**ADMINISTRATOR'S SUMMARY MOTION TO REMOVE UNENFORCEABLE AND  
INVALID LIEN PURSUANT TO TEXAS PROPERTY CODE SECTION 53.160**

David S. Cook, as Dependent Administrator ("Administrator") of the Estate of Ernest L. Heimlich, Deceased ("Estate"), files this summary motion, and would show as follows:

***PERTINENT PROCEDURAL HISTORY***

Administrator filed his Petition to Declare Mechanic's Lien Unenforceable and Invalid in the above entitled and numbered cause on June 23, 2023. Exhibits 1.

Administrator caused the Petition to be served on Ernest Heimlich ("Defendant") by substituted service on August 21, 2023. Exhibit 1.

Defendant filed his answer, making an appearance herein, on September 11, 2023. Exhibit 1.

***PERTINENT FACTS***

Ernest Heimlich ("Decedent") died intestate on May 25, 2021, owning three residential properties, being the Decedent's residence located at 6410 Rancho Blanco, Houston, TX (the "Rancho Blanco Property"), and two other residences located at 7318 Mesones Drive, Houston, TX (the "Mesones Property") and 806 Comstock Springs Drive, Katy, TX (the "Comstock Property"). Exhibit 1.

The Rancho Blanco Property, the Mesones Property, and the Comstock Property are collectively referenced as the "Estate Properties."

Defendant is Decedent's son, and one of Decedent's five children, who include Defendant, Catherine Craig, Virginia Lahrman, Darcia Bland and Anne Board ("Heirs"). Exhibit 1.

...who include Defendant.  
...  
Administrator was appointed by the Court in his fiduciary capacity on September 9, 2021 and qualified as administrator on September 22, 2021. Exhibits 1.

On November 19, 2021, Administrator entered into an earnest money contract (the "Earnest Money Contract") to sell the Comstock Property to Defendant. Exhibits 1 and 2. Importantly, the Earnest Money Contract did not include any agreement to be employed or to furnish labor, services, equipment and/or materials to Administrator, which Defendant claims in his Affidavit of Mechanic's Lien ("Mechanic's Lien")(Exhibit 3).

The As a part of the negotiation, Defendant informed Administrator that Defendant desired to make improvements to the Comstock Property *before* closing the sale of Comstock. Exhibits 1 and 4. Defendant submitted an addendum with his offer allowing him to have access to the Comstock Property before closing. Exhibits 1 and 5. Administrator would not—and did not—agree to allow Defendant to have access to the Comstock Property (for other than inspections) or to make any improvements prior to closing. Exhibits 1. Administrator responded to Defendant's real estate agent and Defendant's offer, and in particular, the addendum, as follows Exhibits 1 and 6:

Also, the work during the term of the contract makes it difficult. I am certain Ed has great intentions, but things happen. What if Ed pays a contractor or sub to do work, and not much gets accomplished other than demolition. Thereafter, Ed walks away from the deal. If that is the case, the estate will be responsible to redress any damages done to the property with only the earnest money (less than \$2K). Can we just make this a traditional closing and turn over possession at closing?

In a later email (Exhibits 1 and 7), Defendant acknowledged he would not have possession until after the closing:

It is my understanding that David wants the traditional 'possession upon closing.' So, that addendum can be ignored, and David can sign all the other sheets."

Administrator and Defendant signed the Earnest Money Contract, which did not include

the Addendum; thus, Defendant was prohibited from having possession of the Comstock Property until closing (i.e., until he bought it). Exhibits 1 and 2.

After the parties signed the Earnest Money Contract, Defendant broke and entered the Comstock Property and changed the locks. Exhibit 1. When Administrator learned that Defendant had entered the Comstock Property, Administrator asked Defendant how he was able to access the property. Defendant replied: "I trespassed." Exhibit 1. Defendant, among other things, painted the interior and made changes to the flooring. Exhibit 1. Much of the work—which was never authorized—was determined to be shoddy workmanship. Exhibit 1. Administrator was later informed Defendant had hired a broker and was listing it for sale. Exhibit 1 and 8. In response to an email, Administrator questioned how Defendant was doing so, and copied Defendant's listing agent because Defendant had no authority to enter into realtor contracts on behalf of the Estate. Exhibits 1 and 8. Defendant then attempted to enter into a contract on behalf of the Estate, as seller, to sell the Comstock Property to a third-party buyer. Exhibits 1 and 2. Administrator informed Defendant that he could not enter into contracts to sell the Comstock Property on behalf of the Estate. Exhibits 1 and 10.

