAs and other Retirement Assets, net of trust expenses, and another provides for the accumulation of income (including IRA and Retirement Asset withdrawals).
- 2. <u>Same Terms and Provisions for Divided Trusts</u>: Except as expressly provided in the Trust Agreement, when a trust otherwise to be established is divided under the foregoing provisions into exempt and non-exempt trusts or otherwise into separate trusts, each trust shall have the same provisions as the original trust from which it is established, and references in the Trust Agreement to the original trust shall collectively refer to the separate trusts derived from it.
- 3. <u>Exempt (and Non-Exempt) Character of Property to be Preserved</u>: On termination, partial termination, subdivision or distribution of any of the

separate trusts created by the Trust Agreement, or when it is provided that separate trusts are to be combined, the exempt (zero inclusion ratio) or the non-exempt (inclusion ratio of one) generation-skipping character of the property of the trusts shall be preserved. Accordingly, when property is to be added to or combined with the property of another trust or trusts, or when additional trusts are to be established from one or more sources, non-exempt property or trusts shall not be added to or combined with exempt property or trusts, even if this requires the establishment of additional separate trusts with the same terms and provisions, unless the Trustee believes that economic efficiency or other compelling considerations justify sacrificing their separate generation-skipping characteristics.

- Trustee's Investment Power: Distributions: Without limiting the foregoing, 4. the Trustor specifically authorizes (but do not require) the Trustee, in administering different trusts wholly or in part for the benefit of a particular beneficiary or group of beneficiaries, to adopt different investment patterns and objectives for different trusts based on whether they are funded by Roth IRAs or other assets and on their generation-skipping ratios, and to prefer making distributions from Retirement Assets other than Roth IRAs and from non-exempt trusts to beneficiaries who are non-skip persons for generationskipping purposes and from exempt trusts to those who are skip persons. Upon division or distribution of an exempt trust and a nonexempt trust hereunder, the Trustee may allocate property from the exempt trust first to a share from which a generation-skipping transfer is more likely to occur. It is further recommended that to the extent that distributions would be made for the benefit of skip persons and such distributions would be exempt from GST Tax because such distributions are for the payment of medical expenses exempt under IRC Section 2503(e)(2)(B) or for the payment of tuition or educational expenses exempt under IRC Section 2503 (e)(2)(A), such payments to the extent possible be first made from a trust which has an inclusion ratio of one.
- 5. <u>Trustee's Exoneration</u>: The Trustor expressly exonerates the Trustee from any liability arising from any exercise or failure to exercise these powers, provided the actions (or inactions) of the Trustee are taken in good faith.
- C. <u>Beneficiary's General Power of Appointment</u>: Should a beneficiary die prior to the creation of his or her separate share of the Trust Estate or die subsequent to the creation of such share but before complete distribution of such share, and as a result of said death a portion of the Trust Estate would be subject to GST Tax but for the provisions of this paragraph, the beneficiary may, pursuant to a general power of appointment exercised in his or her last Will (but not in a codicil) or other writing delivered to the Trustee prior to his or her death and specifically referring to the Trust Agreement, provide for such share to pass to the creditors of that beneficiary's estate, in accordance with the terms set forth below. The asset value subject to such general power of appointment shall be the maximum amount, if any, which, when added to

the beneficiary's net taxable estate (computed prior to said power), will cause the federal estate tax marginal rate to increase until it equals the GST Tax marginal rate; but in no case shall such general power of appointment exceed the asset value of such beneficiary's share. This general power of appointment may be subject to termination and reinstatement by the Trust Protector. To the extent the beneficiary does not effectively exercise the general power of appointment, the unappointed asset value shall be held, administered and distributed in accordance with the other provisions of the Trust Agreement.

