

87. At the March 9, 2016 status/setting conference Attorney Neal Spielman makes numerous disingenuous statements in opposition to Curtis' request to set the pending motions for summary judgement, but then he says things that are as revealing as they are troubling. (emphasis added for easy reference):

**Transcript March 9, 2016**

88. Page 12 beginning at line 22 (Exhibit 16: E1200)

*MR. SPIELMAN : We all, collectively, the parties and their counsel at the time, we all agreed to Mr . Lester taking the role that he was taking. And Ms. Curtis, herself, I believe, on the record, spoke of having done her due diligence into every person that was suggested by any attorney that was in this room to serve in Mr. Lester's role, and it was Ms. Curtis' opinion that only Mr. Lester can serve in that role*

*We all, as attorneys or as pro se parties, agreed that what the function that was designated to Mr. Lester was important, was necessary, and that we were going to live by and abide by the report that he wrote.*

*The problem that I see right now, and one of the reasons I suspect why Mr. Mendel suggested that we go to mediation is in deference to and with respect for what Mr. Lester said in his report and what he seems to be trying to suggest to the parties as to what the future of this lawsuit might hold.*

*I think that what we're seeing now is an effort to backtrack from the direction that Mr. Lester tried to set us on and some of the conclusions or recommendations that he made as to what some of these claims, particularly the ones that Ms. Curtis is attempting to bring forward in summary judgment, are going to actually look like.*

*I think the effort to backtrack from what Mr. Lester was instructed to do/ordered to do and what he did, in retrospect, you have to wonder what was the point of even having done that if the parties, or a party, is now going to try to back away from the impact of what that was done?*

89. At Page 14 (E1203) beginning at Line 3 Spielman makes a revealing and disturbing statement indicating additional collusions:

*One of the reasons we thought that mediation, like Mr. Lester suggested that mediation might work, is that the right mediator, he talked to talked about the idea of using a former judge -I think we talked about that in the courtroom last time -that the right mediator might help to explain, to educate, to unentrench anybody -whether that be me, whether that be Mr. Mendel, whether that be Ms.*

Bayless, whether that be Ms. Brunsting, Ms. Curtis, whomever. I think Mr. Lester saw the wisdom in mediation. I think we see the wisdom in mediation. But the consternation or the concern at this point, again, is this issue that Ms. Curtis seems to be unwilling to appreciate, adapt, recognize, embrace what Mr. Lester concluded or recommended in his report; and if that's the case, then I wonder if, if spending the money that it takes to go to mediation makes sense.

Frankly, Judge, the most interesting thing that I heard Ms. Curtis say was on the issue of attorneys fees and that that doesn't matter to her; and that is exactly part of the point. I think you were in the courtroom, Judge, the last time when Carole Brunsting made a very impassioned plea or explanation to the Court about how Ms. Curtis' pro se status and her, her need to be a lawyer and her failure to appreciate what it costs, what the costs of this lawsuit are, is never going to lead to this being resolved. lost my train of thought there for a second. I may have But the point here, Judge, is there seems to be no accountability on Ms. Curtis' behalf for the amount of money that is being spent in this case. Parties have, in the past, suggested, oh, let's not worry about the attorneys fees because that will all even out at the end of the story when everybody decides to divide by five, the corpus of the trust, and the winning parties or the prevailing parties can everything can be adjusted through the division of that estate. But, Your Honor, if you look at what Mr. Lester recommended/suggested/reported in his report, there's now the very real possibility that there isn't going to be a divide-by-five scenario because of the no-contest clauses that are recognized as being properly drawn by the Vacek & Freed Law Firm. And if that happens, Judge, then the trust is now spending its own money from those people, whether it be three or four, that are still going to get a portion of the estate, a portion of the trust proceeds when this is all said and done.

I'm rambling just a bit only because it's such a circular discussion -is how do we get this case finished given given the backtracking from everybody's willingness to vest Mr. Lester with the authority to proceed/ and now the one person who doesn't like what he said, after she filed motions for summary judgment that are direct contradiction to the conclusions that he reached. The very constant of having to come down here and respond to those to those motions for summary judgment the amount of money that that will waste is insulting, is offensive to the parties.

I'd love to come up with a creative idea to create some accountability/ perhaps, if it comes in the form of a sanction or perhaps it comes in the form of some kind of bond being posted so that if it turns out that one of the parties who is blowing things up as it were and creating this increased attorneys fees no longer has an interest in the estate with which we can even that out by the end of the day. Perhaps if Ms. Curtis is ordered to post a bond against her claims or to protect against the ability --our ability to recover fees from her if, as and when she loses her case perhaps then we can move forward with additional hearings additional motions and so forth.

90. Page 17 (E1205) lines 1-13:

*Keep in mind, Judge, that it's not simply --it's not as simple as getting a date for Ms. Curtis' summary judgment motions. There's been no discovery, in terms of depositions done in this case, not the least of which will be depositions from, perhaps, even from the lawyers in the other district court case who drafted the documents that can explain what all went into those documents, what Nelva Brunsting's state of mind was at the time. There's no way to respond to those summary judgment motions right now without the full weight of the discovery process moving forward and all of the money that that's going to cost.*

91. These claims are in direct opposition to the claims Defendants made in their No-evidence Motion. In Defendants' June 25, 2015 No-Evidence Motion for Partial Summary Judgment at page 1 item I (E20):

*I. Summary of the Argument*

*This litigation started more than thirty-eight (38) months ago. Plaintiffs had sufficient time for discovery in this suit and the three (3) other actions related to the 8/25/10 QBD (defined below). Plaintiffs challenge the 8/25/10 QBD on the following grounds, for which there is no evidence:*

*foot note:*

*1 Those three other proceedings are: (1) No. 4:12-CV-00592; Candace Louise Curtis v. Anita Kay Brunsting; United States District Court for the Southern District of Texas, Houston Division; (2) CA No, 2012-14538; In re Carl Brunsting (202 Petition); 80TH Judicial District Court of Harris County, TX; and (3) CA No. 2013-05455; Carl Henry Brunsting v. Candace Freed & Vacek & Freed; 164TH Judicial District Court of Harris County, TX.*

92. However, the most disturbing thing in Mr. Spielman's diatribe were the references to dialogs at a previous hearing involving Mr. Lester, when there was no previous hearing involving Mr. Lester where these matters were properly before the Court.

*One of the reasons we thought that mediation, like Mr. Lester suggested that mediation might work, is that the right mediator, he talked to talked about the idea of using a former judge -I think we talked about that in the courtroom last time -that the right mediator might help to explain, to educate, to unentrench anybody -*

*... I think you were in the courtroom, Judge, the last time when Carole Brunsting made a very impassioned plea or explanation to the Court about how Ms. Curtis' pro se status and her, her need to be a lawyer and her failure to appreciate what it costs, what the costs of this lawsuit are, is never going to lead to this being resolved*

**XI. THESE DISCUSSIONS WERE HIGHLY IMPROPER**

93. Plaintiff Curtis is an heir and an interested person but not a party to the estate litigation.

94. Candace Louise Curtis v Anita Brunsting et al., (Curtis v Brunsting) was filed in the federal Court fourteen months prior to the first estate claims and having survived dismissal under the Probate Exception to federal diversity jurisdiction, it is inarguably established that Curtis v Brunsting is not connected to the probate of the estate (Exhibit 17: E1243-E1248) and is not subject to probate administration.

95. The only hearing that involved Greg Lester prior to March 9, 2016 was the September 10, 2015 hearing on Greg Lester's September 1, 2015 application to retain counsel to assist him in his fiduciary duties to the estate.

96. The only matter properly before the court on September 10, 2015 was whether or not Mr. Lester should have the authority to retain Jill Willard Young to assist him in his administration obligations to the estate.

97. Neither individual Plaintiff Candace Curtis nor individual Plaintiff Carl Brunsting was in attendance September 10, 2015, as neither is party to the estate litigation and neither objected to Mr. Lester retaining Jill Young to assist with his fiduciary duty to evaluate the estate's claims. That was the only issue properly before the Court on September 10, 2015 and did not include the matters Mr. Spielman states were discussed and where there was apparently an agreement made to treat the Gregory Lester report as if it were a jury verdict before it was even written.

98. Plaintiff has been unsuccessful in attempts to obtain a transcript of this September 10, 2015 hearing.

99. The inescapable conclusion here is that there were improper discussions outside of the presence of the Plaintiffs who were prejudiced by those discussions, involving matters not properly before the Court, wherein there were agreements made between the Court, Jill Willard Young, Neal Spielman, Bradley Featherston, Stephen Mendel and Gregory Lester to produce a fictitious report. They all apparently agreed to follow the as of yet unwritten report as if it were factual, that the false report would be used to further the extortion plot, that mediation would be forced upon Plaintiffs, that the costs of litigation for Plaintiff Curtis would be exacerbated, that there would be extended delay and, that another crony had been hand selected to act first as mediator and then as arbiter. First to “unentrench” Plaintiff Curtis from her stand upon rights and reliance upon the rule of law in the face of this all too obvious public corruption conspiracy and second, to deprive Plaintiff of substantive due process and access to the Court.

100. Defendants continue to use the forged 8/25/2010 QBD (extortion instrument) to threaten Plaintiffs with disinheritance, going so far as to refer to the September 10, 2015 conspiracy for the proposition that the instrument has been held valid:

**Transcript of March 9, 2016 Page 15 (E1203) lines 16-21:**

*But, Your Honor, if you look at what Mr. Lester recommended/suggested/reported in his report, there's now the very real possibility that there isn't going to be a divide-by - five scenario because of the no - contest clauses that are recognized as being properly drawn by the Vacek & Freed Law Firm.*

**XII. FRAUD UPON PLAINTIFF AND THIS COURT**

101. After Defendants claimed there was no evidence the forged 8/25/2010 QBD was invalid, Defendants removed their no-evidence motion from calendar knowing they cannot answer Plaintiff Curtis’ demand to produce the thing, explain away the anomalies, and qualify it as evidence, and yet they continue to threaten Plaintiffs with the bogus instrument’s “no contest

clause” with the transparent collusion of involuntary Plaintiff Carl Brunsting’s Attorney and the probate Court.

102. The probate plan is thus, according to Mr. Spielman, to subject Plaintiffs to endless delay and expense until the Plaintiff victims agree to pay fee ransoms to the attorneys who are holding the beneficiaries’ property hostage.

103. Defendants have not willingly honored any agreements, not the trust agreement, not the remand agreement, and cannot be expected to honor any mediated settlement agreement.

104. Defendants knew when they agreed to honor the federal injunction and the Orders entered by this Court as a condition of the remand, that they had no intentions of honoring any legal or moral obligations. Defendants refuse to honor the federal injunction and the orders of this Court even after having promised to do so as a condition of the remand stipulation and Defendants’ own pleadings in the probate Court are conclusive evidence of the existence of that fact.

105. Defendants will not, because they cannot, bring forth the archetype of the 8/25/2010 QBD and qualify the thing as evidence. If they could answer Plaintiff Curtis’ Motion and Demand to Produce Evidence they certainly would have done so.

106. Instead, Defendants’ attorneys conspired with the Court to avoid evidentiary hearings knowing they cannot produce the forged 8/25/2010 QBD extortion instrument and qualify it as evidence, and continue to use it to threaten and intimidate Plaintiffs Curtis and Carl Brunsting.

107. Mr. Spielman confessed on March 9, 2016 that the attorneys conspired at the hearing on application to retain Jill Young, with the probate Court Judges, the Court’s crony administrator Gregory Lester, and Jill Young, entering into an illicit agreement to produce a

fictitious “report” and to subsequently treat the fiction as if it were the equivalent of a jury verdict, and this all occurred before the “Report” was even written.

108. Thus, after removing their no-evidence summary judgement motion from calendar knowing their precious 8/25/2010 QBD is a forgery and that they cannot produce the heinous thing and qualify it as evidence, Defendants’ attorneys none-the-less continued to use the no-contest clause ruse in the forged 8/25/2010 “extortion instrument”, to threaten and attempt to intimidate the Plaintiff victims, who they know full well are owed fiduciary obligations by these Defendants.

109. It is important to note that there are known trust assets that remain unaccounted for. For example, none of the quasi-accountings received from the Defendants reflect the accounts receivable for a \$100,000 loan Anita received from the trust in 1999.<sup>8</sup>

110. Moreover, an amendment to the 1996 trust dated April 30, 1999, disclosed by Vacek & Freed in the District Court lawsuit, specifically identifies the \$100,000 loan as an advance on Anita’s inheritance. That trust amendment was never disclosed by Anita Brunsting in the course of Curtis v Brunsting or the estate suits in the probate Court.

111. A covert letter to the Special Master dated July 15, 2015<sup>9</sup> claims Nelva wanted to continue a history of gifting by paying off Amy and Carole’s homes as “she and her husband did the same for Anita in approximately 2005” (Exhibit 21: E1410-E1412) when the public record shows the loan occurred July 1, 1999.

### **XIII. REQUEST FOR JUDICIAL NOTICE**

112. Plaintiff Curtis respectfully asks this Court to take Judicial Notice of her first amended complaint filed Pro se May 1, 2013. That amendment was rejected for filing because

<sup>9</sup> Case 4:12-cv-00592 Document 67-1 Filed in TXSD on 08/27/13

Plaintiff Curtis failed to document her efforts to obtain Defendants' consent for the amended complaint. Plaintiff at that time was asking to amend her complaint to bring the matter under federal question jurisdiction based upon evidence obtained after the initial filing. The Jurisdictional Statement in that pre-Ostrom amendment to Curtis' complaint reads as follows:<sup>10</sup>

4. *This matter was originally brought in equity as breach of fiduciary and related equitable claims that included a common law tort claim under diversity jurisdiction pursuant to 28 USC §1332 (a) (1) - 28 USC §1332 (b) and 28 USC §1332 (C) (2). Plaintiff hereby incorporates those claims by reference as if fully restated herein, but with newly discovered evidence presents additional and alternate claims. Additionally, Plaintiff is informed and believes Defendants are not de jure trustees.*

5. *This complaint now alleges violations of the wire, mail and securities laws of the United States as expressed in Chapter 63 of Title 18 of the United States Code, and Plaintiff is seeking to pursue additional remedies under 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act").*

6. *This court has federal question jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§1331 and 1367 and Section 27 of the Exchange Act (15 U.S.C. §78aa) and exclusive jurisdiction over these claims as this action arises under Section 10(b) of the Exchange Act (15 U.S.C. §§78j(b) and Rule 10b-5 promulgated thereunder (17 C.F.R. § 240.10b-5) and the causes of action implied therefrom.*

7. *In connection with the acts and omissions alleged in this complaint, Defendants, directly or indirectly, used the means and instrumentalities of interstate commerce, including, but not limited to, the internet, the mails, interstate telephone communications, and the facilities of the national securities markets.*

113. Attorney Jason Ostrom represented to this Court that the purpose for a remand was to afford complete relief to the parties. When Mr. Ostrom made those representations he was well acquainted with the Harris County Probate Court and its officers, and knew full well there would be no remedy flowing from that Court for anyone but attorneys and court cronies.

114. Ostrom's true motivation for remand was apparently to obstruct justice in pursuit of attorney fees, not to provide any form of relief to the parties.

---

<sup>10</sup> Document No. 48 in this Court's Record

115. Every attorney who has been involved in this case has tried to get the Brunsting Trust removed from an honorable federal Court to Harris County's Probate Court. The reasons at this juncture are crystal clear and have nothing to do with the honest administration of justice.

#### **XIV. CONCLUSION**

116. Both Plaintiffs' and Defendants' attorneys' intentional misrepresentations before this honorable Court, that the purpose for a remand was to provide complete relief to the parties, unfairly and unnecessarily polluted diversity to procure the Remand Orders, and in so doing deprived Plaintiff Curtis of a legitimate judicial forum to which she was and is entitled in this case.

117. Everyone involved in this case except Plaintiff Curtis has taken advantage of Carl Brunsting's illness, the Defendants, the Defendants' attorneys, the District Court Defendants and the probate Court.

118. There have been no evidentiary hearings and no rulings have been entered on any substantive issues in the probate Court. The Defendants are paying exorbitant trust income taxes due to the refusal to deposit income into an appropriate account for the beneficiary, as this honorable Court's injunction commands.

119. The attorneys have docketed and un-docketed motions for summary judgment but Plaintiff Curtis cannot buy a hearing, or a scheduling order or a trial date, or an accounting, or respect for the federal injunction, nor respect for any of her rights, and there appears to be no remedy for the parties to be found at the hands of the Harris County Probate Cartel.

120. If there is such a magical document as this 8/25/2010 QBD, that trumps federal injunctions and the Orders of a federal Judge, renders remand agreements nugatory, removes fiduciary obligations, forecloses beneficial interests, taints the blood of innocent remaindermen,

amends what can only be amended by a court of competent jurisdiction and revokes what can only be revoked by a court of competent jurisdiction, the Defendants and their attorneys should be brought before an honorable Court where they will actually be compelled to produce the supernatural thing and qualify it as evidence.

121. Wherefore Plaintiff Curtis respectfully requests that the Court vacate the order granting filing of the amended complaint<sup>11</sup> for fraud upon Plaintiff Curtis and upon this honorable Court, in the interest of justice pursuant to Rules 60(b)(3), (b)(6) and (d)(3) of the Federal Rules of Civil Procedure, voiding the subsequent Remand Order<sup>12</sup> as a matter of right, and restoring this case to this honorable Court's docket.

122. Wherefore Plaintiff Curtis further prays the Court issue the attached proposed order or issue its own orders upon such terms as the Court deems most beneficial to the purposes of Equity and Justice and most beneficial to the public policy considerations in upholding the dignity and authority of this Honorable Court.

Plaintiff/Petitioner so moves,

Petitioner hereby verifies, under penalty of perjury pursuant to the laws of the United States of America and Federal Rules of Civil Procedure Rule 11, that the above statements based upon personal knowledge are true and correct, and as to those things asserted on information and belief, affiant believes those things to be true as well.

JURY TRIAL DEMANDED

MOTION FOR LEAVE TO FILE FIRST AMENDED PETITION

TO THE HONORABLE COURT:

Comes Now, Plaintiff, Candice Louis Curtis and files this Motion for Leave to File First Amended Petition pursuant to Federal Rule of Civil Procedure 15(a), and in support thereof would respectfully show as follows:

I. INTRODUCTION

1. In light of recently discovered evidence in this case, Plaintiff moves this Court to permit her to file an amended complaint. The proposed amendment asserts an additional legal theory grounded in the same basic facts as the existing complaint, but that will ensure that all parties to be impacted by the ultimate judgment are participants. Moreover, because the claim to be asserted in the amendment appears to be meritorious, it would be in the interests of justice for this claim to be included in the case.

II. BACKGROUND

2. In her Original Petition, Plaintiff brought causes of action against Defendants Anita Brunsting and Amy Brunsting as Co-Trustees of the Brunsting Family Trust, stemming from

CIVIL ACTION NO. 4:12-CV-592

**MEMORANDUM AND ORDER**  
**PRELIMINARY INJUNCTION**

**I. INTRODUCTION**

Before the Court is the *pro se* plaintiff's, Candace Louise Curtis, renewed application for an *ex parte* temporary restraining order, asset freeze, and preliminary and permanent injunction [Dkt. No. 35]. Also before the Court is the defendants', Anita Kay Brunsting and Amy Ruth Brunsting, memorandum and response to the plaintiff's renewed motion [Dkt. No. 39]. The Court has reviewed the documents presented, including the pleadings, response and exhibits, received testimony and arguments, and determines that the plaintiff's motion for a temporary injunction should be granted.

**II. BACKGROUND**

**A. Procedural Background**

The plaintiff filed her original petition on February 27, 2012, alleging that the defendants had breached their fiduciary obligations under the Brunsting Family Living Trust ("the Trust"). Additionally, the plaintiff claimed extrinsic fraud, constructive fraud, intentional infliction of emotional distress, and sought an accounting, as well as a

recovery of legal fees and damages. The Court denied the plaintiff's request for a temporary restraining order and for injunctive relief. However, concurrent with the Court's order denying the relief sought by the plaintiff, the defendants filed an emergency motion for the removal of a *lis pendens* notice that had been filed by the plaintiff on February 11, 2012, prior to filing her suit.

The defendants sought, by their motion, to have the *lis pendens* notice removed in order that they, as the Trustees of the Trust might sell the family residence and invest the sale proceeds in accordance with Trust instructions. After a telephone conference and consideration of the defendants' argument that the Court lacked jurisdiction, the Court concluded that it lacked jurisdiction, cancelled the *lis pendens* notice, and dismissed the plaintiff's case.

The plaintiff gave notice and appealed the Court's dismissal order. The United States Court of Appeals for the Fifth Circuit determined that the Court's dismissal constituted error. Therefore, the Fifth Circuit reversed the dismissal and remanded the case to this Court for further proceedings. This reversal gave rise to the plaintiff's renewed motion for injunctive relief that is now before the Court.

***B. Contentions of the Parties***

The plaintiff contends that she is a beneficiary of the Trust that the defendants, her sisters, serve as co-trustees. She asserts that, as co-trustees, the defendants owe a fiduciary duty to her to "provide [her] with information concerning trust administration, copies of trust documents and [a] semi-annual accounting." According to the plaintiff,

the defendants have failed to meet their obligation and have wrongfully rebuffed her efforts to obtain the information requested and that she is entitled.

The defendants deny any wrongdoing and assert that the plaintiff's request for injunctive relief should be denied. The defendants admit that a preliminary injunction may be entered by the Court to protect the plaintiff from irreparable harm and to preserve the Court's power to render a meaningful decision after a trial on the merits. *See Canal Auth. of State of Fla. V. Calloway*, 489, F.2d 567, 572 (5th Cir. 1974). Rather, the defendants argue that the plaintiff had not met her burden.

### **III. STANDARD OF REVIEW**

The prerequisites for the granting of a preliminary injunction require a plaintiff to establish that: (a) a substantial likelihood exists that the plaintiff will prevail on the merits; (b) a substantial threat exists that the plaintiff will suffer irreparable injury if the injunction is not granted; (c) the threatened injury to the plaintiff outweighs the threatened harm that the injunction may do to the defendants; and, (d) granting the injunction will not disserve the public interest. *See Calloway*, 489 F.2d at 572-73.

### **IV. DISCUSSION AND ANALYSIS**

The evidence and pleadings before the Court establish that Elmer Henry Brunsting and Nelva Erleen Brunsting created the Brunsting Family Living Trust on October 10, 1996. The copy of the Trust presented to the Court as Exhibit 1, however, reflects an effective date of January 12, 2005. As well, the Trust reveals a total of 14 articles, yet Articles 13 and part of Article 14 are missing from the Trust document. Nevertheless, the Court will assume, for purposes of this Memorandum and Order, that the document

presented as the Trust is, in fact, part of the original Trust created by the Brunstings in 1996.

The Trust states that the Brunstings are parents of five children, all of whom are now adults: Candace Louise Curtis, Carol Ann Brunsting; Carl Henry Brunsting; Amy Ruth Tschirhart; and Anita Kay Brunsting Riley. The Trust reflects that Anita Kay Brunsting Riley was appointed as the initial Trustee and that she was so designated on February 12, 1997, when the Trust was amended. The record does not reflect that any change has since been made.

The plaintiff complains that the Trustee has failed to fulfill the duties of Trustee since her appointment. Moreover, the Court finds that there are unexplained conflicts in the Trust document presented by the defendants. For example, The Trust document [Exhibit 1] shows an execution date of January 12, 2005.<sup>1</sup> At that time, the defendants claim that Anita Kay served as the Trustee. Yet, other records also reflect that Anita Kay accepted the duties of Trustee on December 21, 2010, when her mother, Nelva Erleen resigned as Trustee. Nelva Erleen claimed in her resignation in December that she, not Anita Kay, was the original Trustee.

The record also reflects that the defendants have failed to provide the records requested by the plaintiff as required by Article IX-(E) of the Trust. Nor is there evidence that the Trustee has established separate trusts for each beneficiary, as required under the Trust, even though more than two years has expired since her appointment.

---

<sup>1</sup> It appears that Nelva Erleen Brunsting was the original Trustee and on January 12, 2005, she resigned and appointed Anita Brunsting as the sole Trustee.

In light of what appears to be irregularities in the documents and the failure of the Trustee to act in accordance with the duties required by the Trust, the Court ENJOINS the Trustee(s) and all assigns from disbursing any funds from any Trust accounts without prior permission of the Court. However, any income received for the benefit of the Trust beneficiary is to be deposited appropriately in an account. However, the Trustee shall not borrow funds, engage in new business ventures, or sell real property or other assets without the prior approval of the Court. In essence, all transactions of a financial nature shall require pre-approval of the Court, pending a resolution of disputes between the parties in this case.

The Court shall appoint an independent firm or accountant to gather the financial records of the Trust(s) and provide an accounting of the income and expenses of the Trust(s) since December 21, 2010. The defendants are directed to cooperate with the accountant in this process.

It is so Ordered

**Anita & Amy Brunsting’s Joint  
No-Evidence Motion for Partial Summary Judgment**

Defendants, Anita Brunsting and Amy Brunsting (“Defendants”), file this joint no-evidence motion for partial summary judgment and would respectfully show the Court as follows:

**I. Summary of the Argument**

This litigation started more than thirty-eight (38) months ago. Plaintiffs had sufficient time for discovery in this suit and the three (3) other actions<sup>1</sup> related to the 8/25/10 QBD (defined below). Plaintiffs challenge the 8/25/10 QBD on the following grounds, for which there is no evidence:

1. Nelva’s signature on the 8/25/10 QBD was forged.
2. Nelva lacked capacity when she executed the 8/25/10 QBD.
3. Nelva was unduly influenced into executing the 8/25/10 QBD.
4. Nelva was fraudulently induced into executing the 8/25/10 QBD.
5. Nelva executed the 8/25/10 QBD under duress.

---

<sup>1</sup> Those three other proceedings are: (1) No. 4:12-CV-00592; *Candace Louise Curtis v. Anita Kay Brunsting*; United States District Court for the Southern District of Texas, Houston Division; (2) CA No. 2012-14538; *In re Carl Brunsting* (202 Petition); 80<sup>TH</sup> Judicial District Court of Harris County, TX; and (3) CA No. 2013-05455; *Carl Henry Brunsting v. Candace Freed & Vacek & Freed*; 164<sup>TH</sup> Judicial District Court of Harris County, TX.

## **II. Background**

This is a family dispute among five (5) siblings of the Brunsting family: Carl, Candace, Carol, Anita, and Amy. The dispute involves a trust created by their parents: Elmer Brunsting (“Elmer”) and Nelva Brunsting (“Nelva”).

Elmer and Nelva created the Brunsting Family Living Trust on or about October 10, 1996. The trust was restated on January 12, 2005 (the "Family Trust"). Elmer and Nelva served as trustees of the Family Trust until 2008, when Elmer lost the ability to handle his financial affairs and Nelva served as trustee alone. In 2008, Nelva appointed Carl and Anita to serve as successor co-trustees.

Shortly after Elmer died in April 2009, in accordance with the Family Trust, successor trusts resulted: the Elmer H. Brunsting Decedent's Trust ("Elmer's Decedent's Trust"); and the Nelva E. Brunsting Survivor's Trust ("Nelva's Survivor's Trust"). Nelva served as the trustee of both trusts, with Carl and Anita to serve as successor co-trustees.

In May 2010, Candace wrote, “[Nelva] has saved my house for me a few years in a row now by giving me the money to pay the property taxes. This time I told her she should take it out of my inheritance (that's what Daddy always said). She said no, she could help me.” Candace then continued, “[Nelva] always wants to know what I spend all my money on. Why I have no savings. Why I didn't plan better. [Nelva] treats me like such a FAILURE.” Apparently, Nelva thought Candace was a spendthrift and not good at handling her own financial affairs.

In or about July 2010, Carl was hospitalized for an extended period of time due to herpes encephalitis, an acute infection and inflammation of his brain. As a result, Carl’s mental capacity and cognitive abilities were severely compromised. Carl continues to suffer from residual symptoms, which is why his wife Drina was substituted into this case as his attorney-in-fact.

In accordance with the Family Trust, on August 25, 2010, Nelva executed a Qualified

Beneficiary Designation and Exercise of Testamentary Powers of Appointment (the "8/25/10 QBD"). In short, the document is an exercise of Nelva's testamentary powers of appointment as contemplated by the Family Trust. The document was notarized by Nelva's attorney, Ms. Freed.<sup>2</sup> The chief change that prompted plaintiffs' challenge to the 8/25/10 QBD is that the co-trustees for Carl's and Candace's interest under the trust changed from: (1) Anita and Carl; to (2) Anita and Amy. Apparently, the change in co-trustees from Anita and Carl to Anita and Amy offends Carl and Candace.

Carl and Candace ("Plaintiffs") brought several proceedings alleging every conceivable means to challenge the 8/25/10 QBD. Candace filed a case in Federal Court in February 2012. Carl originally filed a Rule 202 Petition in March 2012. In January 2013, Carl filed a lawsuit against Nelva's attorneys that drafted the 8/25/10 QBD. Carl filed this litigation in this Court in April 2013. Thus, Carl and Candace have had more than thirty-eight (38) months in four (4) separate proceedings to gather evidence regarding the 8/25/10 QBD.

### **III. Argument & Authorities**

This motion relates solely to plaintiffs challenges to the 8/25/10 QBD. It is important to put matters into perspective on plaintiffs' claims related to the 8/25/10 QBD. Ordinarily the laundry list of challenges a contestant makes to an instrument is when there is a disproportionate change in the distribution of property. Here, the 8/25/10 QBD does not affect the percentage of assets each child will receive in trust nor the distributions standards. For plaintiffs, the sole impact is the change in co-trustees from: (1) Anita and Carl; to (2) Anita and Amy.

---

<sup>2</sup> The attorneys' name is Candace Lynne Kunz Freed. Ms. Freed is used to prevent confusion between Nelva's attorney, Candace Freed, and Nelva's daughter, Candace Curtis, since they share the same first name.

Plaintiffs' challenges to the 8/25/10 QBD center on the contention that Nelva would never have appointed Amy to serve in Carl's place as a co-trustee. However, plaintiffs ignore the fact that Carl suffered from herpes encephalitis in July 2010, which caused Carl's substantially diminished physical and mental capacity.

**A. No Evidence Nelva's Signature on the 8/25/10 QBD was Forged.**

Plaintiffs allege the 8/25/10 QBD was forged.

A document is forged if a person signs the document so that it purports to be the act of another who did not authorize the act.<sup>3</sup> The burden of proof rest on those seeking to set aside the instrument to show forgery.<sup>4</sup>

There is no competent summary judgment evidence to support that someone other than Nelva executed the 8/25/10 QBD. Accordingly, this no-evidence motion for summary judgment must be granted.

**B. No Evidence Nelva Lacked Capacity When Executing 8/25/10 QBD.**

Plaintiffs allege Nelva lacked capacity when executing the 8/25/10 QBD.

The law presumes that a trustor has sufficient mental capacity at the time of execution to understand her legal rights.<sup>5</sup> Therefore, the burden of proof rests on those seeking to set aside the instrument to show lack of mental capacity at the time of execution.<sup>6</sup>

Here, plaintiffs must provide competent summary judgment evidence Nelva lacked sufficient

mind and memory to understand the nature and consequences of her acts and the business she was transacting when she executed the 8/25/10 QBD.<sup>7</sup> Plaintiffs can provide no such evidence. Accordingly, this no-evidence motion for summary judgment must be granted.

**C. No Evidence Nelva was Unduly Influenced to Sign the 8/25/10 QBD.**

Plaintiffs alleged Nelva's execution of the 8/25/10 QBD was procured by undue influence.

"Undue influence" means that—

1. an influence existed and was exerted, and
2. the influence undermined or overpowered the mind of the person executing the document at the time of its execution, and
3. the person would not have executed the document but for such influence.<sup>8</sup>

The burden of proving undue influence is upon the party contesting its execution.<sup>9</sup>

Here, there is no evidence that Anita and/or Amy exerted any influence, much less undue influence, to make themselves trustees of Carl's and Candance's share of the trust after Nelva's death.

There is no evidence that, prior to its execution, Nelva had discussions with Anita and/or Amy regarding the terms of the 8/25/10 QBD.

There is no evidence that Anita and/or Amy contacted Nelva's attorney, Ms. Freed, and prescribed the terms or even discussed the terms of the 8/25/10 QBD.

There is no evidence that Anita and/or Amy participated in the drafting of the 8/25/10 QBD.

<sup>9</sup> *Rothermel v. Duncan*, 369 S.W.2d 917, 922 (citing *Scott v. Townsend*, 166 S.W. 1138 (Tex. 1914)).

There is no evidence that Anita and/or Amy were present when Nelva executed the 8/25/10 QBD.

Assuming, without admitting, there was an influence, there is no evidence that Nelva was mentally or physically compromised in August 2010, such that her free will was susceptible to being overcome.

Accordingly, this no-evidence motion for summary judgment must be granted.

**D. No Evidence Nelva Executed the 8/25/10 QBD as a Result of Fraud.**

Plaintiffs allege that Nelva executed the 8/25/10 QBD as a result of fraud. This type of allegation is a species of undue influence.<sup>10</sup> Nevertheless, in an abundance of caution and in the interest of judicial economy, Anita and Amy will specifically address plaintiffs' fraud claims as a separate allegation.

Fraud occurred if—

1. a person made a material misrepresentation, and
2. the misrepresentation was made with knowledge of its falsity or made recklessly without any knowledge of the truth and as a positive assertion, and
3. the misrepresentation was made with the intention of inducing the trustor to sign the document, and
4. Trustor relied on the misrepresentation in signing the document.

“Misrepresentation” means:

A false statement of fact [or]

A promise of future performance made with an intent, at the time the promise was made, not to perform as promised [or]

A statement of opinion based on a false statement of fact [or]

---

<sup>10</sup> TEXAS PATTERN JURY CHARGES: WILL CONTESTS PJC 230.6; *Curry v. Curry*, 270 S.W.2d 208 (Tex. 1954).

A statement of opinion that the maker knows to be false [or]

An expression of opinion that is false, made by one claiming or implying to have special knowledge of the subject matter of the opinion.

“Special knowledge” means knowledge or information superior to that possessed by Trustor and to which Trustor did not have equal access.<sup>11</sup>

The contestant claiming fraud has the burden of proof.<sup>12</sup>

There is no evidence that Anita and/or Amy made any representation to Nelva with the intention of inducing Nelva to sign the 8/25/10 QBD.

Assuming, without admitting, that Anita and/or Amy made a representation to Nelva with the intention of inducing Nelva to sign the 8/25/10 QBD, there is no evidence such representation was false.

Assuming, without admitting, that Anita and/or Amy made a false representation, there is no evidence Nelva relied on the misrepresentation in executing the 8/25/10 QBD.

Accordingly, this no-evidence motion for summary judgment must be granted.

**E. No Evidence Nelva Signed 8/25/10 QBD Under Duress.**

Plaintiffs alleged the 8/25/10 QBD is invalid because Nelva executed it under duress.

Duress is the mental, physical, or economic coercion of another, causing that party to act contrary to his free will and interest.<sup>13</sup>

---

<sup>11</sup> TEXAS PATTERN JURY CHARGES: WILL CONTESTS PJC 230.6.

<sup>12</sup> TEXAS PATTERN JURY CHARGES: WILL CONTESTS PJC 230.6; *In re Estate of Graham*, 69 S.W.3d 598, 612 (Tex. App.—Corpus Christi 2001, no pet.).

The contestant claiming duress bears the burden of proof.<sup>14</sup>

As the Texas Pattern Jury Charge warns, duress is only reached if the alleged coercion can legally constitute duress.<sup>15</sup> “It is never duress to threaten to do that which a party has a legal right to do.”<sup>16</sup>

There is no evidence that Anita and/or Amy used mental coercion to cause Nelva to act contrary to her own free will and interest in executing the 8/25/10 QBD.

There is no evidence that Anita and/or Amy used physical coercion to cause Nelva to act contrary to her own free will and interest in executing the 8/25/10 QBD.

There is no evidence that Anita and/or Amy used economic coercion to cause Nelva to act contrary to her own free will and interest in executing the 8/25/10 QBD.

Accordingly, this no-evidence motion for summary judgment must be granted.

#### **IV. Prayer**

For these reasons, Defendants pray that their no-evidence motion for partial summary judgment be granted and that Defendants receive all other relief, general and special, legal and equitable, to which they or the trusts may be entitled.

**Summary Judgment Issues**

This is a case involving, among other things, a dispute about changes purportedly made to a trust of which all of the parties are beneficiaries, as well as the administration of that trust and disbursements made from that trust after the parties' mother resigned as trustee and Defendant, Anita Kay Brunsting ("Anita"),<sup>1</sup> took over the trustee duties. This Motion for Partial Summary Judgment seeks relief on two specific points at issue in this case.

1. Carl seeks a determination, as a matter of law, that the August 25, 2010 Qualified Beneficiary Designation is null and void because it violates the terms of the Brunsting Family Living Trust as restated on January 12, 2005 (the "Family Trust") which prohibits amendments after the death of the first founder.<sup>2</sup> Elmer, the first founder to die, died in 2009. (Exhibit 4, p. P4347).
2. Carl also seeks a determination, as a matter of law, that disbursements in 2011 of Exxon Mobil stock and Chevron stock were improper distributions for which Anita, as the trustee making the disbursements is liable, and for which the beneficiaries who

received benefits from those distributions are also liable pursuant to Tex. Prop. Code §114.031, including through an offset of the applicable beneficiary's liability against that beneficiary's remaining interest in the trust estate.

Summary Judgment Evidence

The following summary judgment evidence is presented in support of this motion:

1. The Restatement of The Brunsting Family Living Trust dated January 12, 2005 (P317-403)<sup>3</sup> (Exhibit 1)
2. The First Amendment to the Restatement to the Brunsting Family Living Trust dated September 6, 2007 (P444-445) (Exhibit 2)
3. The Qualified Beneficiary Designation and Exercise of Testamentary Powers of Appointment Under Living Trust Agreement dated August 25, 2010 (P407-443) (Exhibit 3)
4. Documents produced by Computershare in Carl's pre-suit discovery action filed on March 9, 2012<sup>4</sup> (P4308-4396) (Exhibit 4)
5. Schedule F from the summaries of transactions provided by Anita on March 27, 2012 (P12168-12170) (Exhibit 5)

**8/25/10 Qualified Beneficiary Designation Is Void As a Matter of Law**

In 1996, Elmer and his wife Nelva E. Brunsting ("Nelva") created the Family Trust. In addition to the restated Family Trust dated January 12, 2005 (Exhibit 1), a further amendment was done on September 6, 2007 which changed the provision naming successor trustees (Exhibit 2). Carl and Amy had been named successor trustees in the Family Trust, with Candy named as a further potential successor co-trustee should either Carl or Amy be unable to serve (Exhibit 1, p. P239, Article IV, Section B). The 2007 amendment named Carl and Candy as successor trustees (Exhibit 2).

Article III of the Family Trust allowed it to be revoked or amended only so long as both founders were living. The Family Trust specified, however, that upon the death of the first founder, the Family Trust "shall not be subject to amendment, except by a court of competent jurisdiction." (Exhibit 1, P. P237, Article III, Section, B, first paragraph). The same section in Article III concerning amendments also addressed the issue of qualified beneficiary designations with the following explanation:

*"Each of us may provide for a different disposition of our share in the trust by using a qualified beneficiary designation, as we define that term in this agreement, and the qualified beneficiary designation will be considered an amendment to this trust as to that Founder's share*

07132015:0809:P0064

or interest alone.” (emphasis added) (Exhibit 1, p. P237, Article III, Section B, second paragraph)

On April 1, 2009, Elmer Brunsting died, thus triggering the provision which stated that the trust had become irrevocable and could no longer be amended, including by way of a qualified beneficiary designation. Elmer’s death also triggered the division of the Family Trust’s assets into the Elmer H. Brunsting Decedent’s Trust (“Decedent’s Trust”) and the Nelva E. Brunsting Survivor’s Trust (“Survivor’s Trust”) (Exhibit 1, p. P257, Article VII, Section B).

In July 2010, when Carl became ill with encephalitis and was in no position to continue to moderate the contentious relationship between his sisters as he had done before, the Defendants took aggressive steps to take control of the Family Trust’s assets to the exclusion of Carl, and in some respects, to the exclusion of Carl’s other sibling, Candy. Those steps culminated in the August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Powers of Appointment Under Living Trust Agreement prepared by Nelva’s counsel.<sup>5</sup> Under that document, only Carl and Candy were stripped of rights they had been afforded under the Family Trust.

This was done despite the lack of ambiguity in Article III of the Family Trust. That Article provides that a qualified beneficiary designation is an amendment to the Family Trust and that no amendment could be made after Elmer died in 2009. Moreover, any confusion that might be caused

<sup>5</sup> A separate action was brought against Vacek & Freed and Candace Freed in Cause No. 2013-05455; *Carl H. Brunsting, Independent Executor of the Estates of Elmer H. Brunsting and Nelva E. Brunsting v. Candace L. Kunz-Freed and Vacek & Freed, PLLC, f/k/a The Vacek Law Firm, PLLC*; In the 164<sup>th</sup> Judicial District Court of Harris County, Texas when that law firm refused to continue a tolling agreement until a resolution could be reached among the Brunsting siblings. That action can not continue to be prosecuted, however, until a successor personal representative is appointed to replace Carl. Some of the issues raised in this motion should make it clear why an action was brought against the attorneys who prepared an instrument in conflict with the provisions of the earlier instrument they, themselves had also prepared.

07132015:0809:P0085

by the title of the document executed on August 25, 2010 which included both the term “qualified beneficiary designation” and “exercise of testamentary powers of appointment” would seem to be dispelled by consulting the definitions contained in Article XIII of the Family Trust. The definition provided for a power of appointment indicates that is simply another name for a qualified beneficiary designation. That definition is found in Article XIII which reads as follows:

10. Power of Appointment or Qualified Beneficiary Designation. Whenever this trust declaration gives a trust beneficiary the power or authority to appoint a beneficiary of the trust, the designation must be in writing and be acknowledged in the form required of acknowledgments by Texas law or exercised by a will executed with the formalities required by law of the trust beneficiary’s residence.

The designation must clearly evidence the intent of the trust beneficiary to exercise a power of appointment; and, the written beneficiary designation must have been delivered to the Trustee prior to the trust beneficiary’s death or, if exercised by will, must subsequently be admitted to probate no matter the time interval.

The term of this trust may be extended if the qualified beneficiary designation requires that a beneficiary’s interest remain in trust, or the trust may be divided and be held as a separate trust which is governed by the terms of this trust declaration. (Exhibit 1, p. P309, Article XIII, definition 10).

While that is really more of a recitation of the requirements than a definition, what it does make clear is that, under the terms of the Family Trust, a qualified beneficiary designation and a power of appointment are one and the same. Thus, regardless of whether it was called a qualified beneficiary designation, a power of appointment, or both, the Family Trust states that it is to be

07132015:0809:P0086

considered an amendment to the trust.<sup>6</sup> As such it was prohibited by the Family Trust after the death of one of the founders. The 8/25/10 Qualified Beneficiary Designation was prepared after Elmer's death and is, therefore, void as a matter of law.

IV.

**Stock Transfers Were Improper as a Matter of Law**

Anita took over the role of trustee from her mother on December 21, 2010. (Exhibit 7). Once Anita took over as trustee, she used her new position of control to make distributions of substantial portions of Exxon Mobil and Chevron stock to herself, her children, her sisters, and one of her sister's children, and to the exclusion of her ill brother, Carl, who, after his mother, was the one most in need of assistance. Those transactions were as follows:

1. Anita transferred 1120 shares of Exxon Mobil stock to Amy from the Survivor's Trust on May 9, 2011 (Exhibit 4, p. P4310, 7<sup>th</sup> paragraph; p. P4385-4386)
2. Anita transferred 160 shares of Exxon Mobil stock to herself from the Survivor's Trust on June 13, 2011 (Exhibit 4, p. P4310, 8<sup>th</sup> paragraph, p. P4387-4388)

---

<sup>6</sup> While Defendants may attempt to claim confusion because of the inclusion of language in Article VIII, Sections B and C suggesting the surviving founder would have some right to make powers of appointment (Exhibit 1, p. P262 and 264), those provisions, at best, conflict with, but do not negate, the provisions indicating such to be just another name for a qualified beneficiary designation which is not allowed after the first founder's death because it would be an attempted amendment to a trust which is no longer revocable. (Exhibit 1, p. P237, Section B). And should Defendants attempt to assert that there is some different status given to a power of appointment pursuant to the terms of the Family Trust, that is not specified anywhere, nor was any distinction preserved by the 8/25/10 Qualified Beneficiary Designation itself.

07132015:0809:P0087

3. Anita transferred 135 shares of Chevron stock to herself from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12169, bottom of page under "Anita became trustee Dec. 2011")<sup>7</sup>
4. Anita transferred 135 shares of Chevron stock to Amy's minor daughter, Ann Brunsting, from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12170)
5. Anita transferred 135 shares of Chevron stock to Amy's minor son, Jack Brunsting, from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12170)
6. Anita transferred 135 shares of Chevron stock to her own minor daughter, Katie Riley, from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12170)
7. Anita transferred 135 shares of Chevron stock to her own son, Luke Riley, from the Survivor's Trust on June 14, 2011 (Exhibit 5, p. P12170)
8. Anita transferred 160 shares of Exxon Mobil stock to Candy from the Survivor's Trust on June 15, 2011 (Exhibit 4, p. P4310, 8<sup>th</sup> paragraph; p. P4387-4388)

---

<sup>7</sup> The proof of the transfers of Chevron stock must be taken from Anita's summaries provided on March 27, 2011 because Carl is aware of no transfer documents ever having been provided by Anita. Likewise, the documents concerning the Exxon Mobil stock transfers were not provided by Anita, but Carl had learned of those transfers from Candy and sought the records directly from Exxon Mobil's transfer agent through the pre-suit discovery action he filed on March 9, 2012. It was only after Anita received notice of that action that she provided her unsupported summary. The inadequacies of Anita's disclosures as a fiduciary, however, will be addressed at a later time.

07132015:0809:PO088

9. Anita transferred 1325 shares of Exxon Mobil stock to Carole from the Decedent's Trust on June 15, 2011 (Exhibit 4, p. P4310, 3<sup>rd</sup> paragraph; p. P4362; p. P4369-4370)

None of these transfers were authorized by the provisions of the Family Trust. One reason they are unauthorized is that all of the shares of stock, other than those transferred to Carole, were transferred from the Survivor's Trust. Article VIII of the Family Trust requires the Survivor's Trust to be administered solely for the surviving founder's benefit.<sup>8</sup> That Article requires distributions, whether of income<sup>9</sup> or principal to be for the founder's benefit as may be necessary for her education, health, maintenance, and support. (Exhibit 1, p. P261-263, Article VIII, Section B and C). These disbursements were not to the surviving founder or for her benefit<sup>10</sup> and thus were not authorized by the Family Trust.

And even if the Family Trust had provided for distributions from the Survivor's Trust to someone other than the surviving founder, these were distributions of principal. Therefore, Anita, as trustee, was required to follow the specified standards for disbursements for the surviving

---

<sup>8</sup> Once again, after the party vacancy has been cured, the issue of Vacek & Freed's role in the administration of the Family Trust is one which needs to be addressed in the case filed against that law firm, but it is clear that Vacek & Freed took on Anita's representation as trustee and that they also continued to represent Nelva until her death. In addition to the damages caused by these improper transfers, if the transfers are not reversed, the question of tax consequences raised by failing to use the Survivor's Trust only for Nelva's benefit will have to be explored.

<sup>9</sup> In addition to the lost value of the shares themselves, all shares were dividend-bearing shares during the period after they were transferred, and those amounts of income were also lost.

<sup>10</sup> In fact, there is a significant question concerning whether grandchildren would have been entitled, under any circumstances, to distributions from the Family Trust until the death of both founders. Article I, Section C limits descendants to the named children of Elmer and Nelva Brunsting and any children subsequently born to or adopted by Elmer and Nelva. (Exhibit 1, p. P234, last full paragraph).

07132015:0809:PO089

founder's education, health, maintenance, or support. (Exhibit 1, p. P262-263). Instead, Anita has admitted in her responses to Candy's interrogatories that she did not take anything into consideration, including whether the distributions were necessary or advisable even to the recipients,<sup>11</sup> much less to the surviving founder. Instead, Anita indicated such transfers were "made at Nelva Brunsting's instruction."<sup>12</sup> (Exhibit 6, Responses to Interrogatory Numbers 3, 4, 5). That is not a basis under the terms of the Family Trust for these transfers, even if they had been otherwise authorized transfers. Thus, these transfers resulted from Anita's breach of her fiduciary duties<sup>13</sup> and were improper as a matter of law.

And although the disbursement of 1325 shares of Exxon Mobil stock to Carole came from the Decedent's Trust, the terms of the Family Trust as to administration of the Decedent's Trust were still not followed. All net income from the Decedent's Trust was to be paid to the surviving founder, and only limited amounts of principal could also be disbursed to the surviving founder without the imposition of the guidelines set forth in Article IX. (Exhibit 1, p. P268-269, Article IX). So, even

<sup>11</sup> Leaving aside for the moment Nelva's health issues and her need for caregivers, as well as Carl's serious medical issues, Anita's summary reflects that none of these transfers were necessary. The June 14, 2011 transfers of Chevron stock to Amy's minor children were, according to Anita's own summary, a "gift for future car/college." (Exhibit 5, p. P12170). And the similar transfers to Anita's own children were described as "gift for college exp." (Exhibit 5, p. P12170). The gifts to Anita's children come on the heels of, or were made contemporaneously with, over \$37,000 in other disbursements to Anita for college expenses and automobiles for her children. (Exhibit 5, p. P12169).

<sup>12</sup> That seems unlikely since there was no history of such distributions while Nelva was trustee, and one would assume the distributions would have been made by Nelva before she resigned had she truly wanted them to be made. Nevertheless, even if the allegation that Nelva instructed that the distributions be made is accepted as true, that does not relieve Anita of her fiduciary obligations under the provisions of the Family Trust. There is nothing in the Family Trust authorizing Anita to make such distributions on Nelva's instruction.

<sup>13</sup> This is the case without even examining the self-dealing nature of a number, if not all, of the transfers.

07132015:0809:P0090

if such a distribution had been authorized under certain standards, no attempt was even made to meet those standards because it was again done, without regard to the standards, but allegedly at Nelva's instruction. (Exhibit 6, Response to Interrogatory number 2). Moreover, there is further evidence that the transfer allegedly to "pay off/fix house" was not necessary, because Anita's summary indicates Carole had already been paid \$20,000 from the Family Trust on October 1, 2010 for either a loan or a gift to "fix house" (Exhibit 5, p. P12169).

First of all, the transfer of Exxon stock did not properly meet the guidelines for all distributions from the Decedent's Trust which required the trustee to "give primary consideration to the Surviving Founder's health, education, maintenance and support, and thereafter to our descendants health, education, maintenance and support." (Exhibit 1, p. P268, Article IX, Section B). And since this was, at best, a discretionary distribution, the following guidelines had to be met:

"Before making discretionary distributions of principal from the Decedent's Trust to the surviving Founder, our Trustee shall preferably exhaust the Survivor's Trust.

Before making discretionary distributions pursuant to this Article, our Trustee shall consider income or other resources which are available outside of the Decedent's Trust to any beneficiary. Distributions need not be made to all Decedent's Trust beneficiaries and may be to the complete exclusion of some beneficiaries. Distributions may be made in equal or unequal amounts *according to the respective needs of the Decedent's Trust beneficiaries* and shall not be charged against a beneficiary's ultimate share of trust property." (emphasis added) (Exhibit 1, p. P269, Article IX, Section C).

As stated, the beneficiary most in need of assistance, other than Nelva, was Carl but he received nothing. Since none of the transfers of stock met the standards required by the terms of the Family Trust, Anita, as the trustee making these distributions, is liable, as a matter of law, for all

07132015:0809:PO091

such distributions, including the one to Carole from the Decedent's Trust. And pursuant to Tex. Prop. Code §114.031, the beneficiaries receiving the improper distributions are also responsible for the damages caused by the distributions once those damages are established. That section provides as follows:

- (a) A beneficiary is liable for loss to the trust if the beneficiary has:
  - (1) misappropriated or otherwise wrongfully dealt with the trust property;
  - (2) expressly consented to, participated in, or agreed with the trustee to be liable for a breach of trust committed by the trustee;
  - (3) failed to repay an advance or loan of trust funds;
  - (4) failed to repay a distribution or disbursement from the trust in excess of that to which the beneficiary is entitled; or
  - (5) breached a contract to pay money or deliver property to the trustee to be held by the trustee as part of the trust.
- (b) Unless the terms of the trust provide otherwise, the trustee is authorized to offset a liability of the beneficiary to the trust estate against the beneficiary's interest in the trust estate, regardless of a spendthrift provision in the trust.

V.

Conclusion

The Qualified Beneficiary Designation of 8/25/10 fails, as a matter of law, as an attempted amendment to the Family Trust after the death of one of the founders. The transfers by Anita of significant stock holdings to the detriment of Nelva and the exclusion of Carl notwithstanding his

07192015:0809: P0092

life-threatening illness were not authorized by the terms of the Family Trust and, as a matter of law, create liability for Anita as trustee and for the beneficiaries who, at a minimum, have received distributions in excess of that to which they are allowed under the terms of the Family Trust.

WHEREFORE, PREMISES CONSIDERED, Carl requests that the Court grant his Motion for Partial Summary Judgment, and for such other and further relief to which Carl may be entitled.

**Our Family Living Trust**

**Section A. The Restatement of Our Trust**

This restatement of the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996 is made this day by ELMER HENRY BRUNSTING, also known as ELMER H. BRUNSTING, and wife, NELVA ERLEEN BRUNSTING, also known as NELVA E. BRUNSTING, (together called "Founders") who presently reside in Harris County, Texas.

We now wish to restate that original trust agreement and any amendments thereto, in their entirety.

This restatement, dated January 12, 2005, shall replace and supersede our original trust agreement and all prior amendments.

We shall serve together as the initial Trustees of this joint revocable living trust.

Notwithstanding anything in our trust declaration to the contrary, when we are serving as Trustees under our trust declaration, either of us may act for and conduct business on behalf of our trust as a Trustee without the consent of any other Trustee.

**Section B. The Title of Our Trust**

Although the name we have given to our trust for our own convenience is the BRUNSTING FAMILY LIVING TRUST, the full legal name of our trust for purposes of transferring assets into the trust, holding title to assets and conducting business for and on behalf of the trust, shall be known as:

ELMER H. BRUNSTING or NELVA E. BRUNSTING,  
Trustees, or the successor Trustees, under the BRUNSTING  
FAMILY LIVING TRUST dated October 10, 1996, as  
amended.

07132015:0809:P0102

Our trust may also be known as:

ELMER H. BRUNSTING and NELVA E. BRUNSTING, Trustees, or the successor Trustees, under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

In addition to the above descriptions, any description for referring to this trust shall be effective to transfer title to the trust or to designate the trust as a beneficiary as long as that format includes the date of this trust, the name of at least one initial or successor Trustee, and any reference that indicates that assets are to be held in a fiduciary capacity.

**Section C. Our Beneficiaries and Family**

The term "spouse" will refer to either of us, whichever is appropriate in context, and the term "both spouses" will mean both of us. The term "surviving spouse" or "surviving Founder" will identify the spouse who is living at the time of the other spouse's death (the "deceased spouse" or "deceased Founder").

For reference, our children are:

## Article II

### Transfers of Assets to Our Trust

#### Section A. Our Initial Contribution

We have delivered to our Trustees certain property as the initial assets of this trust, the receipt of which is acknowledged.

#### Section B. Additions to Our Trust

Any person, trust or entity may add property of any character to this trust by a last will and testament, from another trust (regardless of whether such trust is a living trust or a trust contained in a Will), by a deed or any other legally accepted method of assignment, conveyance, delivery or transfer, subject only to the acceptance of such property or asset by the Trustee.

#### Section C. Our Separate and Community Accounts

Any contributions of separate property to the trust by, or for the benefit of, either Founder shall remain the separate property of such Founder. A separate schedule signed by both of the Founders may be maintained for purposes of identifying such separate property and its ownership.

Each of us may withdraw, remove, sell or otherwise deal with our respective separate property interests without any restrictions. Should we revoke our trust, all separate property shall be transferred, assigned, or conveyed back to the owning Founder as his or her respective separate property.

All community property, as well as the income from and proceeds of such community property, shall retain its community property characterization under the law unless we change such characterization by virtue of a duly executed marital partition agreement.

All community property withdrawn or removed from our trust shall retain its community characterization. Should we revoke our trust, all community property shall be transferred, assigned or conveyed back to us as community property.

### Article III

## Our Right to Amend or Revoke This Trust

#### Section A. We May Revoke Our Trust

While we are both living, either of us may revoke our trust. However, this trust will become irrevocable upon the death of either of us. Any Trustee, who is serving in such capacity, may document the non-revocation of the trust with an affidavit setting forth that the trust remains in full force and effect.

The affidavit may, at the Trustee's discretion, be filed in the deed records in each county in which real property held in trust is located or in the county in which the principal assets and records of the trust are located. The public and all persons interested in and dealing with the trust and the Trustee may rely upon a certified copy of the recorded affidavit as conclusive evidence that the trust remains in full force and effect.

#### Section B. We May Amend Our Trust

This trust declaration may be amended by us in whole or in part in a writing signed by both of us for so long as we both shall live. Except as to a change of trust situs, when one of us dies, this trust shall not be subject to amendment, except by a court of competent jurisdiction.

Each of us may provide for a different disposition of our share in the trust by using a qualified beneficiary designation, as we define that term in this agreement, and the qualified beneficiary designation will be considered an amendment to this trust as to that Founder's share or interest alone.

#### Section C. Income Tax Matters

For so long as this trust remains subject to amendment or revocation in its entirety, and for so long as a Founder is a Trustee of the trust, this trust will be treated for income tax reporting purposes as a "grantor trust" as that term is used by the Internal Revenue Service, particularly in Treasury Regulation Section 1.671-4(b).

For so long as a Founder is a Trustee of the trust, the tax identification numbers will be the social security numbers of the Founders and all items of income, gain, loss, credit and

07192015:0809:P0106

deduction are to be reported on the Founders' individual or joint income tax returns. At such time as the trust becomes irrevocable, in whole or in part, because of the death of one of us, the trust is to be treated for income tax purposes as required by Subchapter J of the Internal Revenue Code.

**Article IV**  
**Our Trustees**

**Section A. Original Trustees**

Founders appoint ELMER H. BRUNSTING and NELVA E. BRUNSTING as the original Trustees of this trust. However, either of us may conduct business and act on behalf of this trust without the consent or authority of any other Trustee. Any third party may conclusively rely on the authority of either of us without the joinder of the other.

**Section B. Our Successor Trustees**

Each of the original Trustees will have the right to appoint their own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any reason, and may specify any conditions upon succession and service as may be permitted by law. Such appointment, together with any specified conditions, must be in writing.

If an original Trustee does not appoint a successor, the remaining original Trustee or Trustees then serving will continue to serve alone.

If both of the original Trustees fail or cease to serve by reason of death, disability or for any reason without having appointed a successor or successors, then the following individuals will serve as Co-Trustees:

**CARL HENRY BRUNSTING and AMY RUTH TSCHIRHART**

If a successor Co-Trustee should fail or cease to serve by reason of death, disability or for any other reason, then CANDACE LOUISE CURTIS shall serve as Co-Trustee in his or her place, with the remaining Co-Trustee then serving. However, if there is only one successor Co-Trustee able or willing to serve, such successor Co-Trustee shall serve alone.

Successor Trustees will have the authority vested in the original Trustees under this trust document, subject to any lawful limitations or qualifications upon the service of a successor imposed by any Trustee in a written document appointing a successor.

07132015:0809:PO108

A successor Trustee will not be obliged to examine the records, accounts and acts of the previous Trustee or Trustees, nor will a successor Trustee in any way or manner be responsible for any act or omission to act on the part of any previous Trustee.

**Section C. No Bond is Required of Our Trustees**

No one serving as Trustee will be required to furnish a fiduciary bond as a prerequisite to service.

**Section D. Resignation or Removal of Our Trustees**

We may each remove any Trustee we may have individually named as our respective successors. Any appointee serving or entitled to serve as Trustee may resign at any time and without cause, and the instructions in this trust will determine who the successor will be. All removals or resignations must be in writing.

In the event that no Trustee is remaining who has been designated in this trust, a majority of all adult income beneficiaries and the legal guardians of all minor or disabled beneficiaries of the trust shares created hereunder shall have the power to appoint any corporate or banking institution having trust powers as the successor Trustee. Such power shall be exercised in a written instrument in recordable form which identifies this power, identifies the successor Trustee, contains an acceptance of office by such successor Trustee and identifies the effective time and date of such succession.

A majority of all adult beneficiaries and the legal guardians of all minor or disabled beneficiaries who are then entitled to receive distributions of income from the trust, or distributions of income from any separate trust created by this document, may only remove any corporate or institutional Trustee then serving, the notice of removal to be delivered in writing to the said Trustee.

If such beneficiaries shall fail to appoint a successor corporate or institutional Trustee, the selection of a successor to the Trustee will be made by a court of competent jurisdiction.

**Section E. Affidavit of Authority to Act**

Any person or entity dealing with the trust may rely upon our Affidavit of Trust, regardless of its form, or the affidavit of a Trustee or Trustees in substantially the following form:

07132015:0809:PO109

On my oath, and under the penalties of perjury, I swear that I am the duly appointed and authorized Trustee of the BRUNSTING FAMILY LIVING TRUST. I certify that the trust has not been revoked and remains in full force and effect, I have not been removed as Trustee and I have the authority to act for, and bind, the BRUNSTING FAMILY LIVING TRUST in the transaction of the business for which this affidavit is given as affirmation of my authority.

**Section F. Documentary Succession of Our Trustees**

The successor to any Trustee may document succession with an affidavit setting forth that the preceding Trustee is unwilling to serve or has failed or ceased to serve due to death or disability and the successor has assumed the duties of the Trustee.

The affidavit may, at the Trustee's discretion, be filed in the deed records in each county in which real property held in trust is located or in the county in which the principal assets and records of the trust are located. The public and all persons interested in and dealing with the trust and the Trustee may rely upon a certified copy of the recorded affidavit as conclusive evidence of a successor's authority to serve and act as the Trustee of the trust.

**Section G. Our Trustees' Compensation**

Any person who serves as Trustee may elect to receive reasonable compensation to be measured by the time required in the administration of the trust and the responsibility assumed in the discharge of the duties of office.

A corporate or bank Trustee will be entitled to receive as its compensation such fees as are then prescribed by its published schedule of charges for trusts of a similar size and nature and additional compensation for extraordinary services performed by the corporate Trustee.

If an attorney, accountant or other professional shall be selected as Trustee, such professional shall be entitled to compensation for professional services rendered to a trust by himself or by a member of his firm in addition to compensation for services as Trustee.

A Trustee will be entitled to full reimbursement for expenses, costs or other obligations incurred as the result of service, including attorney's, accountant's and other professional fees.

07192015:0809:P0110

**Section H. Multiple Trustees**

In the event there are two or more Trustees serving the trust, other than the Founders, the authority vested in such Trustees must be exercised by a majority of the Trustees. If only two Trustees are acting, the concurrence or joinder of both shall be required.

When more than two Trustees are acting, any dissenting or abstaining Trustee may be absolved from personal liability by registering a written dissent or abstention with the records of the trust; the dissenting Trustee shall thereafter act with the other Trustees in any manner necessary or appropriate to effectuate the decision of the majority.

**Section I. Delegation of Authority**

Any Trustee may delegate to any other Trustee named in our trust the powers and authority vested in him or her by this declaration. A delegating Trustee may evidence such delegation in writing and may revoke it in writing at any time.

**Section J. Successor Corporate Trustees**

Any successor corporate or bank Trustee must be a United States bank or trust company vested with trust powers pursuant to state or federal law, and must have a combined capital and surplus of 20 million dollars.

Any bank or trust company succeeding to the business of any corporate or bank Trustee serving by virtue of this declaration because of change of name, reorganization, merger or any other reason shall immediately succeed as Trustee of this trust, without the necessity of court intervention or any other action whatsoever.

**Section K. Partial and Final Distributions**

The Trustee, in making or preparing to make a partial or final distribution, may prepare an accounting and may require, as a condition to payment, a written and acknowledged statement from each distributee that the accounting has been thoroughly examined and accepted as correct; a discharge of the Trustee; a release from any loss, liability, claim or question concerning the exercise of due care, skill and prudence of the Trustee in the management, investment, retention and distribution of property during the Trustee's term of service, except for any undisclosed error or omission having basis in fraud or bad faith; and an indemnity of the Trustee, to include the payment of attorney's fees, from any asserted claim of any taxing agency, governmental authority or other claimant.

07132015:0809:PO111

**Section L. Court Supervision Not Required**

All trusts created under this agreement shall be administered free from the active supervision of any court.

Any proceedings to seek judicial instructions or a judicial determination shall be initiated by our Trustee in the appropriate state court having original jurisdiction of those matters relating to the construction and administration of trusts.

**Section M. Health Insurance Portability and Accountability Act (HIPAA) of 1996 Compliance**

In order to maintain the integrity of this trust declaration and to meet our estate planning desires and goals, our Trustees shall comply with the directive set forth in this Section to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

**1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information**

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this Trust Agreement, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in this Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and

07132015:0809: P0112

deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

**2. Obtain the Release of Protected Health Information**

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founders' physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. Each of the Founders have separately signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, each of the Founders hereby grant the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this trust agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

**3. Determination of "Incompetence" or "Incapacity"**

For purposes of this Trust, and notwithstanding any other conflicting provisions contained in this Trust Declaration or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or

07132015:0809:PO113

estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founders, the Founders hereby voluntarily waive any physician-patient privilege or psychiatrist-patient privilege and authorize physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founders' desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or

07192015:0809:PO114

such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under this Trust Agreement (if any), or if there is no such Trust Protector provided under this Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event this Trust Declaration does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of this trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

Each of the Founders have separately signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of this trust agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, each of the Founders hereby grant the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the trust agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

## Article V

### Insurance Policies and Retirement Plans

#### Section A. Our Authority While We Are Living

To the extent of a Founder's community or separate interest in insurance policies, retirement plans or any other third party beneficiary contract, during the life of a Founder, each shall have the following rights, and the Trustee of this trust declaration shall have the following duties with respect to any third party beneficiary contract owned by or made payable to this trust.

##### 1. The Founder's Rights

Each Founder reserves all of the rights, powers, options and privileges with respect to any insurance policy, retirement plan or any other third party beneficiary contract made payable to this trust or deposited with our Trustee. Each Founder may exercise any of the rights, powers, options and privileges with respect to such third party beneficiary contract without the approval of our Trustee or any beneficiary.

Neither Founder shall be obligated to maintain any insurance policy, retirement plan or any other third party beneficiary contract in force.

##### 2. Our Trustee's Obligations

Upon a Founder's written request, our Trustee shall deliver to the requesting Founder or the Founder's designee any and all third party beneficiary contracts and related documents which are owned by or deposited with our Trustee pursuant to our trust declaration. Our Trustee shall not be obligated to have any of such documents returned to the Trustee.

Our Trustee shall provide for the safekeeping of any third party beneficiary contract, as well as any documents related thereto, which are deposited with our Trustee. Otherwise, our Trustee shall have no obligation with respect to any third party beneficiary contract, including payment of sums due and payable under such contracts, other than those obligations set forth in this Article.

07132015:0809:PO119

**Section B. Upon the Death of a Founder**

Upon a Founder's death, our Trustee shall have authority to and shall make all appropriate elections with respect to any insurance policies, retirement plans and other death benefits which are the separate estate of the deceased Founder. With respect to any insurance policies, retirement plans and other death benefits which are a part of the community estate, our Trustee and the surviving Founder shall have the authority and shall make all appropriate elections consistent with the laws of the state having jurisdiction over such property.

**1. Collection of Non-Retirement Death Proceeds**

Regarding any life insurance policy, or any other non-retirement death benefit plan, wherein death benefits are made payable to or are owned by our trust, our Trustee shall make every reasonable effort to collect any and all such sums. In collecting such sums, our Trustee may, in its sole and absolute discretion, exercise any settlement option available under the terms of a policy or any other third party beneficiary contract with regard to the interest of the deceased Founder in those policies or death benefit proceeds. However, our Trustee shall not be liable to any beneficiary for the settlement option ultimately selected.

**2. Retirement Plan Elections**

To the extent of the interest of the deceased Founder, our Trustee shall have the right, in its sole and absolute discretion, to elect to receive any retirement plan death proceeds either in a lump sum or in any other manner permitted by the terms of the particular retirement plan. Such right shall exist and pertain to any retirement plan including, but not limited to, any qualified pension plan, profit sharing plan, Keogh plan and individual retirement account. Our Trustee shall not be liable to any beneficiary for the death benefit election ultimately selected.

Any benefit of any retirement plan which is payable to our trust, including individual retirement accounts that are payable to our trust, may be disclaimed by our Trustee in its sole and absolute discretion. Such disclaimed benefits shall be payable in accordance with such plan.

**3. Collection Proceedings**

In order to enforce the payment of any death proceeds, our Trustee may institute any legal, equitable, administrative or other proceeding. However, our Trustee need not take any action to enforce any payment until our Trustee,

07192015:0809:0017

in its sole judgment, has been indemnified to its satisfaction for all expenses and liabilities to which it may be subjected.

Our Trustee is expressly authorized, in its sole and absolute discretion, to adjust, settle and compromise any and all claims that may arise from the collection of any death proceeds. Any decision made by our Trustee pursuant to this Section B.3 shall be binding and conclusive on all beneficiaries.

**4. Payor's Liability**

Any person or entity which pays any type of death proceeds to our Trustee as beneficiary, shall not be required to inquire into any of the provisions of this trust declaration, nor will they be required to see to the application of any such proceeds by our Trustee. Our Trustee's receipt of death proceeds shall relieve the payor of any further liability as a result of making such payment.

**Section C. Special Provisions Pertaining to Tax-Deferred Trust Assets**

Since the Founders anticipate that tax-deferred plans such as 401(k) plans, IRA's, SEP's and similar retirement plans and tax-deferred accounts might name this trust as the designated beneficiary in the event of the death of the Founders, the following provisions will hereby apply in all respects with regard to the assets and proceeds of such plans, notwithstanding that other provisions in this Agreement are in conflict with the following provisions:

**1. Minimum Distribution**

It is the purpose and intent of the Founders that this trust will qualify as a "designated beneficiary" pursuant to Section 401(a)(9) of the Internal Revenue Code and the term "Minimum Required Distribution" shall mean such mandatory distributions as are required to qualify this trust pursuant to the said Section 401(a)(9) of the Internal Revenue Code.

**2. Distribution Restrictions**

Notwithstanding any other provision in this trust declaration, and except as provided in this Article, the Trustee may not distribute to or for the benefit of the estate of either Founder, any charity or any other non-individual beneficiary, any benefits payable to this trust under any qualified retirement plan, individual retirement account or other retirement arrangement subject to the "Minimum Required Distribution Rules" of Section 401(a)(9) of the Internal Revenue Code, or other comparable provisions of law. It is the intent

07/32/15:0809: P0118

of the Founders that all such retirement benefits be distributed to or held only for individual beneficiaries within the meaning of Section 401(a)(9) and applicable regulations. This paragraph shall not apply to any charitable bequest which is specifically directed to be funded with assets other than those encompassed by this provision.

**3. Exclusion of Older Adopted "Descendants"**

Notwithstanding any other provision hereof or state law, the class of the Founders' (or any other persons) "issue" or "descendants" shall not include an individual who is the Founders' (or such persons') "issue" or "descendants" by virtue of legal adoption if such individual (i) was so adopted after the Required Beginning Date of a Founder or a Founder's death, whichever occurs first, and (ii) is older than the oldest beneficiary of this trust who was a living member of said class on the earlier of said dates. The "Required Beginning Date," for purposes of this paragraph means April 1 of the year following the year in which the plan participant reaches 70½, or, if later, the date on which this trust is first named as a beneficiary of any retirement plan, benefit or arrangement subject to the "Minimum Distribution Rules" of Section 401(a)(9) of the Internal Revenue Code. The said Section 401(a)(9) of the Internal Revenue Code is incorporated by reference in this trust declaration for all purposes, together with applicable treasury regulations pertaining thereto.

**4. Payment of Estate Taxes of Plan Participant**

Except as required by state law, the trustee shall not use any plan benefits to pay a plan participant's estate taxes.

**5. Delivery of Trust to Plan Administrator**

If the Founders have not previously done so, the Trustee shall deliver a copy of this trust declaration to any plan administrator within the time limits required by applicable statute, as well as final and proposed treasury regulations.

**6. Distribution to the Beneficiaries**

Notwithstanding any other provision contained in this trust declaration to the contrary, the Trustee shall withdraw from the individual retirement account or other retirement plan payable to the trust, and distribute directly to the beneficiaries named herein, each year, the Minimum Required Distribution for such year based on the oldest beneficiary's life expectancy. After the death

07132015:0809: P0119

of a beneficiary, the Trustee shall pay income of the trust and such Minimum Required Distribution to the descendants of such deceased or remainder beneficiary, as specified in Article X of this trust declaration.

**7. Distribution of More Than the Minimum Distribution**

The Trustee is authorized in its sole and absolute discretion, to distribute to the beneficiary and contingent beneficiaries more than the Minimum Required Distribution if deemed necessary and appropriate prior to the mandatory distributions of trust assets provided in Article X of this trust declaration.

07132015:0809:PO120

**Article VI**

**For So Long As We Both Shall Live**

**Section A. Our Use of Income and Assets**

While we are both living, the net income of the trust is to be paid at least monthly to us, or to be used for our benefit. Any unused income will be accumulated and added to the principal assets of this trust.

While we are both living, we shall have the absolute right, either individually or jointly, to add to the trust property at any time.

While we are both living, we shall each have the right to withdraw, use or benefit from all or any part of our own separate property and our respective interests in any community property. However, the surviving spouse will be entitled to the use and benefit of the deceased spouse's interest as provided in this trust declaration.

Either of us, individually, may make gifts of our separate property contributed to the trust or may make gifts of our interests or shares in the trust itself to the extent permitted by law, including our community property interests. Neither of us shall have the power to direct our Trustee to make gifts of any trust principal or income. If any such gift is made directly to a third party, such gift shall be deemed to have first been distributed directly to either or both of us and then distributed as a gift from either or both of us to such third party.

**Section B. If One or Both of Us Are Disabled**

If one or both of us should become disabled, our Trustee shall provide to both of us, and to any person deemed by our Trustee to be dependent on either or both of us, such portions of income and principal from each of our respective interests in separate property and from our respective one-half interests in our community property, as deemed necessary or advisable in its sole discretion, for our health, education, maintenance and support, as well as for the health, education, maintenance and support of any person deemed by our Trustee to be dependent on either or both of us.

07132015:0809:P0121

Our Trustee's discretion may include the payment of insurance premiums pursuant to contracts for insurance owned by one of us or by our trust. Premiums paid on a separate property policy shall be paid out of separate property funds of the owner of that policy.

During any period that one or both of us are disabled, it is the intention of each of us that we be cared for in our residence or in the private residence of another who is dear to us. It is our preference that neither of us be admitted to a convalescent care facility or similar facility unless our condition mandates such placement.

Valid obligations of either of us which are confirmed by our Trustee shall be provided for by our Trustee from such portions of income and principal from each of our separate property accounts and from our respective one-half interests in our community accounts, as deemed necessary or advisable in our Trustee's sole discretion.

If, prior to the disability of either one or both of us, one or both of us were making regular lifetime gifts to our children for purposes of estate tax planning, then our Trustee shall continue such gifting program to our children; provided, however, no such gifts shall be made until our support and obligations have been provided for.

#### **Section C. Income Tax Matters**

If any interest or share in the trust is irrevocable for so long as one or both of us are living, and if the Trustee of the trust is classified as subordinate or related to either of us, the distribution of trust corpus to the beneficiary of an irrevocable share, to the extent of his or her share or interest alone, will be limited to discretionary distributions necessary or appropriate to provide for the beneficiary's health, education, maintenance and support, and this standard shall be construed and limited according to the requirements of Section 674(b)(5)(A) of the Internal Revenue Code.

#### **Section D. Residence Homestead**

Pursuant to Section 11.13 of the Texas Property Tax Code, a qualifying trust may claim the statutory homestead exemption provided by the said Texas Property Tax Code as well as other provisions of Texas law. In order to comply with the said Texas Property Tax Code provisions, the Founders hereby agree as follows:

1. Our residence shall be owned by us through a beneficial interest in this qualifying trust;
2. Our residence shall be designed or adapted for human residence;

07132015:0809:PO122

3. Such property shall at all times be used as our residence;
4. Such property will be occupied by us as Founders or Trustors of this trust as a result of our beneficial interest in this qualifying trust;
5. By separate deed of our residential property, we have conveyed our interest in such real property to this qualifying trust and are therefore qualified as "Trustors" pursuant to the said Code;
6. This revocable intervivos trust is a "Qualifying Trust" in that we specifically provide that as Trustors of the trust we have the right to use and occupy as our principal residence the residential property rent free and without charge except for taxes and other costs and expenses which may be specified in this instrument. Such right to use and occupation shall be for life or until the date the trust is revoked or terminated by an instrument that describes the property with sufficient certainty to identify it and is recorded in the real property records of the county in which the property is located; and
7. This trust has acquired the property in an instrument of title that
  - a. describes the property with sufficient certainty to identify it and the interest acquired;
  - b. is recorded in the real property records of the county in which the property is located; and
  - c. is executed by one or both of us as Trustors or by our personal representatives.

**Article VII**

**Upon the Death of One of Us**

**Section A. Settlement of Affairs**

Upon the death of the first Founder to die, our Trustee is authorized, but not directed, to pay the following expenses, claims and liabilities which are attributable to the first Founder to die:

Funeral, burial and expenses of last illness

Statutory or court-ordered allowances for qualifying family members

Expenses of administration of the estate

Legally enforceable claims against the deceased Founder or the deceased Founder's estate

Taxes occasioned by death

Any payment authorized above is discretionary. No claim or right to payment may be enforced against this trust by virtue of such discretionary authority.

**1. Deceased Founder's Probate Estate**

Payments authorized under this Section shall be paid only to the extent that the probate assets (other than real estate, tangible personal property or property that, in our Trustee's judgment, is not readily marketable) are insufficient to make these payments. However, if our trust holds United States Treasury Bonds which are eligible for redemption at par in payment of the federal estate tax, our Trustee shall redeem such bonds to the extent necessary to pay federal estate tax as a result of a death.

Payments authorized under this Section may be made by our Trustee, in its sole and absolute discretion, either directly to the appropriate persons or institutions or to the personal representative of the deceased Founder's probate estate. If our Trustee makes payments directly to the personal representative

07132015:0809:PO124

of the deceased Founder's probate estate, our Trustee shall not have any duty to see to the application of such payments. Any written statement of the deceased Founder's personal representative regarding material facts relating to these payments may be relied upon by our Trustee.

As an addition to our trust, our Trustee is authorized to purchase and retain in the form received any property which is a part of the deceased Founder's probate estate. In addition, our Trustee may make loans to the deceased Founder's probate estate with or without security. Our Trustee shall not be liable for any loss suffered by our trust as a result of the exercise of the powers granted in this paragraph.

Our Trustee shall be under no obligation to examine the records or accounts of the personal representative of the deceased Founder's probate estate and is authorized to accept distributions from the personal representative of the deceased Founder's probate estate without audit.

## **2. Exempt Property Excluded**

Our Trustee shall not use any property in making any payments pursuant to this Section to the extent that such property is not included in the deceased Founder's gross estate for federal estate tax purposes. However, if our Trustee makes the determination, in its sole and absolute discretion, that other non-exempt property is not available for payments authorized under this Section, it may then use such exempt property where it is not economically prudent to use non-exempt property for the payment of such expenses.

## **3. Apportionment of Payments**

Except as otherwise specifically provided in this trust declaration, all expenses and claims, and all estate, inheritance and death taxes, excluding any generation-skipping transfer tax, resulting from the death of a Founder shall be paid without apportionment and without reimbursement from any person.

Notwithstanding anything to the contrary in our trust, no death taxes payable as a result of the death of the first Founder to die shall be allocated to or paid from the Survivor's Trust or from any assets passing to the surviving Founder and qualifying for the federal estate tax marital deduction unless our Trustee has first used all other assets available to our Trustee.

Notwithstanding anything to the contrary in our trust declaration, estate, inheritance and death taxes assessed with regard to property passing outside

07132015:0809: P0125

of our trust or outside of our probate estates, but included in the gross estate of a Founder for federal estate tax purposes, shall be chargeable against the persons receiving such property.

**Section B. Division and Distribution of Trust Property**

Our Trustee shall divide the remaining trust property into two separate trusts upon the death of the first one of us to die. The resulting trusts shall be known as the Survivor's Trust and the Decedent's Trust.

**1. Creation of the Survivor's Trust**

The Survivor's Trust shall consist of the surviving Founder's interest in the community portion of the trust property, if any, and his or her separate portion of the trust property. In addition, the Survivor's Trust shall be the fractional share of the deceased Founder's trust property as follows:

**a. Numerator of the Fractional Share**

The numerator of the fractional share shall be the smallest amount which, if allowed as a marital deduction, would result in the least possible federal estate tax being payable as a result of the deceased Founder's death, after allowing for the unified credit against federal estate tax (after taking into account adjusted taxable gifts, if any) as finally determined for federal estate tax purposes, and the credit for state death taxes (but only to the extent that the use of this credit does not require an increase in the state death taxes paid).

The numerator shall be reduced by the value, for federal estate tax purposes, of any interest in property that qualifies for the federal estate tax marital deduction and which passes or has passed from the deceased Founder to the surviving Founder other than under this Article.

**b. Denominator of the Fractional Share**

The denominator of the fractional share shall consist of the value, as finally determined for federal estate tax purposes, of all of the deceased Founder's trust property under this agreement.

07192015:0809:P0126

**2. Creation of the Decedent's Trust**

The Decedent's Trust shall consist of the balance of the trust property.

**Section C. Valuation of Property Distributed to the Survivor's Trust**

Our Trustee shall use those values as finally determined for federal estate tax purposes in making any computation which is necessary to determine the amount distributed to the Survivor's Trust. On the dates of distribution, the fair market value of all of the deceased Founder's property shall in no event be less than the amount of the Survivor's Trust as finally determined for federal estate tax purposes.

**Section D. Conversion of Nonproductive Property**

The surviving Founder shall at any time have the absolute right to compel our Trustee to convert nonproductive property held as an asset of the Survivor's Trust to productive property. Such right exists notwithstanding any contrary term in this agreement. The surviving Founder shall exercise this right by directing our Trustee in writing to convert such property.

**Section E. Survivor's Right to Refuse Property or Powers Granted**

With respect to property passing to the surviving Founder or for the surviving Founder's benefit, any portion of any interest in such property or power may be disclaimed by the surviving Founder within the time and under the conditions permitted by law with regard to disclaimers.

Any interest disclaimed by the surviving Founder with respect to any portion of the Survivor's Trust shall be added to the Decedent's Trust. Any interest disclaimed by the surviving Founder with respect to any portion of the Decedent's Trust shall be disposed of under the appropriate provisions of this agreement as though the surviving Founder had predeceased the first Founder to die.

Any disclaimer exercised must be an irrevocable and unqualified refusal to accept any portion of such interest in the property or power disclaimed. Such disclaimer must be delivered to our Trustee in writing.

07192015:0809:P0127

**Section F. Allocation of Trust Property**

Subject to the conditions of Section B.1 of this Article, our Trustee shall have the complete authority to make allocations of the deceased Founder's trust property between the Survivor's and Decedent's Trusts.

Our Trustee may make allocations in cash or its equivalent, in kind, in undivided interests, or in any proportion thereof between the two trusts. Our Trustee may also, in its sole discretion, allocate such assets in kind based on the date of distribution values, rather than an undivided interest in each and every asset.

Our Trustee shall not allocate any property or assets, or proceeds from such property or assets, to the Survivor's Trust which would not qualify for the federal estate tax marital deduction in the deceased Founder's estate.

Our Trustee shall not allocate any policies of life insurance insuring the life of the surviving Founder to the Survivor's Trust that are the sole and separate property of the deceased Founder.

To the extent that there are insufficient assets qualifying for the marital deduction to fully fund this Survivor's Trust, the amount of the funding to the Survivor's Trust shall be reduced accordingly.

Our Trustee shall consider the tax consequences of allocating property subject to foreign death tax, property on which a tax credit is available, or property which is income in respect of a decedent under applicable tax laws prior to allocating the deceased Founder's property to the Survivor's Trust.

**Section G. Distributions from Retirement Plan to the Survivor's Trust**

If Retirement Plan distributions are included in the Survivor's Trust, or in any Survivor's Trust Share, our Trustee shall comply with the following guidelines.

**1. Form of Distribution**

Our Trustee may elect to receive distributions from any pension, profit sharing, individual retirement account, or other retirement plan ("Retirement Plan") for which our Trust, or any subtrust provided for herein, is named as beneficiary, in installments or in a lump sum.

07192015:0809: P0128

**2. Income Requirement**

Our Trustee shall elect to receive distributions from a Retirement Plan payable to the Survivor's Trust or any Survivor's Trust Share in compliance with the minimum distribution rules of the Internal Revenue Code if applicable and also so that at least all income earned by the Retirement Plan each calendar year is distributed to the Trust and allocated to trust income during the year. If distributions from the Retirement Plan total less than all income earned by the Retirement Plan for a calendar year, our Trustee shall demand additional distributions equal to at least the shortfall so that the surviving Founder will receive all income earned by the Retirement Plan at least annually. The surviving Founder shall have full power, in such surviving Founder's discretion, to compel our Trustee to demand such distributions and to compel the Retirement Plan Trustee to convert any nonproductive property to productive property.

**3. Retirement Plan Expenses**

In calculating "all income earned by the Retirement Plan," our Trustee shall allocate all Retirement Plan expenses, including income taxes and Trustee's fees, that are attributable to principal distributions so that all income distributions from the Retirement Plan are not reduced.

## Article VIII

### Administration of the Survivor's Trust

#### Section A. Creation of Two Survivor's Shares

The property passing to the Survivor's Trust shall be divided into two shares. Both shares shall collectively constitute the Survivor's Trust.

##### 1. Survivor's Share One

Our Trustee shall allocate all of the surviving Founder's separate portion of the trust property and all of the surviving Founder's community portion of the trust property, if any, to Survivor's Share One.

##### 2. Survivor's Share Two

Survivor's Share Two shall consist of the balance, if any, of the property passing to the Survivor's Trust.

If any allocation under this Article results only in the funding of Survivor's Share One, our Trustee shall administer this agreement as if Survivor's Share Two did not exist. The funding of Survivor's Share One, when Survivor's Share Two does not exist, shall be referred to only as the Survivor's Trust and no designation shall be necessary.

Separate accounts shall be maintained for Survivor's Share One and Survivor's Share Two. Our Trustee may, however, hold the separate shares as a common fund for administrative convenience.

#### Section B. Administration of Survivor's Share One

Our Trustee shall administer Survivor's Share One for the surviving Founder's benefit as follows:

##### 1. The Surviving Founder's Right to Income

Our Trustee shall pay to or apply for the surviving Founder's benefit, at least monthly during the surviving Founder's lifetime, all of the net income from Survivor's Share One.

07132015:0809:P0130

**2. The Surviving Founder's Right to Withdraw Principal**

Our Trustee shall pay to or apply for the surviving Founder's benefit such amounts from the principal of Survivor's Share One as the surviving Founder may at any time request in writing.

No limitation shall be placed on the surviving Founder as to either the amount of or reason for such invasion of principal.

**3. Principal Distributions in Our Trustee's Discretion**

Our Trustee may also distribute to or for the surviving Founder's benefit as much of the principal of Survivor's Share One as our Trustee, in its sole and absolute discretion, shall consider necessary or advisable for the surviving Founder's education, health, maintenance, and support.

Our Trustee shall take into consideration, to the extent that our Trustee deems advisable, any income or resources of the surviving Founder which are outside of the trust and are known to our Trustee.

**4. The Surviving Founder's General Power of Appointment**

The surviving Founder shall have the unlimited and unrestricted general power to appoint either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, the entire principal and any accrued and undistributed net income of Survivor's Share One as it exists at the surviving Founder's death. In exercising this general power of appointment, the surviving Founder shall specifically refer to this power.

The surviving Founder shall have the sole and exclusive right to exercise the general power of appointment.

This general power of appointment specifically grants to the surviving Founder the right to appoint property to the surviving Founder's own estate. It also specifically grants to the surviving Founder the right to appoint the property among persons, corporations, or other entities in equal or unequal proportions, and on such terms and conditions, whether outright or in trust, as the surviving Founder may elect.

161041608051026120

**Section C. Administration of Survivor's Share Two**

Our Trustee shall administer Survivor's Share Two for the surviving Founder's benefit as follows:

**1. The Surviving Founder's Right to Income**

Our Trustee shall pay to or apply for the surviving Founder's benefit, at least monthly during the surviving Founder's lifetime, all of the net income from Survivor's Share Two.

The surviving Founder shall have the unlimited and unrestricted general power to appoint either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, any accrued and undistributed net income of Survivor's Share Two. In exercising this general power of appointment, the surviving Founder shall specifically refer to this power.

The surviving Founder shall have the sole and exclusive right to exercise the general power of appointment.

This general power of appointment specifically grants to the surviving Founder the right to appoint property to the surviving Founder's own estate. It also specifically grants to the surviving Founder the right to appoint the property among persons, corporations, or other entities in equal or unequal proportions, and on such terms and conditions, whether outright or in trust, as the surviving Founder may elect.

**2. Principal Distributions in Our Trustee's Discretion**

Our Trustee may also distribute to or for the surviving Founder's benefit as much of the principal of Survivor's Share Two as our Trustee, in its sole and absolute discretion, shall consider necessary or advisable for the education, health, maintenance, and support of the surviving Founder.

Our Trustee shall take into consideration, to the extent that our Trustee deems advisable, any income or resources of the surviving Founder which are outside of the trust and are known to our Trustee.

It is our desire, to the extent that it is economically prudent, that principal distributions be made from Survivor's Share One until it is exhausted, and only thereafter from the principal of Survivor's Share Two.

**3. The Surviving Founder's Limited Testamentary Power of Appointment**

The surviving Founder shall have the limited testamentary power to appoint to or for the benefit of our descendants, either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, all or any portion of the principal of Survivor's Share Two as it exists at the surviving Founder's death.

The surviving Founder may make distributions among our descendants in equal or unequal amounts, and on such terms and conditions, either outright or in trust, as the surviving Founder shall determine.

This power shall not be exercised in favor of the surviving Founder's estate, the creditors of the surviving Founder's estate, or in any manner which would result in any economic benefit to the surviving Founder.

**Section D. Administration of Both Survivor's Shares at Surviving Founder's Death**

Both Survivor's Share One and Survivor's Share Two shall terminate at the surviving Founder's death. Our Trustee shall administer the unappointed balance or remainder of both shares as follows:

**1. The Surviving Founder's Final Expenses**

Our Trustee may, in its sole and absolute discretion, pay for the following expenses:

Expenses of the last illness, funeral, and burial of the surviving Founder.

Legally enforceable claims against the surviving Founder or the surviving Founder's estate.

Expenses of administering the surviving Founder's estate.

Any inheritance, estate, or other death taxes payable by reason of the surviving Founder's death, together with interest and penalties thereon.

Statutory or court-ordered allowances for qualifying family members.

07132015:0809: P0133

The payments authorized under this Section are discretionary, and no claims or right to payment by third parties may be enforced against the trust by virtue of such discretionary authority.

Our Trustee shall be indemnified from the trust property for any damages sustained by our Trustee as a result of its exercising, in good faith, the authority granted it under this Section.

It is our desire that, to the extent possible, any payments authorized under this Section be paid from the surviving Founder's probate estate before any payments are made pursuant to this Section.

## **2. Redemption of Treasury Bonds**

If the Survivor's Trust holds United States Treasury Bonds eligible for redemption in payment of the federal estate tax, our Trustee shall redeem the bonds to the extent necessary to pay any federal estate tax due by reason of the surviving Founder's death.

## **3. Coordination with the Personal Representative**

This Paragraph shall be utilized to help facilitate the coordination between the personal representative of the surviving Founder's probate estate and our Trustee with respect to any property owned by the surviving Founder outside of this trust agreement at the surviving Founder's death.

### **a. Authorized Payments**

Our Trustee, in its sole and absolute discretion, may elect to pay the payments authorized under this Section either directly to the appropriate persons or institutions or to the surviving Founder's personal representative.

Our Trustee may rely upon the written statements of the surviving Founder's personal representative as to all material facts relating to these payments; our Trustee shall not have any duty to see to the application of such payments.

07192015:0809:P0134

**b. Purchase of Assets and Loans**

Our Trustee is authorized to purchase and retain in the form received, as an addition to the trust, any property which is a part of the surviving Founder's probate estate. In addition, our Trustee may make loans, with or without security, to the surviving Founder's probate estate. Our Trustee shall not be liable for any loss suffered by the trust as a result of the exercise of the powers granted in this paragraph.

**c. Distributions from the Personal Representative**

Our Trustee is authorized to accept distributions from the surviving Founder's personal representative without audit and our Trustee shall be under no obligation to examine the records or accounts of the personal representative.

**4. Trustee's Authority to Make Tax Elections**

Our Trustee may exercise any available elections with regard to state or federal income, inheritance, estate, succession, or gift tax law.

**a. Alternate Valuation Date**

The authority granted our Trustee in this Paragraph includes the right to elect any alternate valuation date for federal estate or state estate or inheritance tax purposes.

**b. Deduction of Administration Expenses**

The authority granted our Trustee in this Paragraph shall include the right to elect whether all or any parts of the administration expenses of the surviving Founder's estate are to be used as estate tax deductions or income tax deductions.

No compensating adjustments need be made between income and principal as a result of such elections unless our Trustee, in its sole and absolute discretion, shall determine otherwise, or unless required by law.

07192015:0809:P0135

**c. Taxes and Returns**

Our Trustee may also sign tax returns; pay any taxes, interest, or penalties with regard to taxes; and apply for and collect tax refunds and interest thereon.

**Section E. Subsequent Administration of the Survivor's Trust**

The unappointed balance or remainder of Survivor's Share One and Survivor's Share Two shall be administered as provided in Article X.

## Article IX

### Administration of the Decedent's Trust

#### Section A. Use of Income and Principal

During the lifetime of the surviving Founder, our Trustee shall pay to or apply for the benefit of the surviving Founder all net income and such portions of principal from the Decedent's Trust according to the following guidelines:

1. **NET INCOME** shall be paid in convenient installments, at least monthly.
2. **PRINCIPAL**
  - a. The surviving Founder shall have the noncumulative right to withdraw in any calendar year amounts not to exceed \$5,000.00.
  - b. In addition, on the last day of any calendar year, the surviving Founder may withdraw an amount by which five percent (5%) of the then market value of the principal of the Decedent's Trust exceeds principal amounts previously withdrawn in that year pursuant to Section A.2.a. of this Article.
  - c. Our Trustee may also distribute any amount of principal deemed necessary, in our Trustee's sole and absolute discretion, for the health, education, maintenance and support of the surviving Founder and our descendants.

#### Section B. Guidelines for All Distributions

At all times, our Trustee shall give primary consideration to the surviving Founder's health, education, maintenance and support, and thereafter to our descendant's health, education, maintenance and support.

07192015:0809:P0197

If the surviving Founder has the power to remove a Trustee of the Decedent's Trust, our Trustee shall not distribute any of the principal of the Decedent's Trust that would in any manner discharge the surviving Founder's legal obligation to a beneficiary of the Decedent's Trust. If the surviving Founder is disabled, our Trustee shall ignore this restriction during the period of the surviving Founder's disability, and the surviving Founder shall not have the power to remove a Trustee of the Decedent's Trust.

**Section C. Guidelines for Discretionary Distributions**

Before making discretionary distributions of principal from the Decedent's Trust to the surviving Founder, our Trustee shall preferably exhaust the Survivor's Trust.

Before making discretionary distributions pursuant to this Article, our Trustee shall consider income or other resources which are available outside of the Decedent's Trust to any beneficiary. Distributions need not be made to all Decedent's Trust beneficiaries and may be to the complete exclusion of some beneficiaries. Distributions may be made in equal or unequal amounts according to the respective needs of the Decedent's Trust beneficiaries and shall not be charged against a beneficiary's ultimate share of trust property.

**Section D. Termination of the Decedent's Trust**

When the surviving Founder dies, the Decedent's Trust shall terminate and our Trustee shall administer the balance of the Decedent's Trust according to the following guidelines and in the following order:

1. The surviving Founder shall have the limited testamentary power to appoint all of the undistributed principal and income of the Decedent's Trust among our descendants only (but only to the extent such undistributed principal and income have not been transferred or assigned to the Decedent's Trust by virtue of a disclaimer executed by the surviving Founder). Any such appointment may be in any proportion and on such terms and conditions as the surviving Founder may elect. The surviving Founder shall not have the right or power to appoint any portion of the Decedent's Trust in favor of the surviving Founder's estate, creditors of the surviving Founder's estate, or in any manner which would result in any economic benefit to the surviving Founder. The right to exercise this limited testamentary power of appointment is the sole and exclusive right of the surviving Founder. Our Trustee shall distribute the

07132015:0609:P0138

appointed portions of the Decedent's Trust according to such appointment if exercised and specifically referred to either (i) in a valid last will and testament; (ii) in a living trust agreement; or (iii) by a written exercise of power of appointment executed by the surviving Founder.

2. Any unappointed balance of the Decedent's Trust shall be administered as provided in the Articles that follow.

CANDACE LOUISE CURTIS may make distributions among CANDACE LOUISE CURTIS' descendants in equal or unequal amounts, and on such terms and conditions, either outright or in trust, as CANDACE LOUISE CURTIS shall determine.

This power shall not be exercised in favor of CANDACE LOUISE CURTIS' estate, the creditors of CANDACE LOUISE CURTIS' estate or in any manner which would result in any economic benefit to CANDACE LOUISE CURTIS.

(b) Distribution on the Death of CANDACE LOUISE CURTIS

If CANDACE LOUISE CURTIS should predecease us or die before the complete distribution of her trust share, and without exercising a power of appointment outlined above, the trust share set aside for CANDACE LOUISE CURTIS shall terminate and our Trustee shall distribute the balance of the trust share to such beneficiary's then living descendants, per stirpes. However, if CANDACE LOUISE CURTIS has no then living descendants, our Trustee shall distribute the balance of the trust share to our then living descendants, per stirpes. In the event we have no then living descendants, our Trustee shall distribute the balance of the trust share as provided in Section G of this Article.

**Section C. Administration of the Share of a Descendant of a Deceased Beneficiary**

Notwithstanding the foregoing provisions as to the disposition of a trust share upon the death of a beneficiary, each share set aside for a deceased beneficiary who has then living descendants shall be divided into as many shares as shall be necessary to create shares for each then living descendant of such deceased beneficiary on a per stirpes basis. For example, if a deceased beneficiary has a deceased child who leaves children, then the share that would have passed to such deceased child shall be shared equally among his or her living children on a per stirpes basis. Each such share shall be held in trust to be administered as follows:

1. Distribution of Trust Income

Our Trustee, in its sole and absolute discretion, shall pay to or apply for the benefit of any descendant of a deceased beneficiary as much of the net income from his or her trust share as our Trustee deems advisable for the health, education, maintenance and support of such descendant.

07192015:0809:20151

2. Distribution of Trust Principal

Our Trustee, in its sole and absolute discretion, shall pay to or apply for the benefit of any descendant of a deceased beneficiary as much of the principal from his or her trust share as our Trustee deems advisable for the health, education, maintenance and support of such descendant.

When such descendant reaches the age of 30 or if, on the creation of his or her trust share, he or she has already attained the age of 30, thereafter, upon the written request of such descendant delivered to our Trustee, our Trustee shall distribute an amount not greater than fifty percent of the accumulated net income and principal, as it is then constituted, free of trust. If more than one written request for distribution is made by such descendant, our Trustee shall not cumulatively distribute to such descendant, in response to all such requests, more than fifty percent of the accumulated income and principal of the trust as it existed on the date of the first request for a distribution made under this paragraph by such descendant or fifty percent of the total trust funds remaining at the date of any subsequent request, whichever is the lesser amount.

When such descendant reaches the age of 40 or if, on the creation of his or her trust share, he or she has already attained the age of 40, thereafter, upon the written request of such descendant delivered to our Trustee, our Trustee shall distribute the balance of the accumulated net income and principal of such trust share, as it is then constituted to such descendant, free of trust. Undistributed funds shall continue to be held in trust.

If a descendant of a deceased beneficiary should die before the complete distribution of such trust share, the trust share shall terminate and our Trustee shall distribute the balance of the trust share to the surviving descendants of such descendant, share and share alike, per stirpes. If such descendant of a deceased beneficiary dies with no surviving descendants, then such share shall terminate and be distributed to the remaining descendants of the deceased beneficiary, share and share alike, per stirpes. If there are no descendants of such deceased beneficiary, our Trustee shall distribute the balance of the trust share to our then living descendants, per stirpes. In the event we have no then living descendants, our Trustee shall distribute the balance of the accumulated income and principal of the trust share as provided in Section G of this Article.

Our Trustee shall administer and distribute each such share according to the provisions of Article XI, Section D.

07132015:0609:P0152

**Section D. Subsequent Children**

Notwithstanding the provisions of this Article wherein beneficiaries are named, if, subsequent to the creation of this trust declaration, we have additional children or legally adopt children who are under the age of 18, each such child shall be included among the beneficiaries named in this Article and an equal trust share shall be created for each such beneficiary.

Our Trustee shall administer and distribute each such share according to the provisions of Article XI, Section D.

**Section E. Guidelines for Discretionary Distributions**

Whenever we have given our Trustee any discretionary authority over the distribution of income or principal to any named beneficiary, our Trustee shall be liberal in exercising such discretion and shall give such beneficiary assistance for any opportunity or expense deemed by our Trustee to be in the best interest of such beneficiary. However, before making discretionary distributions, our Trustee shall take into consideration any additional sources of income and principal available to such beneficiary which exist outside of this agreement and are known to our Trustee, and the future probable needs of such beneficiary.

**Section F. Guidelines for All Distributions**

Whenever any provision of this Article authorizes or requires a distribution to any beneficiary, then our Trustee shall retain such distribution in trust at such beneficiary's written request. Our Trustee shall pay to or apply for the benefit of the beneficiary such amounts of income and principal as the beneficiary may at any time request in writing. No limitations shall be placed upon the beneficiary regarding withdrawals from his or her respective trust share. In addition, our Trustee, in its sole and absolute discretion, may distribute to or apply for the benefit of the beneficiary as much of the principal and income of the beneficiary's trust share as our Trustee deems advisable, in its sole and absolute discretion, for the health, education, maintenance and support of the beneficiary.

**Section G. Ultimate Distribution**

If at any time there is no person, corporation or other entity entitled to receive all or any part of the trust property of one of us, it shall be distributed as follows:

07132015:0809:PO153

<u>Beneficiary</u>	<u>Share%</u>
CENTRAL COLLEGE OF IOWA Pella, Iowa	100%

If the CENTRAL COLLEGE OF IOWA, Pella, Iowa, is no longer in existence at the date of distribution, but has designated a successor, such successor shall receive such beneficiary's share. However, if no such successor has been designated, the share of such beneficiary shall pass one-half to those persons who would be the wife Founder's heirs as if she had died intestate, unmarried, owning such property and the balance shall pass to those persons who would be the husband Founder's heirs as if he had died intestate, unmarried, owning such property.

The distribution of trust property, for purposes of this Section, shall be determined by the laws of descent and distribution for intestate estates in the State of Texas as such laws are in effect at the time of any distribution under this Article.

## Article XI

### Protection of Beneficial Interests

#### Section A. Protection of the Interests of Our Beneficiaries

No beneficiary will have the power to anticipate, encumber or transfer any interest in the trust. No part of the trust will be liable for or charged with any debts, contracts, liabilities or torts of a beneficiary or subject to seizure or other process by any creditor of a beneficiary.

#### Section B. Unproductive or Underproductive Assets

A beneficiary who is then entitled to the income of the trust, or the income of any other trust established or continued pursuant to this trust declaration, will have the authority to issue a written directive to the Trustee to convert trust property which does not produce an income, or which is underproductive, into property which is income producing or which will provide a greater income to the trust.

Upon actual receipt of an income beneficiary's written directive, the Trustee will reasonably and prudently proceed to convert unproductive or underproductive property into property which will produce a reasonable and safe rate of return. The Trustee may do so by selling the unproductive or underproductive asset upon such terms and conditions as are prudent and reasonable under all circumstances which may then exist (including the acceptance of an income or interest bearing obligation as the whole or a part of the sales price), and investing the proceeds of the sale in income producing instruments or obligations.

Notwithstanding these requirements, a trust beneficiary cannot direct the Trustee to invest or reinvest trust property in a trust investment which is speculative in nature or which, in result, would violate the spendthrift provisions of this trust declaration.

#### Section C. No Contest of Our Trust

The Founders vest in the Trustee the authority to construe this trust instrument and to resolve all matters pertaining to disputed issues or controverted claims. Founders do not want to burden this trust with the cost of a litigated proceeding to resolve questions of law or fact unless the proceeding is originated by the Trustee or with the Trustee's written permission.

07192015:0609:P0155

Any person, agency or organization who shall originate (or who shall cause to be instituted) a judicial proceeding to construe or contest this trust instrument, or any will which requires distribution of property to this trust, or to resolve any claim or controversy in the nature of reimbursement, or seeking to impress a constructive or resulting trust, or alleging any other theory which, if assumed as true, would enlarge (or originate) a claimant's interest in this trust or in the Founders' estates, without the Trustee's written permission, shall forfeit any amount to which that person, agency or organization is or may be entitled and the interest of any such litigant or contestant shall pass as if he or she or it had predeceased us, regardless of whether or not such contestant is a named beneficiary.

These directions shall apply even though the person, agency or organization shall be found by a court of law to have originated the judicial proceeding in good faith and with probable cause and even though the proceedings may seek nothing more than to construe the application of this no contest provision.

This requirement is to be limited, even to the exclusion thereof, in the event it operates to deny the benefits of the federal estate tax or federal gift tax marital deduction.

**Section D. Our Trustee's Authority to Keep Property in Trust**

Unless this trust declaration provides otherwise, if any trust property becomes distributable to a beneficiary when the beneficiary is under 21 years of age, or when the beneficiary is under any form of legal disability, as defined in Article XIII, our Trustee shall retain that beneficiary's share in a separate trust until he or she attains 21 years of age, or until his or her legal disability has ceased, to be administered and distributed as follows:

**1. Distributions of Trust Income and Principal**

Our Trustee shall pay to or apply for the benefit of the beneficiary as much of the net income and principal of the trust as our Trustee, in its sole and absolute discretion, deems necessary or advisable for the beneficiary's health, education, maintenance and support. No guardian or custodian of a beneficiary shall have any control or interposition over our Trustee.

In making any distributions of income and principal under this Section, our Trustee shall be mindful of, and take into consideration to the extent it deems necessary, any additional sources of income and principal available to the beneficiary which arise outside of this agreement.

Any net income not distributed to a beneficiary shall be accumulated and added to principal.

07192015:0809:P0156

## 2. Methods of Distribution

Distributions to an incompetent or disabled beneficiary, or a minor beneficiary, may be made in any of the following ways as in the Trustee's opinion will be most beneficial to the interests of the beneficiary:

- (a) Directly to such beneficiary;
- (b) To his or her parent, guardian or legal representative;
- (c) To a custodian for said beneficiary under any Uniform Gifts to Minors Act and/or Gifts of Securities to Minors Act in the jurisdiction of residence of such beneficiary;
- (d) To any person with whom he or she is residing;
- (e) To some near relative or close friend; or
- (f) By the Trustee using such payment directly for the benefit of such beneficiary, including payments made to or for the benefit of any person or persons whom said beneficiary has a legal obligation to support;
- (g) To persons, corporations or other entities for the use and benefit of the beneficiary;
- (h) To an account in a commercial bank or savings institution in the name of the beneficiary, or in a form reserving the title, management and custody of the account to a suitable person, corporation or other entity for the use and benefit of the beneficiary; or
- (i) In any prudent form of annuity purchased for the use and benefit of the beneficiary.

The Trustee may instead, in the Trustee's sole discretion, hold such income or corpus for the account of such beneficiary as custodian. A receipt from a beneficiary or from his parent, guardian, legal representative, relative or close friend or other person described above shall be a sufficient discharge to the Trustee from any liability for making said payments.

07132015:0809: P0157

The Trustee is likewise authorized to consult with and act upon the advice of the parent, guardian, custodian or legal representative of any beneficiary who is either an incompetent or a minor with respect to any and all matters which may arise under this trust and as it concerns the rights or interests of said beneficiary.

All statements, accounts, documents, releases, notices or other written instruments, including but not limited to, written instruments concerning the resignation or replacement of any Trustee or Trustees, required to be delivered to or executed by such beneficiary, may be delivered to or executed by the parent, guardian, custodian or legal representative of said incompetent or minor beneficiary, and when so delivered or executed shall be binding upon said incompetent or minor beneficiary, and shall be of the same force and effect as though delivered to or executed by a beneficiary acting under no legal disability.

**3. Termination and Ultimate Distribution**

Our Trustee shall distribute the trust property to a beneficiary:

When he or she attains 21 years of age, or

When he or she ceases to be disabled.

**Section E. Application to Founders**

Notwithstanding anything in this agreement to the contrary, this Article shall not apply to, modify or affect the surviving Founder's right to receive the net income from the Survivor's Trust as set forth and provided for in this agreement.

07132015:0809:PO158

## Article XII

### Our Trustees' Powers and Authority

#### Section A. Applicability of Texas Trust Code and Other Statutes

The Trustee shall have the powers, duties, and liabilities set forth in this declaration and as more specifically stated in this Article, as well as such powers, duties and liabilities set forth in the Texas Trust Code, and all other applicable state and federal statutes, as now enacted and as hereafter amended, except to the extent the same may be inconsistent with the provisions of this declaration, in which case the provisions of this declaration shall govern.

#### Section B. Powers to Be Exercised in the Best Interests of the Beneficiaries

The Trustee shall exercise the following administrative and investment powers without the order of any court, as the Trustee determines in its sole and absolute discretion to be in the best interests of the beneficiaries.

Notwithstanding anything to the contrary in this agreement, the Trustee shall not exercise any power in a manner inconsistent with the beneficiaries' right to the beneficial enjoyment of the trust property in accordance with the general principles of the law of trusts.

The Trustee may perform every act reasonably necessary to administer each and every share or trust created under this agreement.

#### Section C. General Investment and Management Powers

The Trustee is authorized to invest in such investments as the Trustee deems proper and prudent, even if such investments fail to constitute properly diversified trust investments or for any other reason could be considered to be improper trust investments. The Trustee's investment authority is intended to be quite broad, and shall include, but is not limited to, all authority that follows.

In addition, the Trustee is granted the authority to exercise any managerial powers of an individual with respect to matters affecting a trust, it being our intention to grant broad managerial discretion to the Trustee that is consistent with the management and administration of a trust, including the following managerial authorities.

07132015:0809:P0159

#### Originally Contributed Properties

The Trustee may continue to hold and maintain all assets originally contributed to any trust.

#### Additional Properties

The Trustee is authorized to receive additional trust property, whether by gift, will, or otherwise, either from us, from either of us, or from any other person, corporation, or entity.

