

most appropriate use of said exemption; however, the Trustee's final determination shall be made in his or her sole and absolute discretion and shall be binding upon all parties howsoever interested in this Trust.

1. Trustee's Power to Combine and Divide Trusts: If a trust hereunder would be partially exempt from GST Tax by reason of an allocation of GST Tax exemption to it, before the allocation the Trustee in his discretion may divide the trust into two separate trusts of equal or unequal value, to permit allocation of the exemption solely to one trust which will be entirely exempt from GST Tax. The Trustee of any trust shall have authority, in the Trustee's sole discretion, to combine that trust with any other trust or trusts having the same exempt or nonexempt character, including trusts established (during life or at death) by the Trustor or any of his issue; and the Trustee may establish separate shares in a combined trust if and as needed to preserve the rights and protect the interests of the various beneficiaries if the trusts being combined do not have identical terms or if separate shares are otherwise deemed desirable by the Trustee. These powers to combine and divide trusts may be exercised from time to time, and may be used to modify or reverse their prior exercise. In deciding whether and how to exercise this authority the Trustee may take account of efficiencies of administration, generation-skipping and other transfer tax considerations, income tax factors affecting the various trusts and beneficiaries (including determination of life expectancy to be used for Retirement Assets required minimum distribution purposes), the need or desirability of having the same or different trustees for various trusts or shares, and any other considerations the Trustee may deem appropriate to these decisions. Prior to exercising any power to combine trusts under this paragraph, the Trustee shall take into consideration that, where possible and appropriate (keeping in mind the dispositive provisions of the Trust Agreement and the situation of the beneficiary), separate trusts should be maintained so that the trust beneficiaries may enjoy the benefit of distributions from any Retirement Assets being stretched out over their separate life expectancies; in particular, the Trustee shall not merge trusts when one provides for the payout to or for the beneficiary of all withdrawals from IRAs and other Retirement Assets, net of trust expenses, and another provides for the accumulation of income (including IRA and Retirement Asset withdrawals).
2. Same Terms and Provisions for Divided Trusts: Except as expressly provided in the Trust Agreement, when a trust otherwise to be established is divided under the foregoing provisions into exempt and non-exempt trusts or otherwise into separate trusts, each trust shall have the same provisions as the original trust from which it is established, and references in the Trust Agreement to the original trust shall collectively refer to the separate trusts derived from it.
3. Exempt (and Non-Exempt) Character of Property to be Preserved: On termination, partial termination, subdivision or distribution of any of the

separate trusts created by the Trust Agreement, or when it is provided that separate trusts are to be combined, the exempt (zero inclusion ratio) or the non-exempt (inclusion ratio of one) generation-skipping character of the property of the trusts shall be preserved. Accordingly, when property is to be added to or combined with the property of another trust or trusts, or when additional trusts are to be established from one or more sources, non-exempt property or trusts shall not be added to or combined with exempt property or trusts, even if this requires the establishment of additional separate trusts with the same terms and provisions, unless the Trustee believes that economic efficiency or other compelling considerations justify sacrificing their separate generation-skipping characteristics.

4. Trustee's Investment Power; Distributions: Without limiting the foregoing, the Trustor specifically authorizes (but do not require) the Trustee, in administering different trusts wholly or in part for the benefit of a particular beneficiary or group of beneficiaries, to adopt different investment patterns and objectives for different trusts based on whether they are funded by Roth IRAs or other assets and on their generation-skipping ratios, and to prefer making distributions from Retirement Assets other than Roth IRAs and from non-exempt trusts to beneficiaries who are non-skip persons for generation-skipping purposes and from exempt trusts to those who are skip persons. Upon division or distribution of an exempt trust and a nonexempt trust hereunder, the Trustee may allocate property from the exempt trust first to a share from which a generation-skipping transfer is more likely to occur. It is further recommended that to the extent that distributions would be made for the benefit of skip persons and such distributions would be exempt from GST Tax because such distributions are for the payment of medical expenses exempt under IRC Section 2503(e)(2)(B) or for the payment of tuition or educational expenses exempt under IRC Section 2503 (e)(2)(A), such payments to the extent possible be first made from a trust which has an inclusion ratio of one.
  5. Trustee's Exoneration: The Trustor expressly exonerates the Trustee from any liability arising from any exercise or failure to exercise these powers, provided the actions (or inactions) of the Trustee are taken in good faith.
- C. Beneficiary's General Power of Appointment: Should a beneficiary die prior to the creation of his or her separate share of the Trust Estate or die subsequent to the creation of such share but before complete distribution of such share, and as a result of said death a portion of the Trust Estate would be subject to GST Tax but for the provisions of this paragraph, the beneficiary may, pursuant to a general power of appointment exercised in his or her last Will (but not in a codicil) or other writing delivered to the Trustee prior to his or her death and specifically referring to the Trust Agreement, provide for such share to pass to the creditors of that beneficiary's estate, in accordance with the terms set forth below. The asset value subject to such general power of appointment shall be the maximum amount, if any, which, when added to

the beneficiary's net taxable estate (computed prior to said power), will cause the federal estate tax marginal rate to increase until it equals the GST Tax marginal rate; but in no case shall such general power of appointment exceed the asset value of such beneficiary's share. This general power of appointment may be subject to termination and reinstatement by the Trust Protector. To the extent the beneficiary does not effectively exercise the general power of appointment, the unappointed asset value shall be held, administered and distributed in accordance with the other provisions of the Trust Agreement.