TRUSTEES ENVIRONMENTAL POWERS

- A. Trustee Authorized to Inspect Property Prior to Acceptance:
 - 1. <u>Actions at Expense of Trust Estate</u>: Prior to acceptance of this Trust by any proposed or designated Trustee (and prior to acceptance of any asset by any proposed, designated or acting Trustee), such Trustee or proposed or designated Trustee shall have the right to take the following actions at the expense of the Trust Estate:
 - a. <u>Enter Property</u>: To enter and inspect any existing or proposed asset of the Trust (or of any partnership, limited liability company or corporation in which the Trust holds an interest) for the purpose of determining the existence, location, nature, and magnitude of any past or present release or threatened release of any hazardous substance; and
 - b. <u>Review Records</u>: To review records of the currently acting Trustee or of the Trustor (or of any partnership, limited liability company or corporation in which the Trust holds an interest) for the purpose of determining compliance with environmental laws and regulations, including those records relating to permits, licenses, notices, reporting requirements, and governmental monitoring of hazardous waste.
 - 2. <u>Rights Equivalent to Partner, Member or Shareholder</u>: The right of the proposed or designated Trustee to enter and inspect assets and records of a partnership, limited liability company or corporation under this provision is equivalent to the right under state law of a partner, member or shareholder to inspect assets and records under similar circumstances.
 - 3. <u>Right to Still Refuse Acceptance of Trusteeship</u>: Acts performed by the proposed or designated Trustee under this provision shall not constitute acceptance of the Trust.
 - 4. <u>Right to Accept Trusteeship Over Other Assets Only</u>: If an asset of the Trust is discovered upon environmental audit by the acting Trustee or any proposed or designated Trustee to be contaminated with hazardous waste or otherwise

ļ

not in compliance with environmental law or regulation, the Trustee may decline to act as Trustce solely as to such asset, and accept the Trusteeship as to all other assets of the Trust. The Trustee, in his discretion, may petition a court to appoint a receiver or special Trustee to hold and manage the rejected asset, pending its final disposition.

- 5. <u>Right to Reject Asset</u>: Any currently acting Trustee shall have the right to reject any asset proposed to be transferred to the Trustee.
- B. <u>Termination</u>, Bifurcation or Modification of The Trust Due to Environmental Liability:
 - 1. <u>Trustee's Powers over Hazardous Waste Property</u>: If the Trust Estate holds one or more assets, the nature, condition, or operation of which is likely to give rise to liability under, or is an actual or threatened violation of any federal, state or local environmental law or regulation, the Trustee may take one or more of the following actions, if the Trustee, in the Trustee's sole and binding discretion, determines that such action is in the best interests of the Trust and its beneficiaries:

APPOINTMENT OF SUCCESSOR TRUSTEES

7/1/08

Appt of Suce Thursday

WHEREAS, NELVA ERLEEN BRUNSTING, also known as NELVA E. BRUNSTING, is a Founder of the Brunsting Family Living Trust dated October 10, 1996, as amended, (the "Trust Agreement"); and,

WHEREAS, Pursuant to Article IV, Section B, of the Brunsting Family Living Trust entitled "Our Successor Trustees," an original Trustee will have the right to appoint his or her own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any other reason, as well as specify conditions relevant to such appointment; and,

WHEREAS, ELMER H. BRUNSTING is no longer able to manage his financial affairs, as is evidenced by the physicians' letters attached. Therefore, pursuant to Article IV, Section B, of the Brunsting Family Living Trust Agreement, the remaining original Trustee, NELVA E. BRUNSTING, continues to serve alone

WHEREAS, the said NELVA E. BRUNSTING is desirous of her right as original Trustee to designate, name and appoint her own successors to serve as Trustees in the event that she ceases to serve by reason of death, disability or for any other reason, as well as specify conditions of such appointment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

NELVA E. BRUNSTING makes the following appointment:

If I, NELVA E. BRUNSTING, fail or cease to serve by reason of death, disability or for any other reason, then the following individuals will serve as successor Co-Trustees:

CARL HENRY BRUNSTING and ANITA KAY BRUNSTING

CARL HENRY BRUNSTING and ANITA KAY BRUNSTING shall each have the authority to appoint his or her own successor Trustee by appointment in writing.

If a successor Co-Trustee should fail or cease to serve by reason of death, disability or for any other reason, then the remaining successor Co-Trustee shall serve alone. However, if neither successor Co-Trustee is able or willing to serve, then CANDACE LOUISE CURTIS shall serve as sole successor Trustee. In the event CANDACE LOUISE CURTIS is unable or unwilling to serve, then THE FROST NATIONAL BANK shall serve as sole successor Trustee.

In order to maintain the integrity of the Trust Agreement and to meet my estate planning desires and goals, my Trustees shall comply with the directive set forth below to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

BRUNSTING005805

Successor Trustee Required to Provide an Authorization For Release of Protected Health Information

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this document or any subsequent documents signed by the Founders, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in the Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

2. Obtain the Release of Protected Health Information

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. The Founder has signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

2

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

Determination of "Incompetence" or "Incapacity"

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physicianpatient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of hw relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next

successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority. as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately lipon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.