Upon receipt of any additional property, the Trustee shall administer and distribute the same as part of the trust property.

The Trustee may retain, without liability for depreciation or loss resulting from such retention, all property constituting the trust estate at the time of its creation or thereafter received from other sources.

The foregoing shall be acceptable even though such property may not be of the character prescribed by law for the investment of trust funds or may result in inadequate diversification of the trust property.

#### Securities Powers

The Trustee may invest and reinvest in such classes of stocks, bonds, securities, commodities, options, metals, or other property real or personal, as it shall determine.

The Trustee is authorized to buy, sell, and trade in securities of any nature, including short sales on margin. The Trustee may maintain and operate margin accounts with brokers, and may pledge any securities held or purchased by other Trustees with such brokers as securities for loans and advances made to the Trustee.

The Trustee may retain, exercise, or sell rights of conversion or subscription with respect to any securities held as part of the trust property.

The Trustee may vote or refrain from voting at corporate meetings either in person or by proxy, whether general or limited, and with or without substitutions.

#### Investment of Cash Assets

A corporate entity serving as Trustee may deposit trust funds with itself as either a permanent or temporary investment, and may place trust funds under its administration in common trust funds established and maintained by such corporate trustee or its affiliate. In

07132015:0809:PO160

determining where to invest cash resources, the Trustee may consider all factors, including facility of access and security of funds invested, as well as the stated rate of return.

**Unproductive or Wasting Assets**

Except as otherwise provided in this agreement, the Trustee may receive, acquire and maintain assets that may constitute unproductive, underproductive or wasting assets if the Trustee believes it is reasonable to do so. Upon the sale or disposition of any such asset, the Trustee need not make an allocation of any portion of the principal element of such sale proceeds to the income beneficiaries of the trust.

**Personal Residence and Furnishings of Personal Residence**

To the extent that the personal residence that we occupied at the date of the death of the first of us to die and any furnishings of such residence become part of a trust estate, the Trustee is authorized to continue to retain and use, to distribute in kind, or to sell any such assets should the Trustee believe the retention, use, distribution or sale of such assets would be beneficial to the survivor of us.

**Mineral Properties**

The Trustee shall have the power to acquire, exchange, maintain or sell mineral interests, and to make oil, gas and mineral leases covering any lands or mineral interests forming a part of a trust estate, including leases for periods extending beyond the duration of the trust.

The Trustee may pool or unitize any or all of the lands, mineral leaseholds or mineral interests of a trust with others for the purpose of developing and producing oil, gas or other minerals, and may make leases or assignments containing the right to pool or unitize.

The Trustee may enter into contracts and agreements relating to the installation or operation of absorption, repressuring and other processing plants, may drill or contract for the drilling of wells for oil, gas or other minerals, may enter into, renew and extend operating agreements and exploration contracts, may engage in secondary and tertiary recovery operations, may make "bottom hole" or "dry hole" contributions, and may deal otherwise with respect to mineral properties as an individual owner might deal with his own properties.

The Trustee may enter into contracts, conveyances and other agreements or transfers deemed necessary or desirable to carry out these powers, including division orders, oil, gas or other hydrocarbon sales contracts, processing agreements, and other contracts relating to the processing, handling, treating, transporting and marketing of oil, gas or other mineral production.

07132015:0809:PO161

Any lease or other agreement may have a duration that the Trustee deems reasonable, even though extending beyond the duration of any trust created in this agreement.

The Trustee may drill, test, explore, mine, develop, and otherwise exploit any and all oil, gas, coal, and other mineral interests, and may select, employ, utilize, or participate in any business form, including partnerships, joint ventures, co-owners' groups, syndicates, and corporations, for the purpose of acquiring, holding, exploiting, developing, operating, or disposing of oil, gas, coal, and other mineral interests.

The Trustee may employ the services of consultants or outside specialists in connection with the evaluation, management, acquisition, disposition, or development of any mineral interests, and may pay the cost of such services from the principal or income of the trust property.

The Trustee may use the general assets of the trusts created under this agreement for the purposes of acquiring, holding, managing, developing, pooling, unitizing, repressuring, or disposing of any mineral interests.

The term "mineral" shall mean minerals of whatever kind and wherever located, whether surface or subsurface deposits, including (without limitation) coal, lignite and other hydrocarbons, iron ore, and uranium.

#### **Power to Enter Into or Continue Business Activities**

The Trustee shall have the authority to enter into, engage in, expand, carry on, terminate and liquidate any and all business activities, whether in proprietary, general or limited partnership, joint venture or corporate form, with such persons and entities as the Trustee deems proper. This power pertains to business activities in progress at the date of our deaths, and to business opportunities arising thereafter. Business activities conducted by the Trustee should be related to the administration and investment of the trust estate, for it is not our intention to convert any trust into an entity that would be taxable as an association for federal tax purposes.

#### **Banking Authority**

The Trustee is authorized to establish and maintain bank accounts of all types in one or more banking institutions that the Trustee may choose.

#### **Corporate Activities**

The Trustee may form, reorganize or dissolve corporations, and may exercise all rights of a stockholder, including the right to vote for or against mergers, consolidations and

07132015:0809:P0162

liquidations, and to act with or without substitution. An individual serving as Trustee may elect himself as an officer or director of a corporation owned in part or in whole by a trust created by this declaration, and a corporate entity serving as Trustee may elect one of its officers to such a position, and in each such instance the person so elected may be paid reasonable compensation for services rendered to such corporation in such capacity. The Trustee may retain, exercise or sell rights of conversion or subscription to any securities held as part of the trust property.

**Agricultural Powers**

The Trustee may retain, sell, acquire, and continue any farm or ranching operation whether as a sole proprietorship, partnership, or corporation.

The Trustee may engage in the production, harvesting, and marketing of both farm and ranch products either by operating directly or with management agencies, hired labor, tenants, or sharecroppers.

The Trustee may engage and participate in any government farm program, whether state or federally sponsored.

The Trustee may purchase or rent machinery, equipment, livestock, poultry, feed, and seed.

The Trustee may improve and repair all farm and ranch properties; construct buildings, fences, and drainage facilities; acquire, retain, improve, and dispose of wells, water rights, ditch rights, and priorities of any nature.

The Trustee may, in general, do all things customary or desirable to operate a farm or ranch operation for the benefit of the beneficiaries of the various trusts created under this agreement.

**Real Estate**

The Trustee may purchase or sell real property, and may exchange, partition, subdivide, develop, manage, and improve real property. The Trustee may grant or acquire easements, may impose deed restrictions, may adjust boundaries, may raze existing improvements, and may dedicate land or rights in land for public use. The Trustee may construct, repair, alter, remodel, demolish or abandon improvements. The Trustee may take any other action reasonably necessary for the preservation of real estate and fixtures comprising a part of the trust property or the income therefrom.

07132015:0809: P0163

**Authority to Sell or Lease and Other Dispositive Powers**

The Trustee may sell, lease or grant options to lease trust property without the consent or ratification of any court, remainderman, or third party, including the authority to lease beyond the anticipated term of a trust, upon such terms and for such consideration as the Trustee deems appropriate. The Trustee may make such contracts, deeds, leases, and other instruments it deems proper under the circumstances, and may deal with the trust property in all other ways in which a natural person could deal with his or her property.

**Warranties and Covenants**

The Trustee may convey properties with such covenants and warranties of title (general or special) as the Trustee deems appropriate.

**Trustee's Compensation**

The Trustee shall pay itself reasonable compensation for its services as fiduciary as provided in this agreement.

**Employment and Delegation of Authority to Agents**

The Trustee may employ and compensate, and may discharge, such advisors and agents as the Trustee deems proper, and may delegate to an agent such authorities (including discretionary authorities) as the Trustee deems appropriate, by duly executed powers of attorney or otherwise.

**Power to Release or Abandon Property  
or Rights, and to Pursue Claims**

The Trustee may release, compromise or abandon claims or rights to property for such consideration (including no consideration) as the Trustee determines to be appropriate when the Trustee determines it is prudent to do so. The Trustee is authorized to institute suit on behalf of and to defend suits brought against a trust estate, and to accept deeds in lieu of foreclosure.

**Nominal Title and Use of Nominees**

With or without disclosing fiduciary capacity, the Trustee may acquire title to property in the name of the Trustee or in the name of one or more nominees, and may allow its nominees to take possession of trust assets with or without direct custodial supervision by the Trustee.

07132015:0809:P0164

**Power to Lend Money and Guarantee Obligations**

The Trustee may lend money to any person, to any business entity, to an estate, or to any trust, if the Trustee deems the loan to be in the best interests of the trust beneficiaries, provided that any such loan (except loans to beneficiaries) shall be adequately secured and shall bear a reasonable rate of interest.

The Trustee, in the Trustee's discretion, may endorse, guarantee, become the surety of or otherwise become obligated for or with respect to the debts or other obligations of any person or legal entity, whether with or without consideration, when the Trustee believes such actions advance the purposes of any trust created hereunder.

The Trustee may make loans from a beneficiary's trust share to or for the benefit of such a beneficiary on an unsecured basis, and for such rate of interest as the Trustee deems appropriate, when in the Trustee's judgment, such loan would be consistent with the purposes of such trust.

**Power to Borrow**

The Trustee may assume the payment of and renew and extend any indebtedness previously created by either or both Founders, and the Trustee may create new indebtedness and raise money by any means, including margin trading in securities, when the Trustee believes such borrowing will be beneficial to the trust estate.

The Trustee is authorized to secure the payment of each such indebtedness, and all renewals, extensions and refinancing of same, by pledge, mortgage, deed of trust or other encumbrance covering and binding all or any part of the trust estate of a trust.

The Trustee may loan its own monies to a trust and may charge and recover the then usual and customary rate of interest thereon when, in the discretion of Trustee, it is prudent to do so.

**Payment of Indebtedness and Settlement Costs**

The Trustee may in its sole discretion pay the funeral and burial expenses, expenses of the last illness, and valid claims and expenses of an income beneficiary of any trust created under this agreement.

Funeral and burial expenses shall include, but not be limited to, the cost of memorials of all types and memorial services of such kind as the Trustee shall approve. Valid claims and expenses shall include, but not be limited to, all state and federal death taxes.

07192015:0809:0169

The payments shall be paid from the assets of the trust or trusts from which the beneficiary was receiving income.

**Transactions Between the Trustee and Our Personal Representatives**

The Trustee is authorized to accept from our personal representatives, upon the termination or during the administration of our respective probate estates, if any, assets delivered by our personal representatives to the Trustee on the basis of the accounting submitted by the personal representatives, without requiring an audit or other independent accounting of the acts of our personal representatives, and the Trustee shall not have liability for the acts or omissions of our personal representatives. The foregoing shall not limit the right of our Trustee to request an accounting from our personal representatives and our personal representatives shall, upon request from the Trustee, furnish a complete accounting for their actions.

The Trustee shall have the power to purchase property from our estates at its fair market value, as determined by our personal representatives and by our Trustee, and to the extent required to permit such purchase of assets and to permit loans from the Trustee to our estate, we specifically waive application of the provisions of Section 352 of the Texas Probate Code and Sections 113.053 and 113.054 of the Texas Trust Code.

**Commingling Trust Estates**

For the purpose of convenience with regard to the administration and investment of the trust property, the Trustee may hold the several trusts created under this agreement as a common fund.

The Trustee may make joint investments with respect to the funds comprising the trust property.

The Trustee may enter into any transaction authorized by this Article with fiduciaries of other trusts or estates in which any beneficiary hereunder has an interest, even though such fiduciaries are also Trustees under this agreement.

**Addition of Accumulated Income to Principal**

The Trustee shall, on a convenient periodic basis, add the accumulated undistributed income of any trust which does not provide for mandatory income distributions to specified beneficiaries, and which does not require that any undistributed income be maintained separately for ultimate distribution to specified beneficiaries, to the principal of such trust.

07132015:0809:P0166

**Distributions Not Treated as Advancements**

No distributions to a beneficiary of any trust created hereunder shall be treated as an advancement against the beneficiary's share of such trust unless the distribution is specially so treated on the Trustee's records at the time of the distribution or unless the Trustee gives notice of such fact to the beneficiary at the time of the distribution. If the Trustee has the discretion to make distributions from a trust to more than one beneficiary, the Trustee ordinarily should not treat distributions to any particular beneficiary as an advancement of that beneficiary's share of the trust unless an event has occurred causing the termination of such trust.

**Tax Elections**

The Trustee may exercise any available elections regarding state or federal income, inheritance, estate, succession or gift tax law including the right to elect any alternate valuation date for federal estate or inheritance tax purposes, the right to elect whether all or any parts of the administration of a deceased Founder's estate are to be used as estate tax deductions or income tax deductions, the right to make compensating adjustments between income and principal as a result of such elections if necessary, and the right to elect to have trust property qualify for the federal estate tax marital deduction as qualified terminable interest property under the appropriate provisions of the Internal Revenue Code and its regulations. The Trustee may also sign tax returns; pay any taxes, interest or penalties with regard to taxes; apply for and collect tax refunds thereon.

The Trustee is authorized to make elections available under applicable tax laws as the Trustee determines, in its discretion, to be advisable even though such elections may affect the interests of trust beneficiaries. The Trustee need not, but may, in its sole discretion, make equitable adjustments of the interests of the trust beneficiaries in light of the effect of such elections.

**Transactions in Which the Trustee  
Has A Direct or Indirect Interest**

We expressly waive prohibitions existing under the common law and the Texas Trust Code that might otherwise prohibit a person or entity who is serving as a Trustee from engaging in transactions with himself or itself personally, so long as the consideration exchanged in any such transaction is fair and reasonable to the trust created by this declaration. Specifically, we authorize the Trustee (a) to buy or sell trust property from or to an individual or entity serving as a Trustee, or from or to a relative, employee, business associate or affiliate of such individual serving as Trustee; (b) to sell or exchange and to transact other business activities involving properties of one trust with another trust under

07132015:0809: P0167

the control of the Trustee; and (c) to sell or purchase from a trust the stock, bonds, obligations or other securities of the Trustee or its affiliate.

Notwithstanding the general powers conferred upon the Trustee, or anything to the contrary contained in this agreement, no individual Trustee shall exercise or participate in the exercise of discretion with respect to the distribution of trust income or principal to or for the benefit of such Trustee.

No individual Trustee shall exercise or participate in the exercise of such discretionary power with respect to distributions to any person or persons such Trustee is legally obligated to support as to that support obligation.

**Section D. Apportionment of Receipts and Expenses Between Income and Principal**

The Trustee shall have the power, exercisable in such Trustee's reasonable and sole discretion, to determine what is principal or income of a trust or trust share. The Trustee shall pay from income or principal all of the reasonable expenses attributable to the administration of the respective trusts created in this agreement. The Trustee shall have the power to establish a reasonable reserve for depreciation or depletion and to fund the same by appropriate charges against income of the trust estate. For purposes of determining an appropriate reserve for depreciable or depletable assets, the Trustee may (but need not) adopt the depreciation or depletion allowance available for federal income tax purposes.

**Section E. Records, Books of Account and Reports**

The Trustee shall promptly set up and thereafter maintain, or cause to be set up and maintained, proper books of account which shall accurately reflect the true financial condition of the trust estate. Such books of account shall at all reasonable times be open for inspection or audit only by current, mandatory income beneficiaries, their parent or court appointed guardians, and the duly authorized agents, attorneys, representatives and auditors of each, at the expense of the beneficiary making such inspection or audit.

The Trustee shall make a written financial report, at least semi-annually, to each beneficiary of the trust who is entitled to receive a present, mandatory income distribution, unless such beneficiary, or such beneficiary's parent or legal guardian, has executed a written waiver of the right to receive such a report. The Trustee shall not be obligated to provide financial reports to a beneficiary who is less than eighteen years old if such reports are being provided to a parent of such beneficiary. Such reports shall be submitted to the parent or guardian of a minor beneficiary, or to the guardian or other legal representative of any incapacitated beneficiary.

07132015:0809: P0168

The first financial report shall identify all property initially received by the Trustee. The first report and each subsequent report shall include a statement of all property on hand at the end of such accounting period, of all property that has come to the knowledge or possession of the Trustee that has not been previously listed as property of the trust, of all known liabilities, of all receipts and disbursements during such period (including a statement as to whether the receipt or disbursement is of income or principal), and of such other facts as the Trustee deems necessary to furnish in order to provide adequate information as to the condition of the trust estate.

Except as otherwise provided in this declaration, should any person interested in a trust estate request an accounting for the Trustee's actions that is more extensive or more frequent than the accounting normally to be rendered, the Trustee may require such person to pay the additional costs incurred in preparing the same before complying with such request.

**Section F. Trustee's Liability**

No person or entity serving as Trustee without compensation shall be liable for any error of judgment or mistake of fact or law or for ordinary negligence, but shall be liable for acts involving willful misconduct, gross negligence or bad faith.

Unless otherwise provided, no person or entity serving as Trustee who is receiving compensation for his or its services hereunder shall be liable for any loss which may occur as a result of any actions taken or not taken by the Trustee if such person or entity has exercised the reasonable care, skill and prudence generally exercised by a compensated fiduciary with respect to the administration, investment, and management of similar estates.

No person or entity serving as Trustee shall be liable for the acts, omissions or defaults of any other person or entity serving as Trustee, agent or other person to whom duties may be properly delegated hereunder (except that each corporate trustee shall be liable for the acts, omissions and defaults of its officers and regular employees) if such agent or other person was engaged with reasonable care.

Unless a Trustee shall expressly contract and bind himself or itself individually, no Trustee shall incur any personal liability to any person or legal entity dealing with the Trustee in the administration of a trust. The Trustee shall be entitled to reimbursement from the properties of a trust for any liability or expense, whether in contract, tort or otherwise, incurred by the Trustee in the proper administration of a trust.

The Trustee shall be indemnified from the trust property for any damages sustained by the Trustee as a result of its exercising, in good faith, any of the authorities granted it under this trust declaration.

07132015:0809:P0165

**Section G. Duty of Third Parties Dealing with Trustee**

No person dealing with the Trustee shall be responsible for the application of any assets delivered to the Trustee, and the receipt of the Trustee shall be a full discharge to the extent of the property delivered. No purchaser from or other person dealing with the Trustee, and no issuer or transfer agent of any securities to which any dealing with the Trustee shall relate, shall be under any duty to ascertain the power of the Trustee to purchase, sell, exchange, transfer, encumber or otherwise in any manner deal with any property held by the Trustee. No person dealing with the Trustee in good faith shall be under any duty to see that the terms of a trust are complied with or to inquire into the validity or propriety of any act of the Trustee.

**Section H. Division and Distribution of Trust Estate**

When the Trustee is required to divide or make distribution from a trust estate, in whole or in part, such division or distribution may be made by the Trustee in cash or in kind, or partly in cash and partly in kind, and the Trustee may assign or apportion to the distributees undivided interests in any assets then constituting a part of such trust estate. The Trustee may encumber property, may sell property, and may make non-pro-rata distributions when the Trustee believes it is practical or desirable and equitable to do so in order to effectuate a trust distribution regardless of the income tax basis of any asset.

If non-pro-rata distributions are to be made, the Trustee should attempt to allocate the tax basis of the assets distributed in an equitable manner among the beneficiaries of the trust, but the Trustee may at all times rely upon the written agreement of the trust beneficiaries as to the apportionment of assets. To the extent non-pro-rata distributions are made and the tax basis of the assets so distributed is not uniformly apportioned among beneficiaries, the Trustee may, but need not, make any equitable adjustments among such beneficiaries as a result of such nonuniformity in basis.

**Section I. Life Insurance**

The Trustee shall have the powers with regard to life insurance as set forth in this Section I, except as otherwise provided in this agreement.

The Trustee may purchase, accept, hold, and deal with as owner, policies of insurance on both Founders' individual or joint lives, the life of any trust beneficiary, or on the life of any person in whom any trust beneficiary has an insurable interest.

07132015:0809:P0170

The Trustee shall have the power to execute or cancel any automatic premium loan agreement with respect to any policy, and shall have the power to elect or cancel any automatic premium loan provision in a life insurance policy.

The Trustee may borrow money with which to pay premiums due on any policy either from the company issuing the policy or from any other source and may assign any such policy as security for the loan.

The Trustee shall have the power to exercise any option contained in a policy with regard to any dividend or share of surplus apportioned to the policy, to reduce the amount of a policy or convert or exchange the policy, or to surrender a policy at any time for its cash value.

The Trustee may elect any paid-up insurance or any extended-term insurance nonforfeiture option contained in a policy.

The Trustee shall have the power to sell policies at their fair market value to the insured or to anyone having an insurable interest in the policies.

The Trustee shall have the right to exercise any other right, option, or benefit contained in a policy or permitted by the insurance company issuing that policy.

Upon termination of any trust created under this agreement, the Trustee shall have the power to transfer and assign the policies held by the trust as a distribution of trust property.

#### **Section J. Insured Trustee's Authority**

Any individual Trustee under this agreement, other than either Founder, is prohibited from exercising any power conferred on the owner of any policy which insures the life of such individual Trustee and which is held as part of the trust property.

If the Trustee holds any such policy or policies as a part of the trust property, the powers conferred on the owner of such a policy shall be exercised only by the other then acting Trustee.

If the insured Trustee is the only then acting Trustee, then such powers shall be exercised by a substitute Trustee designated pursuant to the provisions of this agreement dealing with the trusteeship.

If any rule of law or court decision construes the ability of the insured Trustee to name a substitute Trustee as an incident of ownership, the substitution process shall be implemented

07132015:0809:PG171

by a majority of the then current mandatory and discretionary income beneficiaries, excluding the insured Trustee if the insured Trustee is a beneficiary.

**Section K. Estimated Income Tax Payment Allocation**

The Trustee, in its sole discretion, may elect or not elect to treat all or any portion of federal estimated taxes paid by any trust to be treated as a payment made by any one or more beneficiaries of such trust who are entitled to receive current distributions of income or principal from such trust. The election need not be made in a pro rata manner among all beneficiaries of the trust.

If there is an individual serving as a co-trustee who is a beneficiary of a trust created by this declaration, that individual may not take part in any decision to treat any trust estimated income tax payment as a payment by such individual.

In exercising or choosing not to exercise the discretion granted in this paragraph, the Trustee shall not be liable to any beneficiary or to any other persons directly or indirectly for any action or inaction so taken except for its willful fraud or gross negligence.

**Section L. Merger of Trusts**

If at any time the Trustee determines it would be in the best interest of the beneficiary or beneficiaries of any trust created by this declaration to transfer or merge all of the assets held in such trust with any other trust created either by trust instrument or by will for the benefit of the same beneficiary or beneficiaries and under substantially similar trusts, terms and conditions, the Trustee under this declaration, after giving not less than thirty days advance written notice to its beneficiaries, is authorized to transfer to or merge all of the assets held under the trust created by this declaration to such other substantially similar trust, and to terminate the trust created under this declaration regardless of whether the Trustee under this declaration also is acting as the trustee of such other trust.

The Trustee under this declaration shall not be subject to liability for delegation of its duties for any such transfer to a substantially similar trust having a different person or entity serving as trustee, and shall have no further liability with respect to trust assets properly delivered to the trustee of any such other substantially similar trust. Similarly, the Trustee of any trust created by this declaration is authorized to receive from the trustee of any other substantially similar trust the assets held under such other trust.

07132015:0809:P0172

**Section M. Termination and Distribution of Small Trust**

If, in the discretionary judgment of the person(s) or entity serving as Trustee, other than a surviving Founder acting as Trustee, any trust shall at any time be a size which, in the Trustee's sole judgment, shall make it inadvisable or unnecessary to continue such trust, then the Trustee may distribute the trust estate of such trust to its beneficiaries in proportion to their respective presumptive interests in such trust at the time of such termination.

If either or both of us are a beneficiary of a trust terminated pursuant to this paragraph and are surviving at the date of such termination, the Trustee (other than a surviving Founder acting as Trustee) shall distribute the assets of such terminated trust to both of us or the survivor of us. The Trustee shall not be liable either for terminating or for refusing to terminate a trust as authorized by this paragraph.

**Section N. Elimination of Duty to Create Identical Trusts**

If the provisions of this trust direct the Trustee to hold any portion of its trust estate at its termination as the trust estate of a new trust for the benefit of any person or persons who already are beneficiaries of an existing identical trust, that portion of the terminating trust shall be added to the existing identical trust, and no new trust shall be created.

**Section O. Powers of Trustee Subsequent to an Event of Termination**

The Trustee shall have a reasonable period of time after the occurrence of an event of termination in which to wind up the administration of a trust and to make a distribution of its assets. During this period of time the Trustee shall continue to have and shall exercise all powers granted herein to the Trustee or conferred upon the Trustee by law until all provisions of this declaration are fully executed.

**Section P. Requesting Financial Information of Trust Beneficiaries**

In exercising its discretion to make any discretionary distributions to the beneficiaries of any trust created hereunder, the Trustee is authorized to request any financial information, including prior federal income tax returns, from the respective beneficiaries that the Trustee deems necessary in order to exercise its discretion in accordance with the provisions for making such distributions under this declaration.

07132015:0809:PO173

**Section Q. Retirement Plan Elections**

Except as otherwise provided in this trust declaration, the Trustee may receive or disclaim any and all proceeds from retirement plans, including, but not limited to, qualified pension, profit sharing, Keogh, individual retirement accounts, or any other form or type of plan. The Trustee may make such elections and exercise options as provided in such plan, without liability to any beneficiary for the election made or option elected. Any disclaimed proceeds or benefits shall be paid in accordance with the terms, conditions, and directives set forth in the subject plan.

**Section R. Qualification as a Qualified Subchapter S Trust**

If any stock of an S corporation becomes distributable to a trust created under this agreement, and such trust is not a qualified Subchapter S trust, the Trustee may implement any of the following alternatives with respect to the S corporation stock:

**1. A Sole Beneficiary**

Where the original trust is for a sole beneficiary, the Trustee may create for that beneficiary a separate trust that qualifies as a Subchapter S trust, and then distribute such stock to the newly created trust.

**2. Multiple Beneficiaries**

Where the original trust is for multiple beneficiaries, the Trustee may divide the trust into separate trusts for each of the beneficiaries. Each newly created trust shall hold that beneficiary's pro rata share of the S corporation stock, and shall qualify as a Subchapter S trust.

**3. Outright Distribution**

If circumstances prevent the Trustee from accomplishing the first two alternatives under this paragraph, the Trustee may, in its sole and absolute discretion, distribute such stock to the beneficiaries as if the trust had terminated, while continuing to hold any other non-S corporation property in trust.

Each newly created S corporation trust shall have mandatory distributions of income and shall not provide for powers of appointment that can be exercised by the beneficiary during the beneficiary's lifetime. In all other respects, the

07132015:0809: P0174

newly created trusts shall be as consistent as possible with the original trusts and still qualify as Subchapter S trusts.

The Trustee may take any action necessary with regard to S corporations, including making any elections required to qualify stock as S corporation stock, and may sign all required tax returns and forms.

### Miscellaneous Matters

#### Section A. Distribution of Personal Belongings by Memorandum

Each of us may have certain items of tangible personal property which have been transferred to the trust or otherwise subject to the Trustee's control which we wish to give to particular individuals while we are living or at the time of our respective deaths.

The term "personal belongings" or "tangible personal property" will mean and identify personal wearing apparel, jewelry, household furnishings and equipment, books, albums, art work, entertainment and sports equipment and all items of decoration or adornment.

Each spouse may, at any time and from time to time, deliver to the Trustee written, signed and dated instructions as to any living or post-mortem gifts of his or her personal belongings and the Trustee shall be authorized and bound to make disposition of these items as a spouse has reasonably directed in any such instructions which may be in the form of a Memorandum of Distribution or a love letter from either of us to the intended recipients of such items.

If there are conflicting instructions at the time of our deaths, then the instructions bearing the latest date shall be controlling. All such instructions are hereby incorporated by reference into this declaration.

#### Section B. Special Bequests

Unless otherwise provided in this trust document, or in any amendment, or in a document exercising a power to appoint the beneficiaries of this trust, if property given as a special bequest or gift is subject to a mortgage or other security interest, the designated recipient of the property will take the asset subject to the obligation and the recipient's assumption of the indebtedness upon distribution of the asset to the recipient.

The obligation to be assumed shall be the principal balance of the indebtedness on the date of death, and the trust shall be entitled to reimbursement or offset for principal and interest payments paid by the trust to date of distribution.

07132015:0609:PO179

**Section C. The Rule Against Perpetuities**

In no event will the term of this trust continue for a term greater than 21 years after the death of the last survivor of the Founders and all relatives of the Founders living on the effective date of this trust declaration.

Any continuation of the trust by the qualified exercise of a power of appointment will be construed as the creation of a separate trust and an extension of the rule against perpetuities to the extent permitted by law. A court of competent jurisdiction is to liberally construe and apply this provision to validate an interest consistent with the Founders' intent and may reform or construe an interest according to the doctrine of cy pres.

**Section D. Jurisdiction**

The jurisdiction of this trust will be the State of Texas. Any issue of law or fact pertaining to the creation, continuation, administration and termination of the trust, or any other matter incident to this trust, is to be determined with reference to the specific directions in the trust declaration and then under the laws of the State of Texas.

If an Article or Section of this trust declaration is in conflict with a prohibition of state law or federal law, the Article or Section, or the trust declaration as a whole, is to be construed in a manner which will cause it to be in compliance with state and federal law and in a manner which will result in the least amount of taxes and estate settlement costs.

**Section E. Dissolution of Our Marriage**

If our marriage is dissolved at any time, each spouse shall be deemed to have predeceased the other for purposes of distributions under this agreement. It is our intent that our respective property held in our trust shall not be used for the benefit of the other spouse upon the dissolution of our marriage.

**Section F. Maintaining Property in Trust**

If, on the termination of any separate trust created under this agreement, a final distribution is to be made to a beneficiary for whom our Trustee holds a trust created under this agreement, such distribution shall be added to such trust rather than being distributed.

The property that is added to the trust shall be treated for purposes of administration as though it had been an original part of the trust.

07132015:0809:PO180

**Section G. Survival**

Except as otherwise provided in this trust declaration, for the purpose of vesting in the event two or more persons who have an interest in the trust die within a short time of one another, one must have survived the other for a period of at least 90 days as a condition to vesting.

**Section H. Simultaneous Death**

In the event that the Co-Founders shall die simultaneously, or if there is insufficient evidence to establish that Co-Founders died other than simultaneously, it is deemed that the spouse owning the greater share of the separate property in this trust or passing into this trust due to the death of the Co-Founders, as defined for federal estate tax purposes, shall have predeceased the other Co-Founder, notwithstanding any provision of law to the contrary, and the provisions of this trust shall be construed on such assumption.

**Section I. Changing the Trust Situs**

After the death or disability of one of us, the situs of this agreement may be changed by the unanimous consent of all of the beneficiaries then eligible to receive mandatory or discretionary distributions of net income under this agreement.

If such consent is obtained, the beneficiaries shall notify our Trustee in writing of such change of trust situs, and shall, if necessary, designate a successor corporate fiduciary in the new situs. This notice shall constitute removal of the current Trustee, if appropriate, and any successor corporate Trustee shall assume its duties as provided under this agreement.

A change in situs under this Section shall be final and binding, and shall not be subject to judicial review.

**Section J. Construction**

Unless the context requires otherwise, words denoting the singular may be construed as denoting the plural, and words of the plural may be construed as denoting the singular. Words of one gender may be construed as denoting another gender as is appropriate within such context.

**Section K. Headings of Articles, Sections and Paragraphs**

The headings of Articles, Sections and Paragraphs used within this agreement are included solely for the convenience and reference of the reader. They shall have no significance in the interpretation or construction of this agreement.

07132015:0809:PO181

**Section L. Notices**

All notices required to be given in this agreement shall be made in writing by either:

Personally delivering notice to the party requiring it, and securing a written receipt, or

Mailing notice by certified United States mail, return receipt requested, to the last known address of the party requiring notice.

The effective date of the notice shall be the date of the written receipt or the date of the return receipt, if received, or if not, the date it would have normally been received via certified mail, provided there is evidence of mailing.

**Section M. Delivery**

For purposes of this agreement "delivery" shall mean:

Personal delivery to any party, or

Delivery by certified United States mail, return receipt requested, to the party making delivery.

The effective date of delivery shall be the date of personal delivery or the date of the return receipt, if received, or if not, the date it would have normally been received via certified mail, provided there is evidence of mailing.

**Section N. Duplicate Originals**

This agreement may be executed in several counterparts; each counterpart shall be considered a duplicate original agreement.

**Section O. Severability**

If any provision of this agreement is declared by a court of competent jurisdiction to be invalid for any reason, such invalidity shall not affect the remaining provisions of this agreement. The remaining provisions shall be fully severable, and this agreement shall be construed and enforced as if the invalid provision had never been included in this agreement.

**Section P. Gender, Plural Usage**

The use of personal pronouns, such as he, she or it are to be construed in context. The term "person" will include a non-person, such as a corporation, trust, partnership or other entity

07132015:0809:PO182

as is appropriate in context. The identification of person in the plural will include the singular and vice versa, as is appropriate in context.

**Section Q. Special Election for Qualified Terminable Interest Property**

For the purpose of identifying the "transferor" in allocating a GST exemption, the estate of a deceased spouse, or the Trustee of this trust, may elect to treat all of the property which passes in trust to a surviving spouse for which a marital deduction is allowed, by reason of Section 2056(b)(7) of the Internal Revenue Code, as if the election to be treated as qualified terminable interest property had not been made.

Reference to the "special election for qualified terminable interest property" will mean and identify the election provided by Section 2652(a)(2) of the Internal Revenue Code.

The term "GST exemption" or "GST exemption amount" is the dollar amount of property which may pass as generation skipping transfer under Subtitle B, Chapter 13, of the Internal Revenue Code 1986 (entitled "Tax On Generation-Skipping Transfers") which is exempt from the generation skipping tax.

**Section R. Generation Skipping Transfers**

Our Trustee, in the Trustee's sole discretion, may allocate or assist either Founders' personal representatives or trustees in the allocation of any remaining portion of either Founder's GST exemptions to any property as to which such Founder is the transferor, including any property transferred by such Founder during life as to which such Founder did not make an allocation prior to his or her death and/or among any generation skipping transfers (as defined in Section 2611 of the Internal Revenue Code) resulting under this trust declaration and/or that may later occur with respect to any trust established under this trust declaration, and the Trustee shall never be liable to any person by reason of such allocation, if it is made in good faith and without gross negligence. The Trustee may, in the Trustee's sole discretion, set apart, to constitute two separate trusts, any property which would otherwise have been allocated to any trust created hereunder and which would have had an inclusion ratio, as defined in Section 2642(a)(1) of the Internal Revenue Code, of neither one hundred percent nor zero so that one such trust has an inclusion ratio of one hundred percent and the other such trust has an inclusion ratio of zero. If either Founder's personal representative or trustee and/or the Trustee exercises the special election provided by Section 2652(a)(3) of the Internal Revenue Code, as to any share of either Founder's property that is to be held in trust under this trust declaration, then the Trustee is authorized, in the Trustee's sole discretion, to set apart property constituting such share in a separate trust so that its inclusion ratio of such trust is zero.

07132015:0809:PO189

Section S. Elective Deductions

A Trustee will have the discretionary authority to claim any obligation, expense, cost or loss as a deduction against either estate tax or income tax, or to make any election provided by Texas law, the Internal Revenue Code, or other applicable law, and the Trustee's decision will be conclusive and binding upon all interested parties and shall be effective without obligation to make an equitable adjustment or apportionment between or among the beneficiaries of this trust or the estate of a deceased beneficiary.

We, ELMER H. BRUNSTING and NELVA B. BRUNSTING, attest that we execute this trust declaration and the terms thereof will bind us, our successors and assigns, our heirs and personal representatives, and any Trustee of this trust. Our Trustees

Section B. Our Successor Trustees

Each of the original Trustees will have the right to appoint their own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any reason, and may specify any conditions upon succession and service as may be permitted by law. Such appointment, together with any specified conditions, must be in writing.

If an original Trustee does not appoint a successor, the remaining original Trustee or Trustees then serving will continue to serve alone.

If both of the original Trustees fail or cease to serve by reason of death, disability or for any reason without having appointed a successor or successors, then the following individuals or entities will serve as Co-Trustees:

CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS

CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS shall each have the authority to appoint his or her own successor Trustee by appointment in writing.

If a successor Co-Trustee should fail or cease to serve by reason of death, disability or for any other reason, then the remaining successor Co-Trustee shall serve alone. However, if neither successor Co-Trustee is able or willing to serve, then THE FROST NATIONAL BANK shall serve as sole successor Trustee.

Successor Trustees will have the authority vested in the original Trustees under this trust document, subject to any lawful limitations or qualifications upon the service of a successor imposed by any Trustee in a written document appointing a successor.

A successor Trustee will not be obliged to examine the records, accounts and acts of the previous Trustee or Trustees, nor will a successor Trustee in any way or manner be responsible for any act or omission to act on the part of any previous Trustee.

**PERSONAL ASSET TRUST PROVISIONS**

**A. Establishment of the Personal Asset Trust:**

A Personal Asset Trust shall be created for a beneficiary of the Trust when, under any other provision of this Trust Agreement, a distribution of the Trust Estate specified

07132015:0809: P0193

to be made to said beneficiary's Personal Asset Trust first occurs. The Personal Asset Trust shall be held, administered and distributed as set forth under this Agreement. After a beneficiary's Personal Asset Trust is established, any further distribution specified to be made to said beneficiary's Personal Asset Trust under any other provisions of this Agreement shall be added to and become a part of said existing Personal Asset Trust, to be held, administered and distributed as if it had been an original part thereof. The Personal Asset Trust may be referred to by either using the name of the beneficiary for whom such trust is created or such other name as is designated by the Trustee. Notwithstanding the foregoing, if the Trustee exercises his or her right to create a separate and distinct Personal Asset Trust for said beneficiary (pursuant to the paragraph of this Agreement entitled "Trustee's Discretion to Hold, Manage and Distribute Separate Trusts in Different Manners"), any further distributions specified to be made to said beneficiary's Personal Asset Trust may, in the Trustee's sole and absolute discretion, instead be partly or entirely made to such newly created Personal Asset Trust.

B. Trustor's Intent in Establishing Personal Asset Trusts: The Trustor's intended purposes in creating a Personal Asset Trust for a beneficiary are as follows:

1. To protect and conserve trust principal;
2. To eliminate and reduce income taxes, generation skipping transfer taxes and estate and death taxes on trust assets and on assets in the estate of the beneficiary;
3. To benefit and provide for the financial needs of the beneficiary and his or her descendants;
4. To protect trust assets and income from claims of and interference from third parties;
5. To invest in non-consumables, such as a principal residence, in order to provide the beneficiary with the liberal use and enjoyment of such property, without charge, rather than make a distribution of trust assets to the beneficiary or purchase them in the name of the beneficiary. It is the Trustor's desire in this regard that the beneficiary, to the extent possible, use his or her own resources to pay for living expenses and consumables in order to reduce the size of such beneficiary's estate subject to estate taxes and claims of third parties;
6. To invest in reasonable business ventures, including business start-ups, where the beneficiary is a principal or otherwise involved in such ventures or start-ups;

07132015:0809: P0194

- 7. To give the beneficiary the ability to direct the distribution of wealth (during life or at death) to other individuals or charitable organizations (subject to any limitation provided elsewhere herein);
- 8. To allow for the prudent management of property if the beneficiary is incapacitated or otherwise unable to handle his or her own financial affairs because of alcohol or drug abuse or other reasons;
- 9. To protect the beneficiary from the unreasonable or negative influence of others, divorce claims, paternity or maternity suits or claims, and other lawsuits; and
- 10. To protect the beneficiary against claims of third parties.

C. Duty to Inform Beneficiary of Trust Benefits and Protections: Immediately prior to a Personal Asset Trust being established for a beneficiary hereunder, the then acting Trustee of the Trust shall, if at all practicable, have a private meeting or telephone call with such beneficiary to explain the above stated long-term purposes and benefits of the Personal Asset Trust and to advise such beneficiary how he or she may maintain the benefits and protections that such trust provides. The Trustee is directed to have an attorney assist the Trustee in conducting this meeting or call and the Trustor hereby authorizes the Trustee to employ the services of VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, for such purpose and waive any potential conflict that may otherwise deter them from acting; however, the Trustee is free to hire any other attorney, provided such attorney is an experienced estate planning specialist.

D. Designation of Trustee: Except for the Personal Asset Trusts created for CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS, each beneficiary for whom a Personal Asset Trust is created shall act as sole Trustee of said trust. ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART shall act as Co-Trustees for the Personal Asset Trusts for CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS. If either ANITA KAY BRUNSTING or AMY RUTH TSCHIRHART cannot serve for any reason, the remaining Co-Trustee shall serve alone. Both ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART shall have the right to appoint their own successor Trustee in writing. Notwithstanding the foregoing, each beneficiary who is acting as his or her own Trustee of his or her said trust shall have the right, at such time as said beneficiary is acting as sole Trustee and in said beneficiary's sole and absolute discretion, to appoint an independent bank or trust company to act jointly with said beneficiary as Co-Trustee of said trust. Said beneficiary shall also have the right, at any time and in said beneficiary's sole and absolute discretion, to remove said independent bank or trust company acting as Co-Trustee provided said beneficiary appoints another independent bank or trust company in its place. The appointment or removal of an independent bank or trust company as Co-Trustee shall be by written instrument delivered to the Co-Trustee. Furthermore, said beneficiary shall have the right to designate by will or other written instrument, either individual(s) or an independent bank or trust company, to act as a

07132015:0309:PO195

successor Trustee or Co-Trustee(s) in said beneficiary's place, as the case may be, in the event of said beneficiary's death, incompetency, inability or unwillingness to act; but, if said beneficiary is still living, the majority of acting Trustees must be independent within the meaning of Internal Revenue Code Section 674(c) and said beneficiary shall not have the right to remove the successor Trustee or Co-Trustee so designated and appoint another in its place. Should said beneficiary fail to so designate a successor Trustee or Co-Trustees of such trust, then the FROST NATIONAL BANK shall act as successor Trustee, notwithstanding any other provisions contained in the trust agreement. Notwithstanding the foregoing provisions of this paragraph, the ability of said beneficiary to appoint a successor Trustee may be limited as set forth in the Sections of the Trust entitled "Special Co-Trustee Provisions" and "Trust Protector Provisions."

- E. Designation of Trustee for Primary Beneficiary's Issue: Notwithstanding the foregoing, upon attaining age thirty five (35) each of the descendants of a Primary Beneficiary (hereinafter sometimes referred to as "issue") shall act as sole Trustee of the Personal Asset Trust created for such issue. Said issue shall have the right, at such time as said issue is acting as sole Trustee and in said issue's sole and absolute discretion, to appoint an independent bank or trust company to act jointly with said issue as Co-Trustee of said trust. Said issue shall also have the right, at any time and in said issue's sole and absolute discretion, to remove said independent bank or trust company acting as Co-Trustee provided said issue appoints another independent bank or trust company in its place. The appointment or removal of an independent bank or trust company as Co-Trustee shall be by written instrument delivered to the Co-Trustee. Furthermore, said issue shall have the right to designate by will or other written instrument, either individual(s) or an independent bank or trust company, to act as a successor Trustee or Co-Trustee(s) in said issue's place, as the case may be, in the event of said issue's death, incompetency, inability or unwillingness to act; but, if said issue is still living, the majority of acting Trustees must be independent within the meaning of Internal Revenue Code Section 674(c) and said issue shall not have the right to remove the successor Trustee or Co-Trustee so designated and appoint another in its place. Should said issue fail to so designate a successor Trustee or Co-Trustees of such trust, then the FROST NATIONAL BANK shall act as successor Trustee, notwithstanding any other provisions contained in the trust agreement. Notwithstanding the foregoing provisions of this paragraph, the ability of said issue to appoint a successor Trustee may be limited as set forth in the Sections of the Trust entitled "Special Co-Trustee Provisions" and "Trust Protector Provisions."
- F. Administration of Personal Asset Trust: The Personal Asset Trust shall be held, administered and distributed by the Trustee appointed under this Section of the Trust Agreement as follows:
1. Discretionary Distributions of Income and/or Principal: The Trustee, shall have the power, in such Trustee's sole and absolute discretion, binding on all persons interested now or in the future in this trust, to distribute or apply for

UNOFFICIAL  
07:32:15:0809: P0196

the benefit of the beneficiary for whom the trust was created (hereinafter the "primary beneficiary") and the primary beneficiary's issue or to a trust for their benefit, so much of the income and/or principal of the Trust Estate, and at such time or times as such Trustee shall deem appropriate for such distributees' health, support, maintenance and education. Any income not distributed shall be accumulated and added to principal. In exercising the discretions conferred in this paragraph, the Trustee may pay more to or apply more for some beneficiaries to the exclusion of others, if such Trustee deems this necessary or appropriate in light of the circumstances, the size of the Trust Estate and the probable future needs of the beneficiaries. The Trustee shall, before making any such distributions, consider the Trustor's intent in creating the trust, as set forth above in paragraph B.

2. Additional Guidelines for Distributions: In addition to the provisions set forth above for making discretionary distributions of income and/or principal, the Trustee shall be further guided as follows in making such distributions. Any such distributions shall be made in the sole and absolute discretion of the Trustee and shall be binding on all persons howsoever interested now or in the future in this trust.

a. Primary Beneficiary's Needs Considered First; Broad Interpretation of "Health, Education, Maintenance and Support": In exercising the discretionary powers to provide benefits under this trust, the Trustee shall take into consideration that the primary purpose in establishing this trust is to provide for the present and future welfare of the primary beneficiary, and secondly, the present and future welfare of the primary beneficiary's issue. Furthermore, the Trustee may take into account any beneficiary's character and habits and his or her willingness and action to support himself or herself in light of his or her particular abilities and disabilities, and the needs of other beneficiaries, if any, of the same trust. Finally, the Trustor requests that the Trustee be liberal in determining the needs of a beneficiary for health, support, maintenance and education and in conferring benefits hereunder. The term "health" need not take into account any private or governmental medical insurance or other medical payments to which a beneficiary may be entitled, and the Trustee may pay for the expense of providing health and medical insurance coverage for the beneficiary. The term "education" may include but is not limited to, all expenses incurred in connection with or by reason of a beneficiary's attendance at public or private elementary or high school, college, university or vocational, technical or other educational institution or specialized training programs (whether or not any such institution or program provider shall be a fully accredited educational institution), graduate or post-graduate education expenses, and all expenses incurred in providing such beneficiary with an education in a non-institutional setting, including,

07132015:0809: P0197

but not limited to, the expense of travel and charges for tutoring, tuition, room and board (whether or not charged by an educational institution at which such beneficiary shall be a student), laboratory fees, classroom fees, clothing, books, supplies, laboratory or other equipment or tools (including computer hardware and software) or other material or activities that the Trustee shall determine to be of educational benefit or value to such beneficiary. In determining the need for funds for education, the Trustee shall consider all direct and indirect expenses, including living expenses of the beneficiary and those persons who may be dependent upon said beneficiary. The terms "support" and "maintenance" may include but are not limited to investment in a family business, purchase of a primary residence, entry into a business, vocation or profession commensurate with a beneficiary's abilities and interests; recreational or educational travel; expenses incident to marriage or childbirth; and for the reasonably comfortable (but not luxurious) support of the beneficiaries. When exercising the powers to make discretionary distributions from the trust, the Trustee shall maintain records detailing the amount of each distribution made to any beneficiary from trust income and/or principal and the reasons for such distribution. The distributions made to a beneficiary shall not be allocated to or charged against the ultimate distributable share of that beneficiary (unless so provided in the primary beneficiary's exercise of his or her limited power of appointment).

- b. Consider the Situation of the Beneficiary: In determining whether or not it is in the best interest of a beneficiary for any payment to be made to that beneficiary, the Trustee shall consider the financial responsibility, judgment and maturity of such beneficiary, including whether or not, at the time of such determination, such beneficiary: (i) is suffering from any physical, mental, emotional or other condition that might adversely affect the beneficiary's ability to properly manage, invest and conserve property of the value that would be distributed to said beneficiary; (ii) is at such time, or previously has been, a substantial user of or addicted to a substance the use of which might adversely affect the beneficiary's ability to manage, invest and conserve property of such a value; (iii) has demonstrated financial instability and/or inability to manage, invest and conserve the beneficiary's property; or (iv) is going through a period of emotional, marital or other stress that might affect the beneficiary's ability to manage, invest and conserve such property.
- c. Consider Any Written Letter of Instructions from the Trustor: The Trustor may from time to time by written letter or other instrument, not constituting a holographic will or codicil or amendment to any trust, set forth instructions to the Trustee as to how the Trustor wishes the

07132015:0809: P0198

Trustee's discretion to be exercised. The Trustor recognizes and intends that such instructions shall only be directive in nature and not binding on the Trustee or any beneficiary hereunder; however, the Trustor requests, to the extent possible, that the Trustee be mindful of these instructions when administering the trust.

- d. Loans, Use of Trust Property and Joint Purchases Preferred Over Distributions: The Trustee is directed, prior to making any distributions directly to or for the benefit of a beneficiary, to consider the alternatives of making a loan to the beneficiary, allowing the beneficiary the use of property of the Trust Estate (or such property to be acquired) and/or making a joint purchase of property with the beneficiary, pursuant to the paragraph below entitled "Special Trustee Powers."
- e. Restrictions on Distributions That Discharge Legal Obligations of a Beneficiary: The primary beneficiary is expressly prohibited from making any distributions from the trust, either as Trustee or under any limited power of appointment, either directly or indirectly, in favor of anyone to whom the primary beneficiary owes a legal obligation, to satisfy, in whole or in part, such legal obligation. Any such distributions may only be made by the Trust Protector.

G. Primary Beneficiary's Limited Power of Appointment: The primary beneficiary shall have the following Limited Powers of Appointment. During the lifetime of the primary beneficiary, said beneficiary may appoint and distribute the accumulated income and/or principal to any one or more of said beneficiary's issue, either outright or in trust upon such terms and conditions, and in such amounts or proportions as said beneficiary wishes. Upon the death of the primary beneficiary, the Trustee shall distribute any remaining balance, including accumulated income and principal, to any one or more of said beneficiary's issue, either outright or in trust upon such terms and conditions and in such amounts or proportions as said beneficiary shall appoint by said beneficiary's last unrevoked Will, codicil or other written instrument executed prior to said beneficiary's death and specifically referring to this power of appointment. In the event there should be a failure of disposition of all or any portion of said income or principal, either in connection with the exercise or as a result of the nonexercise of the above testamentary limited power of appointment, all of said income and principal not disposed of shall be administered and distributed as set forth below in the paragraph entitled "Final Disposition of Trust." The terms of this paragraph may be limited by the Section of this Trust Agreement entitled "Trust Protector Provisions."

H. Final Disposition of Trust: If the primary beneficiary for whom the Personal Asset Trust has been created should die before complete distribution of said trust, and the beneficiary's above powers of appointment have not been fully exercised, said trust shall terminate and the remaining principal (including accumulated income added

07192015:0809: P0199

thereo) in said trust shall be held, administered and distributed for the benefit of the succeeding or contingent beneficiaries named, if any, pursuant to the respective paragraph set forth in Section 3.B. of this Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment establishing said beneficiary's share as if such beneficiary had been an original part thereof. Any share or portion thereof of any trust administered hereunder which is not disposed of under any of the foregoing provisions (or the provisions of the Article entitled "Trust Protector Provisions") shall be distributed pursuant to the paragraph of the Trust Agreement entitled "Ultimate Distribution."

I. Special Trustee Powers: With respect to each Personal Asset Trust created under this Section, and in addition to or in lieu of the powers and authority granted to the Trustee under any other provisions of the Trust Agreement, during the existence of the Personal Asset Trust and until such time of its termination the Trustee, in his or her sole and absolute discretion, shall have the powers and authority to do the following.

1. Permit Beneficiaries to Use Trust Assets: The Trustor desires that the beneficiaries of the trust be given the liberal use and enjoyment of trust property. To the extent deemed practical or advisable in the sole and absolute discretion of the Trustee, the primary beneficiary (or other beneficiaries) of each trust hereunder may have the right to the use, possession and enjoyment of (a) all of the tangible personal property at any time held by such trust, including but not limited to artwork, jewelry, coin or stamp collections and other collectible assets, and (b) all real property that may at any time constitute an asset of such trust. Such use, possession and enjoyment may be without rent or other financial obligation. To the extent of the trust assets and unless the Trustee is relieved of such obligation by such beneficiary (or beneficiaries), which the Trustee may agree to do, the Trustee shall see to the timely payment of all taxes, insurance, maintenance and repairs, safeguarding and other charges related to the preservation and maintenance of each and every such property. The Trustor requests, but do not require, that any such use, possession or enjoyment by a beneficiary other than the primary beneficiary be subject to veto at any time by the primary beneficiary.

a. Hold and Maintain a Residence for the Use of Beneficiaries: The Trustee is specifically authorized to hold and maintain any residence (whether held as real property, condominium or cooperative apartment) for the use and benefit of any beneficiary of any trust. If the Trustee, in the Trustee's sole and absolute discretion, determines that it would be in the best interests of any beneficiary of any trust to maintain a residence for their use, but that the residence owned by the Trustee should not be used for such purpose, the Trustee is authorized to sell said residence and to apply the net proceeds of the sale to the purchase of such other residence or to make such other arrangements as the Trustee, in such Trustee's sole and absolute discretion, deems suitable

07132015:0809: P0200

for the purpose. Any proceeds of sale not needed for reinvestment in a residence as provided above shall be added to the principal of the trust and thereafter held, administered and disposed of as a part thereof. The Trustee is authorized to pay all carrying charges of such residence, including, but not limited to, any taxes, assessments and maintenance thereon, and all expenses of the repair and operation thereof, including the employment of domestic servants and other expenses incident to the running of a household for the benefit of any beneficiary of the trust; the Trustee may alternatively provide, by agreement with the beneficiary, that such charges and expenses, or a portion of them, are to be paid by the beneficiary. Having in mind the extent to which funds will be available for future expenditure for the benefit of the beneficiaries, the Trustee is authorized under this paragraph to expend such amounts as such Trustee shall, in his or her sole and absolute discretion, determine to maintain the current lifestyle of the beneficiaries and their personal care and comfort; the Trustor does not, however, desire that the Trustee assist the beneficiaries in maintaining a luxurious lifestyle.

2. Special Investment Authority: Notwithstanding any investment limitations placed on the Trustee under the Trust Agreement or the provisions of any state law governing this trust which may contain limitations such as the prudent investor rule, the Trustee is authorized to make the following types of investments of trust assets:

a. Closely Held Businesses: To continue to hold and operate, to acquire, to make investments in, to form, to sell, or to liquidate, at the risk of the Trust Estate, any closely held partnership, corporation or other business that a beneficiary is involved in as an owner, partner, employee, officer or director, as long as the Trustee deems it advisable. The Trustee shall not be liable in any manner for any loss, should such loss occur, resulting from the retention or investment in such business. In the absence of actual notice to the contrary, the Trustee may accept as correct and rely on financial or other statements rendered by any accountant for any such business. Any such business shall be regarded as an entity separate from the trust and no accounting by the Trustee as to the operation of such business shall be required to be made. The Trustee shall have these powers with respect to the retention and purchase of such business, notwithstanding any rule or law requiring diversification of assets. Additionally, the foregoing shall not be limited by the fact that the Trustee or related parties, or any of them, shall be owners, partners, employees, officers or directors of the business. This paragraph, however, shall not be deemed to be a limitation upon the right of the Trustee to sell the investment in any

07132015:0809:PO201

business if in the Trustee's sole and absolute discretion such sale is deemed advisable.

b. **Tangible Personal Property:** To acquire and/or continue to hold as an asset of the trust such items of tangible personal property as an investment or for the use of a beneficiary, including but not limited to artwork, jewelry, coin or stamp collections and other collectible assets, home furniture and furnishings.

3. **Permit Self-Dealing:** Financial transactions, both direct and indirect, between any trust and any beneficiary and/or Trustee who is also a beneficiary of that trust (including, for example, the sole or joint purchase, sale or leasing of property, investments in mortgages, acquisitions of life insurance policies, employment in any capacity, lending, etc.), whether or not specifically described in the Trust Agreement as permitted between such parties, except to the extent expressly prohibited hereunder, are expressly authorized, notwithstanding any rule of law relating to self-dealing, provided only that the Trustee, in thus acting either on behalf of or with or for such trust, shall act in good faith to assure such trust receives in such transaction adequate and full consideration in money or money's worth. Furthermore, the Trustee shall have the power to employ professionals or other individuals to assist such Trustee in the administration of any trust as may be deemed advisable (and as more particularly described in the paragraph of the Trust Agreement entitled "Trustee Powers"), notwithstanding such person or entity may be, or is affiliated in business with, any Trustee or beneficiary hereunder. The compensation to which a Trustee who is also a beneficiary is entitled under the Trust Agreement shall not be reduced or offset by any employment compensation paid to such Trustee for services rendered outside the scope of such Trustee's ordinary fiduciary duties and responsibilities, or for reason of receiving sales or other fees or commissions on property sold to the trust by such Trustee (directly or indirectly), which sales are hereby authorized.

4. **Make Loans:** Loan money to any beneficiary, or to any estate, trust or company in which such person or any trust hereunder has an interest, or had an interest while living, for any purpose whatsoever (including but not limited to purchasing, improving, repairing and remodeling a principal residence or entering into, purchasing or engaging in a trade or business or professional career), with or without security and at such rate of interest as the Trustee shall determine in the exercise of reasonable fiduciary discretion, and, with respect to such loans and/or security interests, to renew, extend, modify and grant waivers. Notwithstanding the foregoing, and without limiting the ability of the Trustee to act in such Trustee's discretion under this paragraph, the Trustor hereby expresses his preference that, whenever economically feasible, any and all loans made pursuant to the provisions of this paragraph be adequately secured and bear interest at least at the higher of the "applicable federal rate"

07132015:0809:PO202

as set forth by the Internal Revenue Service for loans with similar payment terms and length or a fair market rate for such loans.

5. Take Actions With Respect to Properties and Companies Owned in Common With a Beneficiary or Others: The Trustee is specifically authorized, with or without the joinder of other owners of the property or securities that may be held in trust (and notwithstanding that one or more such other owners may be, directly or indirectly, a beneficiary or a fiduciary hereunder), to enter upon and carry out any plan (a) for the foreclosure, lease or sale of any trust property, (b) for the consolidation or merger, dissolution or liquidation, incorporation or reincorporation, recapitalization, reorganization, or readjustment of the capital or financial structure of any corporation, company or association, the securities of which, whether closely held or publicly traded, may form a part of such trust, or (c) for the creation of one or more holding companies to hold any such securities and/or properties (even if it leaves, following the termination of such trust, a trust beneficiary as a minority shareholder in such holding company), all as such Trustee may deem expedient or advisable for the furtherance of the interests of such trust and the carrying out of the Trustor's original intent as to such trust, its beneficiaries and as to those properties and/or securities. In carrying out such plan, such Trustee may deposit any such securities or properties, pay any assessments, expenses and sums of money, give investment letters and other assurances, receive and retain as investments of such trust any new properties or securities transferred or issued as a result thereof, and generally do any act with reference to such holdings as might be done by any person owning similar securities or properties in his own right, including the exercise of conversion, subscription, purchase or other rights or options, the entrance into voting trusts, etc., all without obtaining authority therefor from any court.
6. Right to Distribute to Entities: Any distribution from the trust, including a distribution upon trust termination (whether made by the Trustee or Trust Protector) may be made directly to an entity, such as a trust, "S" corporation, limited liability company or limited partnership, whether existing or newly created, rather than directly to the beneficiary (and if it is a newly created entity or one in which the Trust Estate holds an interest, the interest in the entity may be distributed to such beneficiary).
7. Trustee's Discretion to Hold, Manage and Distribute Separate Trusts in Different Manners: Without in any manner limiting any other power or right conferred upon the Trustee hereunder, the Trustee may divide a trust into separate trusts, and if a trust is held as, or divided into, separate trusts, the Trustee may, at any time prior to combining such trusts, treat the trusts in substantially different manners, including, without limitation, the right to: (a) make different tax elections (including the disproportionate allocation of the generation skipping tax exemption) with respect to each separate trust; (b)

UNO

make disproportionate principal distributions; (c) exercise differently any other discretionary powers with respect to such separate trusts; (d) invest the property of such separate trusts in different investments, having different returns, growth potentials, or bases for income tax purposes; and (e) take any and all other actions consistent with such trusts being separate entities. Furthermore, the holder of any power of appointment with respect to any trust so divided may exercise such power differently with respect to the separate trusts created by the division of a trust.

**TRUST PROTECTOR PROVISIONS**

- A. **Purpose of Trust Protector:** The Trustor has established the position of Trust Protector for the reasons and purposes set forth below, which are intended as general guidelines only and in no way shall limit any other provisions relating to the Trust Protector.
  - 1. **Insulate the Trustee from Negative Influences:** To protect the Trustee from the negative, or potentially negative, influences of third parties and to protect the Trust Estate and its beneficiaries from damaging, or potentially damaging, conduct by the Trustee.
  - 2. **Carry Out the Purposes of the Trust:** To help ensure that the Trustor's purpose in establishing the Trust Agreement, as defined elsewhere herein, will be properly carried out.
  - 3. **Adapt to Changing Laws and Conditions:** To adapt the provisions of the Trust Agreement to law changes, changes in interpretation of the law or other changing conditions that threaten to harm the Trust or its beneficiaries, keeping in mind the dispositive wishes of the Trustor and the Trustor's desires as expressed in the Trust Agreement.
  
- B. **Designation of Trust Protector:** In addition to the Trustee and Special Co-Trustee provided in the Trust Agreement, there shall, from time to time, be a Trust Protector whose limited powers and duties are defined below. The order of succession of Trust Protector shall be as follows:
  - 1. **Initial Trust Protector:** The Special Co-Trustee, at any time and in his sole and absolute discretion, may appoint a Trust Protector of the entire Trust or of any separate trust established hereunder (hereinafter the trust for whom a Trust Protector is appointed shall be referred to as "the affected trust") by a writing delivered to the Trustee of the affected trust. The Trustor requests that the Special Co-Trustee, prior to making the appointment, meet (in person or by telephone) with VACEK & FRBBD, PLLC, formerly the Vacek Law Firm,

07132015:0809:P0204

PLLC of Houston, Texas, to help ensure the appropriate selection of the initial Trust Protector.

2. Successor Trust Protector: Upon the removal, death, incompetency, inability or unwillingness to act of the initial Trust Protector (including a written resignation delivered to the Trustee of the affected trust), the next succeeding Trust Protector shall be appointed either by the Special Co-Trustee or by the initial Trust Protector (except as limited by paragraph 4 below) in writing delivered to the Trustee of the affected trust (the first such writing delivered to the Trustee shall control). All further successor Trust Protectors shall be appointed in the same manner, except that where the word "initial" is used in the foregoing sentence there shall be substituted the words "last appointed."
3. Qualifications to Act as Trust Protector: A Trust Protector may act once he has accepted, in writing, his appointment and, other than the case of the initial Trust Protector, has delivered a copy of his appointment and acceptance to the last appointed Trust Protector. Notwithstanding the foregoing, at no time may a Trust Protector be appointed or otherwise act if such person or entity is a currently acting Trustee or Special Co-Trustee or is a current beneficiary of the affected trust or is related to any such beneficiary in any of the following ways: as spouse, ancestor or issue, brother, sister, employee of such beneficiary or of any corporation, firm or partnership in which such beneficiary is an executive or has stock or other holdings which are significant from the viewpoint of control, or is otherwise "related or subordinate to" such beneficiary under IRC Sections 674(a) and (c) and the Regulations thereunder or any similar succeeding Sections or Regulations.
4. Removal of Trust Protector: The primary beneficiaries of the affected trust may by majority vote, and at any time and for any reason, remove the current Trust Protector by delivering to said Trust Protector and to the Special Co-Trustee a signed instrument setting forth the intended effective time and date of such removal. The Special Co-Trustee shall then appoint a successor Trust Protector in accordance with paragraph 2 above (the Trust Protector removed shall no longer have the power under paragraph 2 to appoint his successor). The powers of removal under this paragraph may be limited by the paragraph of the Trust Agreement entitled "Compelled Exercise of Powers Not Effective."
5. Temporarily Filling a Trust Protector Vacancy: If at any time a vacancy in the office of Trust Protector has not yet been filled as otherwise provided above (including the time before the initial Trust Protector is appointed), such office may be filled promptly, on a temporary basis, by a bank or trust company experienced in trust administration or an attorney (or law firm) who is an experienced tax and/or estate planning specialist provided they meet the qualifications set forth in paragraph 3 above. The Trustor requests, but do not

07132015:0809: P0205

require, that VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, or its successors or assigns, act as such temporary Trust Protector and the Trustor hereby waives any conflict of interest that may arise if VACEK & FREED, PLLC, or its successors or assigns, is also representing the Trustee of the affected trust and/or the Trustor. Any Trust Protector acting under this paragraph shall first notify the Trustee of the affected trust and only serve as Trust Protector until such time as a successor Trust Protector is appointed by the Special Co-Trustee in accordance with paragraph 2 above and there is delivered to the Trust Protector acting under this paragraph a written acceptance of such appointment signed by the successor Trust Protector.

C. Limited Powers of the Trust Protector: The Trust Protector shall not have all the broad powers of a Trustee; rather, the powers of the Trust Protector shall be limited to the powers set forth below. The Trustor directs the Trust Protector, prior to exercising any power, to consult with VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, or another law firm or attorney specializing in estate planning and/or asset protection planning in order to be fully informed of the consequences of exercising such power.

1. Give Advance Notice to Affected Beneficiaries: Within a reasonable time prior to the exercise of any power under this paragraph C, the Trust Protector shall provide to the Trustee and the primary beneficiary or beneficiaries of the affected trust a written notice, setting forth the power intended to be exercised, the intended date of exercise and the reasons for exercise. The Trust Protector shall, in his sole and absolute discretion, determine what is "a reasonable time," as the Trustor recognizes that emergency situations may arise which may permit little or no time for advance notice or, as a practical matter, it may be too difficult to notify the beneficiary; the Trustor specifically waives this advance notice requirement when the particular beneficiary is "incapacitated" as defined below. Once notice is given, the Trust Protector shall not exercise the power prior to the date specified in the notice, unless the Trust Protector in his sole and absolute discretion determines that an emergency so warrants.

A person shall be deemed "incapacitated" if in the Trustee's sole and absolute discretion, it is impracticable for said person to give prompt, rational and prudent consideration to financial matters, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause.

A person shall be conclusively deemed "incapacitated" if a guardian of the person or his or her estate, or both, has been appointed by a court having jurisdiction over such matters or two (2) licensed physicians who are not related by blood or marriage to such person have examined said person and stated in writing that such incapacity exists; the Trust Protector may, but shall not be under any duty to, institute any inquiry into a person's possible

07132015:0809:P0206

incapacity (such as, but not limited to, by drug testing) or to obtain physician statements; and if he does, then the expense may be paid from the Trust Estate of said person's trust.

- 2. Postpone Distributions: Notwithstanding any other provisions of the Trust Agreement, except the paragraph herein entitled "Rule Against Perpetuities," the Trust Protector shall have the power to postpone any distribution of income and/or principal otherwise required to be made from the affected trust to any one or more of its beneficiaries (including as the result of exercise of a power of appointment or withdrawal right) and to postpone the termination of such trust which might otherwise be required if the Trust Protector, in his or her sole and absolute discretion, determines, after taking into consideration the Trustor's overall intent as expressed in the Trust Agreement, that there is a compelling reason to do so.

A "compelling reason" may include but is not limited to: the beneficiary requesting in writing that distributions be retained by the trust; the beneficiary being "incapacitated" as defined in paragraph 1 immediately above; the beneficiary contemplating, or in the process of filing for or has a pending bankruptcy; a pending or threatened divorce, paternity or maternity claim or other lawsuit; a creditor claim (including for unpaid taxes or reimbursement of government benefits); an existing judgment or lien; the fact the beneficiary is receiving (or may in the near future receive) government or other benefits that may be jeopardized; the beneficiary having demonstrated financial instability and/or inability to manage, invest or conserve the beneficiary's own property; the beneficiary being under the negative influence of third parties, such that the beneficiary's good judgement may be impaired; a serious tax disadvantage in making such distribution; or any other substantially similar reasons.

Any such postponement of distribution or termination may be continued by the Trust Protector, in whole or in part and from time to time, up to and including the entire lifetime of the beneficiary. While such postponement continues, all of the other provisions previously applicable to such trust shall continue in effect, except (a) any power of appointment or withdrawal shall be exercisable only with the approval of the Trust Protector and (b) distributions of income and/or principal shall only be made to or for the benefit of the beneficiary from time to time and in such amounts as the Trust Protector, in his or her sole and absolute discretion, deems appropriate for the best interests of the beneficiary; provided, however, the Trust Protector may, in his or her sole and absolute discretion, determine that the beneficiary's situation is extreme enough to warrant the establishment of a special needs trust pursuant to other provisions of this Section of the Trust Agreement.

07132015:0809:P0207

UNFOUNDED

The Trust Protector may also, from time to time, make certain distributions which cannot be made by the primary beneficiary because of limits imposed in this Section entitled "Restrictions on Distributions That Discharge Legal Obligations of the Beneficiary."

- 3. Terminate a Trust Due to Unforeseen Conditions: The Trustor recognizes that some or all of the following conditions may arise in the future, although they cannot be foreseen at the time of creation of this Trust: (a) a radical, substantial and negative change in the political, economic or social order in the United States of America; (b) legislation or IRS or court decisions highly detrimental to a trust or beneficiary hereunder (including, for example, if the federal estate tax or IRA required minimum distribution rules are modified, repealed or no longer applicable and the non-tax reasons for the trust no longer justify the trust's existence); (c) a beneficiary's capability to prudently manage his own financial affairs or a radical, positive change in his situation regarding possible third party claims; (d) a beneficiary no longer has a need for (or the availability of) government benefits; and (e) other events that may greatly impair the carrying out of the intent and purposes of the Trust Agreement.

If any of the foregoing conditions occur, the Trust Protector may, in addition to the other powers granted him or her, in his sole and absolute discretion, and keeping in mind the Trustor's wishes and dispositive provisions of the Trust Agreement, terminate the affected trust, or a portion thereof, and distribute same to or for the benefit of the primary beneficiary thereof (notwithstanding any other provisions of the Trust Agreement), or to a newly created or existing Personal Asset Trust for that beneficiary.

- 4. Revise or Terminate a Trust So It Can Qualify as a "Designated Beneficiary" of an IRA or Retirement Plan: In the event that the affected trust does not qualify as a "designated beneficiary" of an IRA or other retirement plan as that term is used in IRC Section 401(a)(9), the Regulations thereunder and any successor Section and Regulations, the Trust Protector may, keeping in mind the Trustor's wishes and the dispositive provisions of the Trust Agreement: (a) revise or reform the terms of the Trust Agreement in any manner so that the affected trust will qualify as a "designated beneficiary" (any such revision or reformation may by its terms apply retroactively to the inception of the Trust Agreement or creation of any separate trust established hereunder); or (b) deem it to have been dissolved in part or in whole as of September 30 of the year following the year of the Trustor's death, with fee simple interest vesting outright in the primary beneficiary and the rights of all other persons who might otherwise have an interest as succeeding life income beneficiaries or as remaindermen shall cease.

If the beneficiary is still a minor, the Trustee may designate a custodian and transfer the principal and accrued income of the beneficiary's trust to the

07132015:0809:P0206

custodian for the benefit of the minor under the Texas Uniform Transfers to Minors Act until such beneficiary attains age 21. A receipt from the custodian shall be a complete discharge of the Trustee as to the amount so paid.

Notwithstanding any provisions of the Trust Agreement to the contrary, after the Trustor's death this Trust or any separate trust established hereunder shall not terminate and be distributed in full prior to September 30 of the year following the year of the Trustor's death pursuant to this paragraph if this will result in this Trust or any separate trust established hereunder not qualifying as a "designated beneficiary."

- 5. Modify Certain Other Trust Provisions: The Trust Protector shall have the power, in his or her sole and absolute discretion, at any time and from time to time, to delete, alter, modify, amend, change, add to or subtract from all or any part of the various paragraphs and provisions of the Trust Agreement and any trust created thereunder, effective (even retroactively) as of the date determined by the Trust Protector, for the following purposes.
  - a. Change Income Tax Treatment of the Trust: The Trust Protector may, at any time, and from time to time, create, terminate and/or reinstate a power granted to a beneficiary, either prospectively or retroactively, enabling trust income to be income taxable to a beneficiary, even as income accumulates in the trust, if the Trust Protector deems this to be in the best interests of the affected trust and its beneficiaries.
  - b. Protect a Disabled Beneficiary's Government Benefit by Establishing a Special Needs Trust: The Trust Protector may take any such actions he or she deems appropriate or necessary in connection with a beneficiary's qualification for, receipt of and/or possible future liability to reimburse government benefits (whether income, medical, disability or otherwise) from any agency (state, federal or otherwise), such as but not limited to Social Security, Medicaid, Medicare, SSI and state supplemental programs. In particular, but not by way of limitation, the Trust Protector may add new trust provisions to govern administration and distribution of assets for the benefit of the beneficiary (such as would create a "special needs trust").
  - c. Protect a Beneficiary from Himself or from Creditors by Establishing a Spendthrift Trust or Eliminating Any General Power of Appointment: In the event there is a compelling reason to postpone distributions to a beneficiary pursuant to the paragraph of this Section entitled "Postpone Distributions," the Trust Protector may alternatively, in his or her sole discretion, add new trust provisions to govern administration and distribution of assets for the benefit of said beneficiary (such as would create a "spendthrift trust" in the form recognized by the laws of the

07:32015:0809:PO209

state(s) in which trust assets are located). Furthermore, the Trust Protector may, in his or her sole discretion, in order to protect the beneficiaries of a Trust beneficiary, terminate and/or reinstate said Trust beneficiary's testamentary general power of appointment, if any, under the Section of this Trust Agreement entitled "Generation Skipping Tax Provisions."

- 6. Change Legal Jurisdiction of the Trust: The Trust Protector may change the situs of the affected trust to another jurisdiction by any such means deemed appropriate by the Trust Protector. This paragraph shall in no way limit the Trustee's power and authority to change the situs of this Trust or any separate trust established hereunder.
- 7. Remove and Reinstate a Trustee: The Trust Protector shall have the power at any time to remove the acting Trustee of the affected trust (but not the Special Co-Trustee) for any reason which he believes to be in the best interests of the beneficiaries. Such removal shall be stated in writing and delivered to the Trustee. The successor Trustee shall then be determined and appointed in accordance with the Section of the Trust Agreement entitled "Successor Trustees." At any time after the Trust Protector removes a Trustee, the Trust Protector may reinstate the previously removed Trustee and the order of successor Trustees shall be thereafter determined as if such reinstated Trustee was never removed.
- 8. Eliminate Own Powers: The Trust Protector shall have the power, on his own behalf and/or on behalf of all successor Trust Protectors, to release, renounce, suspend, reduce, limit and/or eliminate any or all of his enumerated powers and to make the effective date any date he wishes, including ab initio to the date of establishment of a trust hereunder or retroactively to the date of death of the Trustor, by a writing delivered to the Trustee of the affected trust.
- 9. Limitations on Above Powers: The Trust Protector may not exercise any power if he is compelled by a court or other governmental authority or agency to do so or is otherwise acting under the duress or undue influence of an outside force; if the Trust Protector is so compelled, or under such duress or influence, his powers shall become void prior to exercise; these limitations are in addition to those contained in the paragraph of the Trust Agreement entitled "Compelled Exercise of Powers Not Effective." The Trust Protector is directed not to exercise any of the foregoing powers if such exercise will result in any substantial, direct or indirect financial benefit to anyone who at the time of exercise is not an ancestor, spouse or issue of a primary beneficiary or is not already a present or contingent beneficiary of this Trust. The Trust Protector shall not exercise any power that may be construed as a general power of appointment to himself, his creditors, his estate or the creditors of his estate under IRC Sections 2041 and 2514, or that would otherwise cause the

UNOFFICIAL COPY

07132015:0809:P0210

inclusion of any of the Trust Estate in the Trust Protector's taxable estate for estate, inheritance, succession or other death tax purposes.

- D. Limited Liability of the Trust Protector: The Trust Protector shall not be held to the fiduciary duties of a Trustee. The Trust Protector shall not be liable to anyone, howsoever interested in this Trust either now or in the future, merely by reason of his appointment as Trust Protector and shall not have any affirmative duty to monitor, investigate and learn of any circumstances or acts or omissions of others, relating to this Trust, its beneficiaries or otherwise that may warrant the Trust Protector to act. Furthermore, the Trust Protector shall not be liable to anyone, howsoever interested in this Trust either now or in the future, by reason of any act or omission and shall be held harmless by the Trust and its beneficiaries and indemnified by the Trust Estate from any liability unless (a) the Trustee and/or a beneficiary has brought directly to the attention of the Trust Protector a circumstance that may warrant his action and (b) such act or omission is the result of willful misconduct or bad faith. Any action taken or not taken in reliance upon the opinion of legal counsel shall not be considered the result of willful misconduct or bad faith, provided such counsel was selected with reasonable care. In the event a lawsuit against the Trust Protector fails to result in a judgment against him, the Trust Protector shall be entitled to reimbursement from the Trust for any and all costs and expenses related to his defense against such lawsuit.
- E. Compensation: The Trust Protector shall not be entitled to compensation merely as the result of his appointment. The Trust Protector shall only be entitled to reasonable compensation for his actual time spent and services rendered in carrying out his duties and powers hereunder, at the hourly rate commensurate with that charged by professional Trustees for similar services. The Trust Protector shall, in addition, be entitled to prompt reimbursement of expenses properly incurred in the course of fulfilling his duties and powers, including but not limited to the employment of legal counsel or other professionals to advise him regarding his decisions.
- F. Waiver of Bond: No bond shall be required of any individual or entity acting as Trust Protector.

MISCELLANEOUS PROVISIONS

- A. Prohibition Against Contest: If any devisee, legatee or beneficiary under the Trust Agreement or any amendment to it, no matter how remote or contingent such beneficiary's interest appears, or any legal heir of the Trustor, or either of them, or any legal heir of any prior or future spouse of the Trustor (whether or not married to the Trustor at the time of the Trustor's death), or any person claiming under any of them, directly or indirectly does any of the following, then in that event the Trustor specifically disinherits each such person, and all such legacies, bequests, devises and interests given to that person under the Trust Agreement or any amendment to it shall be forfeited and shall be distributed as provided elsewhere herein as though he or she had predeceased the Trustor without issue:

07192015:0809:P0211

1. unsuccessfully challenges the appointment of any person named as a Trustee, Special Co-Trustee or Trust Protector pursuant to the Trust Agreement or any amendment to it, or unsuccessfully seeks the removal of any person acting as a Trustee, Special Co-Trustee or Trust Protector;
2. objects in any manner to any action taken or proposed to be taken in good faith by the Trustee, Special Co-Trustee or Trust Protector pursuant to the Trust Agreement or any amendment to it, whether the Trustee, Special Co-Trustee or Trust Protector is acting under court order, notice of proposed action or otherwise, and said action or proposed action is later adjudicated by a court of competent jurisdiction to have been taken in good faith;
3. objects to any construction or interpretation of the Trust Agreement or any amendment to it, or the provisions of either, that is adopted or proposed in good faith by the Trustee, Special Co-Trustee or Trust Protector, and said objection is later adjudicated by a court of competent jurisdiction to be an invalid objection;
4. claims entitlement to (or an interest in) any asset alleged by the Trustee to belong to the Trustor's estates (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise), whether such claim is based upon a community or separate property right, right to support or allowance, a contract or promise to leave something by will or trust (whether written or oral and even if in exchange for personal or other services to the Trustor), "quantum meruit," constructive trust, or any other property right or device, and said claim is later adjudicated by a court of competent jurisdiction to be invalid;
5. files a creditor's claim against the assets of the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise) and such claim is later adjudicated by a court of competent jurisdiction to be invalid;
6. anyone other than the Trustor attacks or seeks to impair or invalidate (whether or not any such attack or attempt is successful) any designation of beneficiaries for any insurance policy on the Trustor's life or any designation of beneficiaries for any bank or brokerage account, pension plan, Keogh, SEP or IRA account, employee benefit plan, deferred compensation plan, retirement plan, annuity or other Will substitute of the Trustor;
7. in any other manner contests this Trust or any amendment to it executed by the Trustor (including its legality or the legality of any provision thereof, on the basis of incapacity, undue influence, or otherwise), or in any other manner,

07192015108091 P0212

attacks or seeks to impair or invalidate this Trust, any such amendment or any of their provisions;

- 8. conspires with or voluntarily assists anyone attempting to do any of the above acts;
- 9. refuses a request of the Trustee to assist in the legal defense against any of the above actions.

Expenses to legally defend against or otherwise resist any above contest or attack of any nature shall be paid from the Trust Estate as expenses of administration. If, however, a person taking any of the above actions is or becomes entitled to receive any property or property interests included in the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise), then all such expenses shall be charged dollar-for-dollar against and paid from the property or property interests that said person would be entitled to receive under the Trust Agreement or the Trustor's Will, whether or not the Trustee (or Executor under the Trustor's Will) was successful in the defense against such person's actions.

The Trustor cautions the Trustee against settling any contest or attack or any attempt to obtain an adjudication that would interfere with the Trustor's estate plan and direct that, prior to the settlement of any such action short of a trial court judgment or jury verdict, the Trustee seek approval of any such settlement from the appropriate court having jurisdiction over this Trust by way of declaratory judgment or any other appropriate proceeding under applicable Texas law. In ruling on any such petition for settlement, the Trustor requests the Court to take into account the Trustor's firm belief that no person contesting or attacking the Trustor's estate plan should take or receive any benefit from the Trust Estate or from the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise) under any theory and, therefore, no settlement should be approved by the Court unless it is proved by clear and convincing evidence that such settlement is in the best interest of the Trust Estate and the Trustor's estate plan.

In the event that any provision of this Section is held to be invalid, void or illegal, the same shall be deemed severable from the remainder of the provisions in this paragraph and shall in no way affect, impair or invalidate any other provision in this paragraph. If such provision shall be deemed invalid due to its scope and breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

The provisions of this paragraph shall not apply to any disclaimer (or renunciation) by any person of any benefit (or right or power) under the Trust Agreement or any amendment to it.

07192015:0809:P0219

B. Compelled Exercise of Powers Not Effective: It is the Trustor's intent that the terms of the Trust Agreement be carried out free from outside interference. Therefore, notwithstanding any other provisions of the Trust Agreement, the purported exercise of any power granted under the Trust Agreement, whether by a Trustee, Special Co-Trustee, Trust Protector or a beneficiary, including a power of appointment, withdrawal, substitution or distribution, shall be of no force and effect if such purported exercise was the result of compulsion. The purported exercise of a power shall be deemed to be the result of compulsion if such exercise is (i) in response to or by reason of any order or other direction of any court, tribunal or like authority having jurisdiction over the individual holding the power, the property subject to the power or the trust containing such property or (ii) the result of an individual not acting of his or her own free will. An individual's agent may not exercise a power given to such individual under the Trust Agreement if such purported exercise is in response to or by reason of any such order or direction unless the order or direction was obtained by the agent in a proceeding in which the agent was the moving party or voluntarily acquiesced. Notwithstanding the above, if a Trustee's failure to exercise a power or to acquiesce in a beneficiary's exercise of a power may result in exposing a Trustee to serious personal liability (such as contempt of court or other sanctions), a Trustee may: (a) withdraw and permit the Special Co-Trustee to act instead in relation to such purported exercise of a power; (b) if the Special Co-Trustee would also be exposed to such liability, then the Trustee may notify the Trust Protector who may, in his discretion, act if permitted under the Trust Agreement; or (c) if neither the Special Co-Trustee nor the Trust Protector acts, then the Trustee may exercise or acquiesce in a beneficiary's exercise of a power.

C. Creditor's Rights – Spendthrift Provisions: Subject to the express grant herein of certain rights to withdraw or substitute assets and/or powers of appointment, if any, no beneficiary under the trusts created herein shall assign, transfer, alienate or convey, anticipate, pledge, hypothecate or otherwise encumber his or her interest in principal or income hereunder prior to actual receipt. To the fullest extent permitted by law:

(1) neither the principal of these trusts nor any income of these trusts shall be liable for any debt of any beneficiary, any beneficiary's spouse, ex-spouse or others, or be subject to any bankruptcy proceedings or claims of creditors of said persons (including said persons' spouses or ex-spouses), or be subject to any attachment, garnishment, execution, lien, judgment or other process of law; (2) no interest of any beneficiary shall be subject to claims of alimony, maternity, paternity, maintenance or support; and (3) no power of appointment or withdrawal or substitution shall be subject to involuntary exercise. Should the Trustee so desire, the Trustee may as a condition precedent, withhold payments of principal or interest under this Trust until personal order for payment is given or personal receipt furnished by each such beneficiary as to his or her share. The Trustee may, alternatively in the Trustee's sole and absolute discretion, deposit in any bank designated in writing by a beneficiary to his or her credit, income or principal payable to such beneficiary. The

07132015:0809:P0214

Trustee may, alternatively in the Trustee's sole and absolute discretion, hold and accumulate any income and/or principal so long as it may be subject to the claims, control or interference of third parties, up to and until the beneficiary's death, at which time it shall be distributed in accordance with the beneficiary's exercise of his or her power of appointment, if any, and/or pay to or for the benefit of the beneficiary only such sums as the Trustee deems necessary for said beneficiary's reasonable health, support, maintenance and education.

D. Trustee Power to Determine Principal and Income: The Trustee shall determine what is principal or income of the Trust Estate, and apportion and allocate any and all receipts and expenses between these accounts, in any manner the Trustee determines, regardless of any applicable state law to the contrary including any Principal and Income Act of Texas, or similar laws then in effect. In particular (but not by way of limitation), the Trustee shall have sole and absolute discretion to apportion and allocate all receipts and expenses between principal and income in whole or in part, including the right to: allocate capital gains; elect whether or not to set aside a reserve for depreciation, amortization or depletion, or for repairs, improvement or upkeep of any real or personal property, or for repayments of debts of the Trust Estate; and charge Trustee's fees, attorney's fees, accounting fees, custodian fees and other expenses incurred in the collection, care, management, administration, and protection of the Trust Estate against income or principal, or both. The exercise of such discretion shall be conclusive on all persons interested in the Trust Estate. The powers herein conferred upon the Trustee shall not in any event be so construed as allowing an individual to exercise the Trustee's sole and absolute discretion except in a fiduciary capacity.

E. Broad Trustee Power to Invest: It is the Trustor's express desire and intention that the Trustee shall have full power to invest and reinvest the Trust Estate without being restricted to forms and investments that the Trustee may otherwise be permitted to make by law. The Trustee is empowered to invest and reinvest all or any part of the Trust Estate in such property as the Trustee in his discretion may select including but not limited to bank accounts, money market funds, certificates of deposit, government bonds, annuity contracts, common or preferred stocks, closely held businesses, shares of investment trusts and investment companies, corporate bonds, debentures, mortgages, deeds of trust, mortgage participations, notes, real estate, put and call options, commodities, commodities futures contracts and currency trading. When selecting investments, the Trustee may take into consideration the circumstances then prevailing, including but not limited to the general economic conditions and the anticipated needs of the Trust Estate and its beneficiaries, the amount and nature of all assets available to beneficiaries from sources outside the Trust and the beneficiaries' economic circumstances as a whole, and shall exercise the judgment that a reasonable person would if serving in a like capacity under the same circumstances and having the same objectives. In addition to the investment powers conferred above, the Trustee is authorized (but not directed) to acquire and retain investments not regarded as traditional for trusts, including investments that would

07/13/2015 10:08:08 AM P0215

be forbidden by the "prudent person" (or "prudent investor") rule. In making investments, the Trustee may disregard any or all of the following factors: (i) whether a particular investment, or the trust investments collectively, will produce a reasonable rate of return or result in the preservation of principal; (ii) whether the acquisition or retention of a particular investment, or the trust investments collectively, is consistent with any duty of impartiality as to the different beneficiaries (the Trustor intends no such duty shall exist); (iii) whether the trust is diversified (the Trustor intends that no duty to diversify shall exist); and (iv) whether any or all of the trust investments would traditionally be classified as too risky or speculative for trusts (the Trustor intends the Trustee to have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy). The Trustor's purpose in granting the foregoing broad authority is to modify the prudent person rule insofar as the rule would prohibit an investment or investments because of one or more factors listed above, or any other factor relating to the nature of the investment itself. Accordingly, the Trustee shall not be liable for any loss in value of an investment merely because of the nature, class or type of the investment or the degree of risk presented by the investment, but shall be liable if the Trustee fails to meet the "reasonable person" standard set forth above or if the Trustee's procedures in selecting and monitoring the particular investment are proven by affirmative evidence to have been negligent, and such negligence was the proximate cause of the loss.

F. Special Co-Trustee Provisions: Notwithstanding anything in the Trust Agreement to the contrary, the powers, duties or discretionary authority granted hereunder to any Trustee shall be limited as follows:

1. Prohibited and Void Trustee Powers: Except where a beneficiary shall act as sole Trustee of his or her share, or unless limited by an ascertainable standard as defined in Code Section 2041, no Trustee shall participate in the exercise of any discretionary authority to allocate receipts and expenses to principal or income, any discretionary authority to distribute principal or income, or any discretionary authority to terminate any trust created hereunder, if distributions could then be made to the Trustee or the Trustee has any legal obligation for the support of any person to whom distributions could then be made. Any other power, duty or discretionary authority granted to a Trustee shall be absolutely void to the extent that either the right to exercise such power, duty or discretionary authority or the exercise thereof shall in any way result in a benefit to or for such Trustee which would cause such Trustee to be treated as the owner of all or any portion of any of the trusts created herein for purposes of federal or state income tax, gift, estate or inheritance tax laws, or cause any disclaimer of an interest or benefit hereunder to be disqualified under Code Section 2518. Notwithstanding the foregoing, a beneficiary serving as Trustee may have and exercise a power, duty or discretionary authority that causes any Personal Asset Trust created hereunder to be a grantor trust with said beneficiary being treated as the owner for income tax purposes.

07132015:0809:PO216

Notwithstanding the foregoing, this paragraph shall not apply during the lifetime of the Trustor, nor shall it apply when the exercise of any power, duty, or discretionary authority relates to any provisions herein directed towards preserving the trust estate for beneficiaries named in the Trust Agreement in the event the Trustor should require long-term health care and/or nursing home care. Should a Trustee be prohibited from participating in the exercise of any power, duty, or discretionary authority, or should a power, duty or discretionary authority granted to a Trustee be absolutely void, as a result of the foregoing, then such power, duty or discretionary authority may be exercised in accordance with the following paragraphs.

2. Exercise of Power by an Existing Independent Co-Trustee: In the event that the right to exercise or the exercise of any power, duty or discretionary authority is prohibited or void as provided above, or is prohibited elsewhere in this Trust Agreement with respect to "incidents of ownership" of life insurance, or the Special Co-Trustee is given any other powers or authority under this paragraph "Special Co-Trustee Provisions," the remaining Co-Trustee, if any, shall have the right to exercise and may exercise said power, duty or discretionary authority, provided the Co-Trustee is independent within the meaning set forth in Section 674(c) of the Code, or any successor statute or regulations thereunder.
3. Exercise of Power if No Existing Independent Co-Trustee: In the event there is no independent Co-Trustee capable of exercising any power, duty or discretionary authority which is prohibited or void as provided above, or which is given to the Special Co-Trustee elsewhere herein, then the following procedure shall apply:
  - a. Appointment of Special Co-Trustee: The next succeeding, Trustee or Co-Trustees, as the case may be, of the Trust (or, if only a particular, separate trust created under this Trust Agreement is affected by the exercise of such power, duty or authority, then the next succeeding Trustee or Co-Trustees of said separate trust) who is not disqualified under paragraph "2" above, shall serve as Special Co-Trustee of the Trust herein created.
4. Protect the Trust Estate by Appointment and Removal of an Independent Co-Trustee: In addition to any other powers granted to the Special Co-Trustee under the Trust Agreement, in the event that the Special Co-Trustee named above, in his sole and absolute discretion, determines that it is necessary in order to protect the Trust Estate and/or the Trustee and/or the beneficiaries of any trust established under the Trust Agreement from the negative influence of outside third parties, including but not limited to a spouse or creditors, then the Special Co-Trustee may appoint a Co-Trustee (to immediately act with the then existing Trustee) who is independent from the party to be protected within

07132015:0809:P0217

the meaning set forth in IRC Section 674(c). The Special Co-Trustee may appoint himself to act as such Co-Trustee if he is independent within the meaning of IRC Section 674(c). In addition, if the Special Co-Trustee, in his sole and absolute discretion, determines that it is no longer necessary for an independent Co-Trustee to act in order to protect the Trust Estate and/or the Trustee and/or the beneficiaries from the negative influence of outside third parties, including but not limited to a spouse or creditors, then the Special Co-Trustee may remove any independent Co-Trustee whom was either appointed by another acting Trustee of the Trust pursuant to other provisions of the Trust Agreement (if any) or appointed by the Special Co-Trustee, and shall not be required to replace such removed independent Co-Trustee with another.

5. Limited Responsibilities of Special Co-Trustee: The responsibilities of the Special Co-Trustee shall be limited to the exercise of the Trustee power, duty or discretionary authority prohibited or void as provided in the Trust Agreement, and the Special Co-Trustee powers regarding the appointment and removal of an independent Co-Trustee as permitted above, and appointment of a Trust Protector as permitted in the Section of the Trust Agreement entitled "Trust Protector Provisions," and said Special Co-Trustee shall not be concerned with, nor shall have, any power, duty or authority with respect to any other aspects of administration of the Trust Estate.
6. Limited Liability of the Special Co-Trustee: The Special Co-Trustee shall not be held to the fiduciary duties of a Trustee. The Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust, merely by reason of his appointment as Special Co-Trustee and shall not have any affirmative duty to monitor, investigate and learn of any circumstances or acts or omissions of others, relating to this Trust, its beneficiaries or otherwise that may warrant the Special Co-Trustee to act. The Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust either now or in the future, for failing to properly or timely appoint a Trust Protector or to properly or timely advise a Trust Protector of any circumstances or facts that might impact a Trust Protector's decisions. Furthermore, the Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust, by reason of any act or omission and shall be held harmless by the Trust and its beneficiaries and indemnified by the Trust Estate from any liability unless (a) the Trustee and/or a beneficiary has brought directly to the attention of the Special Co-Trustee a circumstance that may warrant his action and (b) such act or omission is the result of willful misconduct or bad faith. Any action taken or not taken in reliance upon the opinion of legal counsel shall not be considered the result of willful misconduct or bad faith, provided such counsel was selected with reasonable care and in good faith. In the event a lawsuit against the Special Co-Trustee fails to result in a judgment against him, the Special Co-Trustee shall be entitled to reimbursement from the Trust for any and all costs and expenses related to his defense against such lawsuit.

07132015:0809: P0218

- 7. Compensation: The Special Co-Trustee shall not be entitled to compensation merely as the result of his appointment. The Special Co-Trustee shall only be entitled to reasonable compensation for his actual time spent and services rendered in carrying out his duties and powers hereunder, at the hourly rate commensurate with that charged by professional Trustees for similar services. The Special Co-Trustee shall, in addition, be entitled to prompt reimbursement of expenses properly incurred in the course of fulfilling his duties and powers, including but not limited to the employment of legal counsel or other professionals to advise him regarding his decisions.
- 8. Waiver of Bond: No bond shall be required of any individual or entity acting as Special Co-Trustee.

**GENERATION SKIPPING TAX PROVISIONS**

Article XIV, Section R of the said Trust entitled "Generation Skipping Transfers" is hereby amended so that from henceforth Article XIV, Section R is replaced in its entirety with the provisions which follow.

- A. Explanation of this Section: The purpose of this Section of the Trust Agreement and the desire of the Trustor is to eliminate or reduce the burden on the Trustor's family and issue resulting from the application of the federal generation skipping transfer tax under Chapter 13 of the Code, including any future amendments thereto (hereinafter referred to as the "GST Tax"). The Trustor directs the Trustee and any court of competent jurisdiction to interpret the provisions of this Section in accordance with the Trustor's desires stated above, since the Trustor, when creating this Trust, is aware that the provisions of said GST Tax are very complex and as yet there are few court rulings to aid in their interpretation. The Trustor requests that, before the Trustee or any beneficiary acts in accordance with the provisions of this Section, they seek professional advice from an attorney who specializes in estate planning, in order that they may avoid any unintentional triggering of negative GST Tax consequences.
- B. Allocation of Trustor's GST Tax Exemptions: The Trustee (or such other person or persons whom Code provisions, Treasury Regulations or court rulings authorize to make elections or allocations with regard to the Trustor's GST Tax exemptions) is instructed to allocate such exemptions in good faith, without a requirement that such allocation be proportionate, equal or in any particular manner equitably impact any or all of the various transferees or beneficiaries of property subject to or affected by such allocations. When allocating such exemptions, the Trustee may include or exclude any property of which the Trustor is the transferor for GST Tax purposes, including property transferred before the Trustor's death, and may take into account prior transfers, gift tax returns and other relevant information known to the Trustee. It is recommended that, to the extent possible, any such trust allocated an inclusion ratio of zero shall contain any and all Roth IRAs. The Trustee is also directed, when allocating Trustor's GST Tax exemptions, to coordinate with the Executor of Trustor's estate and/or the Trustee of Trustor's revocable Living Trusts regarding the

07132015:0809:P0219

most appropriate use of said exemption; however, the Trustee's final determination shall be made in his or her sole and absolute discretion and shall be binding upon all parties howsoever interested in this Trust.

1. Trustee's Power to Combine and Divide Trusts: If a trust hereunder would be partially exempt from GST Tax by reason of an allocation of GST Tax exemption to it, before the allocation the Trustee in his discretion may divide the trust into two separate trusts of equal or unequal value, to permit allocation of the exemption solely to one trust which will be entirely exempt from GST Tax. The Trustee of any trust shall have authority, in the Trustee's sole discretion, to combine that trust with any other trust or trusts having the same exempt or nonexempt character, including trusts established (during life or at death) by the Trustor or any of his issue; and the Trustee may establish separate shares in a combined trust if and as needed to preserve the rights and protect the interests of the various beneficiaries if the trusts being combined do not have identical terms or if separate shares are otherwise deemed desirable by the Trustee. These powers to combine and divide trusts may be exercised from time to time, and may be used to modify or reverse their prior exercise. In deciding whether and how to exercise this authority the Trustee may take account of efficiencies of administration, generation-skipping and other transfer tax considerations, income tax factors affecting the various trusts and beneficiaries (including determination of life expectancy to be used for Retirement Assets required minimum distribution purposes), the need or desirability of having the same or different trustees for various trusts or shares, and any other considerations the Trustee may deem appropriate to these decisions. Prior to exercising any power to combine trusts under this paragraph, the Trustee shall take into consideration that, where possible and appropriate (keeping in mind the dispositive provisions of the Trust Agreement and the situation of the beneficiary), separate trusts should be maintained so that the trust beneficiaries may enjoy the benefit of distributions from any Retirement Assets being stretched out over their separate life expectancies; in particular, the Trustee shall not merge trusts when one provides for the payout to or for the beneficiary of all withdrawals from IRAs and other Retirement Assets, net of trust expenses, and another provides for the accumulation of income (including IRA and Retirement Asset withdrawals).
2. Same Terms and Provisions for Divided Trusts: Except as expressly provided in the Trust Agreement, when a trust otherwise to be established is divided under the foregoing provisions into exempt and non-exempt trusts or otherwise into separate trusts, each trust shall have the same provisions as the original trust from which it is established, and references in the Trust Agreement to the original trust shall collectively refer to the separate trusts derived from it.
3. Exempt (and Non-Exempt) Character of Property to be Preserved: On termination, partial termination, subdivision or distribution of any of the

07132015:0809:P0220

UNM

separate trusts created by the Trust Agreement, or when it is provided that separate trusts are to be combined, the exempt (zero inclusion ratio) or the non-exempt (inclusion ratio of one) generation-skipping character of the property of the trusts shall be preserved. Accordingly, when property is to be added to or combined with the property of another trust or trusts, or when additional trusts are to be established from one or more sources, non-exempt property or trusts shall not be added to or combined with exempt property or trusts, even if this requires the establishment of additional separate trusts with the same terms and provisions, unless the Trustee believes that economic efficiency or other compelling considerations justify sacrificing their separate generation-skipping characteristics.

4. Trustee's Investment Power: Distributions: Without limiting the foregoing, the Trustor specifically authorizes (but do not require) the Trustee, in administering different trusts wholly or in part for the benefit of a particular beneficiary or group of beneficiaries, to adopt different investment patterns and objectives for different trusts based on whether they are funded by Roth IRAs or other assets and on their generation-skipping ratios, and to prefer making distributions from Retirement Assets other than Roth IRAs and from non-exempt trusts to beneficiaries who are non-skip persons for generation-skipping purposes and from exempt trusts to those who are skip persons. Upon division or distribution of an exempt trust and a nonexempt trust hereunder, the Trustee may allocate property from the exempt trust first to a share from which a generation-skipping transfer is more likely to occur. It is further recommended that to the extent that distributions would be made for the benefit of skip persons and such distributions would be exempt from GST Tax because such distributions are for the payment of medical expenses exempt under IRC Section 2503(e)(2)(B) or for the payment of tuition or educational expenses exempt under IRC Section 2503(e)(2)(A), such payments to the extent possible be first made from a trust which has an inclusion ratio of one.
5. Trustee's Exoneration: The Trustor expressly exonerates the Trustee from any liability arising from any exercise or failure to exercise these powers, provided the actions (or inactions) of the Trustee are taken in good faith.
- C. Beneficiary's General Power of Appointment: Should a beneficiary die prior to the creation of his or her separate share of the Trust Estate or die subsequent to the creation of such share but before complete distribution of such share, and as a result of said death a portion of the Trust Estate would be subject to GST Tax but for the provisions of this paragraph, the beneficiary may, pursuant to a general power of appointment exercised in his or her last Will (but not in a codicil) or other writing delivered to the Trustee prior to his or her death and specifically referring to the Trust Agreement, provide for such share to pass to the creditors of that beneficiary's estate, in accordance with the terms set forth below. The asset value subject to such general power of appointment shall be the maximum amount, if any, which, when added to

07/15/2015 08:09: P0221

COPY

the beneficiary's net taxable estate (computed prior to said power), will cause the federal estate tax marginal rate to increase until it equals the GST Tax marginal rate; but in no case shall such general power of appointment exceed the asset value of such beneficiary's share. This general power of appointment may be subject to termination and reinstatement by the Trust Protector. To the extent the beneficiary does not effectively exercise the general power of appointment, the unappointed asset value shall be held, administered and distributed in accordance with the other provisions of the Trust Agreement.

**TRUSTEES ENVIRONMENTAL POWERS**

**A. Trustee Authorized to Inspect Property Prior to Acceptance:**

1. Actions at Expense of Trust Estate: Prior to acceptance of this Trust by any proposed or designated Trustee (and prior to acceptance of any asset by any proposed, designated or acting Trustee), such Trustee or proposed or designated Trustee shall have the right to take the following actions at the expense of the Trust Estate:
  - a. Enter Property: To enter and inspect any existing or proposed asset of the Trust (or of any partnership, limited liability company or corporation in which the Trust holds an interest) for the purpose of determining the existence, location, nature, and magnitude of any past or present release or threatened release of any hazardous substance; and
  - b. Review Records: To review records of the currently acting Trustee or of the Trustor (or of any partnership, limited liability company or corporation in which the Trust holds an interest) for the purpose of determining compliance with environmental laws and regulations, including those records relating to permits, licenses, notices, reporting requirements, and governmental monitoring of hazardous waste.
2. Rights Equivalent to Partner, Member or Shareholder: The right of the proposed or designated Trustee to enter and inspect assets and records of a partnership, limited liability company or corporation under this provision is equivalent to the right under state law of a partner, member or shareholder to inspect assets and records under similar circumstances.
3. Right to Still Refuse Acceptance of Trusteeship: Acts performed by the proposed or designated Trustee under this provision shall not constitute acceptance of the Trust.
4. Right to Accept Trusteeship Over Other Assets Only: If an asset of the Trust is discovered upon environmental audit by the acting Trustee or any proposed or designated Trustee to be contaminated with hazardous waste or otherwise

07132015:0809:PO222

not in compliance with environmental law or regulation, the Trustee may decline to act as Trustee solely as to such asset, and accept the Trusteeship as to all other assets of the Trust. The Trustee, in his discretion, may petition a court to appoint a receiver or special Trustee to hold and manage the rejected asset, pending its final disposition.

- 5. Right to Reject Asset: Any currently acting Trustee shall have the right to reject any asset proposed to be transferred to the Trustee.

B. Termination, Bifurcation or Modification of The Trust Due to Environmental Liability:

- 1. Trustee's Powers over Hazardous Waste Property: If the Trust Estate holds one or more assets, the nature, condition, or operation of which is likely to give rise to liability under, or is an actual or threatened violation of any federal, state or local environmental law or regulation, the Trustee may take one or more of the following actions, if the Trustee, in the Trustee's sole and binding discretion, determines that such action is in the best interests of the Trust and its beneficiaries:
  - a. Modify Trust: Modification of trust provisions, upon court approval, granting the Trustee such additional powers as are required to protect the Trust and its beneficiaries from liability or damage relating to actual or threatened violation of any federal, state or local environmental law or regulations, with it being the Trustors' desire that the Trustee keep in mind the Trustors' dispositive wishes expressed elsewhere in this Trust Agreement and that the Trustee consider and weigh any potentially negative federal and state income, gift, estate or inheritance tax consequences to the Trustee, Trust and its beneficiaries;
  - b. Bifurcate Trust: Bifurcation of the Trust to separate said asset from other assets of the Trust Estate;
  - c. Appoint a Special Trustee: Appointment of a special Trustee to administer said asset; and/or

**Account Number [REDACTED] 1566**

This account was first opened on February 17, 1984. At that time, 300 shares of ExxonMobil's common stock were transferred to Elmer Brunsting. On August 14, 1987, the company went through a 2-for-1 split, generating an additional 300 shares. Between September 10, 1992 and October 28, 1996, dividends from this account were reinvested. An additional 121.648 were purchased during that period.

The account was closed on October 28, 1996, when all shares (721.648) were transferred to the Brunsting Family Trust (See account number [REDACTED] 2102 below).

We have enclosed a certificate transcript and reinvestment statement covering the history of this account. Due to the age of this account, we no longer have any additional documentation. We were unable to determine the source of the original transfer in 1984 and we no longer have copies of the paperwork submitted in 1996. We have no record of the dividends paid prior to 1992 or any of the tax forms generated for this account.

**Account Number [REDACTED] 2102**

This account was first opened on October 28, 1996, when the 721.648 shares were transferred from the account listed above. We have enclosed copies of the statements covering the full history from 1996 until it was closed in 2011. The only transactions that took place during this time were dividend reinvestments and 2 stock splits. We have also enclosed copies of Form 1099-DIV for years 2005 through 2011. We no longer have copies of the tax forms generated prior to 2005.

On March 18, 2011, we received a letter from Anita Brunsting, along with transfer forms requesting that we transfer a portion of this account to the Elmer H Brunsting Decedent's Trust and transfer the remaining shares to the Nelva E Brunsting Survivor's Trust. On March 24, 2011, 1908.232008 were shares transferred to account number [REDACTED] 7769 and 2101.968469 shares were transferred to account number [REDACTED] 7777.

We have enclosed a copy of the transfer forms and the accompanying letter. The mailing address on the old account was updated at the same time. We have also enclosed a copy of a notice confirming the address change.

**Account Number [REDACTED] 7769**

This account was first opened on March 24, 2011, when the 1908.232008 shares were transferred from the account listed above. We have enclosed statements covering the history of the account from that date to the present. As the new account was not initially enrolled in the dividend reinvestment plan, the fractional shares (0.232008 shares) were immediately liquidated, generating a check in the amount of \$4.18.

Dividends were paid via direct deposit between June 10, 2011 and March 9, 2012. They were deposited into Bank of America account number [REDACTED] 143 via routing number 111000025 based on instructions submitted through our website. We have enclosed a screen print of Computershare's internal records with the details of these payments, a notice confirming the direct deposit information, and a copy of Form 1099-DIV for 2011.

On June 13, 2011, we received transfer forms directing us to transfer 1,325 shares from this account to Carole Brunsting. The shares were transferred to account number [REDACTED] 6328 on June 15, 2011. We have enclosed a copy of the forms.

On March 3, 2012, the account was enrolled in dividend reinvestment through our website. We have enclosed a copy of a notice confirming this change. The June 11, 2012 dividend was reinvested, as indicated on the most recent statement.

**Account Number [REDACTED] 7777**

This account was first opened on March 24, 2011, when the 2101.968469 shares were transferred from account number [REDACTED] 2102. We have enclosed statements covering the history of the account from that date to the present.

All dividends on this account were reinvested. Form 1099-DIV is included on the year end statement for 2011. Direct deposit instructions were added to this account via our website on April 11, 2011. However, as the account was enrolled in the reinvestment plan, no dividends from this account were ever direct deposited. We have enclosed a copy of the notice confirming the direct deposit information.

On May 9, 2011, we received transfer forms directing us to transfer 1,120 shares from this account to Amy Brunsting. The shares were transferred to account number [REDACTED] 9041 on May 11, 2011. We have enclosed a copy of the forms.

On June 13, 2011, we received transfer forms directing us to transfer 160 shares from this account to Anita Brunsting and 160 shares to Candace Curtis. The shares were transferred to account numbers [REDACTED] 6352 and [REDACTED] 6387 respectively on June 15, 2011. We have enclosed a copy of the forms.

We have no record of any additional transactions or correspondence on these accounts or any additional accounts registered to Elmer Brunsting, Nelva Brunsting, or their trusts.

Re: Cause No. 2012-14538; *In re: Carl Henry Brunsting*; In the 80<sup>th</sup> Judicial District  
Court of Harris County, Texas

Dear Sirs:

On April 12, 2012, after speaking with Catherine Dixon in your department, I sent additional documents and information relating to a request for information in the above-referenced case concerning the history of some Exxon Mobil Corporation stock. I have heard nothing further since that letter. I have enclosed a copy of that earlier letter and the Court's Order requiring Computershare to provide the information requested, as well as another copy of Exhibit E from the verified petition which outlines the requested information.

As you can see, in my April 12, 2012 letter, I also provided social security numbers for the individuals who originally owned the stock, but at some point the stock was moved to trusts and thereafter, at least in part, out to other parties. So to the extent your delay in responding has been because of the trusts' ownership of the stock, I wanted to provide you with that additional information. Initially, the trust would have been referred to as "The Brunsting Family Living Trust," but after the first grantor of that trust died, the names of "The Nelva Brunsting Survivor's Trust" and the "Elmer Brunsting Decedent's Trust" would have been used. I am enclosing statements with holder account numbers which I have obtained from other sources in the case in hopes that it will speed up your search. I do not intend, however, for your search to be limited to these accounts because, as I said, I believe these shares have been held by or transferred to other parties as well.

It has been sometime since this request was made. I need these documents as soon as possible, so if you have any questions, please contact me upon your receipt of this letter.

Very truly yours,

Bobbie G. Bayless

Re: Cause No. 2012-14538; *In re: Carl Henry Brunsting*; In the 80<sup>th</sup> Judicial District  
Court of Harris County, Texas

Dear Sirs:

I spoke with Catherine Dixon this morning about the following documents which were previously filed with the court in the above-referenced matter:

1. Carl Henry Brunsting's Verified Petition to Take Depositions Before Suit; and
2. Notice to Computershare Investor Services of Hearing on Petition to Take Depositions Before Suit.