### **TRUSTEES ENVIRONMENTAL POWERS**

#### **A. Trustee Authorized to Inspect Property Prior to Acceptance:**

1. **Actions at Expense of Trust Estate:** Prior to acceptance of this Trust by any proposed or designated Trustee (and prior to acceptance of any asset by any proposed, designated or acting Trustee), such Trustee or proposed or designated Trustee shall have the right to take the following actions at the expense of the Trust Estate:
  - a. **Enter Property:** To enter and inspect any existing or proposed asset of the Trust (or of any partnership, limited liability company or corporation in which the Trust holds an interest) for the purpose of determining the existence, location, nature, and magnitude of any past or present release or threatened release of any hazardous substance; and
  - b. **Review Records:** To review records of the currently acting Trustee or of the Trustor (or of any partnership, limited liability company or corporation in which the Trust holds an interest) for the purpose of determining compliance with environmental laws and regulations, including those records relating to permits, licenses, notices, reporting requirements, and governmental monitoring of hazardous waste.
2. **Rights Equivalent to Partner, Member or Shareholder:** The right of the proposed or designated Trustee to enter and inspect assets and records of a partnership, limited liability company or corporation under this provision is equivalent to the right under state law of a partner, member or shareholder to inspect assets and records under similar circumstances.
3. **Right to Still Refuse Acceptance of Trusteeship:** Acts performed by the proposed or designated Trustee under this provision shall not constitute acceptance of the Trust.
4. **Right to Accept Trusteeship Over Other Assets Only:** If an asset of the Trust is discovered upon environmental audit by the acting Trustee or any proposed or designated Trustee to be contaminated with hazardous waste or otherwise

not in compliance with environmental law or regulation, the Trustee may decline to act as Trustee solely as to such asset, and accept the Trusteeship as to all other assets of the Trust. The Trustee, in his discretion, may petition a court to appoint a receiver or special Trustee to hold and manage the rejected asset, pending its final disposition.

5. Right to Reject Asset: Any currently acting Trustee shall have the right to reject any asset proposed to be transferred to the Trustee.

B. Termination, Bifurcation or Modification of The Trust Due to Environmental Liability:

1. Trustee's Powers over Hazardous Waste Property: If the Trust Estate holds one or more assets, the nature, condition, or operation of which is likely to give rise to liability under, or is an actual or threatened violation of any federal, state or local environmental law or regulation, the Trustee may take one or more of the following actions, if the Trustee, in the Trustee's sole and binding discretion, determines that such action is in the best interests of the Trust and its beneficiaries:
  - a. Modify Trust: Modification of trust provisions, upon court approval, granting the Trustee such additional powers as are required to protect the Trust and its beneficiaries from liability or damage relating to actual or threatened violation of any federal, state or local environmental law or regulations, with it being the Trustors' desire that the Trustee keep in mind the Trustors' dispositive wishes expressed elsewhere in this Trust Agreement and that the Trustee consider and weigh any potentially negative federal and state income, gift, estate or inheritance tax consequences to the Trustee, Trust and its beneficiaries;
  - b. Bifurcate Trust: Bifurcation of the Trust to separate said asset from other assets of the Trust Estate;
  - c. Appoint a Special Trustee: Appointment of a special Trustee to administer said asset; and/or
  - d. Abandon Property: Abandonment of such asset.
2. Terminate Trust or Distribute Other Assets: With court approval, the Trustee may terminate the Trust or partially or totally distribute the Trust Estate to beneficiaries.
3. Broad Discretion: It is the intent of the Trustors that the Trustee shall have the widest discretion in identification of and response to administration problems connected to potential environmental law liability to the Trust Estate and the

Trustee, in order to protect the interests of the Trust, the Trustee and the beneficiaries of the Trust.

