Estelle &
Barbara- Due to your aggressively disruptive, abusive, and threatening behavior at St. Lukes Hospital last night, I am restricting your visits with your mother while she is recuperating. She needs quiet, rest, and calm. Barbara, you are very aware that I am the court appointed legal guardian; your agency under the Powers of Attorney was terminated on Sept 19, 2017, the date that I was appointed. You may not try to use the void POA's to receive or give information or to make any decisions on your mother's behalf. Such action is in direct violation of a court order.
If you have specific information about your mother's medical history, such as the allergies that you mentioned and anything else, kindly forward that information. Thank you, Michele K.