While these documents were previously sent via certified mail to Computershare Investor Services's registered agent in Texas, we had received no response. We have enclosed another copy of the documents so this can be addressed by your legal department as soon as possible. To simplify things, we have also enclosed an extra copy of Exhibit E to the Petition which outlines the documents we are asking Computershare, as transfer agent for Exxon Mobil Corporation, to provide. The social security number for Elmer Brunsting is [REDACTED] 8905. The social security number for Nelva Brunsting is [REDACTED] 4685.

Also enclosed is an Amended Notice of Hearing which resets the hearing in the matter for May 18, 2012.

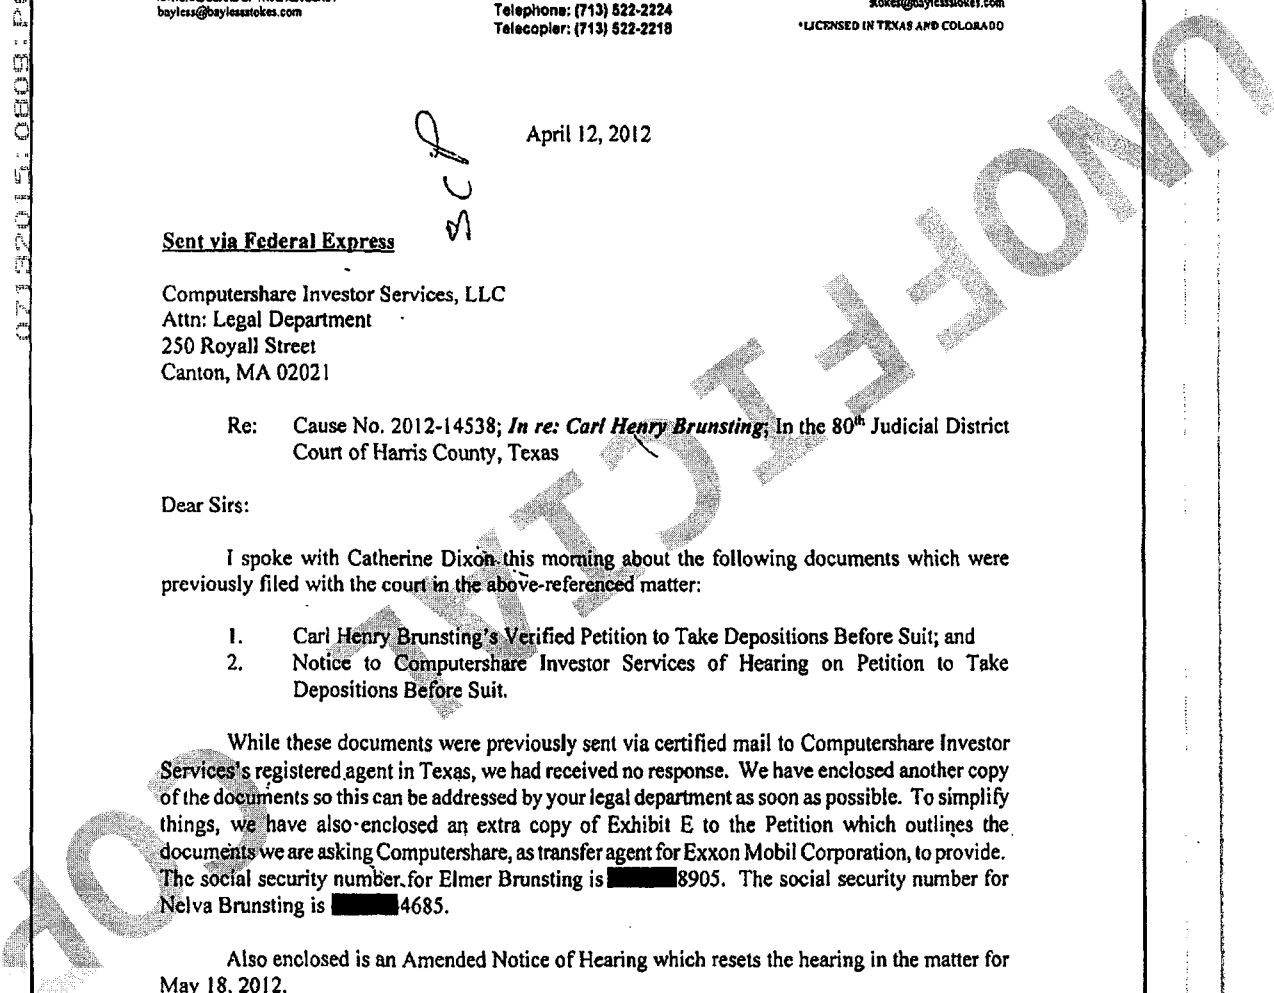

Very truly yours,

IRS regulations require that Computershare, and other brokers/agents, provide additional information to you and to the IRS when you sell certain securities. All covered and noncovered information set forth in this document is for informational purposes. The information is based on data in our records as of the date of this mailing. Cost basis data may be subject to change based on events such as wash sales, splits and spinoffs. Computershare cannot confirm the accuracy or completeness of noncovered transactions. **Online Reinvestment**

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

- 1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Shares will be sold as promptly as practicable based on the terms of the plan. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any. **ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. PLEASE REFER TO THE PLAN PROSPECTUS/BROCHURE OR DRS BROCHURE REGARDING APPLICABLE FEES.** To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone, both are listed on the reverse side.
- 1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.
- 1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. **How to Manage Your Account Online**

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from listed parties in connection with the transaction, if any.

**ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.** To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone, both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institution) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

**Instructions for Recipient**

**Account Number.** May show an account or other unique number the payer assigned to distinguish your account.

**Box 1a.** Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040) or Schedule 1 (Form 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A but treat it as a plan distribution, not as investment income, for any other purpose.

**Box 1b.** Shows the portion of the amount in box 1a that may be eligible for the 15% or 5% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

**Box 2a.** Shows total capital gain distributions (long-term) from a regulated investment company or real estate investment trust. Report the amounts shown in box 2a on Schedule D (Form 1040), line 13. But, if no amount is shown in boxes 2c-2d and your only capital gains and losses are capital gain distributions, you may be able to report the amounts shown in box 2a on line 13 of Form 1040 (line 10 of Form 1040A) rather than Schedule D. See the Form 1040/1040A Instructions.

**Box 2b.** Shows the portion of the amount in box 2a that is unrecaptured section 1250 gain from certain depreciable real property. Report this amount on the Unrecaptured Section 1250 Gain Worksheet-Line 19 in the Schedule D Instructions (Form 1040).

**Box 2c.** Shows the portion of the amount in box 2a that is section 1202 gain from certain small business stock that may be subject to a 50% exclusion. See the Schedule D (Form 1040) Instructions.

**Box 2d.** Shows 28% rate gain from sales or exchanges of collectibles. If required, use this amount when completing the 28% Rate Gain Worksheet-Line 18 in the instructions for Schedule D (Form 1040).

**Box 3.** Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

**Box 4.** Shows backup withholding. For example, a payer must backup withhold on certain payments at a 28% rate if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

**Box 5.** Shows your share of expenses of a nonpublicly offered regulated investment company, generally a nonpublicly offered mutual fund. If you file Form 1040, you may deduct these expenses on the "Other expenses" line on Schedule A (Form 1040) subject to the 2% limit. This amount is included in box 1a.

**Box 6.** Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 Instructions.

**Boxes 8 and 9.** Shows cash and noncash liquidation distributions.

**Nominees.** If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nominee return to show amounts owned by the other. See the 2005 General Instructions for Forms 1099, 1098, 5498, and W-2G.

**Instructions for Recipient**

Account Number: May show an account or other unique number the payer assigned to distinguish your account.

Box 1a: Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040) or Schedule 1 (Form 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.

Box 4: Shows backup withholding. For example, a payer must backup withhold on certain payments at the applicable rate if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

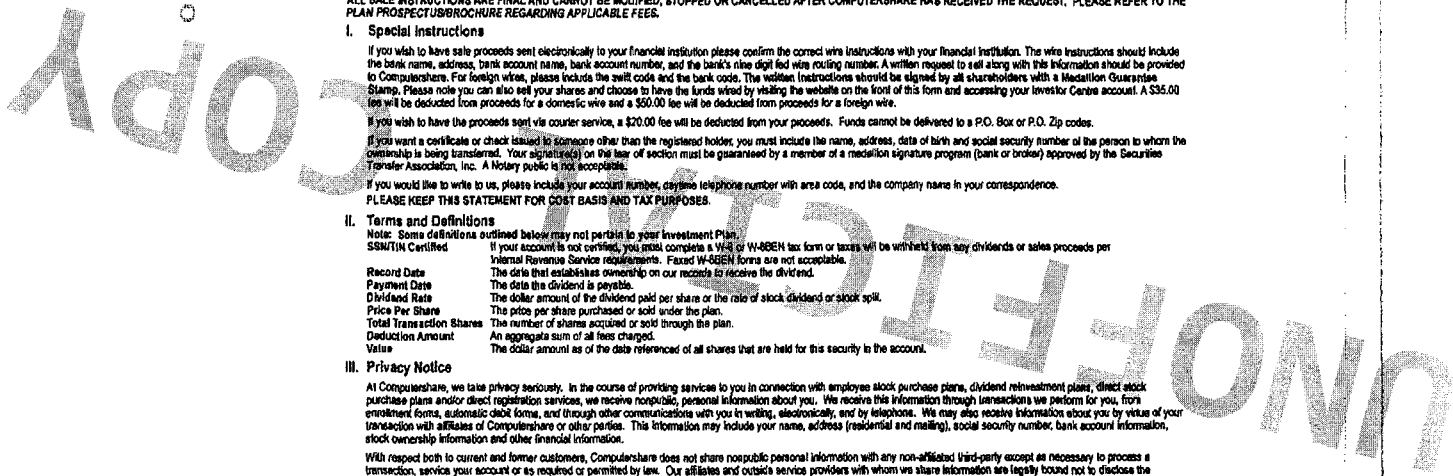

Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 5% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 3b, Form 1040 or 1040A.

Box 8: Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Box 3: Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

Box 9: Shows cash liquidation distributions.  
Nominees: If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nominee return to show amounts owned by the other. See the 2006 General Instructions for Forms 1099, 1098, 5498, and W-203.

A proceeds check will be mailed to you, less any applicable taxes and fees. You can request a wire payment by updating your bank details online through Investor Centre at the website listed on the reverse side, or by including a written note with your bank's name, branch location and routing number, and your bank account name and number. For non-US wires, also include the SWIFT (bank routing ID) and bank codes. The signature(s) on the note must be stamped with a Medallion Signature Guarantee. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee. You can also call us to find out the cost to have the check delivered to a street address via courier service. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any. ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.
- Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.
- Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.
- All registered holders must sign section 1D for the above instructions to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

Privacy Notice

At Computershare, we take privacy seriously. In the course of providing services to you in connection with employee stock purchase plans, dividend reinvestment plans, direct stock purchase plans and/or direct registration services, we receive, use, disclose, and store personal information about you. We receive this information through transactions we perform for you, from investment forms, automatic debit forms, and through other communications with you in writing, electronically, and by telephone.

Note: Assets are not deposits of Computershare and are not insured by the Federal Deposit Insurance Corporation, the Securities Investor Protection Corporation, or any other federal or state agency.

Instructions for Recipient

Recipient's Identification Number: For your protection, this form may show only the last four digits of your taxpayer identification number. However, the issuer has reported your complete identification number to the IRS and, where applicable, to state and/or local governments.

Account Number: May show an account or other unique number the payer assigned to distinguish your account.

Box 1a: Shows total ordinary dividends that are taxable. Include this amount on line 9a of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040) or Schedule 1 (Form 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 0% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 3: Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

Box 4: Shows backup withholding. For example, a payer must backup withhold on certain payments at the applicable rate if you did not give your taxpayer identification number to the payer. See Form W-4, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 8: Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Box 7: This box should be left blank if a regulated investment company reported the foreign tax shown in box 8.

Box 8: Shows cash liquidation distributions.

Nonresidents: If this form includes amounts belonging to another person, you are considered a nominee recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nominee return to show amounts owned by the other. See the current tax year General Instructions for Certain Information Returns.

**How to Request a Transaction** (refer to the prospectus/brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 260 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institution) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

**How to Request a Transaction**

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

- 1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRs Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any. ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.
- 1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.
- 1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.
- 1D. All registered holders must sign section 1D for the above instruction(s) to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized Signature is not a substitute for a Medallion Signature Guarantee.
- 2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

**How to Place an Order**

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRB requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information regarding the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

**ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.**  
To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone, both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institution) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

Dear Holder:

We have received and processed your request to add bank payment instructions to your account. We are in the process of verifying the bank payment instructions with your financial institution. The new payment instructions should become effective within 15 days. All disbursements made by the company will then be directly paid to your bank account. You will also be able to direct us to use this bank account to receive payments at your discretion if you choose to sell your shares.

**Company Name:** Exxon Mobil Corporation

**Bank Name:** BANK OF AMERICA N A

**Bank Account (Last four Digits):** 1143

Please note, if the bank payment instructions are determined to be incorrect in the verification process, you will receive a notice that your request has been cancelled.

If you are a participant in a reinvestment plan, your reinvestment plan participation option will be honored in lieu of the above payment instructions. For example, if you have enrolled in full reinvestment, all dividends will be reinvested rather than paid to the above bank account. If you have enrolled in the cash payment option, all dividends will be paid in cash using the new bank payment instructions.

The amount shown may be dividend a corporation paid directly to you as a participant (or beneficiary of a participant) in an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 0% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 2a: Shows total capital gain distributions from a regulated investment company or real estate investment trust. Report the amounts shown in box 2a on Schedule D (Form 1040), line 13. But, if no amount is shown in boxes 2a-2d and your only capital gains and losses are capital gain distributions, you may be able to report the amounts shown in box 2a on line 13 of Form 1040 (line 10 of Form 1040A) rather than Schedule D. See the Form 1040/1040A instructions.

You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

Box 4: Shows backup withholding. For example, a payer must backup withhold on certain payments if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5: Shows your share of expenses of a nonpublicly offered regulated investment company, generally a nonpublicly offered mutual fund. If you file Form 1040, you may deduct these expenses on the "Other expenses" line on Schedule A (Form 1040) subject to the 2% limit. This amount is included in box 1a.

Box 6: Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

**How to Request a Transaction** (refer to the prospectus brochure for additional details on the terms and conditions of transactions under the plan or DRS sales facility)

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Share requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. Transfer instructions are available through the "Frequently Asked Questions" section of Investor Centre or by contacting us at the phone number listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 260 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instructions to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institution) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

How to Register Transactions

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.compuershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

Instructions for Recipient

Recipient's Identification Number: For your protection, this form may show only the last four digits of your taxpayer identification number. However, the issuer has reported your complete identification number to the IRS and, where applicable, to state and/or local governments.

Account Number: May show an account or other unique number the payer assigned to distinguish your account.

Box 1a: Shows total ordinary dividends that are taxable. Include this amount on line 9e of Form 1040 or 1040A. Also, report it on Schedule B (Form 1040 or 1040A), if required.

The amount shown may be a distribution from an employee stock ownership plan (ESOP). Report it as a dividend on your Form 1040/1040A, but treat it as a plan distribution, not as investment income, for any other purpose.

Box 1b: Shows the portion of the amount in box 1a that may be eligible for the 15% or 0% capital gains rates. See the Form 1040/1040A instructions for how to determine this amount. Report the eligible amount on line 9b, Form 1040 or 1040A.

Box 3: Shows the part of the distribution that is nontaxable because it is a return of your cost (or other basis). You must reduce your cost (or other basis) by this amount for figuring gain or loss when you sell your stock. But if you get back all your cost (or other basis), report future distributions as capital gains. See Pub. 550, Investment Income and Expenses.

Box 4: Shows backup withholding. For example, a payer must backup withhold on certain payments if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5: Shows the foreign tax you may be able to claim as a deduction or a credit on Form 1040. See the Form 1040 instructions.

Box 7: This box should be left blank if a regulated investment company reported the foreign tax shown in box 5.

Box 8: Shows cash liquidation distributions.

Nonresidents: If this form includes amounts belonging to another person, you are considered a nonresident recipient. You must file Form 1099-DIV with the IRS for each of the other owners to show their share of the income, and you must furnish a Form 1099-DIV to each. A husband or wife is not required to file a nonresident return to show amounts owned by the other. See the current tax year General Instructions for Certain Information Returns.

**How to Manage Your Account**

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than the business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

In the course of providing services to you in connection with employee stock purchase plans, dividend reinvestment plans, direct stock purchase plans and/or direct registration services, we receive sensitive, personal information about you. We receive this information through transactions we perform for you, from settlement forms, automatic debit forms, and through other communications with you by writing, electronically, and by telephone. We may also receive information about you by view of your transaction with affiliates of Computershare or other parties. Dear Holder:

We have received and processed your request to add bank payment instructions to your account. We are in the process of verifying the bank payment instructions with your financial institution. The new payment instructions should become effective within 15 days. All disbursements made by the company will then be directly paid to your bank account. You will also be able to direct us to use this bank account to receive payments at your discretion if you choose to sell your shares.

**Company Name:** Exxon Mobil Corporation

**Bank Name:** BANK OF AMERICA N A

**Bank Account (Last four Digits):** 1143

Please note, if the bank payment instructions are determined to be incorrect in the verification process, you will receive a notice that your request has been cancelled.

If you are a participant in a reinvestment plan, your reinvestment plan participation option will be honored in lieu of the above payment instructions. For example, if you have enrolled in full reinvestment, all dividends will be reinvested rather than paid to the above bank account. If you have enrolled in the cash payment option, all dividends will be paid in cash using the new bank payment instructions.

**How to Register Online**

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRB requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at www.computershare.com. Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Note: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST. To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone; both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royal Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/partnership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institution) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

**How to Manage Your Account Online**

You can manage your account online through Investor Centre at the website listed on the top right of the reverse side. Register today! The IRS requires that we report the cost basis of certain shares acquired after January 1, 2011. If your shares were covered by the legislation and you have sold or transferred the shares and requested a specific cost basis calculation method, we have processed as requested. If you did not specify a cost basis calculation method, we have defaulted to the first in, first out (FIFO) method. Please visit our website or consult your tax advisor if you need additional information about cost basis.

1A. Use section 1A above to sell a portion of your plan shares, or to sell all plan shares and terminate your plan participation. Sale requests submitted on this Transaction Request Form will be treated as a batch order and generally processed no later than five business days after the date on which the form is received. A Market Order sale may be available for transactions submitted by telephone or through Investor Centre at [www.computershare.com](http://www.computershare.com). Please contact us at the phone number listed on the reverse side or refer to the brochure for the plan or DRS Sales Facility for more information concerning the types of orders available. Notes: market orders and batch orders are subject to different fees. Please visit the website or contact us at the phone number listed on the reverse side for fee details. A proceeds check will be mailed to you, less any applicable taxes and fees. You can request electronic funds transfer for your sales proceeds by updating your bank details online through Investor Centre at the website listed on the reverse side. Upon written request, we will provide the name of the executing broker dealer associated with the transaction, and within a reasonable amount of time will disclose the source and amount of compensation received from third parties in connection with the transaction, if any.

**ALL SALE INSTRUCTIONS ARE FINAL AND CANNOT BE MODIFIED, STOPPED OR CANCELLED AFTER COMPUTERSHARE HAS RECEIVED THE REQUEST.**

To have the proceeds paid to someone other than the current registered holder, the shares must first be transferred to the other party. For assistance with a stock transfer please visit the "Help" section on our website or you may contact us by phone, both are listed on the reverse side.

1B. Use section 1B above to withdraw a portion or all of your shares from the plan. These shares will become Direct Registration System (DRS) shares and will be held electronically in your account in book-entry form by Computershare. We will mail you a check for the value of any fractional shares (if applicable). If your request is received near a record date, Computershare has the right to reinvest the dividend or pay you in cash. Future dividends for these shares will be paid in cash, unless you rejoin the plan.

1C. Use section 1C above to minimize risk of loss, theft or damage by depositing certificates. Computershare will deposit these shares into your plan account and hold them electronically in book-entry form. Send physical stock certificate(s) via registered mail or a courier service that provides a return receipt to: Computershare, 250 Royall Street, Canton, MA, 02021. Do not endorse the certificate(s) or complete the assignment section. You may want to insure the mailing for 3% of the stock's market value, which is the approximate cost to replace a certificate in the event that it is lost in transit.

1D. All registered holders must sign section 1D for the above instruction(s) to be completed. \*Sales requests for partnerships or corporations must include a Medallion Signature Guarantee or a copy of the corporate resolution/ownership agreement. A Medallion Signature Guarantee is a special stamp provided by a bank, broker or credit union (guarantor institutions) that indicates the individual(s) signing a form is legally authorized to conduct the requested transaction. A notarized signature is not a substitute for a Medallion Signature Guarantee.

2. Use section 2 below to make an optional investment through the plan. Detach the completed form and mail it, along with a check payable to Computershare, in the enclosed envelope. Please note the purchase limitations identified on the bottom left of the form.

If you do not keep in contact with us or do not have any activity in your account for the time periods specified by state law, your property could become subject to state unclaimed property laws and transferred to the appropriate state.

**Response to Written Interrogatories<sup>1</sup>**

Anita Brunsting objects to Candace's interrogatories and request for production made pursuant to "fiduciary obligations." Interrogatories and request for production are exclusive to the Texas Rules of Civil Procedure and are not contemplated by the trust instruments nor any other applicable law. To the extent Candace's interrogatories and request for production are made pursuant to fiduciary obligations under the trust instruments then, pursuant to the trust, the Trustee requires that Candace pay the additional costs incurred to respond to such requests before the Trustee is required to comply with such request.

1. In your exercise of discretion, which of the Founders' ten intended purposes and what aspects of the HEMS standard were factored into your determination to oppose a distribution to beneficiary Candace from her personal asset trust, and upon what set of facts did your determination rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Subject to and without waiving the foregoing objections, see Anita's response to Candace's request for distributions that was filed with the Court and which documents speak for themselves.

2. In 2011, which of the ten intended purposes, if any, and what aspects of the HEMS standard did you apply to your exercise of discretion in transferring Exxon Stock to Carole, and upon what set of facts did your exercise of discretion rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Subject to and without waiving the foregoing objections, such transfer was made at Nelva Brunsting's instruction.

3. In 2011, which of the ten intended purposes, if any, and what aspects of the HEMS standard did you apply to your exercise of discretion in transferring Exxon Stock to Candace, and upon what set of facts did your exercise of discretion rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

<sup>1</sup> Candace's Interrogatories were renumbered for the convenience of the parties and the Court.

07132015:0809:PO324

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Subject to and without waiving the foregoing objections, such transfer was made at Nelva Brunsting's instruction.

4. In 2011, which of the ten intended purposes, if any, and what aspects of the HEMS standard did you apply to your exercise of discretion in transferring Exxon Stock to Amy, and upon what set of facts did your exercise of discretion rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Subject to and without waiving the foregoing objections, such transfer was made at Nelva Brunsting's instruction.

5. Which of the ten intended purposes, if any, and what aspects of the HEMS standard did you apply to your exercise of discretion in not transferring Exxon Stock to Carl, and upon what set of facts did your exercise of discretion rely? If you did not use any of the ten expressed purposes or the HEMS standard, what standard did you use, if any?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, presumably the inquiry relates to the time period Nelva Brunsting was alive and Nelva Brunsting did not instruct an Exxon Stock transfer to Carl.

6. What are, and how did the trustees interpret, the particular distribution standards contained in "the trust"?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, the distribution standards are as set forth in the trust instruments, which were interpreted as written.

7. What is/was the trustee's process for making discretionary distribution decisions?

07/13/2015 08:09:10 P0325

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, the process is as set forth in the trust instruments.

8. What does the trustee require when asked to consider other resources and establish the beneficiary's standard of living?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. The trustee requires what the trust instruments provide.

9. Does the trust require a beneficiary to waive their right of privacy as a condition of receiving a beneficial interest? If so, under which provision of what instrument(s)?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, the trust instruments speak for themselves.

10. Does the trustee work with distribution advisors? If so, who and when? If not, why not?

RESPONSE: The trustee has not worked with distribution advisors. No distributions have been made since the Nelva's death due to the litigation filed by Candace and Carl.

11. When and how did the acting trustees inform the beneficiaries of their beneficial interests?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, prior to defendant's appointment as trustee, on or about October 23, 2010, Candace was informed of her beneficial interest via email. Shortly after Nelva's death in November 2011, the trustees and their counsel were in the process handling the trust affairs incident to Nelva's death. The trustees and

07/13/2015 10:08:09 AM P0326

their counsel provided trust documents and assets lists via email and/or mail in December 2011 and thereafter to beneficiaries.

12. What types of distributions would the trustees like a beneficiary to receive?

RESPONSE: Defendant objects to this interrogatory as unintelligible. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, defendant would like a beneficiary to receive distributions in accordance with the trust instruments.

13. For what purposes can the beneficiary request a distribution from the trust?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, the beneficiary can request a distribution for the purposes contained in the trust instruments.

14. When would the trustees like distributions to be made and in what priority?

RESPONSE: Defendant objects to this interrogatory as unintelligible. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, Subject to, and without waiving the foregoing objections, defendant would like a beneficiary to receive distributions in accordance with the trust instruments.

15. What circumstances should or should not exist prior to a distribution from "the trust"?

RESPONSE: Defendant objects to this interrogatory as unintelligible. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, currently, with respect to Candace, the Court must resolve Candace's claims and allegations in the pending lawsuit and, in particular, Candace's allegation that the no contest provisions in the trust instruments are unenforceable, prior to a distribution.

07132015:0809: P0327

16. Who should be involved in the decision making process?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, currently, the Court and the parties to the litigation should be involved in the decision making process.

17. What factors does the decision-maker measure in determining the beneficiary's need for a distribution?

RESPONSE: Defendant objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. Subject to and without waiving the foregoing objections, currently, the Court would consider the factors set forth in the trusts.

18. Describe the steps you have taken to honor the provisions of Article X, Section B (1)(a)(i) of the Brunsting Family Trust?

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (*i.e.*, before Nelva's death or after Nelva's death) and is, therefore, vague. The referenced section was superseded by Nelva and therefore, is inapplicable.

19. Describe the steps you have taken to honor the provisions at Page 6 Item C of the August 25, 2010 QBD regarding PERSONAL ASSET TRUST PROVISIONS, as those provisions relate to the personal asset trusts for each of the five Brunsting beneficiaries?

RESPONSE: After Nelva's death, defendant began the process of collecting assets, informing trust beneficiaries, and working the attorneys specifically referenced in such section to implement the terms of the trust instruments. The trustees and their counsel provided trust documents and assets lists via email and/or mail in December 2011 and thereafter to beneficiaries. Candace then brought litigation.

20. A copy of the 8/25/2010 QBD was included in the October 23, 2010 email attachments. How did you come to be in possession of the 8/25/2010 QBD on October 23, 2010 when Nelva was the only then serving trustee?

07132015:0809:P0328

RESPONSE: Nelva provided defendant such instrument.

21. What was your forthright explanation to Nelva regarding the changes that you planned for her to make to the trust and what were the exact changes that you intended to be made?<sup>2</sup>

RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and is a compound question. Defendant never planned to make any changes to the trust for Carl. It was defendant's understanding that Nelva planned to make changes to the trust. There was a concern by Nelva, defendant, and defendant's siblings that Carl's future well-being may not be met by Drina, and that Drina may take steps to reach Carl's share of trust assets. Nelva never signed the changes into effect.

22. Where are the documents you referred to that you intended for Nelva to sign?<sup>3</sup>

RESPONSE: To defendant's knowledge they were never signed. Defendant does not know what happened to such documents.

23. What was the date of your prior inquiry and why was the inquiry made more than one year after you were noticed of the existence of those EE Bonds?

RESPONSE: Candace and Carl consistently and repeatedly accused Carol of stealing bonds that were alleged to be in the name of Nelva or Elmer. Defendant did not see a record of the bonds being in the name of the trusts. In late 2014, Carol informed defendant that she could request a record of the outstanding bonds, which was done in mid to late 2014.

24. What claim(s), if any, were you asking to be processed?

RESPONSE: None.

25. Did you subsequently submit the properly completed forms? If no, why not? If yes, what were the results and where are the transaction records?

---

<sup>2</sup> This is a question about a March 8, 2011 email from Anita.

<sup>3</sup> This is a question about a March 8, 2011 email from Anita.

07132015:0909:P0329

RESPONSE: No, because Candace would not agree to the disposition of the bonds and the legal fees to seek court approval to cash the bonds in light of Candace's failure to agree made the transaction cost prohibitive.

Defendant objects to the balance of the interrogatories as exceeding the limits of permissible discovery under the Texas Rules of Civil Procedure. Defendant further objects to the balance of the interrogatories because Candace has not paid Candace pay the additional costs incurred to respond to such requests before the Trustee is required to comply with such request.

Intention 2. To eliminate and reduce income taxes, generation skipping transfer taxes and estate and death taxes on trust assets and on assets in the estate of the beneficiary,

(a) The decedent's trust has received farm income every year, which has not been distributed since 2012. Consequently the decedent's trust owed hefty income taxes each year. Why have those taxes not been reduced by distributions of farm income to personal asset trusts for the five beneficiaries? What advice have you been given regarding income taxes paid by the trusts, if any?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(b) When considering funding for Mother's day-to-day needs prior to the establishment of the Rights of Survivorship account in the name of Carole Brunsting and Nelva Brunsting, what criteria did you use when you liquidated assets in the Edward Jones account? Was avoidance of capital gains tax a factor? If not, why not?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

5. Trustee Manual: The Bates stamped documents included in Plaintiff's document production P6-P155, "MyTrustee Manual". Chapter 2, P19-P22 is titled "BEFORE GETTING STARTED: A FEW IMPORTANT "DO'S AND DON'TS".

(a) Please review pages 2-1 through 2-4 of My Trustee Handbook and answer the following questions with specificity:  
i. Which of the eight "Do's" have you done?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

ii. Which of the eight "Do's" have you not done?

07132015:0809:PO330

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

iii. Which of the nine "Do Not's" have you done?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

iv. Which of the nine "Do Not's" have you not done?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

6. Instruments are alleged to have been signed by Nelva Brunsting on August 25, 2010.

(a) Were you involved in the preparatory discussions? If yes, please explain the circumstances leading up to the creation of the instruments.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(b) Were you personally present when those documents were signed? If yes, please identify the location where they were signed and provide the names and contact information for everyone who was personally present when those instruments were signed.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

7. Instruments are alleged to have been signed by Nelva Brunsting on December 21, 2010.

(a) Were you involved in the preparatory discussions? If yes, please explain the circumstances leading up to the creation of the instruments.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(b) Were you personally present when those documents were signed? If yes, please identify the location where they were signed and provide the names and contact information for everyone who was personally present when those instruments were signed.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

8. Please refer to the RESPONSE OF DEFENDANTS TO REPORT OF MASTER, filed

07/13/2015 09:09:03

August 27, 2013, and answer the following:

Regarding trustee compensation,

(a) At the point in time when you paid your personal credit card debts from trust assets, were you aware that paying personal debt obligations directly out of trust accounts can be considered self-dealing or co-mingling, whether you were entitled to trustee compensation or not? If not, why not?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(b) Appendix A, Section 1. states that Vacek & Freed determined the percentage amount of your fee to be 2% of the trust value of \$2,291,300, or \$45,826.00. What date was the fee calculation determined? What trust was the value based upon? What trust assets and their corresponding values were used in the calculation? Why was this calculated on an annual basis, rather than monthly or quarterly, since the value of the trust diminished every single month? What provision(s) in the trust set forth the standard for calculating this rate of compensation?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

9. Please refer to George Vie's July 15, 2013 letter to the Master and Attachment 1 to these interrogatories when considering the following questions. Note that Attachment 1 is a summary of your Schedule F, plus distributions to beneficiaries from the Edward Jones account during the 10-year period covered by the schedule, and the distribution you received in 2005 to pay off your house.

Your letter states that:

"Numerous gifts were given to the older Brunsting children (Carl, Candace and Carole); Candace's sons, Kevan Curtis and Andy Curtis (currently in their mid-30s); and Carl's daughter, Marta Brunsting Huntsman (prior to Mr. Brunsting's death) to assist with their college, business and/or wedding expenses." Attachment 1 demonstrates that during the 10-year period of the schedule, approximately 46% of the distributions went to Candy, Carole, Carl, Kevan and Andy, with the balance of approximately 54% going to you, Amy and your respective children. Nothing was noted to have been received by Marta during the 10-year period.

(a) Please state with specificity the dates and amounts of all gifts given to the older beneficiaries and the source of the information in support of these alleged transactions, as claimed by you in your July 15, 2013 letter of influence addressed to the Special Master.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in

07132015:0809: P0332

the Texas Rules of Civil Procedure.

(b) Our Dad died April 1, 2009. The only noted transactions labeled as gifts to Kevan and Andy Curtis are dated October 2, 2009. Please state with specificity the dates and amounts of all other alleged gifts given to Kevan, Andy, or Marta between 2001 and April 1, 2009, the source of the information in support of these transactions, and the reason why these transactions were not listed on any schedules.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(d) In general the July 15, 2013 letter to the Master attempts to provide excuses for the sudden acceleration of dissipation of mass quantities of trust assets while our Mother was still alive. These take-my-word-for it assertions have not been supported by Generally Accepted Accounting Principles (GAAP) in any disclosures. The recap of distributions, or gifts if you want to call them that, reflected on Attachment 1, clearly shows an inequity. What was the distribution standard applied to those transactions? What effect did these transactions have on the value of the trust assets, trust tax liabilities, and the personal tax liabilities of the recipients? What were the facts upon which discretion was exercised in each of these transactions?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(e) In your July 15, 2013 letter to the Master you claim "Defendants are individuals, not financial professionals." It is presumed you knew of this fiscal incompetence before accepting the appointment to a fiduciary office. Did you hire financial professionals to assist you in meeting the obligations commensurate with your fiduciary duties? If yes, who, when, and what did they do? If not, why not?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(f) In a letter dated May 22, 2012, Edward Jones states "We're contacting you because either your financial advisor recently updated your account information or it has been three years since we last verified your information." It goes on to ask you to "Please review the enclosed pages, which list your account information. If the information is correct, you do not need to return this letter." This information contains the following:

Net Worth (must exclude value of primary residence): \$1,700,000

Annual Income: \$64,000

Prior Investment Experience: (4) Extensive Experience

07132015:0809:PO333

Risk Profile: (3) Moderate

Current Occupation: Homemaker

Did you return the letter? If not, why not? When did you provide this information to Edward Jones originally?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

10. The following questions refer to information contained in the 2011 Form 1040 for Nelva E Brunsting, prepared by Kroese & Kroese P.C., signed by you as fiduciary "Under penalties of perjury".

(a) Line 15a IRA distributions = \$58,792 / 15b Taxable amount = \$58,792. On February 24, 2010, Mother executed a Change of Beneficiary Designations for IRA Account at Edward Jones, designating the five of us as "beneficiaries in equal shares". A previous List of Beneficiaries under Edward Jones letterhead, dated July 23, 2009, stated the same designation. On May 23, 2011, an electronic transfer was made from the IRA account number 609-91956-1-9, to the B of A account ending in 1143, in the amount of \$54,000.

i. Were you aware of Mother's beneficiary designation for her IRA? If yes, why did you fail to follow it? If no, how could you not be?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

ii. Did you know this transaction would cause a tax liability for Mother?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(b) Schedule A Medical and Dental expenses are listed as \$118,893.

i. Many of the caregiver payments contained reimbursements for meals and incidental expenses purchased on behalf of our Mother. Were these reimbursements included in the caregiver costs? If so, what is the total for these reimbursements? Did the preparer know these reimbursements were included? If so, please provide support of the preparer's knowledge.

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

ii. IRS Publication 926 Household Employer's Tax Guide sets forth the rules for employment taxes. You were required to withhold and pay social security and Medicare taxes on the wages. As the employer you can choose to pay this yourself and not withhold it. Did you

07192015:0809:P0334

withhold social security and Medicare from the caregivers paychecks? If no, why not? Did you pay 13.3% of gross wages on behalf of the caregivers to the IRS? If no, why not? Did you issue a W-2 to each caregiver? If no, why not?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(c) Did you seek the advice of a professional in connection with employing caregivers and related employment taxes? Did you seek the advice of a professional regarding what medical and dental expenses are deductible? If so, who did you consult with and what did they tell you?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

11. Numerous distributions have been made and some requests for distribution have been declined or opposed by you based upon your exercise of discretion.

(a) To what extent, if any, did Amy participate in your discretionary decisions?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(b) To what extent, if any, did Carole participate in your discretionary decisions?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(c) To what extent, if any, did Candace participate in your discretionary decisions?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(d) To what extent, if any, did Carl participate in your discretionary decisions?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

(e) To what extent, if any, did Candace Freed participate in your discretionary decisions?

RESPONSE: Defendants objects to this interrogatory as it exceeds the interrogatory limitations in the Texas Rules of Civil Procedure.

ORDER GRANTING CARL HENRY BRUNSTING'S MOTION FOR PARTIAL SUMMARY JUDGMENT

07132015:0809:PO338

Having considered Carl Henry Brunsting's Motion for Partial Summary Judgment, any response thereto, the summary judgment evidence, and the law, the Court is of the opinion that the Motion should be GRANTED.

It is therefore ORDERED that the Qualified Beneficiary Designation and Exercise of Testamentary Powers of Appointment Under Living Trust Agreement dated August 25, 2010 is void as a matter of law.

It is further ORDERED that the following transfers made by Anita Brunsting as trustee were unauthorized as a matter of law and constitute breaches of her fiduciary obligations as trustee:

1. 1120 shares of Exxon Mobil stock transferred to Amy from the Survivor's Trust on May 9, 2011;
2. 160 shares of Exxon Mobil stock Anita transferred to herself from the Survivor's Trust on June 13, 2011;
3. 135 shares of Chevron stock Anita transferred to herself from the Survivor's Trust on June 14, 2011;
4. 135 shares of Chevron stock transferred to Amy's minor daughter, Ann Brunsting, from the Survivor's Trust on June 14, 2011;
5. 135 shares of Chevron stock transferred to Amy's minor son, Jack Brunsting, from the Survivor's Trust on June 14, 2011;
6. 135 shares of Chevron stock transferred to Anita's minor daughter, Katie Riley, from the Survivor's Trust on June 14, 2011;
7. 135 shares of Chevron stock transferred to Anita's son, Luke Riley, from the Survivor's Trust on June 14, 2011;

07/19/2015 08:09: P0339

8. 160 shares of Exxon Mobil stock transferred to Candy from the Survivor's Trust on June 15, 2011; and
9. 1325 shares of Exxon Mobil stock transferred to Carole from the Decedent's Trust on June 15, 2011.

It is further ORDERED that, pursuant to Tex. Prop. Code §114.031, the parties receiving the transfers identified in the previous paragraph are also liable for the resulting loss to the trusts caused by such transfers, and such loss shall be offset against their remaining interest in the trusts.

It is further ORDERED that all other issues remaining to be determined in the case, including the amount of damages caused by the improper stock transfers, will be the subject of further proceedings and orders.

12 For the Plaintiff:

13 Ms. Candace Louise Curtis

17 For the Defendants:

18 Mr. George William Vie, III

Proceedings recorded by mechanical stenography, produced by computer aided transcription.

1 THE COURT: Good morning. Please be seated.

2 All right. This is Cause No. 2012-592, Candace  
3 Louise Curtis versus Anita K. Brunsting and others.

4 So let me have an announcement. Is Ms. Curtis  
5 in the courtroom?

6 MS. CURTIS: Yes, Your Honor.

7 THE COURT: All right. And who is representing the  
8 defendants in the case?

9 MR. VIE: George Vie, Your Honor, for the  
10 defendants.

11 THE COURT: And I gather we have several parties  
12 present, correct?

13 MR. VIE: Yes, Your Honor.

14 THE COURT: Are these your clients or --

15 MR. VIE: Yes, Your Honor. Both the defendants are  
16 present.

17 THE COURT: Both defendants.

18 And who are the defendants other than -- I just  
19 show Anita Kay and Amy Ruth. I am sorry. I apologize. You  
20 are representing both?

21 MR. VIE: Yes, Your Honor.

22 THE COURT: Okay. Very good.

23 This is Ms. Curtis' application for a temporary  
24 restraining order. As you might recall, this case was  
25 initially dismissed by the Court with the understanding that,

1 or under the understanding that it could not proceed in  
2 federal court but must proceed in state court.

3 The circuit court disagreed with me, and it's  
4 back; and now we are charged to proceed forward in this case.

5 So what I would like to do is, first of all,  
6 have Ms. Curtis stand and give me a kind of a factual setting  
7 background for what it is that she is seeking, then tell me  
8 what she is seeking and see what testimony, if any, we need  
9 in order to accomplish that.

10 So why don't you go ahead take the floor, Ms.  
11 Curtis, and tell us how this got started and where we are  
12 today.

13 MS. CURTIS: This got started by my parents, Elmer  
14 and Nelva Brunsting, putting together a Brunsting family  
15 living trust in 1996 dividing their estate among the five  
16 children beneficiaries.

17 THE COURT: And I see there are the only three  
18 children represented. Are there other children that are not  
19 included?

20 MS. CURTIS: Yes, sir. My sister Carole and my  
21 brother Carl.

22 THE COURT: Okay. C-a-r-o-l?

23 MS. CURTIS: C-a-r-o-l-e and Carl, C-a-r-l.

24 THE COURT: Well, that C went a long way.

25 MS. CURTIS: C, C, C and then A, A.

1 THE COURT: Went a long way in the family, didn't  
2 it?

3 MS. CURTIS: Yes.

4 THE COURT: Go ahead please.

5 MS. CURTIS: So, my father passed away in 2009 in  
6 April and --

7 THE COURT: And would you tell us his name for the  
8 record.

9 MS. CURTIS: Elmer H. Brunsting.

10 THE COURT: All right.

11 MS. CURTIS: And in July of 2010 my brother Carl  
12 became stricken with encephalitis. And it's a very serious  
13 disease. He was in the hospital for several months, part of  
14 that time in a coma. And my brother was originally appointed  
15 the executor of my parent's estate.

16 THE COURT: Your brother would be Carl?

17 MS. CURTIS: Carl. And also a successor/co-trustee  
18 of the Brunsting Family Living Trust and any resulting  
19 trusts.

20 In approximately 2007, my mother sent an e-mail  
21 to me and asked me if I would mind becoming co-trustee with  
22 my brother Carl because my sister Amy was unstable; and she  
23 was wondering if I would mind coming to Houston whenever  
24 necessary to take care of these things. And I agreed. And  
25 that was the last I heard of it.

1                   Since that time I have received a document,  
2 which is the last, first and only amendment that my father  
3 and mother both signed to the family living trust appointing  
4 Carl and Candace as successor/co-trustees.

5                   THE COURT: Okay. So as it stands now, it is Carl  
6 and Candace who would be the co-trustees of the trust?

7                   MS. CURTIS: Yes, Your Honor, yes.

8                   And after my brother became ill, my youngest  
9 sister Anita took the opportunity to begin seize control of  
10 the trust. She immediately, within three weeks after he  
11 became ill --

12                  THE COURT: When did this happen?

13                  MS. CURTIS: In July of 2010.

14                  THE COURT: 2010. He became apparently  
15 incapacitated or unable to?

16                  MS. CURTIS: Yes. He was in a coma for several  
17 weeks.

18                  THE COURT: Is he still in a coma?

19                  MS. CURTIS: No. He's back at home and doing very  
20 well.

21                  THE COURT: Okay. Very good. Go ahead.

22                  MS. CURTIS: And has been.

23                  THE COURT: I will be asking questions of him.

24                  MS. CURTIS: And so, because of things that are just  
25 simply judgmental and ugly, my sister began to try to wrest

1 control of the trust so that my brother could not have  
2 anything whatsoever to do with it. She took his name off the  
3 safe deposit box which, according to my father's handwritten  
4 letter from 1999, contained all of the information about the  
5 family trust, and then some papers were caused to be drawn  
6 up. One was a qualified beneficiary designation.

7 THE COURT: I'm sorry. Was a what?

8 MS. CURTIS: A qualified beneficiary designation.

9 THE COURT: All right.

10 MS. CURTIS: And several other papers were drawn up  
11 on August 25th, 2010.

12 There was no notice given to any of the  
13 beneficiaries about this qualified beneficiary designation  
14 that was to be prepared and signed. And the only way that I  
15 found out about it was to ask my sister Anita for copies of  
16 trust documents for me to review for a phone conference that  
17 had been called by the trust attorneys that was supposed to  
18 include my mother and all of her children. My brother Carl  
19 was never notified of this phone conference.

20 THE COURT: Was he at the time still in a coma or  
21 incapacitated?

22 MS. CURTIS: No, sir. He was not in a coma, but he  
23 was still in the hospital.

24 THE COURT: Okay.

25 MS. CURTIS: And my mother also was not in on the

1 phone call.

2                   So we had the conference call, and they were  
3 definitely absent; and the conference call apparently was  
4 called to discuss proposed changes to the trust, when in fact  
5 the changes had already been made; and as it boiled down to  
6 the end and various parties hung up, they were going to try  
7 to have my mother declared incompetent because she said that  
8 she did not sign the qualified beneficiary designation and  
9 that in fact what the qualified beneficiary designation said  
10 was not true.

11               THE COURT: Let me ask you a question before we go  
12 forward. What was the purpose -- what did the beneficiaries  
13 receive and how were funds, as you understand it, disbursed  
14 from the trust prior to this August 25th 2010. How was the  
15 trust to be administered?

16               MS. CURTIS: The trust was to be divided into five  
17 personal asset trusts; and I believe that each personal asset  
18 trust would have a trustee, but I do not think it was the  
19 beneficiary.

20               THE COURT: Was that to recognize the five children?

21               MS. CURTIS: Yes.

22               THE COURT: How was your mother to benefit from  
23 this? Was she to get some proceeds out of the funds?

24               MS. CURTIS: My mother was to benefit from all of  
25 the trusts until she passed way.

1 THE COURT: Okay. And then these five trusts  
2 would --

3 MS. CURTIS: Whatever was remaining would be divided  
4 five equal ways.

5 THE COURT: Surely.

6 And then your mother died when?

7 MS. CURTIS: 11-11-11.

8 THE COURT: Oh, is that right?

9 And at that time your father was already  
10 deceased?

11 MS. CURTIS: Yes, Your Honor.

12 THE COURT: So this telephone conference occurred  
13 sometime in August of 2010, just about 14 months prior to her  
14 death?

15 MS. CURTIS: It was in October --

16 THE COURT: October.

17 MS. CURTIS: -- of 2010.

18 THE COURT: About 12 months then, 12 or 13 months  
19 prior to her death.

20 And so go ahead and pick up there.

21 MS. CURTIS: So, anyway, after the phone conference  
22 there was really nothing I could do about anything as far as  
23 I could tell; and so, things were relatively quiet until in  
24 approximately March of 2011 my sister Anita called and said,  
25 "oh, we found some Exxon stock that wasn't in the trust; and

1 so, some of it will be gifted, and then the rest of it, the  
2 trust attorneys are going to figure out how to get it into  
3 the trust."

4                   And so I received 160 shares of that stock.  
5 And I was in conversation with sister Carole and was told  
6 that she had received some, but she didn't know how much it  
7 was because she hasn't opened the envelope.

8                   THE COURT: Was it your understanding that the 160  
9 shares that you received would have been your one-fifth  
10 share? Is that the way it was to be --

11                   MS. CURTIS: That's kind of the way I thought about  
12 it. Not necessarily my one-fifth share, but that each of us  
13 should receive a like amount.

14                   THE COURT: Sure.

15                   All right. Go ahead.

16                   MS. CURTIS: Unbeknownst to me, my sister Carole  
17 received 1,300 plus shares and my sister Amy received over  
18 1,000 shares.

19                   I received 160, Anita received 160; but Anita,  
20 as power of attorney beneficiary and trustee, having taken  
21 over from my mother in December of 2010, was conflicted and  
22 not allowed to accept gifts. So she excused it many months  
23 after the fact as being a loan, but she's also not allowed to  
24 take loans from --

25                   THE COURT: So was she the person doing the

1 disbursing of these shares?

2 MS. CURTIS: Yes, Your Honor, she was.

3 THE COURT: And she disbursed them in the manner, as  
4 you understand it, the way you just described it, giving a  
5 couple thousand shares to two of your sisters together?

6 MS. CURTIS: Uh-huh.

7 THE COURT: I said "together" meaning added  
8 together, and then 160 to you. And what happened, if  
9 anything, to do with Carl's share?

10 MS. CURTIS: He got nothing.

11 THE COURT: All right. Okay. Go ahead.

12 MS. CURTIS: So my brother has filed a lawsuit in --

13 THE COURT: Probate court?

14 MS. CURTIS: -- state court and also in probate.

15 It's not a lawsuit, but he has filed from probate as  
16 defendant executor. And he has gotten pages and pages and  
17 pages of information from my sisters in another lawsuit that  
18 it was a pre-suit request for depositions to get information  
19 in case they were going to file suit.

20 And they got pages and pages and boxes of  
21 information that was not shared with me until March 28th just  
22 recently, and this paper here was in some of the documents  
23 that they shared with me.

24 THE COURT: What is the title of it?

25 MS. CURTIS: This is a computer share. It's a.

1                   Transfer form. And this is page two of three  
2 pages of the transfer form.

3                   THE COURT: Transfer form relating to?

4                   MS. CURTIS: The Exxon/Mobil stock.

5                   THE COURT: Okay.

6                   MS. CURTIS: And so, at the top of the page my  
7 sister Anita's 160 shares, and the bottom of the page is my  
8 160 shares.

9                   There is two signatures at the bottom of the  
10 page. One is on a W-9 portion, and the other is on, my  
11 understanding that the money would be reinvested in the  
12 account. These signatures are not my signatures; they're  
13 forgeries.

14                  THE COURT: Uh-huh.

15                  MS. CURTIS: I would not have seen these if I had  
16 not had this shared with me by my brother.

17                  THE COURT: And you didn't authorize anyone to make  
18 those signatures for you?

19                  MS. CURTIS: No, I did not. And I have filed a  
20 Securities & Exchange Commission complaint as of last week  
21 about this.

22                  THE COURT: All right.

23                  MS. CURTIS: And I have not heard anything from them  
24 since that time.

25                               I also have two different --

1 THE COURT: Well, let me ask you before you go  
2 further. What did you understand to be the access in the  
3 trust or the total trust as opposed to the individual five  
4 trusts, let's say? What did you understand the gross assets  
5 to be? Is that what you set forth in your petition as being  
6 the assets.

7 In 2010, you show -- I don't know if you have  
8 your petition there with you, but you showed in 2010 there  
9 was Chevron/Texaco, Exxon/Mobil, Edward Jones and a total of  
10 \$554,000 more or less in the -- I gather is this in the  
11 decedent's account.

12 MS. CURTIS: Actually, this is my Request For  
13 Injunction.

14 THE COURT: Yes, page 3.

15 MS. CURTIS: Those are just the net changes.

16 THE COURT: These are what you're calling losses  
17 then?

18 MS. CURTIS: Yes.

19 THE COURT: So what is the total of the estate? How  
20 many? Several million dollars?

21 MS. CURTIS: The farm itself is close to \$3 million,  
22 and everything else when my father passed away was about a  
23 million-and-a-half.

24 THE COURT: So, it's increased in value to about --

25 MS. CURTIS: By virtue of the farm.

1 THE COURT: F-a-r-m, farm?  
2 MS. CURTIS: Yes, family farm in Iowa.  
3 THE COURT: That was sold?  
4 MS. CURTIS: No, it was not.  
5 THE COURT: What's on the farm that's increasing  
6 these prices? What are they harvesting?  
7 MS. CURTIS: Corn and soybean.  
8 THE COURT: Is that for profit or just simply --  
9 MS. CURTIS: To my understanding we have a lease  
10 with the farmer.  
11 THE COURT: Okay. And so lease itself pays a  
12 certain amount of money annually or however.  
13 MS. CURTIS: Yes.  
14 THE COURT: Those assets or that money goes into the  
15 estate?  
16 MS. CURTIS: I believe so.  
17 THE COURT: And that accounts for some of the  
18 increase, as you understand them?  
19 MS. CURTIS: Yes.  
20 THE COURT: All right. So at this point in time,  
21 "this point in time" being 2012, there has been a total of  
22 338 or 339,000 in assets removed from the estate, and there  
23 is still approximately, as far as you know, three-plus  
24 million dollars in the estate?  
25 MS. CURTIS: Yes, Your Honor.

1 THE COURT: Now, I want to try to close this out  
2 just a little bit by asking you: After you received these  
3 documents, I gather -- and when you weren't receiving them,  
4 obviously, because I recall you filed a suit, and one of the  
5 issues was getting your hands on these documents, and you  
6 were not able to get those documents until recently, as I  
7 understand it?

8 MS. CURTIS: The first time I received any  
9 information was in April of 2012, yes.

10 THE COURT: Okay.

11 And since you received those documents, has the  
12 fact that you received those documents confirmed what you  
13 believe to be improper practices on the part of your, I  
14 gather, on the part of your sister Anita?

15 MS. CURTIS: Yes, Your Honor.

16 THE COURT: Is she handling this alone?

17 MS. CURTIS: To my knowledge she is.

18 THE COURT: All right. So it's between her and  
19 however her lawyers are handling this that you are concerned  
20 about?

21 MS. CURTIS: I assume.

22 THE COURT: And your brother has a ongoing suit  
23 presently ongoing?

24 MS. CURTIS: Yes, Your Honor.

25 THE COURT: And what is the status as you understand

1 of that suit, as to how long has it been pending and what is  
2 status of that suit?

3 MS. CURTIS: I'm not exactly sure of the dates of  
4 how long it's been pending. I think since sometime in  
5 February of 2013.

6 THE COURT: Okay. So several months, but not very  
7 long.

8 MS. CURTIS: Right.

9 THE COURT: And is he able to get up and about?

10 MS. CURTIS: Yes.

11 THE COURT: Where is he now?

12 MS. CURTIS: At home, I would assume.

13 THE COURT: And have you communicated with him  
14 regarding what his approach is?

15 MS. CURTIS: Yes, Your Honor. I have.

16 THE COURT: And, of course, you have not joined his  
17 lawsuit?

18 MS. CURTIS: No, I have not.

19 THE COURT: And he has not joined in your lawsuit?

20 MS. CURTIS: No, he has not.

21 THE COURT: Does he have an attorney?

22 MS. CURTIS: Yes, Your Honor, he has.

23 THE COURT: Okay. I gather you now know that some  
24 state court, some county court or probate court, someone did  
25 something, I gather, to give Anita some authority that you

1 did not know she had. Is that what you have come to the  
2 knowledge of?

3 MS. CURTIS: I have come into the knowledge that the  
4 purported successor/co-trustees are in fact imposters because  
5 the documents that made them successor/co-trustees have  
6 digital alterations on them; they have anomalies on the  
7 signature pages. I have two different signature pages for  
8 the qualified beneficiary designation that were sent to me on  
9 two different occasions.

10 THE COURT: Now, whose signatures would be necessary  
11 from your perspective to permit her to go forward? This  
12 qualified beneficiary designee, this was supposed to be Anita  
13 now?

14 MS. CURTIS: It was supposed to divide the estate  
15 into five different personal asset trusts. Carole, Amy and  
16 Anita were going to be trustees.

17 THE COURT: This was a part of you-all's discussion  
18 on the telephone conference as to how this was supposed to  
19 work?

20 MS. CURTIS: Well, I wanted to know how it would put  
21 into place in the first place because I never received any  
22 notice that this was being contemplated.

23 THE COURT: Okay.

24 MS. CURTIS: And come to find out months after the  
25 papers were allegedly signed by my mother, my personal asset

1 trust and my brother Carl's were put under the control of Amy  
2 and Anita.

3 THE COURT: On what authority or what basis.

4 MS. CURTIS: I don't know. I don't know.

5 THE COURT: Okay.

6 And what happens then or what is happening to  
7 those assets?

8 MS. CURTIS: They're spending them.

9 THE COURT: Okay. She, Anita, has authority and can  
10 spend those proceeds --

11 MS. CURTIS: Yes, Your Honor.

12 THE COURT: -- based upon what? Is she considering  
13 herself the qualified beneficiary designee or something?

14 MS. CURTIS: She is considering herself a  
15 successor/co-trustee.

16 THE COURT: Successor/co-trustee.

17 MS. CURTIS: In place of my mother. She did most of  
18 the theft while my mother was still alive when she was acting  
19 with my mothers power of attorney. My mother supposedly  
20 resigned as trustee on December 21st, 2010, and my sister  
21 accepted successor/trustee. And my sister's also a  
22 beneficiary, so she's got a conflict of interest there.

23 THE COURT: So since 2010 you are not aware of, I  
24 gather you're saying you're not aware of the division of the  
25 estate at least designating your portion as being your full

1 one-fifth of the estate?

2 MS. CURTIS: I have never received a notice.

3 THE COURT: You are not aware that that has been  
4 done. In other words, you don't know that that has been  
5 done?

6 MS. CURTIS: No, I do not.

7 THE COURT: And you're not in charge of that, those  
8 assets?

9 MS. CURTIS: That's correct.

10 THE COURT: And so here's my question: What is it  
11 that you're seeking by this lawsuit?

12 MS. CURTIS: I am seeking that my sister and those  
13 who have received unfair distributions to return the money.

14 THE COURT: Okay.

15 MS. CURTIS: I would like them to pay back all of  
16 the interest that was lost on the securities that were cashed  
17 in during that 15 months and spent, diverted to other things.

18 THE COURT: All right.

19 MS. CURTIS: And I would like it to be divided five  
20 ways and for the five beneficiaries to go their separate  
21 ways.

22 THE COURT: And what have you been told, if  
23 anything, even today, if anything, that has prevented this  
24 from happening?

25 MS. CURTIS: I have been told nothing.

1 THE COURT: And you've talked with their counsel,  
2 have you not?

3 MS. CURTIS: Yes, I have.

4 THE COURT: And did you ask him about these  
5 questions or did you put these questions to him?

6 MS. CURTIS: No, I did not.

7 THE COURT: What were you asking? What was the  
8 nature of what you all were trying to accomplish as far as  
9 this injunction is concerned?

10 MS. CURTIS: We were trying to come up with a reason  
11 why we would not go forward with the injunction hearing. And  
12 I had five or six other alternative ways of resolving this.  
13 And he left the room to speak to his clients, and they would  
14 not agree to them.

15 THE COURT: What are you seeking now? What are  
16 those ways that you are seeking, and what is it that you want  
17 to happen here today?

18 MS. CURTIS: I wanted to have an independent trustee  
19 appointed.

20 THE COURT: All right. And that was refused.

21 Okay. What else?

22 MS. CURTIS: I wanted to know who, if any, special  
23 co-trustee was appointed as per this qualified beneficiary  
24 designation.

25 THE COURT: I'm sorry. Say that again.

1 MS. CURTIS: There was provision in the qualified  
2 beneficiary designation for a special co-trustee or a trust  
3 protector; and so, I suggested that maybe the trust protector  
4 take it over as the trustee.

5 THE COURT: All right. Okay.

6 MS. CURTIS: And the other reason was just similar  
7 to that. The Court could appoint an independent trustee who  
8 the defendants would have to obtain approval for any of their  
9 actions.

10 The Court could enjoin the trustees from acting  
11 without approval of the Court or express written approval  
12 from all five beneficiaries.

13 The Court could enjoin trustee from acting  
14 unless and until they can show they're in possession of  
15 authentic documents by submitting the documents purportedly  
16 signed on August 25, 2010 and December 21st, 2010 for a  
17 forensic analysis because the copies that we have have all  
18 been digitally altered and the signatures are fake.

19 THE COURT: Okay.

20 MS. CURTIS: I also asked originally if I could  
21 please know the identification and contact information for  
22 the trust protector, and I was told that the provisions for  
23 the trust protector were at section such and such in the  
24 qualified beneficiary designation, but I didn't get a  
25 straight answer.

1 THE COURT: So there is a document called "qualified  
2 beneficiary designation"?

3 MS. CURTIS: Yes, Your Honor.

4 THE COURT: And you do or do not have a copy of  
5 that?

6 MS. CURTIS: I do have a copy of it but not with me.

7 THE COURT: And you have been told that in -- when  
8 were you told this, today? When were you told where this  
9 provision about the special protector or co-trustee protector  
10 was located?

11 MS. CURTIS: In early 2012.

12 THE COURT: And you were told where to find it?

13 MS. CURTIS: I was told where to find the  
14 provisions, but I asked for the identity.

15 THE COURT: Okay. The identity of that person has  
16 not been given to you?

17 MS. CURTIS: That is correct, or if there even is.

18 THE COURT: If there is such a person.

19 All right. So that's what you're seeking in  
20 terms of your request for benefit -- for the injunction  
21 today; is that correct?

22 MS. CURTIS: Yes, Your Honor. I'm seeking that we  
23 stop the bleeding until we can get to the bottom of it.

24 THE COURT: Have you received any funds from the  
25 trust since 2010? I'm talking about since the death of your

1 mother.

2 MS. CURTIS: No, Your Honor. I have not.

3 THE COURT: You have made it known to -- have you  
4 communicated with your sister -- that's Anita, I believe --  
5 about that?

6 MS. CURTIS: I am not allowed to speak to Anita --

7 THE COURT: Why not?

8 MS. CURTIS: Except through her attorneys.

9 THE COURT: Well, that's untrue. That's your  
10 sister.

11 MS. CURTIS: Well, that's the way I feel about it,  
12 but I'm told I'm not allowed to speak to them, and they won't  
13 talk to me.

14 THE COURT: Who told you this? Who told you this,  
15 that you can't contact her?

16 MS. CURTIS: I inferred that from --

17 THE COURT: Did she tell you that, is what I am  
18 asking?

19 MS. CURTIS: No. She didn't tell me that because  
20 she hasn't spoken to me.

21 THE COURT: Well, have you tried to speak to her?

22 MS. CURTIS: Yes, Your Honor, I have.

23 THE COURT: What happens when you try to speak to  
24 her?

25 MS. CURTIS: I call. She doesn't answer. I leave a

1 voice mail, she doesn't call me back.

2 The same thing happened with my other sister  
3 Amy. I called and left a voice mail. She did not return my  
4 call. This was more than a year ago.

5 THE COURT: So they refuse to speak to you about  
6 this is what you are saying?

7 MS. CURTIS: Yes, Your Honor.

8 THE COURT: Go ahead and have a seat. Thank you.  
9 Counsel.

10 MR. VIE: Yes, Your Honor.

11 THE COURT: Why can't you come to some  
12 accommodation?

13 MR. VIE: Here's the situation. I just want to give  
14 you a little bit of background so that you understand in  
15 terms of the exhibits I put before you.

16 THE COURT: I don't have any exhibits yet. Well,  
17 some paper put up here.

18 Oh, the list. I see.

19 MR. VIEW: Yes, sir.

20 THE COURT: I haven't read these.

21 MR. VIE: Just to provide some assistance in  
22 answering your question, Your Honor. Exhibit 1 is a 60-or-so  
23 page document. That is the family trust document.

24 THE COURT: All right.

25 MR. VIE: And on page 1 of the document it says that

1 her father and mother had created a trust, it's an  
2 irrevocable trustee, and that the initial trustee shall be  
3 Anita Kay. So, Anita is the trustee under this document.

4 Because you heard a lot about this qualified  
5 beneficiary designation.

6 THE COURT: No. I heard about the co-trustees.

7 MR. VIE: So I wanted the Court to understand that  
8 this document --

9 THE COURT: Let me ask so we don't go down a rabbit  
10 trail. Was there a point in time when Carl was the  
11 co-trustee?

12 MR. VIE: I'm sorry?

13 THE COURT: Was there a time when Carl, the brother,  
14 was the co-trustee?

15 MR. VIE: I don't know if that -- I don't know with  
16 respect to this document if that's correct or not.

17 I understand that at one point there was a  
18 communication from the mother where she considered other  
19 family members serving in her role. But the documents that I  
20 have given you, the second exhibit that I have given you is  
21 where with respect to the mother's living trust while she was  
22 alive, she decided to have Anita appointed as her successor  
23 trustee instead, and then they created this certificate of  
24 trust.

25 THE COURT: That would have been relative to the

1 entirety of the irrevocable trust or was it simply her  
2 portion of the assets?

3 MR. VIE: It was with respect to the living trust  
4 that was created when she --

5 THE COURT: No, no, no. Here's what I am saying.  
6 The father is now deceased.

7 MR. VIE: Yes.

8 THE COURT: His wife entered into a irrevocable  
9 trust, and either he leaves all of you that in the trust to  
10 her benefit or his share goes into some other, goes into a  
11 trust for the children at that point.

12 So what happened?

13 MR. VIE: The father and mother created the  
14 irrevocable trust, which I have identified as Exhibit 1.

15 THE COURT: Okay.

16 MR. VIE: When the father died, his assets went into  
17 this living trust where their mother had assets to the  
18 living -- there was a sub trust created, a successor trust  
19 and a decedent's trust. The mother had that.

20 THE COURT: So she has all of the assets at that  
21 point?

22 MR. VIE: Yes. And the mother was able to make  
23 gifts and did make gifts to a number of the family members.  
24 So when the plaintiff was referencing the \$13,000 gift that  
25 she received and the others, these were gifts that her mother

1 while alive had directed. And my client Anita, as the  
2 successor trustee under this appointment, Exhibit 2, would  
3 make those transactions occur. But these were gifts from the  
4 mother.

5 And then the mother dies, and this irrevocable  
6 trust --

7 THE COURT: And did the mother die, according to  
8 what Ms. Curtis is saying, in December more or less, I guess?

9 MR. VIE: November of 2010, Your Honor.

10 THE COURT: November of 2010, okay.

11 MS. CURTIS: 2011.

12 THE COURT: 2011.

13 MR. VIE: 11-11-2011.

14 THE COURT: Right.

15 MR. VIE: After that point, then Anita as trustee  
16 prepares a schedule of the estate, the context of the mother,  
17 and that money was going into the family trust; and that's  
18 one of the exhibits that she's attached.

19 THE COURT: Well, wait a minute. What money is  
20 going into the family trust? Because now this trust, the  
21 trust that exists that is handling all this is the mother's  
22 living trust, right?

23 MR. VIE: No, Your Honor. When she died, the living  
24 trust no longer exists.

25 THE COURT: Oh, obviously.

1                   But before that, all of the assets were going  
2 into the living trust for the mother.

3                   MR. VIE: Right.

4                   THE COURT: And now the mother dies in November of  
5 2011, and then what happens?

6                   MR. VIE: Then we have the family trust, and there  
7 is created again a sub trust of a survivor's trust and the  
8 decedent's trust.

9                   THE COURT: And the family trust now reverts back to  
10 the irrevocable trust?

11                   MR. VIE: Yes, Your Honor.

12                   THE COURT: And in the irrevocable trust or in that  
13 trust there is a provision that says how those, how that  
14 trust is to be divided into five distinct trusts for the  
15 children?

16                   MR. VIE: My understanding is that there is a  
17 document under this complicated plan by which each of the  
18 individual beneficiaries, the five children, the four  
19 daughters and the son, they would have these asset trusts.  
20 Those trusts have not been created.

21                   THE COURT: Well, I am asking whether or not as a  
22 part of the -- as to your understanding, you have read it, is  
23 that a part of what the family trust required as far as you  
24 know? You said there's a document like it's some separate  
25 thing.

1 MR. VIE: Well, there's a -- I understand, Your  
2 Honor.

3 It's a rather long document. I understand and  
4 agree we are that the conclusion of this trust now at this  
5 point is to divide the assets to the five beneficiaries, and  
6 then each of their assets go into these asset trusts.

7 THE COURT: Separate and distinct from each other  
8 and for the benefit of each of the designated beneficiaries.

9 MR. VIE: Yes.

10 And as the plaintiff suggested, I believe the  
11 situation is that her trust, for example, she is not a  
12 trustee. One of her siblings is the trustee.

13 THE COURT: Even after it's divided off and given to  
14 her?

15 MR. VIE: Yes. And in these asset trusts, other  
16 members --

17 THE COURT: So someone who has a trust, like Anita  
18 herself, would have her own separate and distinct assets?

19 MR. VIE: Yes, sir.

20 THE COURT: And she'd be in charge of her own  
21 assets?

22 MR. VIE: No, no. There would be -- somebody else  
23 would be the trustee.

24 THE COURT: Of all of these five trusts?

25 MR. VIE: Yes -- no, of each.

1 THE COURT: Who is "someone else?" I mean --

2 MR. VIE: Well, for example, Carl's could be Anita  
3 and Amy's could be Carole.

4 THE COURT: But the documents say how this happened,  
5 though.

6 MR. VIE: These trusts have not been created yet.  
7 There has been no distribution.

8 THE COURT: I understand that. You are telling me  
9 that, but I am trying to find out whether or not the creation  
10 of these trusts require these beneficiaries to have someone  
11 else in charge of their money.

12 MR. VIE: That is my understanding. And she can  
13 correct me if I am wrong, and my clients can correct me as  
14 the trustees if I'm wrong.

15 THE COURT: So Anita -- somebody would be in charge  
16 of Anita's?

17 MR. VIE: Yes. That's right.

18 THE COURT: And then somebody else would be -- and  
19 Anita would be in charge of somebody else's?

20 MR. VIE: That's my understanding.

21 THE COURT: And these kids -- and they're not kids  
22 anymore, but these five siblings would be at each other's  
23 throats for the rest of their lives because --

24 MR. VIE: No. They'd each have their own --

25 THE COURT: Well, no. They got them, but they're

1 not in charge of it, is what I understand.

2 MR. VIE: All right.

3 THE COURT: That's what I am trying to say. In  
4 other words, I'd have to call my sister to get my money.

5 MR. VIE: What I know about the asset revocable --  
6 the asset trust is they have not been created yet.

7 As the Court heard, there are two lawsuits.  
8 There is this lawsuit and there is her brother's lawsuit. We  
9 are not parties to her brother's lawsuit. Her brother's  
10 lawsuit is brought in his capacity as the executor of his  
11 father's and mother's estates. It's in Harris County  
12 District Court. We're not parties to it.

13 THE COURT: Well that would be either the product of  
14 a will being probated --

15 MR. VIE: Yes, sir.

16 THE COURT: -- or it would be the product of an  
17 intestate proceeding. Which is it?

18 MR. VIE: The will has been probated.

19 THE COURT: So there is a will probate separate and  
20 apart from the trust?

21 MR. VIE: Yes, Your Honor.

22 THE COURT: And how does that overlay on the trust  
23 since all of the assets are in the trust?

24 MR. VIE: Well, I don't know that it overlays; but  
25 what I am trying to suggest to the Court is: One, since the

1 mother died, there has been no distributions to anyone,  
2 not --

3 THE COURT: I get that. I am trying to figure  
4 out --

5 MR. VIE: Since you haven't seen the distribution, I  
6 wanted the Court to understand that no one has.

7 THE COURT: But somebody got some money out of it or  
8 there has been a loss in value to the trust itself.

9 MR. VIE: She says that the stock that was invested  
10 with the brokerage houses may have lost money, is one of the  
11 things that she suggested in her motion.

12 THE COURT: Right.

13 MR. VIE: My point was to suggest that there has  
14 been no distributions since the mother died from the trust  
15 that Anita is the trustee for to anyone.

16 THE COURT: And you said the one that Anita is in  
17 charge of. What is Anita in charge of?

18 MR. VIE: Exhibit 1.

19 THE COURT: Okay. The entirety?

20 MR. VIE: Yes, sir.

21 THE COURT: That's what I am trying to get to.

22 MR. VIE: Yes.

23 THE COURT: Okay.

24 MR. VIE: And it's unlikely there will be any  
25 distributions until both this suit is resolved and her

1 brother's suit that he brought.

2 THE COURT: Well, this suit might resolve it.  
3 That's not their concern.

4 But what I am trying to find out is whether or  
5 not in the -- the question I was trying to get back was in  
6 the Carl's suit, I guess in probate court, whether or not  
7 that suit, which did not come up in the responses in the way  
8 that I understood it, whether or not that suit that impact  
9 whether or not this Court should be proceeding with this  
10 trust.

11 MR. VIE: No, Your Honor.

12 THE COURT: So it's separate and apart since the  
13 probate's completed.

14 MR. VIE: The probate has been filed. The suit is  
15 brought by him in his capacity as executor.

16 THE COURT: Is he without bond and independent?

17 MS. CURTIS: Yes.

18 MR. VIE: He's an independent executor. He is  
19 bringing the suit against the attorneys.

20 THE COURT: So he doesn't need to do anything else  
21 other than file it and do this accounting and all of that and  
22 then do whatever the will tells him to do.

23 MR. VIE: The litigation that he has brought is  
24 against the attorneys that created these trusts.

25 THE COURT: That's not even -- that's separate and

1 distinct from this lawsuit.

2 MR. VIE: Okay.

3 THE COURT: And it's separate and distinct from the  
4 estates because that's a malpractice lawsuit.

5 MR. VIE: Yes, sir.

6 THE COURT: Okay. So I am not concerned about that  
7 at all.

8 I was trying to make sure when he brought his  
9 suit, he was not simply arguing that somehow Anita had  
10 finagled her way into this position and she had squandered  
11 certain assets and then we've got these parallel lawsuits.

12 MR. VIE: I understand, Your Honor. And that was my  
13 point as well was to let you know that we are not parties to  
14 that litigation, it's not a claim in that litigation as the  
15 claims are --

16 THE COURT: And neither is the plaintiff here a  
17 party to that litigation.

18 MR. VIE: That is correct, Your Honor.

19 THE COURT: Okay.

20 So, the only suit that's pending dealing with  
21 the assets of these parent's estate is this lawsuit.

22 MR. VIE: Yes, Your Honor.

23 THE COURT: All right.

24 So what the plaintiff is saying on page 3 of  
25 her petition having to do with the December dates of 10, 12

1 and so on and what she considered to be "losses of the  
2 estate" are losses that I gather are decreases in assets that  
3 would be attributable to movement in the market.

4 MR. VIE: That is the specific. And, Your Honor,  
5 you are referring to the complaint or to the motion that has  
6 been filed for temporary relief?

7 THE COURT: I'm looking at the motion right now.  
8 That should be Instrument No. 35.

9 MR. VIE: Yes. With respect to that, there is an  
10 argument being made there that there has been a loss and it  
11 is the result of the investment of the securities.

12 THE COURT: You made a comment earlier that until  
13 the other lawsuit and this lawsuit is resolved. That lawsuit  
14 has nothing at all to do with the resolution of this estate.

15 MR. VIE: Well, I --

16 THE COURT: I'm telling you that.

17 MR. VIE: Okay.

18 THE COURT: There is nothing that should -- there is  
19 nothing going on in Carl's suit that prevents these parties  
20 from following what they have been instructed to follow in  
21 the trust document.

22 MR. VIE: Okay. I understand if that's the  
23 Court's direction.

24 THE COURT: Is there something that I am missing?

25 MR. VIE: Not that I am aware of, Your Honor.

1 THE COURT: That's a malpractice suit. And they  
2 get some money out of it, either he gets it or maybe he  
3 distributes it among his brothers and sisters, but it doesn't  
4 have anything to do with the distribution of this estate.

5 MR. VIE: My understanding -- the reason that I  
6 understood the case to be differently is that I understood  
7 that the purpose of the litigation that he had brought in  
8 state court was claiming that the attorneys who created these  
9 trusts had done so improperly so that we were in a situation  
10 in which we are here before this Court, and the Court is  
11 suggesting we should wind this thing up and distribute to all  
12 the beneficiaries.

13 THE COURT: It's going to be wound up. It's going  
14 to be wound up in this court.

15 Here's what I'm suggesting. I am suggesting  
16 that this will not become a feast and famine, feast for the  
17 lawyers and famine for the beneficiaries in this Court where  
18 we are sitting around churning the time out and the parties  
19 are charging out of that lawsuit, defense of that lawsuit,  
20 which you are not doing, apparently, unless -- are you the  
21 lawyer that created the trust?

22 MR. VIE: No, Your Honor.

23 THE COURT: So that's a separate law firm.

24 MR. VIE: Yes, Your Honor.

25 THE COURT: Yeah. So there is no reason for you to

1 be or your firm to be involved in the expenditure of that, of  
2 monies out of that lawsuit.

3 MR. VIE: And we aren't, Your Honor.

4 THE COURT: And there is no reason for Ms. Curtis to  
5 be concerned about spending money out of her assets for that  
6 lawsuit.

7 MR. VIE: Understand.

8 THE COURT: So, you can distribute what you got  
9 whether you get some more or not. It doesn't require -- this  
10 is not a probate where you got to gather everything together  
11 because everything is together.

12 MR. VIE: Okay.

13 THE COURT: The entire estate is together.

14 MR. VIE: Yes, Your Honor.

15 THE COURT: And if there is a lawsuit, and it's  
16 questionable whether or not Curtis has a lawsuit or not  
17 because he wasn't the creator and the payor for that creation  
18 of that trust.

19 So, the point I am making is, obviously he had  
20 no contractual relationship with the firm, and it's going to  
21 be seriously flawed -- seriously difficult for him to sue for  
22 malpractice when he wasn't -- when there is no  
23 attorney/client relationship.

24 MR. VIE: Understood, Your Honor.

25 THE COURT: So, the point I'm getting to here is

1 under this trust that is situated here, what my plaintiff,  
2 Ms. Curtis, I believe is saying is that she is, these assets  
3 are not being distributed, and she's of the opinion that  
4 there is something untoward going on, whether that's true or  
5 not.

6 MR. VIE: Yes, Your Honor.

7 THE COURT: And that there is no reason why she  
8 should be standing out in the field trying to get information  
9 about this trust and the distribution of these assets when  
10 she is equally entitled to any and all information just like  
11 Anita or anybody else.

12 MR. VIE: I understand that.

13 THE COURT: So, what is it then that prevents these  
14 parties from right now settling this suit?

15 MR. VIE: From settling it?

16 THE COURT: Yes. All they got to do is distribute  
17 the assets.

18 MR. VIE: Two things, Your Honor. And it's just my  
19 observation, because obviously the Court does not have to  
20 agree with me.

21 THE COURT: Sure.

22 MR. VIE: I provided the underlying documents that  
23 support the schedule that the plaintiff has attached to this  
24 motion for temporary relief. I have given her yesterday, in  
25 response to her request for production, some 5,000 pages.

1 She has told me that she wants to examine  
2 those, all of those underlying documents, stock transfers,  
3 checks and everything else.

4 You have heard from the plaintiff that she  
5 believes this very instrument is false.

6 THE COURT: "This very instrument" meaning the  
7 family trust?

8 MR. VIE: Family trust. That it's a forgery or that  
9 documents have been forged.

10 And I have offered, in response to the request  
11 for production, to make the originals, which I understand the  
12 trust attorney, those attorneys in the other lawsuit, to make  
13 those available for inspection and copying so that she can  
14 see them and satisfy herself that the underlying trust is in  
15 fact a legal and appropriate trust.

16 THE COURT: Okay.

17 MR. VIE: So that was one of the --

18 THE COURT: And that the signatures have not been  
19 forged or at least they're original signatures.

20 MR. VIE: Yes. In other words, one problem of  
21 trying to settle the disposition of the trust today is that  
22 the plaintiff disputes the accuracy of the accounting and the  
23 accuracy and legitimacy of the trust.

24 THE COURT: Right.

25 MR. VIE: And so, that was one issue.

1           The second issue, respectfully, is that I  
2 understood that given that the Harris County litigation  
3 contested the accuracy and validity of the trust, that again  
4 there was a risk of inconsistent positions if we were to  
5 treat the trust as valid and fund this while they litigated  
6 over in Harris County.

7           THE COURT: They don't have jurisdiction over there.  
8 I do. That's what the circuit court has told me. And that's  
9 the part that you said I might disagree; and you're right, I  
10 do.

11           I would not sit here and wait on somebody  
12 Harris County to figure out whether or not they have  
13 jurisdiction over an issue, which they do, but they don't  
14 have jurisdiction of the assets.

15           MR. VIE: I wasn't thinking as much of the  
16 jurisdiction, Your Honor, as I was thinking of the risk of  
17 inconsistent judgments. In other words --

18           THE COURT: Not if I get it resolved, there won't be  
19 any inconsistent to resolve.

20           If they get it resolved, then it probably won't  
21 be inconsistent because I'm obligated and then obliged to  
22 follow at least theoretically the findings of any court of  
23 competent jurisdiction.

24           MR. VIE: Yes, Your Honor.

25           And the third issue, which I don't think would

1 give the Court pause but is something I thought of, is the  
2 fact that all the beneficiaries are not parties to this  
3 litigation.

4 THE COURT: That won't bother me at all because I do  
5 have authority and jurisdiction over the person who you tell  
6 me has the duty and the responsibility to act.

7 MR. VIEW: So those are my --

8 THE COURT: That's it.

9 So, I want this resolved within 90 days. And  
10 if I have to appoint a trustee or somebody to handle this  
11 and get it done, I'll do it. It will cost the estate. And  
12 if I find that there has been mischief, it is going to cost  
13 individuals. And that will be a separate and distinct  
14 hearing.

15 So what I am telling the parties, and I am  
16 saying to you and to all those who have ears to hear, that  
17 this matter is going to get resolved. It's not going to turn  
18 into one of these long, drawn-out episodes like the ones we  
19 see on TV that go on for years where lawyers make money and  
20 people walk away broke.

21 MR. VIE: Yes, Your Honor.

22 THE COURT: Who is doing the accounting in this  
23 process? Has anybody put their arms around the assets and  
24 made any accounting at all?

25 MR. VIE: There is a CPA in Iowa that prepares the

1 tax returns each and every year for the estate, and we are  
2 getting --

3 THE COURT: How they get in Iowa? Is that where the  
4 family was from originally?

5 MR. VIE: The parents, yes, Your Honor. And the  
6 farm, as you heard, is in Iowa.

7 THE COURT: Okay.

8 MR. VIEW: And so, there is a CPA who has been  
9 involved throughout this period and files the trust income  
10 tax returns, and he is available.

11 MS. CURTIS: I object to that.

12 THE COURT: Hold on.

13 Go ahead.

14 MR. VIE: I think I have answered the Court's  
15 question.

16 THE COURT: Yes.

17 MR. VIEW: And would have the most, would have the  
18 best familiarity beyond --

19 THE COURT: How much money does he generally charge  
20 for his annual -- I guess he does his annual filings of  
21 reports. Is this something that's pretty cursory or --

22 MR. VIEW: I'm sorry. And there is a distinction.  
23 The documents that are attached as the schedule in that  
24 accounting that are attached to the motion that has been  
25 filed for injunctive relief, temporary schedules.

1 THE COURT: Those were prepared?

2 MR. VIE: By the defendant, by Anita in her capacity  
3 as trustee.

4 THE COURT: Okay.

5 MR. VIEW: I was responding to the Court's question  
6 in terms of who's the best person that could get their hands  
7 around it and that type of thing.

8 The CPA in Iowa obviously has to know all of  
9 the information available to the trust so that he can file  
10 the tax returns. He also pays and makes sure that the  
11 profits --

12 THE COURT: Then that might not be a good thing for  
13 me because I don't have jurisdiction over him.

14 MR. VIE: Okay.

15 THE COURT: But what I wanted to know was whether or  
16 not there was a person here locally, since I believe the  
17 defendants are here locally. They don't have a local CPA who  
18 is in charge of the estate.

19 MR. VIE: That's correct, Your Honor.

20 THE COURT: That would be Anita herself.

21 And then as far as the tax returns and all that  
22 annually which goes on, whether you got money or not, that  
23 would be done by the accountant in --

24 MR. VIE: Sioux City, Iowa.

25 THE COURT: Yeah, in Iowa.

1                   And excuse me. What were you about to say?  
2 You disagree with what, Ms. Curtis?

3                   MS. CURTIS: I disagree with allowing Rick Rickers,  
4 who is --

5                   THE COURT: Is that the attorney?

6                   MS. CURTIS: -- our cousin. He's the accountant in  
7 Iowa.

8                   THE COURT: He's your cousin?

9                   MS. CURTIS: He's our cousin.

10                  THE COURT: Okay.

11                  MS. CURTIS: He is also apparently the manager of  
12 the farm, and he began to file the tax returns --

13                  THE COURT: I've already said probably enough to  
14 give you some pause, to allay those concerns. But these are  
15 other reasons why he should not be doing accounting. He has  
16 a conflict of interest.

17                  MS. CURTIS: One reason why he should not be doing  
18 the accounting is because I have reason to believe that the  
19 farm lease, taking it away from the buyers, who were my  
20 father's very close friends, was notarized with a signature  
21 that was not my father's. I have not been able to look at  
22 that yet. I only have emails that purport that, but I would  
23 like to get copies of those.

24                  THE COURT: Let me address a couple of things.

25                               First of all, when we don't have information,

1 we can imagine a lot of things that may or may not be true,  
2 Okay?

3 MS. CURTIS: Yes.

4 THE COURT: That could be. I mean, all kind of  
5 thoughts and ideas go through our head when they don't have  
6 the information.

7 Here's what this Court cannot do. This Court  
8 cannot chase after each of your concerns. You have got  
9 enough money, you can hire anybody you want to do any kind of  
10 investigation you want done.

11 What I intend to do based upon the mandate from  
12 the circuit court is to try to address the concerns that you  
13 have. And they just can't be accusations, and I don't have  
14 any interest -- when I say I don't have any interest, I have  
15 an interest in outcomes, but I don't have an interest in the  
16 case so that I'm supposed to be doing things that would  
17 accomplish something for you except upon your filed  
18 documents. It's in your best interest, and I think I talked  
19 to you on the phone conference --

20 MR. VIE: Yes.

21 THE COURT: -- with both of you on the phone as  
22 well, that really this is not a matter that you should be  
23 trying to handle yourself. You should hire an attorney to do  
24 it for you, or at least part of it for you.

25 Now, I believe that it's in the Court's best

1 interest to preserve the assets of the estate and to bring to  
2 a point a going-forward process that this Court appoint  
3 someone to do an accounting of the assets and then make that  
4 accounting to the Court.

5 Now, you don't have to agree with me, but it's  
6 going to be an accounting of what the assets are. Whether  
7 something has been taken or mismanaged or mishandled is not  
8 going to be a part -- that's not the kind of accounting  
9 that's going to go on here.

10 What is, and that is what's invested, where  
11 it's invested and how it's invested is going to be the  
12 Court's concern. Once that accounting is in place, the  
13 question is whether or not the Court is going to be required  
14 or whether or not Ms. Brunsting will go forward in her  
15 capacity or not.

16 If she fails, then the Court will direct or put  
17 someone else in that position to do that, to move into this  
18 area or division so that the assets can be distributed or  
19 whatever beneficiaries. That's where I am in this case, and  
20 that's where the circuit court I believe has me. So I think  
21 it's in all of our best interest to appreciate this process.

22 In light of that, the Court is of the opinion  
23 that there are no expenditures that should be made unless  
24 they're made upon the approval of the Court. So, in other  
25 words, if Mr., up in Utah --

1 MR. VIEW: Iowa.

2 MS. CURTIS: Rickers in Iowa.

3 THE COURT: Mr. Rickers needs to pay the farmer. We  
4 used to call those sharecroppers sort of. It's a kind of a  
5 sharecropper thing where someone comes in farms the land and  
6 you get a percentage of it. If Mr. Rickers and the  
7 sharecroppers and others need to pay out bills and things,  
8 they should be petitioning the Court for that. That's where  
9 we are now.

10 We're at a point where I'm going to have to  
11 take charge in order to make sure that what I am doing has  
12 sanctity and has, well, trust going forward. What I am going  
13 to do is simply to try to make sure that the parties are all  
14 going to have equal standing and footing in this process. So  
15 that's part of what I am going to do. I'm going to enter an  
16 injunction in that regard.

17 Now, anybody who claims they want to bill the  
18 estate for something, whether it's lawyers or not, I am  
19 concerned about whether or not your bill should be paid by  
20 the estate because of this circumstance.

21 MR. VIE: I understand.

22 THE COURT: If the parties are going to agree, if  
23 the parties are going to come together and agree that your  
24 fee should be paid, then we should then move to a situation  
25 where we have a mediator in place or a designee in place who

1 will then make sure that if Ms. Curtis needs counsel, she can  
2 get that. That equally would be paid out of the estate.

3           It would not include Curtis because I am not  
4 going to be involved in the litigation of whether or not this  
5 is a good trust or not. I'm going to presume that it's a  
6 good trust, and I am going to go forward from there. If  
7 Curtis proves otherwise, he can get that money from the  
8 lawyers, and that would be certainly to his advantage or  
9 benefit.

10           MS. CURTIS: Are you talking about my brother Carl?

11           THE COURT: Yes. I said Curtis. I meant Carl. I  
12 apologize. You can see I'm struggling here.

13           MS. CURTIS: Too many C's.

14           MR. VIE: For the record, is it 90 days, Your Honor?

15           THE COURT: Yeah. I said we should try to wrap this  
16 up in 90 days, but I believe that if I appoint -- and you can  
17 suggest someone. I don't know if you know someone. Just  
18 give me a couple names. If not, I will designate someone to  
19 do this and enter an order to that effect.

20           It may be that because of the lack of trust  
21 that it may not need to be, unless both of you are  
22 designating somebody that you can agree upon, it may be  
23 better for me to have some person independent of the sides  
24 unless you all can agree upon the person or firm that should  
25 take care of this business.

1 MR. VIE: So we will get together and try to arrive  
2 at an agreed CPA that could provide the accounting the Court  
3 requests.

4 THE COURT: Sure. And we have a lot of them here in  
5 Houston just like we got -- I don't know anybody in  
6 California, but I want somebody I have got some jurisdiction  
7 over.

8 MR. VIEW: So if we're unable to do so we'll notify  
9 the Court we were unable to reach an agreement?

10 THE COURT: Sure. And you need to do that by the  
11 end of the week.

12 MR. VIEW: Yes, Your Honor.

13 THE COURT: You are going to be here what, today?

14 MS. CURTIS: I leave at 4:00 o'clock.

15 THE COURT: 4:00 o'clock today. Well, then you need  
16 to talk fast and see if you all can agree. Maybe you should  
17 talk over lunch. That way you can kind of size each other  
18 up. Eating together sometimes brings out good things.

19 And so, if you will do that by the end of the  
20 week, I will then prepare an order entering a temporary  
21 retraining order against the expenditure of any funds.  
22 Notice will be not just to you but to you in terms of Anita  
23 because I think she holds the purse in this situation. If  
24 there is any money to be paid to anybody up in Utah or  
25 anyplace else, she would be person who would authorize it or

1 do it.

2                   The accountant isn't do it, as I understand it,  
3 right?

4                   MR. VIE: No. He is just preparing the necessary  
5 documents.

6                   THE COURT: Right. So the purse strings here in  
7 Houston, she can certainly prepare through you whatever  
8 documents are necessary for parties to be paid.

9                   MR. VIEW: Yes, Your Honor.

10                  THE COURT: And then hopefully that report can get  
11 done in 30 or 40 days, and then we can have a hearing. If  
12 there is some dispute about summary areas of the report, we  
13 can have a hearing about that. If there is a memorandum or  
14 recommendation as relates to how to go forward with this  
15 "asset trust," that is the distribution, we can do that.

16                  If the parties can reach an accommodation as to  
17 how those assets ought to be dealt with, how silent a trust  
18 and they all sign off on it, we can do that. It's just a  
19 matter of how you want to do it. The trust is not going to  
20 control unless you want it to control at this point.

21                  MR. VIE: Yes, Your Honor.

22                  THE COURT: Under the circumstances, it seems to me  
23 there's going to be a continuous bickering and mistrust.

24                  Anything else?

25                  MS. CURTIS: No, Your Honor.

1 MR. VIEW: No, Your Honor.

2 THE COURT: Let me have Ms. Anita Brunsting come  
3 forward.

4 Good morning. Did you drop something on your  
5 foot?

6 MS. BRUNSTING: I broke my foot.

7 THE COURT: Raise your right hand.

8 Do you solemnly swear or affirm that any  
9 testimony you will give in this case will be the truth, the  
10 whole truth, nothing but the truth so help you God?

11 MS. BRUNSTING: I swear.

12 THE COURT: You've heard the discussion here in the  
13 courtroom, have you not?

14 MS. BRUNSTING: (Indicating in the affirmative.)

15 THE COURT: And I know that you have got counsel,  
16 and you can speak with him about the implications and  
17 concerns that the Court has about making sure that the assets  
18 are accounted for. And you certainly can work through him on  
19 any matters that you need to address to the Court. And, of  
20 course, counsel understands that he is to communicate both  
21 with the Court and with Ms. Curtis on any matters that he is  
22 presenting to the Court.

23 Is there any question about anything I have  
24 said -- I don't mean disagreement because you can certainly  
25 disagree with me about anything -- but is there any question

1 that you might have about anything I've said that you need me  
2 to answer, or certainly you have your attorney present.

3 MS. BRUNSTING: I need the trust account to pay.  
4 I've got the forms from the CPA. Can I move forward on that?

5 THE COURT: I think you should probably file a short  
6 motion and simply serve a copy of it on opposing counsel, Ms.  
7 Curtis, and forward it with a short order to me, and that  
8 wouldn't be a problem. This should be based upon the tax  
9 forms.

10 MR. VIE: Yes, sir.

11 And in terms of notice to the Court -- I'm  
12 sorry, not notice to the Court, the Court directing notice,  
13 do I notify the other beneficiaries?

14 THE COURT: Absolutely.

15 MR. VIE: Okay.

16 THE COURT: Even though they're not a party, they  
17 are beneficiaries and we should keep them in the loop.

18 MR. VIEW: I just wanted to bring that up.

19 THE COURT: Yeah. Should be in the loop because it  
20 doesn't make sense for us to have to go back and pull them  
21 forward a month.

22 MR. VIE: I will prepare appropriate submissions for  
23 payments that I would like. If the Court will approve it,  
24 then the trustee will make the payments.

25 THE COURT: Are these to be paid on or before April

1 15th or is there another cycle?

2 MS. BRUNSTING: No, by April 15th.

3 THE COURT: All right. So either they will get to  
4 me on Thursday or whatever, and I'll sign off on them, on the  
5 motion and the order, and that shouldn't be a problem.

6 You are not going to have to liquidate any  
7 assets to deal with that, are you?

8 MS. BRUNSTING: No. We have a checking account with  
9 enough that I can pay it.

10 THE COURT: Right.

11 MS. BRUNSTING: What about any incoming? The farm  
12 is rented, so we get a check twice a year.

13 THE COURT: Your function and role is to make those  
14 deposits as they come in.

15 MS. BRUNSTING: So I can continue to deposit them?

16 THE COURT: Continue depositing. All I am trying to  
17 do is control the outgo. What comes in as an expense is what  
18 counsel needs to see, and they have a proper and appropriate  
19 motion.

20 And if these things come in -- if this is a  
21 once a month kind of sit down and write out the bills kind of  
22 thing, then that's the way he should probably handle it. At  
23 some point just sit down and you prepare a list of things  
24 that you need to have done and certainly provide the forms or  
25 whatever you need.

1 MR. VIE: Yes, Your Honor.

2 MS. BRUNSTING: Okay.

3 THE COURT: All right. Thank you very much.

4 All right, counsel. That's all I have. And  
5 I'll prepare an order and get it out perhaps by tomorrow  
6 afternoon. There should not and in my opinion will not need  
7 to be a bond posted. These are parties of equal status as it  
8 relates to the assets, so no bond is going to be required.

9 I think, Ms. Curtis, you need to follow my  
10 advice. At some point consider getting an attorney, someone  
11 you trust to work with you, all right.

12 Okay. Thank you very much.

13 MR. VIE: Thank you, Your Honor.

# EXHIBIT 8

07222015:0819:0135

COMES NOW Drina Brunsting, as attorney-in-fact for Carl Henry Brunsting, individually, filing this Motion for Protective Order with regard to improper audio and video recordings produced by Anita Brunsting ("Anita"), as well as additional recordings obviously still in the possession of Anita, Amy Brunsting ("Amy"), Carole Brunsting ("Carole"), and third parties to whom the recordings have been disclosed. In support of this motion, Carl would show as follows:

1. When Anita became trustee, Carl was excluded from distributions from his parents' trusts. In fact, Carl's entire family was even excluded from discussions concerning the trusts. But both Carole<sup>1</sup> and Candy told Carl and Drina about what appeared to be improper actions that had been taken. So, on March 9, 2012, before Carl ever filed this action, he requested information pursuant to Tex. R. Civ. P. 202.

2. One thing which had been revealed to Carl was the placement of a GPS tracking device on his wife Drina's car without her knowledge by an investigator hired to follow her. Carl suspected that recordings had also been made of conversations between one or more of the Defendants and either Carl or Drina, so copies of recordings were also requested in 2012. In light of the GPS tracking device placed on Drina's car, perhaps it should not be—but it still is—a surprise to learn just how far the recordings went. The recordings, at least the ones which have only recently been produced, included recordings of telephone conversations made without the consent of *either* party to the conversation.

---

<sup>1</sup> At various times, Carole has taken different positions on whether there was wrongdoing and by whom. It is pretty obvious what causes Carole's changes of heart. Despite complaining about Anita's efforts to gain control over the trusts, Carole made video recordings from Carl's hospital room in late May, 2011 and sent them to Anita and Amy. It can not be a coincidence that on June 15, 2011, Carole received a transfer from Anita of 1325 shares of Exxon Mobil stock. Likewise, it can not be a coincidence that Carole stopped complaining about Anita. This stock transfer, among others, is the subject of Carl's Motion for Partial Summary Judgment.

07222015:0813:PO136

3. In addition to emails between the Brunsting family members, included among the items Carl sought from Anita, Amy, and Carole in March, 2012 were:

- All audio or video recordings of meetings, conversations, telephone messages, or other communications with Elmer, Nelva, or any of the Brunsting Descendants<sup>2</sup> concerning Brunsting Issues,
- All audio or video recordings of Nelva's execution of any documents.
- All audio or video recordings of evaluations of Nelva's capacity,
- All other audio or video recordings of any Brunsting family member, and
- All investigations made of any Brunsting family member, including any surveillance logs or reports.

4. When Carl made his Rule 202 filing, Anita and Amy hired an attorney, Bernard Mathews, who obtained a continuance of the hearing on Carl's Rule 202 requests by providing Anita's unsupported summary of trust activity and agreeing to provide, on a voluntary basis, what was being sought. Mr. Mathew's email dated April 11, 2012 about obtaining the information sought is attached as Exhibit 1. Mr. Mathews indicated in discussions with Carl's counsel that everything in his clients' possession which had been requested would be turned over. Six days later Mr. Mathews was fired. Attached as Exhibit 2 is the email by which Carl's counsel was notified there would be a change of counsel.

5. Thereafter, when Anita and Amy retained Mills, Shirley LLP as their new counsel, the Rule 202 hearing was again continued as to Anita and Amy, at their new counsel's request, so

---

<sup>2</sup> "Brunsting Descendants" was defined in the document to include Candace, Carole, Carl, Amy, Anita, and the children and grandchildren, if any, of Candace, Carole, Carl, Amy, and Anita.

07222015:0813:PO137

that information could continue to be gathered. The issue of Carole providing information was not delayed further, however, and an order requiring Carole to provide her information was signed on May 18, 2012.

6. While some documents were ultimately provided by Anita, Amy, and Carole, including a number of boxes made available for review at Mills, Shirley's offices in Galveston, very few emails were produced and no one produced any recordings or investigator's reports. Amazingly, on September 9, 2014 even though actively trying to negotiate a settlement in the case, Mills, Shirley suddenly sought to withdraw from its representation of Anita and Amy claiming that "a conflict had arisen between the parties and the attorneys." The Mills, Shirley withdrawal was allowed on September 18, 2014. At that point, there had still been a lack of production of emails, recordings and investigator's reports.<sup>3</sup>

7. Anita's current counsel entered his appearance in this matter on November 14, 2014, and Amy's current counsel entered his appearance on December 8, 2014. Through no less than 9 supplemental productions made since Mr. Featherston took over as Anita's counsel, no recordings or investigator's reports had been provided, but emails addressing points Anita wanted to address began to show up as attachments to certain filings (See Anita's Objections to Candace Curtis' Application for Personal Representative filed on March 9, 2015, to which six emails previously unproduced by Anita were attached to obviously cast Candy in a very derogatory light).

8. Then on July 1, 2015, Carl's counsel received an envelope by certified mail from Anita's counsel which enclosed a CD containing supplemental production which had apparently

---

<sup>3</sup> The Defendants continue to just ignore the investigator issues even though there can be no question there was an investigator. Attached hereto as Exhibit 4 are emails exchanged among Anita, Amy, Carole, and Candy about the investigator, including one dated Tuesday, March 15, 2011 in which an investigator's report is said to be expected by the end of that week. (Exhibit 4, page P14675)

07222015:0813:P013B

been disclosed, at a minimum, to everyone else in the case. For various reasons, including the July 4 holiday, Carl's counsel was unable to adequately review all the information on the disk when it first arrived. Once the materials had been reviewed, however, it was obvious that the disk contained illegally obtained recordings.

9. The disk received by Carl's counsel on July 1, 2015 contained items which were numbered 5814 to 5840. Included among those items were the following four audio recordings, at least three, and most likely all, of which were made without the consent of either party to the conversations:

- (1) a 43 second phone conversation between Carl and his mother which, according to the file properties, was both created and modified on February 27, 2015<sup>4</sup> (Brunsting 5836.wav);
- (2) a phone conversation lasting 6 minutes and 44 seconds between Carl and Drina which, according to the file properties, was both created and modified on February 27, 2015 (Brunsting 5837.wav);
- (3) a telephone conversation lasting 19 minutes and 18 seconds between Carl and Drina which, according to the file properties, was both created and modified on April 22, 2011 (Brunsting 5838.wav); and

---

<sup>4</sup> Nelva Brunsting died on November 11, 2011, so this could not have been just a copy of the original recording. The larger question raised by the dates on the audio files, however, is why they were not produced long ago. Who recorded them, where have they been, and to whom have they been given? Is this perhaps why Mills, Shirley suddenly had to withdraw? It seems unlikely that there can be a reasonable excuse for why these recordings, all made in 2011 and dealt with by someone again in February of this year, were not produced until July. That is particularly puzzling when on March 11, 2015 Anita filed a Motion to Compel complaining that Carl had not been specific enough about his damage disclosures and had not turned over all of his attorney's fee invoices.

07222015:0813:PO139

- (4) a telephone conversation lasting 8 minutes and 53 seconds between Carl and Drina which, according to the file properties, was both created and modified on March 21, 2011 (Brunsting 5839.wav).

10. The audio recordings<sup>5</sup> provide a basis for liability to both Carl and Drina pursuant to the Texas Civil Wire Tap Act found at Tex. Civ. Prac. & Rem. Code, Title 123.<sup>6</sup> That Act prohibits, among other things, the interception of a conversation transmitted over telephone wires without the consent of at least one of the parties to the conversation, as well as the further disclosure and the use of such intercepted transmissions. Neither Carl nor Drina consented to the recordings or even knew about them. The same is undoubtedly true of the recording of the short conversation Carl had with his mother. These recordings were made improperly, disclosed improperly, presumably have been already used improperly, and are obviously intended to be used improperly in this litigation.

11. Although they have clearly been edited, nothing on these recordings suggests they were somehow found on an answering machine tape at Nelva's house as Anita's counsel claimed to be the case in discussions with Carl's counsel about these recordings. There is nothing on the recordings indicating the involvement of an answering machine. There is nothing on the recordings indicating an answering machine either picked up or ended the call. There is no answering machine message alerting anyone to a recording device. In fact, there is also nothing on the recordings themselves indicating the date on which they were recorded. The other flaw with the answering machine explanation is that when Drina called Carl at his mother's house, an answering machine never answered—a person always did. The timing of the earliest recording together with emails from

---

<sup>5</sup> It seems highly unlikely, of course, that these are the only recordings made or that those that have been produced are anything but edited versions of the original recordings.

<sup>6</sup> The recording, disclosure, and use of these recordings are also felony violations of Section 16.02 of the Texas Penal Code and 18 U.S.C. §2511.

07222015:0813:P0140

that time period make the real explanation for the recordings clear, but very problematic for Defendants.

12. These appear to have been made through a well-orchestrated plan between Anita, Amy, and Carole. Emails reflect discussions among the Brunsting sisters shortly after Carl became ill—both before and after Anita was even trustee—discussing ways to prevent Carl’s access to trust disbursements. (See Exhibit 5). Originally, Candy was also involved in the plan until the explanations she was being given for what was happening stopped making sense.<sup>7</sup>

13. Carl spent some time at his mother’s house in December, 2010 when Drina suffered a herniated disc in her back trying to lift him. Carl’s recovery suffered so badly while he was staying at his mother’s house that Drina was forced to end that arrangement. By that time, the experience of trying to deal with Carl’s sisters had been bad enough that Drina stopped even trying to communicate with them, and Carl only called his mother. Then in early March, 2011, there are emails concerning APS complaints,<sup>8</sup> investigators, possible guardianship proceedings, and arrangements for a possible divorce between Carl and Drina so that Drina would not be Carl’s natural guardian.<sup>9</sup> (See Exhibit 6).

14. In March, Carole also did her part to insure both that recordings could be made of Carl and Drina’s conversations without their knowledge and that Drina could be followed by the

---

<sup>7</sup> Thus, the only emails which have been shared with Carl are those exchanged before Candy was excluded from her sisters’ scheme.

<sup>8</sup> The attempt to create problems for Drina with APS had already been frustrated when their APS complaint against Drina was dismissed because, unlike what had occurred when Carl was at his mother’s house, Drina was following medical advice in her care of Carl. (Exhibit 6, p. P14664).

<sup>9</sup> There were also discussions about how to exclude Carl and Drina’s daughter, Marta, as a potential guardian. Even though Marta had made her concern for her father clear (See Exhibit 7), she was characterized by Anita as having “expressed no interest in taking care of her father” (Exhibit 5, p. P14677).

07222015:0619:PO1A1

investigator. On the evening of March 10, 2011, Carole went to Carl and Drina's home and approached Drina about having Carl spend time at his mother's home again—allegedly to give Drina a break as Carl's sole caregiver and to give Carl somewhere to go when Drina had to work or had to deal with her elderly father who lived in Beaumont. Drina naively believed Carole's concern to be sincere and agreed to allow Carl to spend some time at his mother's house again.

15. So, in March, 2011 the investigator had already been engaged, and on March 17, 2011, Faustino Vaquera purchased one ICD-OX312 Sony digital voice recorder at Best Buy and a 4200223 3' 1/8" M-M Patch Cable from Radio Shack. Vaquera was reimbursed for the purchase when he included it on his time sheet dated March 18, 2011. The time sheet with the attached receipts is attached hereto as Exhibit 3. That digital voice recorder is capable of voice activation and has 2 GB built-in memory which can be expanded to 16 GB. The earliest recording, based on the properties for the files produced was made at least by March 21, 2011, right after Carole made sure recordings of calls between Drina and Carl could be intercepted by getting Carl back to his mother's house.

16. The CD recently produced by Anita's counsel also included various emails which have suddenly appeared out of some unknown location despite having been requested since March, 2012, including four emails from Carole to Amy and Anita between May 23, 2011 and May 25, 2011 which had attachments containing videos taken by Carole of Carl in his hospital bed after he had an adverse reaction to a medication which was itself life threatening and put him in intensive care at St. Luke's Hospital from May 22, 2011 through May 31, 2011.<sup>10</sup> (Brunsting 5822-5825).

---

<sup>10</sup> While Carl was at Mentis Rehabilitation, Drina observed a sudden and severe decline in Carl's condition and had him transferred to the St. Luke's emergency room where he was admitted to ICU because of an altered mental status due to medications.

17. Even a sister's concern would not justify these recordings, but there is no way to confuse these incredible invasions of Carl's privacy as acts of a loving and concerned sister. These occurred while Carl was too ill to resist them and when no one was around to prevent them. After making the recordings on her Android, Carole sent them to herself and to Anita and Amy.<sup>11</sup> Candy was again excluded, as one of Carole's emails even confirms. Like the illegal phone recordings, Carl did not consent to these video recordings and even in his incredibly ill state, it was clear he was very uncomfortable with them. Also like the illegal phone recordings, these had never been provided to Carl despite his request for any video recordings in 2012. The properties on the files containing the emails indicate the files were all modified on March 18, 2015. It is inexcusable that these were ever made and that they have disclosed to others while being withheld from Carl since May, 2011, but where have they been since March 18, 2015?<sup>12</sup>

18. This Court must stop Carl's victimization at the hands of the Defendants, particularly those purportedly exercising fiduciary obligations to him. Carl requests that sworn affidavits be provided by Anita, Amy, and Carole specifying the date of every recording made within the categories requested, the party making the recording, the means of recording, the current location of all original recordings and all copies of all recordings, all parties to whom the contents of recordings have been disclosed, and all uses which have been made of the recordings. Carl also requests that all original recordings and all copies of those recordings be turned over to Carl's

---

<sup>11</sup> The recordings appear to have been made by Carole and distributed to Anita and Amy between May 23, 2011 and May 25, 2011. Carole received her transfer of 1325 shares of Exxon Mobile stock from Anita, acting as trustee, on June 15, 2011.

<sup>12</sup> And there has still been no production of the investigator's reports. Yet, as already stated, while withholding this and more, Anita filed a motion to compel Carl to do a better job of responding to requests for disclosure and to provide all of his information on the attorney's fees he had incurred, something which no one else in this case has been required to do.

07222015:0813:PO148

counsel. Carl also requests that all copies which have been disclosed to any third parties, including the other counsel in this case, be retrieved and included in those materials turned over to Carl's counsel. Carl also requests that the identity of all investigators hired to follow Carl or Drina be provided, and that all investigator's reports be turned over. Carl also requests that Anita, Amy, and Carole be required to provide sworn testimony of their compliance and that they be prevented from using such recordings for any purpose, including in this proceeding.

WHEREFORE, PREMISES CONSIDERED, Carl Brunsting asks for the relief sought herein and for such other and further relief to which he may be entitled.

Respectfully submitted,

I am having my client go through your 30 page list to let me know what she has, what never existed, what may exist in someone else's control, etc.

To make my response to you easier, can you send me this list (documents to be produced by Anita Brunsting) in Wordperfect or Microsoft Word format?

I am also advised your client was sent a copy of the trust, and the qualified beneficiary designation. as well as an initial asset list in Excel format. Were these provided to you?

I think we should hire a PI to "find" Carl. If he's at home, he's got to come out sooner or later. If he's in a facility, Drina will have to come out to visit him sooner or later. The problem is, no one knows when these comings and goings will occur and it could cost a lot of money to find out. It's entirely possible that Drina has put him in a facility that is covered by insurance. This makes sense because there have been no requests for money and Carl hasn't called anyone but Mother since he left her house. In any event we have to find out what is going on. If he's in a rehabilitation facility we can celebrate, but she could have stuck him in a nursing home, where none of his needs will be addressed and they will keep him doped up all the time.

The more legwork we do, the cheaper the PI will be. Any ideas on how to find out when his therapy appointments are? If the PI can film him leaving the house and entering the facility we would be able to assess his physical condition and possibly his mental state. If he's in a facility somewhere the PI would have to catch her leaving the house on her way to visit him and if she leaves she could also be going shopping, etc. I would be willing to call rehab facilities if necessary.