- C. Trustee's Powers Relating to Environmental Laws: The Trustee shall have the power to take, on behalf of the Trust, any action necessary to prevent, abate, avoid, or otherwise remedy any actual or threatened violation of any federal, state, or local environmental law or regulation, or any condition which may reasonably give rise to liability under any federal, state, or local environmental law or regulation, including, but not limited to, investigations, audits, and actions falling within the definition of "response" as defined in 42 U.S.C. §9601 (25), or any successor statute, relating to any asset, which is or has been held by the Trustee as part of the Trust Estate.
- D. Indemnification of Trustee from Trust Assets for Environmental Expenses:
1. Indemnification and Reimbursement for Good Faith Actions: The Trustee shall be indemnified and reimbursed from the Trust Estate for any liabilities, loss, damages, penalties, costs or expenses arising out of or relating to federal, state or local environmental laws or regulations (hereinafter "environmental expenses"), except those resulting from the Trustee's intentional wrongdoing, bad faith or reckless disregard of his fiduciary obligation.
    - a. Environmental Expenses Defined: Environmental expenses shall include, but not be limited to:
      - (i) Costs of investigation, removal, remediation, response, or other cleanup costs of contamination by hazardous substances, as defined under any environmental law or regulation;
      - (ii) Legal fees and costs arising from any judicial, investigative or administrative proceeding relating to any environmental law or regulation;
      - (iii) Civil or criminal fees, fines or penalties incurred under any environmental law or regulation; and
      - (iv) Fees and costs payable to environmental consultants, engineers, or other experts, including legal counsel, relating to any environmental law or regulation.
    - b. Properties and Businesses Covered: This right to indemnification or reimbursement shall extend to environmental expenses relating to:
      - (i) Any real property or business enterprise, which is or has been at any time owned or operated by the Trustee as part of the Trust Estate; and

- (ii) Any real property or business enterprise, which is or has been at any time owned or operated by a corporation, limited liability company or partnership, in which the Trustee holds or has held at any time an ownership or management interest as part of the Trust Estate.
- 2. Right to Pay Expenses Directly from Trust: The Trustee shall have the right to reimbursement for incurred environmental expenses without the prior requirement of expenditure of the Trustee's own funds in payment of such environmental expenses, and the right to pay environmental expenses directly from Trust assets.
- 3. Right to Lien Trust Assets: The Trustee shall have a primary lien against assets of the Trust for reimbursement of environmental expenses, which are not paid directly from Trust assets.
- E. Exoneration of Trustee for Good Faith Acts Relating to Environmental Law: The Trustee shall not be liable to any beneficiary of the Trust or to any other party for any good faith action or inaction, relating to any environmental law or regulation, or for the payment of any environmental expense (as defined above); provided, however that the Trustee shall be liable for any such action, inaction or payment which is a breach of Trust and is committed in bad faith, or with reckless or intentional disregard of his fiduciary obligations.
- F. Allocation of Environmental Expenses and Receipts Between Principal and Income: The Trustee may, in the Trustee's discretion, allocate between income and principal of the Trust Estate environmental expenses (as defined above) and reimbursements or other funds received from third parties relating to environmental expenses. In making such allocation, the Trustee shall consider the effect of such allocation upon income available for distribution, the value of Trust principal, and the income tax treatment of such expenses and receipts. The Trustee may, in the Trustee's discretion, create a reserve for payment of anticipated environmental expenses.

APPOINTMENT OF SUCCESSOR TRUSTEES

WHEREAS, NELVA E. BRUNSTING, is a Founder of the Brunsting Family Living Trust dated October 10, 1996, as amended (the "Trust Agreement"); and,

WHEREAS, Pursuant to Article IV, Section B, of the Brunsting Family Living Trust entitled "Our Successor Trustees," an original Trustee will have the right to appoint his or her own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any other reason, as well as specify conditions relevant to such appointment; and

WHEREAS, ELMER H. BRUNSTING, died on April 1, 2009. The Brunsting Family Living Trust authorized the creation of subsequent subtrusts known as the NELVA E. BRUNSTING SURVIVOR'S TRUST and the ELMER H. BRUNSTING DECEDENT'S TRUST. The full legal names of the said subtrusts are:

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the NELVA E. BRUNSTING SURVIVOR'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the ELMER H. BRUNSTING DECEDENT'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

WHEREAS, the said NELVA E. BRUNSTING is desirous of exercising her right as original Trustee to designate, name and appoint her own successors to serve as Trustees in the event that she ceases to serve by reason of death, disability or for any other reason, as well as specify conditions of such appointment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

NELVA E. BRUNSTING makes the following appointment:

If I, NELVA E. BRUNSTING, fail or cease to serve by reason of death, disability or for any other reason, then the following individuals will serve as successor Co-Trustees:

ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART

If a successor Co-Trustee is unable or unwilling to serve for any reason, the remaining Co-Trustee shall serve alone. However, if neither Co-Trustee is able or willing to serve, then THE FROST NATIONAL BANK shall serve as successor Trustee.

In order to maintain the integrity of the Trust Agreement and to meet my estate planning desires and goals, my Trustees shall comply with the directive set forth below to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

**1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information**

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this document or any subsequent documents signed by the Founders, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in the Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

**2. Obtain the Release of Protected Health Information**

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. The Founder has signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical

information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

### **3. Determination of "Incompetence" or "Incapacity"**

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physician-patient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately upon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the said Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust dated October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to,

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

### **3. Determination of "Incompetence" or "Incapacity"**

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physician-patient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries

participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately upon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the said Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust dated October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.

WITNESS MY HAND on December 21, 2010.