As a result of Defendant's actions, and the delay caused by his trespass, his improper listing, and his unsuccessful sale to an assignee, Defendant was not able to perform under the Earnest Money Contract in accordance with its terms. Exhibit 1. Consequently, Administrator changed the locks again and sent a demand that Defendant and his agent never access the Comstock Property and remove the on-line listing of the Premises. Exhibit 1. Administrator then removed the "for sale" sign in the front yard and the lock box from the door. Exhibit 1.

On September 20, 2022, Defendant filed the attached Affidavit of Mechanic's Lien ("Mechanic's Lien") asserting a \$79,500 lien ("Alleged Lien") against the Comstock Property.

**Exhibits 1 and 3.**

The Mechanic's Lien states, in pertinent part, as follows (**Exhibit 3**) :

- Defendant signed a contract November 19, 2021 "... and was employed or furnished labor, services, equipment and/or materials under an agreement with Estate of Ernest L. Heimlich ..."
- Defendant completed services and his claim became due on January 21, 2022.

***SUMMARY RELIEF IS APPROPRIATE/LEGAL ANALYSIS***

First, Administrator denies there was any such contract to employ Defendant or to be furnished labor, services, equipment and/or materials. In fact, there is a written agreement and correspondence that evidence the parties' intent that Defendant could **not** perform any work, and he could not have possession of the Comstock Property before closing.

Second, Defendant did not file the Affidavit as required by Texas Property Code Section 53.052, which requires:

An original contractor<sup>1</sup> claiming the lien must file an affidavit with the county clerk: ... (2) for residential construction projects, not later than the 15th day of the third month after the month in which the original contractor's work was completed, terminated, or abandoned.

Defendant stated in his Affidavit that the services were completed on January 21, 2022. Consequently, Defendant would have been required to file his Affidavit on or before April 15, 2022. Defendant did not file his Affidavit until September 20, 2022 (with respect to the Affidavit filed the county's real property records) or August 8, 2022 (with respect to the Affidavit filed in

---

<sup>1</sup> Administrator denies he entered into any agreement with Defendant to act as a general contractor, but Defendant would have had to comply with this Texas law if there was such an agreement, as it relates to filing liens and affidavits of liens.

the probate records of Harris County Probate Court No. 1); thus, Defendant filed the Affidavit five (or four) months too late.

Third, assuming his Alleged Lien was valid, Defendant failed to bring a suit to foreclose the Alleged Lien on or before April 21, 2023, which was the last day he could have foreclosed his Alleged Lien. TEX. PROP. CODE §53.158 (a) (providing that suit must be brought to foreclose the lien not later than the first anniversary of the last day a claimant may file the lien affidavit under Section 53.052, which is 15<sup>th</sup> day after the third month when the work was terminated, completed or abandoned).

Fourth, while Defendant did not bring a suit to foreclose, he did file a \$79,500 claim in the Estate cause of action, and attached his Affidavit ("Claim"). **Exhibits 1 and 11.** Defendant filed his Claim on August 9, 2022. **Exhibit 11.** Administrator did not act on the Claim; consequently, Defendant had until December 7, 2022 to file a suit on the rejected Claim. TEX. EST. CODE § 355.051 ("A personal representative of an estate shall, not later than the 30th day after the date an authenticated claim against the estate is presented to the representative, or deposited with the clerk as provided under Section 355.002, endorse on the claim, attach to the claim . . . "); TEX. EST. CODE § 355.052 ("The failure of a personal representative to timely allow or reject a claim under Section 355.051 constitutes a rejection of the claim."); TEX. EST. CODE § 355.064(a) ("A claim or part of a claim that has been rejected by the personal representative is barred unless not later than the 90th day after the date of rejection the claimant commences suit on the claim in the court of original probate jurisdiction in which the estate is pending.").