I don't want to let too much more time lapse before we find out.

we're continuing the pi over the weekend or unless it looks like she's headed toward Beaumont - will also use him through next week. \$750 is for the lawyer's (Cole) initial consult not a dr. If she divorces him then someone needs to sue for guardianship - Marta would be considered next in line by the law, but if she doesn't sue for it then I don't think she'd be considered. If Drina gets him to sign divorce papers that give him any less than 50% of their assets then a guardian can countersue her to recover those.

\$750 an hour FOR WHAT? The woman is abusing him and negligent in his care. Have they been out even one time this week? Last I heard, Monday and Tuesday there was no activity other than a visit from Marta. APS said that once they confirmed she was following doctor's orders, they closed the case. If the instructions were 3 times a week and he hasn't been, or only goes once or twice, SHE IS NEGLIGENT, and they better reopen it or start a new one. Let me know if you want me to call.

Any doctor who has seen Carl would most likely say NO to all of the questions. I would, just based on past phone conversations with Carl.

What if Drina files for divorce? Would that be abandonment? Would the trust even be an issue if SHE divorces him?

IF I could have anything I wanted for Carl, I would have him assessed by the neuropsychologists at the place I found in Houston. I don't know if he could handle long periods of testing, but he has got to get some cognitive brain function back OR HE WILL NEVER EVEN BECOME CLOSE TO WHOLE AGAIN. It's a good sign that his

P14679

07222015:0819:PO157

behavior has improved, but is it because she beats him with a stick and mentally assaults him to get him to act right?

Maybe guardianship is the wrong approach. Maybe we should go after Drina and have her declared incompetent to care for him, or criminally negligent for not obtaining proper rehabilitation. There has to be a reason why she doesn't want her husband of almost 30 years to recover.

Let me know if he will be staying at Mother's again over the weekend. If so, we might want to extend the PI over the weekend so we can see what the hell she does. The more "evidence" we can amass, the better.

Here is another good article. Why can't she follow this and set up a payment plan and then Mother can help with the monthly payments rather than yank thousands out of the account. Hi,  
I just talked to Drina. She is tired of hearing advice (even if it is helpful and right). Basically she's just overwhelmed right now. Her nerves are raw and anything any of us say to her right now is just going to set her off. I suggest just leaving her alone for a little while. The bills aren't going to go away and she will eventually have to deal with them. She may be more receptive to listening then or she might figure out the solution on her own.

That is exactly what the articles I sent last night said. Your credit score is only affected "IF" you stop making payments in the event you have a payment plan set up. Also, it said that she needs to negotiate discounted rates based on their financial statements and leave the trust out of it. Like Candy said, don't even mention the trust. From everything I have read, she can either get some of this written off OR get it discounted and set up a payment plan. If she and Carl cannot make ends meet in the future, then they consider a loan against his inheritance.

I am finding that with GOOGLE, you don't really need doctors or CPA's because all the diagnostic information is online along with accounting advice.

Knowing I am being petty with this statement, why is her father's advice correct and mother is not a straight shooter. Mother was shocked because she did not think the time was right to pay bills, but could not convey that message to Drina.

I grow tired of always being "wrong" in the eyes of Carl and Drina. Again, being petty but then I am just petty. So there.

Hi,

I talked to the CPA who does my taxes today and asked her what she would recommend. She told me that Drina should talk to an attorney who specializes in debt created by medical bills. Medical bill debt is treated differently than other debt. I did a quick check on the internet and there are several in Houston.

She said that creditors cannot touch Drina's house or cars. She also recommended not paying any of the medical bills right now. She said to wait until the dust settles, then talk with each company about a payment plan, possibly as little as \$10 a month. She told me that in all likelihood, they would eventually write off her debt as a loss. She said Drina should definitely not touch any retirement or inheritance, or borrow anything against them.

I called Drina today and told her what Darlene said. She said her father had been telling her the same things. I tried to emphasize that she should not be paying any bills right now, but I don't know if she really understood why. She is overly concerned with her credit score rating. Darlene said that is not that important because they own their house and cars and are not as reliant on credit compared to younger people.

Anyhow, I know that Drina is in a hard spot right now, but I honestly think that keeping her from accessing **any** of Carl's inheritance would be in her best interest. It would be a waste to spend it on medical bills and they will need the money in the future. I don't think that is going to sit well with Drina because she's going to see it as us being tight-fisted with the money. I strongly suggest that if any of us talk to her, we do it as nicely as we can. Acknowledge that the debt is so huge it is unpayable in her lifetime. Encourage her to seek a professional to find the best way to deal with it. Remind her that we want the best for her and Carl in their future and that we are thinking of their best interests.

You couldn't invent a better helpless, narcissistic, stupidly rude character than her. I guess this is why they say "truth is stranger than fiction" I've already been inventing scenarios inside my head that I think she'd be capable of. Maybe we can write an novel about this and make a million dollars when we sell the movie rights :-)

My ears are burning already. LOL If she gets pissed off it will just confirm my opinion that she's a stupid twit who only cares about herself. I know I read too much fiction, but I can imagine her keeping Carl in diapers so she doesn't have to wipe his butt.

Love you lots,

Drina needs to get a grip. She's overwhelmed with what??? Advice??? We're all saying the same thing. That hole in the sand is just getting deeper. She needs to face reality right now. She should be overjoyed at any little progress from Carl. That joy should mutate into action to secure their future. Her nerves are raw because she refuses to face reality. The four of us have worked our entire lives. We're all single and have had to rebuild our lives and change our values in numerous ways. I don't know about you guys but there have been times when I just wanted to crawl into bed, curl up into fetal position, and sleep forever. If it's not one thing it's another. These times have only made me stronger. I have not been

Hi,  
I just talked to Drina. She is tired of hearing advice (even if it is helpful and right). Basically she's just overwhelmed right now. Her nerves are raw and anything any of us say to her right now is just going to set her off. I suggest just leaving her alone for a little while. The bills aren't going to go away and she will eventually have to deal with them. She may be more receptive to listening then or she might figure out the solution on her own.

That is exactly what the articles I sent last night said. Your credit score is only affected "IF" you stop making payments in the event you have a payment plan set up. Also, it said that she needs to negotiate discounted rates based on their financial statements and leave the trust out of it. Like Candy said, don't even mention the trust. From everything I have read, she can either get some of this written off OR get it discounted and set up a payment plan. If she and Carl cannot make ends meet in the future, then they consider a loan against his inheritance.

I am finding that with GOOGLE, you don't really need doctors or CPA's because all the diagnostic information is online along with accounting advice.

P14257

07222015:0813:P0166

Knowing I am being petty with this statement, why is her father's advice correct and mother is not a straight shooter. Mother was shocked because she did not think the time was right to pay bills, but could not convey that message to Drina.

I grow tired of always being "wrong" in the eyes of Carl and Drina. Again, being petty but then I am just petty. So there.

Hi,

I talked to the CPA who does my taxes today and asked her what she would recommend. She told me that Drina should talk to an attorney who specializes in debt created by medical bills. Medical bill debt is treated differently than other debt. I did a quick check on the Internet and there are several in Houston.

She said that creditors cannot touch Drina's house or cars. She also recommended not paying any of the medical bills right now. She said to wait until the dust settles, then talk with each company about a payment plan, possibly as little as \$10 a month. She told me that in all likelihood, they would eventually write off her debt as a loss. She said Drina should definitely not touch any retirement or inheritance, or borrow anything against them.

I called Drina today and told her what Darlene said. She said her father had been telling her the same things. I tried to emphasize that she should not be paying any bills right now, but I don't know if she really understood why. She is overly concerned with her credit score rating. Darlene said that is not that important because they own their house and cars and are not as reliant on credit compared to younger people.

Anyhow, I know that Drina is in a hard spot right now, but I honestly think that keeping her from accessing any of Carl's inheritance would be in her best interest. It would be a waste to spend it on medical bills and they will need the money in the future. I don't think

P14258

07222015:0813:P0167

that is going to sit well with Drina because she's going to see it as us being tight-fisted with the money. I strongly suggest that if any of us talk to her, we do it as nicely as we can. Acknowledge that the debt is so huge it is unpayable in her lifetime. Encourage her to seek a professional to find the best way to deal with it. Remind her that we want the best for her and Carl in their future and that we are thinking of their best interests.

Love,  
Amy

Hi Candy,  
I spoke with Anita about talking to Drina. She is going to work on getting me some numbers so I know what amount is available for Carl. We want to ask Drina to provide us with some documentation of their finances before we decide on what amount she could have on an annual basis. Could you help us make a list of what we need to ask her for?

I was doing some rough calculations. Carl is 53 right now. If he lives to be 85, that is 32 years. If he inherits \$300,000, he could receive \$1386 per month assuming that the account earned an average of 4% per year. That is no where near what Drina is expecting to get.

Call me if you have any questions or comments. Thanks.

Hi Candy and Carole,  
We are trying to determine the amount of money that Carl can withdraw from the trust. It's hard to determine this since there are so many variables - we don't know how much Mom is going to need for her care, we can't predict the future value of assets, etc. I did some rough number crunching, just so we'd have some place to start. I sent these numbers to Anita and I thought you might have some input about them as well.

If we assume that Carl inherits \$300,000, he lives to be 85 (32 more years), and the account earns an average of 4% interest over the lifetime of the fund, Carl could withdraw \$1386 per month and have enough money to last.

If it were possible for him to inherit \$500,000, he could withdraw \$2310 per month for the rest of his life.

Just to put things in perspective, to receive the \$4000 per month that Drina says they need, he would have to inherit \$865,600, which is not possible. I know if I try to explain this to Drina it will be like talking to a brick wall. It will never be possible to give her the amounts that she wants.

I think we need to send two separate letters. One to Drina telling her she can't come in to Mom's house or contact her by phone or email, and the other to Carl regarding money from the trust. The letters deal with different issues and should be directed to the specific person.

I'm trying to think of some verbage for Carl's letter. This is all I have so far: "If you would like to borrow money against your inheritance to pay for your living expenses and medical care, you may borrow up to \$13,000 per year. To receive the funds, submit bills you would like paid from the trust funds to Anita. She will pay them up to the amount of \$13,000 per year. Please sign the enclosed document indicating that you understand the amount you borrow will be deducted from any possible inheritance you may be awarded in the future."

I got the same TM from Tino. I hesitate to promise them anything in writing about money. Rather than a monthly payment, I would rather grant them a certain amount each year, but only through the direct payment of their bills - for example; mom could gift Carl \$13,000/year, but only if they send me the bill statements to pay directly, and only for bills for living/medical expenses - when the trust has paid \$13,000 in bills for the year, that's the end of the money for that year. We could ask them to sign for this money against his inheritance, but then we'd have another form that we'd have to get them to sign (probably notarized), and as we don't know if she's had Carl declared incompetent, the validity of any form he signs might be questionable.

I do like the idea of a letter telling Drina that she may have no contact w/ mom (physical, verbal, visual, phone or electronic means) and she is not to enter mom's house. She can bring Carl to visit mom, but she must remain outside the house - any violation of this letter will be considered harassment and the police will be called if she does not comply. I would also like to add in the letter that Carl's inheritance will be put into a Personal Asset Trust for his care and living expenses - I think this information might be enough to tip her hand.

I would also like to ask Candace, what this letter would do for us legally - like if we did end up calling the police would the letter lend any credence to our case?

P14670

07222015:0913:P0171

I won't do anything until we can come upon an agreement as what to do - I can also write this letter in the role of mom's power of attorney (which she signed last year).

I spoke w/ mom about the whole situation; she listens to reason and can understand our concerns for Carl, and will sign the changes to the trust next week. I have been very forthright in explaining the changes in the trust to her, and that they would be done in order to minimize any pathway that Drina might have to Carl's money. The changes are not to penalize Carl, but to ensure the money goes for his care. I told her to "just say No" to Carl or Drina if they brought up the trust or money and to refer them to me. I reminded her that she isn't trustee anymore and doesn't have access to the trust accounts - she seems fine w/ everything, and expressed no desire to put Carl back on as a trustee. I told her that in the event she did that, that it would not be fair to the rest of us, as we would end up having to deal w/ Drina, not Carl. Mom begrudgingly admits to knowledge of the unpleasantness of this whole situation and Drina's past behavior since Carl has been ill, but I think she is really naïve regarding the lengths to which Drina may go through to get Carl's inheritance.

Hi All --

I'm sure you've heard by now about today's incident. I received a TM from Tino who said Carl and Drina went over to Mother's today and that I should call Robert, so I did. As we were talking he kept remembering things that had been said. I told him to write that stuff down because it was all important and all of us need to know what was said.

The time has come to deliver the news to Carl and Drina. Please put your heads together and quickly calculate what CARL would receive monthly for the next 30 years. Since you cannot be sure they receive the information if you email it, and you cannot reason with the moron on the phone, certified mail return receipt requested is the best way to send the information. Put in your correspondence that the first check will be sent on such-and-such date. You can offer to automatically put the \$\$\$ into their account each month.

It's that simple. Once that is done we can all wash our hands of it and just wait and see how it plays out.

I know we would all like to have some visitation and/or phone privileges, but, frankly, the only condition should be that they have to stay away from Mother. I suspect she might actually run off when she realizes that she will have to make some major changes. She probably tells Carl that she WILL

P14671

07222015:0819:PO172

leave if he can't get his money, causing extreme duress and mental stress. The bitch told Mother that Carl worries about the money all of the time, day and night. I still don't think he has regained much cognitive reasoning, so whatever he worries about and says must come from her. We can continue to hope that one day Carl will recover some of his brain power. Maybe he'll wake up one morning and she'll say something hateful about his family and that will be it. Bye, Bye Drina.

I understand Mother has actually gone without her oxygen bottle attached for a couple of hours here and there. Robert said she was a little upset after the visit. This breaks my heart. She said something to Robert about never having children. It is unfair to Mother to even allow Drina in her home. If there's a next time Robert or Tino should make her wait in the car.

After you have written the letter to Carl (I wouldn't even put Drina's name on it), one, two, or all of you should meet at Mother's to show her the letter before Carl and Drina have a chance to start harassing her over the contents of the letter. It's really not an option for Carl to submit bills to be paid and Mother has spent enough of her own money on his care already. Just give him his monthly stipend and let them worry about how they are going to live within their means. It is what it is.

Call me with your thoughts.

Love you all,

C

I called Tuy at APS just now. I asked him to go to Carl's house and see with his own eyes that Carl is okay and not cowering in a corner with a dirty diaper. He was unaware that Carl had gone home last Friday, although I called him last Friday and told him. He keeps reiterating that he has talked with everyone and does not see any sign of medical neglect. I explained that another concern is that he is being abused in other ways, since no one has heard from him in almost a week. He has agreed to go to their house, although he would not give me a date certain. I'm going to call him again towards the middle of next week. If he has not gone over, and we still have not had any type of contact from Carl or Drina, I will escalate this to the next level and speak to Tuy's supervisor.

In some ways it might have been good to have the PI there when they leave the house to go to the doctor. If she's beating him and screeching at him all the way to the car, etc. we would have it on film to support our case. Maybe we can work this out to finally take over as Carl's guardian(s). Then, if she walks, we can get them divorced due to abandonment and she is out of the picture entirely. If he has enough brain function to call Mother a second time and ask for Marta's number, the light bulbs may be starting to come on in his head. My heart is breaking for him all over again.

Cole's rates: initial consult: \$750, hourly rate \$500. He's been practicing for over 35 years. I talked to an associate and after I explained our situation, she said very confidently that he's seen everything and that this case would not be unusual to him. She even started rambling off some procedures that we'd probably have to start w/ - so I felt pretty good about this one - just don't know about the costs.

I've looked all of them up on the Internet, Bosker's only been practicing a little over 10 years, and he's not board cert in anything, so not sure about him - though his firm is family law.

Burgower looks good; she's been practicing since 1985 - family law; teaches at South Texas College of Law ; but I'm waiting on a call back.

The link above is a good source of info if you haven't seen it yet.

I talked w/ Bret Bosker and he said we needed someone w/ experience in Probate Code, because Probate Court is where guardianship will be argued/decided. I gave him the 2 names of the attys Amy gave and he said they're both excellent (and expensive), but he said he was not sure as to their experience w/ guardianships/probate, but he said we could talk to them about that. He was also going to see if he could find me the name of an atty w/ direct probate experience. So it looks like we have to do 2 steps, 1st get guardianship and 2nd do the divorce if it comes to that. Unfortunately, if you read the website, the spouse is considered 1st in line for guardianship which is why it could be messy to sue for guardianship while they're still married. However, if she plans on divorcing him, then next of kin would be in line and that would be Marta - I think we could talk her out of it as she has expressed no interest in taking care of her father - so after Marta, it would be one of us.

I did tell him that everyone says getting guardianship is expensive, and I asked him "how much is considered expensive" \$50,000 or a million? He said he couldn't answer that, but that the atty we went with should be able to give us an idea.

Still waiting to hear back from Cole and Burgower.

I think that Drina has always projected her own family issues onto ours. She was completely distanced from her own family until a year ago when her brother passed away and now she is talks about the relationship with her dad like they have been close forever which has not been the case.

She must have had some very bad things happen to her in her childhood and slowly but surely she twisted Carl's mind to go along with everything she did and said. I think you are right that this will have to play itself out to see what she does. She has been waiting for the day she and Carl get the "big" trust payout and then it will be see you later chumps!

The Brunsting family has never been very demonstrative of their love for one another, but I chalk that up to being Dutch. What I cannot seem to wrap my arms around is the extreme coldness of Drina and Marta. They have always been limp when hugged and hugging is one of the best things in the world. One power hug and all my cares fly out the window. I believe it must be a genetic brain chemical imbalance in Drina's family. She has spent her life with Carl trying to distance HIM from his family and turn him into a cold fish like her. How did she ever get pregnant in the first place? Maybe we should try to get some DNA from Marta and Carl and do a paternity test. Wouldn't it be something if he wasn't her father????????? LOL

Frankly, as long as the trust is safe, we should probably just let nature take its course and sooner or later we will get Carl out of their clutches and into ours. He might be pissed off for awhile, but I have some small faith that once he can reason better he will see that we only seek what is best for him in the long run BECAUSE WE LOVE HIM. Once he is able to reason and be reasoned with, and has regained some control of his life, if he chooses to go back to his moron wife and their moron spawn, I will mourn him as if he were dead. Until such time I will assume that, somehow, at some point in his recovery, he will realize how miserable the bitch has made his life. He might see that all she has ever cared about is money and how to avoid having to go out and earn some.

If asked, Carl would probably say no to coming out here to live with us, even though it might be the very best thing for him. He should never feel like he has been "dumped" on anyone. I think he would have a lot more stimulation out here. He does love the Bay Area and after a short time he might gain some real incentive to

Ok, I think I may have found an atty who could handle the guardianship issue. She was recommended to me by the Burgower firm that Amy's lawyer had given her - the Burgower firm does not do guardianship cases. This atty's name is Ellen Yarrell; her offices are in the Galleria area; she charges an initial consult fee of \$350 for 1 hr of her time, and probably requires a retainer of \$2000. Her paralegal (Elizabeth) said that she's handled cases like this before (where an impaired person has been divorced by their spouse). I asked about the expense and she said that Yarrell could give us a better idea after the consult and it depends on whether the guardianship would be contested (so that depends on whether we fight Drina now, or wait to see if she'll divorce him and then we're facing Marta (if she pursues it)). I got the feeling that "expensive" meant more like \$50,000 not \$1 million."

I thought of another plus on our side if Drina divorces him - Drina will probably expect him to come live w/ mother - so if he's w/ us and not his daughter that lends more credence to our side for guardianship (possession is 9/10's of the law?).

I also talked to mom last night and told her what was going on. I asked her if she was ok w/ using her money to pay for Carl's legal fees and of course she said yes.

If this is true, Drina did not and is NOT following orders. If that moron had hooked up with these people from the get go, she wouldn't be experiencing the meltdowns and Carl might be halfway to good as new. It would have saved the tremendous amount of money spent on caregivers. Once he is released from Mentis he most likely would be able to go home and live on his own, with or without the moron. He still has his family as support, despite all the water under the bridge today.

Please, please, please let me know if there is anything I can do to help get him in there. I will contact APS again if you can give me any new facts to report. If Carl could be evaluated by a real neuropsychologist and not the moron's own shrink, I believe the Mentis (or similar) recommendation would be reiterated and then, if she failed to follow doctor's orders AGAIN, we would have our evidence for APS.

Review of the previous APS fiasco leads me to believe that Drina was following doctor's orders of the doctors-SHE chose for Carl - none of which were appropriate for his situation. He should have his own personal neurologist/psychiatrist who would have been seeing him regularly, in or out of a facility. With the moron sailing the ship Carl has been denied even basic medical care.

Amy and I talked about me kidnapping Carl and bringing him home with me. As silly as this sounds, it is still an option. I am sure there are equitable facilities here in California. The difficulty would be getting the insurance information out of the moron and keeping me out of prison. The moron is the one who should be in prison - seriously. If the homeless woman who used her friend's address to put her child in a good school gets 20 years in prison and a \$1,000 fine, it will be a travesty of justice. I have no doubt this will happen, so how is it that the moron can get away with real

crimes against her husband, that may ultimately cause his demise, and not have to answer for it in court?

Dad has seen several doctors the past couple months, including the Chief of Neurology and Chief of Rehab at St. Luke's hospital. The Chief of Rehab has written an order for him to attend outpatient therapy. Mom is following up on that now and he will go as soon as insurance approves it. He is gaining weight, sleeping better and his anti-depressant seems to be helping his outlook on things. He also has an appointment to see a psychiatrist that was recommended by both of the doctors at St. Luke's.

His condition is very complex and changes constantly. This has been the worst 6 months of our lives and we are mourning a living man who was our father and husband. He has improved, but this has been and continues to be a slow and very painful process.

There is no simple solution to this. He claims while at his stay at TIRR, (which is supposed to be one of the best rehab hospitals in the country), that he was abused by the night staff. Of course, they denied any mistreatment that and we had no actual proof. While at TIRR, he got hooked on prescription medications, didn't sleep at night and had hospital aquired infections one right after the other.

He will not be staying with your mother any longer. He is coming home and HIS FAMILY will figure out what next steps we need to take to get him better.

I find it hard to believe that any of you actually care about his welfare. All this family knows how to do is gossip, back-stab and conspire against one another. It is all completely sick and dysfunctional. Someone called Adult Protective Services on my mother and I don't doubt that it was one of your sisters. Anita called CPS on Amy years ago because she felt she was an unfit mother. If it were not for my dad telling Anita that she had made a terrible mistake, Amy might not have her kids. To my knowledge, Amy is not even aware of this.

You have not been down here for any of his recovery.

You have not spent endless hours with him in ICU and the hospital.

You have not witnessed the change in his mental & physical state as well as his personality.

No one wants him back more than my mom and I.

I am not answering any more emails or phone calls. This is harassment.

Dear Marta, Happy New Year! I hope you, Ryan and your beautiful daughter are doing well. All of the California clan are looking forward to a great 2011. Being so far away from the situation with Carl has its advantages and disadvantages. I only know what people tell me and what I can gather from the brief, infrequent, phone conversations I have with Carl. I am sick to death by what I have been hearing since Carl was stricken with encephalitis MORE THAN 6 MONTHS AGO. My concern stems from the fact that Carl is not receiving the care and rehabilitation he needs to get his life back. He is floundering, literally and figuratively, and NO ONE seems to have the time, energy, or wherewithal to make the next phase of rehabilitation happen. Carl cannot do it alone, even if he wants to, which apparently he doesn't. Consequently, he needs to be in a facility, RIGHT NOW. The longer he goes without a neuropsychological evaluation and proactive rehabilitation and therapy, the harder it will be for him to recover his brain function. I care very deeply about my only brother and find that I can no longer just stand by and wait for someone to move forward in getting him the help he so desperately needs. Unfortunately, without a court order, my hands are tied. In my very narrow view, it appears that the rest of the family, including your Mother, cares only about money and how others live their lives. I WANT MY BROTHER BACK. I WANT YOU TO HAVE YOUR FATHER BACK. I WANT HALEY TO BE ABLE TO ENJOY HER GRANDPA. I WANT YOUR MOTHER TO HAVE HER HUSBAND BACK. I WANT YOU TO HELP ME MAKE IT HAPPEN. PLEASE. I know you are busy with work, home, and family. I've been there and done that - twice. I'm only asking for your support in my efforts to get Carl on track to recovery. Carl's future and well-being is ALL that matters to me and I will do whatever it takes to get him back! XOXO, Aunt Candy

IN THE ESTATE OF	§	PROBATE COURT
NELVA E. BRUNSTING	§	NUMBER FOUR (4)
DECEASED	§	HARRIS COUNTY, TEXAS

**REPORT OF TEMPORARY ADMINISTRATOR PENDING CONTEST**

On July 24, 2015 an Order of this Court, signed by Judge Christine Butts on July 23, 2015, was filed in the above styled and numbered case. In this Order the Court stated that Greg Lester was appointed Temporary Administrator Pending Contest of this estate. The Court directed that Greg Lester will report to the Court regarding the merits of the claims in this case on or before the expiration of this Order. The Order will expire on or about January 20, 2016, which is 180 days after the date that the Order was signed.

**BACKGROUND**

**The Brunsting Family**

Nelva and Elmer Brunsting were married and had five (5) children: Candace Louise Curtis (“Candace”), Carol Ann Brunsting (“Carol”), Carl Henry Brunsting (“Carl”), Amy Ruth Tschirhart (“Amy”) and Anita Kay Riley (“Anita”).

**The Brunsting Family Living Trust**

Elmer Brunsting and Nelva Brunsting ( herein referred to as “Settlers”) created the Brunsting Family Living Trust (the “Trust”) on October 10, 1996. The Trust was subsequently restated in its entirety on January 12, 2005. A copy of the Restatement of the Brunsting Family Living Trust (“Restatement”) is attached hereto as the first exhibit.

The Trust could be amended during the lifetime of the original Settlers. However, once a Settlor dies, the Trust could not be amended except by court order.

Each Settlor could provide for a different disposition of their share of the Trust by executing a qualified beneficiary designation for that person’s share alone.

**Trustees of the Brunsting Family Living Trust**

The initial trustees of the Trust were Elmer Brunsting and Nelva Brunsting. The Restatement provided that if both original Co-Trustees failed or ceased to serve, then Carl Henry Brunsting and Amy Ruth Tschirhart would serve as Co-Trustees.

Each original Trustee has the right to appoint successor trustees to serve in the event the original Trustee ceases to serve by death, disability, or for any reason, and may specify any conditions on the succession and service as may be permitted by law. The Restatement also provided that the original Trustees may each remove any trustee they have individually named as their respective successor.

On September 6, 2007, a First Amendment to the Restatement to the Brunsting Family Living Trust was executed by Settlor which changed the succession of successor trustees, a copy of which is attached hereto as the second exhibit. This document appointed Carl Henry Brunsting and Candace Louise Curtis as successor co-trustees if both original Trustees fail or cease to serve. If either Carl Henry Brunsting or Candace Louise Curtis should fail or cease to serve, then the remaining successor trustee would serve alone. If neither successor co-trustee is able or willing to serve, then The Frost National Bank shall serve as the sole successor trustee. The First Amendment effectively removed Amy Ruth Tschirhart as the successor co-trustee and substituted Candace Louise Curtis in her place and stead.

Elmer Brunsting died on April 1, 2009, and after her husband's death, Nelva Brunsting served alone as the original trustee.

On December 21, 2010, Nelva Brunsting exercised her right to designate a successor trustee. Nelva Brunsting executed an Appointment of Successor Trustee, a copy of which is attached hereto as the third exhibit. The Appointment of Successor Trustee stated that if Nelva Brunsting resigned as Trustee, then Anita Kay Brunsting would serve as successor trustee, Amy Ruth Tschirhart would serve as the second successor, and The Frost National Bank as the third successor. If Nelva Brunsting fails or ceases to serve as trustee because of her death or disability, then Anita Kay Brunsting and Amy Ruth Tschirhart would serve as successor co-trustees.

On the same date, on December 21, 2010, Nelva Brunsting also exercised her right to resign as Trustee. Specifically, Nelva Brunsting resigned as Trustee of the Trust, the Nelva Brunsting Survivor's Trust and Elmer Brunsting's Decedent's Trust and appointed Anita Kay Brunsting as trustee of the aforementioned Trusts.

**Split of Brunsting Family Living Trust into the Survivor's Trust and the Decedent's Trust**

After Elmer Brunsting's death on April 1, 2009, the Trust split into two trusts—the Nelva Brunsting Survivor's Trust (the "Survivor's Trust") and the Elmer Brunsting Decedent's Trust

(the “Decedent’s Trust”). Nelva Brunsting, as the original Trustee, served as Trustee over both the Survivor’s and Decedent’s Trusts.

There is no power of appointment related to the Trust which was exercised by Elmer Brunsting prior to his death on April 1, 2009.

Pursuant to the Restatement, the beneficiary of the Survivor’s Trust, Nelva Brunsting, had an unlimited and unrestricted general power of appointment over the entire principal and any accrued but undistributed income of the Survivor’s Trust. This general power of appointment was very broad, and granted the survivor the power to appoint the Survivor’s Trust to anyone, outright or in trust, in equal or unequal proportions.

The Decedent’s Trust would terminate at the surviving Settlor’s death or on the death of Nelva Brunsting. Pursuant to the Restatement, the survivor had a limited testamentary power of appointment to appoint the undistributed principal and income to the descendants of the Settlor only. While Nelva Brunsting (as the surviving Settlor) was restricted to only appointing the assets to her descendants, the assets of the Decedent’s Trust could be appointed by Nelva Brunsting (as the surviving Settlor) to her descendants in any proportion and on terms and conditions as the survivor elects.

**Nelva Brunsting’s June 15, 2010 Qualified Beneficiary Designation and Exercise of Power of Appointment**

On June 15, 2010, Nelva Brunsting executed a Qualified Beneficiary Designation and Exercise of Power of Appointment under Living Trust Agreement, a copy of which is attached hereto as the fourth exhibit. This document exercised Nelva Brunsting’s general power of appointment over the Survivor’s Trust and her limited power of appointment over the Decedent’s Trust.

Specifically, Nelva Brunsting’s exercise appointed the Survivor’s Trust and Decedent’s Trust to be distributed equally among Nelva and Elmer Brunsting’s five (5) children: Candace Louise Curtis, Carol Ann Brunsting, Carl Henry Brunsting, Amy Ruth Tschirhart and Anita Kay Riley. This document also expressed Nelva Brunsting’s intent that upon the death of Nelva Brunsting, any funds advanced to Nelva Brunsting’s descendants would be deducted from that particular descendant’s share of assets received from the Survivor’s Trust and Decedent’s Trust.

**Nelva Brunsting’s August 25, 2010 Qualified Beneficiary Designation and Exercise of Power of Appointment**

On August 25, 2010, Nelva Brunsting executed a Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement, a copy of which is attached hereto as the fifth exhibit. This document appears to have superseded the June 15,

## 2010 Qualified Beneficiary Designation and Exercise of Power of Appointment under Living Trust Agreement.

In this document, Nelva Brunsting exercised her general power of appointment over the Survivor's Trust and her limited power of appointment over the Decedent's Trust. The document stated that the Trustee would pay the balance of both the Survivor's and Decedent's Trust equally to each of her five (5) children: Candace Louise Curtis, Carol Ann Brunsting, Carl Henry Brunsting, Amy Ruth Tschirhart and Anita Kay Riley, and such assets would be held in a separate Personal Asset Trust for the benefit of each of her children. With the exception of Carl and Candace, each descendant would be the trustee of their own Personal Asset Trust. Specifically, Amy Ruth Tschirhart, Anita Kay Brunsting and Carol Ann Brunsting would each be the trustee of their own Personal Asset Trust. Anita Kay Riley and Amy Ruth Tschirhart were appointed the co-trustees of the Personal Asset Trust for Carl Henry Brunsting and the Personal Asset Trust for Candace Louise Curtis. The document also detailed the administrative provisions relating to the Personal Asset Trusts for Nelva and Elmer Brunsting's descendants.

The major change that resulted from the August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement was that Carl Henry Brunsting and Candace Louis Curtis could not elect to be the individual trustee of their own Personal Asset Trusts. The August 25, 2010 document also provided different administrative provisions for the trusts created for the descendants than those provided under Article X of the Restatement.

Notably, the August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement contained a no contest clause which provided a lengthy list of prohibited actions that would fall under such no contest clause. The no contest clause provided that any beneficiary who took such prohibited actions would forfeit their share and be treated as if they predeceased Nelva and Elmer Brunsting.

### **The Death of Nelva Brunsting**

Nelva Brunsting died on November 11, 2011, and the Survivor's Trust and Decedent's Trust terminated and were to pass to the Personal Asset Trusts for Candace Louise Curtis, Carol Ann Brunsting, Carl Henry Brunsting, Amy Ruth Tschirhart and Anita Kay Riley. As detailed above, these Personal Asset Trusts were created pursuant to Nelva Brunsting's August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement.

## CLAIMS

### The Probate Court Claims Filed by Carl Henry Brunsting and Candace Louise Curtis

Carl Henry Brunsting and Candace Louise Curtis have filed claims against Anita Kay Brunsting, Amy Ruth Brunsting (previously Tschirhart) and Carole Ann Brunsting in the Estate of Nelva E. Brunsting, Deceased, pending in Harris County Probate Court Number Four (4) under Cause Number 412,249 (hereinafter referred to as the "Probate Court Claims").

Carl Henry Brunsting and Candace Louise Curtis' Probate Court Claims are twofold. First, individual tort claims have been asserted against Anita Kay Brunsting, Amy Ruth Brunsting (previously Tschirhart) and Carole Ann Brunsting for actions taken either in their fiduciary capacity or purported actions taken which have harmed Carl and Candace. The second category of Carl and Candace's Probate Court Claims relate to requests for declaratory relief in construing the Brunsting Family Living Trust.

The Probate Court Claims that include individual tort claims against Anita Kay Brunsting, Amy Ruth Brunsting and Carole Ann Brunsting contain multiple questions of fact, which are within the province of the jury. Specifically, Carl Henry Brunsting asserted the following tort claims:

1. Breach of fiduciary duty
2. Conversion
3. Tortious interference with inheritance rights
4. Constructive Trust over Trust assets
5. Fraud, specifically, misrepresentation of facts to Decedent (it is questionable whether Carl and Candace have standing to pursue these claims)
6. Civil Conspiracy
7. Demand for accounting of the Trusts and non-probate accounts
8. Liability of Anita Kay Brunsting, Amy Ruth Brunsting and Carole Ann Brunsting under Texas Property Code § 114.031
9. Removal of Trustees
10. Request for Receivership

The Probate Court Claims asserted by Candace Louise Curtis are as follows:

1. Breach of fiduciary duty
2. Fraud resulting from misrepresentation of material facts to Candace
3. Constructive fraud
4. Money had and received
5. Conversion
6. Tortious interference with inheritance rights
7. Unjust enrichment

8. Civil Conspiracy
9. Demand for accounting of the Trusts and non-probate accounts

As a result of the above Probate Court Claims containing questions of fact within the province of the jury, the Temporary Administrator has refrained from evaluating such claims.

The questions of law presented in both Carl Henry Brunsting and Candace Louise Curtis' requests for declaratory relief contained in the Probate Court Claims are as follows:

1. Was Nelva Brunsting's December 21, 2010 Resignation of Original Trustee and Appointment of Successor Trustee valid?
2. Were the June 15, 2010 and August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement an inappropriate alteration of the terms of the Trust?
3. Did the June 15, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement appoint all of the Trust property?
4. Did the August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement revoke the June 15, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement?
5. Is the August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement effective?
6. Do the pleadings filed by Carl and Candace violate the No Contest Clause and is the No Contest Clause void as against public policy?

Based on the powers granted to Nelva Brunsting in the Restatement, Nelva Brunsting appears to have appropriately exercised her right to resign as the original Trustee of the Trust on December 21, 2010, and appointed the successor trustee, Anita Kay Brunsting.

While the Restatement provided that the Trust could not be amended after the death of Nelva or Elmer Brunsting, this did not preclude Nelva Brunsting from exercising her general and limited power of appointments over the Survivor's Trust and Decedent's Trust. Specifically, it appears that Nelva Brunsting appropriately exercised her general power of appointment over the Survivor's Trust and her limited power of appointment over Decedent's Trust by appointing the assets to her five (5) children in trust by and through the August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement. The August 25, 2010 document appears to have superseded and replaced the June 15, 2010 Qualified Beneficiary

Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement. The Restatement granted Nelva Brunsting the power to appoint such assets in trust and place terms and conditions upon such assets as she desired, including her choice to designate trustees of the Personal Asset Trust of Carl Henry Brunsting and Candace Louise Curtis.

**NO CONTEST CLAUSE PROVISIONS**

Any claim by Carl Henry Brunsting and Candace Louise Curtis that Nelva Brunsting lacked capacity and/or was subject to undue influence when she executed the August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement are questions of fact that are within the province of the jury. However, the no contest clauses in the Qualified Beneficiary Designation and in the Restatement must be considered.

Section “A.” of “MISCELLANEOUS PROVISIONS” of the Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement is a no contest clause that would disinherit any person who, among other things, makes the claims stated above. The provisions of this no contest clause include language that the no contest clause applies even if a court finds that the judicial proceedings in question originated in good faith and with probable cause. This Court will have to rule on the validity of this provision.

Article XI, Section C., of the Restatement is also a no contest provision. The provisions of this no contest clause are similar in result to those stated above in the Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement. Therefore, a successful claim that Nelva Brunsting lacked capacity would still be subject to the no contest provisions of the Restatement. In this event the Court would have to rule on the validity of this provision of the Restatement. In both documents the provision is well written.

A decision by the Court upholding either no contest provision might resolve all other issues.

**The Lawsuit of Carl Henry Brunsting in the District Court Proceeding**

Carl Henry Brunsting, in his capacity as Independent Executor of the Estates of Elmer H. Brunsting and Nelva E. Brunsting, filed claims against Defendants Candace L. Kunz-Freed, Vacek & Freed, PLLC f/k/a The Vacek Law Firm, PLLC (collectively the “Defendants”). These claims of Carl Henry Brunsting were filed in the 164<sup>th</sup> District Court of Harris County, Texas (hereinafter referred to as the “District Court Claims”).

Carl Henry Brunsting asserted the following District Court Claims against Defendants in his live pleading, Plaintiff’s Third Amended Petition:

1. Negligence
2. Negligent misrepresentation
3. Breach of fiduciary duty
4. Aiding and abetting

5. Fraud
6. Conspiracy
7. Deceptive Trade Practices Act (“DTPA”) violations

Carl Henry Brunsting also pled tolling, fraudulent concealment and the discovery rule. Carl Henry Brunsting sought damages of actual damages, forfeiture of fees, treble damages and punitive damages, in addition to his attorney’s fees.

Carl Henry Brunsting’s District Court Claims center around the changes Nelva Brunsting made by and through the June 15, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement and the August 25, 2010 Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment under Living Trust Agreement.

In response to Plaintiff’s District Court Claims, Defendants filed a Motion for Traditional and No–Evidence Summary Judgment on the following bases:

1. Carl Henry Brunsting improperly fractured his legal malpractice claims against Defendants;
2. Carl Henry Brunsting’s DTPA claim is barred by the professional services exemption; and
3. Carl Henry Brunsting’s negligent misrepresentation claim and DTPA claim fail because Carl Henry Brunsting admits he is not aware of any misrepresentations made by Defendants.

Defendants also moved for a No-Evidence Summary Judgment on the basis that Carl Henry Brunsting has no evidence supporting one or more of the elements on the claims he has asserted.

A Notice of Vacancy of Party and Motion to Abate Proceeding was filed by counsel for Carl Henry Brunsting. Carl Henry Brunsting has filed a resignation as executor of the aforementioned estates. Until a successor executor is appointed, there is no plaintiff to pursue the action against Defendants and no plaintiff to respond to Defendants’ summary judgment motions. The issue of who will serve as the successor executor of the Estate of Nelva E. Brunsting and the Estate of Elmer Brunsting must be resolved prior to resolving the claims against Defendants.

A Motion to transfer the district court matter to the probate court where both estates are pending has also been filed, but not yet ruled upon.

### **DAMAGES**

Actual damages, of course, are disputed. However, the actual distributions from the Trust after Nelva resigned until shortly after she died seemed to be reasonably well documented. Previously an independent investigation resulted in a listing of the payments made from the trust.

This **REPORT OF MASTER** that was prepared in the case filed in the Southern District of Texas federal court case has the details of the Trust's income, expenses and distributions of stock. A copy of this report is attached hereto as the sixth exhibit.

From this and from changes in the assets of the trust during the period in question the damages can be determined and are basically in three categories.

Transfers of Stock

2,765 shares of Exxon Mobil stock were transferred as follows:

	1, 120	Amy
	160	Anita
	160	Candace
	<u>1, 325</u>	Carol
TOTAL	2,765	

675 shares of Chevron stock were transferred as follows:

	135	Anita
	135	Amy's daughter
	135	Amy's son
	135	Anita's daughter
	<u>135</u>	Anita's son
TOTAL	675	

It is easy to see that these distributions of stock were not evenly distributed to the five siblings. I have been told that the distributions were in fact early distributions of the recipients share from their future trusts. This could be resolved by giving those siblings that did not receive an equal amount at the time of the distributions an equivalent amount of money to settle the dispute. Of course the issue is further complicated by the fact that the value of the two stocks has changed since the time of the distributions. The proper way to determine the amount to be distributed might be to use the value of the stock on the date of the original distributions or the value on the date that money is paid to the damage sibling, whichever is greater.

Payments To/For Family

Approximately \$108,000 were paid to or for the benefit of Amy, Anita and Carol or disputed expenses including approximately \$41,000 of trustees' fees and approximately \$36,000 of legal fees.

Payments To Carol for Nelva's Care

Approximately \$160,000 was paid to Carol during the period in question. I was told that Carol was the primary sibling responsible for Nelva's care.

### **SUMMARY OF DAMAGES**

It seems unwise to have made the stock distributions. However, this can be resolved by equalizing the distributions to all the siblings. The issue of trustees' fees can be resolved by comparing the fees to those that are considered as reasonable fees in similar circumstances. The legal fees are obviously justified and will surely increase. The amounts paid to Carol can be examined but should be liberally considered as attributed to Nelva's care and maintenance.

### **CONCLUSIONS**

All of the legal actions taken by Nelva were within her authority under the broad provisions of the Restatement. Unless Nelva is found to have been incompetent at the time that her legal actions were taken all of the changes made in these documents apply in these proceedings.

If Nelva was incompetent at the time that she took these legal actions then a successor trustee would have been appointed under the terms of the Restatement. No claim of her being incompetent was made at that time.

Furthermore, if Nelva had been incompetent the plaintiff in the District Court case would likely have to show that the defendants knew that she was incompetent. For this and other reasons the case should be moved to the Probate Court.

There are damages for the unequal distribution of the shares of Exxon Mobil and Chevron stock. There may be damages for some of the expenditures for trustees' fees and for payments to Carol. These matters should be resolved by agreement. This may require mediation. The considerable legal fees involved in a trial far outweigh the expenses of a mediation and any compromises made by the parties at the mediation.

### **RECOMMENDATIONS**

1. Remove the District Court case to the Probate Court. It is important that there not be different results for the same or similar issues that are in the cases currently in the Probate Court.
2. Require mediation. Point out the huge savings that will result from a mediation versus a trial. Possibly, inform the parties that the Court will rule on the no contest clause first if the matter is not settled in the mediation. Since this ruling could go either way both sides would have considerable incentive to settle. A ruling in favor of the no contest clause would essentially make the matters moot and the plaintiffs would take nothing and lose their inheritance.

**PLAINTIFF CURTIS' RESPONSE TO DEFENDANTS' NO-EVIDENCE MOTION FOR PARTIAL SUMMARY JUDGMENT AND MOTION AND DEMAND TO PRODUCE EVIDENCE PURSUANT TO EVIDENCE CODES §§1002, 1003**

TO THE HONORABLE PROBATE COURT:

Plaintiff Candace Louise Curtis (Curtis) brings her response to the No-Evidence Motion for Partial Summary Judgment filed jointly by Defendants Anita Brunsting and Amy Brunsting, and will respectfully show that more than a scintilla of evidence exists as to a genuine issue of material fact relating to the existence, authenticity, and validity of an instrument referred to as the 8/25/10 QBD, as hereinafter more fully appears.

**TRUST CHRONOLOGY**

In 1996 Elmer Brunsting and his wife Nelva Brunsting created The Brunsting Family Living Trust for their benefit and for the benefit of their 5 children (The Trust).

In 2005 Elmer and Nelva restated their trust, completely replacing the original 1996 trust (Restatement).

In 2007 the first and only Amendment to "The Trust" was signed by both Elmer and Nelva, and replaced Amy with Candace as successor co-trustee with Carl (Amendment).

Allegedly, an Appointment of Successor Trustees was executed July 1, 2008 appointing Anita as successor co-trustee with Carl. (7/1/08 AST)

The Brunsting Family Living Trust became irrevocable at the death of Elmer Brunsting on April 1, 2009, pursuant to Article III (B) of the Restatement, and could only be amended by a court of competent jurisdiction.

Upon the death of Elmer on April 1, 2009, The Elmer H. Brunsting Decedent's Trust (DT) was created as an irrevocable trust pursuant to Article III (B) and Article VII (A) of the Restatement, and could only be amended by a court of competent jurisdiction.

Also upon the death of Elmer on April 1, 2009, the Nelva E. Brunsting Survivor's Trust (ST) was created. The ST was revocable and amendable, pursuant to Article III Section (B) and Article VII Section (B)(1) of the Restatement.

On June 15, 2010, a "Qualified Beneficiary Designation and Testamentary Power of Appointment under Living Trust Agreement", was introduced (6/15/10 QBD).

On August 25, 2010, a "Qualified Beneficiary Designation and Testamentary Power of Appointment under Living Trust Agreement", was introduced (8/25/10 QBD).

Upon the death of Nelva, all of the aforementioned Trusts were to terminate, resulting in the creation of five equal (5) Personal Asset Trusts (PAT), one for each beneficiary.

**OBJECTION NO. 1 ASSUMING FACTS - BEST EVIDENCE REQUIRED  
MOTION PURSUANT TO EVIDENCE CODES §§1002, 1003**

There are legitimate questions regarding the existence and authenticity of the 8/25/2010 QBD instrument, as hereinafter more fully appears. Plaintiff Curtis objects to Defendants assuming facts not in evidence, and objects to Defendants' improper attempts at shifting the burden of bringing forth evidence onto Plaintiff(s).

Plaintiff Curtis further objects to the introduction of alleged copies and, therefore, pursuant to Evidence Code §§1002 & 1003, Plaintiff demands Defendants produce only the 8/25/2010 QBD actually signed by Nelva Brunsting, and herein moves the Court for an order that only the original instrument with the wet signed signature page be allowed in evidence on the following ground.

**The Allegation of No-Evidence**

Defendants' "Joint No-Evidence Motion for Partial Summary Judgment" alleges five (5) blanket no-evidence claims, without reference to a particular petition brought by a particular claimant. Defendants are clearly using the petition brought by Carl Brunsting as Executor of the Estate of Nelva Brunsting, and not the petition brought by Plaintiff Curtis, and do not distinguish although the petitions are plainly distinguishable. Defendants' no-evidence claims are:

1. Nelva's signature on the 8/25/10 QBD was forged.
2. Nelva lacked capacity when she executed the 8/25/10 QBD.
3. Nelva was unduly influenced into executing the 8/25/10 QBD.
4. Nelva was fraudulently induced into executing the 8/25/10 QBD.
5. Nelva executed the 8/25/10 QBD under duress.

Inherent in the first assertion is the notion that Nelva did not sign the 8/25/2010 instrument, while the subsequent assertions are based upon a presumption that Nelva Brunsting did sign the 8/25/2010 instrument, but that the signature was somehow obtained improperly.

Plaintiff Curtis has two pending petitions for declaratory judgement. Only one petition refers to the 8/25/2010 QBD, and it raises ground upon which the 8/25/2010 QBD fails that are not addressed in Defendants' joint motion and, thus, are beyond the scope of this response. However, based upon the five specific no evidence challenges presented, it necessarily follows that the rudimentary division in these 5 contentions is but twofold:

1. Nelva did not sign the 8/25/2010 instrument
2. Nelva signed the 8/25/2010 instrument

If one chooses to believe that Nelva did not sign the instrument, the questions begin with how did the likeness of Nelva's signature and Freed's signature and notary stamp find their way to these papers?<sup>1</sup> A plethora of further inquiries would necessarily follow.

If, on the other hand, one chooses to believe that Nelva did sign the instrument, the subdivisions of inquiry are again twofold:

1. Nelva signed the 8/25/2010 instrument knowledgeably and intentionally
2. Nelva signed the 8/25/2010 instrument, but did so under some form of duress, deception, mistake, or diminished capacity.

Defendants seek to shift the burden onto Plaintiff(s) to prematurely prove the secondary aspects related to the "assumed fact" that Nelva signed the instrument, while at the same time Defendants' motion is quick to say:

*"There is no evidence that Anita and/or Amy were present when Nelva executed the 8/25/10 QBD."*

---

<sup>1</sup> The term "these" is plural and was purposely selected as will be shown.

There is also no evidence in the record that suggests Plaintiff Curtis or Plaintiff Brunsting were present when Nelva allegedly executed the 8/25/10 QBD. There is no evidence that Defendant Carole Brunsting was present when Nelva executed the 8/25/10 QBD.

### **Did Nelva Sign the 8/25/2010 Instrument with Knowledge and Intent?**

Defendants insist the 8/25/2010 QBD is valid, but admit they have no personal knowledge of its creation or execution, so what exactly do we know?

Emails attached to Plaintiff's federal petition and affidavit show Plaintiff telling Defendant Carole Brunsting she spoke to their Mother on the phone the day after the October 25, 2010 phone conference<sup>2</sup>, and asked about this August 25, 2010 QBD and what it purports, and that Nelva insisted she did no such thing. Nelva followed that conversation with a hand written note regarding Amy and Anita's claims of being co-trustees for the Plaintiffs' Personal Asset Trusts saying "not true". (Exhibit A)<sup>3</sup>

Nelva's hand written notecard states:

*"So I heard you were concerned that any money you receive after I 'leave this mortal coil' will be put in a trust and Anita would have to deal it out.*

*This not true. You'll will get whatever share is yours. If you don't know how to manage money by now it's too late."*

### **Substantial Evidence is Already Before the Court**

The Record clearly shows 3 distinctly different "true and correct copies" of the 8/25/2010 QBD, all bearing the likeness of a Nelva signature, a Candace Freed signature and the image of Freed's notary seal, but the three "true and correct copies" do not share the same image of Nelva's signature.

1. In Anita's 156 page objection filed December 5, 2014 the QBD appears at pdf pages 96 through 132 with signature page 37 at p132 bearing bates stamp P229. (Exhibit B\_1)
2. In Carole's 133 page objection filed Feb. 17, 2015 the QBD appears at pdf pages 97 through 133 with signature page 37 appearing at p133 bearing Bates stamp P192. (Exhibit B\_2)

---

<sup>2</sup> Affidavit attached to Curtis original federal complaint Exhibit P-8 filed with this court 02102015:1527:P0074

<sup>3</sup> This exhibit was attached to the petition filed in the federal court on February 27, 2012 as Plaintiff Exhibit 16 made a part of the record of this court Feb. 9, 2015 at pages 66 & 67 in Document #BT-2015-45555

3. Curtis original federal court complaint, affidavit and exhibits were made a part of the probate court record on February 9, 2015. In the 601 page pdf document the August 25, 2010 “Qualified Beneficiary Designation and Testamentary Power of Appointment under Living Trust Agreement” (QBD) appears at pdf pages 552 through 588 with signature page 37 at p588. (Exhibit B\_3)

Plaintiff Curtis obtained Candace Freed’s notary logs for August 25, 2010 (Exhibit C).

These pages show a notary log book that does not conform to Tex. Gov’t Code §406.014.

Based upon the obvious inability of the Defendants to agree as to what “version” of this mysterious 8/25/2010 QBD is the one “true and correct” version, and given that none of them claim personal knowledge of its creation or signing, and given that the notary logs are unusual and no certifiable copy of an “original” 8/25/2010 QBD has been introduced into evidence, certainly there are genuine questions raised as to a material fact regarding the instrument.

It would necessarily follow that questions surrounding the existence of the instrument would precede ancillary inquiries into the validity of the instrument’s authenticity, precede questions addressing the improper purposes the instrument attempts to accomplish, precede inquiries into the opacities created from the instrument’s attempted amalgamation of incompatible powers, and precede any discussion of the instrument’s attempt to improperly merge incompatible trusts.

### **Defendants’ Background Statement**

Defendants’ Motion seeks to mischaracterize the breach of fiduciary and conspiracy to steal the family inheritance suits as merely a “family dispute”. These suits are more properly characterized under the civil law and the laws of equity as fiduciary relationship actions. The questions surrounding Defendants’ actions would also seem to invoke Texas Penal Code considerations, and the fact that Plaintiffs and Defendants are siblings is a secondary premise, having no immediate evidentiary value.

Defendants’ Motion relates the first background part as:

*“Elmer and Nelva created the Brunsting Family Living Trust on or about October 10, 1996. The trust was restated on January 12, 2005 (the "Family Trust") Elmer and Nelva served as trustees of the Family Trust until 2008, when Elmer lost the ability to handle his financial affairs and Nelva served as trustee alone. In 2008, Nelva appointed Carl and Anita to serve as successor co-trustees”*

Defendants are asking the Court to assume facts that are not in evidence and consistently skip from the 2005 restatement to some other place in time. In this instance they skip to the alleged July 1, 2008 appointment (Exhibit D), never once having mentioned the 2007 Amendment. (Exhibit E)

### **The July 1, 2008 Appointment of Successor Trustees**

Defendants' Motion claims:

*"This litigation started more than thirty-eight (38) months ago. Plaintiffs had sufficient time for discovery in this suit and the three (3) other actions related to the 8/25/10 QBD".*

The disclosure CD received from the Defendants at the federal injunction hearing April 9, 2013 (more than a year after the federal suit was filed) contained Bates #'s BRUNSTING000001 - BRUNSTING 004922. Defendants claimed they had disclosed and accounted for everything, while Plaintiff continued to allege that known assets of the trust remained unaccounted for, and that true and correct copies of all trust documents in Defendants' possession had not yet been disclosed.

Normally 38 months would be more than ample time for litigants to exchange disclosures and discovery. Despite the fact that Anita's June 4, 2015 interrogatory replies claim it had already been disclosed, it was not until June 25, 2015, the day before Defendants' no-evidence motion was filed, that the Defendants finally responded to Plaintiff's continued requests for disclosure of the alleged 2008 appointment instrument. Defendants even rely on the instrument to assert at page 2 of their Motion:

*"In 2008, Nelva appointed Carl and Anita to serve as successor co-trustees."*

The claim that Nelva appointed Anita to serve as successor co-trustee with Carl in 2008 is a fact question in dispute, as under the terms of the 2005 Restatement Nelva held no such power. Nelva's power to remove trustees was limited to those she had individually selected. (See Article IV Page 4-2 (Bates P240) Attached as Exhibit F).

### **De jure, De facto, or Usurper?**

In the 2007 Amendment Amy was removed as a successor co-trustee with Carl and replaced by Candace. If Carl or Candace failed to serve the alternate was to be Frost Bank.

Prior to making that change Nelva emailed Candace asking if she would be willing to serve as co-trustee with Carl stating that she thought Candace had a better relationship with her siblings. (Exhibit G)

The 2007 Amendment was the first and only amendment to the trust signed by both Elmer and Nelva Brunsting. After the incapacitation or death of one of the founders, the trust could only be amended by a court of competent jurisdiction. The July 1, 2008 instrument was only signed by Nelva, clearly indicates that Elmer was incompetent, and therefore is invalid.

The trustees for the irrevocable decedent's trust at the death of Elmer Brunsting would be those named by both Elmer and Nelva in the 2007 Amendment to the family Trust, and prior to Elmer's death there were no individual trustee appointments to be changed by Nelva alone.

This sound legal reasoning also applies to the invalidity of the alleged appointments dated August 25, 2010 and December 21, 2010, and the certificates of trust based thereon.

Defendants are not now and have never been de jure trustees for the irrevocable family or Decedent's Trust and defendant's motion disingenuously seeks to avoid any such deliberations.

### **Objection No. 2 Defendants' Motion is Disingenuous**

Defendants improperly use their motion to advance irrelevant allegories. In Defendants' motion at page 3 they claim Plaintiff(s)' Petition(s) for Declaratory Judgment are ground in petty emotions:

*"The chief change that prompted plaintiffs' challenge to the 8/25/10 QBD is that the co-trustees for Carl's and Candace's interest under the trust changed from: (1) Anita and Carl; to (2) Anita and Amy. Apparently, the change in co-trustees from Anita and Carl to Anita and Amy offends Carl and Candace"*

Defendants continue by contending that the focus of their Motion is very narrow and specific:

#### *III. Argument & Authorities*

*"This motion relates solely to plaintiffs challenges to the 8/25/10 QBD"*

Defendants make this claim while simultaneously using their Motion to advance a false thesis, to suggest false conclusions, to assume facts, to falsely claim honorable intentions, and to make numerous assertions about other matters already settled in plaintiff's favor or remaining in dispute, as if those matters were settled and established in defendant's favor.

Defendants' go on to downplay the significance of their Trojan horse as negligible:

*"For plaintiffs, the sole impact is the change in co-trustees from:  
(1) Anita and Carl; to (2) Anita and Amy"*

The evidence will, in fact, show the alleged change was from Carl and Candace to Anita and Amy, that the alleged change was improper and that the intended impact on Plaintiff(s) is the one stated in Anita's December 5, 2014 "Response to Candace's Motion for Distribution of Trust Funds".

On page 1 at item 4 Anita says:

*"4. If the Court finds the in terrorem clause is enforceable, then Candace and Carl have no right to any distribution from the trust".*

In recent interrogatories and requests for fiduciary disclosures returned by Amy Brunsting June 25, 2015, Curtis asks a series of questions regarding the fiduciaries' distribution standards. The questions were taken directly from the Northern Trust Company web site informational area. Defendant's response to the inquiry they renumbered as 15 is telling:

*"15. What circumstances should or should not exist prior to a distribution from "the trust"?"*

*RESPONSE: Defendant objects to this interrogatory as unintelligible. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague.*

*Subject to and without waiving the foregoing objections, currently, with respect to Candace, the Court must resolve Candace's claims and allegations in the pending lawsuit and, in particular, Candace's allegation that the no contest provisions in the trust instruments are unenforceable, prior to a distribution"*

Is it trustees burdened with the fiduciary duties of loyalty and utmost good faith owed to beneficiaries Carl and Candace who are making these claims, or is it conflicted co-beneficiaries who seek to stifle inquiry into illicit conduct? The answer should be obvious.

The manifest impact of this alleged successor trustee "change" is alterations to the trust that could not be done under terms of the trust; actions prohibited by law and by the trust that have been performed and acts required by the terms of the trust that have not been performed and the negative impact of this "change" on the trust has been absolute economic devastation.

**Objection No. 3 Defendants' Motion is Vague and Productive Only of Confusion**

Plaintiff Candace Louise Curtis objects to Defendants Amy and Anita Brunsting's Joint Motion for No-Evidence Partial Summary Judgment, on the ground that the Motion is vague and misleading.

Relevant to Defendants' Motion, two separate lawsuits were brought by two different plaintiffs, in two different courts, 14 months apart, with separate and distinct claims, notwithstanding the fact that both Plaintiffs' claims involve the same parties, acts and events, or that there are other related lawsuits involving additional defendants and claims.

Defendants' Motion makes numerous assertions while failing to distinguish between the plaintiffs, the lawsuits, or the pleadings, attempting to create some sort of egocentric mélange. This same amalgamation methodology of ambiguity is a fundamental defect of the 8/25/2010 QBD addressed in Curtis' Petition for Declaratory Judgment, but not mentioned in Defendants' Motion at all.

Plaintiffs are siblings not Siamese twins. The records and pleadings in one lawsuit cannot be juxtaposed as if they were the records and pleadings in the other. Using the term "plaintiffs" as a reference, without distinguishing the particular plaintiff, the particular case, or citing to the specific pleadings to which Defendants Amy and Anita Brunsting jointly refer, has created nothing but opacities.

**The Proper Party, Case and Declaratory Judgment Distinctions**

Plaintiff Carl Henry Brunsting filed suit against Amy, Anita and Carole Brunsting in the Harris County Probate Court, individually and as Executor for the estates of Nelva and Elmer Brunsting, seeking declaratory judgment and accounting, on the same day a hearing was held on Curtis' application for injunction in the federal court, April 9, 2013.

Plaintiff Candace Louise Curtis filed suit against Amy and Anita for breach of fiduciary, in the United States District Court for the Southern District of Texas on February 27, 2012, not raising any issues relating to the 8/25/10 QBD.

Plaintiff Curtis' pleadings in the federal court did not seek declaratory judgement until May 9, 2014, when she filed her first amended petition. Under the federal rules a plaintiff can only amend a complaint with leave of the Court, and only on an application showing the assent of opposing counsel, or a statement detailing efforts to obtain the assent of the parties and

expressing the reasons for plaintiff's inability to do so. This is all in the public record and Plaintiff Curtis would respectfully ask the Court to take Judicial Notice of the Federal Record.<sup>4</sup>

The amendment to Curtis' federal complaint was part of a stipulation approved by Defendants' counsel, as stated in the application for the Court's leave to amend. The stipulation involved a number of concessions and conditions exemplified by: 1) an application for leave to amend; 2) the Amended Complaint; and 3) Plaintiff's Motion for Remand to this Court.

The stipulation for remand involved amending the complaint to: 1) add necessary Party Carole Brunsting; 2) add involuntary Plaintiff Carl Brunsting, thus polluting the diversity required by 28 USC §1332; and 3) the addition of declaratory judgment claims. The remand also included keeping the federal injunction in full force and effect as a condition of the remand.

The petitions for declaratory judgment added by Curtis' first amended petition do not mirror the petitions for declaratory judgment brought by Carl Brunsting.

#### **SUMMARY OF PLAINTIFF'S RESPONSE TO DEFENDANTS' NO-EVIDENCE MOTION FOR PARTIAL SUMMARY JUDGMENT**

Defendants seek to trivialize several lawsuits involving conspiracy to steal the family inheritance, fraud, breach of fiduciary, co-mingling, self-dealing, and other secreted acts, as if such claims represent challenges to a single document and, more absurdly, a sibling rivalry motivated by petty emotions.

*"Carl and Candace ("Plaintiffs") brought several proceedings alleging every conceivable means to challenge the 8/25/10 QBD"*

This statement of the record is a gross exaggeration. The 8/25/10 QBD is the object of two separate and distinct petitions for declaratory judgment, brought at dissimilar stages of separate proceedings by diverse plaintiffs.

The several lawsuits were by no means brought specifically to challenge the 8/25/10 QBD, as it is but a small piece in a much larger fraud mosaic.

<sup>4</sup> 4:12-cv-00592 Candace Louise Curtis v. Anita Kay Brunsting et al Case remanded to Harris County Probate Court No. 4. Kenneth M. Hoyt, presiding, Date filed: 02/27/2012, Date terminated: 05/15/2014, Date of last filing: 05/15/2014

### LEX NON COGIT AD IMPOSSIBILIA

The respondent is not required to marshal its proof and need only point out evidence that raises a genuine fact question on the challenged elements.”<sup>5</sup>

The absence of a reliable instrument in evidence forecloses Defendants’ no-evidence challenge as improperly seeking to shift the burden of bringing forth evidence onto Plaintiff(s), who cannot be called upon to prove the non-existence of the asserted fact of its existence.

Plaintiff has shown substantially more than the marginal amount of evidence required to defeat Defendants’ Motion. The burden of bringing forth evidence to establish the existence and validity of an 8/25/2010 QBD rests squarely upon these Defendants, who are the only proponents of the existence, validity and applicability of the instrument.

### CONCLUSION

If one of the three exhibits of the 8/25/2010 QBD is a true and correct copy of an original wet signed document, what are the other two exhibits true and correct copies of?

If Nelva knowingly and willfully executed the 8/25/2010 QBD, why does she say in regard to what it purports “this not true”?

Why does the content of Candace Freed’s Notary Log not conform to the requirements of Tex. Gov’t Code §406.014, and why does it contain such unusual line/page anomalies?

If the 8/25/2010 QBD is benign, and merely changes trustee appointments as Defendants claim, why do they cling to it so dearly despite admitting no personal knowledge of its creation or execution?

Unless and until such an instrument can be physically produced and qualified as evidence with declaration as to the full chain of custody, the inquiries into whether Nelva signed the instrument and under what conditions are as moot as discussions of the applicability of the alleged instrument’s content.

Plaintiff Candace Louise Curtis herein affirms, under penalty of perjury pursuant to the laws of Texas that the foregoing statements are true and correct and based upon personal knowledge.

---

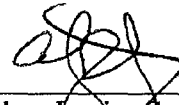

<sup>5</sup> TEX. R. CIV. P. 166a(i)

Furthermore, references to the record and the attached Exhibits are true and correct references and representations of the things to which they speak.

Plaintiff Candace Louise Curtis has herein presented sufficient evidence in response to Defendants' Motion for No-Evidence Partial Summary Judgment to raise a genuine issue of a material fact. The Court should properly deny Defendants' Motion for the numerous reasons shown, and Plaintiff so moves the Court.

Plaintiff seeks the above judicial remedy and prays for an order for Defendants to pay all costs associated with hearings on their Motion, including Plaintiff's transportation, lodging, meals and legal costs.

Respectfully submitted,

7/1/08 App of Succ Trustees

APPOINTMENT OF SUCCESSOR TRUSTEES

WHEREAS, NELVA ERLEEN BRUNSTING, also known as NELVA E. BRUNSTING, is a Founder of the Brunsting Family Living Trust dated October 10, 1996, as amended, (the "Trust Agreement"); and,

WHEREAS, Pursuant to Article IV, Section B, of the Brunsting Family Living Trust entitled "Our Successor Trustees," an original Trustee will have the right to appoint his or her own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any other reason, as well as specify conditions relevant to such appointment; and,

WHEREAS, ELMER H. BRUNSTING is no longer able to manage his financial affairs, as is evidenced by the physicians' letters attached. Therefore, pursuant to Article IV, Section B, of the Brunsting Family Living Trust Agreement, the remaining original Trustee, NELVA E. BRUNSTING, continues to serve alone

WHEREAS, the said NELVA E. BRUNSTING is desirous of her right as original Trustee to designate, name and appoint her own successors to serve as Trustees in the event that she ceases to serve by reason of death, disability or for any other reason, as well as specify conditions of such appointment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

NELVA E. BRUNSTING makes the following appointment:

IF, NELVA E. BRUNSTING, fail or cease to serve by reason of death, disability or for any other reason, then the following individuals will serve as successor Co-Trustees:

CARL HENRY BRUNSTING and ANITA KAY BRUNSTING

CARL HENRY BRUNSTING and ANITA KAY BRUNSTING shall each have the authority to appoint his or her own successor Trustee by appointment in writing.

If a successor Co-Trustee should fail or cease to serve by reason of death, disability or for any other reason, then the remaining successor Co-Trustee shall serve alone. However, if neither successor Co-Trustee is able or willing to serve, then CANDACE LOUISE CURTIS shall serve as sole successor Trustee. In the event CANDACE LOUISE CURTIS is unable or unwilling to serve, then THE FROST NATIONAL BANK shall serve as sole successor Trustee.

In order to maintain the integrity of the Trust Agreement and to meet my estate planning desires and goals, my Trustees shall comply with the directive set forth below to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

BRUNSTING005805

**1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information**

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this document or any subsequent documents signed by the Founders, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in the Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed *incapacitated*.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

**2. Obtain the Release of Protected Health Information**

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. The Founder has signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

in the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

**3. Determination of "Incompetence" or "Incapacity"**

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the terms "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physician-patient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other

for the health or medical information in order to determine their competency or incapacity, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so doing, waive all provisions of law relating to disclosure of confidential or protected health or medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next

Trustee, or, if necessary, the Trustee may legally defend against any claim, suit, demand, contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately upon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.

**Article IV**

**Our Trustees**

**Section B. Our Successor Trustees**

Each of the original Trustees will have the right to appoint their own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any reason, and may specify any conditions upon succession and service as may be permitted by law. Such appointment, together with any specified conditions, must be in writing.

If an original Trustee does not appoint a successor, the remaining original Trustee or Trustees then serving will continue to serve alone.

If both of the original Trustees fail or cease to serve by reason of death, disability or for any reason without having appointed a successor or successors, then the following individuals or entities will serve as Co-Trustees:

CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS

CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS shall each have the authority to appoint his or her own successor Trustee by appointment in writing.

If a successor Co-Trustee should fail or cease to serve by reason of death, disability or for any other reason, then the remaining successor Co-Trustee shall serve alone. However, if neither successor Co-Trustee is able or willing to serve, then THE FROST NATIONAL BANK shall serve as sole successor Trustee.

Successor Trustees will have the authority vested in the original Trustees under this trust document, subject to any lawful limitations or qualifications upon the service of a successor imposed by any Trustee in a written document appointing a successor.

A successor Trustee will not be obliged to examine the records, accounts and acts of the previous Trustee or Trustees, nor will a successor Trustee in any way or manner be responsible for any act or omission to act on the part of any previous Trustee.

# EXHIBIT F

A successor Trustee will not be obliged to examine the records, accounts and acts of the previous Trustee or Trustees, nor will a successor Trustee in any way or manner be responsible for any act or omission to act on the part of any previous Trustee.

**Section C. No Bond is Required of Our Trustees**

No one serving as Trustee will be required to furnish a fiduciary bond as a prerequisite to service.

**Section D. Resignation or Removal of Our Trustees**

We may each remove any Trustee we may have individually named as our respective successors. Any appointee serving or entitled to serve as Trustee may resign at any time and without cause, and the instructions in this trust will determine who the successor will be. All removals or resignations must be in writing.

In the event that no Trustee is remaining who has been designated in this trust, a majority of all adult income beneficiaries and the legal guardians of all minor or disabled beneficiaries of the trust shares created hereunder shall have the power to appoint any corporate or banking institution having trust powers as the successor Trustee. Such power shall be exercised in a written instrument in recordable form which identifies this power, identifies the successor Trustee, contains an acceptance of office by such successor Trustee and identifies the effective time and date of such succession.

A majority of all adult beneficiaries and the legal guardians of all minor or disabled beneficiaries who are then entitled to receive distributions of income from the trust, or distributions of income from any separate trust created by this document, may only remove any corporate or institutional Trustee then serving, the notice of removal to be delivered in writing to the said Trustee.

If such beneficiaries shall fail to appoint a successor corporate or institutional Trustee, the selection of a successor to the Trustee will be made by a court of competent jurisdiction.

**Section E. Affidavit of Authority to Act**

Any person or entity dealing with the trust may rely upon our Affidavit of Trust, regardless of its form, or the affidavit of a Trustee or Trustees in substantially the following form:

Hi: I have a question for you Candy. Would you be willing to serve as co-trustee with Carl? Amy is on there now but I'm going to take her off because I don't think she is stable enough. I'll think of a good excuse so she won't get her feelings hurt. It might entail a trip or two when the time comes(doesn't that sound ominous???) but you would b paid for your traveling expenses. I think you have a better relationship with your siblings than she. Let me know.

MORNING SESSION

August 3, 2015

- \* - \* - \* - \* - \* - \* - \* - \* - \* - \* - \* - \* -

THE COURT: We are here in Cause No. 412,249-401, the Estate of Nelva E. Brunsting, Deceased.

We're here on Carl Henry Brunsting's motion for protective order. And present are -- my docket sheet says Neal Spielman for Amy Brunsting --

MR. SPIELMAN: Yes, Your Honor.

THE COURT: And Brad Featherston for Anita Brunsting-Riley.

MR. FEATHERSTON: Present, Your Honor.

THE COURT: And then Stephen Mendel --

MR. FEATHERSTON: He's with my firm, Your Honor.

THE COURT: Okay. I'm sorry. He is not present.

And Bobbie Bayless is here for Carl Brunsting and also for Drina Brunsting.

MS. BAYLESS: Yes, Your Honor.

THE COURT: Candace Curtis is pro se, and I don't see her in the courtroom.

And then --

MS. BEDUZE: Kathleen Beduze for Carole

1 Brunsting, Darlene Smith left.

2 THE COURT: Kathleen Beduze is here for  
3 beneficiary, Carole Brunsting who is here?

4 MS. BEDUZE: Correct. And we joined in  
5 the response.

6 THE COURT: Thank you.

7 MS. BEDUZE: We jointly filed that.

8 THE COURT: Okay.

9 MR. SPIELMAN: Response?

10 THE COURT: I haven't found -- we don't  
11 have a response.

12 MR. SPIELMAN: Well, that would  
13 probably be my problem, Judge.

14 My office filed it on Friday afternoon.  
15 At the very least, I have confirmation pages that it  
16 went to the attorneys.

17 THE COURT: Okay. Did Ms. Bayless --  
18 did you receive a copy of the response?

19 MS. BAYLESS: I did. I didn't ever  
20 receive any notification it was filed, but I did  
21 receive a fax.

22 MR. SPIELMAN: I can step out while you  
23 guys get going and call my office and see if we have  
24 the confirmation.

25 THE COURT: Well, we can check if it

1 has been filed.

2 (SHORT DELAY IN PROCEEDINGS.)

3 MR. SPIELMAN: Judge, I don't know --  
4 we have an envelope number, and I can tell you the  
5 envelope number was 6316359, and it was I guess put  
6 into the system, whatever the proper terminology is,  
7 at 4:08 p.m. on 7/31/15 which would be last Friday,  
8 and it says that it is submitted is the terminology  
9 there.

10 THE COURT: So --

11 MR. SPIELMAN: Yeah, but, I mean, I  
12 think hopefully the most important part for the  
13 purposes of our hearing, with all due respect to the  
14 Court, but the attorneys at least all have it. So  
15 nobody on this side of the Bench at least is surprised  
16 by it.

17 THE COURT: Okay. All right.

18 Ms. Bayless?

19 MS. BAYLESS: Your Honor, we're here on  
20 a -- what my motion was termed a motion for protective  
21 order. It actually goes beyond the issues of  
22 pre-trial discovery.

23 And you will see from the defendant's  
24 response they kind of deal with it as just a typical  
25 motion for protective order involving pre-trial

1 discovery issues.

2           As to background, which is set forth in  
3 my motion, but basically is that back in 2012, the  
4 plaintiff didn't have very much information on what  
5 had occurred -- we did a pre-suit discovery action --  
6 asked for recordings, both video and audio, got  
7 nothing.

8           The defendants in this case have gone  
9 through several counsel. They said they were going to  
10 produce everything, and that person was fired. I  
11 don't know what happened, I'm not sure. But since  
12 Mr. Spielman and Mr. Featherston have been in there,  
13 there have been several supplemental responses.

14           And then suddenly on July 1st, I get  
15 this envelope in the mail that had what is obviously  
16 recordings that my clients did not know about or  
17 consent to, and audio recordings obviously made while  
18 Carl was at his mother's home and had telephone  
19 conversations with his wife and video recordings from  
20 Carl's ICU hospital room.

21           I tried to communicate -- I don't think  
22 I had a conversation with anybody but Mr. Featherston  
23 in fairness -- but I tried to -- because he's the  
24 person who produced them. I called him up and tried  
25 to get an explanation from him for why these weren't

1 illegal recordings, and what we were going to do about  
2 that, and stressed that -- he I think sort of had the  
3 impression, well, Drina is mad about this. And I  
4 tried to explain to him this was a big deal to  
5 everyone concerned, including me.

6 We were going to continue to talk about  
7 it. He wanted to see the motion for protective order  
8 before he wanted to -- me to discuss any up front.

9 So I said, well -- we had -- at that  
10 time, we didn't yet have our third-party administrator  
11 and our temporary administrator, and so I just felt  
12 the need to get it on file.

13 Subsequently, what he did say to me in  
14 that conversation that is set forth in their response  
15 is that these came from an answering machine. I do  
16 not want to go into the substance of the conversations  
17 for the very reason that they are, in my view, illegal  
18 wiretap conversations, but they are not from an  
19 answering machine.

20 There is no answering machine answering  
21 these recordings. They are clearly edited in some  
22 instances because they stop in the middle of a  
23 sentence. There is no dating on -- other than looking  
24 at the property of the recordings that were sent to  
25 me, which in and of itself is interesting, because

1 these recordings occurred back in March of 2011. The  
2 video recordings occurred in May of 2011.

3 And so clearly were edited in February  
4 of this year. We were down here having hearings in  
5 February of this year about this temporary  
6 administration issue.

7 The other interesting thing is that I  
8 believe they were mailed to me on the same day that  
9 the defendants filed their no evidence motion for  
10 summary judgment suggesting that there had been plenty  
11 of time for discovery on that period since 2012, I  
12 think a total of 38 months, when these documents were  
13 sent to me the same day they filed that motion.

14 You know, under normal circumstances,  
15 that would be a long time for discovery. But it takes  
16 two to tango, as they say, and these documents had not  
17 been previously provided.

18 Now, when I talked to Mr. Featherston,  
19 I think Mr. Featherston called me, I guess Thursday,  
20 about an extension on discovery responses, requests  
21 for production, that are due today from the  
22 defendants.

23 And when I got these recordings -- just  
24 so you understand the background there -- when I got  
25 these recordings, I got them on July 1st in the mail,

1 then there's the July 4th holiday, I really didn't  
2 even look at what I got, frankly, until after that.

3           But I knew that there was a discovery  
4 deadline, and I knew there were recordings in there,  
5 so obviously, they -- I guess they would say they were  
6 responding to the pre-suit discovery which, frankly, I  
7 think is proper, but it should have been done back in  
8 the pre-suit discovery.

9           So I didn't want there to be a question  
10 about whether they were supposed to be providing  
11 things in this litigation. And we had a discovery  
12 cutoff at that time for, again, a docket control  
13 order, which required me to send out discovery  
14 responses that day before I really even knew what was  
15 going on.

16           And so here is what they were, but I  
17 knew I had to get those documents out or I would be  
18 hearing, well, you haven't even requested anything in  
19 this case, so that's why you didn't get them.

20           The obvious reason I got them is  
21 because they intended to use them in these  
22 proceedings, and they know they wouldn't be able to do  
23 that if they didn't provide them in some fashion.

24           So when Mr. Featherston talked -- we  
25 said we would talk again. He called me about an

1 extension on those requests because they didn't know  
2 what the Court would want to have happen, since I  
3 filed this motion for protective order indicating that  
4 I didn't want anybody else to receive these  
5 recordings.

6           And I gave Mr. Featherston, when we  
7 talked the first time, the cite from the civil wiretap  
8 statute and for the Penal Code provision. So they  
9 filed a response that says they don't know what the  
10 authority is for this, but we talked about that.

11           I told him that I was not inclined to  
12 agree to any kind of an extension on these things.  
13 And they've had them since March of 2011, and now  
14 we're getting dribbles.

15           And, by the way, during that same  
16 period of time, there would have been recordings, I  
17 understand, between Candace -- from Candace Curtis and  
18 her mother about all of these issues that are at issue  
19 in this. You know, those probably would not have had  
20 any more consent than the ones I'm here about. But  
21 the point is, they have been very selective about what  
22 they provided.

23           Clearly, the recording equipment was  
24 purchased by the caregiver. The receipt is in the  
25 production I believe attached to the motion, and he

1 got reimbursed. I mean, it is just so clear what was  
2 going on.

3                   So Mr. Featherston and I talked, and he  
4 said that he wanted to put this -- the responses off  
5 two weeks so that the Court could make a determination  
6 on this.

7                   I mean, recognizing that there could be  
8 some suggestion, there always seems to be a suggestion  
9 that I have not done something I'm supposed to do to  
10 make something happen, so -- or I have done something  
11 incorrectly procedurally, whatever.

12                   So I sent an e-mail to all the counsel  
13 in the case, and said I don't want there to be any  
14 confusion that notwithstanding my request for  
15 production, that is a request that those items be  
16 produced to me and me only.

17                   While normal practice may be that you  
18 send it to everybody in the case, these recordings are  
19 not to be sent to everybody in the case. And if you  
20 do it, I cite it again, the Penal Code Section, you do  
21 it at your own peril.

22                   So I get a response on Friday afternoon  
23 from all the defendants, and their position now --  
24 they still believe the answering machine-thing -- and  
25 their position is that Carl consented to these

1 conversations.

2           The Court will note that I attached to  
3 my motion for protective order e-mails of the same  
4 time period where these defendants are planning and  
5 plotting ways to obtain a guardianship over Carl, so  
6 there is no way that he consented.

7           And he was quite ill at the time and  
8 there is no question about that.

9           The recordings done in May of 2011, the  
10 video recordings, are in an ICU room at St. Luke's,  
11 and he was definitely in an altered mental state,  
12 because of medications he was receiving.

13           But you can't -- you can't say, okay,  
14 Carl -- they even say in their response that Carl  
15 hooked up this equipment.

16           Well, I mean, there is no way. I  
17 couldn't even hook up that equipment. It is digital  
18 equipment that requires menus and submenus to program.  
19 The model that the caregiver purchased -- as indicated  
20 on the receipt, I've got the manual for it here --  
21 there is no way that a person that was needing a  
22 guardianship, as these people have admitted from their  
23 e-mails, would be able to do that.

24           And there is no -- the position in  
25 their response is this: We have to prove a negative,

1 that we have to prove there was not consent.

2 Well, if they say there is consent,  
3 that is an affirmative defense and the burden of proof  
4 is on them to show that. And in light of their own  
5 e-mails, I don't see how they are going to do that,  
6 but the burden is not on me to negate this stuff. The  
7 burden is on them to show that there was a consent.

8 So the other -- I mean, it always seems  
9 to go this way. I try to work these things out, and  
10 it's just the case where nothing gets worked out, and  
11 I think that's unfortunate for everyone.

12 But what I filed this morning, because  
13 they don't seem to understand that these statutes both  
14 say on their face that you're entitled to injunctive  
15 relief to prevent the further disclosure and use of  
16 these illegal recordings.

17 So they say in response they don't know  
18 what my authority is for this relief that I'm  
19 requesting. So I was not planning on filing it this  
20 morning, but I did file the third supplemental  
21 petition which alleges these causes of action and  
22 seeks the injunctive relief that those causes of  
23 action allow you.

24 And, you know, as usual, had we  
25 received all the information and disclosures in the

1 pre-suit discovery action, been able to deal with  
2 those issues and work those out, maybe we would have  
3 never been in this court. And maybe the lawyers in a  
4 district court would have never been sued if they had  
5 agreed to continue the tolling agreement until we  
6 worked this dispute out.

7                   Nothing I suggest seems to work and --  
8 maybe that's me. I'm not -- been called out at any  
9 direction other than I've been ineffective in  
10 resolving disputes in this case. And I have thought  
11 surely this was one in which, perhaps, Amy, Anita and  
12 Carole did not realize what they were doing. They are  
13 not lawyers. Maybe they didn't know you were not  
14 supposed to tape people's private conversations  
15 without their permission.

16                   And that surely when the lawyers, even  
17 though they probably should not have even been given  
18 the information according to the stuff I read about  
19 it, that surely we would be able to resolve it.

20                   Instead, I've now had to file a  
21 supplemental petition just in order to protect my  
22 client's rights on this incredibly offensive issue.

23                   THE COURT: You also mention in the  
24 protective order the report from --

25                   MS. BAYLESS: Yes, right. I mean,

1 there are e-mails. Again, I attached to the motion  
2 where they are talking about the -- what happened,  
3 both -- the reason we know much of anything is because  
4 Candy at one time thought everybody was trying to  
5 protect Carl.

6 When she figured out that was not what  
7 was happening, we suddenly got a boatload of e-mails  
8 which covered the gamut.

9 And her ex-husband -- I guess it's an  
10 ex-husband -- anyway, somebody she knows, had been  
11 asked for the name of an investigator. And she knew  
12 that a GPS tracking device without Drina's consent had  
13 been placed on her car.

14 There are e-mails in here talking about  
15 reports from the investigator. We have asked for that  
16 again since 2012. We have not received anything.

17 THE COURT: Do you claim that those  
18 reports still fall into the same category as the  
19 recording devices? In other words, were those reports  
20 obtained illegally with information at some stages of  
21 those reports?

22 MS. BAYLESS: It's really impossible to  
23 know without seeing the report, but I think they  
24 certainly contain information using the GPS tracking  
25 device.

1                    THE COURT: Wouldn't you need for those  
2 reports to be produced in a motion to compel as  
3 opposed to a motion for protective order?

4                    MS. BAYLESS: Yes. Again, this is part  
5 of why I did the new request for production in this  
6 case, because I felt if I filed a motion to compel, I  
7 would hear what she tried to compel. There has not  
8 been a request in this case. Even though since 2012,  
9 Anita has been acting to some extent under that  
10 initial request by supplementing these bank records,  
11 occasionally; and the tax returns, we've asked for  
12 them; stuff like that.

13                    But, still, I didn't think I was in a  
14 position yet to seek a motion to compel, but the  
15 responses are due today.

16                    THE COURT: Okay. Well, I think what  
17 we'll do is table the issue with regard to the  
18 investigator report. I just don't think that a  
19 decision on that with regard to a protective order is  
20 ripe yet. I don't think that -- we don't have what we  
21 don't so -- but on the recordings, I think that is a  
22 different story. So we'll address them, the  
23 recordings, today.

24                    MS. BAYLESS: Okay.

25                    THE COURT: Mr. Spielman or --

1                   MR. FEATHERSTON: Briefly, Your Honor.

2                   THE COURT: Okay.

3                   MR. FEATHERSTON: When Bobbie called, I  
4 said what do you want? And really, at the end of the  
5 day, that's kind of how I am: What do you want?

6                                 And so the relief that she is seeking  
7 here I think are three things that we've outlined in  
8 our response.

9                                 The first one looks like it is some  
10 sworn testimony from all of our clients, from Anita,  
11 Amy and Carole. And to me, that is best accomplished  
12 by deposition.

13                                 Depositions haven't got off the ground  
14 yet in this particular case because it always seems  
15 like there is some procedural impairment, one or the  
16 other.

17                                 We have Greg Lester now, and it looks  
18 like now we're in a position where depositions can  
19 move forward. The impediment there might be whether  
20 or not Mr. Lester thinks the claims are even worthy of  
21 him sitting through depositions or participating in  
22 those depositions.

23                                 So that is kind of the first thing she  
24 is looking for, and that's why I have criticisms of  
25 what's -- you know, this is nothing like I have ever

1 seen in a motion for protective order.

2 A motion for protective order  
3 ordinarily is someone serves discovery, and the other  
4 party says, no, I find that discovery offensive, and  
5 so I need protection from the Court.

6 Here, someone may be served discovery,  
7 and the documents are being produced in the course of  
8 the litigation.

9 And so, that's kind of the point is  
10 under the Rules of Procedure when someone propounds  
11 discovery to me or if I think I have discovery that is  
12 responsive -- admittedly, Your Honor, I don't even pay  
13 attention to the people -- I ask for it specifically or  
14 not. If I get stuff, I produce it. And, you know, I  
15 do that with good reason.

16 And so a long story short here, but  
17 when I produce it, I have to produce it under the  
18 Rules of Procedure. It has to go to all other  
19 counsel, and that's what I have done.

20 To the extent that there are -- so  
21 walking through what she wants, No. 1: These  
22 affidavits, I have never seen anywhere you can compel  
23 somebody to create an affidavit. That's something  
24 that should be done by deposition, and she will have a  
25 full and fair opportunity to depose these clients at

1 some point, and it should be sooner rather than later.

2           So that kind of takes care of the first  
3 issue of, you know, tell me what you want. Let's go  
4 from there.

5           The next issue I think that she's  
6 asking for is that all the recordings and everything  
7 be collected and given solely to her. And presumably,  
8 I can understand why she wants that.

9           These recordings, Your Honor -- and I  
10 don't think you have had the opportunity to hear  
11 them -- you can tell they come from an answering  
12 machine. "Hello, hello, hello." That's the type of  
13 recordings -- how these recordings start off.

14           And my understanding is that the  
15 decedent had her answering machine set to pick up at  
16 number -- on the second ring. And so these might have  
17 been recorded -- might have been caught by the  
18 answering machine to another recording device, and  
19 then on to someone's I-phone and then on to someone's  
20 computer and transferred like digital files often do,  
21 transferred from one component to the next, to the  
22 next, to the next, to the next, and on down the line.

23           But my understanding is that all of  
24 these come from an answering machine.

25           And so the relief that she's seeking

1 here is, I want you to record -- I want you to  
2 download all this evidence so you can give it solely  
3 to me, and I will be the sole arbiter of whether or  
4 not this is something that should be admissible or  
5 not. And that's just not the way it works.

6 I think the Court has to hear these  
7 recordings. And if the Court finds based on the  
8 recordings that, okay, these recordings appear like  
9 there is some huge conspiracy in some recording  
10 equipment where you illegally wiretap and all this  
11 other -- all these other allegations, then the Court  
12 is in a position to make that decision.

13 But without hearing the recordings or  
14 without developing the evidence, right now all we've  
15 got is allegations.

16 I don't have any affidavits from Drina  
17 saying I didn't consent to that recording. I didn't  
18 hear any answering machine when I called on that  
19 particular day. I don't have any affidavits from Carl  
20 whose capacity seems to come in and out, depending  
21 upon when it is convenient for them.

22 And I don't have any affidavits from  
23 Carl saying, no, you know, if we were going through a  
24 divorce at that time, but at that time, no, that's --  
25 you know, I didn't consent to those recordings,

1 because it makes perfect sense.

2 I don't know if you've ever dealt with  
3 any divorce clients. They record the heck out of each  
4 other immediately when they are going through a  
5 divorce. That's typically what -- the first thing  
6 lawyers say is tape record your conversations with  
7 your soon-to-be ex.

8 And so I don't have any -- there is no  
9 evidence before the Court that Carl didn't consent.  
10 And this idea of, well, Carl didn't have capacity,  
11 she's berating him on several of these recordings  
12 claiming you've got capacity.

13 You're chewing on your shirt because  
14 that's what you've got; is that right?

15 MS. BAYLESS: Your Honor, I'm going to  
16 object to him going into the substance of these  
17 recordings. I mean, if the Court wants to do  
18 something to make a determination about their  
19 illegality, that's one thing; but he is disclosing,  
20 again, the contents of illegal recordings.

21 THE COURT: And I think that's  
22 defendants arguing at this point, so let's --

23 MR. FEATHERSTON: Fair enough,  
24 Your Honor.

25 Well, then, the issue ultimately turns

1 down to this: Who makes the decision regarding  
2 whether these are illegal recordings or not, Bobbie or  
3 the Court? And I think the Court is in a much better  
4 position than Bobbie is.

5           And so this idea of let's gather up all  
6 the recordings and give them to Bobbie, that doesn't  
7 work for me. Let's gather them up and submit them for  
8 in-camera inspections, that is fine. Doing an agreed  
9 protective order like -- and that's what I have  
10 proposed in the past is -- I could see if these are  
11 being posted on Facebook or posted on some blog or  
12 sent out there to the general public, but for purposes  
13 of this litigation and that's, to my knowledge, the  
14 only way these have been used, and that's the only way  
15 I have used them is disclosing them in this  
16 litigation.

17           If they want to do some agreed  
18 protective order -- I have done several of them in  
19 trade secret cases where you basically come in and  
20 it's like, look, you don't file this with the Court,  
21 you don't do a transcript and file it for public  
22 record. If it is these particular recordings that are  
23 going to be filed with the Court, that is okay. We  
24 can submit them for in-camera inspection. I'm okay  
25 with that.

1           Doing a joint agreed protective order  
2 where, look, guys, the stuff we're disclosing in this  
3 particular case, we all think it's privileged and  
4 confidential and we don't think it should be disclosed  
5 anywhere else, that's what I proposed.

6           We intended to attach it as to  
7 exhibits, but it wasn't. We have got several copies  
8 of that. But doing a joint agreed protective order in  
9 this particular case that says, look, what happens in  
10 the courtroom stays in the courtroom with respect to  
11 these things, and they're not going to be hearing our  
12 grievances or recordings or things anywhere else, I'm  
13 okay with that.

14           So -- but just giving them to Bobbie  
15 and, okay, saying how do clients react, I have never  
16 seen anyone even ask for that type of relief, and I  
17 don't think it is anything that is contemplated under  
18 any of these statutes. I certainly have not seen  
19 anything under any of these statutes that says that's  
20 the relief that she's entitled to.

21           I think there was one other thing that  
22 she was asking for other than that they all be -- oh,  
23 the last thing she is asking for is for you to make a  
24 ruling on the evidence. It's a rule that this  
25 evidence is inadmissible.

1           And so I don't think the Court is in  
2 any position as we sit here today with the lack of  
3 evidence actually before the Court to make an  
4 evidentiary ruling.

5           And so, you know, to me, I think we can  
6 get maybe two-thirds of the way here with just a --  
7 with continuing discovery in this case and doing a  
8 joint agreed protective order that says we're not  
9 sending it out to the rest of the world.

10           But for purposes of this case, if you  
11 want to submit it to the Court, don't file it as a  
12 public record, submit it in-camera, things of that  
13 nature. Mark it "confidential". Have Bobbie -- if I  
14 produce something and she thinks it's confidential,  
15 mark it "confidential." Send that in the letter. We  
16 can create a running list. It makes much more sense  
17 than what's being asked for and the relief that's  
18 being asked for in this particular motion.

19           I've just never seen it before. I  
20 don't see any rules. I don't see any authority.

21           THE COURT: Well, I think that -- I  
22 think that that proposal makes a lot of sense to me.  
23 No. 1, requiring an affidavit, I think you would be  
24 better off proposing that because requiring the  
25 affidavit to me is awfully one-sided. I think that

1 the interaction would be beneficial for you and for,  
2 you know, the person being deposed or the affiant.

3 MS. BAYLESS: The key, Your Honor, is  
4 that there would be some type of sworn presentation to  
5 how this was done, when it was done, who did it, that  
6 kind of says all of it.

7 THE COURT: Well, I think the  
8 deposition would be better suited for that.

9 And then on the -- as far as the  
10 illegality of these recordings, I think that that has  
11 to be explored before you launch into collecting all  
12 of this and delivering it, because I'm not convinced  
13 that it is illegally obtained, and I'm not convinced  
14 either way.

15 I think that if you guys could hold the  
16 issue in abeyance until depositions can be taken and  
17 more evidences is gathered, and then perhaps we have a  
18 hearing or perhaps these recordings are submitted  
19 in-camera, I think that's a better way to go about  
20 this as opposed to, essentially, you know, ruling  
21 today that they are inadmissible, that they were  
22 illegally obtained, and then require the defendants to  
23 offer an affidavit. Because I think that the  
24 affidavit he receives, you know, may not satisfy, you  
25 know, what you're trying to do.

1                   So I think that giving the deposition,  
2 we can dig a little deeper and you can get a little  
3 more clarification. So I like the idea of a joint  
4 agreed protective order.

5                   MS. BAYLESS: Well, the problem is --  
6 Judge, the problem is, I'm not comfortable consenting  
7 on my client's behalf or having my clients consent  
8 that these can be disclosed any further than they  
9 already have been.

10                   I mean, I think if I'm right -- and I  
11 understand that the Court doesn't want to  
12 pre-determine that -- but if I'm right, there have  
13 already been problems in that they have been disclosed  
14 to other parties. And to say, oh, I agree that can  
15 keep going on while we sort through this --

16                   THE COURT: No, I think -- I wouldn't  
17 envision that. I mean, I would envision that these  
18 recordings would be protected. I mean, that's why I  
19 imagine it would be called a joint agreed protective  
20 order, because it would protect that from further  
21 dissemination. Am I right?

22                   MR. FEATHERSTON: I think the  
23 discrepancy -- and let me just connect the dots -- I  
24 think what she's saying is I can't produce it to Amy  
25 and Carole. And Carole can't produce items to Anita

1 and Amy. And so that's what I think Bobbie is really  
2 arguing for is she doesn't want us to be able to talk  
3 amongst ourselves -- or she doesn't want us to be able  
4 to exchange those among ourselves. She wants them to  
5 go solely to her and -- is that a fair statement?

6 MS. BAYLESS: Well, I think there are  
7 two kinds of recordings here. There are the  
8 recordings where that's already happened, and it is a  
9 little bit harder to put that horse back in the barn.  
10 And, frankly, they probably all have what they each  
11 have, but I don't know. And I don't want somebody  
12 to -- on down the road say, well, of course, we  
13 exchanged those things because you -- that was part of  
14 our agreed protective order.

15 So to the extent that's already been  
16 done and those recordings have been sent and these  
17 people have them, that is just something they are  
18 going to have to deal with.

19 To the extent there are other  
20 recordings -- and, see, this applies literally to the  
21 deposition. I don't know who has gotten what from  
22 whom at what time. And so to say, well, yeah, you  
23 know, spread those all around now. They will be  
24 saying, well, that was done during the protective  
25 order period and that kind of thing.

1                   So that's why I'm saying if there are  
2 other recordings -- and I have asked for all of the  
3 recordings and the original media that they were  
4 recorded on so we can see what has been done without  
5 the editing -- then I'm saying those should not be  
6 disseminated even to the other parties in this case  
7 until this issue is addressed.

8                   THE COURT: You know, I think I agree  
9 with that, and so I think that makes sense. So if the  
10 recordings have already been disseminated among the  
11 defendants, you know, before today, there is no way  
12 to, as you say, put that horse back in the barn. But  
13 in the future, until there is a determination as to  
14 the legality of those recordings, I don't think that  
15 they should be disseminated among the attorneys.

16                   MR. FEATHERSTON: So, Your Honor, I  
17 guess the issue I have with that is how do I know?

18                   THE COURT: Right.

19                   MR. FEATHERSTON: I mean, basically,  
20 what your ruling is is now I'm in jeopardy for all  
21 recordings, because now like -- how do I say, you  
22 know, hey, Neal, do you have this recording or -- you  
23 know, that's where there is a disconnect.

24                   There is no way for me to be able to --  
25 because then when I disclose -- I mean, you're going

1 to find out whether or not someone has a recording.  
2 Have you heard this particular recording? I mean,  
3 that seems like a dangerous ground to me.

4           And so I think the ability to sit here  
5 and, you know, exchange within this group, I think  
6 that's okay. I mean, I don't know that any other  
7 lawyer is going to be out there disclosing anywhere  
8 else because the lawyers are subject to the joint  
9 protective order as well.

10           And so I don't see the harm while  
11 you're in litigation -- and there's a bunch of, you  
12 know, litigation privileges that are associated with  
13 it, I'd have to go back to my office and find some of  
14 them, but I'm sure I could -- I don't know how I could  
15 find out has this been disclosed on your side or not.

16           And it certainly puts us at a  
17 disadvantage. I mean, it just -- that doesn't seem  
18 like a workable solution.

19           Essentially, what your ruling would be  
20 is, any recordings you got, you need to, one, assume  
21 that they are illegal; and two, not produce them to  
22 anybody else. And I can't do that.

23           I mean, there is no showing that these  
24 are illegal. And if I feel like there is one that is  
25 illegal, then maybe at that point I will, you know,

1 tread more carefully.

2 But at this point, I think I need to be  
3 able to communicate effectively with the other defense  
4 counsel, as well as the plaintiff's counsel and the  
5 pro se plaintiff we have in this case, and produce  
6 those documents or risk, you know, not being able to  
7 use what the Court finds later that, oh, no, it's not  
8 illegal, these are okay.

9 Now, all the other defendants are at a  
10 disadvantage just because maybe my client keeps better  
11 records than theirs do.

12 THE COURT: Well, and that makes sense  
13 to me, you know, so --

14 MS. BAYLESS: Well, all he has to do,  
15 Your Honor, is not give them to anyone else. We know  
16 what he sent around to everybody else, and frankly,  
17 Ms. Curtis turned those copies over to me because she  
18 was not comfortable even having them.

19 THE COURT: But I guess what he is  
20 saying is going forward if he receives something, then  
21 he's not able to really supplement his discovery  
22 either.

23 MS. BAYLESS: Well, when are we really  
24 going to try this case? I mean, we don't even get --  
25 the temporary administrator has six months to look at

1 it. I am not suggesting that he's going to miss a  
2 deadline or something if we deal with this issue.

3 And in the interim, he doesn't  
4 disseminate these recordings, whatever he may get, it  
5 would be fine with me. And if he doesn't, he can  
6 possibly not disseminate them to me, either. I mean,  
7 I have not had them for 38 months. I got them a month  
8 ago so, you know, that's not hard. I don't see that  
9 it is hard at all.

10 He's already sent around these. We  
11 know that he sent those around. If he is saying that  
12 he's been busily, since he got my motion, sending them  
13 to everybody that he could so that they would already  
14 be out there, then I guess we will have to sort that  
15 out.

16 But if it is a question of he is not  
17 supposed to give them to any other third parties until  
18 a determination is made about this, then I don't see  
19 what's hard about that, that isn't putting him at any  
20 kind of a disadvantage.

21 It is not suggesting what can or cannot  
22 be admitted in trial because we're not near a trial.  
23 We're not -- I mean, I know we have a docket control  
24 order, which no longer has much meaning or anything.  
25 We're supposed to be here today on a deadline on

1 summary judgment, so we are not.

2 So it seems like a simple matter to  
3 say, okay, I've got to put the brakes on anybody else  
4 receiving these recordings until we get to the bottom  
5 of the nature of the recordings.

6 MS. BEDUZE: Your Honor, I just want to  
7 make sure I'm understanding.

8 It is my understanding that these  
9 recordings have not been disseminated to any third  
10 party. They have been disseminated to counsel and --  
11 but to these five individuals and their respective  
12 clients.

13 THE COURT: Right.

14 MS. BEDUZE: So any suggestion to  
15 otherwise, I would take issue with.

16 And we do not believe -- it would be  
17 very perfect for us to try to agree to a protective  
18 order that protects the dissemination of the  
19 recordings that have already been exchanged, produced,  
20 pursuant to part of discovery, and any additional  
21 recordings that may come to light that, you know,  
22 through the act of discovery.

23 And, I mean, in order to conduct the  
24 discovery, in order to take different depositions,  
25 which Ms. Bayless is wanting to take certain

1 depositions in lieu of the affidavit that she was  
2 originally requesting in front of you today, these  
3 recordings will need to be produced so that everyone  
4 can know and properly prepare for those depositions in  
5 which the recordings will be -- the information and  
6 the details of the recordings will be further delved  
7 into.

8                   And so that end, my client, before  
9 retaining Crain, Caton & James, she did, in fact, give  
10 her deposition. And it is my understanding she  
11 responded as a pro se individual to over 300  
12 production requests.

13                   So the fact that discovery has not gone  
14 forward, and the fact that information has not been  
15 given freely, that's false with respect to my client,  
16 Carole, in that she has responded to that discovery,  
17 and we have supplemented when we have information.

18                   But, again, Carole is only in this  
19 lawsuit as the beneficiary of the trust. She is not a  
20 trustee. And so, you know, it is the role of all the  
21 parties, no matter which side they're on, is to freely  
22 exchange information. And to hinder -- and I believe  
23 that stopping the recordings from being exchanged by  
24 all parties would hinder the ability to move  
25 forward -- to move this case forward.

1 I know they were down here two weeks  
2 ago, and I believe getting Mr. Lester appointed will  
3 further move this case forward. But in order to deal  
4 with things, we need to have a free exchange of  
5 information.

6 THE COURT: Okay. I have a meeting at  
7 12:15, so I've got to get going. And I apologize, I  
8 should have said that earlier.

9 But let's work on an agreed protective  
10 order. I think it is difficult to restrain only the  
11 dissemination of these recordings among the attorneys.

12 And future recordings that have not  
13 already been disseminated, it might be a good idea for  
14 the attorneys just to have a hearing on it and get a  
15 determination whether or not it should be disseminated  
16 at that point. I don't know how many recordings there  
17 are, but --

18 MS. BAYLESS: I don't either.

19 THE COURT: What's that?

20 MS. BAYLESS: I don't know either.

21 Let me just say, Judge, I'm not going  
22 to enter into an agreed order that says those  
23 recordings can be disclosed to anyone. I just don't  
24 think I can do that.

25 THE COURT: Well, when you say third

1 parties, you're referring to anyone but the attorney  
2 who is in the suit as a legal attorney. I mean, third  
3 parties mean other than the defendants' attorneys and  
4 defendants?

5 MS. BAYLESS: Other defendants'  
6 attorneys in this case and other defendants, yes,  
7 that's what I mean. I don't mean other than those. I  
8 mean, those who are --

9 THE COURT: I'm just trying to clarify  
10 because Ms. Beduze said, you know, she took issue with  
11 the suggestion that these videos and recordings were  
12 being disseminated to third parties. I think that  
13 there was a missed communication about those third  
14 parties --

15 MS. BEDUZE: Correct. I will use the  
16 term "third parties" to be, you know, outside of the  
17 individuals involved in the lawsuit.

18 MS. BAYLESS: You know, I have  
19 absolutely no idea.

20 THE COURT: Well, let's work on a  
21 draft. Can we get the draft of a joint agreed  
22 protective order started, and see if you guys can come  
23 up with some sort of an agreement?

24 Otherwise, I mean, is there something I  
25 can rule on right now? I mean, is there something you

1 want guidance for other than this issue of how to deal  
2 with these recordings, because I don't have the answer  
3 to that. I don't know if there are even -- we could  
4 be displacing our findings cause all of the recordings  
5 have been produced, I don't know.

6 MS. BAYLESS: I think that's unlikely,  
7 Your Honor. But the problem -- here is the problem.  
8 While we explore these issues in depositions or  
9 however we explore them, if there is no constraint on  
10 their providing these documents -- of these recordings  
11 to other people, whether it is Carole sending her  
12 video recordings to Anita and Amy as she already did,  
13 and that's -- and so if Anita produced them, Carole  
14 didn't. She says Carole has provided all this  
15 discovery. Carole didn't provide those.

16 So unless there is some kind of  
17 constraint that there is to be no disclosure other  
18 than if -- other than Mr. Featherston talked about, he  
19 might be able to get a list of whom they have been  
20 provided to and when and that kind of thing. But  
21 without knowing, there may be -- the size of this  
22 recorder, there could be hundreds of hours of  
23 recordings.

24 And so without knowing what there is,  
25 without having the original means, without knowing any

1 of that, and until we know that, there is nothing  
2 preventing them from passing this around everywhere.

3 They obviously are not concerned about  
4 the statutes that prohibit it. And so unless this  
5 Court directs that those are not to go anywhere until  
6 we make a determination, and we establish a time  
7 period to make that determination, I just -- I  
8 cannot --

9 THE COURT: Okay. I think this is  
10 what -- this is my solution, I think, the best that we  
11 can come up with, sign a temporary order on it until  
12 an agreed protective order can be entered.

13 MS. BAYLESS: And the temporary order  
14 will --

15 THE COURT: It will expire at some  
16 point, and then we'll have a hearing when it expires,  
17 you know, the sooner the expiration date of the  
18 protective order or the date that a joint agreed  
19 protective order is entered. Does that make sense?

20 MS. BAYLESS: And the terms of this  
21 temporary order will be what?

22 THE COURT: I don't know that. I would  
23 have to go work on it. And then I'm assuming you guys  
24 can review and comment, and then I would enter it.  
25 And then, hopefully, you can come up with an agreed

1 order that would be better suited for the case. But  
2 until then, that's the only solution I can think of.

3 MR. SPIELMAN: Judge, if I may, I think  
4 whether it's in the temporary order or whether it's  
5 something that we can work on after that point, it can  
6 be maybe a stair step.

7 But I think what counsel has been  
8 saying about the need for the attorneys to be able to  
9 exchange so that, in theory, we can prepare our  
10 clients for, one, we can make sure that there are not  
11 any other recordings other than those that have  
12 already been exchanged. We need that part.

13 And then, two, I think what I heard a  
14 little bit of if -- if the concern is that, well, did  
15 Carl consent? Well, was Carl competent? That could  
16 be the second stage of people that need to hear these  
17 recordings.

18 I don't know how you determine his  
19 competency back then, but perhaps it is a professional  
20 who can hear the recordings and make some kind of  
21 determination.

22 I'm not saying that's the direction  
23 this goes, but it seems if the excuse -- if the  
24 defense is going to be that Carl was incompetent, and  
25 therefore, could not consent, we cannot have our hands

1 tied behind our back with regard to who can assist in  
2 either -- in evaluating that --

3           THE COURT: Okay. Well, that may be  
4 appropriate for the agreed protective order, so -- but  
5 as far as my temporary order is concerned, I'm not  
6 going to make it that complicated. So I don't -- I  
7 really don't know what I'm going to do at this point,  
8 but I'm going -- I will draft something up and you  
9 guys can comment on it. I don't want to mess things  
10 up for you, but I do think that it is appropriate to  
11 protect the dissemination of this information in the  
12 meantime so that we can get the issue resolved.

13           MS. BEDUZE: And, Your Honor, if you  
14 would -- I do believe we have a copy if you would like  
15 to see or hear the recordings that is --

16           THE COURT: Not yet.

17           I've got to go. I'm already late.

18           (CONCLUSION OF PROCEEDINGS.)

TO THE HONORABLE JUDGE:

05142013:0809: P0043

AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART, Individually, as Attorney-in-Fact for Nelva E. Brunsting, and as Successor Trustee of the Brunsting Family Living Trust, the Elmer H. Brunsting Decedent's Trust, the Nelva E. Brunsting Survivor's Trust, the Carl Henry Brunsting Personal Asset Trust, and the Anita Kay Brunsting Personal Asset Trust, in the above-styled and numbered cause files her Original Answer to Plaintiff's Original Petition and shows as follows:

**GENERAL DENIAL**

1. AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART, Individually, as Attorney-in-Fact for Nelva E. Brunsting, and as Successor Trustee of the Brunsting Family Living Trust, the Elmer H. Brunsting Decedent's Trust, the Nelva E. Brunsting Survivor's Trust, the Carl Henry Brunsting Personal Asset Trust, and the Anita Kay Brunsting Personal Asset Trust, asserts a General Denial and respectfully requests that the Court require CARL HENRY BRUNSTING, Individually and as Independent Executor of the Estates of Elmer H. Brunsting and Nelva E. Brunsting, to prove his claims, charges, and allegations by clear and convincing evidence as required by the Constitution and Laws of the State of Texas.
2. AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART, Individually, as Attorney-in-Fact for Nelva E. Brunsting, and as Successor Trustee of the Brunsting Family Living Trust, the Elmer H. Brunsting Decedent's Trust, the Nelva E. Brunsting Survivor's Trust, the Carl Henry Brunsting Personal Asset Trust, and the Anita Kay Brunsting Personal Asset Trust, respectfully reserves the right to file an amended Answer in this proceeding in the manner authorized by the Texas Rules of Civil Procedure.

**VERIFIED DENIAL**

3. AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART is not liable as Trustee of the Carl Henry Brunsting Personal Asset Trust and the Amy Ruth Brunsting Personal Asset Trust because such trusts have not been created and therefore do not contain any trust property.

