Barbara & Estelle,

Your mother now resides at The Gardens of Bellaire. However, she is currently at St. Lukes' hospital because she fell over the weekend and is under observation there. She is also being treated for the infection on her hand that you had taken her to Dr. Nichols for; but, she wasn't hospitalized for the infection. I'm not sure when she will be released from St. Lukes to return to The Gardens.

You may visit her at the hospital, room 2426, anytime this evening from 7:00 until the end of visitation hours. I do NOT authorize either of you to discuss her with any staff at the hospital. During the day she must rest and have therapy.

I will notify you both when she is discharged.

Barbara-please forward this message to Estelle as I don't have her e-mail address.