For the reasons stated in this section, Administrator asks this Court to find that Administrator/Movant is entitled to remove the lien, and that this Court should sign an order removing the Mechanic's lien.

**REQUEST FOR ATTORNEY'S FEES AND COSTS**

Section 53.156 of the Texas Property Code (emphasis added) provides:

In any proceeding to foreclose a lien or to enforce a claim against a bond issued under Subchapter H, I, or J *or in any proceeding to declare that any lien or claim is invalid or unenforceable* in whole or in part, the court shall award costs and reasonable attorney's fees as are equitable and just. With respect to a lien or claim arising out of a residential construction contract, the court is not required to order the property owner to pay costs and attorney's fees under this section.

Administrator incurred \$3,352.41 in prosecuting his Petition, including fees of \$3,075.00 and expenses of \$277.41. The fees and costs are supported by the fee statements and the affidavit collectively attached hereto as **Exhibit 12**. Administrator asserts that these fees and expenses were reasonable and necessary<sup>2</sup>, and are equitable and just. **Exhibit 12**. Administrator asks that the fees and expenses are awarded to him pursuant to Section 53.156 of the Texas Property Code, and that such fees and expenses should be paid from the share of property passing to Defendant, as an heir of his father's estate, in the above entitled and numbered base cause.

For the reasons stated above, Administrator asks this Court (i) to declare mechanic's lien unenforceable and invalid, and sign an order dismissing said lien, (ii) to award attorneys' fees and costs as requested herein, and (iii) to grant all further relief to which Administrator is entitled.

E. LENDER REQUIRED REPAIRS AND TREATMENTS: Unless otherwise agreed in writing, neither party is obligated to pay for lender required repairs, which includes treatment for wood destroying insects. If the parties do not agree to pay for the lender required repairs or treatments, this contract will terminate and the earnest money will be refunded to Buyer. ## 8. BROKERS AND SALES AGENTS:

BROKER OR SALES AGENT DISCLOSURE: Texas law requires a real estate broker or sales agent who is a party to a transaction or acting on behalf of a spouse, parent, child, business entity in which the broker or sales agent owns more than 10%, or a trust for which the broker or sales agent acts as a trustee or of which the broker or sales agent or the broker or sales agent's spouse, parent or child is a beneficiary, to notify the other party in writing before entering into a contract of sale. Disclose if applicable: \_\_\_\_\_

B. BROKERS' FEES: All obligations of the parties for payment of brokers' fees are contained in separate written agreements.

## 9. CLOSING:

A. The closing of the sale will be on or before January 19, 2022, or within 7 days after objections made under Paragraph 6D have been cured or waived, whichever date is later (Closing Date). If either party fails to close the sale by the Closing Date, the non-defaulting party may exercise the remedies contained in Paragraph 15.

B. At closing:

- (1) Seller shall execute and deliver a general warranty deed conveying title to the Property to Buyer and showing no additional exceptions to those permitted in Paragraph 6 and furnish tax statements or certificates showing no delinquent taxes on the Property.
- (2) Buyer shall pay the Sales Price in good funds acceptable to the escrow agent.
- (3) Seller and Buyer shall execute and deliver any notices, statements, certificates, affidavits, releases, loan documents and other documents reasonably required for the closing of the sale and the issuance of the Title Policy.
- (4) There will be no liens, assessments, or security interests against the Property which will not be satisfied out of the sales proceeds unless securing the payment of any loans assumed by Buyer and assumed loans will not be in default.

**10. POSSESSION:**

A. **BUYER'S POSSESSION:** Seller shall deliver to Buyer possession of the Property in its present or required condition, ordinary wear and tear excepted: ☒ upon closing and funding ☐ according to a temporary residential lease form promulgated by TREC or other written lease required by the parties. Any possession by Buyer prior to closing or by Seller after closing which is not authorized by a written lease will establish a tenancy at sufferance relationship between the parties. **Consult your insurance agent prior to change of ownership and possession because insurance coverage may be limited or terminated. The absence of a written lease or appropriate insurance coverage may expose the parties to economic loss.**

B. **SMART DEVICES:** "Smart Device" means a device that connects to the Internet to enable remote use, monitoring, and management of: (i) the Property; (ii) items identified in any Non-Realty Items Addendum; or (iii) items in a Fixture Lease assigned to Buyer. At the time Seller delivers possession of the Property to Buyer, Seller shall:

- (1) deliver to Buyer written information containing all access codes, usernames, passwords, and applications Buyer will need to access, operate, manage, and control the Smart Devices; and
- (2) terminate and remove all access and connections to the improvements and accessories from any of Seller's personal devices including but not limited to phones and computers.