05142013:0809:P0044

**AFFIRMATIVE DEFENSES**

4. AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART denies that all conditions precedent to a right of recovery have been satisfied.
5. AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART would show that any claim for declaratory relief is without merit as the claim is subsumed within the other claims of Plaintiff. Alternatively, AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART asserts her right to recovery of reasonable attorney's fees under the provisions of Chapter 37, Texas Civil Practice and Remedies Code.
6. AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART specifically denies and affirmatively asserts that Plaintiff's claim of conspiracy is not an independent tort or cause of action as a matter of law, and is not a basis for an award of actual or exemplary damages.
7. Plaintiff's claims are barred, or AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART's actions are excused, by the equitable or legal doctrines of affirmation, waiver, estoppel, laches, ratification (express or implied) and acceptance of benefits.
8. AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART pleads all applicable provisions of the Trust and sub-trust instruments concerning the duties and liabilities of a person serving as Trustee, including any exculpatory provision applicable to alleged errors of judgment or mistake of fact or law or ordinary negligence.
9. AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART pleads the doctrine of comparative responsibility as provided in Chapter 33 of the TEX. CIV. PRAC. & REM. CODE, and its application to any tort claim (intentional or otherwise) of the Plaintiff that may be alleged against her, including the present claims of conversion and negligence.
10. Any allegedly wrongful acts or omissions of AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART, if and to the extent such acts and omissions occurred, were legally excused or justified.

05142013:0809:P0045

Plaintiff is not entitled to punitive damages, and any and all excessive amounts of such damages sought violate Chapter 41 of the Texas Civil Practice and Remedies Code, the Texas Constitution and the United States Constitution, all of which set limits on the award of punitive damages. AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART's alleged actions and omissions were undertaken in good faith, with the absence of malicious intent to injure Plaintiff, and constitute lawful, proper and justified means to further the purposes of the Trust and sub-trusts.

THEREFORE, AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART, *Individually*, as Attorney-in-Fact for Nelva E. Brunsting, and as Successor Trustee of the Brunsting Family Living Trust, the Elmer H. Brunsting Decedent's Trust, the Nelva E. Brunsting Survivor's Trust, the Carl Henry Brunsting Personal Asset Trust, and the Anita Kay Brunsting Personal Asset Trust, asks that after final hearing of this matter, Plaintiff take nothing against her, that she recover her reasonable attorney's fees and costs, and for such other and further relief to which she may be entitled.

Summer,  
Thank you for your response. Now I understand the nature of the meeting, could you please clarify what you mean by "have no say". I assumed the "say" belonged to our Mother. If I am not understanding that correctly please let me know.  
Thanks again,  
Carole

Ms. Brunsting:

To answer your questions --

This teleconference meeting is to discuss changes to your mother's trust. If you are unable to attend, it simply means that you will have no say in what changes will be made. It will not be a problem if you cannot attend. However, Mrs. Freed wants to extend the invitation to all Mrs. Brunsting's children.

Thanks,

What is this meeting in reference to? From looking at the time choices available, I may not be able to make the meeting and would like to know if that will be a problem.

Thanks

Dear Brunsting Family:

Attorney Candace Freed would like to coordinate a teleconference call with you and your mother for sometime next week. Currently, she has the following time slots available (all times are Central Standard Time zone):

## Exhibit 5b

**Notice** of filing of Plaintiff Curtis original federal Petition filed in the federal court on February 27, 2012 and made a part of this Court's record Feb. 9, 2015  
Document No. PBT-2015-47608

October 28 2010 Carole email about overhearing Nelva on Phone with Freed telling Freed to "Change it back" and that she was not going to follow the changes Freed had made.

Candy,

The more I think about this the whole key is Carl. When I was listening to Mother's call with Candace, Mother told Candace that Carl was trustee, not Anita and was not following the changes Candane was telling her she had made to have Carl removed.. Legally, I wonder if what Candace did was right without consulting Carl or his power of attorney since Carl has always been present at all meetings.

Candace DOES know she fucked up. That's why she had such a nasty attitude towards both you and I. Anita is smug and Amy plays dumb.

I hope Carl goes home today! If he does I hope the sun is shining. 10 minutes smiling into the sunshine + coffee + the Beatles = a sharper, happy Carl. I have a strong feeling that he will recover in leaps and bounds ALL ON HIS OWN, with support from his wife and family. The fact that Daddy is looking over us gives me strength. I can feel him stronger than ever before.

My suggestion is that when Dr. White finds Mother competent the following should happen:

1. You need to complete your time-line to demonstrate that due to various factors (badgering, low oxygen, Carl's illness, her illness, pneumonia, general stress and worry due to all of this), Mother was incompetent and under extreme duress when she signed everything she signed, particularly the Power of Attorney. We can compose a letter to Candace for Mother to sign, demanding that she wants to have papers drawn up to revoke anything she agreed to between the first of July and now.
2. As Mother gathers strength over the next few weeks she will go to her MD Anderson appointments, etc. and move towards treatment and recovery. I want to stress nutrition, adequate good sleep, and stress-free living.
3. In the meantime she can sell what she needs to, to pay for Robert or Tino or whoever Drina needs to assist her with Carl (if she even needs someone - Carl may recover a lot in a few weeks at home). The cost will be minimal compared to the \$100k shithead got to buy her house.

Going forward, Mother will have to tell Candace IN WRITING what she wants done with the trust. You can help her compose the letters. There can be no question when it's in writing. You can assist Mother in reviewing the paperwork before she signs (at home - at her leisure), to make sure all her wishes have been incorporated. This should never be done under the pressure and duress she was subjected to. Mother can take as much time as she needs to read and understand that everything will be as she wants it to be.

The fair and equitable solution in my mind is:

Make all five of us successor co-trustees and require a majority to make any change whatsoever. Then, if Mother steps down there will be no shenanigans. Everything will be transparent and we'll all know everything everyone else knows. That way when Anita wants to sell the farm, or move away from Edward Jones, she can put it up for a vote among us. All five of us are intelligent people and none of us can honestly say we have NEVER made a wrong choice in our lives. This way Mother will be at peace to live out her life, and she will die knowing that she has not pitted one against the other, or given control of one over the other, or played favorites, or been bullied into doing something she didn't really want to do, or would not have done in the first place.

Now this may go AGAINST the norm, or what Candace and her ilk would recommend, but fuck them. They are attorneys who get paid to do what their clients want them to do and they love having to draw up documents. Fees, fees, fees, \$\$\$\$\$\$\$\$\$\$\$\$\$

If Anita succeeds in her agenda and becomes trustee, we should have her competency tested just to show her what it feels like. If everything stays the way it is right now, that's the first thing I'm going to do when the day comes that she's in charge of me. Na, Na, Na, Na, Na, Na.

Love you,

C

And do not overlook an exploration of the family's motives in requesting a competency evaluation, she cautioned. Do family members have reason for wanting their oddly behaving relative to be declared incompetent?

This is from an article about not rushing to declare an elderly person incompetent. Mother passes the smell test and I have to make sure Tino does not let her out of the house without her clothes being ironed and SEE!!! MOTHER MADE THE APPOINTMENT TO GET HER HAIR DONE!!! CANDY THAT IS IT!!! MOTHER DOES CARE ABOUT HER APPEARANCE!! She will not go out without her makeup on and I have to get her a nail file all the time. Mother also called Edward Jones on her own and sold \$10K so she would have enough money to live on.

She was temporarily incompetent when she was too low on oxygen and if they made her walk to Candace's office I know for a fact her levels were too low because Dr. White joked about it. Tino did not take her so she had to walk from the parking lot to the office. She did not understand what she was signing because she was too short of breath and I can prove that. Candace has to know she F\*\*\*ed up.

There are any number of situations that may cause you to question the competency of a family member to make sound life decisions, such as when:

- An elderly person suddenly changes a will or trust in a manner that is significantly different from all previous wills or trusts, which could result in will litigation if not appropriately handled during the elder's life.
- A family member has suspicion that the elderly person is being unduly influenced by others

Anita is unduly influencing Mother and now Amy has piled on. Mother never would have made these changes on her own. This was all done by the hand of Anita who put herself in charge of everything.

I just called Mother. She DID NOT know the full implications of what she signed. I told her Anita had been manipulating her since Daddy passed away. She said she should have been included on the call. She said that she would not have given Anita the authority to manage MY MONEY. I told her that Amy and Anita are conspiring with Candace to have her declared incompetent so they can take CONTROL.

I don't really know what will happen now. I think that the August document should be declared null and void.

After talking to her for at least 30 minutes I realized that she is NOT incompetent. It's her memory that is failing, not her ability to manager her affairs. This happens when people get old. She might not remember to pay a bill, but she knows that bills must be paid. She doesn't remember that I know Carl had encephalitis, but she knows Carl had encephalitis. She has the ability to UNDERSTAND something when it's explained to her, although she might not remember what it is that she understood at the time.

Please change the password on Mother's bank account. Please also tell Mother that Anita checks her bank account to see what she is doing and that she also reads her private emails.

Mother did say that Anita drives her crazy.

Love you,

C

I am glad you wrote because I could not sleep last night either and it is difficult to keep my mind on my work. I went over and over all the events of what has happened since Daddy passed away and Anita has been scheming and manipulating with Mother and even tried to get Carl involved. Candace has not been looking out for Mother's best interest. Candace has been allowing Anita to be the one to strong arm Mother into signing papers when I do not believe she understood what she was signing, she only wanted to shut Anita up.

All Anita was suppose to do or find out was placing Carl's money in medical trust for MOTHER to manage and now all of a sudden Amy is co-trustee and your money is in trust and I wonder about mine as well.

I am working on a time line of how and when all this happened and will show that they pressured Mother to make changes when she A) was accepting the fact that Carl was gravely ill B) she found out she had cancer C) she got pneumonia and was in the hospital D) had Drina breathing down her back because ANITA was to chicken to call Drina back E) had to decide on her own about giving Drina money because ANITA and AMY were to busy to be bothered to call me or Mother back and it is what Mother wanted to do but she knew Anita was going to chastise her for giving her money that was her own to give away as she saw fit. F) also during that time Mother had 2 PET scans, a CT scan and a bron scope for which she was sedated.

Now I understand why Mother kept putting off signing the changes to the Trust. I thought the papers were written only to put Carl's money in trust. I did not know that Amy was replacing Carl and your money was going into trust. I never saw the documents as Candace had them at her office, but Mother kept delaying going over there with various excuses. She was afraid to tell Anita she did not want to make all the changes, but Anita talked her into it.

The closer Anita comes to taking control the comments to me have been: A) it is a good thing I am trustee now and not Carl because you can make more changes to the trust than you realize and Carl would have been making all the decision and had final say over distribution B) she was going to find a way to fold Carl's money back into the trust if Carl died before Drina C) she was taking over all investment when ANITA is the one that moved the money over to this Edwards office that Mother works with and attended all the meetings D) Anita wanted to find out if she could sell the farm as one unit because she said she could get more per acre rather than us each sell our parcels when we wanted too. E) Now I find out that ANITA contacted Carl about a year ago about putting both our money in trust that she and Carl would control and Carl said no.

Candy I am so decply hurt by all of this and disgusted at the same time. I am so angry with Candace because she allowed all this to happen and it impacts Mother. Amy will just go along with Anita now that her name is on the trust. But if she only knew that ANITA called CPS and they went out and spoke with Amy's neighbors about her kids and spied on her house for a report back to Anita and the report was they did not find any reason to take Jack and Ann. Anita wanted Carl and Drina to adopt them.

I think at this point I need to find an attorney to speak with. Now that Anita sent out the trust documents even though she should not have, Drina will hire a lawyer and this will never see the of day. And she will have Carl's full support.

Carole,

I promised myself when I hung up from the call that I was through with all of this. I broke my promise all night last night and didn't get a wink of sleep. I cannot let it go. Anita has been manipulating Mother since Daddy passed away. Rather than say "Candy, you are NO LONGER entitled to know anything about any of it" she has been lying and saying she had no idea what was going on. The fact that she has been talking to Candace and pushing for Mother to resign as trustee is truly sick. Now that she and Amy are dead set on having Mother declared incompetent I DON'T WANT THEM TO HAVE CONTROL OF MY SHARE OF THE TRUST. But they do, thanks to Candace, who does not know me from Adam. I don't think Mother realized what she was signing in August. She is not a stupid woman and would certainly understand the intent of the document if anyone explained it to her. THEY DID NOT. If they did explain it to her until she understood, I think she would have had second thoughts.

How dare Candace tell you that if you don't participate in the call you will not have any say in it. YOU DON'T HAVE ANY SAY IN IT ANYWAY. At least Mother and Anita think you're smart enough to be your own trustee.

When Amy and Anita were griping about Edward Jones and I suggested that they write a letter for Mother to sign, Amy ONLY thought that was a good idea. Anita said nothing. SHE WANTS TO GET HER HANDS ON THE MONEY SO SHE CAN DO A BETTER JOB OF INVESTING.

Bottom line. I'm truly scared about my future security and the fact that I have no control whatsoever over my destiny. If that's what Mother intended I would really have liked to hear it from her. I would also like to know what I did that made her feel it was necessary to take such drastic measures without consulting me.

I cannot sleep, I cannot keep my mind on my work, and I cannot get these thoughts out of my head.

Anita is going to be the one responsible for keeping Mother sick because she is such a control freak and will not LET IT GO!! Let Mother decide what she wants to do. It is Mother's money, not ANITA's and not AMY's.

I just called Mother. She DID NOT know the full implications of what she signed. I told her Anita had been manipulating her since Daddy passed away. She said she should have been included on the call. She said that she would not have given Anita the authority to manage MY MONEY. I told her that Amy and Anita are conspiring with Candace to have her declared incompetent so they can take CONTROL.

I don't really know what will happen now. I think that the August document should be declared null and void.

After talking to her for at least 30 minutes I realized that she is NOT incompetent. It's her memory that is failing, not her ability to manager her affairs. This happens when people get old. She might not remember to pay a bill, but she knows that bills must be paid. She doesn't remember that I know Carl had encephalitis, but she knows Carl had encephalitis. She has the ability to UNDERSTAND something when it's explained to her, although she might not remember what it is that she understood at the time.

Please change the password on Mother's bank account. Please also tell Mother that Anita checks her bank account to see what she is doing and that she also reads her private emails.

Mother did say that Anita drives her crazy.

Love you,

C

I am glad you wrote because I could not sleep last night either and it is difficult to keep my mind on my work. I went over and over all the events of what has happened since Daddy passed away and Anita has been scheming and manipulating with Mother and even tried to get Carl involved. Candace has not been looking out for Mother's best interest. Candace has been allowing Anita to be the one to strong arm Mother into signing papers when I do not believe she understood what she was signing, she only wanted to shut Anita up.

All Anita was suppose to do or find out was placing Carl's money in medical trust for MOTHER to manage and now all of a sudden Amy is co-trustee and your money is in trust and I wonder about mine as well.

I am working on a time line of how and when all this happened and will show that they pressured Mother to make changes when she A) was accepting the fact that Carl was gravely ill B) she found out she had cancer C) she got pneumonia and was in the hospital D) had Drina breathing down her back because ANITA was to chicken to call Drina back E) had to decide on her own about giving Drina money because ANITA and AMY were to busy to be bothered to call me or Mother back and it is what Mother wanted to do but she knew Anita was going to chastise her for giving her money that was her own to give away as she saw fit. F) also during that time Mother had 2 PET scans, a CT scan and a bron scope for which she was sedated.

Now I understand why Mother kept putting off signing the changes to the Trust. I thought the papers were written only to put Carl's money in trust. I did not know that Amy was replacing Carl and your money was going into trust. I never saw the documents as Candace had them at her office, but Mother kept delaying going over there with various excuses. She was afraid to tell Anita she did not want to make all the changes, but Anita talked her into it.

The closer Anita comes to taking control the comments to me have been: A) it is a good thing I am trustee now and not Carl because you can make more changes to the trust than you realize and Carl would have been making all the decision and had final say over distribution B) she was going to find a way to fold Carl's money back into the trust if Carl died before Drina C) she was taking over all investment when ANITA is the one that moved the money over to this Edwards office that Mother works with and attended all the meetings D) Anita wanted to find out if she could sell the farm as one unit because she said she could get more per acre rather than us each sell our parcels when we wanted too. E) Now I find out that ANITA contacted Carl about a year ago about putting both our money in trust that she and Carl would control and Carl said no.

Candy I am so deeply hurt by all of this and disgusted at the same time. I am so angry with Candace because she allowed all this to happen and it impacts Mother. Amy will just go along with Anita now that her name is on the trust. But if she only knew that ANITA called CPS and they went out and spoke with Amy's neighbors about her kids and spied on her house for a report back to Anita and the report was they did not find any reason to take Jack and Ann. Anita wanted Carl and Drina to adopt them.

I think at this point I need to find an attorney to speak with. Now that Anita sent out the trust documents even though she should not have, Drina will hire a lawyer and this will never see the of day. And she will have Carl's full support.

Carole,

I promised myself when I hung up from the call that I was through with all of this. I broke my promise all night last night and didn't get a wink of sleep. I cannot let it go. Anita has been manipulating Mother since Daddy passed away. Rather than say "Candy, you are NO LONGER entitled to know anything about any of it" she has been lying and saying she had no idea what was going on. The fact that she has been talking to Candace and pushing for Mother to resign as trustee is truly sick. Now that she and Amy are dead set on having Mother declared incompetent I DONT WANT THEM TO HAVE CONTROL OF MY SHARE OF THE TRUST. But they do, thanks to Candace, who does not know me from Adam. I don't think Mother realized what she was signing in August. She is not a stupid woman and would certainly understand the intent of the document if anyone explained it to her. THEY DID NOT. If they did explain it to her until she understood, I think she would have had second thoughts.

How dare Candace tell you that if you don't participate in the call you will not have any say in it. YOU DONT HAVE ANY SAY IN IT ANYWAY. At least Mother and Anita think you're smart enough to be your own trustee.

When Amy and Anita were griping about Edward Jones and I suggested that they write a letter for Mother to sign, Amy ONLY thought that was a good idea. Anita said nothing. SHE WANTS TO GET HER HANDS ON THE MONEY SO SHE CAN DO A BETTER JOB OF INVESTING.

Bottom line. I'm truly scared about my future security and the fact that I have no control whatsoever over my destiny. If that's what Mother intended I would really have liked to hear it from her. I would also like to know what I did that made her feel it was necessary to take such drastic measures without consulting me.

I cannot sleep, I cannot keep my mind on my work, and I cannot get these thoughts out of my head.

Now the truth comes out. None of us is entitled to copies of the trust documents, since Mother is the only beneficiary. Amy and Anita are trying to take over and will probably do anything and everything they can to cut the rest of us out. I was already depressed today. I'm over the edge now.

**Subject:** RE: New Development

I got the same TM from Tino. I hesitate to promise them anything in writing about money. Rather than a monthly payment, I would rather grant them a certain amount each year, but only through the direct payment of their bills - for example; mom could gift Carl \$13,000/year, but only if they send me the bill statements to pay directly, and only for bills for living/medical expenses - when the trust has paid \$13,000 in bills for the year, that's the end of the money for that year. We could ask them to sign for this money against his inheritance, but then we'd have another form that we'd have to get them to sign (probably notarized), and as we don't know if she's had Carl declared incompetent, the validity of any form he signs might be questionable.

I do like the idea of a letter telling Drina that she may have no contact w/ mom (physical, verbal, visual, phone or electronic means) and she is not to enter mom's house. She can bring Carl to visit mom, but she must remain outside the house - any violation of this letter will be considered harassment and the police will be called if she does not comply. I would also like to add in the letter that Carl's inheritance will be put into a Personal Asset Trust for his care and living expenses - I think this information might be enough to tip her hand.

I would also like to ask Candace, what this letter would do for us legally - like if we did end up calling the police would the letter lend any credence to our case?

I won't do anything until we can come upon an agreement as what to do - I can also write this letter in the role of mom's power of attorney (which she signed last year).

I spoke w/ mom about the whole situation; she listens to reason and can understand our concerns for Carl, and will sign the changes to the trust next week. I have been very forthright in explaining the changes in the trust to her, and that they would be done in order to minimize any pathway that Drina might have to Carl's money. The changes are not to penalize Carl, but to ensure the money goes for his care. I told her to "just say No" to Carl or Drina if they brought up the trust or money and to refer them to me. I reminded her that she isn't trustee anymore and doesn't have access to the trust accounts - she seems fine w/ everything, and expressed no desire to put Carl back on as a trustee. I told her that in the event she did that, that it would not be fair to the rest of us, as we would end up having to deal w/ Drina, not Carl. Mom begrudgingly admits to knowledge of the unpleasantness of this whole situation and Drina's past behavior since Carl has been ill, but I think she is really naive regarding the lengths to which Drina may go through to get Carl's inheritance.

# THE BRUNSTING FAMILY LIVING TRUST

## Article I

### The Founding of Our Family Living Trust

#### Section A. Our Declaration of Trust

This trust declaration is made this day by ELMER HENRY BRUNSTING, also known as ELMER H. BRUNSTING, and wife, NELVA ERLEEN BRUNSTING, also known as NELVA E. BRUNSTING, (together called "Founders") who presently reside in Harris County, Texas. We shall serve together as the initial Trustees of this joint revocable living trust.

Notwithstanding anything in our trust declaration to the contrary, when we are serving as Trustees under our trust declaration, either of us may act for and conduct business on behalf of our trust as a Trustee without the consent of any other Trustee.

#### Section B. The Title of Our Trust

Although the name we have given to our trust for our own convenience is the BRUNSTING FAMILY LIVING TRUST, the full legal name of our trust for purposes of transferring assets into the trust, holding title to assets and conducting business for and on behalf of the trust, shall be known as:

ELMER H. BRUNSTING or NELVA E. BRUNSTING,  
Trustees, or the successor Trustees, under the BRUNSTING  
FAMILY LIVING TRUST dated October 10, 1996, as  
amended.

Our trust may also be known as:

ELMER H. BRUNSTING and NELVA E. BRUNSTING,  
Trustees, or the successor Trustees, under the BRUNSTING  
FAMILY LIVING TRUST dated October 10, 1996, as  
amended.

In addition to the above descriptions, any description for referring to this trust shall be effective to transfer title to the trust or to designate the trust as a beneficiary as long as that format includes the date of this trust, the name of at least one initial or successor Trustee, and any reference that indicates that assets are to be held in a fiduciary capacity.

#### Section C. Our Beneficiaries and Family

This trust is created for the use and the benefit of ELMER H. BRUNSTING and NELVA E. BRUNSTING, and to the extent provided in this trust, for the other trust beneficiaries named herein.

The term "spouse" will refer to either of us, whichever is appropriate in context, and the term "both spouses" will mean both of us. The term "surviving spouse" or "surviving Founder" will identify the spouse who is living at the time of the other spouse's death (the "deceased spouse" or "deceased Founder").

For reference, our children are:

<u>Name</u>	<u>Birth Date</u>
CANDACE LOUISE CURTIS	March 12, 1953
CAROL ANN BRUNSTING	October 16, 1954
CARL HENRY BRUNSTING	July 31, 1957
AMY RUTH TSCHIRHART	October 7, 1961
ANITA KAY RILEY	August 7, 1963

All references to our children or to our descendants are to these named children, as well as any children subsequently born to us or legally adopted by us.

The terms "trust beneficiary" or "beneficiary" will also mean any and all persons, organizations, trusts and entities who may have or may acquire a beneficial interest in this trust, whether vested or contingent in nature, including a transfer of an interest in the trust during our lives, from either of us, or both, or from an exercise of a power of appointment by a trust beneficiary or otherwise.

## **Article II**

### **Transfers of Assets to Our Trust**

#### **Section A. Our Initial Contribution**

We have delivered to our Trustees certain property as the initial assets of this trust, the receipt of which is acknowledged.

#### **Section B. Additions to Our Trust**

Any person, trust or entity may add property of any character to this trust by a last will and testament, from another trust (regardless of whether such trust is a living trust or a trust contained in a Will), by a deed or any other legally accepted method of assignment, conveyance, delivery or transfer, subject only to the acceptance of such property or asset by the Trustee.

#### **Section C. Our Separate and Community Accounts**

Any contributions of separate property to the trust by, or for the benefit of, either Founder shall remain the separate property of such Founder. A separate schedule signed by both of the Founders may be maintained for purposes of identifying such separate property and its ownership.

Each of us may withdraw, remove, sell or otherwise deal with our respective separate property interests without any restrictions. Should we revoke our trust, all separate property shall be transferred, assigned, or conveyed back to the owning Founder as his or her respective separate property.

All community property, as well as the income from and proceeds of such community property, shall retain its community property characterization under the law unless we change such characterization by virtue of a duly executed marital partition agreement.

All community property withdrawn or removed from our trust shall retain its community characterization. Should we revoke our trust, all community property shall be transferred, assigned or conveyed back to us as community property.

## **Article III**

### **Our Right to Amend or Revoke This Trust**

#### **Section A. We May Revoke Our Trust**

While we are both living, either of us may revoke our trust. However, this trust will become irrevocable upon the death of either of us. Any Trustee, who is serving in such capacity, may document the non-revocation of the trust with an affidavit setting forth that the trust remains in full force and effect.

The affidavit may, at the Trustee's discretion, be filed in the deed records in each county in which real property held in trust is located or in the county in which the principal assets and records of the trust are located. The public and all persons interested in and dealing with the trust and the Trustee may rely upon a certified copy of the recorded affidavit as conclusive evidence that the trust remains in full force and effect.

#### **Section B. We May Amend Our Trust**

This trust declaration may be amended by us in whole or in part in a writing signed by both of us for so long as we both shall live. Except as to a change of trust situs, when one of us dies, this trust shall not be subject to amendment, except by a court of competent jurisdiction.

Each of us may provide for a different disposition of our share in the trust by using a qualified beneficiary designation, as we define that term in this agreement, and the qualified beneficiary designation will be considered an amendment to this trust as to that Founder's share or interest alone.

#### **Section C. Income Tax Matters**

For so long as this trust remains subject to amendment or revocation in its entirety, and for so long as a Founder is a Trustee of the trust, this trust will be treated for income tax reporting purposes as a "grantor trust" as that term is used by the Internal Revenue Service, particularly in Treasury Regulation Section 1.671-4(b).

For so long as a Founder is a Trustee of the trust, the tax identification numbers will be the social security numbers of the Founders and all items of income, gain, loss, credit and deduction are to be reported on the Founders' individual or joint income tax returns. At such time as the trust becomes irrevocable, in whole or in part, because of the death of one of us, the trust is to be treated for income tax purposes as required by Subchapter J of the Internal Revenue Code.

## Article IV

### Our Trustees

#### Section A. Original Trustees

Founders appoint ELMER H. BRUNSTING and NELVA E. BRUNSTING as the original Trustees of this trust. However, either of us may conduct business and act on behalf of this trust without the consent or authority of any other Trustee. Any third party may conclusively rely on the authority of either of us without the joinder of the other.

#### Section B. Our Successor Trustees

Each of the original Trustees will have the right to appoint their own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any reason, and may specify any conditions upon succession and service as may be permitted by law. Such appointment, together with any specified conditions, must be in writing.

If an original Trustee does not appoint a successor, the remaining original Trustee or Trustees then serving will continue to serve alone.

If both of the original Trustees fail or cease to serve by reason of death, disability or for any reason without having appointed a successor or successors, then the following individuals or entities will serve as Trustee in the following order:

First, ANITA KAY RILEY

Second, CARL HENRY BRUNSTING

Third, AMY RUTH TSCHIRHART

A successor Trustee shall be replaced by the next named successor in the order listed above when he or she has resigned or is unable to continue to serve as Trustee due to death or disability. Successor Trustees will have the authority vested in the original Trustees under this trust document, subject to any lawful limitations or qualifications upon the service of a successor imposed by any Trustee in a written document appointing a successor.

A successor Trustee will not be obliged to examine the records, accounts and acts of the previous Trustee or Trustees, nor will a successor Trustee in any way or manner be responsible for any act or omission to act on the part of any previous Trustee.

#### Section C. No Bond is Required of Our Trustees

No one serving as Trustee will be required to furnish a fiduciary bond as a prerequisite to service.

**Section D. Resignation or Removal of Our Trustees**

We may each remove any Trustee we may have individually named as our respective successors. Any appointee serving or entitled to serve as Trustee may resign at any time and without cause, and the instructions in this trust will determine who the successor will be. All removals or resignations must be in writing.

In the event that no Trustee is remaining who has been designated in this trust, a majority of all adult income beneficiaries and the legal guardians of all minor or disabled beneficiaries of the trust shares created hereunder shall have the power to appoint any corporate or banking institution having trust powers as the successor Trustee. Such power shall be exercised in a written instrument in recordable form which identifies this power, identifies the successor Trustee, contains an acceptance of office by such successor Trustee and identifies the effective time and date of such succession.

A majority of all adult beneficiaries and the legal guardians of all minor or disabled beneficiaries who are then entitled to receive distributions of income from the trust, or distributions of income from any separate trust created by this document, may only remove any corporate or institutional Trustee then serving, the notice of removal to be delivered in writing to the said Trustee.

If such beneficiaries shall fail to appoint a successor corporate or institutional Trustee, the selection of a successor to the Trustee will be made by a court of competent jurisdiction.

**Section E. Affidavit of Authority to Act**

Any person or entity dealing with the trust may rely upon our Affidavit of Trust, regardless of its form, or the affidavit of a Trustee or Trustees in substantially the following form:

On my oath, and under the penalties of perjury, I swear that I am the duly appointed and authorized Trustee of the BRUNSTING FAMILY LIVING TRUST. I certify that the trust has not been revoked and remains in full force and effect, I have not been removed as Trustee and I have the authority to act for, and bind, the BRUNSTING FAMILY LIVING TRUST in the transaction of the business for which this affidavit is given as affirmation of my authority.

**Section F. Documentary Succession of Our Trustees**

The successor to any Trustee may document succession with an affidavit setting forth that the preceding Trustee is unwilling to serve or has failed or ceased to serve due to death or disability and the successor has assumed the duties of the Trustee.

The affidavit may, at the Trustee's discretion, be filed in the deed records in each county in which real property held in trust is located or in the county in which the principal assets and records of the trust are located. The public and all persons interested in and dealing with the trust and the Trustee may rely upon a certified copy of the recorded affidavit as conclusive evidence of a successor's authority to serve and act as the Trustee of the trust.

#### **Section G. Our Trustees' Compensation**

Any person who serves as Trustee may elect to receive reasonable compensation to be measured by the time required in the administration of the trust and the responsibility assumed in the discharge of the duties of office.

A corporate or bank Trustee will be entitled to receive as its compensation such fees as are then prescribed by its published schedule of charges for trusts of a similar size and nature and additional compensation for extraordinary services performed by the corporate Trustee.

If an attorney, accountant or other professional shall be selected as Trustee, such professional shall be entitled to compensation for professional services rendered to a trust by himself or by a member of his firm in addition to compensation for services as Trustee.

A Trustee will be entitled to full reimbursement for expenses, costs or other obligations incurred as the result of service, including attorney's, accountant's and other professional fees.

#### **Section H. Multiple Trustees**

In the event there are two or more Trustees serving the trust, other than the Founders, the authority vested in such Trustees must be exercised by a majority of the Trustees. If only two Trustees are acting, the concurrence or joinder of both shall be required.

When more than two Trustees are acting, any dissenting or abstaining Trustee may be absolved from personal liability by registering a written dissent or abstention with the records of the trust; the dissenting Trustee shall thereafter act with the other Trustees in any manner necessary or appropriate to effectuate the decision of the majority.

#### **Section I. Delegation of Authority**

Any Trustee may delegate to any other Trustee named in our trust the powers and authority vested in him or her by this declaration. A delegating Trustee may evidence such delegation in writing and may revoke it in writing at any time.

**Section J. Successor Corporate Trustees**

Any successor corporate or bank Trustee must be a United States bank or trust company vested with trust powers pursuant to state or federal law, and must have a combined capital and surplus of 20 million dollars.

Any bank or trust company succeeding to the business of any corporate or bank Trustee serving by virtue of this declaration because of change of name, reorganization, merger or any other reason shall immediately succeed as Trustee of this trust, without the necessity of court intervention or any other action whatsoever.

**Section K. Partial and Final Distributions**

The Trustee, in making or preparing to make a partial or final distribution, may prepare an accounting and may require, as a condition to payment, a written and acknowledged statement from each distributee that the accounting has been thoroughly examined and accepted as correct; a discharge of the Trustee; a release from any loss, liability, claim or question concerning the exercise of due care, skill and prudence of the Trustee in the management, investment, retention and distribution of property during the Trustee's term of service, except for any undisclosed error or omission having basis in fraud or bad faith; and an indemnity of the Trustee, to include the payment of attorney's fees, from any asserted claim of any taxing agency, governmental authority or other claimant.

**Section L. Court Supervision Not Required**

All trusts created under this agreement shall be administered free from the active supervision of any court.

Any proceedings to seek judicial instructions or a judicial determination shall be initiated by our Trustee in the appropriate state court having original jurisdiction of those matters relating to the construction and administration of trusts.

## Article V

### Insurance Policies and Retirement Plans

#### Section A. Our Authority While We Are Living

To the extent of a Founder's community or separate interest in insurance policies, retirement plans or any other third party beneficiary contract, during the life of a Founder, each shall have the following rights, and the Trustee of this trust declaration shall have the following duties with respect to any third party beneficiary contract owned by or made payable to this trust.

##### 1. The Founder's Rights

Each Founder reserves all of the rights, powers, options and privileges with respect to any insurance policy, retirement plan or any other third party beneficiary contract made payable to this trust or deposited with our Trustee. Each Founder may exercise any of the rights, powers, options and privileges with respect to such third party beneficiary contract without the approval of our Trustee or any beneficiary.

Neither Founder shall be obligated to maintain any insurance policy, retirement plan or any other third party beneficiary contract in force.

##### 2. Our Trustee's Obligations

Upon a Founder's written request, our Trustee shall deliver to the requesting Founder or the Founder's designee any and all third party beneficiary contracts and related documents which are owned by or deposited with our Trustee pursuant to our trust declaration. Our Trustee shall not be obligated to have any of such documents returned to the Trustee.

Our Trustee shall provide for the safekeeping of any third party beneficiary contract, as well as any documents related thereto, which are deposited with our Trustee. Otherwise, our Trustee shall have no obligation with respect to any third party beneficiary contract, including payment of sums due and payable under such contracts, other than those obligations set forth in this Article.

#### Section B. Upon the Death of a Founder

Upon a Founder's death, our Trustee shall have authority to and shall make all appropriate elections with respect to any insurance policies, retirement plans and other death benefits

which are the separate estate of the deceased Founder. With respect to any insurance policies, retirement plans and other death benefits which are a part of the community estate, our Trustee and the surviving Founder shall have the authority and shall make all appropriate elections consistent with the laws of the state having jurisdiction over such property.

**1. Collection of Non-Retirement Death Proceeds**

Regarding any life insurance policy, or any other non-retirement death benefit plan, wherein death benefits are made payable to or are owned by our trust, our Trustee shall make every reasonable effort to collect any and all such sums. In collecting such sums, our Trustee may, in its sole and absolute discretion, exercise any settlement option available under the terms of a policy or any other third party beneficiary contract with regard to the interest of the deceased Founder in those policies or death benefit proceeds. However, our Trustee shall not be liable to any beneficiary for the settlement option ultimately selected.

**2. Retirement Plan Elections**

To the extent of the interest of the deceased Founder, our Trustee shall have the right, in its sole and absolute discretion, to elect to receive any retirement plan death proceeds either in a lump sum or in any other manner permitted by the terms of the particular retirement plan. Such right shall exist and pertain to any retirement plan including, but not limited to, any qualified pension plan, profit sharing plan, Keogh plan and individual retirement account. Our Trustee shall not be liable to any beneficiary for the death benefit election ultimately selected.

Any benefit of any retirement plan which is payable to our trust, including individual retirement accounts that are payable to our trust, may be disclaimed by our Trustee in its sole and absolute discretion. Such disclaimed benefits shall be payable in accordance with such plan.

**3. Collection Proceedings**

In order to enforce the payment of any death proceeds, our Trustee may institute any legal, equitable, administrative or other proceeding. However, our Trustee need not take any action to enforce any payment until our Trustee, in its sole judgment, has been indemnified to its satisfaction for all expenses and liabilities to which it may be subjected.

Our Trustee is expressly authorized, in its sole and absolute discretion, to adjust, settle and compromise any and all claims that may arise from the collection of any death proceeds. Any decision made by our Trustee pursuant to this Section B.3 shall be binding and conclusive on all beneficiaries.

**4. Payor's Liability**

Any person or entity which pays any type of death proceeds to our Trustee as beneficiary, shall not be required to inquire into any of the provisions of this trust declaration, nor will they be required to see to the application of any such proceeds by our Trustee. Our Trustee's receipt of death proceeds shall relieve the payor of any further liability as a result of making such payment.

### For So Long As We Both Shall Live

#### Section A. Our Use of Income and Assets

While we are both living, the net income of the trust is to be paid at least monthly to us, or to be used for our benefit. Any unused income will be accumulated and added to the principal assets of this trust.

While we are both living, we shall have the absolute right, either individually or jointly, to add to the trust property at any time.

While we are both living, we shall each have the right to withdraw, use or benefit from all or any part of our own separate property and our respective interests in any community property. However, the surviving spouse will be entitled to the use and benefit of the deceased spouse's interest as provided in this trust declaration.

Either of us, individually, may make gifts of our separate property contributed to the trust or may make gifts of our interests or shares in the trust itself to the extent permitted by law, including our community property interests. Neither of us shall have the power to direct our Trustee to make gifts of any trust principal or income. If any such gift is made directly to a third party, such gift shall be deemed to have first been distributed directly to either or both of us and then distributed as a gift from either or both of us to such third party.

#### Section B. If One or Both of Us Are Disabled

If one or both of us should become disabled, our Trustee shall provide to both of us, and to any person deemed by our Trustee to be dependent on either or both of us, such portions of income and principal from each of our respective interests in separate property and from our respective one-half interests in our community property, as deemed necessary or advisable in its sole discretion, for our health, education, maintenance and support, as well as for the health, education, maintenance and support of any person deemed by our Trustee to be dependent on either or both of us.

Our Trustee's discretion may include the payment of insurance premiums pursuant to contracts for insurance owned by one of us or by our trust. Premiums paid on a separate property policy shall be paid out of separate property funds of the owner of that policy.

During any period that one or both of us are disabled, it is the intention of each of us that we be cared for in our residence or in the private residence of another who is dear to us. It is our preference that neither of us be admitted to a convalescent care facility or similar facility unless our condition mandates such placement.

Valid obligations of either of us which are confirmed by our Trustee shall be provided for by our Trustee from such portions of income and principal from each of our separate property accounts and from our respective one-half interests in our community accounts, as deemed necessary or advisable in our Trustee's sole discretion.

If, prior to the disability of either one or both of us, one or both of us were making regular lifetime gifts to our children for purposes of estate tax planning, then our Trustee shall continue such gifting program to our children; provided, however, no such gifts shall be made until our support and obligations have been provided for.

**Section C. Income Tax Matters**

If any interest or share in the trust is irrevocable for so long as one or both of us are living, and if the Trustee of the trust is classified as subordinate or related to either of us, the distribution of trust corpus to the beneficiary of an irrevocable share, to the extent of his or her share or interest alone, will be limited to discretionary distributions necessary or appropriate to provide for the beneficiary's health, education, maintenance and support, and this standard shall be construed and limited according to the requirements of Section 674(b)(5)(A) of the Internal Revenue Code.

## Article VII

### Upon the Death of One of Us

#### Section A. Settlement of Affairs

Upon the death of the first Founder to die, our Trustee is authorized, but not directed, to pay the following expenses, claims and liabilities which are attributable to the first Founder to die:

Funeral, burial and expenses of last illness

Statutory or court-ordered allowances for qualifying family members

Expenses of administration of the estate

Legally enforceable claims against the deceased Founder or the deceased Founder's estate

Taxes occasioned by death

Any payment authorized above is discretionary. No claim or right to payment may be enforced against this trust by virtue of such discretionary authority.

#### 1. Deceased Founder's Probate Estate

Payments authorized under this Section shall be paid only to the extent that the probate assets (other than real estate, tangible personal property or property that, in our Trustee's judgment, is not readily marketable) are insufficient to make these payments. However, if our trust holds United States Treasury Bonds which are eligible for redemption at par in payment of the federal estate tax, our Trustee shall redeem such bonds to the extent necessary to pay federal estate tax as a result of a death.

Payments authorized under this Section may be made by our Trustee, in its sole and absolute discretion, either directly to the appropriate persons or institutions or to the personal representative of the deceased Founder's probate estate. If our Trustee makes payments directly to the personal representative of the deceased Founder's probate estate, our Trustee shall not have any duty to see to the application of such payments. Any written statement of the deceased Founder's personal representative regarding material facts relating to these payments may be relied upon by our Trustee.

As an addition to our trust, our Trustee is authorized to purchase and retain in the form received any property which is a part of the deceased Founder's probate estate. In addition, our Trustee may make loans to the deceased

Founder's probate estate with or without security. Our Trustee shall not be liable for any loss suffered by our trust as a result of the exercise of the powers granted in this paragraph.

Our Trustee shall be under no obligation to examine the records or accounts of the personal representative of the deceased Founder's probate estate and is authorized to accept distributions from the personal representative of the deceased Founder's probate estate without audit.

**2. Exempt Property Excluded**

Our Trustee shall not use any property in making any payments pursuant to this Section to the extent that such property is not included in the deceased Founder's gross estate for federal estate tax purposes. However, if our Trustee makes the determination, in its sole and absolute discretion, that other non-exempt property is not available for payments authorized under this Section, it may then use such exempt property where it is not economically prudent to use non-exempt property for the payment of such expenses.

**3. Apportionment of Payments**

Except as otherwise specifically provided in this trust declaration, all expenses and claims, and all estate, inheritance and death taxes, excluding any generation-skipping transfer tax, resulting from the death of a Founder shall be paid without apportionment and without reimbursement from any person.

Notwithstanding anything to the contrary in our trust, no death taxes payable as a result of the death of the first Founder to die shall be allocated to or paid from the Survivor's Trust or from any assets passing to the surviving Founder and qualifying for the federal estate tax marital deduction unless our Trustee has first used all other assets available to our Trustee.

Notwithstanding anything to the contrary in our trust declaration, estate, inheritance and death taxes assessed with regard to property passing outside of our trust or outside of our probate estates, but included in the gross estate of a Founder for federal estate tax purposes, shall be chargeable against the persons receiving such property.

**Section B. Division and Distribution of Trust Property**

Our Trustee shall divide the remaining trust property into two separate trusts upon the death of the first one of us to die. The resulting trusts shall be known as the Survivor's Trust and the Decedent's Trust.

**1. Creation of the Survivor's Trust**

The Survivor's Trust shall consist of the surviving Founder's interest in the community portion of the trust property, if any, and his or her separate portion of the trust property. In addition, the Survivor's Trust shall be the fractional share of the deceased Founder's trust property as follows:

**a. Numerator of the Fractional Share**

The numerator of the fractional share shall be the smallest amount which, if allowed as a marital deduction, would result in the least possible federal estate tax being payable as a result of the deceased Founder's death, after allowing for the unified credit against federal estate tax (after taking into account adjusted taxable gifts, if any) as finally determined for federal estate tax purposes, and the credit for state death taxes (but only to the extent that the use of this credit does not require an increase in the state death taxes paid).

The numerator shall be reduced by the value, for federal estate tax purposes, of any interest in property that qualifies for the federal estate tax marital deduction and which passes or has passed from the deceased Founder to the surviving Founder other than under this Article.

**b. Denominator of the Fractional Share**

The denominator of the fractional share shall consist of the value, as finally determined for federal estate tax purposes, of all of the deceased Founder's trust property under this agreement.

**2. Creation of the Decedent's Trust**

The Decedent's Trust shall consist of the balance of the trust property.

**Section C. Valuation of Property Distributed to the Survivor's Trust**

Our Trustee shall use those values as finally determined for federal estate tax purposes in making any computation which is necessary to determine the amount distributed to the Survivor's Trust. On the dates of distribution, the fair market value of all of the deceased Founder's property shall in no event be less than the amount of the Survivor's Trust as finally determined for federal estate tax purposes.

**Section D. Conversion of Nonproductive Property**

The surviving Founder shall at any time have the absolute right to compel our Trustee to convert nonproductive property held as an asset of the Survivor's Trust to productive property. Such right exists notwithstanding any contrary term in this agreement. The surviving Founder shall exercise this right by directing our Trustee in writing to convert such property.

**Section E. Survivor's Right to Refuse Property or Powers Granted**

With respect to property passing to the surviving Founder or for the surviving Founder's benefit, any portion of any interest in such property or power may be disclaimed by the surviving Founder within the time and under the conditions permitted by law with regard to disclaimers.

Any interest disclaimed by the surviving Founder with respect to any portion of the Survivor's Trust shall be added to the Decedent's Trust. Any interest disclaimed by the surviving Founder with respect to any portion of the Decedent's Trust shall be disposed of under the appropriate provisions of this agreement as though the surviving Founder had predeceased the first Founder to die.

Any disclaimer exercised must be an irrevocable and unqualified refusal to accept any portion of such interest in the property or power disclaimed. Such disclaimer must be delivered to our Trustee in writing.

**Section F. Allocation of Trust Property**

Subject to the conditions of Section B.1 of this Article, our Trustee shall have the complete authority to make allocations of the deceased Founder's trust property between the Survivor's and Decedent's Trusts.

Our Trustee may make allocations in cash or its equivalent, in kind, in undivided interests, or in any proportion thereof between the two trusts. Our Trustee may also, in its sole discretion, allocate such assets in kind based on the date of distribution values, rather than an undivided interest in each and every asset.

Our Trustee shall not allocate any property or assets, or proceeds from such property or assets, to the Survivor's Trust which would not qualify for the federal estate tax marital deduction in the deceased Founder's estate.

Our Trustee shall not allocate any policies of life insurance insuring the life of the surviving Founder to the Survivor's Trust that are the sole and separate property of the deceased Founder.

To the extent that there are insufficient assets qualifying for the marital deduction to fully fund this Survivor's Trust, the amount of the funding to the Survivor's Trust shall be reduced accordingly.

Our Trustee shall consider the tax consequences of allocating property subject to foreign death tax, property on which a tax credit is available, or property which is income in respect of a decedent under applicable tax laws prior to allocating the deceased Founder's property to the Survivor's Trust.

**Section G. Distributions from Retirement Plan to the Survivor's Trust**

If Retirement Plan distributions are included in the Survivor's Trust, or in any Survivor's Trust Share, our Trustee shall comply with the following guidelines.

**a. Form of Distribution**

Our Trustee may elect to receive distributions from any pension, profit sharing, individual retirement account, or other retirement plan ("Retirement Plan") for which our Trust, or any subtrust provided for herein, is named as beneficiary, in installments or in a lump sum.

**b. Income Requirement**

Our Trustee shall elect to receive distributions from a Retirement Plan payable to the Survivor's Trust or any Survivor's Trust Share in compliance with the minimum distribution rules of the Internal Revenue Code if applicable and also so that at least all income earned by the Retirement Plan each calendar year is distributed to the Trust and allocated to trust income during the year. If distributions from the Retirement Plan total less than all income earned by the Retirement Plan for a calendar year, our Trustee shall demand additional distributions equal to at least the shortfall so that the surviving Founder will receive all income earned by the Retirement Plan at least annually. The surviving Founder shall have full power, in such surviving Founder's discretion, to compel our Trustee to demand such distributions and to compel the Retirement Plan Trustee to convert any nonproductive property to productive property.

**c. Retirement Plan Expenses**

In calculating "all income earned by the Retirement Plan", our Trustee shall allocate all Retirement Plan expenses, including income taxes and Trustee's fees, that are attributable to principal distributions so that all income distributions from the Retirement Plan are not reduced.

## **Article VIII**

### **Administration of the Survivor's Trust**

#### **Section A. Creation of Two Survivor's Shares**

The property passing to the Survivor's Trust shall be divided into two shares. Both shares shall collectively constitute the Survivor's Trust.

##### **1. Survivor's Share One**

Our Trustee shall allocate all of the surviving Founder's separate portion of the trust property and all of the surviving Founder's community portion of the trust property, if any, to Survivor's Share One.

##### **2. Survivor's Share Two**

Survivor's Share Two shall consist of the balance, if any, of the property passing to the Survivor's Trust.

If any allocation under this Article results only in the funding of Survivor's Share One, our Trustee shall administer this agreement as if Survivor's Share Two did not exist. The funding of Survivor's Share One, when Survivor's Share Two does not exist, shall be referred to only as the Survivor's Trust and no designation shall be necessary.

Separate accounts shall be maintained for Survivor's Share One and Survivor's Share Two. Our Trustee may, however, hold the separate shares as a common fund for administrative convenience.

#### **Section B. Administration of Survivor's Share One**

Our Trustee shall administer Survivor's Share One for the surviving Founder's benefit as follows:

##### **1. The Surviving Founder's Right to Income**

Our Trustee shall pay to or apply for the surviving Founder's benefit, at least monthly during the surviving Founder's lifetime, all of the net income from Survivor's Share One.

##### **2. The Surviving Founder's Right to Withdraw Principal**

Our Trustee shall pay to or apply for the surviving Founder's benefit such amounts from the principal of Survivor's Share One as the surviving Founder may at any time request in writing.

No limitation shall be placed on the surviving Founder as to either the amount of or reason for such invasion of principal.

**3. Principal Distributions in Our Trustee's Discretion**

Our Trustee may also distribute to or for the surviving Founder's benefit as much of the principal of Survivor's Share One as our Trustee, in its sole and absolute discretion, shall consider necessary or advisable for the surviving Founder's education, health, maintenance, and support.

Our Trustee shall take into consideration, to the extent that our Trustee deems advisable, any income or resources of the surviving Founder which are outside of the trust and are known to our Trustee.

**4. The Surviving Founder's General Power of Appointment**

The surviving Founder shall have the unlimited and unrestricted general power to appoint either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, the entire principal and any accrued and undistributed net income of Survivor's Share One as it exists at the surviving Founder's death. In exercising this general power of appointment, the surviving Founder shall specifically refer to this power.

The surviving Founder shall have the sole and exclusive right to exercise the general power of appointment.

This general power of appointment specifically grants to the surviving Founder the right to appoint property to the surviving Founder's own estate. It also specifically grants to the surviving Founder the right to appoint the property among persons, corporations, or other entities in equal or unequal proportions, and on such terms and conditions, whether outright or in trust, as the surviving Founder may elect.

**Section C. Administration of Survivor's Share Two**

Our Trustee shall administer Survivor's Share Two for the surviving Founder's benefit as follows:

**1. The Surviving Founder's Right to Income**

Our Trustee shall pay to or apply for the surviving Founder's benefit, at least monthly during the surviving Founder's lifetime, all of the net income from Survivor's Share Two.

The surviving Founder shall have the unlimited and unrestricted general power to appoint either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, any accrued and undistributed net income of Survivor's Share Two. In exercising this general power of appointment, the surviving Founder shall specifically refer to this power.

The surviving Founder shall have the sole and exclusive right to exercise the general power of appointment.

This general power of appointment specifically grants to the surviving Founder the right to appoint property to the surviving Founder's own estate. It also specifically grants to the surviving Founder the right to appoint the property among persons, corporations, or other entities in equal or unequal proportions, and on such terms and conditions, whether outright or in trust, as the surviving Founder may elect.

**2. Principal Distributions in Our Trustee's Discretion**

Our Trustee may also distribute to or for the surviving Founder's benefit as much of the principal of Survivor's Share Two as our Trustee, in its sole and absolute discretion, shall consider necessary or advisable for the education, health, maintenance, and support of the surviving Founder.

Our Trustee shall take into consideration, to the extent that our Trustee deems advisable, any income or resources of the surviving Founder which are outside of the trust and are known to our Trustee.

It is our desire, to the extent that it is economically prudent, that principal distributions be made from Survivor's Share One until it is exhausted, and only thereafter from the principal of Survivor's Share Two.

**3. The Surviving Founder's Limited Testamentary Power of Appointment**

The surviving Founder shall have the limited testamentary power to appoint to or for the benefit of our descendants, either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, all or any portion of the principal of Survivor's Share Two as it exists at the surviving Founder's death.

The surviving Founder may make distributions among our descendants in equal or unequal amounts, and on such terms and conditions, either outright or in trust, as the surviving Founder shall determine.

This power shall not be exercised in favor of the surviving Founder's estate, the creditors of the surviving Founder's estate, or in any manner which would result in any economic benefit to the surviving Founder.

**Section D. Administration of Both Survivor's Shares at Surviving Founder's Death**

Both Survivor's Share One and Survivor's Share Two shall terminate at the surviving Founder's death. Our Trustee shall administer the unappointed balance or remainder of both shares as follows:

**1. The Surviving Founder's Final Expenses**

Our Trustee may, in its sole and absolute discretion, pay for the following expenses:

Expenses of the last illness, funeral, and burial of the surviving Founder.

Legally enforceable claims against the surviving Founder or the surviving Founder's estate.

Expenses of administering the surviving Founder's estate.

Any inheritance, estate, or other death taxes payable by reason of the surviving Founder's death, together with interest and penalties thereon.

Statutory or court-ordered allowances for qualifying family members.

The payments authorized under this Section are discretionary, and no claims or right to payment by third parties may be enforced against the trust by virtue of such discretionary authority.

Our Trustee shall be indemnified from the trust property for any damages sustained by our Trustee as a result of its exercising, in good faith, the authority granted it under this Section.

It is our desire that, to the extent possible, any payments authorized under this Section be paid from the surviving Founder's probate estate before any payments are made pursuant to this Section.

**2. Redemption of Treasury Bonds**

If the Survivor's Trust holds United States Treasury Bonds eligible for redemption in payment of the federal estate tax, our Trustee shall redeem the bonds to the extent necessary to pay any federal estate tax due by reason of the surviving Founder's death.

**3. Coordination with the Personal Representative**

This Paragraph shall be utilized to help facilitate the coordination between the personal representative of the surviving Founder's probate estate and our Trustee with respect to any property owned by the surviving Founder outside of this trust agreement at the surviving Founder's death.

**a. Authorized Payments**

Our Trustee, in its sole and absolute discretion, may elect to pay the payments authorized under this Section either directly to the appropriate persons or institutions or to the surviving Founder's personal representative.

Our Trustee may rely upon the written statements of the surviving Founder's personal representative as to all material facts relating to these payments; our Trustee shall not have any duty to see to the application of such payments.

**b. Purchase of Assets and Loans**

Our Trustee is authorized to purchase and retain in the form received, as an addition to the trust, any property which is a part of the surviving Founder's probate estate. In addition, our Trustee may make loans, with or without security, to the surviving Founder's probate estate. Our Trustee shall not be liable for any loss suffered by the trust as a result of the exercise of the powers granted in this paragraph.

**c. Distributions from the Personal Representative**

Our Trustee is authorized to accept distributions from the surviving Founder's personal representative without audit and our Trustee shall be under no obligation to examine the records or accounts of the personal representative.

**4. Trustee's Authority to Make Tax Elections**

Our Trustee may exercise any available elections with regard to state or federal income, inheritance, estate, succession, or gift tax law.

**a. Alternate Valuation Date**

The authority granted our Trustee in this Paragraph includes the right to elect any alternate valuation date for federal estate or state estate or inheritance tax purposes.

**b. Deduction of Administration Expenses**

The authority granted our Trustee in this Paragraph shall include the right to elect whether all or any parts of the administration expenses of the surviving Founder's estate are to be used as estate tax deductions or income tax deductions.

No compensating adjustments need be made between income and principal as a result of such elections unless our Trustee, in its sole and absolute discretion, shall determine otherwise, or unless required by law.

**c. Taxes and Returns**

Our Trustee may also sign tax returns; pay any taxes, interest, or penalties with regard to taxes; and apply for and collect tax refunds and interest thereon.

**Section E. Subsequent Administration of the Survivor's Trust**

The unappointed balance or remainder of Survivor's Share One and Survivor's Share Two shall be administered as provided in Article X.

## **Article IX**

### **Administration of the Decedent's Trust**

#### **Section A. Use of Income and Principal**

During the lifetime of the surviving Founder, our Trustee shall pay to or apply for the benefit of the surviving Founder all net income and such portions of principal from the Decedent's Trust according to the following guidelines:

1. **NET INCOME** shall be paid in convenient installments, at least monthly.
2. **PRINCIPAL**
  - a. The surviving Founder shall have the noncumulative right to withdraw in any calendar year amounts not to exceed \$5,000.00.
  - b. In addition, on the last day of any calendar year, the surviving Founder may withdraw an amount by which five percent (5%) of the then market value of the principal of the Decedent's Trust exceeds principal amounts previously withdrawn in that year pursuant to Section A.2.a. of this Article.
  - c. Our Trustee may also distribute any amount of principal deemed necessary, in our Trustee's sole and absolute discretion, for the health, education, maintenance and support of the surviving Founder and our descendants.

#### **Section B. Guidelines for All Distributions**

At all times, our Trustee shall give primary consideration to the surviving Founder's health, education, maintenance and support, and thereafter to our descendant's health, education, maintenance and support.

If the surviving Founder has the power to remove a Trustee of the Decedent's Trust, our Trustee shall not distribute any of the principal of the Decedent's Trust that would in any manner discharge the surviving Founder's legal obligation to a beneficiary of the Decedent's Trust. If the surviving Founder is disabled, our Trustee shall ignore this restriction during the period of the surviving Founder's disability, and the surviving Founder shall not have the power to remove a Trustee of the Decedent's Trust.

**Section C. Guidelines for Discretionary Distributions**

Before making discretionary distributions of principal from the Decedent's Trust to the surviving Founder, our Trustee shall preferably exhaust the Survivor's Trust.

Before making discretionary distributions pursuant to this Article, our Trustee shall consider income or other resources which are available outside of the Decedent's Trust to any beneficiary. Distributions need not be made to all Decedent's Trust beneficiaries and may be to the complete exclusion of some beneficiaries. Distributions may be made in equal or unequal amounts according to the respective needs of the Decedent's Trust beneficiaries and shall not be charged against a beneficiary's ultimate share of trust property.

**Section D. Termination of the Decedent's Trust**

When the surviving Founder dies, the Decedent's Trust shall terminate and our Trustee shall administer the balance of the Decedent's Trust according to the following guidelines and in the following order:

1. The surviving Founder shall have the limited testamentary power to appoint all of the undistributed principal and income of the Decedent's Trust among our descendants only. Any such appointment may be in any proportion and on such terms and conditions as the surviving Founder may elect. The surviving Founder shall not have the right or power to appoint any portion of the Decedent's Trust in favor of the surviving Founder's estate, creditors of the surviving Founder's estate, or in any manner which would result in any economic benefit to the surviving Founder. The right to exercise this limited testamentary power of appointment is the sole and exclusive right of the surviving Founder. Our Trustee shall distribute the appointed portions of the Decedent's Trust according to such appointment if exercised and specifically referred to either (i) in a valid last will and testament; (ii) in a living trust agreement; or (iii) by a written exercise of power of appointment executed by the surviving Founder.
2. Any unappointed balance of the Decedent's Trust shall be administered as provided in the Articles that follow.

Our Trustee shall administer and distribute each such share according to the provisions of Article XI, Section D.

**Section F. Guidelines for All Distributions**

Whenever any provision of this Article authorizes or requires a distribution to any beneficiary, then our Trustee shall retain such distribution in trust at such beneficiary's written request. Our Trustee shall pay to or apply for the benefit of the beneficiary such amounts of income and principal as the beneficiary may at any time request in writing. No limitations shall be placed upon the beneficiary regarding withdrawals from his or her respective trust share. In addition, our Trustee, in its sole and absolute discretion, may distribute to or apply for the benefit of the beneficiary as much of the principal and income of the beneficiary's trust share as our Trustee deems advisable, in its sole and absolute discretion, for the health, education, maintenance and support of the beneficiary.

**Section G. Ultimate Distribution**

If at any time there is no person, corporation or other entity entitled to receive all or any part of the trust property of one of us, it shall be distributed as follows:

<u>Beneficiary</u>	<u>Share%</u>
CENTRAL COLLEGE OF IOWA Pella, Iowa	100%

If the CENTRAL COLLEGE OF IOWA, Pella, Iowa, is no longer in existence at the date of distribution, but has designated a successor, such successor shall receive such beneficiary's share. However, if no such successor has been designated, the share of such beneficiary shall pass one-half to those persons who would be the wife Founder's heirs as if she had died intestate owning such property and the balance shall pass to those persons who would be the husband Founder's heirs as if he had died intestate owning such property.

The distribution of trust property, for purposes of this Section, shall be determined by the laws of descent and distribution for intestate estates in the State of Texas as such laws are in effect at the time of any distribution under this Article.

## Article XI

### Protection of Beneficial Interests

#### Section A. Protection of the Interests of Our Beneficiaries

No beneficiary will have the power to anticipate, encumber or transfer any interest in the trust. No part of the trust will be liable for or charged with any debts, contracts, liabilities or torts of a beneficiary or subject to seizure or other process by any creditor of a beneficiary.

#### Section B. Unproductive or Underproductive Assets

A beneficiary who is then entitled to the income of the trust, or the income of any other trust established or continued pursuant to this trust declaration, will have the authority to issue a written directive to the Trustee to convert trust property which does not produce an income, or which is underproductive, into property which is income producing or which will provide a greater income to the trust.

Upon actual receipt of an income beneficiary's written directive, the Trustee will reasonably and prudently proceed to convert unproductive or underproductive property into property which will produce a reasonable and safe rate of return. The Trustee may do so by selling the unproductive or underproductive asset upon such terms and conditions as are prudent and reasonable under all circumstances which may then exist (including the acceptance of an income or interest bearing obligation as the whole or a part of the sales price), and investing the proceeds of the sale in income producing instruments or obligations.

Notwithstanding these requirements, a trust beneficiary cannot direct the Trustee to invest or reinvest trust property in a trust investment which is speculative in nature or which, in result, would violate the spendthrift provisions of this trust declaration.

#### Section C. No Contest of Our Trust

The Founders vest in the Trustee the authority to construe this trust instrument and to resolve all matters pertaining to disputed issues or controverted claims. Founders do not want to burden this trust with the cost of a litigated proceeding to resolve questions of law or fact unless the proceeding is originated by the Trustee or with the Trustee's written permission.

Any person, agency or organization who shall originate (or who shall cause to be instituted) a judicial proceeding to construe or contest this trust instrument, or any will which requires distribution of property to this trust, or to resolve any claim or controversy in the nature of reimbursement, or seeking to impress a constructive or resulting trust, or alleging any other theory which, if assumed as true, would enlarge (or originate) a claimant's interest in this trust or in the Founders' estates, without the Trustee's written permission, shall forfeit any

amount to which that person, agency or organization is or may be entitled and the interest of any such litigant or contestant shall pass as if he or she or it had predeceased us, regardless of whether or not such contestant is a named beneficiary.

These directions shall apply even though the person, agency or organization shall be found by a court of law to have originated the judicial proceeding in good faith and with probable cause and even though the proceedings may seek nothing more than to construe the application of this no contest provision.

This requirement is to be limited, even to the exclusion thereof, in the event it operates to deny the benefits of the federal estate tax or federal gift tax marital deduction.

#### **Section D. Our Trustee's Authority to Keep Property in Trust**

Unless this trust declaration provided otherwise, if any trust property becomes distributable to a beneficiary when the beneficiary is under 21 years of age, or when the beneficiary is under any form of legal disability, as defined in Article XIII, our Trustee shall retain that beneficiary's share in a separate trust until he or she attains 21 years of age, or until his or her legal disability has ceased, to be administered and distributed as follows:

##### **1. Distributions of Trust Income and Principal**

Our Trustee shall pay to or apply for the benefit of the beneficiary as much of the net income and principal of the trust as our Trustee, in its sole and absolute discretion, deems necessary or advisable for the beneficiary's health, education, maintenance and support. No guardian or custodian of a beneficiary shall have any control or interposition over our Trustee.

In making any distributions of income and principal under this Section, our Trustee shall be mindful of, and take into consideration to the extent it deems necessary, any additional sources of income and principal available to the beneficiary which arise outside of this agreement.

Any net income not distributed to a beneficiary shall be accumulated and added to principal.

##### **2. Methods of Distribution**

Distributions to an incompetent or disabled beneficiary, or a minor beneficiary, may be made in any of the following ways as in the Trustee's opinion will be most beneficial to the interests of the beneficiary:

- (a) Directly to such beneficiary;
- (b) To his or her parent, guardian or legal representative;
- (c) To a custodian for said beneficiary under any Uniform Gifts to Minors Act and/or Gifts of Securities to Minors Act in the jurisdiction of residence of such beneficiary;

- (d) To any person with whom he or she is residing;
- (e) To some near relative or close friend; or
- (f) By the Trustee using such payment directly for the benefit of such beneficiary, including payments made to or for the benefit of any person or persons whom said beneficiary has a legal obligation to support;
- (g) To persons, corporations or other entities for the use and benefit of the beneficiary;
- (h) To an account in a commercial bank or savings institution in the name of the beneficiary, or in a form reserving the title, management and custody of the account to a suitable person, corporation or other entity for the use and benefit of the beneficiary; or
- (i) In any prudent form of annuity purchased for the use and benefit of the beneficiary.

The Trustee may instead, in the Trustee's sole discretion, hold such income or corpus for the account of such beneficiary as custodian. A receipt from a beneficiary or from his parent, guardian, legal representative, relative or close friend or other person described above shall be a sufficient discharge to the Trustee from any liability for making said payments.

The Trustee is likewise authorized to consult with and act upon the advice of the parent, guardian, custodian or legal representative of any beneficiary who is either an incompetent or a minor with respect to any and all matters which may arise under this trust and as it concerns the rights or interests of said beneficiary.

All statements, accounts, documents, releases, notices or other written instruments, including but not limited to, written instruments concerning the resignation or replacement of any Trustee or Trustees, required to be delivered to or executed by such beneficiary, may be delivered to or executed by the

parent, guardian, custodian or legal representative of said incompetent or minor beneficiary, and when so delivered or executed shall be binding upon said incompetent or minor beneficiary, and shall be of the same force and effect as though delivered to or executed by a beneficiary acting under no legal disability.

**3. Termination and Ultimate Distribution**

Our Trustee shall distribute the trust property to a beneficiary:

When he or she attains 21 years of age, or

When he or she ceases to be disabled.

## **Article XII**

### **Our Trustees' Powers and Authority**

#### **Section A. Applicability of Texas Trust Code and Other Statutes**

The Trustee shall have the powers, duties, and liabilities set forth in this declaration and as more specifically stated in this Article, as well as such powers, duties and liabilities set forth in the Texas Trust Code, and all other applicable state and federal statutes, as now enacted and as hereafter amended, except to the extent the same may be inconsistent with the provisions of this declaration, in which case the provisions of this declaration shall govern.

#### **Section B. Powers to Be Exercised in the Best Interests of the Beneficiaries**

The Trustee shall exercise the following administrative and investment powers without the order of any court, as the Trustee determines in its sole and absolute discretion to be in the best interests of the beneficiaries.

Notwithstanding anything to the contrary in this agreement, the Trustee shall not exercise any power in a manner inconsistent with the beneficiaries' right to the beneficial enjoyment of the trust property in accordance with the general principles of the law of trusts.

The Trustee may perform every act reasonably necessary to administer each and every share or trust created under this agreement.

#### **Section C. General Investment and Management Powers**

The Trustee is authorized to invest in such investments as the Trustee deems proper and prudent, even if such investments fail to constitute properly diversified trust investments or for any other reason could be considered to be improper trust investments. The Trustee's investment authority is intended to be quite broad, and shall include, but is not limited to, all authority that follows.

In addition, the Trustee is granted the authority to exercise any managerial powers of an individual with respect to matters affecting a trust, it being our intention to grant broad managerial discretion to the Trustee that is consistent with the management and administration of a trust, including the following managerial authorities.

### **Originally Contributed Properties**

The Trustee may continue to hold and maintain all assets originally contributed to any trust.

### **Additional Properties**

The Trustee is authorized to receive additional trust property, whether by gift, will, or otherwise, either from us, from either of us, or from any other person, corporation, or entity.

Upon receipt of any additional property, the Trustee shall administer and distribute the same as part of the trust property.

The Trustee may retain, without liability for depreciation or loss resulting from such retention, all property constituting the trust estate at the time of its creation or thereafter received from other sources.

The foregoing shall be acceptable even though such property may not be of the character prescribed by law for the investment of trust funds or may result in inadequate diversification of the trust property.

### **Securities Powers**

The Trustee may invest and reinvest in such classes of stocks, bonds, securities, commodities, options, metals, or other property real or personal, as it shall determine.

The Trustee is authorized to buy, sell, and trade in securities of any nature, including short sales on margin. The Trustee may maintain and operate margin accounts with brokers, and may pledge any securities held or purchased by other Trustees with such brokers as securities for loans and advances made to the Trustee.

The Trustee may retain, exercise, or sell rights of conversion or subscription with respect to any securities held as part of the trust property.

The Trustee may vote or refrain from voting at corporate meetings either in person or by proxy, whether general or limited, and with or without substitutions.

### **Investment of Cash Assets**

A corporate entity serving as Trustee may deposit trust funds with itself as either a permanent or temporary investment, and may place trust funds under its administration in common trust funds established and maintained by such corporate trustee or its affiliate. In determining where to invest cash resources, the Trustee may consider all factors, including facility of access and security of funds invested, as well as the stated rate of return.

### **Unproductive or Wasting Assets**

Except as otherwise provided in this agreement, the Trustee may receive, acquire and maintain assets that may constitute unproductive, underproductive or wasting assets if the Trustee believes it is reasonable to do so. Upon the sale or disposition of any such asset, the

Trustee need not make an allocation of any portion of the principal element of such sale proceeds to the income beneficiaries of the trust.

### **Personal Residence and Furnishings of Personal Residence**

To the extent that the personal residence that we occupied at the date of the death of the first of us to die and any furnishings of such residence become part of a trust estate, the Trustee is authorized to continue to retain and use, to distribute in kind, or to sell any such assets should the Trustee believe the retention, use, distribution or sale of such assets would be beneficial to the survivor of us.

### **Mineral Properties**

The Trustee shall have the power to acquire, exchange, maintain or sell mineral interests, and to make oil, gas and mineral leases covering any lands or mineral interests forming a part of a trust estate, including leases for periods extending beyond the duration of the trust.

The Trustee may pool or unitize any or all of the lands, mineral leaseholds or mineral interests of a trust with others for the purpose of developing and producing oil, gas or other minerals, and may make leases or assignments containing the right to pool or unitize.

The Trustee may enter into contracts and agreements relating to the installation or operation of absorption, repressuring and other processing plants, may drill or contract for the drilling of wells for oil, gas or other minerals, may enter into, renew and extend operating agreements and exploration contracts, may engage in secondary and tertiary recovery operations, may make "bottom hole" or "dry hole" contributions, and may deal otherwise with respect to mineral properties as an individual owner might deal with his own properties.

The Trustee may enter into contracts, conveyances and other agreements or transfers deemed necessary or desirable to carry out these powers, including division orders, oil, gas or other hydrocarbon sales contracts, processing agreements, and other contracts relating to the processing, handling, treating, transporting and marketing of oil, gas or other mineral production.

Any lease or other agreement may have a duration that the Trustee deems reasonable, even though extending beyond the duration of any trust created in this agreement.

The Trustee may drill, test, explore, mine, develop, and otherwise exploit any and all oil, gas, coal, and other mineral interests, and may select, employ, utilize, or participate in any business form, including partnerships, joint ventures, co-owners' groups, syndicates, and corporations, for the purpose of acquiring, holding, exploiting, developing, operating, or disposing of oil, gas, coal, and other mineral interests.

The Trustee may employ the services of consultants or outside specialists in connection with the evaluation, management, acquisition, disposition, or development of any mineral interests, and may pay the cost of such services from the principal or income of the trust property.

The Trustee may use the general assets of the trusts created under this agreement for the purposes of acquiring, holding, managing, developing, pooling, unitizing, repressuring, or disposing of any mineral interests.

The term "mineral" shall mean minerals of whatever kind and wherever located, whether surface or subsurface deposits, including (without limitation) coal, lignite and other hydrocarbons, iron ore, and uranium.

#### **Power to Enter Into or Continue Business Activities**

The Trustee shall have the authority to enter into, engage in, expand, carry on, terminate and liquidate any and all business activities, whether in proprietary, general or limited partnership, joint venture or corporate form, with such persons and entities as the Trustee deems proper. This power pertains to business activities in progress at the date of our deaths, and to business opportunities arising thereafter. Business activities conducted by the Trustee should be related to the administration and investment of the trust estate, for it is not our intention to convert any trust into an entity that would be taxable as an association for federal tax purposes.

#### **Banking Authority**

The Trustee is authorized to establish and maintain bank accounts of all types in one or more banking institutions that the Trustee may choose.

#### **Corporate Activities**

The Trustee may form, reorganize or dissolve corporations, and may exercise all rights of a stockholder, including the right to vote for or against mergers, consolidations and liquidations, and to act with or without substitution. An individual serving as Trustee may elect himself as an officer or director of a corporation owned in part or in whole by a trust created by this declaration, and a corporate entity serving as Trustee may elect one of its officers to such a position, and in each such instance the person so elected may be paid reasonable compensation for services rendered to such corporation in such capacity. The Trustee may retain, exercise or sell rights of conversion or subscription to any securities held as part of the trust property.

#### **Agricultural Powers**

The Trustee may retain, sell, acquire, and continue any farm or ranching operation whether as a sole proprietorship, partnership, or corporation.

The Trustee may engage in the production, harvesting, and marketing of both farm and ranch products either by operating directly or with management agencies, hired labor, tenants, or sharecroppers.

The Trustee may engage and participate in any government farm program, whether state or federally sponsored.

The Trustee may purchase or rent machinery, equipment, livestock, poultry, feed, and seed.

The Trustee may improve and repair all farm and ranch properties; construct buildings, fences, and drainage facilities; acquire, retain, improve, and dispose of wells, water rights, ditch rights, and priorities of any nature.

The Trustee may, in general, do all things customary or desirable to operate a farm or ranch operation for the benefit of the beneficiaries of the various trusts created under this agreement.

### **Real Estate**

The Trustee may purchase or sell real property, and may exchange, partition, subdivide, develop, manage, and improve real property. The Trustee may grant or acquire easements, may impose deed restrictions, may adjust boundaries, may raze existing improvements, and may dedicate land or rights in land for public use. The Trustee may construct, repair, alter, remodel, demolish or abandon improvements. The Trustee may take any other action reasonably necessary for the preservation of real estate and fixtures comprising a part of the trust property or the income therefrom.

### **Authority to Sell or Lease and Other Dispositive Powers**

The Trustee may sell, lease or grant options to lease trust property without the consent or ratification of any court, remainderman, or third party, including the authority to lease beyond the anticipated term of a trust, upon such terms and for such consideration as the Trustee deems appropriate. The Trustee may make such contracts, deeds, leases, and other instruments it deems proper under the circumstances, and may deal with the trust property in all other ways in which a natural person could deal with his or her property.

### **Warranties and Covenants**

The Trustee may convey properties with such covenants and warranties of title (general or special) as the Trustee deems appropriate.

### **Trustee's Compensation**

The Trustee shall pay itself reasonable compensation for its services as fiduciary as provided in this agreement.

### **Employment and Delegation of Authority to Agents**

The Trustee may employ and compensate, and may discharge, such advisors and agents as the Trustee deems proper, and may delegate to an agent such authorities (including discretionary authorities) as the Trustee deems appropriate, by duly executed powers of attorney or otherwise.

### **Power to Release or Abandon Property or Rights, and to Pursue Claims**

The Trustee may release, compromise or abandon claims or rights to property for such consideration (including no consideration) as the Trustee determines to be appropriate when

the Trustee determines it is prudent to do so. The Trustee is authorized to institute suit on behalf of and to defend suits brought against a trust estate, and to accept deeds in lieu of foreclosure.

#### **Nominal Title and Use of Nominees**

With or without disclosing fiduciary capacity, the Trustee may acquire title to property in the name of the Trustee or in the name of one or more nominees, and may allow its nominees to take possession of trust assets with or without direct custodial supervision by the Trustee.

#### **Power to Lend Money and Guarantee Obligations**

The Trustee may lend money to any person, to any business entity, to an estate, or to any trust, if the Trustee deems the loan to be in the best interests of the trust beneficiaries, provided that any such loan (except loans to beneficiaries) shall be adequately secured and shall bear a reasonable rate of interest.

The Trustee, in the Trustee's discretion, may endorse, guarantee, become the surety of or otherwise become obligated for or with respect to the debts or other obligations of any person or legal entity, whether with or without consideration, when the Trustee believes such actions advance the purposes of any trust created hereunder.

The Trustee may make loans from a beneficiary's trust share to or for the benefit of such a beneficiary on an unsecured basis, and for such rate of interest as the Trustee deems appropriate, when in the Trustee's judgment, such loan would be consistent with the purposes of such trust.

#### **Power to Borrow**

The Trustee may assume the payment of and renew and extend any indebtedness previously created by either or both Founders, and the Trustee may create new indebtedness and raise money by any means, including margin trading in securities, when the Trustee believes such borrowing will be beneficial to the trust estate.

The Trustee is authorized to secure the payment of each such indebtedness, and all renewals, extensions and refinancing of same, by pledge, mortgage, deed of trust or other encumbrance covering and binding all or any part of the trust estate of a trust.

The Trustee may loan its own monies to a trust and may charge and recover the then usual and customary rate of interest thereon when, in the discretion of Trustee, it is prudent to do so.

#### **Payment of Indebtedness and Settlement Costs**

The Trustee may in its sole discretion pay the funeral and burial expenses, expenses of the last illness, and valid claims and expenses of an income beneficiary of any trust created under this agreement.

Funeral and burial expenses shall include, but not be limited to, the cost of memorials of all types and memorial services of such kind as the Trustee shall approve. Valid claims and expenses shall include, but not be limited to, all state and federal death taxes.

The payments shall be paid from the assets of the trust or trusts from which the beneficiary was receiving income.

#### **Transactions Between the Trustee and Our Personal Representatives**

The Trustee is authorized to accept from our personal representatives, upon the termination or during the administration of our respective probate estates, if any, assets delivered by our personal representatives to the Trustee on the basis of the accounting submitted by the personal representatives, without requiring an audit or other independent accounting of the acts of our personal representatives, and the Trustee shall not have liability for the acts or omissions of our personal representatives. The foregoing shall not limit the right of our Trustee to request an accounting from our personal representatives and our personal representatives shall, upon request from the Trustee, furnish a complete accounting for their actions.

The Trustee shall have the power to purchase property from our estates at its fair market value, as determined by our personal representatives and by our Trustee, and to the extent required to permit such purchase of assets and to permit loans from the Trustee to our estate, we specifically waive application of the provisions of Section 352 of the Texas Probate Code and Sections 113.053 and 113.054 of the Texas Trust Code.

#### **Commingling Trust Estates**

For the purpose of convenience with regard to the administration and investment of the trust property, the Trustee may hold the several trusts created under this agreement as a common fund.

The Trustee may make joint investments with respect to the funds comprising the trust property.

The Trustee may enter into any transaction authorized by this Article with fiduciaries of other trusts or estates in which any beneficiary hereunder has an interest, even though such fiduciaries are also Trustees under this agreement.

#### **Addition of Accumulated Income to Principal**

The Trustee shall, on a convenient periodic basis, add the accumulated undistributed income of any trust which does not provide for mandatory income distributions to specified beneficiaries, and which does not require that any undistributed income be maintained separately for ultimate distribution to specified beneficiaries, to the principal of such trust.

### **Distributions Not Treated as Advancements**

No distributions to a beneficiary of any trust created hereunder shall be treated as an advancement against the beneficiary's share of such trust unless the distribution is specially so treated on the Trustee's records at the time of the distribution or unless the Trustee gives notice of such fact to the beneficiary at the time of the distribution. If the Trustee has the discretion to make distributions from a trust to more than one beneficiary, the Trustee ordinarily should not treat distributions to any particular beneficiary as an advancement of that beneficiary's share of the trust unless an event has occurred causing the termination of such trust.

### **Tax Elections**

The Trustee may exercise any available elections regarding state or federal income, inheritance, estate, succession or gift tax law including the right to elect any alternate valuation date for federal estate or inheritance tax purposes, the right to elect whether all or any parts of the administration of a deceased Founder's estate are to be used as estate tax deductions or income tax deductions, the right to make compensating adjustments between income and principal as a result of such elections if necessary, and the right to elect to have trust property qualify for the federal estate tax marital deduction as qualified terminable interest property under the appropriate provisions of the Internal Revenue Code and its regulations. The Trustee may also sign tax returns; pay any taxes, interest or penalties with regard to taxes; apply for and collect tax refunds thereon.

The Trustee is authorized to make elections available under applicable tax laws as the Trustee determines, in its discretion, to be advisable even though such elections may affect the interests of trust beneficiaries. The Trustee need not, but may, in its sole discretion, make equitable adjustments of the interests of the trust beneficiaries in light of the effect of such elections.

### **Transactions in Which the Trustee Has A Direct or Indirect Interest**

We expressly waive prohibitions existing under the common law and the Texas Trust Code that might otherwise prohibit a person or entity who is serving as a Trustee from engaging in transactions with himself or itself personally, so long as the consideration exchanged in any such transaction is fair and reasonable to the trust created by this declaration. Specifically, we authorize the Trustee (a) to buy or sell trust property from or to an individual or entity serving as a Trustee, or from or to a relative, employee, business associate or affiliate of such individual serving as Trustee; (b) to sell or exchange and to transact other business activities involving properties of one trust with another trust under the control of the Trustee; and (c) to sell or purchase from a trust the stock, bonds, obligations or other securities of the Trustee or its affiliate.

Notwithstanding the general powers conferred upon the Trustee, or anything to the contrary contained in this agreement, no individual Trustee shall exercise or participate in the exercise of discretion with respect to the distribution of trust income or principal to or for the benefit of such Trustee.

No individual Trustee shall exercise or participate in the exercise of such discretionary power with respect to distributions to any person or persons such Trustee is legally obligated to support as to that support obligation.

**Section D. Apportionment of Receipts and Expenses Between Income and Principal**

The Trustee shall have the power, exercisable in such Trustee's reasonable and sole discretion, to determine what is principal or income of a trust or trust share. The Trustee shall pay from income or principal all of the reasonable expenses attributable to the administration of the respective trusts created in this agreement. The Trustee shall have the power to establish a reasonable reserve for depreciation or depletion and to fund the same by appropriate charges against income of the trust estate. For purposes of determining an appropriate reserve for depreciable or depletable assets, the Trustee may (but need not) adopt the depreciation or depletion allowance available for federal income tax purposes.

**Section E. Records, Books of Account and Reports**

The Trustee shall promptly set up and thereafter maintain, or cause to be set up and maintained, proper books of account which shall accurately reflect the true financial condition of the trust estate. Such books of account shall at all reasonable times be open for the inspection or audit by the beneficiaries, their parent or court appointed guardians, and the duly authorized agents, attorneys, representatives and auditors of each, at the expense of the beneficiary making such inspection or audit.

The Trustee shall make a written financial report, at least semi-annually, to each beneficiary of the trust who is or could be entitled to receive a present income distribution, unless such beneficiary, or such beneficiary's parent or legal guardian, has executed a written waiver of the right to receive such a report. The Trustee shall not be obligated to provide financial reports to a beneficiary who is less than eighteen years old if such reports are being provided to a parent of such beneficiary. Such reports shall be submitted to the parent or guardian of a minor beneficiary, or to the guardian or other legal representative of any incapacitated beneficiary.

The first financial report shall identify all property initially received by the Trustee. The first report and each subsequent report shall include a statement of all property on hand at the end of such accounting period, of all property that has come to the knowledge or possession of the Trustee that has not been previously listed as property of the trust, of all known liabilities, of all receipts and disbursements during such period (including a statement as to whether the receipt or disbursement is of income or principal), and of such other facts as the Trustee deems necessary to furnish in order to provide adequate information as to the condition of the trust estate.

Except as otherwise provided in this declaration, should any person interested in a trust estate request an accounting for the Trustee's actions that is more extensive or more frequent than the accounting normally to be rendered, the Trustee may require such person to pay the additional costs incurred in preparing the same before complying with such request.

#### **Section F. Trustee's Liability**

No person or entity serving as Trustee without compensation shall be liable for any error of judgment or mistake of fact or law or for ordinary negligence, but shall be liable for acts involving willful misconduct, gross negligence or bad faith.

Unless otherwise provided, no person or entity serving as Trustee who is receiving compensation for his or its services hereunder shall be liable for any loss which may occur as a result of any actions taken or not taken by the Trustee if such person or entity has exercised the reasonable care, skill and prudence generally exercised by a compensated fiduciary with respect to the administration, investment, and management of similar estates.

No person or entity serving as Trustee shall be liable for the acts, omissions or defaults of any other person or entity serving as Trustee, agent or other person to whom duties may be properly delegated hereunder (except that each corporate trustee shall be liable for the acts, omissions and defaults of its officers and regular employees) if such agent or other person was engaged with reasonable care.

Unless a Trustee shall expressly contract and bind himself or itself individually, no Trustee shall incur any personal liability to any person or legal entity dealing with the Trustee in the administration of a trust. The Trustee shall be entitled to reimbursement from the properties of a trust for any liability or expense, whether in contract, tort or otherwise, incurred by the Trustee in the proper administration of a trust.

The Trustee shall be indemnified from the trust property for any damages sustained by the Trustee as a result of its exercising, in good faith, any of the authorities granted it under this trust declaration.

#### **Section G. Duty of Third Parties Dealing with Trustee**

No person dealing with the Trustee shall be responsible for the application of any assets delivered to the Trustee, and the receipt of the Trustee shall be a full discharge to the extent of the property delivered. No purchaser from or other person dealing with the Trustee, and no issuer or transfer agent of any securities to which any dealing with the Trustee shall relate, shall be under any duty to ascertain the power of the Trustee to purchase, sell, exchange, transfer, encumber or otherwise in any manner deal with any property held by the Trustee. No person dealing with the Trustee in good faith shall be under any duty to see that the terms of a trust are complied with or to inquire into the validity or propriety of any act of the Trustee.

#### **Section H. Division and Distribution of Trust Estate**

When the Trustee is required to divide or make distribution from a trust estate, in whole or in part, such division or distribution may be made by the Trustee in cash or in kind, or partly in cash and partly in kind, and the Trustee may assign or apportion to the distributees undivided interests in any assets then constituting a part of such trust estate. The Trustee may encumber property, may sell property, and may make non-pro-rata distributions when

the Trustee believes it is practical or desirable and equitable to do so in order to effectuate a trust distribution regardless of the income tax basis of any asset.

If non-pro-rata distributions are to be made, the Trustee should attempt to allocate the tax basis of the assets distributed in an equitable manner among the beneficiaries of the trust, but the Trustee may at all times rely upon the written agreement of the trust beneficiaries as to the apportionment of assets. To the extent non-pro-rata distributions are made and the tax basis of the assets so distributed is not uniformly apportioned among beneficiaries, the Trustee may, but need not, make any equitable adjustments among such beneficiaries as a result of such nonuniformity in basis.

#### **Section I. Life Insurance**

The Trustee shall have the powers with regard to life insurance as set forth in this Section I, except as otherwise provided in this agreement.

The Trustee may purchase, accept, hold, and deal with as owner, policies of insurance on both Founders' individual or joint lives, the life of any trust beneficiary, or on the life of any person in whom any trust beneficiary has an insurable interest.

The Trustee shall have the power to execute or cancel any automatic premium loan agreement with respect to any policy, and shall have the power to elect or cancel any automatic premium loan provision in a life insurance policy.

The Trustee may borrow money with which to pay premiums due on any policy either from the company issuing the policy or from any other source and may assign any such policy as security for the loan.

The Trustee shall have the power to exercise any option contained in a policy with regard to any dividend or share of surplus apportioned to the policy, to reduce the amount of a policy or convert or exchange the policy, or to surrender a policy at any time for its cash value.

The Trustee may elect any paid-up insurance or any extended-term insurance nonforfeiture option contained in a policy.

The Trustee shall have the power to sell policies at their fair market value to the insured or to anyone having an insurable interest in the policies.

The Trustee shall have the right to exercise any other right, option, or benefit contained in a policy or permitted by the insurance company issuing that policy.

Upon termination of any trust created under this agreement, the Trustee shall have the power to transfer and assign the policies held by the trust as a distribution of trust property.

#### **Section J. Insured Trustee's Authority**

Any individual Trustee under this agreement, other than either Founder, is prohibited from exercising any power conferred on the owner of any policy which insures the life of such individual Trustee and which is held as part of the trust property.

If the Trustee holds any such policy or policies as a part of the trust property, the powers conferred on the owner of such a policy shall be exercised only by the other then acting Trustee.

If the insured Trustee is the only then acting Trustee, then such powers shall be exercised by a substitute Trustee designated pursuant to the provisions of this agreement dealing with the trusteeship.

If any rule of law or court decision construes the ability of the insured Trustee to name a substitute Trustee as an incident of ownership, the substitution process shall be implemented by a majority of the then current mandatory and discretionary income beneficiaries, excluding the insured Trustee if the insured Trustee is a beneficiary.

#### **Section K. Estimated Income Tax Payment Allocation**

The Trustee, in its sole discretion, may elect or not elect to treat all or any portion of federal estimated taxes paid by any trust to be treated as a payment made by any one or more beneficiaries of such trust who are entitled to receive current distributions of income or principal from such trust. The election need not be made in a pro rata manner among all beneficiaries of the trust.

If there is an individual serving as a co-trustee who is a beneficiary of a trust created by this declaration, that individual may not take part in any decision to treat any trust estimated income tax payment as a payment by such individual.

In exercising or choosing not to exercise the discretion granted in this paragraph, the Trustee shall not be liable to any beneficiary or to any other persons directly or indirectly for any action or inaction so taken except for its willful fraud or gross negligence.

#### **Section L. Merger of Trusts**

If at any time the Trustee determines it would be in the best interest of the beneficiary or beneficiaries of any trust created by this declaration to transfer or merge all of the assets held in such trust with any other trust created either by trust instrument or by will for the benefit of the same beneficiary or beneficiaries and under substantially similar trusts, terms and conditions, the Trustee under this declaration, after giving not less than thirty days advance written notice to its beneficiaries, is authorized to transfer to or merge all of the assets held under the trust created by this declaration to such other substantially similar trust, and to terminate the trust created under this declaration regardless of whether the Trustee under this declaration also is acting as the trustee of such other trust.

The Trustee under this declaration shall not be subject to liability for delegation of its duties for any such transfer to a substantially similar trust having a different person or entity

serving as trustee, and shall have no further liability with respect to trust assets properly delivered to the trustee of any such other substantially similar trust. Similarly, the Trustee of any trust created by this declaration is authorized to receive from the trustee of any other substantially similar trust the assets held under such other trust.

**Section M. Termination and Distribution of Small Trust**

If, in the discretionary judgment of the person(s) or entity serving as Trustee, any trust shall at any time be a size which, in the Trustee's sole judgment, shall make it inadvisable or unnecessary to continue such trust, then the Trustee may distribute the trust estate of such trust to its beneficiaries in proportion to their respective presumptive interests in such trust at the time of such termination.

If either or both of us are a beneficiary of a trust terminated pursuant to this paragraph and are surviving at the date of such termination, the Trustee shall distribute the assets of such terminated trust to both of us or the survivor of us. The Trustee shall not be liable either for terminating or for refusing to terminate a trust as authorized by this paragraph.

**Section N. Elimination of Duty to Create Identical Trusts**

If the provisions of this trust direct the Trustee to hold any portion of its trust estate at its termination as the trust estate of a new trust for the benefit of any person or persons who already are beneficiaries of an existing identical trust, that portion of the terminating trust shall be added to the existing identical trust, and no new trust shall be created.

**Section O. Powers of Trustee Subsequent to an Event of Termination**

The Trustee shall have a reasonable period of time after the occurrence of an event of termination in which to wind up the administration of a trust and to make a distribution of its assets. During this period of time the Trustee shall continue to have and shall exercise all powers granted herein to the Trustee or conferred upon the Trustee by law until all provisions of this declaration are fully executed.

**Section P. Requesting Financial Information of Trust Beneficiaries**

In exercising its discretion to make any discretionary distributions to the beneficiaries of any trust created hereunder, the Trustee is authorized to request any financial information, including prior federal income tax returns, from the respective beneficiaries that the Trustee deems necessary in order to exercise its discretion in accordance with the provisions for making such distributions under this declaration.

**Section Q. Retirement Plan Elections**

Except as otherwise provided in this trust declaration, the Trustee may receive or disclaim any and all proceeds from retirement plans, including, but not limited to, qualified pension, profit sharing, Keogh, individual retirement accounts, or any other form or type of plan. The Trustee may make such elections and exercise options as provided in such plan, without liability to any beneficiary for the election made or option elected. Any disclaimed proceeds or benefits shall be paid in accordance with the terms, conditions, and directives set forth in the subject plan.

**Section R. Qualification as a Qualified Subchapter S Trust**

If any stock of an S corporation becomes distributable to a trust created under this agreement, and such trust is not a qualified Subchapter S trust, the Trustee may implement any of the following alternatives with respect to the S corporation stock:

**1. A Sole Beneficiary**

Where the original trust is for a sole beneficiary, the Trustee may create for that beneficiary a separate trust that qualifies as a Subchapter S trust, and then distribute such stock to the newly created trust.

**2. Multiple Beneficiaries**

Where the original trust is for multiple beneficiaries, the Trustee may divide the trust into separate trusts for each of the beneficiaries. Each newly created trust shall hold that beneficiary's pro rata share of the S corporation stock, and shall qualify as a Subchapter S trust.

**3. Outright Distribution**

If circumstances prevent the Trustee from accomplishing the first two alternatives under this paragraph, the Trustee may, in its sole and absolute discretion, distribute such stock to the beneficiaries as if the trust had terminated, while continuing to hold any other non-S corporation property in trust.

Each newly created S corporation trust shall have mandatory distributions of income and shall not provide for powers of appointment that can be exercised by the beneficiary during the beneficiary's lifetime. In all other respects, the newly created trusts shall be as consistent as possible with the original trusts and still qualify as Subchapter S trusts.

The Trustee may take any action necessary with regard to S corporations, including making any elections required to qualify stock as S corporation stock, and may sign all required tax returns and forms.

4. Founders. The term "Founders" means the "grantors", "trustors", "settlor" or any other name given to the makers of this trust either by law or by popular usage.
5. Heirs at Law. Whenever a Trustee, or a legal advisor to the Trustee, is called upon to determine the heirs at law of the Founders, or any other person beneficially interested in this trust, the determination will be made to identify those individuals,

other than creditors, who would receive the personal property of a decedent upon his or her death as determined in accordance with the laws of intestate succession of the State of Texas, United States of America, and further determined as if the Founders of this trust had predeceased the person or persons so named or described.

6. Incompetence or Disability. A Founder, Trustee or beneficiary will be considered "incompetent", "disabled" or "legally incapacitated" if he or she is incapacitated to an extent which makes it impossible or impractical for him or her to give prompt and intelligent consideration to their property or financial matters.

In addition, if a guardian, conservator or other personal representative of a Founder, Trustee or beneficiary has been appointed by a court of competent jurisdiction, then such Founder, Trustee or beneficiary will be considered incompetent or disabled.

9. Personal Representative. For the purposes of this agreement, the term "personal representative" shall include an executor, administrator, guardian, custodian, conservator, Trustee or any other form of personal representative.
10. Power of Appointment or Qualified Beneficiary Designation. Whenever this trust declaration gives a trust beneficiary the power or authority to appoint a beneficiary of the trust, the designation must be in writing and be acknowledged in the form required of acknowledgements by Texas law or exercised by a will executed with the formalities required by law of the trust beneficiary's residence.

It must clearly evidence the interest of the trust beneficiary to exercise a power of appointment; and, the written beneficiary designation must have been delivered to the Trustee prior to the trust beneficiary's death or, if exercised by will, must subsequently be admitted to probate no matter the time interval.

The term of this trust may be extended if the qualified beneficiary designation requires that a beneficiary's interest remain in trust, or may be divided and be held as a separate trust which is governed by the terms of this trust declaration.

11. Relative or Relatives. Reference to a "relative" or "relatives" will identify any person or persons related to the Founders by blood or lawful adoption in any degree.

The term "corporate Trustee" will identify a banking or trust corporation with trust powers.

### **Miscellaneous Matters**

#### **Section A. Distribution of Personal Belongings by Memorandum**

Each of us may have certain items of tangible personal property which have been transferred to the trust or otherwise subject to the Trustee's control which we wish to give to particular individuals while we are living or at the time of our respective deaths.

The term "personal belongings" or "tangible personal property" will mean and identify personal wearing apparel, jewelry, household furnishings and equipment, books, albums, art work, entertainment and sports equipment and all items of decoration or adornment.

Each spouse may, at any time and from time to time, deliver to the Trustee written, signed and dated instructions as to any living or post-mortem gifts of his or her personal belongings and the Trustee shall be authorized and bound to make disposition of these items as a spouse has reasonably directed in any such instructions which may be in the form of a Memorandum of Distribution or a love letter from either of us to the intended recipients of such items.

If there are conflicting instructions at the time of our deaths, then the instructions bearing the latest date shall be controlling. All such instructions are hereby incorporated by reference into this declaration.

#### **Section B. Special Bequests**

Unless otherwise provided in this trust document, or in any amendment, or in a document exercising a power to appoint the beneficiaries of this trust, if property given as a special bequest or gift is subject to a mortgage or other security interest, the designated recipient of the property will take the asset subject to the obligation and the recipient's assumption of the indebtedness upon distribution of the asset to the recipient.

The obligation to be assumed shall be the principal balance of the indebtedness on the date of death, and the trust shall be entitled to reimbursement or offset for principal and interest payments paid by the trust to date of distribution.

**Section C. The Rule Against Perpetuities**

In no event will the term of this trust continue for a term greater than 21 years after the death of the last survivor of the Founders and all relatives of the Founders living on the effective date of this trust declaration.

Any continuation of the trust by the qualified exercise of a power of appointment will be construed as the creation of a separate trust and an extension of the rule against perpetuities to the extent permitted by law. A court of competent jurisdiction is to liberally construe and apply this provision to validate an interest consistent with the Founders' intent and may reform or construe an interest according to the doctrine of cy pres.

**Section D. Jurisdiction**

The jurisdiction of this trust will be the State of Texas. Any issue of law or fact pertaining to the creation, continuation, administration and termination of the trust, or any other matter incident to this trust, is to be determined with reference to the specific directions in the trust declaration and then under the laws of the State of Texas.

If an Article or Section of this trust declaration is in conflict with a prohibition of state law or federal law, the Article or Section, or the trust declaration as a whole, is to be construed in a manner which will cause it to be in compliance with state and federal law and in a manner which will result in the least amount of taxes and estate settlement costs.

**Section E. Dissolution of Our Marriage**

If our marriage is dissolved at any time, each spouse shall be deemed to have predeceased the other for purposes of distributions under this agreement. It is our intent that our respective property held in our trust shall not be used for the benefit of the other spouse upon the dissolution of our marriage.

**Section F. Maintaining Property in Trust**

If, on the termination of any separate trust created under this agreement, a final distribution is to be made to a beneficiary for whom our Trustee holds a trust created under this agreement, such distribution shall be added to such trust rather than being distributed.

The property that is added to the trust shall be treated for purposes of administration as though it had been an original part of the trust.

**Section G. Survival**

Except as otherwise provided in this trust declaration, for the purpose of vesting in the event two or more persons who have an interest in the trust die within a short time of one another, one must have survived the other for a period of at least 90 days as a condition to vesting.

**Section H. Simultaneous Death**

In the event that the Co-Founders shall die simultaneously, or if there is insufficient evidence to establish that Co-Founders died other than simultaneously, it is deemed that the spouse owning the greater share of the separate property in this trust or passing into this trust due to the death of the Co-Founders, as defined for federal estate tax purposes, shall have predeceased the other Co-Founder, notwithstanding any provision of law to the contrary, and the provisions of this trust shall be construed on such assumption.

**Section I. Changing the Trust Situs**

After the death or disability of one of us, the situs of this agreement may be changed by the unanimous consent of all of the beneficiaries then eligible to receive mandatory or discretionary distributions of net income under this agreement.

If such consent is obtained, the beneficiaries shall notify our Trustee in writing of such change of trust situs, and shall, if necessary, designate a successor corporate fiduciary in the new situs. This notice shall constitute removal of the current Trustee, if appropriate, and any successor corporate Trustee shall assume its duties as provided under this agreement.

A change in situs under this Section shall be final and binding, and shall not be subject to judicial review.

**Section J. Construction**

Unless the context requires otherwise, words denoting the singular may be construed as denoting the plural, and words of the plural may be construed as denoting the singular. Words of one gender may be construed as denoting another gender as is appropriate within such context.

**Section K. Headings of Articles, Sections and Paragraphs**

The headings of Articles, Sections and Paragraphs used within this agreement are included solely for the convenience and reference of the reader. They shall have no significance in the interpretation or construction of this agreement.

**Section L. Notices**

All notices required to be given in this agreement shall be made in writing by either:

Personally delivering notice to the party requiring it, and securing a written receipt, or

Mailing notice by certified United States mail, return receipt requested, to the last known address of the party requiring notice.

The effective date of the notice shall be the date of the written receipt or the date of the return receipt, if received, or if not, the date it would have normally been received via certified mail, provided there is evidence of mailing.

**Section M. Delivery**

For purposes of this agreement "delivery" shall mean:

Personal delivery to any party, or

Delivery by certified United States mail, return receipt requested, to the party making delivery.

The effective date of delivery shall be the date of personal delivery or the date of the return receipt, if received, or if not, the date it would have normally been received via certified mail, provided there is evidence of mailing.

**Section N. Duplicate Originals**

This agreement may be executed in several counterparts; each counterpart shall be considered a duplicate original agreement.

**Section O. Severability**

If any provision of this agreement is declared by a court of competent jurisdiction to be invalid for any reason, such invalidity shall not affect the remaining provisions of this agreement. The remaining provisions shall be fully severable, and this agreement shall be construed and enforced as if the invalid provision had never been included in this agreement.

**Section P. Gender, Plural Usage**

The use of personal pronouns, such as he, she or it are to be construed in context. The term "person" will include a non-person, such as a corporation, trust, partnership or other entity as is appropriate in context. The identification of person in the plural will include the singular and vice versa, as is appropriate in context.

**Section Q. Special Election for Qualified Terminable Interest Property**

For the purpose of identifying the "transferor" in allocating a GST exemption, the estate of a deceased spouse, or the Trustee of this trust, may elect to treat all of the property which passes in trust to a surviving spouse for which a marital deduction is allowed, by reason of Section 2056(b)(7) of the Internal Revenue Code, as if the election to be treated as qualified terminable interest property had not been made.

Reference to the "special election for qualified terminable interest property" will mean and identify the election provided by Section 2652(a)(2) of the Internal Revenue Code.

The term "GST exemption" or "GST exemption amount" is the dollar amount of property which may pass as generation skipping transfer under Subtitle B, Chapter 13, of the Internal Revenue Code 1986 (entitled "Tax On Generation-Skipping Transfers") which is exempt from the generation skipping tax.

**Section R. Generation Skipping Transfers**

Our Trustee, in the Trustee's sole discretion, may allocate or assist either Founders' personal representatives or trustees in the allocation of any remaining portion of either Founder's GST exemptions to any property as to which such Founder is the transferor, including any property transferred by such Founder during life as to which such Founder did not make an allocation prior to his or her death and/or among any generation skipping transfers (as defined in Section 2611 of the Internal Revenue Code) resulting under this trust declaration and/or that may later occur with respect to any trust established under this trust declaration, and the Trustee shall never be liable to any person by reason of such allocation, if it is made in good faith and without gross negligence. The Trustee may, in the Trustee's sole discretion, set apart, to constitute two separate trusts, any property which would otherwise have been allocated to any trust created hereunder and which would have had an inclusion ratio, as defined in Section 2642(a)(1) of the Internal Revenue Code, of neither one hundred percent nor zero so that one such trust has an inclusion ratio of one hundred percent and the other such trust has an inclusion ratio of zero. If either Founder's personal representative or trustee and/or the Trustee exercises the special election provided by Section 2652(a)(3) of the Internal Revenue Code, as to any share of either Founder's property that is to be held in trust under this trust declaration, then the Trustee is authorized, in the Trustee's sole discretion, to set apart property constituting such share in a separate trust so that its inclusion ratio of such trust is zero.

**Section S. Elective Deductions**

A Trustee will have the discretionary authority to claim any obligation, expense, cost or loss as a deduction against either estate tax or income tax, or to make any election provided by Texas law, the Internal Revenue Code, or other applicable law, and the Trustee's decision will be conclusive and binding upon all interested parties and shall be effective without obligation to make an equitable adjustment or apportionment between or among the beneficiaries of this trust or the estate of a deceased beneficiary.

BRUNSTING, attest that we execute this trust declaration and the terms thereof will bind us, our successors and assigns, our heirs and personal representatives, and any Trustee of this trust. # THE RESTATEMENT OF THE BRUNSTING FAMILY LIVING TRUST

## Article I

### Our Family Living Trust

#### Section A. The Restatement of Our Trust

This restatement of the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996 is made this day by ELMER HENRY BRUNSTING, also known as ELMER H. BRUNSTING, and wife, NELVA ERLEEN BRUNSTING, also known as NELVA E. BRUNSTING, (together called "Founders") who presently reside in Harris County, Texas.

We now wish to restate that original trust agreement and any amendments thereto, in their entirety.

This restatement, dated January 12, 2005, shall replace and supersede our original trust agreement and all prior amendments.

We shall serve together as the initial Trustees of this joint revocable living trust.

Notwithstanding anything in our trust declaration to the contrary, when we are serving as Trustees under our trust declaration, either of us may act for and conduct business on behalf of our trust as a Trustee without the consent of any other Trustee.

#### Section B. The Title of Our Trust

Although the name we have given to our trust for our own convenience is the BRUNSTING FAMILY LIVING TRUST, the full legal name of our trust for purposes of transferring assets into the trust, holding title to assets and conducting business for and on behalf of the trust, shall be known as:

ELMER H. BRUNSTING or NELVA E. BRUNSTING,  
Trustees, or the successor Trustees, under the BRUNSTING  
FAMILY LIVING TRUST dated October 10, 1996, as  
amended.

Our trust may also be known as:

ELMER H. BRUNSTING and NELVA E. BRUNSTING, Trustees, or the successor Trustees, under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

In addition to the above descriptions, any description for referring to this trust shall be effective to transfer title to the trust or to designate the trust as a beneficiary as long as that format includes the date of this trust, the name of at least one initial or successor Trustee, and any reference that indicates that assets are to be held in a fiduciary capacity.

**Section C. Our Beneficiaries and Family**

This trust is created for the use and the benefit of ELMER H. BRUNSTING and NELVA E. BRUNSTING, and to the extent provided in this trust, for the other trust beneficiaries named herein.

The term "spouse" will refer to either of us, whichever is appropriate in context, and the term "both spouses" will mean both of us. The term "surviving spouse" or "surviving Founder" will identify the spouse who is living at the time of the other spouse's death (the "deceased spouse" or "deceased Founder").

For reference, our children are:

<u>Name</u>	<u>Birth Date</u>
CANDACE LOUISE CURTIS	March 12, 1953
CAROL ANN BRUNSTING	October 16, 1954
CARL HENRY BRUNSTING	July 31, 1957
AMY RUTH TSCHIRHART	October 7, 1961
ANITA KAY RILEY	August 7, 1963

All references to our children or to our descendants are to these named children, as well as any children subsequently born to us or legally adopted by us.

The terms "trust beneficiary" or "beneficiary" will also mean any and all persons, organizations, trusts and entities who may have or may acquire a beneficial interest in this trust, whether vested or contingent in nature, including a transfer of an interest in the trust

during our lives, from either of us, or both, or from an exercise of a power of appointment by a trust beneficiary or otherwise.

## **Article II**

### **Transfers of Assets to Our Trust**

#### **Section A. Our Initial Contribution**

We have delivered to our Trustees certain property as the initial assets of this trust, the receipt of which is acknowledged.

#### **Section B. Additions to Our Trust**

Any person, trust or entity may add property of any character to this trust by a last will and testament, from another trust (regardless of whether such trust is a living trust or a trust contained in a Will), by a deed or any other legally accepted method of assignment, conveyance, delivery or transfer, subject only to the acceptance of such property or asset by the Trustee.

#### **Section C. Our Separate and Community Accounts**

Any contributions of separate property to the trust by, or for the benefit of, either Founder shall remain the separate property of such Founder. A separate schedule signed by both of the Founders may be maintained for purposes of identifying such separate property and its ownership.

Each of us may withdraw, remove, sell or otherwise deal with our respective separate property interests without any restrictions. Should we revoke our trust, all separate property shall be transferred, assigned, or conveyed back to the owning Founder as his or her respective separate property.

All community property, as well as the income from and proceeds of such community property, shall retain its community property characterization under the law unless we change such characterization by virtue of a duly executed marital partition agreement.

All community property withdrawn or removed from our trust shall retain its community characterization. Should we revoke our trust, all community property shall be transferred, assigned or conveyed back to us as community property.

## **Article III**

### **Our Right to Amend or Revoke This Trust**

#### **Section A. We May Revoke Our Trust**

While we are both living, either of us may revoke our trust. However, this trust will become irrevocable upon the death of either of us. Any Trustee, who is serving in such capacity, may document the non-revocation of the trust with an affidavit setting forth that the trust remains in full force and effect.

The affidavit may, at the Trustee's discretion, be filed in the deed records in each county in which real property held in trust is located or in the county in which the principal assets and records of the trust are located. The public and all persons interested in and dealing with the trust and the Trustee may rely upon a certified copy of the recorded affidavit as conclusive evidence that the trust remains in full force and effect.

#### **Section B. We May Amend Our Trust**

This trust declaration may be amended by us in whole or in part in a writing signed by both of us for so long as we both shall live. Except as to a change of trust situs, when one of us dies, this trust shall not be subject to amendment, except by a court of competent jurisdiction.

Each of us may provide for a different disposition of our share in the trust by using a qualified beneficiary designation, as we define that term in this agreement, and the qualified beneficiary designation will be considered an amendment to this trust as to that Founder's share or interest alone.

#### **Section C. Income Tax Matters**

For so long as this trust remains subject to amendment or revocation in its entirety, and for so long as a Founder is a Trustee of the trust, this trust will be treated for income tax reporting purposes as a "grantor trust" as that term is used by the Internal Revenue Service, particularly in Treasury Regulation Section 1.671-4(b).

For so long as a Founder is a Trustee of the trust, the tax identification numbers will be the social security numbers of the Founders and all items of income, gain, loss, credit and

deduction are to be reported on the Founders' individual or joint income tax returns. At such time as the trust becomes irrevocable, in whole or in part, because of the death of one of us, the trust is to be treated for income tax purposes as required by Subchapter J of the Internal Revenue Code.

## **Article IV**

### **Our Trustees**

#### **Section A. Original Trustees**

Founders appoint ELMER H. BRUNSTING and NELVA E. BRUNSTING as the original Trustees of this trust. However, either of us may conduct business and act on behalf of this trust without the consent or authority of any other Trustee. Any third party may conclusively rely on the authority of either of us without the joinder of the other.

#### **Section B. Our Successor Trustees**

Each of the original Trustees will have the right to appoint their own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any reason, and may specify any conditions upon succession and service as may be permitted by law. Such appointment, together with any specified conditions, must be in writing.

If an original Trustee does not appoint a successor, the remaining original Trustee or Trustees then serving will continue to serve alone.

If both of the original Trustees fail or cease to serve by reason of death, disability or for any reason without having appointed a successor or successors, then the following individuals will serve as Co-Trustees:

CARL HENRY BRUNSTING and AMY RUTH TSCHIRHART

If a successor Co-Trustee should fail or cease to serve by reason of death, disability or for any other reason, then CANDACE LOUISE CURTIS shall serve as Co-Trustee in his or her place, with the remaining Co-Trustee then serving. However, if there is only one successor Co-Trustee able or willing to serve, such successor Co-Trustee shall serve alone.

