Why did Vacek associate Candace Kunz-Freed have Vacek’s client, Nelva Brunsting, subjected to a [competency evaluation](#) if not to have her declared incompetent so the predators could loot the family trust using the Guardianship protection racket?

Why have the cestui que’ of the Brunsting family trust had their property held hostage in Harris County Probate Court No. 4, for more than eight years without a single dispositive issue being ruled upon?

If this is not an estate planning attorney bait and switch fed money cow hostage / ransom scheme, what is it?