Seller agrees to give the buyer a 30-day extension to closing for a fee of \$1000 should that be needed.

**12. SETTLEMENT AND OTHER EXPENSES:**

A. The following expenses must be paid at or prior to closing:

- (1) Expenses payable by Seller (Seller's Expenses):
  - (a) Releases of existing liens, including prepayment penalties and recording fees; release of Seller's loan liability; tax statements or certificates; preparation of deed; one-half of escrow fee; and other expenses payable by Seller under this contract.
  - (b) Seller shall also pay an amount not to exceed \$ 0.00 to be applied in the following order: Buyer's Expenses which Buyer is prohibited from paying by FHA, VA, Texas Veterans Land Board or other governmental loan programs, and then to other Buyer's Expenses as allowed by the lender.
- (2) Expenses payable by Buyer (Buyer's Expenses): Appraisal fees; loan application fees; origination charges; credit reports; preparation of loan documents; interest on the notes from date of disbursement to one month prior to dates of first monthly payments; recording fees; copies of easements and restrictions; loan title policy with endorsements required by lender; loan-related inspection fees; photos; amortization schedules; one-half of escrow fee; all prepaid items, including required premiums for flood and hazard insurance, reserve deposits for insurance, ad valorem taxes and special governmental assessments; final compliance inspection; courier fee; repair inspection; underwriting fee; wire transfer fee; expenses incident to any loan; Private Mortgage Insurance Premium (PMI), VA Loan Funding Fee, or FHA Mortgage Insurance Premium (MIP) as required by the lender; and other expenses payable by Buyer under this contract.

B. If any expense exceeds an amount expressly stated in this contract for such expense to be paid by a party, that party may terminate this contract unless the other party agrees to pay such excess. Buyer may not pay charges and fees expressly prohibited by FHA, VA, Texas Veterans Land Board or other governmental loan program regulations.

**13. PRORATIONS:** Taxes for the current year, interest, maintenance fees, assessments, dues and rents will be prorated through the Closing Date. The tax proration may be calculated taking into consideration any change in exemptions that will affect the current year's taxes. If taxes for the current year vary from the

amount prorated at closing, the parties shall adjust the prorations when tax statements for the current year are available. If taxes are not paid at or prior to closing, Buyer shall pay taxes for the current year.

**14. CASUALTY LOSS:** If any part of the Property is damaged or destroyed by fire or other casualty after the Effective Date of this contract, Seller shall restore the Property to its previous condition as soon as reasonably possible, but in any event by the Closing Date. If Seller fails to do so due to factors beyond Seller's control, Buyer may (a) terminate this contract and the earnest money will be refunded to Buyer (b) extend the time for performance up to 15 days and the Closing Date will be extended as necessary or (c) accept the Property in its damaged condition with an assignment of insurance proceeds, if permitted by Seller's insurance carrier, and receive credit from Seller at closing in the amount of the deductible under the insurance policy. Seller's obligations under this paragraph are independent of any other obligations of Seller under this contract.

**15. DEFAULT:** If Buyer fails to comply with this contract, Buyer will be in default, and Seller may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money as liquidated damages, thereby releasing both parties from this contract. If Seller fails to comply with this contract, Seller will be in default and Buyer may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money, thereby releasing both parties from this contract.

**16. MEDIATION:** It is the policy of the State of Texas to encourage resolution of disputes through alternative dispute resolution procedures such as mediation. Any dispute between Seller and Buyer related to this contract which is not resolved through informal discussion will be submitted to a mutually acceptable mediation service or provider. The parties to the mediation shall bear the mediation costs equally. This paragraph does not preclude a party from seeking equitable relief from a court of competent jurisdiction.