Successor Trustees will have the authority vested in the original Trustees under this trust document, subject to any lawful limitations or qualifications upon the service of a successor imposed by any Trustee in a written document appointing a successor.

A successor Trustee will not be obliged to examine the records, accounts and acts of the previous Trustee or Trustees, nor will a successor Trustee in any way or manner be responsible for any act or omission to act on the part of any previous Trustee.

**Section C. No Bond is Required of Our Trustees**

No one serving as Trustee will be required to furnish a fiduciary bond as a prerequisite to service.

**Section D. Resignation or Removal of Our Trustees**

We may each remove any Trustee we may have individually named as our respective successors. Any appointee serving or entitled to serve as Trustee may resign at any time and without cause, and the instructions in this trust will determine who the successor will be. All removals or resignations must be in writing.

In the event that no Trustee is remaining who has been designated in this trust, a majority of all adult income beneficiaries and the legal guardians of all minor or disabled beneficiaries of the trust shares created hereunder shall have the power to appoint any corporate or banking institution having trust powers as the successor Trustee. Such power shall be exercised in a written instrument in recordable form which identifies this power, identifies the successor Trustee, contains an acceptance of office by such successor Trustee and identifies the effective time and date of such succession.

A majority of all adult beneficiaries and the legal guardians of all minor or disabled beneficiaries who are then entitled to receive distributions of income from the trust, or distributions of income from any separate trust created by this document, may only remove any corporate or institutional Trustee then serving, the notice of removal to be delivered in writing to the said Trustee.

If such beneficiaries shall fail to appoint a successor corporate or institutional Trustee, the selection of a successor to the Trustee will be made by a court of competent jurisdiction.

**Section E. Affidavit of Authority to Act**

Any person or entity dealing with the trust may rely upon our Affidavit of Trust, regardless of its form, or the affidavit of a Trustee or Trustees in substantially the following form:

On my oath, and under the penalties of perjury, I swear that I am the duly appointed and authorized Trustee of the BRUNSTING FAMILY LIVING TRUST. I certify that the trust has not been revoked and remains in full force and effect, I have not been removed as Trustee and I have the authority to act for, and bind, the BRUNSTING FAMILY LIVING TRUST in the transaction of the business for which this affidavit is given as affirmation of my authority.

**Section F. Documentary Succession of Our Trustees**

The successor to any Trustee may document succession with an affidavit setting forth that the preceding Trustee is unwilling to serve or has failed or ceased to serve due to death or disability and the successor has assumed the duties of the Trustee.

The affidavit may, at the Trustee's discretion, be filed in the deed records in each county in which real property held in trust is located or in the county in which the principal assets and records of the trust are located. The public and all persons interested in and dealing with the trust and the Trustee may rely upon a certified copy of the recorded affidavit as conclusive evidence of a successor's authority to serve and act as the Trustee of the trust.

**Section G. Our Trustees' Compensation**

Any person who serves as Trustee may elect to receive reasonable compensation to be measured by the time required in the administration of the trust and the responsibility assumed in the discharge of the duties of office.

A corporate or bank Trustee will be entitled to receive as its compensation such fees as are then prescribed by its published schedule of charges for trusts of a similar size and nature and additional compensation for extraordinary services performed by the corporate Trustee.

If an attorney, accountant or other professional shall be selected as Trustee, such professional shall be entitled to compensation for professional services rendered to a trust by himself or by a member of his firm in addition to compensation for services as Trustee.

A Trustee will be entitled to full reimbursement for expenses, costs or other obligations incurred as the result of service, including attorney's, accountant's and other professional fees.

**Section H. Multiple Trustees**

In the event there are two or more Trustees serving the trust, other than the Founders, the authority vested in such Trustees must be exercised by a majority of the Trustees. If only two Trustees are acting, the concurrence or joinder of both shall be required.

When more than two Trustees are acting, any dissenting or abstaining Trustee may be absolved from personal liability by registering a written dissent or abstention with the records of the trust; the dissenting Trustee shall thereafter act with the other Trustees in any manner necessary or appropriate to effectuate the decision of the majority.

**Section I. Delegation of Authority**

Any Trustee may delegate to any other Trustee named in our trust the powers and authority vested in him or her by this declaration. A delegating Trustee may evidence such delegation in writing and may revoke it in writing at any time.

**Section J. Successor Corporate Trustees**

Any successor corporate or bank Trustee must be a United States bank or trust company vested with trust powers pursuant to state or federal law, and must have a combined capital and surplus of 20 million dollars.

Any bank or trust company succeeding to the business of any corporate or bank Trustee serving by virtue of this declaration because of change of name, reorganization, merger or any other reason shall immediately succeed as Trustee of this trust, without the necessity of court intervention or any other action whatsoever.

**Section K. Partial and Final Distributions**

The Trustee, in making or preparing to make a partial or final distribution, may prepare an accounting and may require, as a condition to payment, a written and acknowledged statement from each distributee that the accounting has been thoroughly examined and accepted as correct; a discharge of the Trustee; a release from any loss, liability, claim or question concerning the exercise of due care, skill and prudence of the Trustee in the management, investment, retention and distribution of property during the Trustee's term of service, except for any undisclosed error or omission having basis in fraud or bad faith; and an indemnity of the Trustee, to include the payment of attorney's fees, from any asserted claim of any taxing agency, governmental authority or other claimant.

**Section L. Court Supervision Not Required**

All trusts created under this agreement shall be administered free from the active supervision of any court.

Any proceedings to seek judicial instructions or a judicial determination shall be initiated by our Trustee in the appropriate state court having original jurisdiction of those matters relating to the construction and administration of trusts.

**Section M. Health Insurance Portability and Accountability Act (HIPAA) of 1996 Compliance**

In order to maintain the integrity of this trust declaration and to meet our estate planning desires and goals, our Trustees shall comply with the directive set forth in this Section to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

**1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information**

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this Trust Agreement, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in this Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and

deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

## **2. Obtain the Release of Protected Health Information**

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founders' physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. Each of the Founders have separately signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, each of the Founders hereby grant the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this trust agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

## **3. Determination of "Incompetence" or "Incapacity"**

For purposes of this Trust, and notwithstanding any other conflicting provisions contained in this Trust Declaration or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or

estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founders, the Founders hereby voluntarily waive any physician-patient privilege or psychiatrist-patient privilege and authorize physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founders' desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or

such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under this Trust Agreement (if any), or if there is no such Trust Protector provided under this Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event this Trust Declaration does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of this trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

Each of the Founders have separately signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of this trust agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, each of the Founders hereby grant the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the trust agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

### Insurance Policies and Retirement Plans

#### Section A. Our Authority While We Are Living

To the extent of a Founder's community or separate interest in insurance policies, retirement plans or any other third party beneficiary contract, during the life of a Founder, each shall have the following rights, and the Trustee of this trust declaration shall have the following duties with respect to any third party beneficiary contract owned by or made payable to this trust.

##### 1. The Founder's Rights

Each Founder reserves all of the rights, powers, options and privileges with respect to any insurance policy, retirement plan or any other third party beneficiary contract made payable to this trust or deposited with our Trustee. Each Founder may exercise any of the rights, powers, options and privileges with respect to such third party beneficiary contract without the approval of our Trustee or any beneficiary.

Neither Founder shall be obligated to maintain any insurance policy, retirement plan or any other third party beneficiary contract in force.

##### 2. Our Trustee's Obligations

Upon a Founder's written request, our Trustee shall deliver to the requesting Founder or the Founder's designee any and all third party beneficiary contracts and related documents which are owned by or deposited with our Trustee pursuant to our trust declaration. Our Trustee shall not be obligated to have any of such documents returned to the Trustee.

Our Trustee shall provide for the safekeeping of any third party beneficiary contract, as well as any documents related thereto, which are deposited with our Trustee. Otherwise, our Trustee shall have no obligation with respect to any third party beneficiary contract, including payment of sums due and payable under such contracts, other than those obligations set forth in this Article.

**Section B. Upon the Death of a Founder**

Upon a Founder's death, our Trustee shall have authority to and shall make all appropriate elections with respect to any insurance policies, retirement plans and other death benefits which are the separate estate of the deceased Founder. With respect to any insurance policies, retirement plans and other death benefits which are a part of the community estate, our Trustee and the surviving Founder shall have the authority and shall make all appropriate elections consistent with the laws of the state having jurisdiction over such property.

**1. Collection of Non-Retirement Death Proceeds**

Regarding any life insurance policy, or any other non-retirement death benefit plan, wherein death benefits are made payable to or are owned by our trust, our Trustee shall make every reasonable effort to collect any and all such sums. In collecting such sums, our Trustee may, in its sole and absolute discretion, exercise any settlement option available under the terms of a policy or any other third party beneficiary contract with regard to the interest of the deceased Founder in those policies or death benefit proceeds. However, our Trustee shall not be liable to any beneficiary for the settlement option ultimately selected.

**2. Retirement Plan Elections**

To the extent of the interest of the deceased Founder, our Trustee shall have the right, in its sole and absolute discretion, to elect to receive any retirement plan death proceeds either in a lump sum or in any other manner permitted by the terms of the particular retirement plan. Such right shall exist and pertain to any retirement plan including, but not limited to, any qualified pension plan, profit sharing plan, Keogh plan and individual retirement account. Our Trustee shall not be liable to any beneficiary for the death benefit election ultimately selected.

Any benefit of any retirement plan which is payable to our trust, including individual retirement accounts that are payable to our trust, may be disclaimed by our Trustee in its sole and absolute discretion. Such disclaimed benefits shall be payable in accordance with such plan.

**3. Collection Proceedings**

In order to enforce the payment of any death proceeds, our Trustee may institute any legal, equitable, administrative or other proceeding. However, our Trustee need not take any action to enforce any payment until our Trustee,

in its sole judgment, has been indemnified to its satisfaction for all expenses and liabilities to which it may be subjected.

Our Trustee is expressly authorized, in its sole and absolute discretion, to adjust, settle and compromise any and all claims that may arise from the collection of any death proceeds. Any decision made by our Trustee pursuant to this Section B.3 shall be binding and conclusive on all beneficiaries.

#### **4. Payor's Liability**

Any person or entity which pays any type of death proceeds to our Trustee as beneficiary, shall not be required to inquire into any of the provisions of this trust declaration, nor will they be required to see to the application of any such proceeds by our Trustee. Our Trustee's receipt of death proceeds shall relieve the payor of any further liability as a result of making such payment.

### **Section C. Special Provisions Pertaining to Tax-Deferred Trust Assets**

Since the Founders anticipate that tax-deferred plans such as 401(k) plans, IRA's, SEP's and similar retirement plans and tax-deferred accounts might name this trust as the designated beneficiary in the event of the death of the Founders, the following provisions will hereby apply in all respects with regard to the assets and proceeds of such plans, notwithstanding that other provisions in this Agreement are in conflict with the following provisions:

#### **1. Minimum Distribution**

It is the purpose and intent of the Founders that this trust will qualify as a "designated beneficiary" pursuant to Section 401(a)(9) of the Internal Revenue Code and the term "Minimum Required Distribution" shall mean such mandatory distributions as are required to qualify this trust pursuant to the said Section 401(a)(9) of the Internal Revenue Code.

#### **2. Distribution Restrictions**

Notwithstanding any other provision in this trust declaration, and except as provided in this Article, the Trustee may not distribute to or for the benefit of the estate of either Founder, any charity or any other non-individual beneficiary, any benefits payable to this trust under any qualified retirement plan, individual retirement account or other retirement arrangement subject to the "Minimum Required Distribution Rules" of Section 401(a)(9) of the Internal Revenue Code, or other comparable provisions of law. It is the intent

of the Founders that all such retirement benefits be distributed to or held only for individual beneficiaries within the meaning of Section 401(a)(9) and applicable regulations. This paragraph shall not apply to any charitable bequest which is specifically directed to be funded with assets other than those encompassed by this provision.

**3. Exclusion of Older Adopted "Descendants"**

Notwithstanding any other provision hereof or state law, the class of the Founders' (or any other persons) "issue" or "descendants" shall not include an individual who is the Founders' (or such persons') "issue" or "descendants" by virtue of legal adoption if such individual (i) was so adopted after the Required Beginning Date of a Founder or a Founder's death, whichever occurs first, and (ii) is older than the oldest beneficiary of this trust who was a living member of said class on the earlier of said dates. The "Required Beginning Date," for purposes of this paragraph means April 1 of the year following the year in which the plan participant reaches 70½, or, if later, the date on which this trust is first named as a beneficiary of any retirement plan, benefit or arrangement subject to the "Minimum Distribution Rules" of Section 401(a)(9) of the Internal Revenue Code. The said Section 401(a)(9) of the Internal Revenue Code is incorporated by reference in this trust declaration for all purposes, together with applicable treasury regulations pertaining thereto.

**4. Payment of Estate Taxes of Plan Participant**

Except as required by state law, the trustee shall not use any plan benefits to pay a plan participant's estate taxes.

**5. Delivery of Trust to Plan Administrator**

If the Founders have not previously done so, the Trustee shall deliver a copy of this trust declaration to any plan administrator within the time limits required by applicable statute, as well as final and proposed treasury regulations.

**6. Distribution to the Beneficiaries**

Notwithstanding any other provision contained in this trust declaration to the contrary, the Trustee shall withdraw from the individual retirement account or other retirement plan payable to the trust, and distribute directly to the beneficiaries named herein, each year, the Minimum Required Distribution for such year based on the oldest beneficiary's life expectancy. After the death

of a beneficiary, the Trustee shall pay income of the trust and such Minimum Required Distribution to the descendants of such deceased or remainder beneficiary, as specified in Article X of this trust declaration.

**7. Distribution of More Than the Minimum Distribution**

The Trustee is authorized in its sole and absolute discretion, to distribute to the beneficiary and contingent beneficiaries more than the Minimum Required Distribution if deemed necessary and appropriate prior to the mandatory distributions of trust assets provided in Article X of this trust declaration.

## Article VI

### For So Long As We Both Shall Live

#### Section A. Our Use of Income and Assets

While we are both living, the net income of the trust is to be paid at least monthly to us, or to be used for our benefit. Any unused income will be accumulated and added to the principal assets of this trust.

While we are both living, we shall have the absolute right, either individually or jointly, to add to the trust property at any time.

While we are both living, we shall each have the right to withdraw, use or benefit from all or any part of our own separate property and our respective interests in any community property. However, the surviving spouse will be entitled to the use and benefit of the deceased spouse's interest as provided in this trust declaration.

Either of us, individually, may make gifts of our separate property contributed to the trust or may make gifts of our interests or shares in the trust itself to the extent permitted by law, including our community property interests. Neither of us shall have the power to direct our Trustee to make gifts of any trust principal or income. If any such gift is made directly to a third party, such gift shall be deemed to have first been distributed directly to either or both of us and then distributed as a gift from either or both of us to such third party.

#### Section B. If One or Both of Us Are Disabled

If one or both of us should become disabled, our Trustee shall provide to both of us, and to any person deemed by our Trustee to be dependent on either or both of us, such portions of income and principal from each of our respective interests in separate property and from our respective one-half interests in our community property, as deemed necessary or advisable in its sole discretion, for our health, education, maintenance and support, as well as for the health, education, maintenance and support of any person deemed by our Trustee to be dependent on either or both of us.

Our Trustee's discretion may include the payment of insurance premiums pursuant to contracts for insurance owned by one of us or by our trust. Premiums paid on a separate property policy shall be paid out of separate property funds of the owner of that policy.

During any period that one or both of us are disabled, it is the intention of each of us that we be cared for in our residence or in the private residence of another who is dear to us. It is our preference that neither of us be admitted to a convalescent care facility or similar facility unless our condition mandates such placement.

Valid obligations of either of us which are confirmed by our Trustee shall be provided for by our Trustee from such portions of income and principal from each of our separate property accounts and from our respective one-half interests in our community accounts, as deemed necessary or advisable in our Trustee's sole discretion.

If, prior to the disability of either one or both of us, one or both of us were making regular lifetime gifts to our children for purposes of estate tax planning, then our Trustee shall continue such gifting program to our children; provided, however, no such gifts shall be made until our support and obligations have been provided for.

#### **Section C. Income Tax Matters**

If any interest or share in the trust is irrevocable for so long as one or both of us are living, and if the Trustee of the trust is classified as subordinate or related to either of us, the distribution of trust corpus to the beneficiary of an irrevocable share, to the extent of his or her share or interest alone, will be limited to discretionary distributions necessary or appropriate to provide for the beneficiary's health, education, maintenance and support, and this standard shall be construed and limited according to the requirements of Section 674(b)(5)(A) of the Internal Revenue Code.

#### **Section D. Residence Homestead**

Pursuant to Section 11.13 of the Texas Property Tax Code, a qualifying trust may claim the statutory homestead exemption provided by the said Texas Property Tax Code as well as other provisions of Texas law. In order to comply with the said Texas Property Tax Code provisions, the Founders hereby agree as follows:

1. Our residence shall be owned by us through a beneficial interest in this qualifying trust;
2. Our residence shall be designed or adapted for human residence;

3. Such property shall at all times be used as our residence;
4. Such property will be occupied by us as Founders or Trustors of this trust as a result of our beneficial interest in this qualifying trust;
5. By separate deed of our residential property, we have conveyed our interest in such real property to this qualifying trust and are therefore qualified as "Trustors" pursuant to the said Code;
6. This revocable intervivos trust is a "Qualifying Trust" in that we specifically provide that as Trustors of the trust we have the right to use and occupy as our principal residence the residential property rent free and without charge except for taxes and other costs and expenses which may be specified in this instrument. Such right to use and occupation shall be for life or until the date the trust is revoked or terminated by an instrument that describes the property with sufficient certainty to identify it and is recorded in the real property records of the county in which the property is located; and
7. This trust has acquired the property in an instrument of title that
  - a. describes the property with sufficient certainty to identify it and the interest acquired;
  - b. is recorded in the real property records of the county in which the property is located; and
  - c. is executed by one or both of us as Trustors or by our personal representatives.

## **Article VII**

### **Upon the Death of One of Us**

#### **Section A. Settlement of Affairs**

Upon the death of the first Founder to die, our Trustee is authorized, but not directed, to pay the following expenses, claims and liabilities which are attributable to the first Founder to die:

Funeral, burial and expenses of last illness

Statutory or court-ordered allowances for qualifying family members

Expenses of administration of the estate

Legally enforceable claims against the deceased Founder or the deceased Founder's estate

Taxes occasioned by death

Any payment authorized above is discretionary. No claim or right to payment may be enforced against this trust by virtue of such discretionary authority.

#### **1. Deceased Founder's Probate Estate**

Payments authorized under this Section shall be paid only to the extent that the probate assets (other than real estate, tangible personal property or property that, in our Trustee's judgment, is not readily marketable) are insufficient to make these payments. However, if our trust holds United States Treasury Bonds which are eligible for redemption at par in payment of the federal estate tax, our Trustee shall redeem such bonds to the extent necessary to pay federal estate tax as a result of a death.

Payments authorized under this Section may be made by our Trustee, in its sole and absolute discretion, either directly to the appropriate persons or institutions or to the personal representative of the deceased Founder's probate estate. If our Trustee makes payments directly to the personal representative

of the deceased Founder's probate estate, our Trustee shall not have any duty to see to the application of such payments. Any written statement of the deceased Founder's personal representative regarding material facts relating to these payments may be relied upon by our Trustee.

As an addition to our trust, our Trustee is authorized to purchase and retain in the form received any property which is a part of the deceased Founder's probate estate. In addition, our Trustee may make loans to the deceased Founder's probate estate with or without security. Our Trustee shall not be liable for any loss suffered by our trust as a result of the exercise of the powers granted in this paragraph.

Our Trustee shall be under no obligation to examine the records or accounts of the personal representative of the deceased Founder's probate estate and is authorized to accept distributions from the personal representative of the deceased Founder's probate estate without audit.

## **2. Exempt Property Excluded**

Our Trustee shall not use any property in making any payments pursuant to this Section to the extent that such property is not included in the deceased Founder's gross estate for federal estate tax purposes. However, if our Trustee makes the determination, in its sole and absolute discretion, that other non-exempt property is not available for payments authorized under this Section, it may then use such exempt property where it is not economically prudent to use non-exempt property for the payment of such expenses.

## **3. Apportionment of Payments**

Except as otherwise specifically provided in this trust declaration, all expenses and claims, and all estate, inheritance and death taxes, excluding any generation-skipping transfer tax, resulting from the death of a Founder shall be paid without apportionment and without reimbursement from any person.

Notwithstanding anything to the contrary in our trust, no death taxes payable as a result of the death of the first Founder to die shall be allocated to or paid from the Survivor's Trust or from any assets passing to the surviving Founder and qualifying for the federal estate tax marital deduction unless our Trustee has first used all other assets available to our Trustee.

Notwithstanding anything to the contrary in our trust declaration, estate, inheritance and death taxes assessed with regard to property passing outside

of our trust or outside of our probate estates, but included in the gross estate of a Founder for federal estate tax purposes, shall be chargeable against the persons receiving such property.

## **Section B. Division and Distribution of Trust Property**

Our Trustee shall divide the remaining trust property into two separate trusts upon the death of the first one of us to die. The resulting trusts shall be known as the Survivor's Trust and the Decedent's Trust.

### **1. Creation of the Survivor's Trust**

The Survivor's Trust shall consist of the surviving Founder's interest in the community portion of the trust property, if any, and his or her separate portion of the trust property. In addition, the Survivor's Trust shall be the fractional share of the deceased Founder's trust property as follows:

#### **a. Numerator of the Fractional Share**

The numerator of the fractional share shall be the smallest amount which, if allowed as a marital deduction, would result in the least possible federal estate tax being payable as a result of the deceased Founder's death, after allowing for the unified credit against federal estate tax (after taking into account adjusted taxable gifts, if any) as finally determined for federal estate tax purposes, and the credit for state death taxes (but only to the extent that the use of this credit does not require an increase in the state death taxes paid).

The numerator shall be reduced by the value, for federal estate tax purposes, of any interest in property that qualifies for the federal estate tax marital deduction and which passes or has passed from the deceased Founder to the surviving Founder other than under this Article.

#### **b. Denominator of the Fractional Share**

The denominator of the fractional share shall consist of the value, as finally determined for federal estate tax purposes, of all of the deceased Founder's trust property under this agreement.

**2. Creation of the Decedent's Trust**

The Decedent's Trust shall consist of the balance of the trust property.

**Section C. Valuation of Property Distributed to the Survivor's Trust**

Our Trustee shall use those values as finally determined for federal estate tax purposes in making any computation which is necessary to determine the amount distributed to the Survivor's Trust. On the dates of distribution, the fair market value of all of the deceased Founder's property shall in no event be less than the amount of the Survivor's Trust as finally determined for federal estate tax purposes.

**Section D. Conversion of Nonproductive Property**

The surviving Founder shall at any time have the absolute right to compel our Trustee to convert nonproductive property held as an asset of the Survivor's Trust to productive property. Such right exists notwithstanding any contrary term in this agreement. The surviving Founder shall exercise this right by directing our Trustee in writing to convert such property.

**Section E. Survivor's Right to Refuse Property or Powers Granted**

With respect to property passing to the surviving Founder or for the surviving Founder's benefit, any portion of any interest in such property or power may be disclaimed by the surviving Founder within the time and under the conditions permitted by law with regard to disclaimers.

Any interest disclaimed by the surviving Founder with respect to any portion of the Survivor's Trust shall be added to the Decedent's Trust. Any interest disclaimed by the surviving Founder with respect to any portion of the Decedent's Trust shall be disposed of under the appropriate provisions of this agreement as though the surviving Founder had predeceased the first Founder to die.

Any disclaimer exercised must be an irrevocable and unqualified refusal to accept any portion of such interest in the property or power disclaimed. Such disclaimer must be delivered to our Trustee in writing.

**Section F. Allocation of Trust Property**

Subject to the conditions of Section B.1 of this Article, our Trustee shall have the complete authority to make allocations of the deceased Founder's trust property between the Survivor's and Decedent's Trusts.

Our Trustee may make allocations in cash or its equivalent, in kind, in undivided interests, or in any proportion thereof between the two trusts. Our Trustee may also, in its sole discretion, allocate such assets in kind based on the date of distribution values, rather than an undivided interest in each and every asset.

Our Trustee shall not allocate any property or assets, or proceeds from such property or assets, to the Survivor's Trust which would not qualify for the federal estate tax marital deduction in the deceased Founder's estate.

Our Trustee shall not allocate any policies of life insurance insuring the life of the surviving Founder to the Survivor's Trust that are the sole and separate property of the deceased Founder.

To the extent that there are insufficient assets qualifying for the marital deduction to fully fund this Survivor's Trust, the amount of the funding to the Survivor's Trust shall be reduced accordingly.

Our Trustee shall consider the tax consequences of allocating property subject to foreign death tax, property on which a tax credit is available, or property which is income in respect of a decedent under applicable tax laws prior to allocating the deceased Founder's property to the Survivor's Trust.

**Section G. Distributions from Retirement Plan to the Survivor's Trust**

If Retirement Plan distributions are included in the Survivor's Trust, or in any Survivor's Trust Share, our Trustee shall comply with the following guidelines.

**1. Form of Distribution**

Our Trustee may elect to receive distributions from any pension, profit sharing, individual retirement account, or other retirement plan ("Retirement Plan") for which our Trust, or any subtrust provided for herein, is named as beneficiary, in installments or in a lump sum.

**2. Income Requirement**

Our Trustee shall elect to receive distributions from a Retirement Plan payable to the Survivor's Trust or any Survivor's Trust Share in compliance with the minimum distribution rules of the Internal Revenue Code if applicable and also so that at least all income earned by the Retirement Plan each calendar year is distributed to the Trust and allocated to trust income during the year. If distributions from the Retirement Plan total less than all income earned by the Retirement Plan for a calendar year, our Trustee shall demand additional distributions equal to at least the shortfall so that the surviving Founder will receive all income earned by the Retirement Plan at least annually. The surviving Founder shall have full power, in such surviving Founder's discretion, to compel our Trustee to demand such distributions and to compel the Retirement Plan Trustee to convert any nonproductive property to productive property.

**3. Retirement Plan Expenses**

In calculating "all income earned by the Retirement Plan," our Trustee shall allocate all Retirement Plan expenses, including income taxes and Trustee's fees, that are attributable to principal distributions so that all income distributions from the Retirement Plan are not reduced.

### Administration of the Survivor's Trust

#### Section A. Creation of Two Survivor's Shares

The property passing to the Survivor's Trust shall be divided into two shares. Both shares shall collectively constitute the Survivor's Trust.

##### 1. Survivor's Share One

Our Trustee shall allocate all of the surviving Founder's separate portion of the trust property and all of the surviving Founder's community portion of the trust property, if any, to Survivor's Share One.

##### 2. Survivor's Share Two

Survivor's Share Two shall consist of the balance, if any, of the property passing to the Survivor's Trust.

If any allocation under this Article results only in the funding of Survivor's Share One, our Trustee shall administer this agreement as if Survivor's Share Two did not exist. The funding of Survivor's Share One, when Survivor's Share Two does not exist, shall be referred to only as the Survivor's Trust and no designation shall be necessary.

Separate accounts shall be maintained for Survivor's Share One and Survivor's Share Two. Our Trustee may, however, hold the separate shares as a common fund for administrative convenience.

#### Section B. Administration of Survivor's Share One

Our Trustee shall administer Survivor's Share One for the surviving Founder's benefit as follows:

##### 1. The Surviving Founder's Right to Income

Our Trustee shall pay to or apply for the surviving Founder's benefit, at least monthly during the surviving Founder's lifetime, all of the net income from Survivor's Share One.

**2. The Surviving Founder's Right to Withdraw Principal**

Our Trustee shall pay to or apply for the surviving Founder's benefit such amounts from the principal of Survivor's Share One as the surviving Founder may at any time request in writing.

No limitation shall be placed on the surviving Founder as to either the amount of or reason for such invasion of principal.

**3. Principal Distributions in Our Trustee's Discretion**

Our Trustee may also distribute to or for the surviving Founder's benefit as much of the principal of Survivor's Share One as our Trustee, in its sole and absolute discretion, shall consider necessary or advisable for the surviving Founder's education, health, maintenance, and support.

Our Trustee shall take into consideration, to the extent that our Trustee deems advisable, any income or resources of the surviving Founder which are outside of the trust and are known to our Trustee.

**4. The Surviving Founder's General Power of Appointment**

The surviving Founder shall have the unlimited and unrestricted general power to appoint either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, the entire principal and any accrued and undistributed net income of Survivor's Share One as it exists at the surviving Founder's death. In exercising this general power of appointment, the surviving Founder shall specifically refer to this power.

The surviving Founder shall have the sole and exclusive right to exercise the general power of appointment.

This general power of appointment specifically grants to the surviving Founder the right to appoint property to the surviving Founder's own estate. It also specifically grants to the surviving Founder the right to appoint the property among persons, corporations, or other entities in equal or unequal proportions, and on such terms and conditions, whether outright or in trust, as the surviving Founder may elect.

**Section C. Administration of Survivor's Share Two**

Our Trustee shall administer Survivor's Share Two for the surviving Founder's benefit as follows:

**1. The Surviving Founder's Right to Income**

Our Trustee shall pay to or apply for the surviving Founder's benefit, at least monthly during the surviving Founder's lifetime, all of the net income from Survivor's Share Two.

The surviving Founder shall have the unlimited and unrestricted general power to appoint either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, any accrued and undistributed net income of Survivor's Share Two. In exercising this general power of appointment, the surviving Founder shall specifically refer to this power.

The surviving Founder shall have the sole and exclusive right to exercise the general power of appointment.

This general power of appointment specifically grants to the surviving Founder the right to appoint property to the surviving Founder's own estate. It also specifically grants to the surviving Founder the right to appoint the property among persons, corporations, or other entities in equal or unequal proportions, and on such terms and conditions, whether outright or in trust, as the surviving Founder may elect.

**2. Principal Distributions in Our Trustee's Discretion**

Our Trustee may also distribute to or for the surviving Founder's benefit as much of the principal of Survivor's Share Two as our Trustee, in its sole and absolute discretion, shall consider necessary or advisable for the education, health, maintenance, and support of the surviving Founder.

Our Trustee shall take into consideration, to the extent that our Trustee deems advisable, any income or resources of the surviving Founder which are outside of the trust and are known to our Trustee.

It is our desire, to the extent that it is economically prudent, that principal distributions be made from Survivor's Share One until it is exhausted, and only thereafter from the principal of Survivor's Share Two.

### **3. The Surviving Founder's Limited Testamentary Power of Appointment**

The surviving Founder shall have the limited testamentary power to appoint to or for the benefit of our descendants, either (i) by a valid last will and testament; (ii) by a valid living trust agreement; or (iii) by a written exercise of power of appointment, all or any portion of the principal of Survivor's Share Two as it exists at the surviving Founder's death.

The surviving Founder may make distributions among our descendants in equal or unequal amounts, and on such terms and conditions, either outright or in trust, as the surviving Founder shall determine.

This power shall not be exercised in favor of the surviving Founder's estate, the creditors of the surviving Founder's estate, or in any manner which would result in any economic benefit to the surviving Founder.

### **Section D. Administration of Both Survivor's Shares at Surviving Founder's Death**

Both Survivor's Share One and Survivor's Share Two shall terminate at the surviving Founder's death. Our Trustee shall administer the unappointed balance or remainder of both shares as follows:

Any inheritance, estate, or other death taxes payable by reason of the surviving Founder's death, together with interest and penalties thereon.

Statutory or court-ordered allowances for qualifying family members.

The payments authorized under this Section are discretionary, and no claims or right to payment by third parties may be enforced against the trust by virtue of such discretionary authority.

Our Trustee shall be indemnified from the trust property for any damages sustained by our Trustee as a result of its exercising, in good faith, the authority granted it under this Section.

It is our desire that, to the extent possible, any payments authorized under this Section be paid from the surviving Founder's probate estate before any payments are made pursuant to this Section.

## **2. Redemption of Treasury Bonds**

If the Survivor's Trust holds United States Treasury Bonds eligible for redemption in payment of the federal estate tax, our Trustee shall redeem the bonds to the extent necessary to pay any federal estate tax due by reason of the surviving Founder's death.

## **3. Coordination with the Personal Representative**

This Paragraph shall be utilized to help facilitate the coordination between the personal representative of the surviving Founder's probate estate and our Trustee with respect to any property owned by the surviving Founder outside of this trust agreement at the surviving Founder's death.

### **a. Authorized Payments**

Our Trustee, in its sole and absolute discretion, may elect to pay the payments authorized under this Section either directly to the appropriate persons or institutions or to the surviving Founder's personal representative.

**b. Purchase of Assets and Loans**

Our Trustee is authorized to purchase and retain in the form received, as an addition to the trust, any property which is a part of the surviving Founder's probate estate. **a. Alternate Valuation Date**

The authority granted our Trustee in this Paragraph includes the right to elect any alternate valuation date for federal estate or state estate or inheritance tax purposes.

**b. Deduction of Administration Expenses**

The authority granted our Trustee in this Paragraph shall include the right to elect whether all or any parts of the administration expenses of the surviving Founder's estate are to be used as estate tax deductions or income tax deductions.

No compensating adjustments need be made between income and principal as a result of such elections unless our Trustee, in its sole and absolute discretion, shall determine otherwise, or unless required by law.

**c. Taxes and Returns**

Our Trustee may also sign tax returns; pay any taxes, interest, or penalties with regard to taxes; and apply for and collect tax refunds and interest thereon.

**Section E. Subsequent Administration of the Survivor's Trust**

The unappointed balance or remainder of Survivor's Share One and Survivor's Share Two shall be administered as provided in Article X.

### Administration of the Decedent's Trust

#### Section A. Use of Income and Principal

During the lifetime of the surviving Founder, our Trustee shall pay to or apply for the benefit of the surviving Founder all net income and such portions of principal from the Decedent's Trust according to the following guidelines:

1. **NET INCOME** shall be paid in convenient installments, at least monthly.
2. **PRINCIPAL**
  - a. The surviving Founder shall have the noncumulative right to withdraw in any calendar year amounts not to exceed \$5,000.00.
  - b. In addition, on the last day of any calendar year, the surviving Founder may withdraw an amount by which five percent (5%) of the then market value of the principal of the Decedent's Trust exceeds principal amounts previously withdrawn in that year pursuant to Section A.2.a. of this Article.
  - c. Our Trustee may also distribute any amount of principal deemed necessary, in our Trustee's sole and absolute discretion, for the health, education, maintenance and support of the surviving Founder and our descendants.

#### Section B. Guidelines for All Distributions

At all times, our Trustee shall give primary consideration to the surviving Founder's health, education, maintenance and support, and thereafter to our descendant's health, education, maintenance and support.

If the surviving Founder has the power to remove a Trustee of the Decedent's Trust, our Trustee shall not distribute any of the principal of the Decedent's Trust that would in any manner discharge the surviving Founder's legal obligation to a beneficiary of the Decedent's Trust. If the surviving Founder is disabled, our Trustee shall ignore this restriction during the period of the surviving Founder's disability, and the surviving Founder shall not have the power to remove a Trustee of the Decedent's Trust.

### **Section C. Guidelines for Discretionary Distributions**

Before making discretionary distributions of principal from the Decedent's Trust to the surviving Founder, our Trustee shall preferably exhaust the Survivor's Trust.

Before making discretionary distributions pursuant to this Article, our Trustee shall consider income or other resources which are available outside of the Decedent's Trust to any beneficiary. Distributions need not be made to all Decedent's Trust beneficiaries and may be to the complete exclusion of some beneficiaries. Distributions may be made in equal or unequal amounts according to the respective needs of the Decedent's Trust beneficiaries and shall not be charged against a beneficiary's ultimate share of trust property.

### **Section D. Termination of the Decedent's Trust**

When the surviving Founder dies, the Decedent's Trust shall terminate and our Trustee shall administer the balance of the Decedent's Trust according to the following guidelines and in the following order:

1. The surviving Founder shall have the limited testamentary power to appoint all of the undistributed principal and income of the Decedent's Trust among our descendants only (but only to the extent such undistributed principal and income have not been transferred or assigned to the Decedent's Trust by virtue of a disclaimer executed by the surviving Founder). Any such appointment may be in any proportion and on such terms and conditions as the surviving Founder may elect. The surviving Founder shall not have the right or power to appoint any portion of the Decedent's Trust in favor of the surviving Founder's estate, creditors of the surviving Founder's estate, or in any manner which would result in any economic benefit to the surviving Founder. The right to exercise this limited testamentary power of appointment is the sole and exclusive right of the surviving Founder. Our Trustee shall distribute the

appointed portions of the Decedent's Trust according to such appointment if exercised and specifically referred to either (i) in a valid last will and testament; (ii) in a living trust agreement; or (iii) by a written exercise of power of appointment executed by the surviving Founder.

2. Any unappointed balance of the Decedent's Trust shall be administered as provided in the Articles that follow.

(b) Distribution on the Death of ANITA KAY RILEY

If ANITA KAY RILEY should predecease us or die before the complete distribution of her trust share, and without exercising a power of appointment outlined above, the trust share set aside for ANITA KAY RILEY shall terminate and our Trustee shall distribute the balance of the trust share to such beneficiary's then living descendants, per stirpes. However, if ANITA KAY RILEY has no then living descendants, our Trustee shall distribute the balance of the trust share to our then living descendants, per stirpes. In the event we have no then living descendants, our Trustee shall distribute the balance of the trust share as provided in Section G of this Article.

**Section C. Administration of the Share of a Descendant of a Deceased Beneficiary**

Notwithstanding the foregoing provisions as to the disposition of a trust share upon the death of a beneficiary, each share set aside for a deceased beneficiary who has then living descendants shall be divided into as many shares as shall be necessary to create shares for each then living descendant of such deceased beneficiary on a per stirpes basis. For example, if a deceased beneficiary has a deceased child who leaves children, then the share that would have passed to such deceased child shall be shared equally among his or her living children on a per stirpes basis. Each such share shall be held in trust to be administered as follows:

1. Distribution of Trust Income

Our Trustee, in its sole and absolute discretion, shall pay to or apply for the benefit of any descendant of a deceased beneficiary as much of the net income from his or her trust share as our Trustee deems advisable for the health, education, maintenance and support of such descendant.

2. Distribution of Trust Principal

Our Trustee, in its sole and absolute discretion, shall pay to or apply for the benefit of any descendant of a deceased beneficiary as much of the principal from his or her trust share as our Trustee deems advisable for the health, education, maintenance and support of such descendant.

When such descendant reaches the age of 30 or if, on the creation of his or her trust share, he or she has already attained the age of 30, thereafter, upon the written request of such descendant delivered to our Trustee, our Trustee shall distribute an amount not greater than fifty percent of the accumulated net income and principal, as it is then constituted, free of trust. If more than one written request for distribution is made by such descendant, our Trustee shall not cumulatively distribute to such descendant, in response to all such requests, more than fifty percent of the accumulated income and principal of the trust as it existed on the date of the first request for a distribution made under this paragraph by such descendant or fifty percent of the total trust funds remaining at the date of any subsequent request, whichever is the lesser amount.

When such descendant reaches the age of 40 or if, on the creation of his or her trust share, he or she has already attained the age of 40, thereafter, upon the written request of such descendant delivered to our Trustee, our Trustee shall distribute the balance of the accumulated net income and principal of such trust share, as it is then constituted to such descendant, free of trust. Undistributed funds shall continue to be held in trust.

If a descendant of a deceased beneficiary should die before the complete distribution of such trust share, the trust share shall terminate and our Trustee shall distribute the balance of the trust share to the surviving descendants of such descendant, share and share alike, per stirpes. If such descendant of a deceased beneficiary dies with no surviving descendants, then such share shall terminate and be distributed to the remaining descendants of the deceased beneficiary, share and share alike, per stirpes. If there are no descendants of such deceased beneficiary, our Trustee shall distribute the balance of the trust share to our then living descendants, per stirpes. In the event we have no then living descendants, our Trustee shall distribute the balance of the accumulated income and principal of the trust share as provided in Section G of this Article.

Our Trustee shall administer and distribute each such share according to the provisions of Article XI, Section D.

**Section D. Subsequent Children**

Notwithstanding the provisions of this Article wherein beneficiaries are named, if, subsequent to the creation of this trust declaration, we have additional children or legally adopt children who are under the age of 18, each such child shall be included among the beneficiaries named in this Article and an equal trust share shall be created for each such beneficiary.

Our Trustee shall administer and distribute each such share according to the provisions of Article XI, Section D.

**Section E. Guidelines for Discretionary Distributions**

Whenever we have given our Trustee any discretionary authority over the distribution of income or principal to any named beneficiary, our Trustee shall be liberal in exercising such discretion and shall give such beneficiary assistance for any opportunity or expense deemed by our Trustee to be in the best interest of such beneficiary. However, before making discretionary distributions, our Trustee shall take into consideration any additional sources of income and principal available to such beneficiary which exist outside of this agreement and are known to our Trustee, and the future probable needs of such beneficiary.

**Section F. Guidelines for All Distributions**

Whenever any provision of this Article authorizes or requires a distribution to any beneficiary, then our Trustee shall retain such distribution in trust at such beneficiary's written request. Our Trustee shall pay to or apply for the benefit of the beneficiary such amounts of income and principal as the beneficiary may at any time request in writing. No limitations shall be placed upon the beneficiary regarding withdrawals from his or her respective trust share. In addition, our Trustee, in its sole and absolute discretion, may distribute to or apply for the benefit of the beneficiary as much of the principal and income of the beneficiary's trust share as our Trustee deems advisable, in its sole and absolute discretion, for the health, education, maintenance and support of the beneficiary.

**Section G. Ultimate Distribution**

If at any time there is no person, corporation or other entity entitled to receive all or any part of the trust property of one of us, it shall be distributed as follows:

<u>Beneficiary</u>	<u>Share%</u>
CENTRAL COLLEGE OF IOWA Pella, Iowa	100%

If the CENTRAL COLLEGE OF IOWA, Pella, Iowa, is no longer in existence at the date of distribution, but has designated a successor, such successor shall receive such beneficiary's share. However, if no such successor has been designated, the share of such beneficiary shall pass one-half to those persons who would be the wife Founder's heirs as if she had died intestate, unmarried, owning such property and the balance shall pass to those persons who would be the husband Founder's heirs as if he had died intestate, unmarried, owning such property.

The distribution of trust property, for purposes of this Section, shall be determined by the laws of descent and distribution for intestate estates in the State of Texas as such laws are in effect at the time of any distribution under this Article.

## **Article XI**

### **Protection of Beneficial Interests**

#### **Section A. Protection of the Interests of Our Beneficiaries**

No beneficiary will have the power to anticipate, encumber or transfer any interest in the trust. No part of the trust will be liable for or charged with any debts, contracts, liabilities or torts of a beneficiary or subject to seizure or other process by any creditor of a beneficiary.

#### **Section B. Unproductive or Underproductive Assets**

A beneficiary who is then entitled to the income of the trust, or the income of any other trust established or continued pursuant to this trust declaration, will have the authority to issue a written directive to the Trustee to convert trust property which does not produce an income, or which is underproductive, into property which is income producing or which will provide a greater income to the trust.

Upon actual receipt of an income beneficiary's written directive, the Trustee will reasonably and prudently proceed to convert unproductive or underproductive property into property which will produce a reasonable and safe rate of return. The Trustee may do so by selling the unproductive or underproductive asset upon such terms and conditions as are prudent and reasonable under all circumstances which may then exist (including the acceptance of an income or interest bearing obligation as the whole or a part of the sales price), and investing the proceeds of the sale in income producing instruments or obligations.

Notwithstanding these requirements, a trust beneficiary cannot direct the Trustee to invest or reinvest trust property in a trust investment which is speculative in nature or which, in result, would violate the spendthrift provisions of this trust declaration.

#### **Section C. No Contest of Our Trust**

The Founders vest in the Trustee the authority to construe this trust instrument and to resolve all matters pertaining to disputed issues or controverted claims. Founders do not want to burden this trust with the cost of a litigated proceeding to resolve questions of law or fact unless the proceeding is originated by the Trustee or with the Trustee's written permission.

Any person, agency or organization who shall originate (or who shall cause to be instituted) a judicial proceeding to construe or contest this trust instrument, or any will which requires distribution of property to this trust, or to resolve any claim or controversy in the nature of reimbursement, or seeking to impress a constructive or resulting trust, or alleging any other theory which, if assumed as true, would enlarge (or originate) a claimant's interest in this trust or in the Founders' estates, without the Trustee's written permission, shall forfeit any amount to which that person, agency or organization is or may be entitled and the interest of any such litigant or contestant shall pass as if he or she or it had predeceased us, regardless of whether or not such contestant is a named beneficiary.

These directions shall apply even though the person, agency or organization shall be found by a court of law to have originated the judicial proceeding in good faith and with probable cause and even though the proceedings may seek nothing more than to construe the application of this no contest provision.

This requirement is to be limited, even to the exclusion thereof, in the event it operates to deny the benefits of the federal estate tax or federal gift tax marital deduction.

#### **Section D. Our Trustee's Authority to Keep Property in Trust**

Unless this trust declaration provides otherwise, if any trust property becomes distributable to a beneficiary when the beneficiary is under 21 years of age, or when the beneficiary is under any form of legal disability, as defined in Article XIII, our Trustee shall retain that beneficiary's share in a separate trust until he or she attains 21 years of age, or until his or her legal disability has ceased, to be administered and distributed as follows:

##### **1. Distributions of Trust Income and Principal**

Our Trustee shall pay to or apply for the benefit of the beneficiary as much of the net income and principal of the trust as our Trustee, in its sole and absolute discretion, deems necessary or advisable for the beneficiary's health, education, maintenance and support. No guardian or custodian of a beneficiary shall have any control or interposition over our Trustee.

In making any distributions of income and principal under this Section, our Trustee shall be mindful of, and take into consideration to the extent it deems necessary, any additional sources of income and principal available to the beneficiary which arise outside of this agreement.

Any net income not distributed to a beneficiary shall be accumulated and added to principal.

## 2. Methods of Distribution

Distributions to an incompetent or disabled beneficiary, or a minor beneficiary, may be made in any of the following ways as in the Trustee's opinion will be most beneficial to the interests of the beneficiary:

- (a) Directly to such beneficiary;
- (b) To his or her parent, guardian or legal representative;
- (c) To a custodian for said beneficiary under any Uniform Gifts to Minors Act and/or Gifts of Securities to Minors Act in the jurisdiction of residence of such beneficiary;
- (d) To any person with whom he or she is residing;
- (e) To some near relative or close friend; or
- (f) By the Trustee using such payment directly for the benefit of such beneficiary, including payments made to or for the benefit of any person or persons whom said beneficiary has a legal obligation to support;
- (g) To persons, corporations or other entities for the use and benefit of the beneficiary;
- (h) To an account in a commercial bank or savings institution in the name of the beneficiary, or in a form reserving the title, management and custody of the account to a suitable person, corporation or other entity for the use and benefit of the beneficiary; or
- (i) In any prudent form of annuity purchased for the use and benefit of the beneficiary.

The Trustee may instead, in the Trustee's sole discretion, hold such income or corpus for the account of such beneficiary as custodian. A receipt from a beneficiary or from his parent, guardian, legal representative, relative or close friend or other person described above shall be a sufficient discharge to the Trustee from any liability for making said payments.

The Trustee is likewise authorized to consult with and act upon the advice of the parent, guardian, custodian or legal representative of any beneficiary who is either an incompetent or a minor with respect to any and all matters which may arise under this trust and as it concerns the rights or interests of said beneficiary.

All statements, accounts, documents, releases, notices or other written instruments, including but not limited to, written instruments concerning the resignation or replacement of any Trustee or Trustees, required to be delivered to or executed by such beneficiary, may be delivered to or executed by the parent, guardian, custodian or legal representative of said incompetent or minor beneficiary, and when so delivered or executed shall be binding upon said incompetent or minor beneficiary, and shall be of the same force and effect as though delivered to or executed by a beneficiary acting under no legal disability.

### **3. Termination and Ultimate Distribution**

Our Trustee shall distribute the trust property to a beneficiary:

When he or she attains 21 years of age, or

When he or she ceases to be disabled.

### **Section E. Application to Founders**

Notwithstanding anything in this agreement to the contrary, this Article shall not apply to, modify or affect the surviving Founder's right to receive the net income from the Survivor's Trust as set forth and provided for in this agreement.

## **Article XII**

### **Our Trustees' Powers and Authority**

#### **Section A. Applicability of Texas Trust Code and Other Statutes**

The Trustee shall have the powers, duties, and liabilities set forth in this declaration and as more specifically stated in this Article, as well as such powers, duties and liabilities set forth in the Texas Trust Code, and all other applicable state and federal statutes, as now enacted and as hereafter amended, except to the extent the same may be inconsistent with the provisions of this declaration, in which case the provisions of this declaration shall govern.

#### **Section B. Powers to Be Exercised in the Best Interests of the Beneficiaries**

The Trustee shall exercise the following administrative and investment powers without the order of any court, as the Trustee determines in its sole and absolute discretion to be in the best interests of the beneficiaries.

Notwithstanding anything to the contrary in this agreement, the Trustee shall not exercise any power in a manner inconsistent with the beneficiaries' right to the beneficial enjoyment of the trust property in accordance with the general principles of the law of trusts.

The Trustee may perform every act reasonably necessary to administer each and every share or trust created under this agreement.

#### **Section C. General Investment and Management Powers**

The Trustee is authorized to invest in such investments as the Trustee deems proper and prudent, even if such investments fail to constitute properly diversified trust investments or for any other reason could be considered to be improper trust investments. The Trustee's investment authority is intended to be quite broad, and shall include, but is not limited to, all authority that follows.

In addition, the Trustee is granted the authority to exercise any managerial powers of an individual with respect to matters affecting a trust, it being our intention to grant broad managerial discretion to the Trustee that is consistent with the management and administration of a trust, including the following managerial authorities.

### **Originally Contributed Properties**

The Trustee may continue to hold and maintain all assets originally contributed to any trust.

### **Additional Properties**

The Trustee is authorized to receive additional trust property, whether by gift, will, or otherwise, either from us, from either of us, or from any other person, corporation, or entity.

Upon receipt of any additional property, the Trustee shall administer and distribute the same as part of the trust property.

The Trustee may retain, without liability for depreciation or loss resulting from such retention, all property constituting the trust estate at the time of its creation or thereafter received from other sources.

The foregoing shall be acceptable even though such property may not be of the character prescribed by law for the investment of trust funds or may result in inadequate diversification of the trust property.

### **Securities Powers**

The Trustee may invest and reinvest in such classes of stocks, bonds, securities, commodities, options, metals, or other property real or personal, as it shall determine.

The Trustee is authorized to buy, sell, and trade in securities of any nature, including short sales on margin. The Trustee may maintain and operate margin accounts with brokers, and may pledge any securities held or purchased by other Trustees with such brokers as securities for loans and advances made to the Trustee.

The Trustee may retain, exercise, or sell rights of conversion or subscription with respect to any securities held as part of the trust property.

The Trustee may vote or refrain from voting at corporate meetings either in person or by proxy, whether general or limited, and with or without substitutions.

### **Investment of Cash Assets**

A corporate entity serving as Trustee may deposit trust funds with itself as either a permanent or temporary investment, and may place trust funds under its administration in common trust funds established and maintained by such corporate trustee or its affiliate. In

determining where to invest cash resources, the Trustee may consider all factors, including facility of access and security of funds invested, as well as the stated rate of return.

### **Unproductive or Wasting Assets**

Except as otherwise provided in this agreement, the Trustee may receive, acquire and maintain assets that may constitute unproductive, underproductive or wasting assets if the Trustee believes it is reasonable to do so. Upon the sale or disposition of any such asset, the Trustee need not make an allocation of any portion of the principal element of such sale proceeds to the income beneficiaries of the trust.

### **Personal Residence and Furnishings of Personal Residence**

To the extent that the personal residence that we occupied at the date of the death of the first of us to die and any furnishings of such residence become part of a trust estate, the Trustee is authorized to continue to retain and use, to distribute in kind, or to sell any such assets should the Trustee believe the retention, use, distribution or sale of such assets would be beneficial to the survivor of us.

### **Mineral Properties**

The Trustee shall have the power to acquire, exchange, maintain or sell mineral interests, and to make oil, gas and mineral leases covering any lands or mineral interests forming a part of a trust estate, including leases for periods extending beyond the duration of the trust.

The Trustee may pool or unitize any or all of the lands, mineral leaseholds or mineral interests of a trust with others for the purpose of developing and producing oil, gas or other minerals, and may make leases or assignments containing the right to pool or unitize.

The Trustee may enter into contracts and agreements relating to the installation or operation of absorption, repressuring and other processing plants, may drill or contract for the drilling of wells for oil, gas or other minerals, may enter into, renew and extend operating agreements and exploration contracts, may engage in secondary and tertiary recovery operations, may make "bottom hole" or "dry hole" contributions, and may deal otherwise with respect to mineral properties as an individual owner might deal with his own properties.

The Trustee may enter into contracts, conveyances and other agreements or transfers deemed necessary or desirable to carry out these powers, including division orders, oil, gas or other hydrocarbon sales contracts, processing agreements, and other contracts relating to the processing, handling, treating, transporting and marketing of oil, gas or other mineral production.

Any lease or other agreement may have a duration that the Trustee deems reasonable, even though extending beyond the duration of any trust created in this agreement.

The Trustee may drill, test, explore, mine, develop, and otherwise exploit any and all oil, gas, coal, and other mineral interests, and may select, employ, utilize, or participate in any business form, including partnerships, joint ventures, co-owners' groups, syndicates, and corporations, for the purpose of acquiring, holding, exploiting, developing, operating, or disposing of oil, gas, coal, and other mineral interests.

The Trustee may employ the services of consultants or outside specialists in connection with the evaluation, management, acquisition, disposition, or development of any mineral interests, and may pay the cost of such services from the principal or income of the trust property.

The Trustee may use the general assets of the trusts created under this agreement for the purposes of acquiring, holding, managing, developing, pooling, unitizing, repressuring, or disposing of any mineral interests.

The term "mineral" shall mean minerals of whatever kind and wherever located, whether surface or subsurface deposits, including (without limitation) coal, lignite and other hydrocarbons, iron ore, and uranium.

#### **Power to Enter Into or Continue Business Activities**

The Trustee shall have the authority to enter into, engage in, expand, carry on, terminate and liquidate any and all business activities, whether in proprietary, general or limited partnership, joint venture or corporate form, with such persons and entities as the Trustee deems proper. This power pertains to business activities in progress at the date of our deaths, and to business opportunities arising thereafter. Business activities conducted by the Trustee should be related to the administration and investment of the trust estate, for it is not our intention to convert any trust into an entity that would be taxable as an association for federal tax purposes.

#### **Banking Authority**

The Trustee is authorized to establish and maintain bank accounts of all types in one or more banking institutions that the Trustee may choose.

#### **Corporate Activities**

The Trustee may form, reorganize or dissolve corporations, and may exercise all rights of a stockholder, including the right to vote for or against mergers, consolidations and

liquidations, and to act with or without substitution. An individual serving as Trustee may elect himself as an officer or director of a corporation owned in part or in whole by a trust created by this declaration, and a corporate entity serving as Trustee may elect one of its officers to such a position, and in each such instance the person so elected may be paid reasonable compensation for services rendered to such corporation in such capacity. The Trustee may retain, exercise or sell rights of conversion or subscription to any securities held as part of the trust property.

### **Agricultural Powers**

The Trustee may retain, sell, acquire, and continue any farm or ranching operation whether as a sole proprietorship, partnership, or corporation.

The Trustee may engage in the production, harvesting, and marketing of both farm and ranch products either by operating directly or with management agencies, hired labor, tenants, or sharecroppers.

The Trustee may engage and participate in any government farm program, whether state or federally sponsored.

The Trustee may purchase or rent machinery, equipment, livestock, poultry, feed, and seed.

The Trustee may improve and repair all farm and ranch properties; construct buildings, fences, and drainage facilities; acquire, retain, improve, and dispose of wells, water rights, ditch rights, and priorities of any nature.

The Trustee may, in general, do all things customary or desirable to operate a farm or ranch operation for the benefit of the beneficiaries of the various trusts created under this agreement.

### **Real Estate**

The Trustee may purchase or sell real property, and may exchange, partition, subdivide, develop, manage, and improve real property. The Trustee may grant or acquire easements, may impose deed restrictions, may adjust boundaries, may raze existing improvements, and may dedicate land or rights in land for public use. The Trustee may construct, repair, alter, remodel, demolish or abandon improvements. The Trustee may take any other action reasonably necessary for the preservation of real estate and fixtures comprising a part of the trust property or the income therefrom.

### **Authority to Sell or Lease and Other Dispositive Powers**

The Trustee may sell, lease or grant options to lease trust property without the consent or ratification of any court, remainderman, or third party, including the authority to lease beyond the anticipated term of a trust, upon such terms and for such consideration as the Trustee deems appropriate. The Trustee may make such contracts, deeds, leases, and other instruments it deems proper under the circumstances, and may deal with the trust property in all other ways in which a natural person could deal with his or her property.

### **Warranties and Covenants**

The Trustee may convey properties with such covenants and warranties of title (general or special) as the Trustee deems appropriate.

### **Trustee's Compensation**

The Trustee shall pay itself reasonable compensation for its services as fiduciary as provided in this agreement.

### **Employment and Delegation of Authority to Agents**

The Trustee may employ and compensate, and may discharge, such advisors and agents as the Trustee deems proper, and may delegate to an agent such authorities (including discretionary authorities) as the Trustee deems appropriate, by duly executed powers of attorney or otherwise.

### **Power to Release or Abandon Property or Rights, and to Pursue Claims**

The Trustee may release, compromise or abandon claims or rights to property for such consideration (including no consideration) as the Trustee determines to be appropriate when the Trustee determines it is prudent to do so. The Trustee is authorized to institute suit on behalf of and to defend suits brought against a trust estate, and to accept deeds in lieu of foreclosure.

### **Nominal Title and Use of Nominees**

With or without disclosing fiduciary capacity, the Trustee may acquire title to property in the name of the Trustee or in the name of one or more nominees, and may allow its nominees to take possession of trust assets with or without direct custodial supervision by the Trustee.

### **Power to Lend Money and Guarantee Obligations**

The Trustee may lend money to any person, to any business entity, to an estate, or to any trust, if the Trustee deems the loan to be in the best interests of the trust beneficiaries, provided that any such loan (except loans to beneficiaries) shall be adequately secured and shall bear a reasonable rate of interest.

The Trustee, in the Trustee's discretion, may endorse, guarantee, become the surety of or otherwise become obligated for or with respect to the debts or other obligations of any person or legal entity, whether with or without consideration, when the Trustee believes such actions advance the purposes of any trust created hereunder.

The Trustee may make loans from a beneficiary's trust share to or for the benefit of such a beneficiary on an unsecured basis, and for such rate of interest as the Trustee deems appropriate, when in the Trustee's judgment, such loan would be consistent with the purposes of such trust.

### **Power to Borrow**

The Trustee may assume the payment of and renew and extend any indebtedness previously created by either or both Founders, and the Trustee may create new indebtedness and raise money by any means, including margin trading in securities, when the Trustee believes such borrowing will be beneficial to the trust estate.

The Trustee is authorized to secure the payment of each such indebtedness, and all renewals, extensions and refinancing of same, by pledge, mortgage, deed of trust or other encumbrance covering and binding all or any part of the trust estate of a trust.

The Trustee may loan its own monies to a trust and may charge and recover the then usual and customary rate of interest thereon when, in the discretion of Trustee, it is prudent to do so.

### **Payment of Indebtedness and Settlement Costs**

The Trustee may in its sole discretion pay the funeral and burial expenses, expenses of the last illness, and valid claims and expenses of an income beneficiary of any trust created under this agreement.

Funeral and burial expenses shall include, but not be limited to, the cost of memorials of all types and memorial services of such kind as the Trustee shall approve. Valid claims and expenses shall include, but not be limited to, all state and federal death taxes.

The payments shall be paid from the assets of the trust or trusts from which the beneficiary was receiving income.

#### **Transactions Between the Trustee and Our Personal Representatives**

The Trustee is authorized to accept from our personal representatives, upon the termination or during the administration of our respective probate estates, if any, assets delivered by our personal representatives to the Trustee on the basis of the accounting submitted by the personal representatives, without requiring an audit or other independent accounting of the acts of our personal representatives, and the Trustee shall not have liability for the acts or omissions of our personal representatives. The foregoing shall not limit the right of our Trustee to request an accounting from our personal representatives and our personal representatives shall, upon request from the Trustee, furnish a complete accounting for their actions.

The Trustee shall have the power to purchase property from our estates at its fair market value, as determined by our personal representatives and by our Trustee, and to the extent required to permit such purchase of assets and to permit loans from the Trustee to our estate, we specifically waive application of the provisions of Section 352 of the Texas Probate Code and Sections 113.053 and 113.054 of the Texas Trust Code.

#### **Commingling Trust Estates**

For the purpose of convenience with regard to the administration and investment of the trust property, the Trustee may hold the several trusts created under this agreement as a common fund.

The Trustee may make joint investments with respect to the funds comprising the trust property.

The Trustee may enter into any transaction authorized by this Article with fiduciaries of other trusts or estates in which any beneficiary hereunder has an interest, even though such fiduciaries are also Trustees under this agreement.

#### **Addition of Accumulated Income to Principal**

The Trustee shall, on a convenient periodic basis, add the accumulated undistributed income of any trust which does not provide for mandatory income distributions to specified beneficiaries, and which does not require that any undistributed income be maintained separately for ultimate distribution to specified beneficiaries, to the principal of such trust.

### **Distributions Not Treated as Advancements**

No distributions to a beneficiary of any trust created hereunder shall be treated as an advancement against the beneficiary's share of such trust unless the distribution is specially so treated on the Trustee's records at the time of the distribution or unless the Trustee gives notice of such fact to the beneficiary at the time of the distribution. If the Trustee has the discretion to make distributions from a trust to more than one beneficiary, the Trustee ordinarily should not treat distributions to any particular beneficiary as an advancement of that beneficiary's share of the trust unless an event has occurred causing the termination of such trust.

### **Tax Elections**

The Trustee may exercise any available elections regarding state or federal income, inheritance, estate, succession or gift tax law including the right to elect any alternate valuation date for federal estate or inheritance tax purposes, the right to elect whether all or any parts of the administration of a deceased Founder's estate are to be used as estate tax deductions or income tax deductions, the right to make compensating adjustments between income and principal as a result of such elections if necessary, and the right to elect to have trust property qualify for the federal estate tax marital deduction as qualified terminable interest property under the appropriate provisions of the Internal Revenue Code and its regulations. The Trustee may also sign tax returns; pay any taxes, interest or penalties with regard to taxes; apply for and collect tax refunds thereon.

The Trustee is authorized to make elections available under applicable tax laws as the Trustee determines, in its discretion, to be advisable even though such elections may affect the interests of trust beneficiaries. The Trustee need not, but may, in its sole discretion, make equitable adjustments of the interests of the trust beneficiaries in light of the effect of such elections.

### **Transactions in Which the Trustee Has A Direct or Indirect Interest**

We expressly waive prohibitions existing under the common law and the Texas Trust Code that might otherwise prohibit a person or entity who is serving as a Trustee from engaging in transactions with himself or itself personally, so long as the consideration exchanged in any such transaction is fair and reasonable to the trust created by this declaration. Specifically, we authorize the Trustee (a) to buy or sell trust property from or to an individual or entity serving as a Trustee, or from or to a relative, employee, business associate or affiliate of such individual serving as Trustee; (b) to sell or exchange and to transact other business activities involving properties of one trust with another trust under

the control of the Trustee; and (c) to sell or purchase from a trust the stock, bonds, obligations or other securities of the Trustee or its affiliate.

Notwithstanding the general powers conferred upon the Trustee, or anything to the contrary contained in this agreement, no individual Trustee shall exercise or participate in the exercise of discretion with respect to the distribution of trust income or principal to or for the benefit of such Trustee.

No individual Trustee shall exercise or participate in the exercise of such discretionary power with respect to distributions to any person or persons such Trustee is legally obligated to support as to that support obligation.

#### **Section D. Apportionment of Receipts and Expenses Between Income and Principal**

The Trustee shall have the power, exercisable in such Trustee's reasonable and sole discretion, to determine what is principal or income of a trust or trust share. The Trustee shall pay from income or principal all of the reasonable expenses attributable to the administration of the respective trusts created in this agreement. The Trustee shall have the power to establish a reasonable reserve for depreciation or depletion and to fund the same by appropriate charges against income of the trust estate. For purposes of determining an appropriate reserve for depreciable or depletable assets, the Trustee may (but need not) adopt the depreciation or depletion allowance available for federal income tax purposes.

#### **Section E. Records, Books of Account and Reports**

The Trustee shall promptly set up and thereafter maintain, or cause to be set up and maintained, proper books of account which shall accurately reflect the true financial condition of the trust estate. Such books of account shall at all reasonable times be open for inspection or audit only by current, mandatory income beneficiaries, their parent or court appointed guardians, and the duly authorized agents, attorneys, representatives and auditors of each, at the expense of the beneficiary making such inspection or audit.

The Trustee shall make a written financial report, at least semi-annually, to each beneficiary of the trust who is entitled to receive a present, mandatory income distribution, unless such beneficiary, or such beneficiary's parent or legal guardian, has executed a written waiver of the right to receive such a report. The Trustee shall not be obligated to provide financial reports to a beneficiary who is less than eighteen years old if such reports are being provided to a parent of such beneficiary. Such reports shall be submitted to the parent or guardian of a minor beneficiary, or to the guardian or other legal representative of any incapacitated beneficiary.

The first financial report shall identify all property initially received by the Trustee. The first report and each subsequent report shall include a statement of all property on hand at the end of such accounting period, of all property that has come to the knowledge or possession of the Trustee that has not been previously listed as property of the trust, of all known liabilities, of all receipts and disbursements during such period (including a statement as to whether the receipt or disbursement is of income or principal), and of such other facts as the Trustee deems necessary to furnish in order to provide adequate information as to the condition of the trust estate.

Except as otherwise provided in this declaration, should any person interested in a trust estate request an accounting for the Trustee's actions that is more extensive or more frequent than the accounting normally to be rendered, the Trustee may require such person to pay the additional costs incurred in preparing the same before complying with such request.

#### **Section F. Trustee's Liability**

No person or entity serving as Trustee without compensation shall be liable for any error of judgment or mistake of fact or law or for ordinary negligence, but shall be liable for acts involving willful misconduct, gross negligence or bad faith.

Unless otherwise provided, no person or entity serving as Trustee who is receiving compensation for his or its services hereunder shall be liable for any loss which may occur as a result of any actions taken or not taken by the Trustee if such person or entity has exercised the reasonable care, skill and prudence generally exercised by a compensated fiduciary with respect to the administration, investment, and management of similar estates.

No person or entity serving as Trustee shall be liable for the acts, omissions or defaults of any other person or entity serving as Trustee, agent or other person to whom duties may be properly delegated hereunder (except that each corporate trustee shall be liable for the acts, omissions and defaults of its officers and regular employees) if such agent or other person was engaged with reasonable care.

Unless a Trustee shall expressly contract and bind himself or itself individually, no Trustee shall incur any personal liability to any person or legal entity dealing with the Trustee in the administration of a trust. The Trustee shall be entitled to reimbursement from the properties of a trust for any liability or expense, whether in contract, tort or otherwise, incurred by the Trustee in the proper administration of a trust.

The Trustee shall be indemnified from the trust property for any damages sustained by the Trustee as a result of its exercising, in good faith, any of the authorities granted it under this trust declaration.

### **Section G. Duty of Third Parties Dealing with Trustee**

No person dealing with the Trustee shall be responsible for the application of any assets delivered to the Trustee, and the receipt of the Trustee shall be a full discharge to the extent of the property delivered. No purchaser from or other person dealing with the Trustee, and no issuer or transfer agent of any securities to which any dealing with the Trustee shall relate, shall be under any duty to ascertain the power of the Trustee to purchase, sell, exchange, transfer, encumber or otherwise in any manner deal with any property held by the Trustee. No person dealing with the Trustee in good faith shall be under any duty to see that the terms of a trust are complied with or to inquire into the validity or propriety of any act of the Trustee.

### **Section H. Division and Distribution of Trust Estate**

When the Trustee is required to divide or make distribution from a trust estate, in whole or in part, such division or distribution may be made by the Trustee in cash or in kind, or partly in cash and partly in kind, and the Trustee may assign or apportion to the distributees undivided interests in any assets then constituting a part of such trust estate. The Trustee may encumber property, may sell property, and may make non-pro-rata distributions when the Trustee believes it is practical or desirable and equitable to do so in order to effectuate a trust distribution regardless of the income tax basis of any asset.

If non-pro-rata distributions are to be made, the Trustee should attempt to allocate the tax basis of the assets distributed in an equitable manner among the beneficiaries of the trust, but the Trustee may at all times rely upon the written agreement of the trust beneficiaries as to the apportionment of assets. To the extent non-pro-rata distributions are made and the tax basis of the assets so distributed is not uniformly apportioned among beneficiaries, the Trustee may, but need not, make any equitable adjustments among such beneficiaries as a result of such nonuniformity in basis.

### **Section I. Life Insurance**

The Trustee shall have the powers with regard to life insurance as set forth in this Section I, except as otherwise provided in this agreement.

The Trustee may purchase, accept, hold, and deal with as owner, policies of insurance on both Founders' individual or joint lives, the life of any trust beneficiary, or on the life of any person in whom any trust beneficiary has an insurable interest.

The Trustee shall have the power to execute or cancel any automatic premium loan agreement with respect to any policy, and shall have the power to elect or cancel any automatic premium loan provision in a life insurance policy.

The Trustee may borrow money with which to pay premiums due on any policy either from the company issuing the policy or from any other source and may assign any such policy as security for the loan.

The Trustee shall have the power to exercise any option contained in a policy with regard to any dividend or share of surplus apportioned to the policy, to reduce the amount of a policy or convert or exchange the policy, or to surrender a policy at any time for its cash value.

The Trustee may elect any paid-up insurance or any extended-term insurance nonforfeiture option contained in a policy.

The Trustee shall have the power to sell policies at their fair market value to the insured or to anyone having an insurable interest in the policies.

The Trustee shall have the right to exercise any other right, option, or benefit contained in a policy or permitted by the insurance company issuing that policy.

Upon termination of any trust created under this agreement, the Trustee shall have the power to transfer and assign the policies held by the trust as a distribution of trust property.

#### **Section J. Insured Trustee's Authority**

Any individual Trustee under this agreement, other than either Founder, is prohibited from exercising any power conferred on the owner of any policy which insures the life of such individual Trustee and which is held as part of the trust property.

If the Trustee holds any such policy or policies as a part of the trust property, the powers conferred on the owner of such a policy shall be exercised only by the other then acting Trustee.

If the insured Trustee is the only then acting Trustee, then such powers shall be exercised by a substitute Trustee designated pursuant to the provisions of this agreement dealing with the trusteeship.

If any rule of law or court decision construes the ability of the insured Trustee to name a substitute Trustee as an incident of ownership, the substitution process shall be implemented

by a majority of the then current mandatory and discretionary income beneficiaries, excluding the insured Trustee if the insured Trustee is a beneficiary.

#### **Section K. Estimated Income Tax Payment Allocation**

The Trustee, in its sole discretion, may elect or not elect to treat all or any portion of federal estimated taxes paid by any trust to be treated as a payment made by any one or more beneficiaries of such trust who are entitled to receive current distributions of income or principal from such trust. The election need not be made in a pro rata manner among all beneficiaries of the trust.

If there is an individual serving as a co-trustee who is a beneficiary of a trust created by this declaration, that individual may not take part in any decision to treat any trust estimated income tax payment as a payment by such individual.

In exercising or choosing not to exercise the discretion granted in this paragraph, the Trustee shall not be liable to any beneficiary or to any other persons directly or indirectly for any action or inaction so taken except for its willful fraud or gross negligence.

#### **Section L. Merger of Trusts**

If at any time the Trustee determines it would be in the best interest of the beneficiary or beneficiaries of any trust created by this declaration to transfer or merge all of the assets held in such trust with any other trust created either by trust instrument or by will for the benefit of the same beneficiary or beneficiaries and under substantially similar trusts, terms and conditions, the Trustee under this declaration, after giving not less than thirty days advance written notice to its beneficiaries, is authorized to transfer to or merge all of the assets held under the trust created by this declaration to such other substantially similar trust, and to terminate the trust created under this declaration regardless of whether the Trustee under this declaration also is acting as the trustee of such other trust.

The Trustee under this declaration shall not be subject to liability for delegation of its duties for any such transfer to a substantially similar trust having a different person or entity serving as trustee, and shall have no further liability with respect to trust assets properly delivered to the trustee of any such other substantially similar trust. Similarly, the Trustee of any trust created by this declaration is authorized to receive from the trustee of any other substantially similar trust the assets held under such other trust.

**Section M. Termination and Distribution of Small Trust**

If, in the discretionary judgment of the person(s) or entity serving as Trustee, other than a surviving Founder acting as Trustee, any trust shall at any time be a size which, in the Trustee's sole judgment, shall make it inadvisable or unnecessary to continue such trust, then the Trustee may distribute the trust estate of such trust to its beneficiaries in proportion to their respective presumptive interests in such trust at the time of such termination.

If either or both of us are a beneficiary of a trust terminated pursuant to this paragraph and are surviving at the date of such termination, the Trustee (other than a surviving Founder acting as Trustee) shall distribute the assets of such terminated trust to both of us or the survivor of us. The Trustee shall not be liable either for terminating or for refusing to terminate a trust as authorized by this paragraph.

**Section N. Elimination of Duty to Create Identical Trusts**

If the provisions of this trust direct the Trustee to hold any portion of its trust estate at its termination as the trust estate of a new trust for the benefit of any person or persons who already are beneficiaries of an existing identical trust, that portion of the terminating trust shall be added to the existing identical trust, and no new trust shall be created.

**Section O. Powers of Trustee Subsequent to an Event of Termination**

The Trustee shall have a reasonable period of time after the occurrence of an event of termination in which to wind up the administration of a trust and to make a distribution of its assets. During this period of time the Trustee shall continue to have and shall exercise all powers granted herein to the Trustee or conferred upon the Trustee by law until all provisions of this declaration are fully executed.

**Section P. Requesting Financial Information of Trust Beneficiaries**

In exercising its discretion to make any discretionary distributions to the beneficiaries of any trust created hereunder, the Trustee is authorized to request any financial information, including prior federal income tax returns, from the respective beneficiaries that the Trustee deems necessary in order to exercise its discretion in accordance with the provisions for making such distributions under this declaration.

### **Section Q. Retirement Plan Elections**

Except as otherwise provided in this trust declaration, the Trustee may receive or disclaim any and all proceeds from retirement plans, including, but not limited to, qualified pension, profit sharing, Keogh, individual retirement accounts, or any other form or type of plan. The Trustee may make such elections and exercise options as provided in such plan, without liability to any beneficiary for the election made or option elected. Any disclaimed proceeds or benefits shall be paid in accordance with the terms, conditions, and directives set forth in the subject plan.

### **Section R. Qualification as a Qualified Subchapter S Trust**

If any stock of an S corporation becomes distributable to a trust created under this agreement, and such trust is not a qualified Subchapter S trust, the Trustee may implement any of the following alternatives with respect to the S corporation stock:

#### **1. A Sole Beneficiary**

Where the original trust is for a sole beneficiary, the Trustee may create for that beneficiary a separate trust that qualifies as a Subchapter S trust, and then distribute such stock to the newly created trust.

#### **2. Multiple Beneficiaries**

Where the original trust is for multiple beneficiaries, the Trustee may divide the trust into separate trusts for each of the beneficiaries. Each newly created trust shall hold that beneficiary's pro rata share of the S corporation stock, and shall qualify as a Subchapter S trust.

#### **3. Outright Distribution**

If circumstances prevent the Trustee from accomplishing the first two alternatives under this paragraph, the Trustee may, in its sole and absolute discretion, distribute such stock to the beneficiaries as if the trust had terminated, while continuing to hold any other non-S corporation property in trust.

Each newly created S corporation trust shall have mandatory distributions of income and shall not provide for powers of appointment that can be exercised by the beneficiary during the beneficiary's lifetime. In all other respects, the

newly created trusts shall be as consistent as possible with the original trusts and still qualify as Subchapter S trusts.

The Trustee may take any action necessary with regard to S corporations, including making any elections required to qualify stock as S corporation stock, and may sign all required tax returns and forms.

4. Founders. The term "Founders" means the "grantors", "trustors", "settlors" or any other name given to the makers of this trust either by law or by popular usage.
5. Heirs at Law. Whenever a Trustee, or a legal advisor to the Trustee, is called upon to determine the heirs at law of the Founders, or any other person beneficially interested in this trust, the determination will be made to identify those individuals, other than creditors, who would receive the personal property of a decedent upon his or her death as determined in accordance with the laws of intestate succession of the State of Texas, United States of America, and further determined as if the Founders of this trust had predeceased the person or persons so named or described.
6. Incompetence or Disability. A Founder, Trustee or beneficiary will be considered "incompetent", "disabled" or "legally incapacitated" if he or she is incapacitated to an extent which makes it impossible or impractical for him or her to give prompt and intelligent consideration to their property or financial matters.

In addition, if a guardian, conservator or other personal representative of a Founder, Trustee or beneficiary has been appointed by a court of competent jurisdiction, then such Founder, Trustee or beneficiary will be considered incompetent or disabled.

9. Personal Representative. For the purposes of this agreement, the term "personal representative" shall include an executor, administrator, guardian, custodian, conservator, Trustee or any other form of personal representative.

10. Power of Appointment or Qualified Beneficiary Designation. Whenever this trust declaration gives a trust beneficiary the power or authority to appoint a beneficiary of the trust, the designation must be in writing and be acknowledged in the form required of acknowledgements by Texas law or exercised by a will executed with the formalities required by law of the trust beneficiary's residence.

The designation must clearly evidence the intent of the trust beneficiary to exercise a power of appointment; and, the written beneficiary designation must have been delivered to the Trustee prior to the trust beneficiary's death or, if exercised by will, must subsequently be admitted to probate no matter the time interval.

The term of this trust may be extended if the qualified beneficiary designation requires that a beneficiary's interest remain in trust, or the trust may be divided and be held as a separate trust which is governed by the terms of this trust declaration.

11. Relative or Relatives. Reference to a "relative" or "relatives" will identify any person or persons related to the Founders by blood or lawful adoption in any degree.

The terms "corpus", "principal" and "assets" are used interchangeably.
14. Trustee. All references to "Trustee" shall refer to the original Trustees, if serving in such capacity, as well as our successor Trustees who are then serving in such capacity, under this trust declaration. For convenience, the term "Trustee", used in the singular, will mean and identify multiple Trustees serving and acting pursuant to the directions of this trust declaration. The term "corporate Trustee" will identify a banking or trust corporation with trust powers.

### Miscellaneous Matters

#### Section A. Distribution of Personal Belongings by Memorandum

Each of us may have certain items of tangible personal property which have been transferred to the trust or otherwise subject to the Trustee's control which we wish to give to particular individuals while we are living or at the time of our respective deaths.

The term "personal belongings" or "tangible personal property" will mean and identify personal wearing apparel, jewelry, household furnishings and equipment, books, albums, art work, entertainment and sports equipment and all items of decoration or adornment.

Each spouse may, at any time and from time to time, deliver to the Trustee written, signed and dated instructions as to any living or post-mortem gifts of his or her personal belongings and the Trustee shall be authorized and bound to make disposition of these items as a spouse has reasonably directed in any such instructions which may be in the form of a Memorandum of Distribution or a love letter from either of us to the intended recipients of such items.

If there are conflicting instructions at the time of our deaths, then the instructions bearing the latest date shall be controlling. All such instructions are hereby incorporated by reference into this declaration.

#### Section B. Special Bequests

Unless otherwise provided in this trust document, or in any amendment, or in a document exercising a power to appoint the beneficiaries of this trust, if property given as a special bequest or gift is subject to a mortgage or other security interest, the designated recipient of the property will take the asset subject to the obligation and the recipient's assumption of the indebtedness upon distribution of the asset to the recipient.

The obligation to be assumed shall be the principal balance of the indebtedness on the date of death, and the trust shall be entitled to reimbursement or offset for principal and interest payments paid by the trust to date of distribution.

**Section C. The Rule Against Perpetuities**

In no event will the term of this trust continue for a term greater than 21 years after the death of the last survivor of the Founders and all relatives of the Founders living on the effective date of this trust declaration.

Any continuation of the trust by the qualified exercise of a power of appointment will be construed as the creation of a separate trust and an extension of the rule against perpetuities to the extent permitted by law. A court of competent jurisdiction is to liberally construe and apply this provision to validate an interest consistent with the Founders' intent and may reform or construe an interest according to the doctrine of cy pres.

**Section D. Jurisdiction**

The jurisdiction of this trust will be the State of Texas. Any issue of law or fact pertaining to the creation, continuation, administration and termination of the trust, or any other matter incident to this trust, is to be determined with reference to the specific directions in the trust declaration and then under the laws of the State of Texas.

If an Article or Section of this trust declaration is in conflict with a prohibition of state law or federal law, the Article or Section, or the trust declaration as a whole, is to be construed in a manner which will cause it to be in compliance with state and federal law and in a manner which will result in the least amount of taxes and estate settlement costs.

**Section E. Dissolution of Our Marriage**

If our marriage is dissolved at any time, each spouse shall be deemed to have predeceased the other for purposes of distributions under this agreement. It is our intent that our respective property held in our trust shall not be used for the benefit of the other spouse upon the dissolution of our marriage.

**Section F. Maintaining Property in Trust**

If, on the termination of any separate trust created under this agreement, a final distribution is to be made to a beneficiary for whom our Trustee holds a trust created under this agreement, such distribution shall be added to such trust rather than being distributed.

The property that is added to the trust shall be treated for purposes of administration as though it had been an original part of the trust.

**Section G. Survival**

Except as otherwise provided in this trust declaration, for the purpose of vesting in the event two or more persons who have an interest in the trust die within a short time of one another, one must have survived the other for a period of at least 90 days as a condition to vesting.

**Section H. Simultaneous Death**

In the event that the Co-Founders shall die simultaneously, or if there is insufficient evidence to establish that Co-Founders died other than simultaneously, it is deemed that the spouse owning the greater share of the separate property in this trust or passing into this trust due to the death of the Co-Founders, as defined for federal estate tax purposes, shall have predeceased the other Co-Founder, notwithstanding any provision of law to the contrary, and the provisions of this trust shall be construed on such assumption.

**Section I. Changing the Trust Situs**

After the death or disability of one of us, the situs of this agreement may be changed by the unanimous consent of all of the beneficiaries then eligible to receive mandatory or discretionary distributions of net income under this agreement.

If such consent is obtained, the beneficiaries shall notify our Trustee in writing of such change of trust situs, and shall, if necessary, designate a successor corporate fiduciary in the new situs. This notice shall constitute removal of the current Trustee, if appropriate, and any successor corporate Trustee shall assume its duties as provided under this agreement.

A change in situs under this Section shall be final and binding, and shall not be subject to judicial review.

**Section J. Construction**

Unless the context requires otherwise, words denoting the singular may be construed as denoting the plural, and words of the plural may be construed as denoting the singular. Words of one gender may be construed as denoting another gender as is appropriate within such context.

**Section K. Headings of Articles, Sections and Paragraphs**

The headings of Articles, Sections and Paragraphs used within this agreement are included solely for the convenience and reference of the reader. They shall have no significance in the interpretation or construction of this agreement.

IN PROBATE COURT

NUMBER FOUR (4) OF

HARRIS COUNTY, TEXAS

**CANDACE LOUISE CURTIS' VERIFIED MOTION FOR PARTIAL SUMMARY JUDGMENT WITH CONCURRENT PETITIONS FOR DECLARATORY JUDGMENT**

TO THE HONORABLE PROBATE COURT:

COMES NOW Candace Louise Curtis filing this Verified Motion for Partial Summary Judgment with Concurrent Petitions for Declaratory Judgment and in support thereof would respectfully show as follows:

**I.**

**Summary and Declaratory Judgment Issues**

This is a case involving numerous breaches of fiduciary duties by persons occupying the offices of trustee under questionable authority who, while exercising the powers of the office to perform improper transactions in a biased and self-serving manner, have affirmatively performed none of the duties required under the terms of the trust instruments, have affirmatively performed none of the duties required by Texas property statutes, and have affirmatively performed none of the duties required by the Texas common law.

Notwithstanding Defendants' selective disclosures over these past five years and their continuing obfuscation, there has been more than adequate time for both honest and complete fiduciary disclosures and for pretrial discovery. The requisite evidentiary support for these motions is contained within the Court's record. The evidence is clear, positive, uncontradicted, and of such nature it cannot rationally be disbelieved; there is no legitimate controversy as to any material fact; and Plaintiff is entitled to judgment as a matter of law on the issues expressly set out in this motion.

This motion for partial summary judgment seeks relief on four specific breaches of fiduciary duties at issue in the matters before the Court. Additionally, a de son tort claim and

petitions for declaratory judgments relate to the validity, efficacy and interpretation of instruments and the proper standing of parties.

The claims for breach of fiduciary relate only to the period of time between the death of our Mother Nelva Brunsting on November 11, 2011 and the filing of this motion. The several petitions for declaratory judgment relate to instruments authored after the incapacity and/or demise of Elmer Brunsting.

Plaintiff asks the Court to interpret the several claims for breach of fiduciary and the several petitions for declaratory judgment considering the totality of the circumstances in Toto with the records of the several proceedings.

## II.

### Summary Judgment

Pursuant to Texas Rule of Civil Procedure 166(a):

*A party seeking to recover upon a claim, counterclaim, or cross-claim or to obtain a declaratory judgment may, at any time after the adverse party has appeared or answered, move with or without supporting affidavits for a summary judgment in his favor upon all or any part thereof. A summary judgment, interlocutory in character, may be rendered on the issue of liability alone although there is a genuine issue as to amount of damages.*

*The judgment sought shall be rendered forthwith if (i) the deposition transcripts, interrogatory answers, and other discovery responses referenced or set forth in the motion or response, and (ii) the pleadings, admissions, affidavits, stipulations of the parties, and authenticated or certified public records, if any, on file at the time of the hearing, or filed thereafter and before judgment with permission of the court, show that, except as to the amount of damages, there is no genuine issue as to any material fact and the moving party is entitled to judgment as a matter of law on the issues expressly set out in the motion or in an answer or any other response.*

In *Branult v. Bigham*, 493 S.W.2d 576 (Tex. App. -- Waco [10th Dist], 1973) the court held that:

*A person interested as or through a . . . trustee . . . other fiduciary . . . or cestui que trust in the administration of a trust . . . may have a declaration of rights or legal relations in respect to the trust. . . i. to ascertain any class of creditors, devisees, legatees, heirs, next of kin or others; ii. to direct the . . . trustees to do or abstain from doing any particular act in their fiduciary capacity; or iii. to determine any question arising in the administration of the trust . . . including the construction of . . . other writings.*

III.

**Burden of Proof**

The burden of proof is on the fiduciary to show that he has fully performed his duties, and the means for such proof is full disclosure and a sufficient and proper accounting.

*Where facts lie peculiarly within the knowledge of a party and cannot, in the nature of the case, be known to his adversary, the party having knowledge has the burden of proving the facts. Spencer v. Petit, Tex. Civ. App., 17 S.W.2d 1102 @ 1106, (Affirmed, Tex. Com. App., 34 S.W.2d 798).*

In Frethey v. Durant, 48 N.Y.S. 839 (N.Y.A.D. 1 Dept. 1897), it was held that:

*when a fiduciary relation is shown to exist, and property or property interests have been entrusted to an agent or trustee, the burden is thrown upon such agent entrusted to render an account, and to show that all his trust duties have been fully performed, and the manner in which they have been performed. It is assumed that the agent or trustee has means of knowing, and does know, what the principal or cestui que trust cannot know, and is bound to reveal the entire truth.*

IV.

**Beneficiaries Have Express Statutory Standing to Seek Declaratory Judgments**

Texas Civil Practice and Remedies Code §37.005:

*Sec. 37.005. DECLARATIONS RELATING TO TRUST OR ESTATE*

*A person interested as or through an executor or administrator, including an independent executor or administrator, a trustee, guardian, other fiduciary, creditor, devisee, legatee, heir, next of kin, or cestui que trust in the administration of a trust or of the estate of a decedent, an infant, mentally incapacitated person, or insolvent may have a declaration of rights or legal relations in respect to the trust or estate:*

- (1) to ascertain any class of creditors, devisees, legatees, heirs, next of kin, or others;*
- (2) to direct the executors, administrators, or trustees to do or abstain from doing any particular act in their fiduciary capacity;*
- (3) to determine any question arising in the administration of the trust or estate, including questions of construction of wills and other writings; or*
- (4) to determine rights or legal relations of an independent executor or independent administrator regarding fiduciary fees and the settling of accounts*

V.

**Summary of the Motion**

As the record will show, Defendants Anita and Amy Brunsting claim to be co-trustees for the entire Brunsting family of trusts. Anita claims to have become sole trustee for the entire Brunsting family of trusts via Nelva's resignation and trustee appointment on December 21, 2010. Plaintiffs Carl Brunsting and Candace Curtis are co-beneficiaries of the Brunsting family of trusts along with Defendants Amy, Anita, and Carole Brunsting. (see Exhibit 1 and Defendants' pleadings)

A fiduciary relationship exists as a matter of law. Amy and Anita owed and continue to owe fiduciary duties to Carl Brunsting and Candace Curtis. Anita and Amy have breached the fiduciary duties owed to all of the beneficiaries, and Plaintiffs have suffered and continue to suffer egregious injury and are entitled to remedy as a matter of law, as hereinafter more fully appears.

## VI.

### Breach of Fiduciary Claims

1. Abuse of Discretion: Failure to create individual trust shares or fund personal asset trusts
2. Duty of Competence: Failure to account for known trust assets - EE Bonds
3. Duty to Account: Failure to render full, true, complete, and timely accountings
4. Breach of affirmative fiduciary duty of full disclosure.

## VII.

8. If Defendants cannot verify original appointment instruments before the Court Plaintiff asks for a declaratory judgment that Carl Brunsting and Candace Curtis are also the de jure trustees for the Nelva E. Brunsting Survivor's Trust.

### VIII.

#### **History of "The Trust" and the Significance of Trust Events**

In 1996 Elmer Brunsting and his wife Nelva Brunsting created the original Brunsting Family Living Trust<sup>5</sup> for their benefit and for the benefit of their 5 children (Original trust Exhibit 6).

That trust instrument named Founders Elmer and Nelva as the initial co-trustees, but in the event that both of them should cease to serve the successor trustee designation was listed:

- a. First Anita
- b. Second Carl and
- c. Third Amy

The original trust lay dormant until January 2, 2005 when it was restated in its entirety (2005 Restatement Exhibit 7). The successor co-trustees after the 2005 Restatement were:

- a. Carl Henry Brunsting and Amy Ruth Tschirhart<sup>6</sup>
- b. Alternate Candace Louise Curtis

The significant fact is that Elmer and Nelva jointly removed Anita entirely as a successor trustee in 2005. It must be presumed that Elmer and Nelva had a reason for removing Anita.

The Brunsting Family Living Trust was amended by both Elmer and Nelva for the first and only time in 2007 (Exhibit 8), and after that amendment the named successor co-trustees were:

- a. Carl Henry Brunsting and Candace Louise Curtis

---

<sup>5</sup> Bates Brunsting001517

<sup>6</sup> Bates P326 obtained by Blackburn

b. Alternate Frost Bank

The significant facts here are that Elmer and Nelva jointly removed Amy as a successor co-trustee and they did not put Anita or Carole on as an alternate, but instead named Frost Bank.

It is also significant to note that this was the last A/B trust instrument signed by both Elmer and Nelva Brunsting and is inarguably the current law of “the trusts”.

**TRUST VITIATIONS**

Elmer Brunsting became incapacitated and was apparently declared by two doctors to be incompetent in June of 2008. Surfacing after more than three years of litigation and demands for production is a document referred to in other instruments as an appointment of successor trustees dated July 1, 2008.

July 1, 2008 Appointment of Successor Trustees

The only copy of this instrument thus far known, recently surfaced at pages 135-139 of a 143 page pdf document labeled “supplemental production” received from Anita Brunsting on June 25, 2015, a copy of which is attached as Exhibit 11-a.

The quality of this copy is not only unacceptable but the instrument is invalid on its face, as under Article IV Section D of the restatement Nelva could only remove trustees she had individually appointed.

2005 Restatement Article IV Section D

*Section D. Resignation or Removal of Our Trustees. We may each remove any Trustee we may have individually named as our respective successors. Any appointee serving or entitled to serve as Trustee may resign at any time and without cause, and the instructions in this trust will determine who the successor will be. All removals or resignations must be in writing.*

Elmer had already been declared incompetent in June and was unable to sign trust amendments. His incompetence is mentioned in the July 1, 2008 instrument which was signed by Nelva alone. Because Elmer was incompetent and not deceased, there was no survivor’s trust to change trustee appointments for, and since the successor co-trustees for the family trust had been selected by Elmer and Nelva jointly, the successor co-trustees for the family trust could not be changed by Nelva alone under the terms of Article IV (D) of the restatement.

Thus, when Elmer passed on April 1, 2009 the successor co-trustees for the irrevocable Family and Decedent’s trusts could only be those named in the 2007 Amendment -- Carl and Candace, with Frost Bank as the alternate.

As Carl Brunsting was the first successor co-trustee in every instrument, nothing really changed after Elmer's death with the exception of the names of trust assets as to ownership interests. Assets were either transferred to a Decedent's Trust or a Survivor's Trust using various certificates of trust, but no individualized indentures for either trust were ever formally expressed. This is the first place where ambiguity finds fertile ground.

August 25, 2010 Qualified Beneficiary Designation and Testamentary Power of Appointment under Living Trust Agreement

On July 3, 2010 Carl Brunsting fell ill with encephalitis. Candace Freed's notes dated July 30, 2010 reveal that her instructions to change the trustee designations and dispositive provisions of the trusts came from previously removed successor trustee Anita Brunsting and not client Nelva Brunsting at all. (Exhibit 12)

The note says Anita's instructions were to make her and previously removed successor co-trustee Amy Brunsting successor co-trustees, with Frost Bank as the alternate. The notes also say to put Carl's inheritance under Amy and Anita's control. What Anita had requested and Freed drew up is exactly what Elmer and Nelva Brunsting intended to prevent with the 2005 Restatement and the 2007 Amendment, which are the last A/B trust agreement instruments signed by both.

The instructions from Anita to Freed find their way into an instrument expressed as a "Qualified Beneficiary Designation and Testamentary Power of Appointment under Living Trust Agreement" allegedly signed by Nelva Brunsting on August 25, 2010. However, Plaintiff finds no exhibits in the disclosures that would indicate the source of the instructions to also place her inheritance expectancy under the trusteeship of Amy and Anita Brunsting. Nelva Brunsting herself said that's not true. (Exhibit 13)

Exhibit 10 is a collection of various Bates stamped exhibits of the alleged August 25, 2010 QBD. Of note is the fact that there are three versions of the signature page. Attached to Anita's 156 page objection to the Court's approval of a distribution, filed December 5, 2014, is the version bearing Bates Stamp P229. This is also the version Plaintiff Curtis received by mail. One can easily see the CAN preceding the alleged signature of Nelva Brunsting.

The next version bearing Bates stamps P192, P7168, V&F000389, P-76 and P12755 show both signatures floating way above the lines. This version appears in Carole's 133 page objection to Plaintiff's application for distribution filed Feb.17, 2015. This version also appears

in a business records affidavit from Frost Bank (Exhibit 9) as having been attached to an email received from Amy Brunsting in December 2011.

The third version (P443) was obtained for Carl Brunsting by attorney Blackburn from Anita. P443 and P1015 match the version attached to Curtis' original federal complaint (as Exhibit P-40), identified in her attached affidavit as having been received from Anita Brunsting via email October 23, 2010.

#### **REMOVAL OF NELVA BRUNSTING BY FORCE**

Nelva and Carl were excluded from a phone conference called by Candace Freed (Exhibit 5-a)<sup>7</sup> and held on 10/25/2010. After that conference Curtis had a phone conversation with Nelva regarding the alleged 8/25/2010 QBD. Carole later emailed Curtis about overhearing Nelva on the phone to Freed, telling Freed to change it back and that she wasn't going to follow the changes Freed had made to the trust (Exhibit 5-b). Subsequent to the phone conversation referred to in Carole's email, apparently Candace Freed requested that Nelva be evaluated for competency. Candace Freed later wrote a follow up email on November 17, 2010 explaining her reasons for subjecting Nelva to a competency evaluation. (Exhibit 14)

Defendant's, having failed in their attempt to have a very lucid Nelva Brunsting declared incompetent, and after disfiguring the Family, Decedent's, and Survivor's trusts with their 8/25/2010 QBD, still not being satisfied that the scheme to steal their siblings' inheritance expectancies was fool proof, Anita, Amy, Carole and Candace Freed converged on Nelva in her own home on December 21, 2010, leaving Nelva no place to retreat. (Exhibit 25)

Nelva is alleged to have voluntarily signed resignation papers prepared by Candace Freed that improperly gave Anita total control over the assets of the entire Brunsting family of trusts, but those changes could not be made under the law of the trust. Under Article III of the 2005 Restatement as lawfully amended in 2007, the family trust became irrevocable at the death of Elmer Brunsting April 1, 2009, but could also not be changed after Elmer's incompetency certification of June 2008, as it was an A/B trust requiring both Founders' agreement to effect any changes.

IX.

The Claims

Each of the following claims for breach of fiduciary relates to the period of time between the death of Nelva Brunsting and the filing of this motion. All of the Articles, exhibits and claims herein stated, and the attached Memorandum of Points and Authorities are hereby incorporated by reference as if restated in every other Article and Claim.

Claim 1. Abuse of Discretion: Failure to Create Individual Trust Shares or Fund Personal Asset Trusts

Article X of the 2005 Restatement of the family trust requires the trustees to distribute the trust res into five Trust Shares for the five beneficiaries, to be created upon the death of the second Founder. (Exhibit 7)

The 8/25/2010 Qualified Beneficiary Designation and Testamentary Power of Appointment under Living Trust Agreement that Defendant's cling to, but have not produced, requires the trustees to establish five personal asset trusts upon the death of the second Founder.

Nelva Brunsting, the second Founder, died November 11, 2011. It does not matter which instrument was to be followed, the trustees are in breach for failure to act and failure to seek judicial guidance in either circumstance, which is a clear case of abuse of discretion.

The injunctive order issued by the federal court April 9, 2013 not only enjoins Defendants from spending trust funds without prior court approval but, in fact, also compels Defendants to deposit income into an appropriate account for the beneficiary.

*In light of what appears to be irregularities in the documents and the failure of the Trustee to act in accordance with the duties required by the Trust, the Court ENJOINS the Trustee(s) and all assigns from disbursing any funds from any Trust accounts without prior permission of the Court. However, any income received for the benefit of the Trust beneficiary is to be deposited appropriately in an account.*

On June 25, 2015 Amy responded to Curtis' 1st interrogatories (Exhibit 22) and in her answers she blames Carl and Candace for bringing litigation as the cause for her inability to meet her fiduciary obligations.

Answering interrogatory 1 Amy states: (emphasis added)

*The Personal Asset Trusts have not been established. This is a result of the various lawsuits that have been filed by Carl and Candace, as well as the injunction previously requested by Candace and Carl. If, as and when formed,*

*they will be formed according to the applicable trust documents and with the assistance of the appropriate professionals, as determined by the co-trustees*

Amy further claims in interrogatory No.2:

*Upon becoming co-trustee, my intent was to follow my mother's wishes as expressed in the documents drafted for her by her attorneys, at her request. Subsequently, the various lawsuits that have been filed by Carl and Candace, as well as the injunction previously requested by Candace and Carl have prejudiced my ability to do so.*

According to Anita Brunsting's June 4, 2015 answer No. 18 to Curtis' interrogatories regarding the irrevocable trust provisions for establishing personal asset trusts, Anita says Nelva "superseded" the irrevocable A/B trust agreement. (Exhibit 23) (Emphasis added)

*18. Describe the steps you have taken to honor the provisions of Article X, Section B(1)(a)(i) of the Brunsting Family Trust?*

*RESPONSE: Defendant objects to this interrogatory, as it is misleading, capable of causing jury confusion, and misconstrues the provisions and effects of the trust instruments. Defendant further objects because it is unclear which "trust" the question is seeking information about because the question is not limited to a time period (i.e., before Nelva's death or after Nelva's death) and is, therefore, vague. The referenced section was superseded by Nelva and therefore, is inapplicable.*

In Amy's Verified Answer to Plaintiff Carl Brunsting's Petition for Declaratory Judgment<sup>8</sup>, for Accounting, for Damages, for Imposition of a Constructive Trust, and for Injunctive Relief, filed May 13, 2013, Amy seeks to take refuge in the fact the personal asset trusts have not been "created" where she states:

*AMY RUTH BRUNSTING F/K/A AMY RUTH TSCHIRHART is not liable as Trustee of the Carl Henry Brunsting Personal Asset Trust and the Amy Ruth Brunsting Asset Trust because such trusts have not been created and therefore do not contain any trust property.*

In Anita Brunsting's June 4, 2015 answer to Curtis' 1st written interrogatories (Exhibit 23) in response to number 19, Anita blames "the litigation" for failure to fund the personal asset trusts: (Emphasis added)

*19. Describe the steps you have taken to honor the provisions at Page 6 Item C of the August 25, 2010 QBD regarding PERSONAL ASSET TRUST PROVISIONS, as those provisions relate to the personal asset trusts for each of the five Brunsting beneficiaries?*

---

<sup>8</sup> Filed with this Court 5/13/2013 BT-2013-154977

*RESPONSE: After Nelva's death, defendant began the process of collecting assets, informing trust beneficiaries, and working the attorneys specifically referenced in such section to implement the terms of the trust instruments. The trustees and their counsel provided trust documents and assets lists via email and/or mail in December 2011 and thereafter to beneficiaries. **Candace then brought litigation.***

The 2005 Restatement and the 2007 Amendment were the last A/B trust agreements signed by both Elmer and Nelva Brunsting. Limitations on the Founder's ability to amend or revoke "the trust" were provided in Article III Section B (Exhibit 7) which reads as follows: *(emphasis added)*

*Section B. We May Amend Our Trust*

*This trust declaration **may be amended by us** in whole or in part in a writing signed by **both of us** for so long as we both shall live. Except as to a change of trust situs, **when one of us dies, this trust shall not be subject to amendment, except by a court of competent jurisdiction.***

*Each of us may provide for a different disposition of our share in the trust by using a qualified beneficiary designation, as we define that term in this agreement, and the qualified beneficiary designation will be considered an amendment to this trust **as to that Founder's share or interest alone.***

Thus, any instruments claiming to have amended the irrevocable Family trust after the incapacity of Elmer Brunsting and any instruments claiming to amend the irrevocable Decedent's trust after Elmer's death are invalid on their face, and those would include the proclaimed changes in successor co-trustees as hereinafter more fully appears.

Pursuant to Article X of the 2005 Restatement, which Nelva had no power to supersede, the trustees were to establish five trust shares for the five beneficiaries at the death of the surviving founder.<sup>9</sup>

*Section A. Our Beneficiaries*

*Unless one of us shall otherwise direct in a qualified beneficiary designation as to his or her ownership interest in the trust, all trust property not previously distributed under the terms of our trust shall be divided and distributed in accordance with the terms of this trust declaration and as follows:*

<i>Beneficiary</i>	<i>Share</i>
<i>CANDACE LOUISE CURTIS</i>	<i>1/5</i>
<i>CAROL ANN BRUNSTING</i>	<i>1/5</i>
<i>CARL HENRY BRUNSTING</i>	<i>1/5</i>
<i>AMY RUTH TSCHIRHART</i>	<i>1/5</i>

<sup>9</sup> Exhibit 7 Article X page 10-1

*ANITA KAY RILEY*

*1/5*

There is no legal authority to support the notion that a suit brought by a beneficiary against a trustee for breach of fiduciary, or that animosity between the trustee and a beneficiary in any way relieves the trustee of performing the fiduciary duties the trustee owes to the beneficiary.

Nelva Brunsting died November 11, 2011. Article X of the 2005 restatement requires establishment of five trust shares at the death of the second Founder. The 8/25/2010 QBD requires distribution to 5 personal asset trusts at the death of the second Founder. Therefore, it matters not what instrument is relied upon, the trustees are in breach for failure to exercise discretion in either circumstance.

The federal Court found the trust required establishment of individual trust accounts and that the trustees had failed to fund the trust accounts. The injunction commands Defendants to deposit income into an appropriate account for the beneficiary and yet no income has been deposited appropriately into an account for any beneficiary. Defendants cannot blame the injunction for refusing to do what it commands!

There is no legal nexus between litigation and Defendants' proclaimed inability to act and no known legal authority exists to support such claims. Defendants have offered no valid defense as to why separate trust shares or personal asset trusts, have not been "set up", as Amy's March 6, 2012 affidavit claims. (Exhibit 1)

Defendants have offered no valid defense as to why separate trust shares have not been created, as required under the terms of the 2005 Restatement, or as to why personal asset trusts have not been "set up" as required under the terms of the 8/25/2010 QBD and as required under the terms of the federal injunction.

It should be judiciously noted here that the willful violation of a federal Court injunction is not merely a civil contempt but also a federal crime under Title 18.<sup>10</sup> If Defendants were uncertain what instruments to follow they had a constructive trustee duty to petition for judicial guidance, which they also failed to seek.

Claim 2. Duty of Competence: Failure to Account for, Protect and Maintain  
Trust Assets - EE Bonds

---

<sup>10</sup> 18 U.S.C. § 402 : US Code - Section 402: Contempt's constituting crimes

Defendants owe Plaintiff a duty to take possession of and protect trust assets. Defendants have known of the existence of U.S. Treasury EE Bonds held in the name of the family trust and have refused or otherwise failed to take possession, protect or account for the known EE Bonds.

Plaintiff Curtis sought an accounting for the EE Bonds in her initial complaint on February 27, 2012 (28 months after Anita claims to have become trustee). (Exhibit 5)

Fourteen months after Plaintiff Curtis' initial filing the federal Court issued an injunction to prevent wasting of the assets and a special Master was appointed to prepare an accounting of the income and disbursements of the trust from the date Anita Brunsting claims to have become sole trustee through May 31, 2013.

The Special Master appointed by the federal Court issued his report July 31, 2013 and the Defendants filed a response and an objection. On August 13, 2013 Curtis filed her response to Report of Master<sup>11</sup> and demanded at items 4 and 5 that Defendants account for U.S. Treasury EE Bonds held in the name of the trust.

A hearing was held September 3, 2013. While testifying the Special Master expressed questions as to the whereabouts of said bonds. (Exhibit 18)

Ten months later, still having no information about the EE Bonds, other than the Defendants' own production of April 2013, Plaintiff Curtis sent a letter of inquiry to the U.S. Treasury and subsequently received a response regarding the EE Bonds. (Exhibit 21)

December 14, 2014, Brad Featherston apparently emailed Plaintiff Curtis' prior counsel Jason Ostrom, and Carl Brunsting's counsel Bobbie Bayless asking for permission to "cash the bonds and deposit the money". (Exhibit 20)

Anita's June 4, 2015 answer to Curtis' interrogatories claims trustee failure to account for EE bonds is Plaintiffs' fault: (Exhibit 23) (Emphasis added)

*23. What was the date of your prior inquiry and why was the inquiry made more than one year after you were noticed of the existence of those EE Bonds?*

*RESPONSE: Candace and Carl consistently and repeatedly accused Carol of stealing bonds that were alleged to be in the name of Nelva or Elmer. **Defendant did not see a record of the bonds being in the name of the trusts.** In late 2014, Carol informed defendant that she could request a record of the outstanding bonds, which was done in mid to late 2014.*

*24. What claim(s), if any, were you asking to be processed?*

---

<sup>11</sup> See Exhibit 17

*RESPONSE: None.*

*25. Did you subsequently submit the properly completed forms? If no, why not? If yes, what were the results and where are the transaction records?*

*RESPONSE: No, because Candace would not agree to the disposition of the bonds and the legal fees to seek court approval to cash the bonds in light of Candace's failure to agree made the transaction cost prohibitive.*

Defendants blame Carl and Candace for their refusal to account for the EE Bonds, but there is no legal nexus between alleged accusations that Carole stole the bonds and Defendants' fiduciary duty to account for the bonds. There is no legal authority to support the notion that a fiduciary's duty to account is somehow dependent upon a beneficiary's permission to cash bonds, and there is no rational connection between requesting the reissue of EE bonds and a beneficiary's permission to cash bonds. Defendants' posture is not a legal defense to failure to account.

Anita's response to Plaintiff Curtis' interrogatories claims that she did not know about EE bonds in the name of the trust<sup>12</sup> when 1) they are identified in Defendants' own disclosures<sup>13</sup> 2) Plaintiff Curtis specifically demanded Defendants account for the bonds in her August 13, 2013 Response to the Report of Master<sup>14</sup> 3) Plaintiff Curtis' original federal complaint mentions the EE bonds<sup>15</sup>, and 4) the Special Master mentioned his curiosity as to the whereabouts of the unaccounted for EE bonds while testifying at the hearing on the Masters report September 3, 2013.<sup>16</sup>

The refusal to secure and preserve known trust assets by certifying authenticated copies of trust documents to the US Treasury in order to cause the reissue of the US Treasury EE series bonds is not a mistake, inadvertence or excusable neglect.

Claim 3. Breach of Fiduciary Duty to Account: Failure to Render Full, True, Complete, and Timely Accounting

Beginning with Anita's acceptance of the appointment of successor trustee, (Exhibit 11-e) when Nelva allegedly resigned on December 21, 2010, semi-annual accountings to Nelva were thus required on the summer and winter solstice, June 22<sup>nd</sup> and December 21<sup>st</sup> of each year.

<sup>12</sup> Exhibit 23

<sup>13</sup> Exhibit 19

<sup>14</sup> Exhibit 17

<sup>15</sup> See This Courts record 02102015:1527:P0082

<sup>16</sup> Exhibit 18

Amy Brunsting claims to have become a successor co-trustee with Anita when Nelva died on November 11, 2011. (Exhibit 1) (Amy Affidavit) No accounting was rendered December 21, 2011. Amy's Affidavit claims they have done the best that they can in the short time since Mother's death, but if accountings had been timely and properly prepared for Nelva by Anita, then it would have been a simple exercise to update them with the December bank and brokerage information. Current bank and brokerage statements continue to be withheld as of this writing.

The first quasi-accounting in the form of spreadsheets<sup>17</sup> was received on April 5, 2012 in response to a December 2011 demand for a statutory accounting. The only other accounting was performed by the Special master and no formal statutory accounting has ever been performed or submitted to all of the beneficiaries.

Based upon Defendants' previous reference to the federal injunction as "questionable" and having received inadequate "accounting" information, Plaintiff Curtis has again become profoundly concerned about the economic health of "the trust" and did send demand for statutory accounting June 15, 2015. (Exhibit 24) The statutory time has long since run and no accounting has been rendered.

Claim 4. Breach of Affirmative Fiduciary Duty of Full Disclosure

Defendants have no legal defense for their refusal to honor the affirmative fiduciary duty of full disclosure and transparency. As can easily be seen from Plaintiff Curtis' original federal complaint and Affidavit, the lawsuits were brought to compel the performance of fiduciary obligations, primarily those of accounting and disclosure.