August 25, 2010 Appointment of successor trustees

#### APPOINTMENT OF SUCCESSOR TRUSTEES

WHEREAS, NELVA E. BRUNSTING, is a Founder of the Brunsting Family Living Trust dated October 10, 1996, as amended (the "Trust Agreement"); and,

WHEREAS, Pursuant to Article IV, Section B, of the Brunsting Family Living Trust entitled "Our Successor Trustees," an original Trustee will have the right to appoint his or her own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any other reason, as well as specify conditions relevant to such appointment; and

WHEREAS, ELMER H. BRUNSTING, died on April 1, 2009. The Brunsting Family Living Trust authorized the creation of subsequent subtrusts known as the NELVA E. BRUNSTING SURVIVOR'S TRUST and the ELMER H. BRUNSTING DECEDENT'S TRUST. The full legal names of the said subtrusts are:

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the NELVA E. BRUNSTING SURVIVOR'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the ELMER H. BRUNSTING DECEDENT'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

WHEREAS, the said NELVA E. BRUNSTING is desirous of exercising her right as original Trustee to designate, name and appoint her own successors to serve as Trustees in the event that she ceases to serve by reason of death, disability or for any other reason, as well as specify conditions of such appointment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

NELVA E. BRUNSTING makes the following appointment:

If I, NELVA E. BRUNSTING, fail or cease to serve by reason of death, disability or for any other reason, then the following individuals will serve as successor Co-Trustees:

ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART

If a successor Co-Trustee is unable or unwilling to serve for any reason, the remaining Co-Trustee shall serve alone. However, if neither Co-Trustee is able or willing to serve, then THE FROST NATIONAL BANK shall serve as successor Trustee.

In order to maintain the integrity of the Trust Agreement and to meet my estate planning desires and goals, my Trustees shall comply with the directive set forth below to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

#### 1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this document or any subsequent documents signed by the Founders, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in the Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

### 2. Obtain the Release of Protected Health Information

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. The Founder has signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

### 3. Determination of "Incompetence" or "Incapacity"

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings. In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physicianpatient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditionally, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately upon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the said Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust dated October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.

WITNESS MY HAND on august 25, 2010.

12/21/2010 Appointment of Successor Trustees

#### APPOINTMENT OF SUCCESSOR TRUSTEES

WHEREAS, NELVA E. BRUNSTING, is a Founder of the Brunsting Family Living Trust dated October 10, 1996, as amended (the "Trust Agreement"); and,

WHEREAS, Pursuant to Article IV, Section B, of the Brunsting Family Living Trust entitled "Our Successor Trustees," an original Trustee will have the right to appoint his or her own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any other reason, as well as specify conditions relevant to such appointment; and

WHEREAS, ELMER H. BRUNSTING, died on April 1, 2009. The Brunsting Family Living Trust authorized the creation of subsequent subtrusts known as the NELVA E. BRUNSTING SURVIVOR'S TRUST and the ELMER H. BRUNSTING DECEDENT'S TRUST. The full legal names of the said subtrusts are:

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the NELVA E. BRUNSTING SURVIVOR'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the ELMER H. BRUNSTING DECEDENT'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

WHEREAS, the said NELVA E. BRUNSTING is desirous of exercising her right as original Trustee to designate, name and appoint her own successors to serve as Trustees in the event that she ceases to serve by reason of death, disability or for any other reason, as well as specify conditions of such appointment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

NELVA E. BRUNSTING makes the following appointment:

If I, NELVA E. BRUNSTING, resign as Trustee, then the following individuals will serve as successor Trustee in the following order:

First, ANITA KAY BRUNSTING Second, AMY RUTH TSCHIRHART Third, THE FROST NATIONAL BANK

If I, NELVA E. BRUNSTING, fail or cease to serve by reason of death or disability, then the following individuals will serve as successor Co-Trustees:

ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART

If a successor Co-Trustee is unable or unwilling to serve for any reason, the remaining Co-Trustee shall serve alone. However, if neither Co-Trustee is able or willing to serve, then THE FROST NATIONAL BANK shall serve as successor Trustee.

In order to maintain the integrity of the Trust Agreement and to meet my estate planning desires and goals, my Trustees shall comply with the directive set forth below to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

#### 1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this document or any subsequent documents signed by the Founders, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in the Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

#### 2. Obtain the Release of Protected Health Information

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to,

protected health and medical information, and to consent to their release or disclosure. The Founder has signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

#### 3. Determination of "Incompetence" or "Incapacity"

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physicianpatient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditionally, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately upon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the said Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust dated October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.