**17. ATTORNEY'S FEES:** A Buyer, Seller, Listing Broker, Other Broker, or escrow agent who prevails in any legal proceeding related to this contract is entitled to recover reasonable attorney's fees and all costs of such proceeding.

**18. ESCROW:**

A. **ESCROW:** The escrow agent is not (i) a party to this contract and does not have liability for the performance or nonperformance of any party to this contract, (ii) liable for interest on the earnest money and (iii) liable for the loss of any earnest money caused by the failure of any financial institution in which the earnest money has been deposited unless the financial institution is acting as escrow agent. Escrow agent may require any disbursement made in connection with this contract to be conditioned on escrow agent's collection of good funds acceptable to escrow agent.

B. **EXPENSES:** At closing, the earnest money must be applied first to any cash down payment, then to Buyer's Expenses and any excess refunded to Buyer. If no closing occurs, escrow agent may: (i) require a written release of liability of the escrow agent from all parties; and (ii) require payment of unpaid expenses incurred on behalf of a party. Escrow agent may deduct authorized expenses from the earnest money payable to a party. "Authorized expenses" means expenses incurred by escrow agent on behalf of the party entitled to the earnest money that were authorized by this contract or that party.

C. **DEMAND:** Upon termination of this contract, either party or the escrow agent may send a release of earnest money to each party and the parties shall execute counterparts of the release and deliver same to the escrow agent. If either party fails to execute the release, either party may make a written demand to the escrow agent for the earnest money. If only one party makes written demand for the earnest money, escrow agent shall promptly provide a copy of the demand to the other party. If escrow agent does not receive written objection to the demand from the other party within 15 days, escrow agent may disburse the earnest money to the party making demand reduced by the amount of unpaid expenses incurred on behalf of the party receiving the earnest money and escrow agent may pay the same to the creditors. If escrow agent complies with the provisions of this paragraph, each party hereby releases escrow agent from all adverse claims related to the disbursement of the earnest money.

D. **DAMAGES:** Any party who wrongfully fails or refuses to sign a release acceptable to the escrow agent within 7 days of receipt of the request will be liable to the other party for (i) damages; (ii) the earnest money; (iii) reasonable attorney's fees; and (iv) all costs of suit.

E. **NOTICES:** Escrow agent's notices will be effective when sent in compliance with Paragraph 21. Notice of objection to the demand will be deemed effective upon receipt by escrow agent.

**19. REPRESENTATIONS:** All covenants, representations and warranties in this contract survive closing. If any representation of Seller in this contract is untrue on the Closing Date, Seller will be in default. Unless expressly prohibited by written agreement, Seller may continue to show the Property and receive, negotiate and accept back up offers.

**20. FEDERAL TAX REQUIREMENTS:** If Seller is a "foreign person," as defined by Internal Revenue Code and its regulations, or if Seller fails to deliver an affidavit or a certificate of non-foreign status to Buyer that Seller is not a "foreign person," then Buyer shall withhold from the sales proceeds an amount sufficient to comply with applicable tax law and deliver the same to the

I am willing, and prepared, to pay \$190,000 for 806 Comstock Springs, Katy, TX.

I am willing, and prepared, to top any valid offer.

I have a contractor that came available.

I don't want to lose him to another project.

I want to start to work on 806 NOW !

I will assume the carrying costs from date of agreement rather than from the typical, the date of the closing.

Good morning all,

David and Jerry - could I get a status update on the possible sale of Rancho Blanco and Comstock? I know that you mentioned that you have an offer for the Comstock property, but I wanted to make you aware that Ed Heimlich is prepared to purchase the home for \$190,000 or \$100 over your best offer.

Please confirm if we can get something going on either of these properties.

Thanks so much,

Tricia -

Thanks for talking to David yesterday.

If I heard correctly you said David is going to sell 806 for \$174 K.

The property was sold by a probate attorney operating under the cover of a real estate license. (See her bio below).

The Guardian appointed to take care of my Father's Estate for my Father's benefit gave the listing to her for her benefit of a quick 6% commission.

The price listing price was \$180 K and it sold in a day.  
(buyer arranged prior to listing?)

It was to close June 2. My Father died May 25. That cancelled the sale.

My Sisters agreed to sell 806 Comstock to me for the same price.