At this late juncture Defendants' only defense to their abject failure to perform any fiduciary duties, is to assert that Carl and Candace are no longer beneficiaries because they brought litigation to compel fiduciary accounting and disclosures. This is yet another defense effort to remove loyalty and accountability, the very essence of the fiduciary relationship itself.

**X.**

**Conclusion – The Emperor Wears No Clothes**

Historiographically, we have obfuscation and subterfuge and what appears to be elder abuse; de-facto trustees assuming the office; troublesome disposition of trust assets; an absence of competent book keeping; failures to disclose and account; questionable documents; improper

---

<sup>17</sup> Exhibit 2

changes to irrevocable trusts; stalking; illegal wiretapping; and an absolute and complete absence of any fiduciary duties fulfilled without judicial compulsion.

Defendants cannot blame their failures to act on litigation brought to compel honoring of fiduciary obligations. The injunctions applied for and issued to prevent further misapplication of assets and to compel the honoring of fiduciary obligations, are not an excuse for failure to act.

Defendants have stated no valid legal defense and their excuses are nothing but confessions. Taken together, mere 'incompetence' cannot explain the synchronicity of events.

Defendants' pleadings and answers to interrogatories confess what their intentions have been all along. The plot was to steal Carl and Candace's inheritance expectancies and then to declare their victims "disinherited" should they object, just as Candace suspected in her email to Carole in October of 2010, and just as Defendants stated in their answers to Plaintiff's interrogatories and objections as exhibited herewith.

Anita, Amy and Carole kept their consorted acts secreted, refused to answer, and waited for Carl and Candace to seek judicial remedy to spring their disinheritance trap. In other words, the 8/25/2010 QBD was intended to eliminate accountability and the duty of loyalty, which no Court has ever even attempted, as that would dissolve the fiduciary relationship itself, an improper act, which is exactly what Defendants appear to have intended from the onset.

Defendants' plot was also clearly depicted in the Affidavit attached to Plaintiff Curtis' original federal complaint, filed February 27, 2012, now a part of this Court's record.<sup>18</sup> (Emphasis added)

*I saw Carl and Drina for the first time since our Father's death, at our Mother's funeral. I did not know what to expect. Carl was talking to someone when Drina and I saw each other. In the blink of an eye we were hugging each other and crying. The deep wounds created by what had transpired over the last 16 months immediately began to heal. The bond between Carl, Drina and I was rekindled over the next few days. The difficulty for all of us was coming to grips with the notion that, apparently, behind our backs, Anita had made a concentrated effort to take control of the entire trust, and our individual inheritances, in such a manner that if Carl and I complain about it, she gets to keep it, all the while asserting to others that our Mother made this decision ON HER OWN. I know she did not, because she said so to me on the phone. She took my concern to heart and subsequently sent me a handwritten note saying, again, that it was not true.<sup>19</sup>*

*(k) What factors does the decision-maker measure in determining the beneficiary's need for a distribution?*<sup>20</sup>

*Answer:*

*"Objection. Respondent objects to this Request as phrased. It is harassing, inflammatory, prejudicial, assumes facts not in evidence, is misleading and capable of causing jury confusion. It is multifarious, consisting of more than one discrete subpart. It seeks to require the Respondent to interpret legal documents and render legal conclusions. Additionally it is premature in the sense that Carl and Candace may no longer be beneficiaries as a result of the lawsuits they have filed."*

Curtis' original federal complaint and affidavit contains email threads between Carole Brunsting and Candace Curtis in October of 2010, that make it clear Anita and Amy were both browbeating Nelva and not allowing her control over her own estate.

Note the reference to Amy and Anita's disinheritance plot at page 4 of 4 of the following email thread (Exhibit 5-d):

*From: Candace Curtis <occurtis@sbcglobal.net> Subject;*

*To: "Carole Brunsting" <cbrunsting@sbcglobal.net>*

*Date: Monday, October 25, 2010, 6:01 PM*

*Now the truth comes out. None of us is entitled to copies of the trust documents, since Mother is the only beneficiary. Amy and Anita are trying to take over and will probably do anything and everything they can to cut the rest of us out. I was already depressed today. I'm over the edge now.*

The threat of using an in terrorem clause against Carl and Candace for bringing litigation to construe a trust instrument, direct the trustees to do or abstain from doing any particular act in their fiduciary capacity, determine any question arising in the administration of the trust, including the construction of writings, is apparently the only response Defendants can muster.

Such threats are inconsequential. A cestui que right to declaration as to the validity and interpretation of instruments and to compel the trustee to do or abstain from doing any particular act, is a statutory and common law right belonging to the cestui que that prevails over any terms of a trust to the contrary.<sup>21</sup>

---

<sup>20</sup> It should be noted here that this question was selected from the Northern Trust Company web site section advising the beneficiary on what questions to ask the trustee.

<sup>21</sup> Texas Property Code §115.001 vis-à-vis Property Code §111.0035; Branult v. Bigham, 493 S.W.2d 576; Texas Civil Practice and Remedies Code §37.005

The exercise of a cestui que right to hold the trustee accountable cannot be diminished, let alone perverted into violation of an in terrorem clause.

By claiming beneficiaries Carl and Candace are disinherited for violating an in terrorem clause, Defendants seek to remove Plaintiffs' standing to demand accountings, distributions, or disclosures, or to hold the impostor trustees to honor any of the fiduciary duties of the office.

It should be noted that disinheritance threats in Defendants' objections to distributions, and in their responses to interrogatories, were made in anticipation of the joint no-evidence motion for partial summary judgment subsequently filed by Defendants' Amy and Anita that they later removed from calendar. Defendants Anita and Amy Brunsting filed a joint motion in an effort to validate their 8/25/2010 QBD, collectively claiming personal knowledge of its validity. It should be noted that when confronted individually they have each disavowed any personal knowledge of its alleged signing.

Plaintiff would love to discuss the content of the 8/25/2010 QBD instrument and have tried every conceivable means to get the Defendants to qualify the thing as evidence so that we would have something to talk about, but has been continually frustrated in that effort.

Plaintiff Curtis' response to Defendants' no-evidence motion also included a counter motion under Texas Evidence Codes §§1002, 1003. That motion remains pending and is incorporated by reference, along with Carl Henry Brunsting's Motion for Partial Summary Judgment, as if fully restated herein.

The problem of the mysterious QBD would be resolved by the party claiming the existence of the QBD simply certifying the archetype of the instrument before the Court with a declaration as to the chain of custody. However, if Defendants could do that why would they not have certified trust instruments to the US Treasury to cause the reissue of the EE Bonds?

The eight Bates stamped copies (Exhibit 10) of the three 8/25/2010 QBD signature page versions connect all three Defendants with Candace Freed and that is no coincidence either. The fact that Nelva herself said in her own hand that it was not true (Exhibit 13) does not seem to affect Defendants' position of "we say Nelva instructed"<sup>22</sup>. Even if Defendants could produce the original and explain away the divergent copies of the original, it remains utterly worthless, collapsing under the weight of its own improprieties.

---

<sup>22</sup> Exhibits 22 & 23

Amy and Anita's answers to Curtis' interrogatories<sup>23</sup> claim the trust instruments speak plainly for themselves, but nowhere does one find Nelva's alleged power to "supersede" the irrevocable trusts, or the "Nelva instructed" provisions.

Anita Brunsting was removed as a successor trustee by both Elmer and Nelva Brunsting with the 2005 Restatement (Exhibit 7), and Amy Brunsting was removed as a successor co-trustee by both Elmer and Nelva Brunsting with the 2007 Amendment.

All three of Anita Brunsting's claims of returning to successor trustee status are colorable and none more colorable than the December 21, 2010 resignation and appointment documents, whereby Anita claims to have become trustee over all of the family trusts.

Nelva, individually, held no power to remove the trustees for the Decedent's or Family trusts and, thus, neither Anita nor Amy Brunsting ever returned to the status of a trustee after their removal by both Elmer and Nelva acting jointly.

In her own words Anita admits to browbeating Nelva and withholding trust information. Anita imposed her own will as if she were the new Founder, reminding Nelva Brunsting that she was no longer trustee and no longer had access to the trust. (Exhibit 5-e)

## XI.

### Prayers for Relief

For the reasons presented and supported by competent evidence within the record, Plaintiff prays that her several motions for partial summary judgment be granted, that Plaintiffs' petitions for declaratory judgment be answered, and that Plaintiff and the several trusts receive all other general, special, legal and equitable relief to which Plaintiff and the trusts may be entitled.

Plaintiff asks the Court for findings of fact and conclusions of law, order and ruling, that Defendants Amy and Anita Brunsting are de son tort Trustees liable for breaches of fiduciary obligations occurring after the demise of Nelva Brunsting including but not limited to those specifically enumerated herein:

1. Failure to Distribute Assets to Trust Shares or Fund Personal Asset Trusts or otherwise distribute the trust property interests amongst the beneficiaries (abuse of discretion)
2. Failure to account for known trust assets, to wit U.S. Treasury EE Bonds
3. Failure to render full, true, complete, and timely accounting

---

<sup>23</sup> (Exhibits 22, 23)

4. Breach of the ongoing duty of full disclosure

Plaintiff further asks the Court for findings of fact and conclusions of law along with declaratory judgment that:

1. The July 1, 2008 appointment of successor trustees is invalid;
2. The August 25, 2010 appointment of successor co-trustees is invalid as to the Family and Decedent's irrevocable trusts;
3. The December 21, 2010 resignation and appointment of successor trustees instruments are invalid as to the Family and Decedent's irrevocable trusts;
4. The 2005 restatement as amended in 2007 is the current law of the trust;
5. Plaintiffs Carl Brunsting and Candace Curtis are the de jure trustees for the Family and Decedent's irrevocable trusts; and
6. If Defendants cannot Verify original appointment instruments before the Court, Plaintiff asks for a declaration that Carl Brunsting and Candace Curtis be declared the de jure trustees for the Nelva E. Brunsting Survivor's Trust as well;
7. Defendants Amy and Anita Brunsting be compelled to specific performance in that they be ordered to verify the original trust instruments before the Court and submit certified copies to the United States Treasury for the reissue of U.S. Treasury EE Bonds;
8. Plaintiff asks that Defendants Amy and Anita Brunsting be removed from acting as trustees for the Family, Decedent's and Survivor's trusts, as appropriate;
9. Plaintiff asks that Carl Brunsting and Candace Curtis be declared de jure trustees as appropriate;
10. Plaintiff asks that Amy and Anita Brunsting be ordered to surrender all original trust documents, records of accounts, receipts and all other trust assets to de jure trustees Candace Curtis and Carl Brunsting forthwith; and
11. Plaintiff asks that Defendants are ordered to pay all costs for these motions and hearings and to award Plaintiff all other general, special, legal and equitable relief to which Plaintiff and/or the trusts may be entitled.

Plaintiff so moves this Honorable Court.

Respectfully submitted,

CIVIL ACTION NO. H-12-CV-592

vs.

ANITA KAY BRUNSTING, and  
AMY RUTH BRUNSTING

AFFIDAVIT IN SUPPORT OF REMOVAL OF LIS PENDENS

STATE OF TEXAS §  
COUNTY OF COMAL §

Before me, the undersigned authority, appeared Amy Ruth Brunsting who after being duly sworn by me did state:

1. My name is Amy Ruth Brunsting. I am over 18 years of age, competent to make this affidavit, and have personal knowledge of the facts stated herein.

2. This case involves the allegations of my sister, Candace Louise Curtis, who is disgruntled with the amount of information and accounting I and my sister have provided to her while acting in our capacity as Co-Successor Trustees of the Brunsting Family Living Trust.

3. The contentions of Candace are totally meritless, and I believe have more to do with the disappointment she feels in the fact that our parents did not feel she was competent to handle her own inheritance. She began issuing threats and demands within weeks after our mother died, and before we have had a chance to evaluate the proper handling of assets in the estate, including the largest asset, a farm in Iowa.

4. Her various complaints will be addressed in some greater detail if this court believes it has jurisdiction over the administration of a living trust. However, of immediate concern is the potential chilling effect that Candace filing of a *lis pendens* may have on the sale of our parent's residential homestead, which is scheduled to close on March 9, 2012.

5. As Co-Trustees, my sister and I have determined that it is impractical to give each of the five heirs, or the trusts set up for their benefit (as is the case for Candace), an undivided share of a house in Houston. We therefore have prepared and offered the house for sale. None of the heirs

have objected to this plan, including Candace. Our authority to sell is contained in Article IX, Section C of the Brunsting Family Living Trust. The specific provision regarding real estate appears on page 9-5 of the document under the heading of "Real Estate" and this section can be viewed in the copy of the trust supplied by Candace as an exhibit to her Complaint.

6. We first obtained an appraisal of the property. This is attached hereto as Exhibit "A". This appraisal, dated in January of this year, placed the fair market value of the property at \$410,000. We listed the property for \$469,000 and were fortunate enough to attract a buyer, Brett C. McCarroll, who offered \$469,000. The contract for this sale is attached as Exhibit "B". Although originally scheduled to close in February, the closing has been moved to this Friday, March 9.

7. As further evidence of the fair value of the proposed sale, I attach the Harris County Appraisal District tax appraisal, showing the taxable value of the property to be approximately \$270,000.

8. We have attempted to provide Candace with enough information to evaluate her position in the trust administration, and have sent her preliminary spreadsheets with a listing of assets and liabilities, as best we have been able to determine in the short time since our mother's death on November 11, 2011. She is not satisfied with the information we have provided and has stated her objective of tying up the administration of the estate until she gets a response that satisfies her. She is the only one of the five heirs who has taken this position, and as can be gleaned from her lengthy, and mostly inaccurate unsworn statement, filed with the complaint, relates to her animosity towards the two of us in the manner we attempted to aid our mother in the final months of her life.

9. If this sale is not consummated on the scheduled closing date, we have no assurance that the buyer will await the resolution of Candace's complaints and the sale will, in all likelihood, be lost. This will result in further expense to the trust estate for maintenance and upkeep to the property without any appreciation in the value. The house was originally shown for sale fully furnished. It is now empty. It's "buyer appeal" has been diminished and this could also jeopardize future sale prospects if this sale is lost.

10. The sale of the house is important for the trust estate, and should not be endangered simply because Candace is mad. We are asking the court to lift the lis pendens so the sale can be consummated, for the benefit of all of the heirs.

  
AMY RUTH BRUNSTING

Sworn to and signed before me by , on this 6<sup>th</sup> day of March, 2012.

For the purpose of identifying the "transferor" in allocating a GST exemption, the estate of a deceased spouse, or the Trustee of this trust, may elect to treat all of the property which passes in trust to a surviving spouse for which a marital deduction is allowed, by reason of Section 2056(b)(7) of the Internal Revenue Code, as if the election to be treated as qualified terminable interest property had not been made.

Reference to the "special election for qualified terminable interest property" will mean and identify the election provided by Section 2652(a)(2) of the Internal Revenue Code.

The term "GST exemption" or "GST exemption amount" is the dollar amount of property which may pass as generation skipping transfer under Subtitle B, Chapter 13, of the Internal Revenue Code 1986 (entitled "Tax On Generation-Skipping Transfers") which is exempt from the generation skipping tax.

**Section R. Generation Skipping Transfers**

Our Trustee, in the Trustee's sole discretion, may allocate or assist either Founders' personal representatives or trustees in the allocation of any remaining portion of either Founder's GST exemptions to any property as to which such Founder is the transferor, including any property transferred by such Founder during life as to which such Founder did not make an allocation prior to his or her death and/or among any generation skipping transfers (as defined in Section 2611 of the Internal Revenue Code) resulting under this trust declaration and/or that may later occur with respect to any trust established under this trust declaration, and the Trustee shall never be liable to any person by reason of such allocation, if it is made in good faith and without gross negligence. The Trustee may, in the Trustee's sole discretion, set apart, to constitute two separate trusts, any property which would otherwise have been allocated to any trust created hereunder and which would have had an inclusion ratio, as defined in Section 2642(a)(1) of the Internal Revenue Code, of neither one hundred percent nor zero so that one such trust has an inclusion ratio of one hundred percent and the other such trust has an inclusion ratio of zero. If either Founder's personal representative or trustee and/or the Trustee exercises the special election provided by Section 2652(a)(3) of the Internal Revenue Code, as to any share of either Founder's property that is to be held in trust under this trust declaration, then the Trustee is authorized, in the Trustee's sole discretion, to set apart property constituting such share in a separate trust so that its inclusion ratio of such trust is zero.

**Section S. Elective Deductions**

A Trustee will have the discretionary authority to claim any obligation, expense, cost or loss as a deduction against either estate tax or income tax, or to make any election provided by Texas law, the Internal Revenue Code, or other applicable law, and the Trustee's decision will be conclusive and binding upon all interested parties and shall be effective without obligation to make an equitable adjustment or apportionment between or among the beneficiaries of this trust or the estate of a deceased beneficiary.

We, ELMER H. BRUNSTING and NELVA E. BRUNSTING, attest that we execute this trust declaration and the terms thereof will bind us, our successors and assigns, our heirs and personal representatives, and any Trustee of this trust. This instrument is to be effective upon the date recorded immediately below.

**QUALIFIED BENEFICIARY DESIGNATION  
AND EXERCISE OF TESTAMENTARY POWERS OF APPOINTMENT  
UNDER LIVING TRUST AGREEMENT**

**Section 1. Exercise of General Power of Appointment and Qualified Beneficiary Designation**

I, NELVA E. BRUNSTING, the surviving Founder (herein also referred to as "Trustor" and "Founder") of the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended, am the holder of a general power of appointment over the principal and accrued and undistributed net income of a trust named the NELVA E. BRUNSTING SURVIVOR'S TRUST (pursuant to Article VIII, Section B.4 of the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996), (hereinafter called "The Survivor's Trust") the full legal name of which is as follows:

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the NELVA E. BRUNSTING SURVIVOR'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

The NELVA E. BRUNSTING SURVIVOR'S TRUST was created pursuant to Article VII of the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended. Article VIII of the BRUNSTING FAMILY LIVING TRUST contains the administrative provisions of the NELVA E. BRUNSTING SURVIVOR'S TRUST. All property in the NELVA E. BRUNSTING SURVIVOR'S TRUST is allocated to "Share One" under Article VIII of the said BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended. Article III further allows a qualified beneficiary designation as to the ownership interest of NELVA E. BRUNSTING in the trust property.

In the exercise of the general power of appointment, which is to take effect at my death, and as a qualified beneficiary designation as to the ownership interest of NELVA E. BRUNSTING in the subject trust property, I direct my Trustee, at the time of my death, to administer and distribute the balance of the principal and undistributed income from the NELVA E. BRUNSTING SURVIVOR'S TRUST as set forth in Section 3 of this document.

The BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, is incorporated herein by reference for all purposes (herein sometimes referred to as "the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996," and the "Trust Agreement").

**Section 2. Exercise of Limited Power of Appointment and Qualified Beneficiary Designation**

I, NELVA E. BRUNSTING, the surviving Founder of the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended, am the holder of a limited power of appointment over the principal and accrued and undistributed net income of a trust named

the ELMER H. BRUNSTING DECEDENT'S TRUST (pursuant to Article IX, Section D of the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996), the full legal name of which is as follows:

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the ELMER H. BRUNSTING DECEDENT'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

In the exercise of this limited power of appointment, which is to take effect at my death, I direct my Trustee to administer and distribute the balance of the principal and undistributed income from the ELMER H. BRUNSTING DECEDENT'S TRUST, except for any portion which has been disclaimed by me, as set forth in Section 3 of this document.

**Section 3. Provisions for Distribution and Administration of the Survivor's Trust and the Decedent's Trust**

**DISTRIBUTION OF TRUST ASSETS**

CAROL ANN BRUNSTING	1/5
AMY RUTH TSCHIRHART	1/5
CARL HENRY BRUNSTING	1/5

**B. Division into Separate Shares**

My Trustee shall distribute the share for each of my beneficiaries in a separate Personal Asset Trust for the benefit of each beneficiary as provided in this Section 3. If a named beneficiary fails to survive me, then that share shall be distributed as set forth below as if it had been an original part thereof. The decisions of the Trustee as to the assets to constitute each such share shall be conclusive, subject to the requirement that said shares shall be of the respective values specified.

My Trustee shall distribute one-fifth (1/5) of the remainder of the trust property to a Personal Asset Trust for the benefit of CANDACE LOUISE CURTIS, if surviving, to be held, administered and distributed as set forth in this Section 3 entitled "Personal Asset Trust Provisions." If CANDACE LOUISE CURTIS fails to survive, then this share shall be held, administered and distributed to said individual's descendants, per stirpes, as set forth in Section H of the Personal Asset Trust provisions entitled "Final Disposition of Trust." If there are no then living descendants of CANDACE LOUISE CURTIS, such share shall be distributed to my then living descendants, per stirpes. In the event I have no then living descendants, such share shall be distributed according to Section G of Article X of the Brunsting Family Living Trust dated October 10, 1996, as amended.

**PERSONAL ASSET TRUST PROVISIONS**

**A. Establishment of the Personal Asset Trust:**

A Personal Asset Trust shall be created for a beneficiary of the Trust when, under any other provision of this Trust Agreement, a distribution of the Trust Estate specified

to be made to said beneficiary's Personal Asset Trust first occurs. The Personal Asset Trust shall be held, administered and distributed as set forth under this Agreement. After a beneficiary's Personal Asset Trust is established, any further distribution specified to be made to said beneficiary's Personal Asset Trust under any other provisions of this Agreement shall be added to and become a part of said existing Personal Asset Trust, to be held, administered and distributed as if it had been an original part thereof. The Personal Asset Trust may be referred to by either using the name of the beneficiary for whom such trust is created or such other name as is designated by the Trustee. Notwithstanding the foregoing, if the Trustee exercises his or her right to create a separate and distinct Personal Asset Trust for said beneficiary (pursuant to the paragraph of this Agreement entitled "Trustee's Discretion to Hold, Manage and Distribute Separate Trusts in Different Manners"), any further distributions specified to be made to said beneficiary's Personal Asset Trust may, in the Trustee's sole and absolute discretion, instead be partly or entirely made to such newly created Personal Asset Trust.

B. Trustor's Intent in Establishing Personal Asset Trusts: The Trustor's intended purposes in creating a Personal Asset Trust for a beneficiary are as follows:

1. To protect and conserve trust principal;
2. To eliminate and reduce income taxes, generation skipping transfer taxes and estate and death taxes on trust assets and on assets in the estate of the beneficiary;
3. To benefit and provide for the financial needs of the beneficiary and his or her descendants;
4. To protect trust assets and income from claims of and interference from third parties;
5. To invest in non-consumables, such as a principal residence, in order to provide the beneficiary with the liberal use and enjoyment of such property, without charge, rather than make a distribution of trust assets to the beneficiary or purchase them in the name of the beneficiary. It is the Trustor's desire in this regard that the beneficiary, to the extent possible, use his or her own resources to pay for living expenses and consumables in order to reduce the size of such beneficiary's estate subject to estate taxes and claims of third parties;
6. To invest in reasonable business ventures, including business start-ups, where the beneficiary is a principal or otherwise involved in such ventures or start-ups;

7. To give the beneficiary the ability to direct the distribution of wealth (during life or at death) to other individuals or charitable organizations (subject to any limitation provided elsewhere herein);
8. To allow for the prudent management of property if the beneficiary is incapacitated or otherwise unable to handle his or her own financial affairs because of alcohol or drug abuse or other reasons;
9. To protect the beneficiary from the unreasonable or negative influence of others, divorce claims, paternity or maternity suits or claims, and other lawsuits; and
10. To protect the beneficiary against claims of third parties.

C. Duty to Inform Beneficiary of Trust Benefits and Protections: Immediately prior to a Personal Asset Trust being established for a beneficiary hereunder, the then acting Trustee of the Trust shall, if at all practicable, have a private meeting or telephone call with such beneficiary to explain the above stated long-term purposes and benefits of the Personal Asset Trust and to advise such beneficiary how he or she may maintain the benefits and protections that such trust provides. The Trustee is directed to have an attorney assist the Trustee in conducting this meeting or call and the Trustor hereby authorizes the Trustee to employ the services of VACEK & FRBED, PLLC, formerly the Vacek Law Firm, PLLC, for such purpose and waive any potential conflict that may otherwise deter them from acting; however, the Trustee is free to hire any other attorney, provided such attorney is an experienced estate planning specialist.

D. Designation of Trustee: Except for the Personal Asset Trusts created for CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS, each beneficiary for whom a Personal Asset Trust is created shall act as sole Trustee of said trust. ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART shall act as Co-Trustees for the Personal Asset Trusts for CARL HENRY BRUNSTING and CANDACE LOUISE CURTIS. If either ANITA KAY BRUNSTING or AMY RUTH TSCHIRHART cannot serve for any reason, the remaining Co-Trustee shall serve alone. Both ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART shall have the right to appoint their own successor Trustee in writing. Notwithstanding the foregoing, each beneficiary who is acting as his or her own Trustee of his or her said trust shall have the right, at such time as said beneficiary is acting as sole Trustee and in said beneficiary's sole and absolute discretion, to appoint an independent bank or trust company to act jointly with said beneficiary as Co-Trustee of said trust. Said beneficiary shall also have the right, at any time and in said beneficiary's sole and absolute discretion, to remove said independent bank or trust company acting as Co-Trustee provided said beneficiary appoints another independent bank or trust company in its place. The appointment or removal of an independent bank or trust company as Co-Trustee shall be by written instrument delivered to the Co-Trustee. Furthermore, said beneficiary shall have the right to designate by will or other written instrument, either individual(s) or an independent bank or trust company, to act as a

successor Trustee or Co-Trustee(s) in said beneficiary's place, as the case may be, in the event of said beneficiary's death, incompetency, inability or unwillingness to act; but, if said beneficiary is still living, the majority of acting Trustees must be independent within the meaning of Internal Revenue Code Section 674(c) and said beneficiary shall not have the right to remove the successor Trustee or Co-Trustee so designated and appoint another in its place. Should said beneficiary fail to so designate a successor Trustee or Co-Trustees of such trust, then the FROST NATIONAL BANK shall act as successor Trustee, notwithstanding any other provisions contained in the trust agreement. Notwithstanding the foregoing provisions of this paragraph, the ability of said beneficiary to appoint a successor Trustee may be limited as set forth in the Sections of the Trust entitled "Special Co-Trustee Provisions" and "Trust Protector Provisions."

- E. Designation of Trustee for Primary Beneficiary's Issue: Notwithstanding the foregoing, upon attaining age thirty five (35) each of the descendants of a Primary Beneficiary (hereinafter sometimes referred to as "issue") shall act as sole Trustee of the Personal Asset Trust created for such issue. Said issue shall have the right, at such time as said issue is acting as sole Trustee and in said issue's sole and absolute discretion, to appoint an independent bank or trust company to act jointly with said issue as Co-Trustee of said trust. Said issue shall also have the right, at any time and in said issue's sole and absolute discretion, to remove said independent bank or trust company acting as Co-Trustee provided said issue appoints another independent bank or trust company in its place. The appointment or removal of an independent bank or trust company as Co-Trustee shall be by written instrument delivered to the Co-Trustee. Furthermore, said issue shall have the right to designate by will or other written instrument, either individual(s) or an independent bank or trust company, to act as a successor Trustee or Co-Trustee(s) in said issue's place, as the case may be, in the event of said issue's death, incompetency, inability or unwillingness to act; but, if said issue is still living, the majority of acting Trustees must be independent within the meaning of Internal Revenue Code Section 674(c) and said issue shall not have the right to remove the successor Trustee or Co-Trustee so designated and appoint another in its place. Should said issue fail to so designate a successor Trustee or Co-Trustees of such trust, then the FROST NATIONAL BANK shall act as successor Trustee, notwithstanding any other provisions contained in the trust agreement. Notwithstanding the foregoing provisions of this paragraph, the ability of said issue to appoint a successor Trustee may be limited as set forth in the Sections of the Trust entitled "Special Co-Trustee Provisions" and "Trust Protector Provisions."
- F. Administration of Personal Asset Trust: The Personal Asset Trust shall be held, administered and distributed by the Trustee appointed under this Section of the Trust Agreement as follows:
1. Discretionary Distributions of Income and/or Principal: The Trustee, shall have the power, in such Trustee's sole and absolute discretion, binding on all persons interested now or in the future in this trust, to distribute or apply for

the benefit of the beneficiary for whom the trust was created (hereinafter the "primary beneficiary") and the primary beneficiary's issue or to a trust for their benefit, so much of the income and/or principal of the Trust Estate, and at such time or times as such Trustee shall deem appropriate for such distributees' health, support, maintenance and education. Any income not distributed shall be accumulated and added to principal. In exercising the discretions conferred in this paragraph, the Trustee may pay more to or apply more for some beneficiaries to the exclusion of others, if such Trustee deems this necessary or appropriate in light of the circumstances, the size of the Trust Estate and the probable future needs of the beneficiaries. The Trustee shall, before making any such distributions, consider the Trustor's intent in creating the trust, as set forth above in paragraph B.

2. Additional Guidelines for Distributions: In addition to the provisions set forth above for making discretionary distributions of income and/or principal, the Trustee shall be further guided as follows in making such distributions. Any such distributions shall be made in the sole and absolute discretion of the Trustee and shall be binding on all persons howsoever interested now or in the future in this trust.
  - a. Primary Beneficiary's Needs Considered First; Broad Interpretation of "Health, Education, Maintenance and Support": In exercising the discretionary powers to provide benefits under this trust, the Trustee shall take into consideration that the primary purpose in establishing this trust is to provide for the present and future welfare of the primary beneficiary, and secondly, the present and future welfare of the primary beneficiary's issue. Furthermore, the Trustee may take into account any beneficiary's character and habits and his or her willingness and action to support himself or herself in light of his or her particular abilities and disabilities, and the needs of other beneficiaries, if any, of the same trust. Finally, the Trustor requests that the Trustee be liberal in determining the needs of a beneficiary for health, support, maintenance and education and in conferring benefits hereunder. The term "health" need not take into account any private or governmental medical insurance or other medical payments to which a beneficiary may be entitled, and the Trustee may pay for the expense of providing health and medical insurance coverage for the beneficiary. The term "education" may include but is not limited to, all expenses incurred in connection with or by reason of a beneficiary's attendance at public or private elementary or high school, college, university or vocational, technical or other educational institution or specialized training programs (whether or not any such institution or program provider shall be a fully accredited educational institution), graduate or post-graduate education expenses, and all expenses incurred in providing such beneficiary with an education in a non-institutional setting; including,

but not limited to, the expense of travel and charges for tutoring, tuition, room and board (whether or not charged by an educational institution at which such beneficiary shall be a student), laboratory fees, classroom fees, clothing, books, supplies, laboratory or other equipment or tools (including computer hardware and software) or other material or activities that the Trustee shall determine to be of educational benefit or value to such beneficiary. In determining the need for funds for education, the Trustee shall consider all direct and indirect expenses, including living expenses of the beneficiary and those persons who may be dependent upon said beneficiary. The terms "support" and "maintenance" may include but are not limited to investment in a family business, purchase of a primary residence, entry into a business, vocation or profession commensurate with a beneficiary's abilities and interests; recreational or educational travel; expenses incident to marriage or childbirth; and for the reasonably comfortable (but not luxurious) support of the beneficiaries. When exercising the powers to make discretionary distributions from the trust, the Trustee shall maintain records detailing the amount of each distribution made to any beneficiary from trust income and/or principal and the reasons for such distribution. The distributions made to a beneficiary shall not be allocated to or charged against the ultimate distributable share of that beneficiary (unless so provided in the primary beneficiary's exercise of his or her limited power of appointment).

- b. Consider the Situation of the Beneficiary: In determining whether or not it is in the best interest of a beneficiary for any payment to be made to that beneficiary, the Trustee shall consider the financial responsibility, judgment and maturity of such beneficiary, including whether or not, at the time of such determination, such beneficiary: (i) is suffering from any physical, mental, emotional or other condition that might adversely affect the beneficiary's ability to properly manage, invest and conserve property of the value that would be distributed to said beneficiary; (ii) is at such time, or previously has been, a substantial user of or addicted to a substance the use of which might adversely affect the beneficiary's ability to manage, invest and conserve property of such a value; (iii) has demonstrated financial instability and/or inability to manage, invest and conserve the beneficiary's property; or (iv) is going through a period of emotional, marital or other stress that might affect the beneficiary's ability to manage, invest and conserve such property.
- c. Consider Any Written Letter of Instructions from the Trustor: The Trustor may from time to time by written letter or other instrument, not constituting a holographic will or codicil or amendment to any trust, set forth instructions to the Trustee as to how the Trustor wishes the

Trustee's discretion to be exercised. The Trustor recognizes and intends that such instructions shall only be directive in nature and not binding on the Trustee or any beneficiary hereunder; however, the Trustor requests, to the extent possible, that the Trustee be mindful of these instructions when administering the trust.

- d. Loans, Use of Trust Property and Joint Purchases Preferred Over Distributions: The Trustee is directed, prior to making any distributions directly to or for the benefit of a beneficiary, to consider the alternatives of making a loan to the beneficiary, allowing the beneficiary the use of property of the Trust Estate (or such property to be acquired) and/or making a joint purchase of property with the beneficiary, pursuant to the paragraph below entitled "Special Trustee Powers."
  - e. Restrictions on Distributions That Discharge Legal Obligations of a Beneficiary: The primary beneficiary is expressly prohibited from making any distributions from the trust, either as Trustee or under any limited power of appointment, either directly or indirectly, in favor of anyone to whom the primary beneficiary owes a legal obligation, to satisfy, in whole or in part, such legal obligation. Any such distributions may only be made by the Trust Protector.
- G. Primary Beneficiary's Limited Power of Appointment: The primary beneficiary shall have the following Limited Powers of Appointment. During the lifetime of the primary beneficiary, said beneficiary may appoint and distribute the accumulated income and/or principal to any one or more of said beneficiary's issue, either outright or in trust upon such terms and conditions, and in such amounts or proportions as said beneficiary wishes. Upon the death of the primary beneficiary, the Trustee shall distribute any remaining balance, including accumulated income and principal, to any one or more of said beneficiary's issue, either outright or in trust upon such terms and conditions and in such amounts or proportions as said beneficiary shall appoint by said beneficiary's last unrevoked Will, codicil or other written instrument executed prior to said beneficiary's death and specifically referring to this power of appointment. In the event there should be a failure of disposition of all or any portion of said income or principal, either in connection with the exercise or as a result of the nonexercise of the above testamentary limited power of appointment, all of said income and principal not disposed of shall be administered and distributed as set forth below in the paragraph entitled "Final Disposition of Trust." The terms of this paragraph may be limited by the Section of this Trust Agreement entitled "Trust Protector Provisions."
- H. Final Disposition of Trust: If the primary beneficiary for whom the Personal Asset Trust has been created should die before complete distribution of said trust, and the beneficiary's above powers of appointment have not been fully exercised, said trust shall terminate and the remaining principal (including accumulated income added

thereto) in said trust shall be held, administered and distributed for the benefit of the succeeding or contingent beneficiaries named, if any, pursuant to the respective paragraph set forth in Section 3.B. of this Qualified Beneficiary Designation and Exercise of Testamentary Power of Appointment establishing said beneficiary's share as if such beneficiary had been an original part thereof. Any share or portion thereof of any trust administered hereunder which is not disposed of under any of the foregoing provisions (or the provisions of the Article entitled "Trust Protector Provisions") shall be distributed pursuant to the paragraph of the Trust Agreement entitled "Ultimate Distribution."

I. Special Trustee Powers: With respect to each Personal Asset Trust created under this Section, and in addition to or in lieu of the powers and authority granted to the Trustee under any other provisions of the Trust Agreement, during the existence of the Personal Asset Trust and until such time of its termination the Trustee, in his or her sole and absolute discretion, shall have the powers and authority to do the following.

1. Permit Beneficiaries to Use Trust Assets: The Trustor desires that the beneficiaries of the trust be given the liberal use and enjoyment of trust property. To the extent deemed practical or advisable in the sole and absolute discretion of the Trustee, the primary beneficiary (or other beneficiaries) of each trust hereunder may have the right to the use, possession and enjoyment of (a) all of the tangible personal property at any time held by such trust, including but not limited to artwork, jewelry, coin or stamp collections and other collectible assets, and (b) all real property that may at any time constitute an asset of such trust. Such use, possession and enjoyment may be without rent or other financial obligation. To the extent of the trust assets and unless the Trustee is relieved of such obligation by such beneficiary (or beneficiaries), which the Trustee may agree to do, the Trustee shall see to the timely payment of all taxes, insurance, maintenance and repairs, safeguarding and other charges related to the preservation and maintenance of each and every such property. The Trustor requests, but do not require, that any such use, possession or enjoyment by a beneficiary other than the primary beneficiary be subject to veto at any time by the primary beneficiary.

a. Hold and Maintain a Residence for the Use of Beneficiaries: The Trustee is specifically authorized to hold and maintain any residence (whether held as real property, condominium or cooperative apartment) for the use and benefit of any beneficiary of any trust. If the Trustee, in the Trustee's sole and absolute discretion, determines that it would be in the best interests of any beneficiary of any trust to maintain a residence for their use, but that the residence owned by the Trustee should not be used for such purpose, the Trustee is authorized to sell said residence and to apply the net proceeds of the sale to the purchase of such other residence or to make such other arrangements as the Trustee, in such Trustee's sole and absolute discretion, deems suitable

for the purpose. Any proceeds of sale not needed for reinvestment in a residence as provided above shall be added to the principal of the trust and thereafter held, administered and disposed of as a part thereof. The Trustee is authorized to pay all carrying charges of such residence, including, but not limited to, any taxes, assessments and maintenance thereon, and all expenses of the repair and operation thereof, including the employment of domestic servants and other expenses incident to the running of a household for the benefit of any beneficiary of the trust; the Trustee may alternatively provide, by agreement with the beneficiary, that such charges and expenses, or a portion of them, are to be paid by the beneficiary. Having in mind the extent to which funds will be available for future expenditure for the benefit of the beneficiaries, the Trustee is authorized under this paragraph to expend such amounts as such Trustee shall, in his or her sole and absolute discretion, determine to maintain the current lifestyle of the beneficiaries and their personal care and comfort; the Trustor does not, however, desire that the Trustee assist the beneficiaries in maintaining a luxurious lifestyle.

2. Special Investment Authority: Notwithstanding any investment limitations placed on the Trustee under the Trust Agreement or the provisions of any state law governing this trust which may contain limitations such as the prudent investor rule, the Trustee is authorized to make the following types of investments of trust assets:

a. Closely Held Businesses: To continue to hold and operate, to acquire, to make investments in, to form, to sell, or to liquidate, at the risk of the Trust Estate, any closely held partnership, corporation or other business that a beneficiary is involved in as an owner, partner, employee, officer or director, as long as the Trustee deems it advisable. The Trustee shall not be liable in any manner for any loss, should such loss occur, resulting from the retention or investment in such business. In the absence of actual notice to the contrary, the Trustee may accept as correct and rely on financial or other statements rendered by any accountant for any such business. Any such business shall be regarded as an entity separate from the trust and no accounting by the Trustee as to the operation of such business shall be required to be made. The Trustee shall have these powers with respect to the retention and purchase of such business, notwithstanding any rule or law requiring diversification of assets. Additionally, the foregoing shall not be limited by the fact that the Trustee or related parties, or any of them, shall be owners, partners, employees, officers or directors of the business. This paragraph, however, shall not be deemed to be a limitation upon the right of the Trustee to sell the investment in any

business if in the Trustee's sole and absolute discretion such sale is deemed advisable.

- b. Tangible Personal Property: To acquire and/or continue to hold as an asset of the trust such items of tangible personal property as an investment or for the use of a beneficiary, including but not limited to artwork, jewelry, coin or stamp collections and other collectible assets, home furniture and furnishings.
3. Permit Self-Dealing: Financial transactions, both direct and indirect, between any trust and any beneficiary and/or Trustee who is also a beneficiary of that trust (including, for example, the sole or joint purchase, sale or leasing of property, investments in mortgages, acquisitions of life insurance policies, employment in any capacity, lending, etc.), whether or not specifically described in the Trust Agreement as permitted between such parties, except to the extent expressly prohibited hereunder, are expressly authorized, notwithstanding any rule of law relating to self-dealing, provided only that the Trustee, in thus acting either on behalf of or with or for such trust, shall act in good faith to assure such trust receives in such transaction adequate and full consideration in money or money's worth. Furthermore, the Trustee shall have the power to employ professionals or other individuals to assist such Trustee in the administration of any trust as may be deemed advisable (and as more particularly described in the paragraph of the Trust Agreement entitled "Trustee Powers"), notwithstanding such person or entity may be, or is affiliated in business with, any Trustee or beneficiary hereunder. The compensation to which a Trustee who is also a beneficiary is entitled under the Trust Agreement shall not be reduced or offset by any employment compensation paid to such Trustee for services rendered outside the scope of such Trustee's ordinary fiduciary duties and responsibilities, or for reason of receiving sales or other fees or commissions on property sold to the trust by such Trustee (directly or indirectly), which sales are hereby authorized.
4. Make Loans: Loan money to any beneficiary, or to any estate, trust or company in which such person or any trust hereunder has an interest, or had an interest while living, for any purpose whatsoever (including but not limited to purchasing, improving, repairing and remodeling a principal residence or entering into, purchasing or engaging in a trade or business or professional career), with or without security and at such rate of interest as the Trustee shall determine in the exercise of reasonable fiduciary discretion, and, with respect to such loans and/or security interests, to renew, extend, modify and grant waivers. Notwithstanding the foregoing, and without limiting the ability of the Trustee to act in such Trustee's discretion under this paragraph, the Trustor hereby expresses his preference that, whenever economically feasible, any and all loans made pursuant to the provisions of this paragraph be adequately secured and bear interest at least at the higher of the "applicable federal rate"

as set forth by the Internal Revenue Service for loans with similar payment terms and length or a fair market rate for such loans.

5. Take Actions With Respect to Properties and Companies Owned in Common With a Beneficiary or Others: The Trustee is specifically authorized, with or without the joinder of other owners of the property or securities that may be held in trust (and notwithstanding that one or more such other owners may be, directly or indirectly, a beneficiary or a fiduciary hereunder), to enter upon and carry out any plan (a) for the foreclosure, lease or sale of any trust property, (b) for the consolidation or merger, dissolution or liquidation, incorporation or reincorporation, recapitalization, reorganization, or readjustment of the capital or financial structure of any corporation, company or association, the securities of which, whether closely held or publicly traded, may form a part of such trust, or (c) for the creation of one or more holding companies to hold any such securities and/or properties (even if it leaves, following the termination of such trust, a trust beneficiary as a minority shareholder in such holding company), all as such Trustee may deem expedient or advisable for the furtherance of the interests of such trust and the carrying out of the Trustor's original intent as to such trust, its beneficiaries and as to those properties and/or securities. In carrying out such plan, such Trustee may deposit any such securities or properties, pay any assessments, expenses and sums of money, give investment letters and other assurances, receive and retain as investments of such trust any new properties or securities transferred or issued as a result thereof, and generally do any act with reference to such holdings as might be done by any person owning similar securities or properties in his own right, including the exercise of conversion, subscription, purchase or other rights or options, the entrance into voting trusts, etc., all without obtaining authority therefor from any court.
6. Right to Distribute to Entities: Any distribution from the trust, including a distribution upon trust termination (whether made by the Trustee or Trust Protector) may be made directly to an entity, such as a trust, "S" corporation, limited liability company or limited partnership, whether existing or newly created, rather than directly to the beneficiary (and if it is a newly created entity or one in which the Trust Estate holds an interest, the interest in the entity may be distributed to such beneficiary).
7. Trustee's Discretion to Hold, Manage and Distribute Separate Trusts in Different Manners: Without in any manner limiting any other power or right conferred upon the Trustee hereunder, the Trustee may divide a trust into separate trusts, and if a trust is held as, or divided into, separate trusts, the Trustee may, at any time prior to combining such trusts, treat the trusts in substantially different manners, including, without limitation, the right to: (a) make different tax elections (including the disproportionate allocation of the generation skipping tax exemption) with respect to each separate trust; (b)

make disproportionate principal distributions; (c) exercise differently any other discretionary powers with respect to such separate trusts; (d) invest the property of such separate trusts in different investments, having different returns, growth potentials, or bases for income tax purposes; and (e) take any and all other actions consistent with such trusts being separate entities. Furthermore, the holder of any power of appointment with respect to any trust so divided may exercise such power differently with respect to the separate trusts created by the division of a trust.

### TRUST PROTECTOR PROVISIONS

- A. Purpose of Trust Protector: The Trustor has established the position of Trust Protector for the reasons and purposes set forth below, which are intended as general guidelines only and in no way shall limit any other provisions relating to the Trust Protector.
1. Insulate the Trustee from Negative Influences: To protect the Trustee from the negative, or potentially negative, influences of third parties and to protect the Trust Estate and its beneficiaries from damaging, or potentially damaging, conduct by the Trustee.
  2. Carry Out the Purposes of the Trust: To help ensure that the Trustor's purpose in establishing the Trust Agreement, as defined elsewhere herein, will be properly carried out.
  3. Adapt to Changing Laws and Conditions: To adapt the provisions of the Trust Agreement to law changes, changes in interpretation of the law or other changing conditions that threaten to harm the Trust or its beneficiaries, keeping in mind the dispositive wishes of the Trustor and the Trustor's desires as expressed in the Trust Agreement.
- B. Designation of Trust Protector: In addition to the Trustee and Special Co-Trustee provided in the Trust Agreement, there shall, from time to time, be a Trust Protector whose limited powers and duties are defined below. The order of succession of Trust Protector shall be as follows:
1. Initial Trust Protector: The Special Co-Trustee, at any time and in his sole and absolute discretion, may appoint a Trust Protector of the entire Trust or of any separate trust established hereunder (hereinafter the trust for whom a Trust Protector is appointed shall be referred to as "the affected trust") by a writing delivered to the Trustee of the affected trust. The Trustor requests that the Special Co-Trustee, prior to making the appointment, meet (in person or by telephone) with VACEK & FREED, PLLC, formerly the Vacek Law Firm,

PLLC of Houston, Texas, to help ensure the appropriate selection of the initial Trust Protector.

2. Successor Trust Protector: Upon the removal, death, incompetency, inability or unwillingness to act of the initial Trust Protector (including a written resignation delivered to the Trustee of the affected trust), the next succeeding Trust Protector shall be appointed either by the Special Co-Trustee or by the initial Trust Protector (except as limited by paragraph 4 below) in writing delivered to the Trustee of the affected trust (the first such writing delivered to the Trustee shall control). All further successor Trust Protectors shall be appointed in the same manner, except that where the word "initial" is used in the foregoing sentence there shall be substituted the words "last appointed."
3. Qualifications to Act as Trust Protector: A Trust Protector may act once he has accepted, in writing, his appointment and, other than the case of the initial Trust Protector, has delivered a copy of his appointment and acceptance to the last appointed Trust Protector. Notwithstanding the foregoing, at no time may a Trust Protector be appointed or otherwise act if such person or entity is a currently acting Trustee or Special Co-Trustee or is a current beneficiary of the affected trust or is related to any such beneficiary in any of the following ways: as spouse, ancestor or issue, brother, sister, employee of such beneficiary or of any corporation, firm or partnership in which such beneficiary is an executive or has stock or other holdings which are significant from the viewpoint of control, or is otherwise "related or subordinate to" such beneficiary under IRC Sections 674(a) and (c) and the Regulations thereunder or any similar succeeding Sections or Regulations.
4. Removal of Trust Protector: The primary beneficiaries of the affected trust may by majority vote, and at any time and for any reason, remove the current Trust Protector by delivering to said Trust Protector and to the Special Co-Trustee a signed instrument setting forth the intended effective time and date of such removal. The Special Co-Trustee shall then appoint a successor Trust Protector in accordance with paragraph 2 above (the Trust Protector removed shall no longer have the power under paragraph 2 to appoint his successor). The powers of removal under this paragraph may be limited by the paragraph of the Trust Agreement entitled "Compelled Exercise of Powers Not Effective."
5. Temporarily Filling a Trust Protector Vacancy: If at any time a vacancy in the office of Trust Protector has not yet been filled as otherwise provided above (including the time before the initial Trust Protector is appointed), such office may be filled promptly, on a temporary basis, by a bank or trust company experienced in trust administration or an attorney (or law firm) who is an experienced tax and/or estate planning specialist provided they meet the qualifications set forth in paragraph 3 above. The Trustor requests, but do not

require, that VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, or its successors or assigns, act as such temporary Trust Protector and the Trustor hereby waives any conflict of interest that may arise if VACEK & FREED, PLLC, or its successors or assigns, is also representing the Trustee of the affected trust and/or the Trustor. Any Trust Protector acting under this paragraph shall first notify the Trustee of the affected trust and only serve as Trust Protector until such time as a successor Trust Protector is appointed by the Special Co-Trustee in accordance with paragraph 2 above and there is delivered to the Trust Protector acting under this paragraph a written acceptance of such appointment signed by the successor Trust Protector.

C. Limited Powers of the Trust Protector: The Trust Protector shall not have all the broad powers of a Trustee; rather, the powers of the Trust Protector shall be limited to the powers set forth below. The Trustor directs the Trust Protector, prior to exercising any power, to consult with VACEK & FREED, PLLC, formerly the Vacek Law Firm, PLLC, or another law firm or attorney specializing in estate planning and/or asset protection planning in order to be fully informed of the consequences of exercising such power.

1. Give Advance Notice to Affected Beneficiaries: Within a reasonable time prior to the exercise of any power under this paragraph C, the Trust Protector shall provide to the Trustee and the primary beneficiary or beneficiaries of the affected trust a written notice, setting forth the power intended to be exercised, the intended date of exercise and the reasons for exercise. The Trust Protector shall, in his sole and absolute discretion, determine what is "a reasonable time," as the Trustor recognizes that emergency situations may arise which may permit little or no time for advance notice or, as a practical matter, it may be too difficult to notify the beneficiary; the Trustor specifically waives this advance notice requirement when the particular beneficiary is "incapacitated" as defined below. Once notice is given, the Trust Protector shall not exercise the power prior to the date specified in the notice, unless the Trust Protector in his sole and absolute discretion determines that an emergency so warrants.

A person shall be deemed "incapacitated" if in the Trustee's sole and absolute discretion, it is impracticable for said person to give prompt, rational and prudent consideration to financial matters, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause.

A person shall be conclusively deemed "incapacitated" if a guardian of the person or his or her estate, or both, has been appointed by a court having jurisdiction over such matters or two (2) licensed physicians who are not related by blood or marriage to such person have examined said person and stated in writing that such incapacity exists; the Trust Protector may, but shall not be under any duty to, institute any inquiry into a person's possible

incapacity (such as, but not limited to, by drug testing) or to obtain physician statements; and if he does, then the expense may be paid from the Trust Estate of said person's trust.

2. Postpone Distributions: Notwithstanding any other provisions of the Trust Agreement, except the paragraph herein entitled "Rule Against Perpetuities," the Trust Protector shall have the power to postpone any distribution of income and/or principal otherwise required to be made from the affected trust to any one or more of its beneficiaries (including as the result of exercise of a power of appointment or withdrawal right) and to postpone the termination of such trust which might otherwise be required if the Trust Protector, in his or her sole and absolute discretion, determines, after taking into consideration the Trustor's overall intent as expressed in the Trust Agreement, that there is a compelling reason to do so.

A "compelling reason" may include but is not limited to: the beneficiary requesting in writing that distributions be retained by the trust; the beneficiary being "incapacitated" as defined in paragraph 1 immediately above; the beneficiary contemplating, or in the process of filing for or has a pending bankruptcy; a pending or threatened divorce, paternity or maternity claim or other lawsuit; a creditor claim (including for unpaid taxes or reimbursement of government benefits); an existing judgment or lien; the fact the beneficiary is receiving (or may in the near future receive) government or other benefits that may be jeopardized; the beneficiary having demonstrated financial instability and/or inability to manage, invest or conserve the beneficiary's own property; the beneficiary being under the negative influence of third parties, such that the beneficiary's good judgement may be impaired; a serious tax disadvantage in making such distribution; or any other substantially similar reasons.

Any such postponement of distribution or termination may be continued by the Trust Protector, in whole or in part and from time to time, up to and including the entire lifetime of the beneficiary. While such postponement continues, all of the other provisions previously applicable to such trust shall continue in effect, except (a) any power of appointment or withdrawal shall be exercisable only with the approval of the Trust Protector and (b) distributions of income and/or principal shall only be made to or for the benefit of the beneficiary from time to time and in such amounts as the Trust Protector, in his or her sole and absolute discretion, deems appropriate for the best interests of the beneficiary; provided, however, the Trust Protector may, in his or her sole and absolute discretion, determine that the beneficiary's situation is extreme enough to warrant the establishment of a special needs trust pursuant to other provisions of this Section of the Trust Agreement.

The Trust Protector may also, from time to time, make certain distributions which cannot be made by the primary beneficiary because of limits imposed in this Section entitled "Restrictions on Distributions That Discharge Legal Obligations of the Beneficiary."

3. Terminate a Trust Due to Unforeseen Conditions: The Trustor recognizes that some or all of the following conditions may arise in the future, although they cannot be foreseen at the time of creation of this Trust: (a) a radical, substantial and negative change in the political, economic or social order in the United States of America; (b) legislation or IRS or court decisions highly detrimental to a trust or beneficiary hereunder (including, for example, if the federal estate tax or IRA required minimum distribution rules are modified, repealed or no longer applicable and the non-tax reasons for the trust no longer justify the trust's existence); (c) a beneficiary's capability to prudently manage his own financial affairs or a radical, positive change in his situation regarding possible third party claims; (d) a beneficiary no longer has a need for (or the availability of) government benefits; and (e) other events that may greatly impair the carrying out of the intent and purposes of the Trust Agreement.

If any of the foregoing conditions occur, the Trust Protector may, in addition to the other powers granted him or her, in his sole and absolute discretion, and keeping in mind the Trustor's wishes and dispositive provisions of the Trust Agreement, terminate the affected trust, or a portion thereof, and distribute same to or for the benefit of the primary beneficiary thereof (notwithstanding any other provisions of the Trust Agreement), or to a newly created or existing Personal Assct Trust for that beneficiary.

4. Revise or Terminate a Trust So It Can Qualify as a "Designated Beneficiary" of an IRA or Retirement Plan: In the event that the affected trust does not qualify as a "designated beneficiary" of an IRA or other retirement plan as that term is used in IRC Section 401(a)(9), the Regulations thereunder and any successor Section and Regulations, the Trust Protector may, keeping in mind the Trustor's wishes and the dispositive provisions of the Trust Agreement: (a) revise or reform the terms of the Trust Agreement in any manner so that the affected trust will qualify as a "designated beneficiary" (any such revision or reformation may by its terms apply retroactively to the inception of the Trust Agreement or creation of any separate trust established hereunder); or (b) deem it to have been dissolved in part or in whole as of September 30 of the year following the year of the Trustor's death, with fee simple interest vesting outright in the primary beneficiary and the rights of all other persons who might otherwise have an interest as succeeding life income beneficiaries or as remaindermen shall cease.

If the beneficiary is still a minor, the Trustee may designate a custodian and transfer the principal and accrued income of the beneficiary's trust to the

custodian for the benefit of the minor under the Texas Uniform Transfers to Minors Act until such beneficiary attains age 21. A receipt from the custodian shall be a complete discharge of the Trustee as to the amount so paid.

Notwithstanding any provisions of the Trust Agreement to the contrary, after the Trustor's death this Trust or any separate trust established hereunder shall not terminate and be distributed in full prior to September 30 of the year following the year of the Trustor's death pursuant to this paragraph if this will result in this Trust or any separate trust established hereunder not qualifying as a "designated beneficiary."

5. Modify Certain Other Trust Provisions: The Trust Protector shall have the power, in his or her sole and absolute discretion, at any time and from time to time, to delete, alter, modify, amend, change, add to or subtract from all or any part of the various paragraphs and provisions of the Trust Agreement and any trust created thereunder, effective (even retroactively) as of the date determined by the Trust Protector, for the following purposes.
  - a. Change Income Tax Treatment of the Trust: The Trust Protector may, at any time, and from time to time, create, terminate and/or reinstate a power granted to a beneficiary, either prospectively or retroactively, enabling trust income to be income taxable to a beneficiary, even as income accumulates in the trust, if the Trust Protector deems this to be in the best interests of the affected trust and its beneficiaries.
  - b. Protect a Disabled Beneficiary's Government Benefit by Establishing a Special Needs Trust: The Trust Protector may take any such actions he or she deems appropriate or necessary in connection with a beneficiary's qualification for, receipt of and/or possible future liability to reimburse government benefits (whether income, medical, disability or otherwise) from any agency (state, federal or otherwise), such as but not limited to Social Security, Medicaid, Medicare, SSI and state supplemental programs. In particular, but not by way of limitation, the Trust Protector may add new trust provisions to govern administration and distribution of assets for the benefit of the beneficiary (such as would create a "special needs trust").
  - c. Protect a Beneficiary from Himself or from Creditors by Establishing a Spendthrift Trust or Eliminating Any General Power of Appointment: In the event there is a compelling reason to postpone distributions to a beneficiary pursuant to the paragraph of this Section entitled "Postpone Distributions," the Trust Protector may alternatively, in his or her sole discretion, add new trust provisions to govern administration and distribution of assets for the benefit of said beneficiary (such as would create a "spendthrift trust" in the form recognized by the laws of the

state(s) in which trust assets are located). Furthermore, the Trust Protector may, in his or her sole discretion, in order to protect the beneficiaries of a Trust beneficiary, terminate and/or reinstate said Trust beneficiary's testamentary general power of appointment, if any, under the Section of this Trust Agreement entitled "Generation Skipping Tax Provisions."

6. Change Legal Jurisdiction of the Trust: The Trust Protector may change the situs of the affected trust to another jurisdiction by any such means deemed appropriate by the Trust Protector. This paragraph shall in no way limit the Trustee's power and authority to change the situs of this Trust or any separate trust established hereunder.
7. Remove and Reinstate a Trustee: The Trust Protector shall have the power at any time to remove the acting Trustee of the affected trust (but not the Special Co-Trustee) for any reason which he believes to be in the best interests of the beneficiaries. Such removal shall be stated in writing and delivered to the Trustee. The successor Trustee shall then be determined and appointed in accordance with the Section of the Trust Agreement entitled "Successor Trustees." At any time after the Trust Protector removes a Trustee, the Trust Protector may reinstate the previously removed Trustee and the order of successor Trustees shall be thereafter determined as if such reinstated Trustee was never removed.
8. Eliminate Own Powers: The Trust Protector shall have the power, on his own behalf and/or on behalf of all successor Trust Protectors, to release, renounce, suspend, reduce, limit and/or eliminate any or all of his enumerated powers and to make the effective date any date he wishes, including ab initio to the date of establishment of a trust hereunder or retroactively to the date of death of the Trustor, by a writing delivered to the Trustee of the affected trust.
9. Limitations on Above Powers: The Trust Protector may not exercise any power if he is compelled by a court or other governmental authority or agency to do so or is otherwise acting under the duress or undue influence of an outside force; if the Trust Protector is so compelled, or under such duress or influence, his powers shall become void prior to exercise; these limitations are in addition to those contained in the paragraph of the Trust Agreement entitled "Compelled Exercise of Powers Not Effective." The Trust Protector is directed not to exercise any of the foregoing powers if such exercise will result in any substantial, direct or indirect financial benefit to anyone who at the time of exercise is not an ancestor, spouse or issue of a primary beneficiary or is not already a present or contingent beneficiary of this Trust. The Trust Protector shall not exercise any power that may be construed as a general power of appointment to himself, his creditors, his estate or the creditors of his estate under IRC Sections 2041 and 2514, or that would otherwise cause the

inclusion of any of the Trust Estate in the Trust Protector's taxable estate for estate, inheritance, succession or other death tax purposes.

- D. Limited Liability of the Trust Protector: The Trust Protector shall not be held to the fiduciary duties of a Trustee. The Trust Protector shall not be liable to anyone, howsoever interested in this Trust either now or in the future, merely by reason of his appointment as Trust Protector and shall not have any affirmative duty to monitor, investigate and learn of any circumstances or acts or omissions of others, relating to this Trust, its beneficiaries or otherwise that may warrant the Trust Protector to act. Furthermore, the Trust Protector shall not be liable to anyone, howsoever interested in this Trust either now or in the future, by reason of any act or omission and shall be held harmless by the Trust and its beneficiaries and indemnified by the Trust Estate from any liability unless (a) the Trustee and/or a beneficiary has brought directly to the attention of the Trust Protector a circumstance that may warrant his action and (b) such act or omission is the result of willful misconduct or bad faith. Any action taken or not taken in reliance upon the opinion of legal counsel shall not be considered the result of willful misconduct or bad faith, provided such counsel was selected with reasonable care. In the event a lawsuit against the Trust Protector fails to result in a judgment against him, the Trust Protector shall be entitled to reimbursement from the Trust for any and all costs and expenses related to his defense against such lawsuit.
- E. Compensation: The Trust Protector shall not be entitled to compensation merely as the result of his appointment. The Trust Protector shall only be entitled to reasonable compensation for his actual time spent and services rendered in carrying out his duties and powers hereunder, at the hourly rate commensurate with that charged by professional Trustees for similar services. The Trust Protector shall, in addition, be entitled to prompt reimbursement of expenses properly incurred in the course of fulfilling his duties and powers, including but not limited to the employment of legal counsel or other professionals to advise him regarding his decisions.
- F. Waiver of Bond: No bond shall be required of any individual or entity acting as Trust Protector.

#### MISCELLANEOUS PROVISIONS

- A. Prohibition Against Contest: If any devisee, legatee or beneficiary under the Trust Agreement or any amendment to it, no matter how remote or contingent such beneficiary's interest appears, or any legal heir of the Trustor, or either of them, or any legal heir of any prior or future spouse of the Trustor (whether or not married to the Trustor at the time of the Trustor's death), or any person claiming under any of them, directly or indirectly does any of the following, then in that event the Trustor specifically disinherits each such person, and all such legacies, bequests, devises and interests given to that person under the Trust Agreement or any amendment to it shall be forfeited and shall be distributed as provided elsewhere herein as though he or she had predeceased the Trustor without issue:

1. unsuccessfully challenges the appointment of any person named as a Trustee, Special Co-Trustee or Trust Protector pursuant to the Trust Agreement or any amendment to it, or unsuccessfully seeks the removal of any person acting as a Trustee, Special Co-Trustee or Trust Protector;
2. objects in any manner to any action taken or proposed to be taken in good faith by the Trustee, Special Co-Trustee or Trust Protector pursuant to the Trust Agreement or any amendment to it, whether the Trustee, Special Co-Trustee or Trust Protector is acting under court order, notice of proposed action or otherwise, and said action or proposed action is later adjudicated by a court of competent jurisdiction to have been taken in good faith;
3. objects to any construction or interpretation of the Trust Agreement or any amendment to it, or the provisions of either, that is adopted or proposed in good faith by the Trustee, Special Co-Trustee or Trust Protector, and said objection is later adjudicated by a court of competent jurisdiction to be an invalid objection;
4. claims entitlement to (or an interest in) any asset alleged by the Trustee to belong to the Trustor's estates (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise), whether such claim is based upon a community or separate property right, right to support or allowance, a contract or promise to leave something by will or trust (whether written or oral and even if in exchange for personal or other services to the Trustor), "quantum meruit," constructive trust, or any other property right or device, and said claim is later adjudicated by a court of competent jurisdiction to be invalid;
5. files a creditor's claim against the assets of the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise) and such claim is later adjudicated by a court of competent jurisdiction to be invalid;
6. anyone other than the Trustor attacks or seeks to impair or invalidate (whether or not any such attack or attempt is successful) any designation of beneficiaries for any insurance policy on the Trustor's life or any designation of beneficiaries for any bank or brokerage account, pension plan, Keogh, SEP or IRA account, employee benefit plan, deferred compensation plan, retirement plan, annuity or other Will substitute of the Trustor;
7. in any other manner contests this Trust or any amendment to it executed by the Trustor (including its legality or the legality of any provision thereof, on the basis of incapacity, undue influence, or otherwise), or in any other manner,

attacks or seeks to impair or invalidate this Trust, any such amendment or any of their provisions;

8. conspires with or voluntarily assists anyone attempting to do any of the above acts;
9. refuses a request of the Trustee to assist in the legal defense against any of the above actions.

Expenses to legally defend against or otherwise resist any above contest or attack of any nature shall be paid from the Trust Estate as expenses of administration. If, however, a person taking any of the above actions is or becomes entitled to receive any property or property interests included in the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise), then all such expenses shall be charged dollar-for-dollar against and paid from the property or property interests that said person would be entitled to receive under the Trust Agreement or the Trustor's Will, whether or not the Trustee (or Executor under the Trustor's Will) was successful in the defense against such person's actions.

The Trustor cautions the Trustee against settling any contest or attack or any attempt to obtain an adjudication that would interfere with the Trustor's estate plan and direct that, prior to the settlement of any such action short of a trial court judgment or jury verdict, the Trustee seek approval of any such settlement from the appropriate court having jurisdiction over this Trust by way of declaratory judgment or any other appropriate proceeding under applicable Texas law. In ruling on any such petition for settlement, the Trustor requests the Court to take into account the Trustor's firm belief that no person contesting or attacking the Trustor's estate plan should take or receive any benefit from the Trust Estate or from the Trustor's estate (whether passing through the Trustor's probate estate, or by way of operation of law or through the Trustor's Living Trust, IRA Inheritance Trust, if any, or otherwise) under any theory and, therefore, no settlement should be approved by the Court unless it is proved by clear and convincing evidence that such settlement is in the best interest of the Trust Estate and the Trustor's estate plan.

In the event that any provision of this Section is held to be invalid, void or illegal, the same shall be deemed severable from the remainder of the provisions in this paragraph and shall in no way affect, impair or invalidate any other provision in this paragraph. If such provision shall be deemed invalid due to its scope and breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

The provisions of this paragraph shall not apply to any disclaimer (or renunciation) by any person of any benefit (or right or power) under the Trust Agreement or any amendment to it.

B. Compelled Exercise of Powers Not Effective: It is the Trustor's intent that the terms of the Trust Agreement be carried out free from outside interference. Therefore, notwithstanding any other provisions of the Trust Agreement, the purported exercise of any power granted under the Trust Agreement, whether by a Trustee, Special Co-Trustee, Trust Protector or a beneficiary, including a power of appointment, withdrawal, substitution or distribution, shall be of no force and effect if such purported exercise was the result of compulsion. The purported exercise of a power shall be deemed to be the result of compulsion if such exercise is (i) in response to or by reason of any order or other direction of any court, tribunal or like authority having jurisdiction over the individual holding the power, the property subject to the power or the trust containing such property or (ii) the result of an individual not acting of his or her own free will. An individual's agent may not exercise a power given to such individual under the Trust Agreement if such purported exercise is in response to or by reason of any such order or direction unless the order or direction was obtained by the agent in a proceeding in which the agent was the moving party or voluntarily acquiesced. Notwithstanding the above, if a Trustee's failure to exercise a power or to acquiesce in a beneficiary's exercise of a power may result in exposing a Trustee to serious personal liability (such as contempt of court or other sanctions), a Trustee may: (a) withdraw and permit the Special Co-Trustee to act instead in relation to such purported exercise of a power; (b) if the Special Co-Trustee would also be exposed to such liability, then the Trustee may notify the Trust Protector who may, in his discretion, act if permitted under the Trust Agreement; or (c) if neither the Special Co-Trustee nor the Trust Protector acts, then the Trustee may exercise or acquiesce in a beneficiary's exercise of a power.

C. Creditor's Rights – Spendthrift Provisions: Subject to the express grant herein of certain rights to withdraw or substitute assets and/or powers of appointment, if any, no beneficiary under the trusts created herein shall assign, transfer, alienate or convey, anticipate, pledge, hypothecate or otherwise encumber his or her interest in principal or income hereunder prior to actual receipt. To the fullest extent permitted by law:

(1) neither the principal of these trusts nor any income of these trusts shall be liable for any debt of any beneficiary, any beneficiary's spouse, ex-spouse or others, or be subject to any bankruptcy proceedings or claims of creditors of said persons (including said persons' spouses or ex-spouses), or be subject to any attachment, garnishment, execution, lien, judgment or other process of law; (2) no interest of any beneficiary shall be subject to claims of alimony, maternity, paternity, maintenance or support; and (3) no power of appointment or withdrawal or substitution shall be subject to involuntary exercise. Should the Trustee so desire, the Trustee may as a condition precedent, withhold payments of principal or interest under this Trust until personal order for payment is given or personal receipt furnished by each such beneficiary as to his or her share. The Trustee may, alternatively in the Trustee's sole and absolute discretion, deposit in any bank designated in writing by a beneficiary to his or her credit, income or principal payable to such beneficiary. The

Trustee may, alternatively in the Trustee's sole and absolute discretion, hold and accumulate any income and/or principal so long as it may be subject to the claims, control or interference of third parties, up to and until the beneficiary's death, at which time it shall be distributed in accordance with the beneficiary's exercise of his or her power of appointment, if any, and/or pay to or for the benefit of the beneficiary only such sums as the Trustee deems necessary for said beneficiary's reasonable health, support, maintenance and education.

- D. Trustee Power to Determine Principal and Income: The Trustee shall determine what is principal or income of the Trust Estate, and apportion and allocate any and all receipts and expenses between these accounts, in any manner the Trustee determines, regardless of any applicable state law to the contrary including any Principal and Income Act of Texas, or similar laws then in effect. In particular (but not by way of limitation), the Trustee shall have sole and absolute discretion to apportion and allocate all receipts and expenses between principal and income in whole or in part, including the right to: allocate capital gains; elect whether or not to set aside a reserve for depreciation, amortization or depletion, or for repairs, improvement or upkeep of any real or personal property, or for repayments of debts of the Trust Estate; and charge Trustee's fees, attorney's fees, accounting fees, custodian fees and other expenses incurred in the collection, care, management, administration, and protection of the Trust Estate against income or principal, or both. The exercise of such discretion shall be conclusive on all persons interested in the Trust Estate. The powers herein conferred upon the Trustee shall not in any event be so construed as allowing an individual to exercise the Trustee's sole and absolute discretion except in a fiduciary capacity.
- E. Broad Trustee Power to Invest: It is the Trustor's express desire and intention that the Trustee shall have full power to invest and reinvest the Trust Estate without being restricted to forms and investments that the Trustee may otherwise be permitted to make by law. The Trustee is empowered to invest and reinvest all or any part of the Trust Estate in such property as the Trustee in his discretion may select including but not limited to bank accounts, money market funds, certificates of deposit, government bonds, annuity contracts, common or preferred stocks, closely held businesses, shares of investment trusts and investment companies, corporate bonds, debentures, mortgages, deeds of trust, mortgage participations, notes, real estate, put and call options, commodities, commodities futures contracts and currency trading. When selecting investments, the Trustee may take into consideration the circumstances then prevailing, including but not limited to the general economic conditions and the anticipated needs of the Trust Estate and its beneficiaries, the amount and nature of all assets available to beneficiaries from sources outside the Trust and the beneficiaries' economic circumstances as a whole, and shall exercise the judgment that a reasonable person would if serving in a like capacity under the same circumstances and having the same objectives. In addition to the investment powers conferred above, the Trustee is authorized (but not directed) to acquire and retain investments not regarded as traditional for trusts, including investments that would

be forbidden by the “prudent person” (or “prudent investor”) rule. In making investments, the Trustee may disregard any or all of the following factors: (i) whether a particular investment, or the trust investments collectively, will produce a reasonable rate of return or result in the preservation of principal; (ii) whether the acquisition or retention of a particular investment, or the trust investments collectively, is consistent with any duty of impartiality as to the different beneficiaries (the Trustor intends no such duty shall exist); (iii) whether the trust is diversified (the Trustor intends that no duty to diversify shall exist); and (iv) whether any or all of the trust investments would traditionally be classified as too risky or speculative for trusts (the Trustor intends the Trustee to have sole and absolute discretion in determining what constitutes acceptable risk and what constitutes proper investment strategy). The Trustor’s purpose in granting the foregoing broad authority is to modify the prudent person rule insofar as the rule would prohibit an investment or investments because of one or more factors listed above, or any other factor relating to the nature of the investment itself. Accordingly, the Trustee shall not be liable for any loss in value of an investment merely because of the nature, class or type of the investment or the degree of risk presented by the investment, but shall be liable if the Trustee fails to meet the “reasonable person” standard set forth above or if the Trustee’s procedures in selecting and monitoring the particular investment are proven by affirmative evidence to have been negligent, and such negligence was the proximate cause of the loss.

F. Special Co-Trustee Provisions: Notwithstanding anything in the Trust Agreement to the contrary, the powers, duties or discretionary authority granted hereunder to any Trustee shall be limited as follows:

1. Prohibited and Void Trustee Powers: Except where a beneficiary shall act as sole Trustee of his or her share, or unless limited by an ascertainable standard as defined in Code Section 2041, no Trustee shall participate in the exercise of any discretionary authority to allocate receipts and expenses to principal or income, any discretionary authority to distribute principal or income, or any discretionary authority to terminate any trust created hereunder, if distributions could then be made to the Trustee or the Trustee has any legal obligation for the support of any person to whom distributions could then be made. Any other power, duty or discretionary authority granted to a Trustee shall be absolutely void to the extent that either the right to exercise such power, duty or discretionary authority or the exercise thereof shall in any way result in a benefit to or for such Trustee which would cause such Trustee to be treated as the owner of all or any portion of any of the trusts created herein for purposes of federal or state income tax, gift, estate or inheritance tax laws, or cause any disclaimer of an interest or benefit hereunder to be disqualified under Code Section 2518. Notwithstanding the foregoing, a beneficiary serving as Trustee may have and exercise a power, duty or discretionary authority that causes any Personal Asset Trust created hereunder to be a grantor trust with said beneficiary being treated as the owner for income tax purposes.

Notwithstanding the foregoing, this paragraph shall not apply during the lifetime of the Trustor, nor shall it apply when the exercise of any power, duty, or discretionary authority relates to any provisions herein directed towards preserving the trust estate for beneficiaries named in the Trust Agreement in the event the Trustor should require long-term health care and/or nursing home care. Should a Trustee be prohibited from participating in the exercise of any power, duty, or discretionary authority, or should a power, duty or discretionary authority granted to a Trustee be absolutely void, as a result of the foregoing, then such power, duty or discretionary authority may be exercised in accordance with the following paragraphs.

2. Exercise of Power by an Existing Independent Co-Trustee: In the event that the right to exercise or the exercise of any power, duty or discretionary authority is prohibited or void as provided above, or is prohibited elsewhere in this Trust Agreement with respect to "incidents of ownership" of life insurance, or the Special Co-Trustee is given any other powers or authority under this paragraph "Special Co-Trustee Provisions," the remaining Co-Trustee, if any, shall have the right to exercise and may exercise said power, duty or discretionary authority, provided the Co-Trustee is independent within the meaning set forth in Section 674(c) of the Code, or any successor statute or regulations thereunder.
3. Exercise of Power if No Existing Independent Co-Trustee: In the event there is no independent Co-Trustee capable of exercising any power, duty or discretionary authority which is prohibited or void as provided above, or which is given to the Special Co-Trustee elsewhere herein, then the following procedure shall apply:
  - a. Appointment of Special Co-Trustee: The next succeeding, Trustee or Co-Trustees, as the case may be, of the Trust (or, if only a particular, separate trust created under this Trust Agreement is affected by the exercise of such power, duty or authority, then the next succeeding Trustee or Co-Trustees of said separate trust) who is not disqualified under paragraph "2" above, shall serve as Special Co-Trustee of the Trust herein created.
4. Protect the Trust Estate by Appointment and Removal of an Independent Co-Trustee: In addition to any other powers granted to the Special Co-Trustee under the Trust Agreement, in the event that the Special Co-Trustee named above, in his sole and absolute discretion, determines that it is necessary in order to protect the Trust Estate and/or the Trustee and/or the beneficiaries of any trust established under the Trust Agreement from the negative influence of outside third parties, including but not limited to a spouse or creditors, then the Special Co-Trustee may appoint a Co-Trustee (to immediately act with the then existing Trustee) who is independent from the party to be protected within

the meaning set forth in IRC Section 674(c). The Special Co-Trustee may appoint himself to act as such Co-Trustee if he is independent within the meaning of IRC Section 674(c). In addition, if the Special Co-Trustee, in his sole and absolute discretion, determines that it is no longer necessary for an independent Co-Trustee to act in order to protect the Trust Estate and/or the Trustee and/or the beneficiaries from the negative influence of outside third parties, including but not limited to a spouse or creditors, then the Special Co-Trustee may remove any independent Co-Trustee whom was either appointed by another acting Trustee of the Trust pursuant to other provisions of the Trust Agreement (if any) or appointed by the Special Co-Trustee, and shall not be required to replace such removed independent Co-Trustee with another.

5. Limited Responsibilities of Special Co-Trustee: The responsibilities of the Special Co-Trustee shall be limited to the exercise of the Trustee power, duty or discretionary authority prohibited or void as provided in the Trust Agreement, and the Special Co-Trustee powers regarding the appointment and removal of an independent Co-Trustee as permitted above, and appointment of a Trust Protector as permitted in the Section of the Trust Agreement entitled "Trust Protector Provisions," and said Special Co-Trustee shall not be concerned with, nor shall have, any power, duty or authority with respect to any other aspects of administration of the Trust Estate.
6. Limited Liability of the Special Co-Trustee: The Special Co-Trustee shall not be held to the fiduciary duties of a Trustee. The Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust, merely by reason of his appointment as Special Co-Trustee and shall not have any affirmative duty to monitor, investigate and learn of any circumstances or acts or omissions of others, relating to this Trust, its beneficiaries or otherwise that may warrant the Special Co-Trustee to act. The Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust either now or in the future, for failing to properly or timely appoint a Trust Protector or to properly or timely advise a Trust Protector of any circumstances or facts that might impact a Trust Protector's decisions. Furthermore, the Special Co-Trustee shall not be liable to anyone, howsoever interested in this Trust, by reason of any act or omission and shall be held harmless by the Trust and its beneficiaries and indemnified by the Trust Estate from any liability unless (a) the Trustee and/or a beneficiary has brought directly to the attention of the Special Co-Trustee a circumstance that may warrant his action and (b) such act or omission is the result of willful misconduct or bad faith. Any action taken or not taken in reliance upon the opinion of legal counsel shall not be considered the result of willful misconduct or bad faith, provided such counsel was selected with reasonable care and in good faith. In the event a lawsuit against the Special Co-Trustee fails to result in a judgment against him, the Special Co-Trustee shall be entitled to reimbursement from the Trust for any and all costs and expenses related to his defense against such lawsuit.

7. Compensation: The Special Co-Trustee shall not be entitled to compensation merely as the result of his appointment. The Special Co-Trustee shall only be entitled to reasonable compensation for his actual time spent and services rendered in carrying out his duties and powers hereunder, at the hourly rate commensurate with that charged by professional Trustees for similar services. The Special Co-Trustee shall, in addition, be entitled to prompt reimbursement of expenses properly incurred in the course of fulfilling his duties and powers, including but not limited to the employment of legal counsel or other professionals to advise him regarding his decisions.
8. Waiver of Bond: No bond shall be required of any individual or entity acting as Special Co-Trustee.

### GENERATION SKIPPING TAX PROVISIONS

Article XIV, Section R of the said Trust entitled "Generation Skipping Transfers" is hereby amended so that from henceforth Article XIV, Section R is replaced in its entirety with the provisions which follow.

- A. Explanation of this Section: The purpose of this Section of the Trust Agreement and the desire of the Trustor is to eliminate or reduce the burden on the Trustor's family and issue resulting from the application of the federal generation skipping transfer tax under Chapter 13 of the Code, including any future amendments thereto (hereinafter referred to as the "GST Tax"). The Trustor directs the Trustee and any court of competent jurisdiction to interpret the provisions of this Section in accordance with the Trustor's desires stated above, since the Trustor, when creating this Trust, is aware that the provisions of said GST Tax are very complex and as yet there are few court rulings to aid in their interpretation. The Trustor requests that, before the Trustee or any beneficiary acts in accordance with the provisions of this Section, they seek professional advice from an attorney who specializes in estate planning, in order that they may avoid any unintentional triggering of negative GST Tax consequences.
- B. Allocation of Trustor's GST Tax Exemptions: The Trustee (or such other person or persons whom Code provisions, Treasury Regulations or court rulings authorize to make elections or allocations with regard to the Trustor's GST Tax exemptions) is instructed to allocate such exemptions in good faith, without a requirement that such allocation be proportionate, equal or in any particular manner equitably impact any or all of the various transferees or beneficiaries of property subject to or affected by such allocations. When allocating such exemptions, the Trustee may include or exclude any property of which the Trustor is the transferor for GST Tax purposes, including property transferred before the Trustor's death, and may take into account prior transfers, gift tax returns and other relevant information known to the Trustee. It is recommended that, to the extent possible, any such trust allocated an inclusion ratio of zero shall contain any and all Roth IRAs. The Trustee is also directed, when allocating Trustor's GST Tax exemptions, to coordinate with the Executor of Trustor's estate and/or the Trustee of Trustor's revocable Living Trusts regarding the

most appropriate use of said exemption; however, the Trustee's final determination shall be made in his or her sole and absolute discretion and shall be binding upon all parties howsoever interested in this Trust.

1. Trustee's Power to Combine and Divide Trusts: If a trust hereunder would be partially exempt from GST Tax by reason of an allocation of GST Tax exemption to it, before the allocation the Trustee in his discretion may divide the trust into two separate trusts of equal or unequal value, to permit allocation of the exemption solely to one trust which will be entirely exempt from GST Tax. The Trustee of any trust shall have authority, in the Trustee's sole discretion, to combine that trust with any other trust or trusts having the same exempt or nonexempt character, including trusts established (during life or at death) by the Trustor or any of his issue; and the Trustee may establish separate shares in a combined trust if and as needed to preserve the rights and protect the interests of the various beneficiaries if the trusts being combined do not have identical terms or if separate shares are otherwise deemed desirable by the Trustee. These powers to combine and divide trusts may be exercised from time to time, and may be used to modify or reverse their prior exercise. In deciding whether and how to exercise this authority the Trustee may take account of efficiencies of administration, generation-skipping and other transfer tax considerations, income tax factors affecting the various trusts and beneficiaries (including determination of life expectancy to be used for Retirement Assets required minimum distribution purposes), the need or desirability of having the same or different trustees for various trusts or shares, and any other considerations the Trustee may deem appropriate to these decisions. Prior to exercising any power to combine trusts under this paragraph, the Trustee shall take into consideration that, where possible and appropriate (keeping in mind the dispositive provisions of the Trust Agreement and the situation of the beneficiary), separate trusts should be maintained so that the trust beneficiaries may enjoy the benefit of distributions from any Retirement Assets being stretched out over their separate life expectancies; in particular, the Trustee shall not merge trusts when one provides for the payout to or for the beneficiary of all withdrawals from IRAs and other Retirement Assets, net of trust expenses, and another provides for the accumulation of income (including IRA and Retirement Asset withdrawals).
2. Same Terms and Provisions for Divided Trusts: Except as expressly provided in the Trust Agreement, when a trust otherwise to be established is divided under the foregoing provisions into exempt and non-exempt trusts or otherwise into separate trusts, each trust shall have the same provisions as the original trust from which it is established, and references in the Trust Agreement to the original trust shall collectively refer to the separate trusts derived from it.
3. Exempt (and Non-Exempt) Character of Property to be Preserved: On termination, partial termination, subdivision or distribution of any of the

separate trusts created by the Trust Agreement, or when it is provided that separate trusts are to be combined, the exempt (zero inclusion ratio) or the non-exempt (inclusion ratio of one) generation-skipping character of the property of the trusts shall be preserved. Accordingly, when property is to be added to or combined with the property of another trust or trusts, or when additional trusts are to be established from one or more sources, non-exempt property or trusts shall not be added to or combined with exempt property or trusts, even if this requires the establishment of additional separate trusts with the same terms and provisions, unless the Trustee believes that economic efficiency or other compelling considerations justify sacrificing their separate generation-skipping characteristics.

4. Trustee's Investment Power: Distributions: Without limiting the foregoing, the Trustor specifically authorizes (but do not require) the Trustee, in administering different trusts wholly or in part for the benefit of a particular beneficiary or group of beneficiaries, to adopt different investment patterns and objectives for different trusts based on whether they are funded by Roth IRAs or other assets and on their generation-skipping ratios, and to prefer making distributions from Retirement Assets other than Roth IRAs and from non-exempt trusts to beneficiaries who are non-skip persons for generation-skipping purposes and from exempt trusts to those who are skip persons. Upon division or distribution of an exempt trust and a nonexempt trust hereunder, the Trustee may allocate property from the exempt trust first to a share from which a generation-skipping transfer is more likely to occur. It is further recommended that to the extent that distributions would be made for the benefit of skip persons and such distributions would be exempt from GST Tax because such distributions are for the payment of medical expenses exempt under IRC Section 2503(e)(2)(B) or for the payment of tuition or educational expenses exempt under IRC Section 2503 (e)(2)(A), such payments to the extent possible be first made from a trust which has an inclusion ratio of one.
  5. Trustee's Exoneration: The Trustor expressly exonerates the Trustee from any liability arising from any exercise or failure to exercise these powers, provided the actions (or inactions) of the Trustee are taken in good faith.
- C. Beneficiary's General Power of Appointment: Should a beneficiary die prior to the creation of his or her separate share of the Trust Estate or die subsequent to the creation of such share but before complete distribution of such share, and as a result of said death a portion of the Trust Estate would be subject to GST Tax but for the provisions of this paragraph, the beneficiary may, pursuant to a general power of appointment exercised in his or her last Will (but not in a codicil) or other writing delivered to the Trustee prior to his or her death and specifically referring to the Trust Agreement, provide for such share to pass to the creditors of that beneficiary's estate, in accordance with the terms set forth below. The asset value subject to such general power of appointment shall be the maximum amount, if any, which, when added to

the beneficiary's net taxable estate (computed prior to said power), will cause the federal estate tax marginal rate to increase until it equals the GST Tax marginal rate; but in no case shall such general power of appointment exceed the asset value of such beneficiary's share. This general power of appointment may be subject to termination and reinstatement by the Trust Protector. To the extent the beneficiary does not effectively exercise the general power of appointment, the unappointed asset value shall be held, administered and distributed in accordance with the other provisions of the Trust Agreement.

### TRUSTEES ENVIRONMENTAL POWERS

#### A. Trustee Authorized to Inspect Property Prior to Acceptance:

1. Actions at Expense of Trust Estate: Prior to acceptance of this Trust by any proposed or designated Trustee (and prior to acceptance of any asset by any proposed, designated or acting Trustee), such Trustee or proposed or designated Trustee shall have the right to take the following actions at the expense of the Trust Estate:
  - a. Enter Property: To enter and inspect any existing or proposed asset of the Trust (or of any partnership, limited liability company or corporation in which the Trust holds an interest) for the purpose of determining the existence, location, nature, and magnitude of any past or present release or threatened release of any hazardous substance; and
  - b. Review Records: To review records of the currently acting Trustee or of the Trustor (or of any partnership, limited liability company or corporation in which the Trust holds an interest) for the purpose of determining compliance with environmental laws and regulations, including those records relating to permits, licenses, notices, reporting requirements, and governmental monitoring of hazardous waste.
2. Rights Equivalent to Partner, Member or Shareholder: The right of the proposed or designated Trustee to enter and inspect assets and records of a partnership, limited liability company or corporation under this provision is equivalent to the right under state law of a partner, member or shareholder to inspect assets and records under similar circumstances.
3. Right to Still Refuse Acceptance of Trusteeship: Acts performed by the proposed or designated Trustee under this provision shall not constitute acceptance of the Trust.
4. Right to Accept Trusteeship Over Other Assets Only: If an asset of the Trust is discovered upon environmental audit by the acting Trustee or any proposed or designated Trustee to be contaminated with hazardous waste or otherwise

not in compliance with environmental law or regulation, the Trustee may decline to act as Trustee solely as to such asset, and accept the Trusteeship as to all other assets of the Trust. The Trustee, in his discretion, may petition a court to appoint a receiver or special Trustee to hold and manage the rejected asset, pending its final disposition.

5. Right to Reject Asset: Any currently acting Trustee shall have the right to reject any asset proposed to be transferred to the Trustee.

B. Termination, Bifurcation or Modification of The Trust Due to Environmental Liability:

1. Trustee's Powers over Hazardous Waste Property: If the Trust Estate holds one or more assets, the nature, condition, or operation of which is likely to give rise to liability under, or is an actual or threatened violation of any federal, state or local environmental law or regulation, the Trustee may take one or more of the following actions, if the Trustee, in the Trustee's sole and binding discretion, determines that such action is in the best interests of the Trust and its beneficiaries:
  - a. Modify Trust: Modification of trust provisions, upon court approval, granting the Trustee such additional powers as are required to protect the Trust and its beneficiaries from liability or damage relating to actual or threatened violation of any federal, state or local environmental law or regulations, with it being the Trustors' desire that the Trustee keep in mind the Trustors' dispositive wishes expressed elsewhere in this Trust Agreement and that the Trustee consider and weigh any potentially negative federal and state income, gift, estate or inheritance tax consequences to the Trustee, Trust and its beneficiaries;
  - b. Bifurcate Trust: Bifurcation of the Trust to separate said asset from other assets of the Trust Estate;
  - c. Appoint a Special Trustee: Appointment of a special Trustee to administer said asset; and/or
  - d. Abandon Property: Abandonment of such asset.
2. Terminate Trust or Distribute Other Assets: With court approval, the Trustee may terminate the Trust or partially or totally distribute the Trust Estate to beneficiaries.
3. Broad Discretion: It is the intent of the Trustors that the Trustee shall have the widest discretion in identification of and response to administration problems connected to potential environmental law liability to the Trust Estate and the

Trustee, in order to protect the interests of the Trust, the Trustee and the beneficiaries of the Trust.

- C. Trustee's Powers Relating to Environmental Laws: The Trustee shall have the power to take, on behalf of the Trust, any action necessary to prevent, abate, avoid, or otherwise remedy any actual or threatened violation of any federal, state, or local environmental law or regulation, or any condition which may reasonably give rise to liability under any federal, state, or local environmental law or regulation, including, but not limited to, investigations, audits, and actions falling within the definition of "response" as defined in 42 U.S.C. §9601 (25), or any successor statute, relating to any asset, which is or has been held by the Trustee as part of the Trust Estate.
- D. Indemnification of Trustee from Trust Assets for Environmental Expenses:
1. Indemnification and Reimbursement for Good Faith Actions: The Trustee shall be indemnified and reimbursed from the Trust Estate for any liabilities, loss, damages, penalties, costs or expenses arising out of or relating to federal, state or local environmental laws or regulations (hereinafter "environmental expenses"), except those resulting from the Trustee's intentional wrongdoing, bad faith or reckless disregard of his fiduciary obligation.
    - a. Environmental Expenses Defined: Environmental expenses shall include, but not be limited to:
      - (i) Costs of investigation, removal, remediation, response, or other cleanup costs of contamination by hazardous substances, as defined under any environmental law or regulation;
      - (ii) Legal fees and costs arising from any judicial, investigative or administrative proceeding relating to any environmental law or regulation;
      - (iii) Civil or criminal fees, fines or penalties incurred under any environmental law or regulation; and
      - (iv) Fees and costs payable to environmental consultants, engineers, or other experts, including legal counsel, relating to any environmental law or regulation.
    - b. Properties and Businesses Covered: This right to indemnification or reimbursement shall extend to environmental expenses relating to:
      - (i) Any real property or business enterprise, which is or has been at any time owned or operated by the Trustee as part of the Trust Estate; and

- (ii) Any real property or business enterprise, which is or has been at any time owned or operated by a corporation, limited liability company or partnership, in which the Trustee holds or has held at any time an ownership or management interest as part of the Trust Estate.
- 2. Right to Pay Expenses Directly from Trust: The Trustee shall have the right to reimbursement for incurred environmental expenses without the prior requirement of expenditure of the Trustee's own funds in payment of such environmental expenses, and the right to pay environmental expenses directly from Trust assets.

Appt of Succ Trustees

APPOINTMENT OF SUCCESSOR TRUSTEES

WHEREAS, NELVA ERLEEN BRUNSTING, also known as NELVA E. BRUNSTING, is a Founder of the Brunsting Family Living Trust dated October 10, 1996, as amended, (the "Trust Agreement"); and,

WHEREAS, Pursuant to Article IV, Section B, of the Brunsting Family Living Trust entitled "Our Successor Trustees," an original Trustee will have the right to appoint his or her own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any other reason, as well as specify conditions relevant to such appointment; and,

WHEREAS, ELMER H. BRUNSTING is no longer able to manage his financial affairs, as is evidenced by the physicians' letters attached. Therefore, pursuant to Article IV, Section B, of the Brunsting Family Living Trust Agreement, the remaining original Trustee, NELVA E. BRUNSTING, continues to serve alone

WHEREAS, the said NELVA E. BRUNSTING is desirous of her right as original Trustee to designate, name and appoint her own successors to serve as Trustees in the event that she ceases to serve by reason of death, disability or for any other reason, as well as specify conditions of such appointment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

NELVA E. BRUNSTING makes the following appointment:

IF, NELVA E. BRUNSTING, fail or cease to serve by reason of death, disability or for any other reason, then the following individuals will serve as successor Co-Trustees:

CARL HENRY BRUNSTING and ANITA KAY BRUNSTING

CARL HENRY BRUNSTING and ANITA KAY BRUNSTING shall each have the authority to appoint his or her own successor Trustee by appointment in writing.

If a successor Co-Trustee should fail or cease to serve by reason of death, disability or for any other reason, then the remaining successor Co-Trustee shall serve alone. However, if neither successor Co-Trustee is able or willing to serve, then CANDACE LOUISE CURTIS shall serve as sole successor Trustee. In the event CANDACE LOUISE CURTIS is unable or unwilling to serve, then THE FROST NATIONAL BANK shall serve as sole successor Trustee.

In order to maintain the integrity of the Trust Agreement and to meet my estate planning desires and goals, my Trustees shall comply with the directive set forth below to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

BRUNSTING005805

**1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information**

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this document or any subsequent documents signed by the Founders, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in the Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

**2. Obtain the Release of Protected Health Information**

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. The Founder has signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

### 3. Determination of "Incompetence" or "Incapacity"

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physician-patient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other

personal health information, in order to determine their competency or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next

...the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately upon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

NELVA E. BRUNSTING makes the following appointment:

If I, NELVA E. BRUNSTING, fail or cease to serve by reason of death, disability or for any other reason, then the following individuals will serve as successor Co-Trustees:

ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART

If a successor Co-Trustee is unable or unwilling to serve for any reason, the remaining Co-Trustee shall serve alone. However, if neither Co-Trustee is able or willing to serve, then THE FROST NATIONAL BANK shall serve as successor Trustee.

In order to maintain the integrity of the Trust Agreement and to meet my estate planning desires and goals, my Trustees shall comply with the directive set forth below to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

**1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information**

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this document or any subsequent documents signed by the Founders, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in the Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

**2. Obtain the Release of Protected Health Information**

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to, protected health and medical information, and to consent to their release or disclosure. The Founder has signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical

information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

### **3. Determination of "Incompetence" or "Incapacity"**

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physician-patient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately upon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the said Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust dated October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.

Law Firm Copy

APPOINTMENT OF SUCCESSOR TRUSTEES

WHEREAS, NELVA E. BRUNSTING, is a Founder of the Brunsting Family Living Trust dated October 10, 1996, as amended (the "Trust Agreement"); and,

WHEREAS, Pursuant to Article IV, Section B, of the Brunsting Family Living Trust entitled "Our Successor Trustees," an original Trustee will have the right to appoint his or her own successor or successors to serve as Trustees in the event that such original Trustee ceases to serve by reason of death, disability or for any other reason, as well as specify conditions relevant to such appointment; and

WHEREAS, ELMER H. BRUNSTING, died on April 1, 2009. The Brunsting Family Living Trust authorized the creation of subsequent subtrusts known as the NELVA E. BRUNSTING SURVIVOR'S TRUST and the ELMER H. BRUNSTING DECEDENT'S TRUST. The full legal names of the said subtrusts are:

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the NELVA E. BRUNSTING SURVIVOR'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

NELVA E. BRUNSTING, Trustee, or the successor Trustees, of the ELMER H. BRUNSTING DECEDENT'S TRUST dated April 1, 2009, as established under the BRUNSTING FAMILY LIVING TRUST dated October 10, 1996, as amended.

WHEREAS, the said NELVA E. BRUNSTING is desirous of exercising her right as original Trustee to designate, name and appoint her own successors to serve as Trustees in the event that she ceases to serve by reason of death, disability or for any other reason, as well as specify conditions of such appointment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

NELVA E. BRUNSTING makes the following appointment:

If I, NELVA E. BRUNSTING, resign as Trustee, then the following individuals will serve as successor Trustee in the following order:

First, ANITA KAY BRUNSTING  
Second, AMY RUTH TSCHIRHART  
Third, THE FROST NATIONAL BANK

If I, NELVA E. BRUNSTING, fail or cease to serve by reason of death or disability, then the following individuals will serve as successor Co-Trustees:

ANITA KAY BRUNSTING and AMY RUTH TSCHIRHART

If a successor Co-Trustee is unable or unwilling to serve for any reason, the remaining Co-Trustee shall serve alone. However, if neither Co-Trustee is able or willing to serve, then THE FROST NATIONAL BANK shall serve as successor Trustee.

In order to maintain the integrity of the Trust Agreement and to meet my estate planning desires and goals, my Trustees shall comply with the directive set forth below to assure compliance with the Health Insurance Portability and Accountability Act (HIPAA) of 1996.

**1. Successor Trustee Required to Provide an Authorization For Release of Protected Health Information**

Each successor Trustee (or Co-Trustee) shall be required to execute and deliver to the Co-Trustee (if any) or next successor Trustee an "Authorization for Release of Protected Health Information" pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and any other similarly applicable federal and state laws, authorizing the release of said successor's protected health and medical information to said successor's Co-Trustees (if any) and to all alternate successor Trustees (or Co-Trustees) named under this document or any subsequent documents signed by the Founders, to be used only for the purpose of determining in the future whether said successor has become incapacitated (as defined in the Trust Agreement).

If said successor is already acting in the capacity of Trustee (or Co-Trustee) and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, or if an event has occurred which triggers said successor's power to act but said successor has not yet begun to act in said capacity and fails to so execute and deliver such Authorization within thirty (30) days of actual notice of said requirement, then for purposes of the Trust Agreement, said successor shall be deemed incapacitated.

"Actual notice" shall occur when a written notice, signed by the Co-Trustees (if any) or next successor Trustee, informing said successor of the need to timely execute and deliver an authorization as set forth above (and, in the case where said successor has not yet begun to act, informing him or her of the event that has triggered said successor's power to act), is (i) deposited in the United States mail, postage prepaid, addressed to the last address of said successor known to the Co-Trustees or next successor Trustee or (ii) hand delivered to said successor, provided such delivery is witnessed by a third party independent from the Co-Trustees or next successor Trustee within the meaning of Internal Revenue Code Sections 672(c) and 674(c) and said witness signs a statement that he or she has witnessed such delivery.

**2. Obtain the Release of Protected Health Information**

The Trustee is empowered to request, receive and review any information, verbal or written, regarding Founder's physical or mental health, including, but not limited to,

protected health and medical information, and to consent to their release or disclosure. The Founder has signed on this same date or an earlier date an "Authorization For Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of any and all health and medical information to the Trustee (or next successor Trustee, even if not yet acting) for the purposes of determining the Founder's incapacity (or for other stated purposes therein).

In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as Founder's legal representative, to execute a new authorization on Founder's behalf, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under this agreement), naming the Trustee (or next successor Trustee even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

### **3. Determination of "Incompetence" or "Incapacity"**

For purposes of the Trust Agreement, and notwithstanding any other conflicting provisions contained in the Trust Agreement or any previous amendments thereto, the term "incompetency" and/or "incapacity" shall mean any physical or mental incapacity, whether by reason of accident, illness, advanced age, mental deterioration, alcohol, drug or other substance abuse, or similar cause, which in the sole and absolute discretion of the Trustee makes it impracticable for a person to give prompt, rational and prudent consideration to financial matters and, if said disabled person is a Trustee (including an appointed Trustee who has yet to act), (i) a guardian of said person or estate, or both, of said person has been appointed by a court having jurisdiction over such matters or (ii) two (2) attending physicians of said person, who are licensed to practice and who are not related by blood or marriage to such person, have stated in writing that such incompetency or incapacity exists.

If said disabled person is a Trustee (including an appointed Trustee who has yet to act), upon the court determination of the person's competency or capacity or upon the revocation of the writings of the two (2) attending physicians above or upon written determination of competency or capacity to give prompt, rational and prudent consideration to financial matters by two (2) other attending physicians, who are licensed to practice and who are not related by blood or marriage to such person, subject to written notice being given to the then acting successor Trustee, the original Trustee (including an appointed Trustee who has yet to act) removed for "incompetency" or "incapacity" shall be reinstated as Trustee.

Any third party may accept physicians' writings as proof of competency or capacity or incompetency or incapacity as set forth above without the responsibility of further investigation and shall be held harmless from any loss suffered or liability incurred as the result of good faith reliance upon such writings.

In addition to any "Authorization for Release of Protected Health Information" executed by the Founder, the Founder hereby voluntarily waives any physician-patient privilege or psychiatrist-patient privilege and authorizes physicians and psychiatrists to examine them and disclose their physical or mental condition, or other personal health or medical information, in order to determine their competency or incompetency, or capacity or incapacity, for purposes of this document. Each person who signs this instrument or an acceptance of Trusteeship hereunder does, by so signing, waive all provisions of law relating to disclosure of confidential or protected health and medical information insofar as that disclosure would be pertinent to any inquiry under this paragraph. No Trustee shall be under any duty to institute any inquiry into a person's possible incompetency or incapacity (such as, but not limited to, by drug testing), but if the Trustee does so, the expense of any such inquiry may be paid from the Trust Estate of said person's trust or, if no such trust exists, the Trust Estate of the Trust.

It is the Founder's desire that, to the extent possible, a named successor Trustee be able to act expeditiously, without the necessity of obtaining a court determination of a Founder's incapacity or the incapacity of a preceding appointed successor Trustee (including if that preceding appointed successor Trustee has not yet acted). Therefore, if an Authorization for Release of Protected Health Information executed by a Founder, or an appointed successor Trustee (even if not yet acting), or by a "personal representative" or "authorized representative" on behalf of a Founder or such an appointed successor Trustee, is not honored in whole or in part by a third party such that physicians' writings cannot be obtained as necessitated by this subparagraph, then the Trust Protector named under the Trust Agreement (if any), or if there is no such Trust Protector provided under the Trust Agreement then the next succeeding Trustee (even if not yet acting) who is independent, that is not related to or subordinate to, said Founder or such appointed successor Trustee within the meaning of Internal Revenue Code Section 672(c), may declare in writing said Founder or such appointed successor Trustee to be incapacitated; provided, however, the Trust Protector or next succeeding Trustee making such declaration shall have first made good faith efforts to obtain the physicians' writings described above, and the provisions above relating to reinstatement upon two (2) physicians' written determination of competency or capacity shall continue to apply.

In the event the Trust Agreement does not provide for an Independent Trustee as set forth in the above paragraph, such an Independent Trustee shall be elected by a majority vote of the then current adult income beneficiaries of the trust (or by the legal guardians of all minor or disabled current income beneficiaries) and such Independent Trustee shall not be related to nor subordinate to any of the beneficiaries

participating in the said vote within the meaning of Internal Revenue Code 672(c). In the event that there are only two (2) beneficiaries, one of which is acting as Trustee, the remaining beneficiary may appoint such an Independent Trustee who is neither related to nor subordinate to such beneficiary as those terms are defined in and within the meaning of Internal Revenue Code 672(c).

The Founder has signed on this same date or on an earlier date an "Authorization for Release of Protected Health Information," in compliance with HIPAA, immediately authorizing the release of health and medical information to the Trustee (or next successor Trustee, even if not yet acting), so the Trustee may legally defend against or otherwise resist any contest or attack of any nature upon any provision of the Trust Agreement or amendment to it (or defend against or prosecute any other legal matter within his or her powers set forth in the Trust Agreement). In the event said authorization cannot be located, is by its own terms no longer in force or is otherwise deemed invalid or not accepted in whole or in part, the Founder hereby grants the Trustee (or next successor Trustee, even if not yet acting) the power and authority, as the Founder's legal representative to execute a new authorization on the Founder's behalf, even after Founder's death, immediately authorizing the release of any and all health and medical information for the purpose of determining the Founder's incapacity (and for the purpose of carrying out any of the Trustee's powers, rights, duties and obligations under the Trust Agreement naming the Trustee (or next successor Trustee, even if not yet acting) as the Founder's "Personal Representative," "Authorized Representative" and "Authorized Recipient."

This Appointment of Successor Trustees is effective immediately upon execution of this document by the Founder, with the said successor Trustees to act at such times and in such instances as provided in the said Brunsting Family Living Trust dated October 10, 1996, as amended.

All other provisions contained in the Brunsting Family Living Trust dated October 10, 1996, as amended, are hereby ratified and confirmed and shall remain in full force and effect except to the extent that any such provisions are amended hereby or by previous amendments or appointments still in effect.

1 THE COURT: Good morning. Please be seated.

2 All right. This is Cause No. 2012-592, Candace  
3 Louise Curtis versus Anita K. Brunsting and others.

4 So let me have an announcement. Is Ms. Curtis  
5 in the courtroom?

6 MS. CURTIS: Yes, Your Honor.

7 THE COURT: All right. And who is representing the  
8 defendants in the case?

9 MR. VIE: George Vie, Your Honor, for the  
10 defendants.

11 THE COURT: And I gather we have several parties  
12 present, correct?

13 MR. VIE: Yes, Your Honor.

14 THE COURT: Are these your clients or --

15 MR. VIE: Yes, Your Honor. Both the defendants are  
16 present.

17 THE COURT: Both defendants.

18 And who are the defendants other than -- I just  
19 show Anita Kay and Amy Ruth. I am sorry. I apologize. You  
20 are representing both?

21 MR. VIE: Yes, Your Honor.

22 THE COURT: Okay. Very good.

23 This is Ms. Curtis' application for a temporary  
24 restraining order. As you might recall, this case was  
25 initially dismissed by the Court with the understanding that,

1 or under the understanding that it could not proceed in  
2 federal court but must proceed in state court.

3           The circuit court disagreed with me, and it's  
4 back; and now we are charged to proceed forward in this case.

5           So what I would like to do is, first of all,  
6 have Ms. Curtis stand and give me a kind of a factual setting  
7 background for what it is that she is seeking, then tell me  
8 what she is seeking and see what testimony, if any, we need  
9 in order to accomplish that.

10           So why don't you go ahead take the floor, Ms.  
11 Curtis, and tell us how this got started and where we are  
12 today.

13           MS. CURTIS: This got started by my parents, Elmer  
14 and Nelva Brunsting, putting together a Brunsting family  
15 living trust in 1996 dividing their estate among the five  
16 children beneficiaries.

17           THE COURT: And I see there are the only three  
18 children represented. Are there other children that are not  
19 included?

20           MS. CURTIS: Yes, sir. My sister Carole and my  
21 brother Carl.

22           THE COURT: Okay. C-a-r-o-l?

23           MS. CURTIS: C-a-r-o-l-e and Carl, C-a-r-l.

24           THE COURT: Well, that C went a long way.

25           MS. CURTIS: C, C, C and then A, A.

1 THE COURT: Went a long way in the family, didn't  
2 it?

3 MS. CURTIS: Yes.

4 THE COURT: Go ahead please.

5 MS. CURTIS: So, my father passed away in 2009 in  
6 April and --

7 THE COURT: And would you tell us his name for the  
8 record.

9 MS. CURTIS: Elmer H. Brunsting.

10 THE COURT: All right.

11 MS. CURTIS: And in July of 2010 my brother Carl  
12 became stricken with encephalitis. And it's a very serious  
13 disease. He was in the hospital for several months, part of  
14 that time in a coma. And my brother was originally appointed  
15 the executor of my parent's estate.

16 THE COURT: Your brother would be Carl?

17 MS. CURTIS: Carl. And also a successor/co-trustee  
18 of the Brunsting Family Living Trust and any resulting  
19 trusts.

20 In approximately 2007, my mother sent an e-mail  
21 to me and asked me if I would mind becoming co-trustee with  
22 my brother Carl because my sister Amy was unstable; and she  
23 was wondering if I would mind coming to Houston whenever  
24 necessary to take care of these things. And I agreed. And  
25 that was the last I heard of it.

1                   Since that time I have received a document,  
2 which is the last, first and only amendment that my father  
3 and mother both signed to the family living trust appointing  
4 Carl and Candace as successor/co-trustees.

5                   THE COURT: Okay. So as it stands now, it is Carl  
6 and Candace who would be the co-trustees of the trust?

7                   MS. CURTIS: Yes, Your Honor, yes.

8                   And after my brother became ill, my youngest  
9 sister Anita took the opportunity to begin seize control of  
10 the trust. She immediately, within three weeks after he  
11 became ill --

12                  THE COURT: When did this happen?

13                  MS. CURTIS: In July of 2010.

14                  THE COURT: 2010. He became apparently  
15 incapacitated or unable to?

16                  MS. CURTIS: Yes. He was in a coma for several  
17 weeks.

18                  THE COURT: Is he still in a coma?

19                  MS. CURTIS: No. He's back at home and doing very  
20 well.

21                  THE COURT: Okay. Very good. Go ahead.

22                  MS. CURTIS: And has been.

23                  THE COURT: I will be asking questions of him.

24                  MS. CURTIS: And so, because of things that are just  
25 simply judgmental and ugly, my sister began to try to wrest

1 control of the trust so that my brother could not have  
2 anything whatsoever to do with it. She took his name off the  
3 safe deposit box which, according to my father's handwritten  
4 letter from 1999, contained all of the information about the  
5 family trust, and then some papers were caused to be drawn  
6 up. One was a qualified beneficiary designation.

7 THE COURT: I'm sorry. Was a what?

8 MS. CURTIS: A qualified beneficiary designation.

9 THE COURT: All right.

10 MS. CURTIS: And several other papers were drawn up  
11 on August 25th, 2010.

12 There was no notice given to any of the  
13 beneficiaries about this qualified beneficiary designation  
14 that was to be prepared and signed. And the only way that I  
15 found out about it was to ask my sister Anita for copies of  
16 trust documents for me to review for a phone conference that  
17 had been called by the trust attorneys that was supposed to  
18 include my mother and all of her children. My brother Carl  
19 was never notified of this phone conference.

20 THE COURT: Was he at the time still in a coma or  
21 incapacitated?

22 MS. CURTIS: No, sir. He was not in a coma, but he  
23 was still in the hospital.

24 THE COURT: Okay.

25 MS. CURTIS: And my mother also was not in on the

1 phone call.

2                   So we had the conference call, and they were  
3 definitely absent; and the conference call apparently was  
4 called to discuss proposed changes to the trust, when in fact  
5 the changes had already been made; and as it boiled down to  
6 the end and various parties hung up, they were going to try  
7 to have my mother declared incompetent because she said that  
8 she did not sign the qualified beneficiary designation and  
9 that in fact what the qualified beneficiary designation said  
10 was not true.

11               THE COURT: Let me ask you a question before we go  
12 forward. What was the purpose -- what did the beneficiaries  
13 receive and how were funds, as you understand it, disbursed  
14 from the trust prior to this August 25th 2010. How was the  
15 trust to be administered?

