

APPOINTMENT OF SUCCESSOR TRUSTEES

WHEREAS, NELVA E. BRUNSTING, is a Founder of the Brunsting Family Living Trust dated October 10, 1996, as amended (the "Trust Agreement"); and,

WHEREAS, Pursuant to Article IV, Section B, of the Brunsting Family Living Trust entitled "Our Successor Trustees," an original Trustee will have the right to appoint his or her own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any other reason, as well as specify conditions relevant to such appointment; and

WHEREAS, ELMER H. BRUNSTING, died on April 1, 2009. The Brunsting Family Living Trust authorized the creation of subsequent subtrusts known as the NELVA E. BRUNSTING SURVIVOR'S TRUST and the ELMER H. BRUNSTING DECEDENT'S TRUST. The full legal names of the said subtrusts are:

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the NELVA E. BRUNSTING SURVIVOR'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the ELMER H. BRUNSTING DECEDENT'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

WHEREAS, the said NELVA E. BRUNSTING is desirous of exercising her right as original Trustee to designate, name and appoint her own successors to serve as Trustees in the event that she ceases to serve by reason of death, disability or for any other reason, as well as specify conditions of such appointment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

NELVA E. BRUNSTING makes the following appointment:

If I, NELVA E. BRUNSTING, fail or cease to serve by reason of death, disability or for any other reason, then the following individuals will serve as successor Co-Trustees:

ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART

If a successor Co-Trustee is unable or unwilling to serve for any reason, the remaining Co-Trustee shall serve alone. However, if neither Co-Trustee is able or willing to serve, then THE FROST NATIONAL BANK shall serve as successor Trustee.

In order to maintain the integrity of the Trust Agreement and to meet my estate planning desires and goals, my Trustees shall comply with the directive set forth below to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this document or any subsequent documents signed by the Founders, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in the Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

2. Obtain the Release of Protected Health Information

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. The Founder has signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical

information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

3. Determination of "Incompetence" or "Incapacity"

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physician-patient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately upon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the said Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust dated October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.

WITNESS MY HAND on August 25, 2010.