That was in June before one of my Sisters forced a Court Appointed Administrator upon us.

Please, as my Buyers Agent, pursue the acquisition of 806 Comstock Springs as well as my acquisition of 6410 Rancho Blanco Court.

## ADDENDUM

**PROPERTY: 806 Comstock Springs Dr, Katy, TX 77450-3217**

**All carrying costs of the property (taxes, maintenance, utilities, insurance, etc) are to be assumed by the buyer upon execution of this contract. Seller provides Buyer permission to begin renovation work on the property upon execution of this contract. This sweat equity will be considered additional earnest money to show good faith to Seller that Buyer will complete this transaction. Seller agrees to give the buyer a 30-day extension to closing for a fee of \$1000 should that be needed.**

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

2. Next, it is important to gather relevant information and data. This can be done through research, consultation with experts, or by analyzing existing data sets.

3. Once the information is gathered, the next step is to develop a plan or strategy to address the problem. This plan should outline the steps to be taken and the resources needed.

4. The fourth step is to implement the plan. This involves carrying out the tasks outlined in the plan and monitoring progress as you go.

5. Finally, it is important to evaluate the results of the process. This involves comparing the actual outcomes with the expected results and identifying any areas for improvement.

All,

I have no cash to pay for a survey. Can Ed pay for the survey, and then have it reduced from the sales price at closing.

Also, the work during the term of the contract makes it difficult. I am certain Ed has great intentions, but things happen. What happens if Ed pays a contractor or sub to do the work, and not much gets accomplished other than demolition. Thereafter, Ed walks away from the deal. If that is the case, the estate will be responsible to redress any damage done to the property, with only the earnest money (less than \$2K). Can we just make this a traditional closing and turn over possession at closing?

David & Tricia

I'm referring to the addendum providing for possession or access to property for renovations.

It is my understanding that David wants the traditional "possession upon closing".

So that addendum can be ignored and David can sign all the other sheets.

Then give me the address for delivery of the EM check to the Title Company.

If Seller fails to do so due to factors beyond Seller's control, Buyer may (a) terminate this contract and the earnest money will be refunded to Buyer (b) extend the time for performance up to 15 days and the Closing Date will be extended as necessary or (c) accept the Property in its damaged condition with an assignment of insurance proceeds, if permitted by Seller's insurance carrier, and receive credit from Seller at closing in the amount of the deductible under the insurance policy. If Seller fails to comply with this contract, Seller will be in default and Buyer may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money, thereby releasing both parties from this contract.

Escrow agent may require any disbursement made in connection with this contract to be conditioned on escrow agent's collection of good funds acceptable to escrow agent.
  - B. **EXPENSES:** At closing, the earnest money must be applied first to any cash down payment, then to Buyer's Expenses and any excess refunded to Buyer. If no closing occurs, escrow agent may: (i) require a written release of liability of the escrow agent from all parties; and (ii) require payment of unpaid expenses incurred on behalf of a party. Escrow agent may deduct authorized expenses from the earnest money payable to a party. "Authorized expenses" means expenses incurred by escrow agent on behalf of the party entitled to the earnest money that were authorized by this contract or that party.
  - C. **DEMAND:** Upon termination of this contract, either party or the escrow agent may send a release of earnest money to each party and the parties shall execute counterparts of the release and deliver same to the escrow agent. If either party fails to execute the release, either party may make a written demand to the escrow agent for the earnest money. If only one party makes written demand for the earnest money, escrow agent shall promptly provide a copy of the demand to the other party. If escrow agent does not receive written objection to the demand from the other party within 15 days, escrow agent may disburse the earnest money to the party making demand reduced by the amount of unpaid expenses incurred on behalf of the party receiving the earnest money and escrow agent may pay the same to the creditors. If escrow agent complies with the provisions of this paragraph, each party hereby releases escrow agent from all adverse claims related to the disbursement of the earnest money.
  - D. **DAMAGES:** Any party who wrongfully fails or refuses to sign a release acceptable to the escrow agent within 7 days of receipt of the request will be liable to the other party for (i) damages; (ii) the earnest money; (iii) reasonable attorney's fees; and (iv) all costs of suit.
  - E. **NOTICES:** Escrow agent's notices will be effective when sent in compliance with Paragraph 21. Notice of objection to the demand will be deemed effective upon receipt by escrow agent.

Unless expressly prohibited by written agreement, Seller may continue to show the Property and receive, negotiate and accept back up offers.
- 20. FEDERAL TAX REQUIREMENTS:** If Seller is a "foreign person," as defined by Internal Revenue Code and its regulations, or if Seller fails to deliver an affidavit or a certificate of non-foreign status to Buyer that Seller is not a "foreign person," then Buyer shall withhold from the sales proceeds an amount sufficient to comply with applicable tax law and deliver the same to the

I'm of the belief the Contract can be written with "Estate of Ernest Heimlich" showing as the Seller, providing that my purchase and assignment is mentioned in special provisions.

This will save me the expense of filing the contract for my purchase in the property records for my protection.

I suggest wording to this effect:

***Edmund Heimlich is assigning his contract to purchase this property in exchange for the difference in his purchase price and the sales price of this contract.***

With my printed name followed by space for my signature underneath.

David Cook can then sign the contract same as he did on the contract selling the property to me.

This should make for a smooth and easy transaction avoiding the creation of any potential clouds on the title.

I look forward to being presented with the contract for my signature in special provisions. This can come after both the final Buyer and David, as representative of the Estate, have signed.

It can then be presented in the Court for the submission currently scheduled for February 7.

STATE OF TEXAS       §  
                                  §  
COUNTY OF HARRIS   §

**AFFIDAVIT IN SUPPORT OF ATTORNEY'S FEES AND EXPENSES**

BEFORE ME, on this day appeared DAVID S. COOK, known to me to be the person whose name is undersigned, who being first by me duly sworn, stated:

1. "My name is David S. Cook. I am over the age of twenty-one (21) years, have never been convicted of a felony or a crime of moral turpitude, and have personal knowledge of the facts set forth herein which are true and correct.
2. I am the dependent administrator of the Estate of Ernest Heimlich, Deceased. I make this affidavit in support of the amount of attorney's fees and expenses incurred in this matter.
3. I am an attorney licensed to practice law in the State of Texas since 1996. I practice in the area of Probate. I am identified as "DC" on the attached invoice.
4. My office is located at 211 W. 11<sup>th</sup> Street, Houston, Texas 77008.
5. I am familiar with the nature of the legal services set forth in the attached invoice.
6. The amount of reasonable and necessary attorney's fees and the expenses incurred in connection with the lawsuit seeking to declare the Mechanic's Lien filed by Edmund Heimlich to be void is in the total sum of \$3,352.41 as shown on the attached invoice No. 00792.
7. I bill at the current rate of \$425.00 per hour, but I reduced my fee to \$375 an hour for this matter. The rate of \$325 for an attorney of my experience is reasonable, in light of comparable fees charged by other similar attorneys in Harris County, Texas.

DAVID S. COOK, the undersigned, attached invoice.

DAVID S. COOK, the undersigned, the expenses incurred.

DAVID S. COOK, the undersigned, the amount of the fees.

DAVID S. COOK, the undersigned, the attached invoice No.

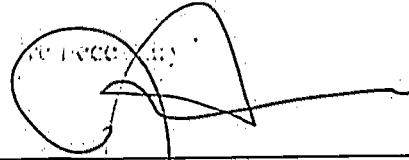

8. I have been an attorney for more than 25 years. I am board certified in probate law. I have focused 100% my legal career as a practicing attorney in non-litigated and litigated probate matters.
9. I have personally reviewed the reported charges of time and expenses in connection to this cause, and I am of the opinion that the time spent, costs incurred, and rates charged for such legal services have been reasonable, just and necessary in every instance.
10. Furthermore, an amount of the net proceeds from the sale of the Comstock Property are currently held in escrow as required by the title company, and will not be released until the lien has been paid or released by a summary order pursuant to Texas Property Code Section 53.160. As a result of Ed Heimlich's wrongful filing of Mechanic's Lien, I—as Administrator—was compelled to bring the petition to declare his Mechanic's Lien as invalid as a condition of sale and release of the remaining sales net proceeds; consequently, the fees and expenses incurred herein were necessary."