16               MS. CURTIS: The trust was to be divided into five  
17 personal asset trusts; and I believe that each personal asset  
18 trust would have a trustee, but I do not think it was the  
19 beneficiary.

20               THE COURT: Was that to recognize the five children?

21               MS. CURTIS: Yes.

22               THE COURT: How was your mother to benefit from  
23 this? Was she to get some proceeds out of the funds?

24               MS. CURTIS: My mother was to benefit from all of  
25 the trusts until she passed way.

1 THE COURT: Okay. And then these five trusts  
2 would --

3 MS. CURTIS: Whatever was remaining would be divided  
4 five equal ways.

5 THE COURT: Surely.

6 And then your mother died when?

7 MS. CURTIS: 11-11-11.

8 THE COURT: Oh, is that right?

9 And at that time your father was already  
10 deceased?

11 MS. CURTIS: Yes, Your Honor.

12 THE COURT: So this telephone conference occurred  
13 sometime in August of 2010, just about 14 months prior to her  
14 death?

15 MS. CURTIS: It was in October --

16 THE COURT: October.

17 MS. CURTIS: -- of 2010.

18 THE COURT: About 12 months then, 12 or 13 months  
19 prior to her death.

20 And so go ahead and pick up there.

21 MS. CURTIS: So, anyway, after the phone conference  
22 there was really nothing I could do about anything as far as  
23 I could tell; and so, things were relatively quiet until in  
24 approximately March of 2011 my sister Anita called and said,  
25 "oh, we found some Exxon stock that wasn't in the trust; and

1 so, some of it will be gifted, and then the rest of it, the  
2 trust attorneys are going to figure out how to get it into  
3 the trust."

4                   And so I received 160 shares of that stock.  
5 And I was in conversation with sister Carole and was told  
6 that she had received some, but she didn't know how much it  
7 was because she hasn't opened the envelope.

8                   THE COURT: Was it your understanding that the 160  
9 shares that you received would have been your one-fifth  
10 share? Is that the way it was to be --

11                   MS. CURTIS: That's kind of the way I thought about  
12 it. Not necessarily my one-fifth share, but that each of us  
13 should receive a like amount.

14                   THE COURT: Sure.

15                   All right. Go ahead.

16                   MS. CURTIS: Unbeknownst to me, my sister Carole  
17 received 1,300 plus shares and my sister Amy received over  
18 1,000 shares.

19                   I received 160, Anita received 160; but Anita,  
20 as power of attorney beneficiary and trustee, having taken  
21 over from my mother in December of 2010, was conflicted and  
22 not allowed to accept gifts. So she excused it many months  
23 after the fact as being a loan, but she's also not allowed to  
24 take loans from --

25                   THE COURT: So was she the person doing the

1 disbursing of these shares?

2 MS. CURTIS: Yes, Your Honor, she was.

3 THE COURT: And she disbursed them in the manner, as  
4 you understand it, the way you just described it, giving a  
5 couple thousand shares to two of your sisters together?

6 MS. CURTIS: Uh-huh.

7 THE COURT: I said "together" meaning added  
8 together, and then 160 to you. And what happened, if  
9 anything, to do with Carl's share?

10 MS. CURTIS: He got nothing.

11 THE COURT: All right. Okay. Go ahead.

12 MS. CURTIS: So my brother has filed a lawsuit in --

13 THE COURT: Probate court?

14 MS. CURTIS: -- state court and also in probate.

15 It's not a lawsuit, but he has filed from probate as  
16 defendant executor. And he has gotten pages and pages and  
17 pages of information from my sisters in another lawsuit that  
18 it was a pre-suit request for depositions to get information  
19 in case they were going to file suit.

20 And they got pages and pages and boxes of  
21 information that was not shared with me until March 28th just  
22 recently, and this paper here was in some of the documents  
23 that they shared with me.

24 THE COURT: What is the title of it?

25 MS. CURTIS: This is a computer share. It's a.

1                   Transfer form. And this is page two of three  
2 pages of the transfer form.

3                   THE COURT: Transfer form relating to?

4                   MS. CURTIS: The Exxon/Mobil stock.

5                   THE COURT: Okay.

6                   MS. CURTIS: And so, at the top of the page my  
7 sister Anita's 160 shares, and the bottom of the page is my  
8 160 shares.

9                   There is two signatures at the bottom of the  
10 page. One is on a W-9 portion, and the other is on, my  
11 understanding that the money would be reinvested in the  
12 account. These signatures are not my signatures; they're  
13 forgeries.

14                  THE COURT: Uh-huh.

15                  MS. CURTIS: I would not have seen these if I had  
16 not had this shared with me by my brother.

17                  THE COURT: And you didn't authorize anyone to make  
18 those signatures for you?

19                  MS. CURTIS: No, I did not. And I have filed a  
20 Securities & Exchange Commission complaint as of last week  
21 about this.

22                  THE COURT: All right.

23                  MS. CURTIS: And I have not heard anything from them  
24 since that time.

25                  I also have two different --

1 THE COURT: Well, let me ask you before you go  
2 further. What did you understand to be the access in the  
3 trust or the total trust as opposed to the individual five  
4 trusts, let's say? What did you understand the gross assets  
5 to be? Is that what you set forth in your petition as being  
6 the assets.

7 In 2010, you show -- I don't know if you have  
8 your petition there with you, but you showed in 2010 there  
9 was Chevron/Texaco, Exxon/Mobil, Edward Jones and a total of  
10 \$554,000 more or less in the -- I gather is this in the  
11 decedent's account.

12 MS. CURTIS: Actually, this is my Request For  
13 Injunction.

14 THE COURT: Yes, page 3.

15 MS. CURTIS: Those are just the net changes.

16 THE COURT: These are what you're calling losses  
17 then?

18 MS. CURTIS: Yes.

19 THE COURT: So what is the total of the estate? How  
20 many? Several million dollars?

21 MS. CURTIS: The farm itself is close to \$3 million,  
22 and everything else when my father passed away was about a  
23 million-and-a-half.

24 THE COURT: So, it's increased in value to about --

25 MS. CURTIS: By virtue of the farm.

1 THE COURT: F-a-r-m, farm?

2 MS. CURTIS: Yes, family farm in Iowa.

3 THE COURT: That was sold?

4 MS. CURTIS: No, it was not.

5 THE COURT: What's on the farm that's increasing  
6 these prices? What are they harvesting?

7 MS. CURTIS: Corn and soybean.

8 THE COURT: Is that for profit or just simply --

9 MS. CURTIS: To my understanding we have a lease  
10 with the farmer.

11 THE COURT: Okay. And so lease itself pays a  
12 certain amount of money annually or however.

13 MS. CURTIS: Yes.

14 THE COURT: Those assets or that money goes into the  
15 estate?

16 MS. CURTIS: I believe so.

17 THE COURT: And that accounts for some of the  
18 increase, as you understand them?

19 MS. CURTIS: Yes.

20 THE COURT: All right. So at this point in time,  
21 "this point in time" being 2012, there has been a total of  
22 338 or 339,000 in assets removed from the estate, and there  
23 is still approximately, as far as you know, three-plus  
24 million dollars in the estate?

25 MS. CURTIS: Yes, Your Honor.

1 THE COURT: Now, I want to try to close this out  
2 just a little bit by asking you: After you received these  
3 documents, I gather -- and when you weren't receiving them,  
4 obviously, because I recall you filed a suit, and one of the  
5 issues was getting your hands on these documents, and you  
6 were not able to get those documents until recently, as I  
7 understand it?

8 MS. CURTIS: The first time I received any  
9 information was in April of 2012, yes.

10 THE COURT: Okay.

11 And since you received those documents, has the  
12 fact that you received those documents confirmed what you  
13 believe to be improper practices on the part of your, I  
14 gather, on the part of your sister Anita?

15 MS. CURTIS: Yes, Your Honor.

16 THE COURT: Is she handling this alone?

17 MS. CURTIS: To my knowledge she is.

18 THE COURT: All right. So it's between her and  
19 however her lawyers are handling this that you are concerned  
20 about?

21 MS. CURTIS: I assume.

22 THE COURT: And your brother has a ongoing suit  
23 presently ongoing?

24 MS. CURTIS: Yes, Your Honor.

25 THE COURT: And what is the status as you understand

1 of that suit, as to how long has it been pending and what is  
2 status of that suit?

3 MS. CURTIS: I'm not exactly sure of the dates of  
4 how long it's been pending. I think since sometime in  
5 February of 2013.

6 THE COURT: Okay. So several months, but not very  
7 long.

8 MS. CURTIS: Right.

9 THE COURT: And is he able to get up and about?

10 MS. CURTIS: Yes.

11 THE COURT: Where is he now?

12 MS. CURTIS: At home, I would assume.

13 THE COURT: And have you communicated with him  
14 regarding what his approach is?

15 MS. CURTIS: Yes, Your Honor. I have.

16 THE COURT: And, of course, you have not joined his  
17 lawsuit?

18 MS. CURTIS: No, I have not.

19 THE COURT: And he has not joined in your lawsuit?

20 MS. CURTIS: No, he has not.

21 THE COURT: Does he have an attorney?

22 MS. CURTIS: Yes, Your Honor, he has.

23 THE COURT: Okay. I gather you now know that some  
24 state court, some county court or probate court, someone did  
25 something, I gather, to give Anita some authority that you

1 did not know she had. Is that what you have come to the  
2 knowledge of?

3 MS. CURTIS: I have come into the knowledge that the  
4 purported successor/co-trustees are in fact imposters because  
5 the documents that made them successor/co-trustees have  
6 digital alterations on them; they have anomalies on the  
7 signature pages. I have two different signature pages for  
8 the qualified beneficiary designation that were sent to me on  
9 two different occasions.

10 THE COURT: Now, whose signatures would be necessary  
11 from your perspective to permit her to go forward? This  
12 qualified beneficiary designee, this was supposed to be Anita  
13 now?

14 MS. CURTIS: It was supposed to divide the estate  
15 into five different personal asset trusts. Carole, Amy and  
16 Anita were going to be trustees.

17 THE COURT: This was a part of you-all's discussion  
18 on the telephone conference as to how this was supposed to  
19 work?

20 MS. CURTIS: Well, I wanted to know how it would put  
21 into place in the first place because I never received any  
22 notice that this was being contemplated.

23 THE COURT: Okay.

24 MS. CURTIS: And come to find out months after the  
25 papers were allegedly signed by my mother, my personal asset

1 trust and my brother Carl's were put under the control of Amy  
2 and Anita.

3 THE COURT: On what authority or what basis.

4 MS. CURTIS: I don't know. I don't know.

5 THE COURT: Okay.

6 And what happens then or what is happening to  
7 those assets?

8 MS. CURTIS: They're spending them.

9 THE COURT: Okay. She, Anita, has authority and can  
10 spend those proceeds --

11 MS. CURTIS: Yes, Your Honor.

12 THE COURT: -- based upon what? Is she considering  
13 herself the qualified beneficiary designee or something?

14 MS. CURTIS: She is considering herself a  
15 successor/co-trustee.

16 THE COURT: Successor/co-trustee.

17 MS. CURTIS: In place of my mother. She did most of  
18 the theft while my mother was still alive when she was acting  
19 with my mothers power of attorney. My mother supposedly  
20 resigned as trustee on December 21st, 2010, and my sister  
21 accepted successor/trustee. And my sister's also a  
22 beneficiary, so she's got a conflict of interest there.

23 THE COURT: So since 2010 you are not aware of, I  
24 gather you're saying you're not aware of the division of the  
25 estate at least designating your portion as being your full

1 one-fifth of the estate?

2 MS. CURTIS: I have never received a notice.

3 THE COURT: You are not aware that that has been  
4 done. In other words, you don't know that that has been  
5 done?

6 MS. CURTIS: No, I do not.

7 THE COURT: And you're not in charge of that, those  
8 assets?

9 MS. CURTIS: That's correct.

10 THE COURT: And so here's my question: What is it  
11 that you're seeking by this lawsuit?

12 MS. CURTIS: I am seeking that my sister and those  
13 who have received unfair distributions to return the money.

14 THE COURT: Okay.

15 MS. CURTIS: I would like them to pay back all of  
16 the interest that was lost on the securities that were cashed  
17 in during that 15 months and spent, diverted to other things.

18 THE COURT: All right.

19 MS. CURTIS: And I would like it to be divided five  
20 ways and for the five beneficiaries to go their separate  
21 ways.

22 THE COURT: And what have you been told, if  
23 anything, even today, if anything, that has prevented this  
24 from happening?

25 MS. CURTIS: I have been told nothing.

1 THE COURT: And you've talked with their counsel,  
2 have you not?

3 MS. CURTIS: Yes, I have.

4 THE COURT: And did you ask him about these  
5 questions or did you put these questions to him?

6 MS. CURTIS: No, I did not.

7 THE COURT: What were you asking? What was the  
8 nature of what you all were trying to accomplish as far as  
9 this injunction is concerned?

10 MS. CURTIS: We were trying to come up with a reason  
11 why we would not go forward with the injunction hearing. And  
12 I had five or six other alternative ways of resolving this.  
13 And he left the room to speak to his clients, and they would  
14 not agree to them.

15 THE COURT: What are you seeking now? What are  
16 those ways that you are seeking, and what is it that you want  
17 to happen here today?

18 MS. CURTIS: I wanted to have an independent trustee  
19 appointed.

20 THE COURT: All right. And that was refused.

21 Okay. What else?

22 MS. CURTIS: I wanted to know who, if any, special  
23 co-trustee was appointed as per this qualified beneficiary  
24 designation.

25 THE COURT: I'm sorry. Say that again.

1 MS. CURTIS: There was provision in the qualified  
2 beneficiary designation for a special co-trustee or a trust  
3 protector; and so, I suggested that maybe the trust protector  
4 take it over as the trustee.

5 THE COURT: All right. Okay.

6 MS. CURTIS: And the other reason was just similar  
7 to that. The Court could appoint an independent trustee who  
8 the defendants would have to obtain approval for any of their  
9 actions.

10 The Court could enjoin the trustees from acting  
11 without approval of the Court or express written approval  
12 from all five beneficiaries.

13 The Court could enjoin trustee from acting  
14 unless and until they can show they're in possession of  
15 authentic documents by submitting the documents purportedly  
16 signed on August 25, 2010 and December 21st, 2010 for a  
17 forensic analysis because the copies that we have have all  
18 been digitally altered and the signatures are fake.

19 THE COURT: Okay.

20 MS. CURTIS: I also asked originally if I could  
21 please know the identification and contact information for  
22 the trust protector, and I was told that the provisions for  
23 the trust protector were at section such and such in the  
24 qualified beneficiary designation, but I didn't get a  
25 straight answer.

1 THE COURT: So there is a document called "qualified  
2 beneficiary designation"?

3 MS. CURTIS: Yes, Your Honor.

4 THE COURT: And you do or do not have a copy of  
5 that?

6 MS. CURTIS: I do have a copy of it but not with me.

7 THE COURT: And you have been told that in -- when  
8 were you told this, today? When were you told where this  
9 provision about the special protector or co-trustee protector  
10 was located?

11 MS. CURTIS: In early 2012.

12 THE COURT: And you were told where to find it?

13 MS. CURTIS: I was told where to find the  
14 provisions, but I asked for the identity.

15 THE COURT: Okay. The identity of that person has  
16 not been given to you?

17 MS. CURTIS: That is correct, or if there even is.

18 THE COURT: If there is such a person.

19 All right. So that's what you're seeking in  
20 terms of your request for benefit -- for the injunction  
21 today; is that correct?

22 MS. CURTIS: Yes, Your Honor. I'm seeking that we  
23 stop the bleeding until we can get to the bottom of it.

24 THE COURT: Have you received any funds from the  
25 trust since 2010? I'm talking about since the death of your

1 mother.

2 MS. CURTIS: No, Your Honor. I have not.

3 THE COURT: You have made it known to -- have you  
4 communicated with your sister -- that's Anita, I believe --  
5 about that?

6 MS. CURTIS: I am not allowed to speak to Anita --

7 THE COURT: Why not?

8 MS. CURTIS: Except through her attorneys.

9 THE COURT: Well, that's untrue. That's your  
10 sister.

11 MS. CURTIS: Well, that's the way I feel about it,  
12 but I'm told I'm not allowed to speak to them, and they won't  
13 talk to me.

14 THE COURT: Who told you this? Who told you this,  
15 that you can't contact her?

16 MS. CURTIS: I inferred that from --

17 THE COURT: Did she tell you that, is what I am  
18 asking?

19 MS. CURTIS: No. She didn't tell me that because  
20 she hasn't spoken to me.

21 THE COURT: Well, have you tried to speak to her?

22 MS. CURTIS: Yes, Your Honor, I have.

23 THE COURT: What happens when you try to speak to  
24 her?

25 MS. CURTIS: I call. She doesn't answer. I leave a

1 voice mail, she doesn't call me back.

2 The same thing happened with my other sister  
3 Amy. I called and left a voice mail. She did not return my  
4 call. This was more than a year ago.

5 THE COURT: So they refuse to speak to you about  
6 this is what you are saying?

7 MS. CURTIS: Yes, Your Honor.

8 THE COURT: Go ahead and have a seat. Thank you.  
9 Counsel.

10 MR. VIE: Yes, Your Honor.

11 THE COURT: Why can't you come to some  
12 accommodation?

13 MR. VIE: Here's the situation. I just want to give  
14 you a little bit of background so that you understand in  
15 terms of the exhibits I put before you.

16 THE COURT: I don't have any exhibits yet. Well,  
17 some paper put up here.

18 Oh, the list. I see.

19 MR. VIEW: Yes, sir.

20 THE COURT: I haven't read these.

21 MR. VIE: Just to provide some assistance in  
22 answering your question, Your Honor. Exhibit 1 is a 60-or-so  
23 page document. That is the family trust document.

24 THE COURT: All right.

25 MR. VIE: And on page 1 of the document it says that

1 her father and mother had created a trust, it's an  
2 irrevocable trustee, and that the initial trustee shall be  
3 Anita Kay. So, Anita is the trustee under this document.

4 Because you heard a lot about this qualified  
5 beneficiary designation.

6 THE COURT: No. I heard about the co-trustees.

7 MR. VIE: So I wanted the Court to understand that  
8 this document --

9 THE COURT: Let me ask so we don't go down a rabbit  
10 trail. Was there a point in time when Carl was the  
11 co-trustee?

12 MR. VIE: I'm sorry?

13 THE COURT: Was there a time when Carl, the brother,  
14 was the co-trustee?

15 MR. VIE: I don't know if that -- I don't know with  
16 respect to this document if that's correct or not.

17 I understand that at one point there was a  
18 communication from the mother where she considered other  
19 family members serving in her role. But the documents that I  
20 have given you, the second exhibit that I have given you is  
21 where with respect to the mother's living trust while she was  
22 alive, she decided to have Anita appointed as her successor  
23 trustee instead, and then they created this certificate of  
24 trust.

25 THE COURT: That would have been relative to the

1 entirety of the irrevocable trust or was it simply her  
2 portion of the assets?

3 MR. VIE: It was with respect to the living trust  
4 that was created when she --

5 THE COURT: No, no, no. Here's what I am saying.  
6 The father is now deceased.

7 MR. VIE: Yes.

8 THE COURT: His wife entered into a irrevocable  
9 trust, and either he leaves all of you that in the trust to  
10 her benefit or his share goes into some other, goes into a  
11 trust for the children at that point.

12 So what happened?

13 MR. VIE: The father and mother created the  
14 irrevocable trust, which I have identified as Exhibit 1.

15 THE COURT: Okay.

16 MR. VIE: When the father died, his assets went into  
17 this living trust where their mother had assets to the  
18 living -- there was a sub trust created, a successor trust  
19 and a decedent's trust. The mother had that.

20 THE COURT: So she has all of the assets at that  
21 point?

22 MR. VIE: Yes. And the mother was able to make  
23 gifts and did make gifts to a number of the family members.  
24 So when the plaintiff was referencing the \$13,000 gift that  
25 she received and the others, these were gifts that her mother

1 while alive had directed. And my client Anita, as the  
2 successor trustee under this appointment, Exhibit 2, would  
3 make those transactions occur. But these were gifts from the  
4 mother.

5                   And then the mother dies, and this irrevocable  
6 trust --

7                   THE COURT: And did the mother die, according to  
8 what Ms. Curtis is saying, in December more or less, I guess?

9                   MR. VIE: November of 2010, Your Honor.

10                   THE COURT: November of 2010, okay.

11                   MS. CURTIS: 2011.

12                   THE COURT: 2011.

13                   MR. VIE: 11-11-2011.

14                   THE COURT: Right.

15                   MR. VIE: After that point, then Anita as trustee  
16 prepares a schedule of the estate, the context of the mother,  
17 and that money was going into the family trust; and that's  
18 one of the exhibits that she's attached.

19                   THE COURT: Well, wait a minute. What money is  
20 going into the family trust? Because now this trust, the  
21 trust that exists that is handling all this is the mother's  
22 living trust, right?

23                   MR. VIE: No, Your Honor. When she died, the living  
24 trust no longer exists.

25                   THE COURT: Oh, obviously.

1                   But before that, all of the assets were going  
2 into the living trust for the mother.

3                   MR. VIE: Right.

4                   THE COURT: And now the mother dies in November of  
5 2011, and then what happens?

6                   MR. VIE: Then we have the family trust, and there  
7 is created again a sub trust of a survivor's trust and the  
8 decedent's trust.

9                   THE COURT: And the family trust now reverts back to  
10 the irrevocable trust?

11                  MR. VIE: Yes, Your Honor.

12                  THE COURT: And in the irrevocable trust or in that  
13 trust there is a provision that says how those, how that  
14 trust is to be divided into five distinct trusts for the  
15 children?

16                  MR. VIE: My understanding is that there is a  
17 document under this complicated plan by which each of the  
18 individual beneficiaries, the five children, the four  
19 daughters and the son, they would have these asset trusts.  
20 Those trusts have not been created.

21                  THE COURT: Well, I am asking whether or not as a  
22 part of the -- as to your understanding, you have read it, is  
23 that a part of what the family trust required as far as you  
24 know? You said there's a document like it's some separate  
25 thing.

1 MR. VIE: Well, there's a -- I understand, Your  
2 Honor.

3 It's a rather long document. I understand and  
4 agree we are that the conclusion of this trust now at this  
5 point is to divide the assets to the five beneficiaries, and  
6 then each of their assets go into these asset trusts.

7 THE COURT: Separate and distinct from each other  
8 and for the benefit of each of the designated beneficiaries.

9 MR. VIE: Yes.

10 And as the plaintiff suggested, I believe the  
11 situation is that her trust, for example, she is not a  
12 trustee. One of her siblings is the trustee.

13 THE COURT: Even after it's divided off and given to  
14 her?

15 MR. VIE: Yes. And in these asset trusts, other  
16 members --

17 THE COURT: So someone who has a trust, like Anita  
18 herself, would have her own separate and distinct assets?

19 MR. VIE: Yes, sir.

20 THE COURT: And she'd be in charge of her own  
21 assets?

22 MR. VIE: No, no. There would be -- somebody else  
23 would be the trustee.

24 THE COURT: Of all of these five trusts?

25 MR. VIE: Yes -- no, of each.

1 THE COURT: Who is "someone else?" I mean --

2 MR. VIE: Well, for example, Carl's could be Anita  
3 and Amy's could be Carole.

4 THE COURT: But the documents say how this happened,  
5 though.

6 MR. VIE: These trusts have not been created yet.  
7 There has been no distribution.

8 THE COURT: I understand that. You are telling me  
9 that, but I am trying to find out whether or not the creation  
10 of these trusts require these beneficiaries to have someone  
11 else in charge of their money.

12 MR. VIE: That is my understanding. And she can  
13 correct me if I am wrong, and my clients can correct me as  
14 the trustees if I'm wrong.

15 THE COURT: So Anita -- somebody would be in charge  
16 of Anita's?

17 MR. VIE: Yes. That's right.

18 THE COURT: And then somebody else would be -- and  
19 Anita would be in charge of somebody else's?

20 MR. VIE: That's my understanding.

21 THE COURT: And these kids -- and they're not kids  
22 anymore, but these five siblings would be at each other's  
23 throats for the rest of their lives because --

24 MR. VIE: No. They'd each have their own --

25 THE COURT: Well, no. They got them, but they're

1 not in charge of it, is what I understand.

2 MR. VIE: All right.

3 THE COURT: That's what I am trying to say. In  
4 other words, I'd have to call my sister to get my money.

5 MR. VIE: What I know about the asset revocable --  
6 the asset trust is they have not been created yet.

7 As the Court heard, there are two lawsuits.  
8 There is this lawsuit and there is her brother's lawsuit. We  
9 are not parties to her brother's lawsuit. Her brother's  
10 lawsuit is brought in his capacity as the executor of his  
11 father's and mother's estates. It's in Harris County  
12 District Court. We're not parties to it.

13 THE COURT: Well that would be either the product of  
14 a will being probated --

15 MR. VIE: Yes, sir.

16 THE COURT: -- or it would be the product of an  
17 intestate proceeding. Which is it?

18 MR. VIE: The will has been probated.

19 THE COURT: So there is a will probate separate and  
20 apart from the trust?

21 MR. VIE: Yes, Your Honor.

22 THE COURT: And how does that overlay on the trust  
23 since all of the assets are in the trust?

24 MR. VIE: Well, I don't know that it overlays; but  
25 what I am trying to suggest to the Court is: One, since the

1 mother died, there has been no distributions to anyone,  
2 not --

3 THE COURT: I get that. I am trying to figure  
4 out --

5 MR. VIE: Since you haven't seen the distribution, I  
6 wanted the Court to understand that no one has.

7 THE COURT: But somebody got some money out of it or  
8 there has been a loss in value to the trust itself.

9 MR. VIE: She says that the stock that was invested  
10 with the brokerage houses may have lost money, is one of the  
11 things that she suggested in her motion.

12 THE COURT: Right.

13 MR. VIE: My point was to suggest that there has  
14 been no distributions since the mother died from the trust  
15 that Anita is the trustee for to anyone.

16 THE COURT: And you said the one that Anita is in  
17 charge of. What is Anita in charge of?

18 MR. VIE: Exhibit 1.

19 THE COURT: Okay. The entirety?

20 MR. VIE: Yes, sir.

21 THE COURT: That's what I am trying to get to.

22 MR. VIE: Yes.

23 THE COURT: Okay.

24 MR. VIE: And it's unlikely there will be any  
25 distributions until both this suit is resolved and her

1 brother's suit that he brought.

2 THE COURT: Well, this suit might resolve it.  
3 That's not their concern.

4 But what I am trying to find out is whether or  
5 not in the -- the question I was trying to get back was in  
6 the Carl's suit, I guess in probate court, whether or not  
7 that suit, which did not come up in the responses in the way  
8 that I understood it, whether or not that suit that impact  
9 whether or not this Court should be proceeding with this  
10 trust.

11 MR. VIE: No, Your Honor.

12 THE COURT: So it's separate and apart since the  
13 probate's completed.

14 MR. VIE: The probate has been filed. The suit is  
15 brought by him in his capacity as executor.

16 THE COURT: Is he without bond and independent?

17 MS. CURTIS: Yes.

18 MR. VIE: He's an independent executor. He is  
19 bringing the suit against the attorneys.

20 THE COURT: So he doesn't need to do anything else  
21 other than file it and do this accounting and all of that and  
22 then do whatever the will tells him to do.

23 MR. VIE: The litigation that he has brought is  
24 against the attorneys that created these trusts.

25 THE COURT: That's not even -- that's separate and

1 distinct from this lawsuit.

2 MR. VIE: Okay.

3 THE COURT: And it's separate and distinct from the  
4 estates because that's a malpractice lawsuit.

5 MR. VIE: Yes, sir.

6 THE COURT: Okay. So I am not concerned about that  
7 at all.

8 I was trying to make sure when he brought his  
9 suit, he was not simply arguing that somehow Anita had  
10 finagled her way into this position and she had squandered  
11 certain assets and then we've got these parallel lawsuits.

12 MR. VIE: I understand, Your Honor. And that was my  
13 point as well was to let you know that we are not parties to  
14 that litigation, it's not a claim in that litigation as the  
15 claims are --

16 THE COURT: And neither is the plaintiff here a  
17 party to that litigation.

18 MR. VIE: That is correct, Your Honor.

19 THE COURT: Okay.

20 So, the only suit that's pending dealing with  
21 the assets of these parent's estate is this lawsuit.

22 MR. VIE: Yes, Your Honor.

23 THE COURT: All right.

24 So what the plaintiff is saying on page 3 of  
25 her petition having to do with the December dates of 10, 12

1 and so on and what she considered to be "losses of the  
2 estate" are losses that I gather are decreases in assets that  
3 would be attributable to movement in the market.

4 MR. VIE: That is the specific. And, Your Honor,  
5 you are referring to the complaint or to the motion that has  
6 been filed for temporary relief?

7 THE COURT: I'm looking at the motion right now.  
8 That should be Instrument No. 35.

9 MR. VIE: Yes. With respect to that, there is an  
10 argument being made there that there has been a loss and it  
11 is the result of the investment of the securities.

12 THE COURT: You made a comment earlier that until  
13 the other lawsuit and this lawsuit is resolved. That lawsuit  
14 has nothing at all to do with the resolution of this estate.

15 MR. VIE: Well, I --

16 THE COURT: I'm telling you that.

17 MR. VIE: Okay.

18 THE COURT: There is nothing that should -- there is  
19 nothing going on in Carl's suit that prevents these parties  
20 from following what they have been instructed to follow in  
21 the trust document.

22 MR. VIE: Okay. I understand if that's the  
23 Court's direction.

24 THE COURT: Is there something that I am missing?

25 MR. VIE: Not that I am aware of, Your Honor.

1 THE COURT: That's a malpractice suit. And they  
2 get some money out of it, either he gets it or maybe he  
3 distributes it among his brothers and sisters, but it doesn't  
4 have anything to do with the distribution of this estate.

5 MR. VIE: My understanding -- the reason that I  
6 understood the case to be differently is that I understood  
7 that the purpose of the litigation that he had brought in  
8 state court was claiming that the attorneys who created these  
9 trusts had done so improperly so that we were in a situation  
10 in which we are here before this Court, and the Court is  
11 suggesting we should wind this thing up and distribute to all  
12 the beneficiaries.

13 THE COURT: It's going to be wound up. It's going  
14 to be wound up in this court.

15 Here's what I'm suggesting. I am suggesting  
16 that this will not become a feast and famine, feast for the  
17 lawyers and famine for the beneficiaries in this Court where  
18 we are sitting around churning the time out and the parties  
19 are charging out of that lawsuit, defense of that lawsuit,  
20 which you are not doing, apparently, unless -- are you the  
21 lawyer that created the trust?

22 MR. VIE: No, Your Honor.

23 THE COURT: So that's a separate law firm.

24 MR. VIE: Yes, Your Honor.

25 THE COURT: Yeah. So there is no reason for you to

1 be or your firm to be involved in the expenditure of that, of  
2 monies out of that lawsuit.

3 MR. VIE: And we aren't, Your Honor.

4 THE COURT: And there is no reason for Ms. Curtis to  
5 be concerned about spending money out of her assets for that  
6 lawsuit.

7 MR. VIE: Understand.

8 THE COURT: So, you can distribute what you got  
9 whether you get some more or not. It doesn't require -- this  
10 is not a probate where you got to gather everything together  
11 because everything is together.

12 MR. VIE: Okay.

13 THE COURT: The entire estate is together.

14 MR. VIE: Yes, Your Honor.

15 THE COURT: And if there is a lawsuit, and it's  
16 questionable whether or not Curtis has a lawsuit or not  
17 because he wasn't the creator and the payor for that creation  
18 of that trust.

19 So, the point I am making is, obviously he had  
20 no contractual relationship with the firm, and it's going to  
21 be seriously flawed -- seriously difficult for him to sue for  
22 malpractice when he wasn't -- when there is no  
23 attorney/client relationship.

24 MR. VIE: Understood, Your Honor.

25 THE COURT: So, the point I'm getting to here is

1 under this trust that is situated here, what my plaintiff,  
2 Ms. Curtis, I believe is saying is that she is, these assets  
3 are not being distributed, and she's of the opinion that  
4 there is something untoward going on, whether that's true or  
5 not.

6 MR. VIE: Yes, Your Honor.

7 THE COURT: And that there is no reason why she  
8 should be standing out in the field trying to get information  
9 about this trust and the distribution of these assets when  
10 she is equally entitled to any and all information just like  
11 Anita or anybody else.

12 MR. VIE: I understand that.

13 THE COURT: So, what is it then that prevents these  
14 parties from right now settling this suit?

15 MR. VIE: From settling it?

16 THE COURT: Yes. All they got to do is distribute  
17 the assets.

18 MR. VIE: Two things, Your Honor. And it's just my  
19 observation, because obviously the Court does not have to  
20 agree with me.

21 THE COURT: Sure.

22 MR. VIE: I provided the underlying documents that  
23 support the schedule that the plaintiff has attached to this  
24 motion for temporary relief. I have given her yesterday, in  
25 response to her request for production, some 5,000 pages.

1 She has told me that she wants to examine  
2 those, all of those underlying documents, stock transfers,  
3 checks and everything else.

4 You have heard from the plaintiff that she  
5 believes this very instrument is false.

6 THE COURT: "This very instrument" meaning the  
7 family trust?

8 MR. VIE: Family trust. That it's a forgery or that  
9 documents have been forged.

10 And I have offered, in response to the request  
11 for production, to make the originals, which I understand the  
12 trust attorney, those attorneys in the other lawsuit, to make  
13 those available for inspection and copying so that she can  
14 see them and satisfy herself that the underlying trust is in  
15 fact a legal and appropriate trust.

16 THE COURT: Okay.

17 MR. VIE: So that was one of the --

18 THE COURT: And that the signatures have not been  
19 forged or at least they're original signatures.

20 MR. VIE: Yes. In other words, one problem of  
21 trying to settle the disposition of the trust today is that  
22 the plaintiff disputes the accuracy of the accounting and the  
23 accuracy and legitimacy of the trust.

24 THE COURT: Right.

25 MR. VIE: And so, that was one issue.

1           The second issue, respectfully, is that I  
2 understood that given that the Harris County litigation  
3 contested the accuracy and validity of the trust, that again  
4 there was a risk of inconsistent positions if we were to  
5 treat the trust as valid and fund this while they litigated  
6 over in Harris County.

7           THE COURT: They don't have jurisdiction over there.  
8 I do. That's what the circuit court has told me. And that's  
9 the part that you said I might disagree; and you're right, I  
10 do.

11           I would not sit here and wait on somebody  
12 Harris County to figure out whether or not they have  
13 jurisdiction over an issue, which they do, but they don't  
14 have jurisdiction of the assets.

15           MR. VIE: I wasn't thinking as much of the  
16 jurisdiction, Your Honor, as I was thinking of the risk of  
17 inconsistent judgments. In other words --

18           THE COURT: Not if I get it resolved, there won't be  
19 any inconsistent to resolve.

20           If they get it resolved, then it probably won't  
21 be inconsistent because I'm obligated and then obliged to  
22 follow at least theoretically the findings of any court of  
23 competent jurisdiction.

24           MR. VIE: Yes, Your Honor.

25           And the third issue, which I don't think would

1 give the Court pause but is something I thought of, is the  
2 fact that all the beneficiaries are not parties to this  
3 litigation.

4 THE COURT: That won't bother me at all because I do  
5 have authority and jurisdiction over the person who you tell  
6 me has the duty and the responsibility to act.

7 MR. VIEW: So those are my --

8 THE COURT: That's it.

9 So, I want this resolved within 90 days. And  
10 if I have to appoint a trustee or somebody to handle this  
11 and get it done, I'll do it. It will cost the estate. And  
12 if I find that there has been mischief, it is going to cost  
13 individuals. And that will be a separate and distinct  
14 hearing.

15 So what I am telling the parties, and I am  
16 saying to you and to all those who have ears to hear, that  
17 this matter is going to get resolved. It's not going to turn  
18 into one of these long, drawn-out episodes like the ones we  
19 see on TV that go on for years where lawyers make money and  
20 people walk away broke.

21 MR. VIE: Yes, Your Honor.

22 THE COURT: Who is doing the accounting in this  
23 process? Has anybody put their arms around the assets and  
24 made any accounting at all?

25 MR. VIE: There is a CPA in Iowa that prepares the

1 tax returns each and every year for the estate, and we are  
2 getting --

3 THE COURT: How they get in Iowa? Is that where the  
4 family was from originally?

5 MR. VIE: The parents, yes, Your Honor. And the  
6 farm, as you heard, is in Iowa.

7 THE COURT: Okay.

8 MR. VIEW: And so, there is a CPA who has been  
9 involved throughout this period and files the trust income  
10 tax returns, and he is available.

11 MS. CURTIS: I object to that.

12 THE COURT: Hold on.

13 Go ahead.

14 MR. VIE: I think I have answered the Court's  
15 question.

16 THE COURT: Yes.

17 MR. VIEW: And would have the most, would have the  
18 best familiarity beyond --

19 THE COURT: How much money does he generally charge  
20 for his annual -- I guess he does his annual filings of  
21 reports. Is this something that's pretty cursory or --

22 MR. VIEW: I'm sorry. And there is a distinction.  
23 The documents that are attached as the schedule in that  
24 accounting that are attached to the motion that has been  
25 filed for injunctive relief, temporary schedules.

1 THE COURT: Those were prepared?

2 MR. VIE: By the defendant, by Anita in her capacity  
3 as trustee.

4 THE COURT: Okay.

5 MR. VIEW: I was responding to the Court's question  
6 in terms of who's the best person that could get their hands  
7 around it and that type of thing.

8 The CPA in Iowa obviously has to know all of  
9 the information available to the trust so that he can file  
10 the tax returns. He also pays and makes sure that the  
11 profits --

12 THE COURT: Then that might not be a good thing for  
13 me because I don't have jurisdiction over him.

14 MR. VIE: Okay.

15 THE COURT: But what I wanted to know was whether or  
16 not there was a person here locally, since I believe the  
17 defendants are here locally. They don't have a local CPA who  
18 is in charge of the estate.

19 MR. VIE: That's correct, Your Honor.

20 THE COURT: That would be Anita herself.

21 And then as far as the tax returns and all that  
22 annually which goes on, whether you got money or not, that  
23 would be done by the accountant in --

24 MR. VIE: Sioux City, Iowa.

25 THE COURT: Yeah, in Iowa.

1                   And excuse me. What were you about to say?  
2 You disagree with what, Ms. Curtis?

3                   MS. CURTIS: I disagree with allowing Rick Rickers,  
4 who is --

5                   THE COURT: Is that the attorney?

6                   MS. CURTIS: -- our cousin. He's the accountant in  
7 Iowa.

8                   THE COURT: He's your cousin?

9                   MS. CURTIS: He's our cousin.

10                  THE COURT: Okay.

11                  MS. CURTIS: He is also apparently the manager of  
12 the farm, and he began to file the tax returns --

13                  THE COURT: I've already said probably enough to  
14 give you some pause, to allay those concerns. But these are  
15 other reasons why he should not be doing accounting. He has  
16 a conflict of interest.

17                  MS. CURTIS: One reason why he should not be doing  
18 the accounting is because I have reason to believe that the  
19 farm lease, taking it away from the buyers, who were my  
20 father's very close friends, was notarized with a signature  
21 that was not my father's. I have not been able to look at  
22 that yet. I only have emails that purport that, but I would  
23 like to get copies of those.

24                  THE COURT: Let me address a couple of things.

25                               First of all, when we don't have information,

1 we can imagine a lot of things that may or may not be true,  
2 Okay?

3 MS. CURTIS: Yes.

4 THE COURT: That could be. I mean, all kind of  
5 thoughts and ideas go through our head when they don't have  
6 the information.

7 Here's what this Court cannot do. This Court  
8 cannot chase after each of your concerns. You have got  
9 enough money, you can hire anybody you want to do any kind of  
10 investigation you want done.

11 What I intend to do based upon the mandate from  
12 the circuit court is to try to address the concerns that you  
13 have. And they just can't be accusations, and I don't have  
14 any interest -- when I say I don't have any interest, I have  
15 an interest in outcomes, but I don't have an interest in the  
16 case so that I'm supposed to be doing things that would  
17 accomplish something for you except upon your filed  
18 documents. It's in your best interest, and I think I talked  
19 to you on the phone conference --

20 MR. VIE: Yes.

21 THE COURT: -- with both of you on the phone as  
22 well, that really this is not a matter that you should be  
23 trying to handle yourself. You should hire an attorney to do  
24 it for you, or at least part of it for you.

25 Now, I believe that it's in the Court's best

1 interest to preserve the assets of the estate and to bring to  
2 a point a going-forward process that this Court appoint  
3 someone to do an accounting of the assets and then make that  
4 accounting to the Court.

5 Now, you don't have to agree with me, but it's  
6 going to be an accounting of what the assets are. Whether  
7 something has been taken or mismanaged or mishandled is not  
8 going to be a part -- that's not the kind of accounting  
9 that's going to go on here.

10 What is, and that is what's invested, where  
11 it's invested and how it's invested is going to be the  
12 Court's concern. Once that accounting is in place, the  
13 question is whether or not the Court is going to be required  
14 or whether or not Ms. Brunsting will go forward in her  
15 capacity or not.

16 If she fails, then the Court will direct or put  
17 someone else in that position to do that, to move into this  
18 area or division so that the assets can be distributed or  
19 whatever beneficiaries. That's where I am in this case, and  
20 that's where the circuit court I believe has me. So I think  
21 it's in all of our best interest to appreciate this process.

22 In light of that, the Court is of the opinion  
23 that there are no expenditures that should be made unless  
24 they're made upon the approval of the Court. So, in other  
25 words, if Mr., up in Utah --

1 MR. VIEW: Iowa.

2 MS. CURTIS: Rickers in Iowa.

3 THE COURT: Mr. Rickers needs to pay the farmer. We  
4 used to call those sharecroppers sort of. It's a kind of a  
5 sharecropper thing where someone comes in farms the land and  
6 you get a percentage of it. If Mr. Rickers and the  
7 sharecroppers and others need to pay out bills and things,  
8 they should be petitioning the Court for that. That's where  
9 we are now.

10 We're at a point where I'm going to have to  
11 take charge in order to make sure that what I am doing has  
12 sanctity and has, well, trust going forward. What I am going  
13 to do is simply to try to make sure that the parties are all  
14 going to have equal standing and footing in this process. So  
15 that's part of what I am going to do. I'm going to enter an  
16 injunction in that regard.

17 Now, anybody who claims they want to bill the  
18 estate for something, whether it's lawyers or not, I am  
19 concerned about whether or not your bill should be paid by  
20 the estate because of this circumstance.

21 MR. VIE: I understand.

22 THE COURT: If the parties are going to agree, if  
23 the parties are going to come together and agree that your  
24 fee should be paid, then we should then move to a situation  
25 where we have a mediator in place or a designee in place who

1 will then make sure that if Ms. Curtis needs counsel, she can  
2 get that. That equally would be paid out of the estate.

3           It would not include Curtis because I am not  
4 going to be involved in the litigation of whether or not this  
5 is a good trust or not. I'm going to presume that it's a  
6 good trust, and I am going to go forward from there. If  
7 Curtis proves otherwise, he can get that money from the  
8 lawyers, and that would be certainly to his advantage or  
9 benefit.

10           MS. CURTIS: Are you talking about my brother Carl?

11           THE COURT: Yes. I said Curtis. I meant Carl. I  
12 apologize. You can see I'm struggling here.

13           MS. CURTIS: Too many C's.

14           MR. VIE: For the record, is it 90 days, Your Honor?

15           THE COURT: Yeah. I said we should try to wrap this  
16 up in 90 days, but I believe that if I appoint -- and you can  
17 suggest someone. I don't know if you know someone. Just  
18 give me a couple names. If not, I will designate someone to  
19 do this and enter an order to that effect.

20           It may be that because of the lack of trust  
21 that it may not need to be, unless both of you are  
22 designating somebody that you can agree upon, it may be  
23 better for me to have some person independent of the sides  
24 unless you all can agree upon the person or firm that should  
25 take care of this business.

1 MR. VIE: So we will get together and try to arrive  
2 at an agreed CPA that could provide the accounting the Court  
3 requests.

4 THE COURT: Sure. And we have a lot of them here in  
5 Houston just like we got -- I don't know anybody in  
6 California, but I want somebody I have got some jurisdiction  
7 over.

8 MR. VIEW: So if we're unable to do so we'll notify  
9 the Court we were unable to reach an agreement?

10 THE COURT: Sure. And you need to do that by the  
11 end of the week.

12 MR. VIEW: Yes, Your Honor.

13 THE COURT: You are going to be here what, today?

14 MS. CURTIS: I leave at 4:00 o'clock.

15 THE COURT: 4:00 o'clock today. Well, then you need  
16 to talk fast and see if you all can agree. Maybe you should  
17 talk over lunch. That way you can kind of size each other  
18 up. Eating together sometimes brings out good things.

19 And so, if you will do that by the end of the  
20 week, I will then prepare an order entering a temporary  
21 retraining order against the expenditure of any funds.  
22 Notice will be not just to you but to you in terms of Anita  
23 because I think she holds the purse in this situation. If  
24 there is any money to be paid to anybody up in Utah or  
25 anyplace else, she would be person who would authorize it or

1 do it.

2                   The accountant isn't do it, as I understand it,  
3 right?

4                   MR. VIE: No. He is just preparing the necessary  
5 documents.

6                   THE COURT: Right. So the purse strings here in  
7 Houston, she can certainly prepare through you whatever  
8 documents are necessary for parties to be paid.

9                   MR. VIEW: Yes, Your Honor.

10                  THE COURT: And then hopefully that report can get  
11 done in 30 or 40 days, and then we can have a hearing. If  
12 there is some dispute about summary areas of the report, we  
13 can have a hearing about that. If there is a memorandum or  
14 recommendation as relates to how to go forward with this  
15 "asset trust," that is the distribution, we can do that.

16                  If the parties can reach an accommodation as to  
17 how those assets ought to be dealt with, how silent a trust  
18 and they all sign off on it, we can do that. It's just a  
19 matter of how you want to do it. The trust is not going to  
20 control unless you want it to control at this point.

21                  MR. VIE: Yes, Your Honor.

22                  THE COURT: Under the circumstances, it seems to me  
23 there's going to be a continuous bickering and mistrust.

24                  Anything else?

25                  MS. CURTIS: No, Your Honor.

1 MR. VIEW: No, Your Honor.

2 THE COURT: Let me have Ms. Anita Brunsting come  
3 forward.

4 Good morning. Did you drop something on your  
5 foot?

6 MS. BRUNSTING: I broke my foot.

7 THE COURT: Raise your right hand.

8 Do you solemnly swear or affirm that any  
9 testimony you will give in this case will be the truth, the  
10 whole truth, nothing but the truth so help you God?

11 MS. BRUNSTING: I swear.

12 THE COURT: You've heard the discussion here in the  
13 courtroom, have you not?

14 MS. BRUNSTING: (Indicating in the affirmative.)

15 THE COURT: And I know that you have got counsel,  
16 and you can speak with him about the implications and  
17 concerns that the Court has about making sure that the assets  
18 are accounted for. And you certainly can work through him on  
19 any matters that you need to address to the Court. And, of  
20 course, counsel understands that he is to communicate both  
21 with the Court and with Ms. Curtis on any matters that he is  
22 presenting to the Court.

23 Is there any question about anything I have  
24 said -- I don't mean disagreement because you can certainly  
25 disagree with me about anything -- but is there any question

1 that you might have about anything I've said that you need me  
2 to answer, or certainly you have your attorney present.

3 MS. BRUNSTING: I need the trust account to pay.  
4 I've got the forms from the CPA. Can I move forward on that?

5 THE COURT: I think you should probably file a short  
6 motion and simply serve a copy of it on opposing counsel, Ms.  
7 Curtis, and forward it with a short order to me, and that  
8 wouldn't be a problem. This should be based upon the tax  
9 forms.

10 MR. VIE: Yes, sir.

11 And in terms of notice to the Court -- I'm  
12 sorry, not notice to the Court, the Court directing notice,  
13 do I notify the other beneficiaries?

14 THE COURT: Absolutely.

15 MR. VIE: Okay.

16 THE COURT: Even though they're not a party, they  
17 are beneficiaries and we should keep them in the loop.

18 MR. VIEW: I just wanted to bring that up.

19 THE COURT: Yeah. Should be in the loop because it  
20 doesn't make sense for us to have to go back and pull them  
21 forward a month.

22 MR. VIE: I will prepare appropriate submissions for  
23 payments that I would like. If the Court will approve it,  
24 then the trustee will make the payments.

25 THE COURT: Are these to be paid on or before April

1 15th or is there another cycle?

2 MS. BRUNSTING: No, by April 15th.

3 THE COURT: All right. So either they will get to  
4 me on Thursday or whatever, and I'll sign off on them, on the  
5 motion and the order, and that shouldn't be a problem.

6 You are not going to have to liquidate any  
7 assets to deal with that, are you?

8 MS. BRUNSTING: No. We have a checking account with  
9 enough that I can pay it.

10 THE COURT: Right.

11 MS. BRUNSTING: What about any incoming? The farm  
12 is rented, so we get a check twice a year.

13 THE COURT: Your function and role is to make those  
14 deposits as they come in.

15 MS. BRUNSTING: So I can continue to deposit them?

16 THE COURT: Continue depositing. All I am trying to  
17 do is control the outgo. What comes in as an expense is what  
18 counsel needs to see, and they have a proper and appropriate  
19 motion.

20 And if these things come in -- if this is a  
21 once a month kind of sit down and write out the bills kind of  
22 thing, then that's the way he should probably handle it. At  
23 some point just sit down and you prepare a list of things  
24 that you need to have done and certainly provide the forms or  
25 whatever you need.

1 MR. VIE: Yes, Your Honor.

2 MS. BRUNSTING: Okay.

3 THE COURT: All right. Thank you very much.

4 All right, counsel. That's all I have. And  
5 I'll prepare an order and get it out perhaps by tomorrow  
6 afternoon. There should not and in my opinion will not need  
7 to be a bond posted. These are parties of equal status as it  
8 relates to the assets, so no bond is going to be required.

9 I think, Ms. Curtis, you need to follow my  
10 advice. At some point consider getting an attorney, someone  
11 you trust to work with you, all right.

12 Okay. Thank you very much.

13 MR. VIE: Thank you, Your Honor.

IN RE: ESTATE OF

NELVA E. BRUNSTING,

DECEASED

§

IN THE PROBATE COURT

NUMBER FOUR (4) OF

HARRIS COUNTY, TEXAS

NOTICE OF FILING OF INJUNCTION AND REPORT OF MASTER

TO THE HONORABLE PROBATE COURT:

COMES NOW, Plaintiff, Candace Louis Curtis, and files certified copies of an Injunction and Report of Master and would show the Court as follows:

1.

Plaintiff originally filed her Original Petition in the United States District Court for the Souther District of Texas, Houston Division, under Civil Action No. 4:12-CV-592. On April 19, 2013, the United States District Court entered a Memorandum and Order Preliminary Injunction in which it found that Anita Kay Brunsting and Amy Ruth Brunsting as Trustees had failed to act in accordance with the duties required by the Trust and enjoined them from disbursing any funds from any Trust accounts without prior permission of the court. See Ex. A, Memorandum and Order Preliminary Injunction. In that same order, the court determined to appoint an independent firm or account to gather the financial records of the Trust(s) and provide an accounting of the income and expenses of the Trust(s) since December 21, 2010. See Ex A, Memorandum and Order Preliminary Injunction. Ultimately court appointed CPA William G. West filed his Report of Master dated July 31, 2013. See Ex. B, Report of Master.

2.

On May 15, 2014, the United States District Court entered an order transferring Civil Action 4:12-CV-00592 into Harris County Probate Court Number Four, Cause Number 412,249. See Ex.

C, Remand Order. That Order Granting Remand specifically provided that all ordered rendered by the United States District Court would carry the same force and effect the remand that they would have had if a remand had not been ordered. *See* Ex. C, Remand Order. This Court accepted the United States District Court Order of Remand June 3, 2014. *See* Order of Transfer, Court's file. As such, this Court has accepted the Injunction entered by the United States District Court.

3.

Plaintiff now files Exhibits A and B to make them part of the Court's record, having already been accepted via the May 15, 2014 and June 3, 2014 Remand and Transfer Orders.

WHEREFORE, PREMISES CONSIDERED, Plaintiff Candace Curtis respectfully prays for such further relief to which she may show herself justly entitled.

Respectfully submitted,

CIVIL ACTION NO. 4:12-CV-592

**MEMORANDUM AND ORDER  
PRELIMINARY INJUNCTION**

**I. INTRODUCTION**

Before the Court is the *pro se* plaintiff's, Candace Louise Curtis, renewed application for an *ex parte* temporary restraining order, asset freeze, and preliminary and permanent injunction [Dkt. No. 35]. Also before the Court is the defendants', Anita Kay Brunsting and Amy Ruth Brunsting, memorandum and response to the plaintiff's renewed motion [Dkt. No. 39]. The Court has reviewed the documents presented, including the pleadings, response and exhibits, received testimony and arguments, and determines that the plaintiff's motion for a temporary injunction should be granted.

**II. BACKGROUND**

**A. Procedural Background**

The plaintiff filed her original petition on February 27, 2012, alleging that the defendants had breached their fiduciary obligations under the Brunsting Family Living Trust ("the Trust"). Additionally, the plaintiff claimed extrinsic fraud, constructive fraud, intentional infliction of emotional distress, and sought an accounting, as well as a

recovery of legal fees and damages. The Court denied the plaintiff's request for a temporary restraining order and for injunctive relief. However, concurrent with the Court's order denying the relief sought by the plaintiff, the defendants filed an emergency motion for the removal of a *lis pendens* notice that had been filed by the plaintiff on February 11, 2012, prior to filing her suit.

The defendants sought, by their motion, to have the *lis pendens* notice removed in order that they, as the Trustees of the Trust might sell the family residence and invest the sale proceeds in accordance with Trust instructions. After a telephone conference and consideration of the defendants' argument that the Court lacked jurisdiction, the Court concluded that it lacked jurisdiction, cancelled the *lis pendens* notice, and dismissed the plaintiff's case.

The plaintiff gave notice and appealed the Court's dismissal order. The United States Court of Appeals for the Fifth Circuit determined that the Court's dismissal constituted error. Therefore, the Fifth Circuit reversed the dismissal and remanded the case to this Court for further proceedings. This reversal gave rise to the plaintiff's renewed motion for injunctive relief that is now before the Court.

**B. Contentions of the Parties**

The plaintiff contends that she is a beneficiary of the Trust that the defendants, her sisters, serve as co-trustees. She asserts that, as co-trustees, the defendants owe a fiduciary duty to her to "provide [her] with information concerning trust administration, copies of trust documents and [a] semi-annual accounting." According to the plaintiff,

Case 4:12-cv-00592 Document 45 Filed in TXSD on 04/19/13 Page 3 of 5

the defendants have failed to meet their obligation and have wrongfully rebuffed her efforts to obtain the information requested and that she is entitled.

The defendants deny any wrongdoing and assert that the plaintiff's request for injunctive relief should be denied. The defendants admit that a preliminary injunction may be entered by the Court to protect the plaintiff from irreparable harm and to preserve the Court's power to render a meaningful decision after a trial on the merits. *See Canal Auth. of State of Fla. V. Calloway*, 489, F.2d 567, 572 (5th Cir. 1974). Rather, the defendants argue that the plaintiff had not met her burden.

### III. STANDARD OF REVIEW

The prerequisites for the granting of a preliminary injunction require a plaintiff to establish that: (a) a substantial likelihood exists that the plaintiff will prevail on the merits; (b) a substantial threat exists that the plaintiff will suffer irreparable injury if the injunction is not granted; (c) the threatened injury to the plaintiff outweighs the threatened harm that the injunction may do to the defendants; and, (d) granting the injunction will not disserve the public interest. *See Calloway*, 489 F.2d at 572-73.

### IV. DISCUSSION AND ANALYSIS

The evidence and pleadings before the Court establish that Elmer Henry Brunsting and Nelva Erleen Brunsting created the Brunsting Family Living Trust on October 10, 1996. The copy of the Trust presented to the Court as Exhibit 1, however, reflects an effective date of January 12, 2005. As well, the Trust reveals a total of 14 articles, yet Articles 13 and part of Article 14 are missing from the Trust document. Nevertheless, the Court will assume, for purposes of this Memorandum and Order, that the document

presented as the Trust is, in fact, part of the original Trust created by the Brunstings in 1996.

The Trust states that the Brunstings are parents of five children, all of whom are now adults: Candace Louise Curtis, Carol Ann Brunsting; Carl Henry Brunsting; Amy Ruth Tschirhart; and Anita Kay Brunsting Riley. The Trust reflects that Anita Kay Brunsting Riley was appointed as the initial Trustee and that she was so designated on February 12, 1997, when the Trust was amended. The record does not reflect that any change has since been made.

The plaintiff complains that the Trustee has failed to fulfill the duties of Trustee since her appointment. Moreover, the Court finds that there are unexplained conflicts in the Trust document presented by the defendants. For example, The Trust document [Exhibit 1] shows an execution date of January 12, 2005.<sup>1</sup> At that time, the defendants claim that Anita Kay served as the Trustee. Yet, other records also reflect that Anita Kay accepted the duties of Trustee on December 21, 2010, when her mother, Nelva Erleen resigned as Trustee. Nelva Erleen claimed in her resignation in December that she, not Anita Kay, was the original Trustee.

The record also reflects that the defendants have failed to provide the records requested by the plaintiff as required by Article IX-(E) of the Trust. Nor is there evidence that the Trustee has established separate trusts for each beneficiary, as required under the Trust, even though more than two years has expired since her appointment.

<sup>1</sup> It appears that Nelva Erleen Brunsting was the original Trustee and on January 12, 2005, she resigned and appointed Anita Brunsting as the sole Trustee.

In light of what appears to be irregularities in the documents and the failure of the Trustee to act in accordance with the duties required by the Trust, the Court ENJOINS the Trustee(s) and all assigns from disbursing any funds from any Trust accounts without prior permission of the Court. However, any income received for the benefit of the Trust beneficiary is to be deposited appropriately in an account. However, the Trustee shall not borrow funds, engage in new business ventures, or sell real property or other assets without the prior approval of the Court. In essence, all transactions of a financial nature shall require pre-approval of the Court, pending a resolution of disputes between the parties in this case.

The Court shall appoint an independent firm or accountant to gather the financial records of the Trust(s) and provide an accounting of the income and expenses of the Trust(s) since December 21, 2010. The defendants are directed to cooperate with the accountant in this process.

It is so Ordered

**I. Introduction**

On February 27, 2012, Candace Curtis filed a pro se complaint in the United States District Court for the Southern District of Texas, alleging the civil torts of breach of fiduciary, extrinsic and constructive fraud and intentional infliction of emotional distress, alleging that the Brunsting Defendants acting as trustees for their parents' trust, failed to notice her of actions affecting her beneficial interests, refused to provide copies of non-protected trust instruments and refused to account for trust assets, or to report on any other acts of administration. On March 8, 2012, Plaintiff's complaint was dismissed under the probate exception to federal diversity jurisdiction. The Plaintiff filed a notice of appeal. On January 30, 2013, the Fifth Circuit Court of Appeals reversed the dismissal. On April 19, 2013, the District Court issued a memorandum and order for preliminary injunction. In the order, the Court ordered the appointment of an independent firm or accountant to gather the financial records of the trust and provide an accounting of the income and expenses of the trust since December 21, 2010. The defendants were ordered to cooperate with the accountant in the process. On May 9, 2013, the Court ordered the appointment of William G. West as master to perform an accounting. Though the injunction order was signed in April, the master received substantial records through May 31, 2013, and has used that date as the ending date for the report. Therefore, the report covers the time period of December 21, 2010, through May 31, 2013, except for any periods for which information was not received as noted later in this report.

**II. Time Line of Records Received**

On or about April 18, 2013, the accounting firm of William G. West, P.C., C.P.A. ("West") was contacted by the court concerning the preparation of the report contained herein since the parties to the suit had not mutually agreed upon the selection of an accountant. After discussing the case with the Judge and a conflict check, West agreed to accept the appointment. West then instructed his attorney to draft and prepare an order appointing him as master to perform an accounting of the income and expenses of the trust since December 21, 2010. This order was signed on May 9, 2013. Shortly thereafter, West reviewed the court docket and read certain pleadings filed in the case. On May 22, 2013, West contacted the attorney for the defendants, Mr. George Vie ("Vie"), to schedule a meeting to discuss the records and the collection of them. On May 29, 2013, West went to Vie's office for the meeting. At the meeting West was given a box of paper records containing bank statements, brokerage statements, statements for dividend reinvestment accounts and tax returns. He was also given a CD which were said to contain pdf copies of most of these records. West was also given a listing of records being turned over and those statements missing or not yet obtained. West was told the missing records were in the process of being obtained. West also requested copies of any electronic accounting or bookkeeping files the defendants may have for the trust. Subsequently, on or about June 4, 2013, West was emailed some Quicken accounting program files which he was able to successfully download and open in order to review. On or about June 6, 2013, West received additional records from Vie. During this time West contacted the plaintiff to discuss the case with her and request copies of any records of the trust she may have in her possession. Towards the end of June, West

02102015:0836:P0148

02112015:1339:P0016

contacted Vie for an update on the status of the receipt of missing records which had yet to be produced. Additional records were promised in the near future. On or about July 1<sup>st</sup> West received emails from the plaintiff containing pdf copies of various records. West found, that for the most part, he had these records already from Vie (the plaintiff had told West beforehand that most of the records she had, in fact, came from the defendants' attorney, except some her brother had given her). On July 5<sup>th</sup> Vie sent additional records to West (and pdf copies of same on CD). After review of these records received on July 5<sup>th</sup>, West sent an email to Vie inquiring as to when additional records would be received. West specifically addressed his concern that there were many bank disbursements for which he had no copies of cancelled checks or paid bill invoices to document said disbursements. On July 15, 2013, West sent another email addressing this same issue and received a letter from Vie in explanation of certain distributions. On July 24, 2013, Vie forwarded several more missing bank statements. Up until the submittal date of this report, West communicated with Vie for clarification on certain deposits or disbursements.

**III. Work Performed by Accountants**

Upon receipt of the first batch of records from Vie, West had his staff reconcile the paper records received with those in pdf on the CD and with the scheduled listing of records turned over and those not yet turned over. When the Quicken files were received and opened, they were download, reviewed and converted into excel spreadsheets for use by West's staff. It is West's opinion that the Quicken files kept by the defendant(s) were more for use as an electronic checkbook to keep bank balances as opposed to a more fully integrated bookkeeping system. To some extent the Quicken files did serve as

02102015:0838:P0149

02112015:1339:P0017

an outline for the subsequent work done by West. West set up a client account in QuickBooks to serve as an accounting database to compile the income and expense report for the trust. Once the chart of accounts was set up, all of the cash receipt and cash disbursement activity reflected on the Quicken files and bank statements were entered into QuickBooks. Some of the disbursements from the bank accounts did not have cancelled checks associated with the bank statements. A great many disbursements did not have support to document them reflecting the recipient, what was being paid for and the like. West had to rely on descriptions he found in the Quicken records, bank statements or elsewhere in the documents given to him. West has also relied on information/explanations supplied to him in a letter by the defendants' attorney dated July 15, 2013. In summary, West was not given unrelated third party documentation for many of the disbursements run through the bank accounts. The entry of these receipts and disbursements was extremely time consuming; Approximately a thousand entries were made into the QuickBooks database in order to record them. These entries were made only after reviewing related documents provided and ascertaining how best to record the entries. Additionally, paid bills or invoices, if present for reviewing, were compared to the bank disbursements.

West was also given brokerage account statements for three Edward Jones accounts and twelve dividend reinvestment accounts for either Chevron or ExxonMobil. West's staff had to do a reconciliation of monthly or quarterly reports for each account and/or transfers between them. This activity was entered via journal entries. The entry of these stock type accounts was also extremely time consuming, approximately five hundred entries were made into the QuickBooks database in order to record them after a careful

02102015:0838:P0150

02112015:1339:P0018

review and analysis of the respective account statements covering a two and a half year time frame. Numerous work papers were prepared to analyze: 1. transfers between accounts; 2. stock dividends reinvested; and, 3. stocks which were either sold or distributed.

West has used his best judgment in classifying the receipts and disbursements into account categories on the income and expense report. West requested that the defendants provide him with all the accounting information of the trust(s) and he is relying upon the belief they have complied and there are no other available records to be turned over. West has relied on the information given to him and interpreted as best he could. West reserves the right to amend the report as needed as new and additional information becomes available.

**V. Report Exceptions and Missing Documents**

In our review, we noted that we did not receive copies of approximately thirteen checks. We relied upon other information provided by the defendants to reflect the payee and categorize the type of expense incurred. We were supplied with a limited number of paid bills and invoices supporting many of the disbursements and payments made. Again we relied on the various types of information provided to us to categorize the type of expense paid. We did not receive monthly statements for payments made on a Bank of America credit card. These payments are reflected in summary on the report (Exhibit 1) and also in

02102015:0838:P0152

02112015:1339:P0020

the detail of accounts (Exhibit 2). The categorization of these payments can be amended should the statements and supporting documents be received.

The following account statements were not received and the activity for the periods has not been recorded in the report:

Bank of America checking accounting # [REDACTED]-9546, 12/14/2011 to 5/31/13.

Edward Jones account # [REDACTED] 5-1-6, 4/26/2013 to 5/31/2013.

Chevron dividend reinvestment account # [REDACTED] 9423 12/31/2011 to 5/31/2013

ExxonMobil dividend reinvestment account # [REDACTED] 6287 9/30/2012 to 5/31/2013

John Deere dividend reinvestment account (summary provided, but no monthly reports)

Met Life dividend reinvestment account (summary provided, but no monthly reports)

**VI. Stock Distributed/Dividend Reinvestment Account Information**

During the period, a number of Dividend Reinvestment Accounts ("DRP") were maintained. The information we received included accounts with Chevron Corporation ("CVX") shares, Exxon/Mobil Corporation ("XOM") shares, Deere and Company ("DE") shares and MetLife Inc ("MET") shares. When shares were distributed to the beneficiaries or parties in interest, the transaction was accounted for on the QuickBooks database at the fair market value at the time of the distribution or transfer. The fair market value was determined from historical records of stock prices at the close of the date of the transaction. These amounts may or may not be the actual amounts realized by the individuals receiving the stock. Please refer to Exhibit 3 in relation to this section.

Case 4:12-cv-00592 Document 62 Filed in TXSD on 08/08/13 Page 10 of 38

At the beginning of the review period, there were 1,292.2088 shares of CVX and 4,010.20048 shares of XOM according to the records we received. According to account information provided to us 95 shares of MET were attributable to the estate and 9.5807 shares of DE were never transferred to the Nelva Brunsting Survivor's Trust.

During the review period, 675 shares of CVX were transferred as follows:

Anita Brunsting received 135 shares  
Ann Brunsting UGMA received 135 shares  
Jack Brunsting UGMA received 135 shares  
Katie Riley UGMA received 135 shares  
Luke Riley received 135 shares.

During the review period, 2,675 shares of XOM were transferred as follows:

Amy Brunsting received 1,120 shares  
Carole Brunsting received 1,325 shares  
Anita Brunsting received 160 shares  
Candy Curtis received 160 shares.

Dividends were reinvested in stocks purchased at the fair market values at the time of the transactions as follows:

CVX shares purchased were 84.83095  
XOM shares purchased were 60.51429  
DE shares purchased were 0.04946

Partial shares were sold as follows:

XOM shares sold were 0.79847  
DE shares sold were 0.9117

612 CVX shares were maintained in an account not under control of Anita Brunsting at the beginning of the review period, but were eventually transferred into the main CVX DRP account. A final accounting of 37.131 shares of CVX stock could not be determined since reports after 12/31/2011 were unavailable for one of the DRP accounts.

Case 4:12-cv-00592 Document 62 Filed in TXSD on 08/08/13 Page 11 of 38

4.42786 shares of XOM were unaccounted for because reports after 9/30/2012 were unavailable from one of the DRP accounts.

95 shares of MET were attributed to the trust information, however the only reports reflecting information on these shares were dated late in the review period and did not show whether the shares were available to the estate at the beginning of the period.

Only 0.04946 shares of DE were attributed to the estate at the end of the period. No reports reflected the balance as of the beginning of the period and 8.669 shares were not accounted for during the period.

At the end of the review period, 1,276.88344 shares of CVX, 1,300.25643 shares of XOM, 0.04946 shares of DE and 95 shares of MET were available to the trust.

**VII. Comments on Certain Accounts**

In the Income/Receipts section of the report there are accounts titled *Long Term Capital Gains- Funds* and *Short Term Capital Gains- Funds*. These amounts do not represent sales made by the Trust, per se, but rather sales of securities made by stock or bond funds held in the Trust accounts and then passed on to the Trust.

In the Expense/Distributions section of the report there is an account titled *Cash/Check to Family Members*. This account represents cash, checks, electronic fund transfers paid or sent to family members or payments made for the benefit of family members, as best as West could ascertain. In Exhibit 2, the detail of accounts, there is a

listing of the payments found that fit this account category. In the information provided to West, many of the payments are noted as *reimbursement* to family members for expenses (trustee fees, legal fees, repairs, work performed, etc.) incurred on behalf of the trust and are noted as such in the memo section of the detail of accounts. Also the July 15, 2013, letter from Vie in explanation of certain distributions is referenced here in regard to certain distributions. It is important to note this section lists distributions out of bank accounts to or for the benefit of family members. It does not list distributions of stock which are listed separately in the last section of the Statement of Income/Receipts and Expenses/Distributions and the related Section VI above and in Exhibit 3.

An account titled *Payments to Credit Cards* is included in the Expense/Distributions section of the report. This account reflects payments made on credit cards for which we could not find supporting documentation or ascertain how the amounts should be allocated to other Expense/Disbursement accounts. Section V above addresses Bank of America credit card payments and lack of statements and supporting documents. There were also payments to a Bluebonnet credit card account (also referenced as "Cardmember Services" in information given to us), for which we were given monthly statements and some supporting documentation. Due to the general lack of supporting documents for these payments they have been placed into this account.

#### VIII. Summation

In this case I have been asked to prepare an accounting to help the Court consider the issues in dispute. I have undertaken an analysis of the books and records provided to me. It

is my belief that all my requests for information from the various parties were reasonable and that I made it clear I wanted all available records. This report has been based on all records received to date. The report can be amended should additional records be received if so directed by the Court. This report has been made in good faith.

Respectfully submitted on this 31<sup>st</sup> day of July, 2013.

CIVIL ACTION NO. 4:12-CV-592

**ORDER GRANTING PLAINTIFF'S MOTION TO REMAND**

The matter before the Court is the Plaintiff's Motion to Remand. Plaintiff seeks remand of the case to state court on substantive and procedural grounds including a lack of complete diversity between the parties and the existence of similar questions of law and fact currently pending before Harris County Probate Court Number Four under Cause Number 412,249. The Court finds that the remand should be GRANTED.

The Court finds that Plaintiff originally filed her Petition against Defendants Anita Brunsting and Amy Brunsting as Co-Trustees of the Brunsting Family Trust and that diversity jurisdiction existed between Plaintiff and Defendants. Plaintiff has sought and been granted leave to file her First Amended Petition, in which she has named additional necessary parties including Carl Brunsting, individually and as Executor of the Estate of Nelva Brunsting and Carole Ann Brunsting, which has destroyed diversity jurisdiction. Plaintiff's First Amended Petition also alleges questions of law and fact similar to those currently pending in Harris County Probate Court Number Four under Cause Number 412,249, and that the possibility of inconsistent judgments exists if these questions of law and fact are not decided simultaneously. The Court further finds that no parties are opposed to this remand and that no parties have filed any objection thereto.

It is further, ORDERED that all Orders rendered by this Court shall carry the same force and effect through the remand that they would have had if a remand had not been ordered.

**PLAINTIFF’S RESPONSE TO THE REPORT OF MASTER AND  
APPLICATIONS FOR ORDERS**

**1. Statement of the Case**

1.1 Plaintiff and Defendants are siblings. Their parents, Elmer and Nelva Brunsting, created a living trust for their benefit and for the benefit of their five children. The stated co-successor beneficiary distribution was to be equal, 1/5 for each of the five Brunsting children: Candace, Carole, Carl, Amy, and Anita. The trust was also structured to preserve the Brunsting legacy for Elmer and Nelva’s grandchildren.

1.2 Plaintiff Curtis’ father died April 1, 2009 and her mother died November 11, 2011.

1.3 On February 27, 2012, Plaintiff filed a pro se complaint in the United States District Court for the Southern District of Texas, alleging the civil torts of breach of fiduciary, extrinsic and constructive fraud, and intentional infliction of

emotional distress, alleging that the Defendants, acting as trustees for their parents' trust, failed to notice her of actions affecting her beneficial interests, refused to provide copies of non-protected trust instruments, and refused to account for trust assets or to report on any other acts of administration. On March 8, 2012, Plaintiff's complaint was dismissed under the probate exception to federal diversity jurisdiction. The Plaintiff filed a notice of appeal. On January 30, 2013, the Fifth Circuit Court of Appeals reversed the dismissal. On April 19, 2013, the District Court issued a memorandum and order for preliminary injunction. In the order, the Court ordered the appointment of an independent firm or accountant to gather the financial records of the trust and provide an accounting of the income and expenses of the trust since December 21, 2010. The defendants were ordered to cooperate with the accountant in this process.

1.4 On May 9, 2013, the Court ordered the appointment of William G. West as Master to perform an accounting. The Report of Master<sup>1</sup>, dated July 31, 2013, was submitted to the Court and the Court set this matter for hearing on September 3, 2013, with a deadline for filing objections to the report and the accountant's invoice on or before August 27, 2013.

<sup>1</sup>Case 4:12-cv-00592 Document 62 Filed in TXSD on 08/08/13

**2. The Report of Master**

2.1 The Report of Master (“Report”) corroborates Plaintiff’s claims that Defendants have refused to account for trust assets, to report on any other acts of administration, concealed information that they have a fiduciary duty to disclose, and that Defendants failed to keep accurate books and records, and therefore are unwilling or unable to account.

2.2 The Report indicates to Plaintiff that Defendants have failed to keep any books whatsoever, and cannot or will not produce all of the records necessary for a full, true and complete accounting of trust assets, income, and expenditures. Many of these records they have simply claimed as “missing”, after numerous requests from the Master to provide the information.

2.3 Therefore, on the basis of the absence of records, as shown by the Report, Plaintiff objects to the accounting provided by Defendants as incomplete, and hereby challenges all transactions.

**3. General Challenge to Validity of Transactions**

3.1 Defendants’ inability or unwillingness to disclose supporting evidence that would give the accounting veracity, continues to inform this Plaintiff’s belief that Defendants have something to hide.

3.2 Plaintiff hereby generally challenges all transactions, including but not limited to those claimed to be gifts, reimbursements, trustee compensation, and legal expenses. Plaintiff specifically challenges all transactions from which Defendants personally benefited.

**4. Known Assets of the Trust Unaccounted For**

4.1 Plaintiff has personal knowledge that U.S. Treasury Series EE/E Savings Bonds existed after the death of Nelva Brunsting and have not appeared on any schedule of assets to date.

**5. Application for Order to Obtain Records Regarding U.S. Treasury Bonds**

5.1 Plaintiff moves this court for an order for procurement of the records on file with the U.S. Treasury, pursuant to the attached proposed order.

**6. Application for Order to Obtain Additional Records and Records Noted in the Master's Report to be "Missing"**

6.1 The extent to which the trust assets have been mismanaged cannot be determined without complete transparency and documentation. Plaintiff therefore moves this court for an order for procurement of additional and "missing" records pursuant to the attached proposed order.

7. **Challenge to Validity of Securities Transactions**

7.1 The Report reflects stock distributions to the Defendants and their children. Plaintiff specifically challenges all stock transactions from which Defendants personally benefited. Defendants did not notice Plaintiff, nor obtain her consent, for distributions that benefited the Defendants substantially more than, and to the exclusion of, other co-beneficiaries.

8. **Other Relief Requested**

8.1 Plaintiff requests that Defendants be ordered to bear the costs associated with the execution of these orders.

8.2 Plaintiff further requests that the Preliminary Injunction remain in full force and effect.

8.3 Plaintiff further respectfully requests that this Court grant any other available relief that it finds reasonable or necessary under the totality of the circumstances.

Respectfully submitted, Monday, August 26, 2013

PROCEEDINGS

(September 3, 2013)

1  
2  
3 THE COURT: This is Cause No. 2012-592, Candace  
4 Louise Curtis versus Anita Kay Brunsting and others. And Amy  
5 Ruth Brunsting. And I believe the law firm has been sued as  
6 well. I'm not sure if they have been served or not. In any  
7 event, let's see. Let's get an announcement here.

01:38:17PM

8 For the plaintiff, pro se, is that you,  
9 Ms. Curtis?

01:38:32PM

10 MS. CURTIS: Yes, Your Honor.

11 THE COURT: And for the defendants?

12 MR. VIE: George Vie and Maureen Kuzik McCutchen for  
13 the defendants, Your Honor.

14 THE COURT: I'm sorry, say that again.

15 MR. VIE: George Vie and Ms. McCutchen for the  
16 defendants, Your Honor.

17 THE COURT: All right. And I have the special  
18 master here as well.

01:38:54PM

19 MR. WEST: Good afternoon, Your Honor. William  
20 West, special master.

21 THE COURT: And you have counsel with you?

22 MR. MILLION: Good afternoon, Your Honor. Timothy  
23 Million.

24 THE COURT: All right. And another gentleman?

01:39:06PM

25 MR. WEST: Your Honor, this is my associate, William

1 A. Potter, P-O-T-T-E-R.

2 THE COURT: Okay. Very good. Let's see. We have  
3 the special master here as well, I gather, as the defendants,  
4 two of the defendants, the two sisters.

01:39:24PM 5 I'm not sure. Are both of them serving as  
6 administrators or trustees of the estate?

7 MR. VIE: They are both co-trustees. Only Anita  
8 Brunsting is here today.

9 THE COURT: Any reason why Amy Ruth is not present?

01:39:44PM 10 MR. VIE: Just because of employment obligations,  
11 sir.

12 THE COURT: Okay. I believe that's everyone that's  
13 participating.

14 We have this suit that was filed by Ms. Curtis  
01:40:04PM 15 back in 2012, in fact. I believe, Ms. Curtis, somewhere  
16 around February of 2012. That was pending for a period of  
17 time, and it was initially brought as a kind of truth in  
18 limine accounting. She mixed a lot of stuff together there.

19 And, of course, the one aspect of the case that  
01:40:26PM 20 this Court -- I said one aspect. One of the aspects of this  
21 case that the Court saw was first that there was diversity of  
22 citizenship, that she was a California resident, and the  
23 sisters were Texas residents.

24 And, secondly, that she was making allegations  
01:40:44PM 25 about an estate that appeared to be substantial sums of money,

1 or property, or both, were located, and that she was an heir,  
2 or at least felt that she was one of the heirs to the estate,  
3 and that she felt, I believe, at that time, that her sisters,  
4 who were co-trustees, were not properly managing the estate.

01:41:09PM

5 I think that's, generally speaking, how this lawsuit  
6 developed.

01:41:26PM

7                   So, in the process of conducting a couple of  
8 hearings, or at least -- I say hearings, opportunities for  
9 communication and dialogue, the Court set this matter for a  
10 hearing, and we had a hearing several months ago. Let's see  
11 if I can track that down. A telephone conference in July. I  
12 think it may have been the -- perhaps were the last  
13 communication we had. Proceeding here in the courtroom, for  
14 sure.

01:42:08PM

15                   And the Court determined that a report, an  
16 accounting of income, receipts, and expenses, and  
17 disbursements would be appropriate, setting a time frame of  
18 December 21, 2010, through May 31st of 2013, and that that  
19 report should be filed. I would then conduct a hearing to  
20 determine not so much whether or not the accounting -- the  
21 report should be received, but to permit the master -- special  
22 master to answer questions from either side regarding the  
23 procedure and his findings, and then, also, for approval of  
24 his request for -- for pay.

01:42:56PM

25                   And there, I believe, have been, since that

1 time, motions filed by the defense for, I believe, a renewal  
2 of a lease on the Iowa property. Objections to that and then  
3 other motions have been filed. So we will see how much, if  
4 not all of this, we can cover.

01:43:25PM

5 So, Ms. Curtis, will you be -- besides the  
6 special master, is there anyone else in the courtroom you are  
7 going to need to call and have testify or ask questions of?

8 MS. CURTIS: No, Your Honor.

01:43:41PM

9 THE COURT: Okay. Sir, if you come forward, I will  
10 swear you in, and then you can take a seat over on my left.

11 Raise your right hand, please, sir.

12 (William West, witness, sworn.)

01:44:07PM

13 THE COURT: Please have a seat. And we can start  
14 with -- Ms. Curtis, we can start with you, if you have  
15 questions of the special master regarding -- you have a copy  
16 of his report, do you not?

17 MS. CURTIS: Yes, I do, Your Honor.

18 THE COURT: Okay. Why don't you move up closer to  
19 us there -- no, no, no. I mean, you can have a seat there,  
20 but I just wanted you to move up closer and bring the  
21 paperwork up closer.

01:44:44PM

22 All right. This is a formal proceeding, Ms.  
23 Curtis, so that when you are addressing the Court, you will  
24 need to stand and address the Court, and -- and I will be  
25 requiring that all of the questioning that is done as to any

1 witness should be done from the podium so it is easy for me to  
2 pay attention, for the lawyer and then the witness, and, of  
3 course, that same -- obviously, that same rule applies to  
4 counsel for the defense.

01:45:01PM 5 If you would also bend that microphone down so  
6 that, when you are standing in that area and speaking to me,  
7 we will be able to hear you, and the court reporter can take  
8 your remarks.

9 All right. Are you ready -- you have a copy of  
01:45:15PM 10 the report, I believe you said.

11 MS. CURTIS: Yes, Your Honor.

12 THE COURT: Do you have some questions you want to  
13 ask of the witness? If so, you may do so at this time.

14 MS. CURTIS: No, Your Honor. I have no questions.

01:45:24PM 15 THE COURT: You completely are, say, satisfied that  
16 you understand --

17 MS. CURTIS: I have no questions.

18 THE COURT: You just have no questions. All right.

19 Mr. Vie, do you have any questions you want to  
01:45:33PM 20 ask of this witness?

21 MR. VIE: Yes, Your Honor.

22 THE COURT: All right. Would you come to podium,  
23 sir.

24 Do you have a copy of your report with you? If  
01:45:39PM 25 not, let's get a copy of it to you. I think I have got some

1 copies here.

2 DIRECT EXAMINATION

3 BY MR. VIE:

01:46:06PM 4 Q. Good afternoon. I just have one or two questions just to  
5 clarify, as the Court said, the procedures under which the  
6 report was prepared.

7 On Exhibit 1 to the report --

8 A. Yes.

01:46:20PM 9 Q. -- you provided a statement of income, receipts,  
10 expenses, and disbursements for the period the Court directed;  
11 is that correct?

12 A. Yes, sir.

01:46:40PM 13 Q. In conclusion, on page 2 of that report, where you  
14 indicate, at the bottom, a net of income receipts and less  
15 value of stock distributed, if you could explain, what is that  
16 trying to capture?

01:47:08PM 17 A. This is trying to capture either -- during the time frame  
18 in question, either the receipts received or dividends in kind  
19 from the dividend distribution -- excuse me, dividend  
20 reinvestment accounts, less any amounts paid or any stock  
21 distributed.

22 Q. So this number at the bottom of page 2, the net of income  
23 number, this doesn't reflect actually the value of this  
24 estate?

01:47:26PM 25 It doesn't include the actual stock value that

1 remains in the estate?

2 A. Absolutely not. To do something like that you would need  
3 to get into something with a balance sheet -- and things of  
4 that nature.

01:47:40PM

5 Q. What we are being provided here is more of a statement of  
6 money going out and money coming in?

7 A. Correct.

8 Q. The other exhibit, Exhibit -- the exhibit that relates to  
9 your recapturing the stock distributions that were made, is

01:48:04PM

10 there an Exhibit 3?

11 Is that where that is located?

12 A. Yes.

13 Q. Stock distribution analysis?

14 A. Correct.

01:48:10PM

15 Q. These are all -- these are all distributions that took  
16 place during the time that Ms. Brunsting was alive, correct?

17 A. From December 21st, 2010, to her demise.

18 Q. I understand.

19 Specifically, you did not find any evidence of

01:48:28PM

20 any stock distributions that were made to anyone after the  
21 date that she died, the date of her death?

22 A. Correct.

23 THE COURT: Mr. Vie, what is the date of her death?

24 Establish that.

25 BY MR. VIE:

1 Q. November 11, 2011?

2 A. Correct.

3 Q. So during the period of time that she was the beneficiary  
4 of the trust and had the right to direct gifts and payments --

01:48:52PM

5 THE COURT: "She" being?

6 MR. VIE: Mrs. Brunsting, Nella Brunsting.

7 BY MR. VIE:

8 Q. The only transactions that you found for stock  
9 distribution, as you have noted in Exhibit 3, was at the time  
10 she was alive and could direct those distributions?

01:49:03PM

11 A. To the first part of your question, I don't think I have  
12 enough information to respond. But from all of the documents  
13 that we had and everything appeared to tie, these are the  
14 distributions out of those accounts in that time frame.

01:49:24PM

15 Q. Thank you.

16 Could you -- in addition to the documents that  
17 we provided, you asked for and we provided a Quicken file, an  
18 electronic file?

19 A. Correct.

01:49:34PM

20 Q. If you could explain to the Court what that file was,  
21 what you found in it, and how you used it.

22 A. That was an electronic accounting file that I asked for  
23 and that you had given me, and it was what I would generally  
24 term an electronic checkbook, which would show -- gave  
01:50:00PM 25 information about a date, an amount, and the payee.

1 Q. And what account the payment came from?

2 A. To a limited extent, yes.

3 Q. How were you able to use that, then, into what became the  
4 master's report?

01:50:16PM 5 A. We used that in conjunction with the review of bank  
6 statements and other paper documents, brokerage firm account,  
7 information to create our database.

8 MR. VIE: No further questions.

9 THE COURT: I have a few, and this is to primarily  
01:50:38PM 10 supplement the record.

11 I want you to go back, Mr. West, and give us a  
12 general overview of what you did and -- and what these  
13 exhibits mean in terms of the income and expenses associated  
14 with this report.

01:51:00PM 15 THE WITNESS: Yes, sir.

16 My report is comprised of an introduction where  
17 I gave some of the background of the complaint to a limited  
18 extent which has been addressed today. Then I gave a timeline  
19 of records received. I started that process with calling the  
01:51:27PM 20 defendants' attorney. I set up the meeting with him. We had  
21 a meeting within a week or ten days of my initial call.

22 I received, at his office, a number of paper  
23 files and a number of records on -- in electronic format in  
24 CD -- on CD's. I was also given a schedule of those documents  
01:51:56PM 25 that they were giving me and a list of documents that they

1 were not giving me, but which they were working towards  
2 obtaining.

3 THE COURT: Did you have the impression that this  
4 was a combination of records, some of which had been -- which  
01:52:14PM 5 were the, let's call it, original handwritten-type records,  
6 along with records that maybe had been prepared or were being  
7 prepared by the attorney for the defendant?

8 THE WITNESS: My broad answer to that is yes. Some  
9 were original documents that you could tell had come directly  
01:52:36PM 10 from the brokerage firm or a bank. Some were bank statements  
11 that appeared to have been downloaded over the Internet, which  
12 looked completely normal to me.

13 I have looked at literally thousands of  
14 documents of this nature over the years. Balances, account  
01:52:58PM 15 numbers, everything tied. I didn't think that anything had  
16 been created to be given to me.

17 THE COURT: By saying you were given a CD, what are  
18 you referring to?

19 THE WITNESS: A plastic disk.

01:53:16PM 20 THE COURT: I understand. What was contained on  
21 that?

22 THE WITNESS: Those were bank statements.

23 THE COURT: Downloaded from?

24 THE WITNESS: Yes, sir. For the most part, the  
01:53:25PM 25 paper documents -- they gave them to me, for the most part, in

1 paper format and electronic format.

2 THE COURT: But you didn't have the impression that  
3 this was a way that the records had been kept; this is just  
4 the way they had presented them?

01:53:40PM

5 THE WITNESS: I can't tell if they were kept that  
6 way, but they had been compiled, and I think they have  
7 probably been compiled by counsel's staff.

8 THE COURT: All right.

01:54:00PM

9 THE WITNESS: As -- I received those approximately  
10 the first of June -- actually, there's some dates reflected in  
11 the report. About a month later I received a -- some more  
12 paper files and some more CD's with information on them that  
13 answered a number of -- submitted a number of the documents  
14 that had been missing on the first turnover of documents.

01:54:36PM

15 As that was -- as that information was being  
16 processed from time to time, I had e-mails with defendants'  
17 counsel asking for particular questions or asking for more  
18 information to which, for the most part, he was able to  
19 respond, or if they weren't available, he -- he just told me  
20 so. So, I felt like he was trying to do the best he could.

01:55:02PM

21 THE COURT: At the end of the day, let's say  
22 sometime the latter part of July, when you had your hands full  
23 of the documents, did you have the impression that you had all  
24 of the documents that you needed to complete a proper and  
01:55:29PM 25 complete report?

1 THE WITNESS: For the most part, Your Honor. I  
2 listed in my report some accounts or statements that were not  
3 received. Defendants' counsel had explained why they were not  
4 received, or I believe there were a few things they were still  
01:55:57PM 5 trying to get. I conferred with my associate, who did a great  
6 deal of the work, you know, with my work and supervision.  
7 There were certain documents that we didn't have, but we did  
8 have some summary statements or some quarterly-type  
9 statements.

01:56:19PM 10 I can't say for certain. I felt like we did  
11 have what we needed to present a good report. Not anything is  
12 a hundred percent right, but I felt like we didn't have any  
13 really big unexplained gaps in the things that we were given.

14 THE COURT: That pushes you over into the work  
01:56:52PM 15 performed area where you are now talking about.

16 So is there something else in that area that  
17 you need to bring to the Court's attention?

18 Basically that you received the documents --  
19 I'm just following.

01:57:05PM 20 THE WITNESS: Yes, sir. We felt like we had  
21 substantially all of the documents or a very high percentage,  
22 and I'm saying that from years of experience as an accountant.  
23 If I had really felt uncomfortable about anything, it would  
24 have been highlighted and really brought to the forefront.

01:57:40PM 25 THE COURT: Whatever is necessary, you saw.

1 THE WITNESS: Yes.

2 THE COURT: In the summary of the accounts received,  
3 you show several bank accounts and several, let's call them,  
4 stock accounts or stock brokerage accounts, various investment  
01:57:56PM 5 accounts. I don't know if these are stocks or just simply  
6 accounts where you would invest money and they would purchase  
7 stock. The point is that these are -- appear to be a  
8 substantial number of accounts.

9 Are you of the opinion that these are all the  
01:58:15PM 10 accounts -- first of all, these are the accounts provided?

11 THE WITNESS: They were the ones provided. I think  
12 they were all that was provided. The plaintiff, in response,  
13 had raised the issue about some Treasury bills or Treasury  
14 bonds. I don't believe we saw any information in regards to  
01:58:44PM 15 them.

16 Now, technically, I would like to see the  
17 bonds. And technically, if it was something where they just  
18 sat there and interest was paid in a lump sum at a future  
19 date, and there was no income or cash income receipt activity  
01:59:04PM 20 during the period, then they be wouldn't reflected on here.  
21 But if it was an accrual-type income, then it should have been  
22 reflected.

23 THE COURT: So these accounts, as I understand it --  
24 and you are distinguishing between the accounts that may be in  
01:59:22PM 25 existence but just have not reported income on an accrual

1 basis, but these accounts are reporting on a quarterly or  
2 annual basis income, and/or fees, or whatever else that might  
3 be reflected against the account.

4 THE WITNESS: Yes, Your Honor, all these accounts.

01:59:41PM

5 THE COURT: For example, if there were Treasury --  
6 are Treasury bonds, and they are paying whatever interest they  
7 are paying, that certainly could be -- that might be -- you  
8 don't have those, but that interest theoretically, I guess,  
9 could be applied back into the principal and, therefore, would  
10 not be reflected on a statement.

01:59:59PM

11 THE WITNESS: Correct.

12 THE COURT: Okay. Tell us a little bit about the  
13 report exceptions and the missing documents area there on page  
14 6.

02:00:11PM

15 THE WITNESS: These were -- as it is discussed here,  
16 there were some accounts that we did not have, or statements.  
17 In some cases, they were quarterly reports that were not --  
18 the second quarterly reports were not available yet, or I was  
19 told they were not available yet in the latter part of July,  
20 which was quite often the case, but that they could be  
21 supplied, if needed.

02:00:41PM

22 There were a couple of other accounts where we  
23 may have been missing a monthly account or maybe an earlier  
24 quarterly account, but we had a latter period account where,  
25 for the most part, everything -- we could kind of trace our

02:01:02PM

1 way through the missing period. Again, I didn't see any great  
2 cause for alarm.

3 And then there were a number of things,  
4 disbursements, that we did not have documentation for, and  
02:01:27PM 5 those were explained to me that, for the most part, that they  
6 just didn't exist.

7 THE COURT: Okay. And these disbursements did not  
8 have -- did not have a paper backing. These would just be,  
9 let's say, for example, a check that might have been written  
02:01:48PM 10 for an amount of money, but there was no -- for your records  
11 there was no receipt or document indicating why that  
12 disbursement was being made. It might be reflected on the  
13 check itself.

14 THE WITNESS: Correct. We were able to go back to  
02:02:05PM 15 the pictures of check facsimiles and, you know, confirm that.

16 THE COURT: Okay. All right. Now, you've also  
17 listed on page 8 a number of outstanding shares. These  
18 reflect the transfers that you say were made before November  
19 11th of 2011, I gather. And then other stocks, perhaps, that  
02:02:34PM 20 might have -- that might have been reinvested, or income that  
21 might have been reinvested.

22 Am I seeing that right?

23 THE WITNESS: Yes, sir.

24 THE COURT: Okay. All right. You make a statement  
02:02:58PM 25 on page 9, at the end of that section, that indicates that

1 there are certain stocks available.

2 Is that the total of all stocks outstanding  
3 shares that are part of the trust?

02:03:15PM

4 THE WITNESS: Yes, sir, to the best of my  
5 recollection.

6 THE COURT: Those are three different, I believe --  
7 three different shares -- three different companies -- that  
8 might not be the proper term. How would you say it?

02:03:33PM

9 THE WITNESS: I think it was four -- Chevron, Exxon,  
10 John Deere, Deere Enterprises, and Metropolitan Life.

11 THE COURT: Okay. Those are the four. Okay. All  
12 right. And then you go on to make comments on certain  
13 accounts, and this is some of which you maybe already have  
14 stated having to do with the sale of certain securities and  
15 the disbursement. I'm not sure.

02:03:53PM

16 Is that what that is about?

17 THE WITNESS: Yes, sir.

02:04:11PM

18 THE COURT: One of the areas that you touched on  
19 earlier had to do with, for example, a check that may have  
20 been written to a family member that may or may not have had  
21 some document behind it. We are looking at the top of page  
22 10, where it says, "Many of the payments were noted as  
23 reimbursements." These would be checks that would reflect  
24 reimbursement but not necessarily another check that showed  
25 the payment was made.

02:04:33PM

1 THE WITNESS: Correct. The check was written to the  
2 individual from the Quicken files. It would say reimbursement  
3 for -- automobile repairs type of thing. And on the Quicken  
4 files, it may have been in that automobile repair expense  
02:04:56PM 5 account. But for purposes of this report and the issues  
6 raised in the complaint, I felt that it was important -- it  
7 was important to make this some special category.

8 THE COURT: All right. Now, going to Exhibit 1,  
9 this is the summary statement, is it not?

02:05:23PM 10 I say summary statement. It's a statement of  
11 income, receipt and expenses. Behind that would be the  
12 exhibits. I say exhibits, would be other exhibits that would  
13 reflect the individual checks written and/or to whom they may  
14 have been written in Exhibit No. 2. And in Exhibit 3 would be  
02:05:47PM 15 the distribution analysis of the stock payments.

16 Is that what I'm having there?

17 THE WITNESS: Yes, sir.

18 THE COURT: All right. So, just let me take a look  
19 at this. It shows, I gather, that they had an opening -- a  
02:06:01PM 20 beginning opening of 127,000 -- almost \$128,000 in farm income  
21 as a beginning item there.

22 THE WITNESS: Yes, sir. Farm rent during the time  
23 frame in question.

24 THE COURT: And, so, what you've done is you've  
02:06:16PM 25 accumulated all of the income from the farm for this period,

1 "this period" being the period that I requested that you do,  
2 the December 21, 2010 through May 31, 2013.

3 THE WITNESS: The deposits we identified for farm  
4 rental income.

02:06:38PM 5 THE COURT: And that would be just a little over a  
6 two-year period, two years and a few months.

7 THE WITNESS: Yes, sir.

8 THE COURT: All right. In addition to that, you  
9 show dividend income, interest income.

02:06:52PM 10 And by long-term capital gains and short term,  
11 are you reflecting there some income from Exxon or one of  
12 these companies?

13 THE WITNESS: No, sir. Actually the dividends from  
14 Exxon or Chevron would be in the dividend income amount.

02:07:13PM 15 THE COURT: On Exhibit 3?

16 THE WITNESS: Excuse me.

17 THE COURT: Oh, I'm sorry, no, it would not be.

18 THE WITNESS: I'm sorry, Your Honor. Could you  
19 repeat your question.

02:07:22PM 20 THE COURT: I was asking where did this long-term  
21 capital gains come from.

22 THE WITNESS: Oh, I'm sorry. The long-term capital  
23 gains and short-term capital gains, those were reported on the  
24 stock brokerage accounts. Those are called flow-through

02:07:38PM 25 amounts from mutual funds and things of that nature.

1 THE COURT: And then the income of 183,000 is stock  
2 sale. That's the liquidation of the stock -- did that include  
3 the liquidation of stock before 11/11/11?

02:08:02PM 4 THE WITNESS: That was the liquidation of stocks  
5 during that time frame, other than the stocks that were  
6 disbursed in kind.

7 THE COURT: Okay. So this is a separate  
8 liquidation.

9 THE WITNESS: Yes, sir.

02:08:11PM 10 THE COURT: Or a separate income, should I say.  
11 This is income.

12 THE WITNESS: It's stock liquidated.

13 THE COURT: This is income from the sale of certain  
14 other stocks that has now has been liquidated and it brings  
02:08:22PM 15 total income to about \$216,600,000.

16 THE WITNESS: Yes, sir.

17 THE COURT: The miscellaneous income is just other  
18 income that -- what would that be, sort of like what?

19 THE WITNESS: To be honest, Your Honor, without  
02:09:01PM 20 looking at the underlying documents, I can't remember right  
21 now. But it was a number of small items that didn't fit one  
22 of these other accounts that are listed in Exhibit 1.

23 THE COURT: But it is reflected in the deposits of  
24 the account?

02:09:17PM 25 THE WITNESS: Yes, sir.

1 THE COURT: The pension income, and I'm looking at  
2 Social Security income. Who is getting Social Security income  
3 to go into that account at this time?

4 I believe both the husband and the wife are  
02:09:31PM 5 deceased, right?

6 THE WITNESS: Mrs. Brunsting, she was alive for  
7 about 12 months.

8 THE COURT: You are right. Tax refunds, that would  
9 also be reflected. This is the sale proceeds from the house.  
02:09:45PM 10 That's all -- so we are talking about a total of 830-plus  
11 thousand dollars during this two years or two- to three-month  
12 period?

13 THE WITNESS: Yes, sir.

14 THE COURT: And then we're talking in the next  
02:09:55PM 15 section about expenses, medical care, in-house care, and  
16 medical care, and all of that coming to the 122,000, more or  
17 less.

18 THE WITNESS: Yes, sir.

19 THE COURT: The pet care and pet food and all of  
02:10:22PM 20 that, that doesn't have anything to do with the farm. This  
21 must be at the house, right?

22 THE WITNESS: Yes, sir.

23 THE COURT: Okay. And veterinarian expenses.

24 So we are talking about total expenditures of  
02:10:41PM 25 about half of what the income was, right?

1 THE WITNESS: Yes, sir.

2 THE COURT: And then you said net income, receipts,  
3 and expenses, disbursements.

02:10:55PM

4 How are you distinguishing that from total  
5 expenses and disbursements?

6 THE WITNESS: That's just the net of the total  
7 incoming receipts of 830,000 less the total expenses of 418.

02:11:20PM

8 THE COURT: Okay. And then you show the 298,000 in  
9 stock -- in stock transfer to family or whatever. This is a  
10 value of stock. This is the value beyond what was sold and  
11 became income.

12 THE WITNESS: Yes, sir.

02:11:39PM

13 THE COURT: So we are looking at -- right at almost  
14 500 -- well, 300,000, basically, that was transferred  
15 directly, apparently, by the estate before -- before Ms.  
16 Brunsting died in November 11, 2011.

17 THE WITNESS: Yes, sir.

18 THE COURT: More or less.

19 THE WITNESS: In May and June of 2011.

02:11:56PM

20 THE COURT: What two or three numbers are you  
21 putting together to come to the 120,000 at the bottom?

22 THE WITNESS: 411,328 less 298,976 gets me to the  
23 112,346.

02:12:19PM

24 THE COURT: All right. What you don't have or what  
25 didn't do and were not asked to do was to do an asset

1 liability --

2 THE WITNESS: Correct.

3 THE COURT: -- sheet.

4 Are there any other concerns or statement that

02:12:45PM 5 you need to make regarding this report before -- before I ask

6 you a question regarding your billing?

7 THE WITNESS: The one item is, after the filing of

8 my report, there was a disbursement for \$6500, which had been

9 put into miscellaneous expenses because I had no backup for

02:13:19PM 10 it.

11 THE COURT: It was a one-time payment of 6500?

12 THE WITNESS: Yes, sir.

13 THE COURT: Where is that reflected on page --

14 THE WITNESS: I'm sorry. Exhibit 1, page 1.

02:13:29PM 15 THE COURT: Page 1, Exhibit 1? All right.

16 THE WITNESS: Towards the bottom, Miscellaneous

17 Expenses. That shows miscellaneous expenses \$6753. \$6500 of

18 that amount should be reclassified to checks or cash to family

19 members.

02:13:54PM 20 THE COURT: What you are calling miscellaneous

21 expenses would be -- say that again. I'm sorry.

22 THE WITNESS: That miscellaneous expense, there

23 was -- \$6500 of that amount we found -- defendants' counsel

24 confirmed for me, subsequent to the filing of the report, that

02:14:17PM 25 that was a distribution to a family member.

1 THE COURT: Okay. So this is not a part of the pre  
2 -- part of the distribution made by Ms. Brunsting before her  
3 death. This was expenses or monies that were paid to a  
4 particular family member -- a single family member or maybe  
02:14:40PM 5 two family numbers, whatever the number might be, that were  
6 made after that date?

7 THE WITNESS: Let me -- let me confirm that. That  
8 was subsequent to her demise.

9 THE COURT: What page are you looking at?

02:15:10PM 10 THE WITNESS: On Exhibit 2, page 16.

11 THE COURT: Where it says --

12 THE WITNESS: About two-thirds or three-quarters of  
13 the way down the page, it says "Miscellaneous Expenses."

14 THE COURT: Page 16 did you say?

02:15:30PM 15 THE WITNESS: Yes, sir. Exhibit 2.

16 THE COURT: Okay. Miscellaneous, and then it shows  
17 a total of something like... co-op and then withdrawal, and  
18 then Houston Metro, those together totaling 6753.72.

19 THE WITNESS: That middle entry on November 14th of  
02:15:53PM 20 \$6500 should now be reclassified --

21 THE COURT: As disbursement?

22 THE WITNESS: -- as disbursement to family members.

23 THE COURT: As disbursement. You've got a code  
24 there of W-D-R-L. What does that mean to you?

02:16:12PM 25 THE WITNESS: Withdrawal. This withdrawal on the

1 bank statement.

2 THE COURT: It is my lack of accounting acumen.  
3 It's not your fault. I'm trying to make sure I understand, so  
4 that if I have a question, I can ask you.

02:16:29PM 5 Now, as it relates to your billing, it does not  
6 include an appearance here today, as I understand it, or the  
7 time that you have spent. You have already submitted a  
8 billing to the -- bill to the Court for payment, have you not?

9 THE WITNESS: That is correct.

02:16:43PM 10 THE COURT: And except for whatever time has been  
11 spent since this submission, have you received any objections  
12 from either the plaintiff, Ms. Curtis, or from the defense  
13 concerning the payment of your expenses?

14 THE WITNESS: No, sir.

02:16:59PM 15 THE COURT: Does your billing include the legal  
16 advice necessary that you received as well, or was it just  
17 separately an accounting function?

18 THE WITNESS: Mine was separately an accounting  
19 function, and I also submitted a separate invoice from my  
02:17:18PM 20 counsel.

21 THE COURT: Have you received any objections from  
22 either plaintiff or defendant in that regard?

23 THE DEFENDANT: No, sir.

24 THE COURT: Ms. Curtis. Anything else?

02:17:29PM 25 MS. CURTIS: No.

1 THE COURT: Mr. Vie?

2 MR. VIE: Just one thing, Your Honor.

3 BY MR. VIE:

02:17:41PM

4 Q. Just to be clear, because the Court has asked about the  
5 timing of this last expense that you mentioned being  
6 reclassified.

7 A. Yes, sir.

02:17:56PM

8 Q. Okay. If I understand the miscellaneous expense, the  
9 check that is noted for the \$6500, that is prior -- that's  
10 three days after Mrs. Nella's Brunsting's death?

11 A. Correct.

12 Q. Do you recall what the transaction was, the \$6500  
13 transaction?

02:18:13PM

14 A. I believe it was to Carol Brunsting. I feel confident  
15 about that. And I believe the -- the explanation that your  
16 firm gave me was that -- it was to be, I guess, used to help  
17 deal with some of her funeral expenses.

18 Q. Was the money redeposited at some point after that?

02:18:37PM

19 In other words, the money that had been taken  
20 out should there be some funeral expenses or other things  
21 necessary, would that money have been put back at some point?

22 THE COURT: Why don't you show him where you are  
23 talking about.

02:18:48PM

24 MR. VIE: Well, I understand where his reference was  
25 on page 16, where he highlights the miscellaneous expense of

1 6500.

2 THE COURT: I know, but how would he know whether or  
3 not it is put back unless you know where it is?

4 MR. VIE: If he has a corresponding entry for a  
02:19:00PM 5 deposit for 6500.

6 THE COURT: I see.

7 THE WITNESS: I don't recall one.

8 BY MR. VIE:

9 Q. If there was one, where are the costs like that reflected  
02:19:09PM 10 in the report?

11 A. It would probably be under a miscellaneous --

12 THE COURT: Keep your voice up, Mr. West.

13 THE WITNESS: I would think it should be under  
14 miscellaneous income, and I don't find it there. There's a  
02:19:33PM 15 possibility it could have always been misposted, but I would  
16 need to look through the ledger in total.

17 BY MR. VIE:

18 Q. Would you -- it was -- your understanding, it was  
19 represented to you it was not a gift; it was some expenses  
02:19:47PM 20 that were funds made available for funeral expenses?

21 A. That's what I was told.

22 MR. VIE: No further questions, Your Honor.

23 THE COURT: All right. Well, your understanding is  
24 based upon what counsel told you. It had nothing to do with  
02:20:02PM 25 and independent audit, right?

1 THE WITNESS: Yes.

2 THE COURT: You may step down, sir. Thank you very  
3 much.

4 All right. If there is no objection, I will  
02:20:30PM 5 ask -- no objection to the report and the invoice request of  
6 counsel for himself, as an accounting function, as well as  
7 advice of counsel, if there's no objection, I'm going to order  
8 that those be paid.

9 Any objection, Ms. Curtis?

02:20:51PM 10 MS. CURTIS: No, Your Honor.

11 THE COURT: Mr. Vie, speaking on behalf of your  
12 clients?

13 MR. VIE: No, Your Honor, no objection.

14 THE COURT: All right. Okay. All right. That's  
02:21:00PM 15 all we have. Thank you very much, and that will take care of  
16 it.

17 No, no, no. I'm sorry. All we have with  
18 accountants. If they want to leave, they can. There are some  
19 other motions we need to address.

02:21:14PM 20 MR. MILLION: Your Honor, would you like us to  
21 submit a proposed order?

22 THE COURT: Would you do that? It would make it a  
23 lot -- well, how about that, just happen to have it right  
24 there, right?

02:21:40PM 25 You shared this with -- the expense paperwork,

1 you shared the expense report and/or request for payment with  
2 both Ms. Curtis and with Mr. Vie?

3 MR. WEST: Yes, Your Honor.

02:22:20PM

4 THE COURT: All right. Ms. Curtis, you have some  
5 other -- well, I will start with you, Mr. Vie. I believe you  
6 have filed a motion that has drawn some -- you all want to be  
7 excused?

8 MR. MILLION: Yes, Your Honor. I do want to bring  
9 one other thing to the Court's attention.

10 THE COURT: Okay. Go ahead, sir.

02:22:47PM

11 MR. MILLION: In the pleadings that were filed by  
12 the plaintiff and defendant, there has been some indication  
13 that they are wanting additional work to be performed by the  
14 special master. And I know one of the proposed forms of order  
15 said you've got to do something within 10 days.

02:23:04PM

16 Just given the tax season issues with respect  
17 to corporate filings and such, any additional work that the  
18 special master might request to do, he is happy to do whatever  
19 the Court needs. However, he would need more than 10 days to  
20 be able to comply with that.

21 THE COURT: Yeah, I think I might have said this to  
22 both sides. If I did not, you will hear it now.

02:23:22PM

23 My purpose in asking Mr. West to come in was  
24 not to make him a person for them to utilize to do any of  
25 their work. He was working for the Court to bring some

1 matters to the Court's attention that would be too much  
2 contention between the parties for me to ask either side to  
3 present anything to me that I could, at least in good faith,  
4 at the time, rely upon as a way of making some determinations.

02:23:42PM

5 So I wanted to find out where the income was  
6 and what had happened to it. Those were some of the  
7 allegations made by Ms. Curtis.

8 The function of doing other financial reports I  
9 think the parties should be able to handle and do themselves.

02:24:02PM

10 And if they choose to employ someone to do it, they certainly  
11 will be able to do it. We have got fundamentals of stuff  
12 ready and in place for them to go ahead and get that done.

13 If there is some need, certainly, Mr. West may  
14 be asked do it. If so, it would be by the Court, not by the  
15 parties.

02:24:20PM

16 MR. MILLION: Thank you, Your Honor.

17 THE COURT: Thank you very much, gentlemen. Have a  
18 good day.

19 Ms. Curtis -- I'm sorry. Mr. Vie, you filed a  
20 motion to -- let me just get it out here -- a motion to --  
21 request for the renewal of the farm lease, I believe. Let me  
22 see if I can find that document number.

02:24:32PM

23 I believe that's Instrument No. 65, filed about  
24 10 days ago.

02:25:03PM

25 MR. VIE: Yes, Your Honor.

1 THE COURT: And as I understand, Ms. Curtis, that  
2 you have reviewed that, and your objection is, essentially --  
3 correct me if I am wrong -- that it is automatically renewed  
4 at this point because no objection was filed and no  
02:25:21PM 5 disapproval of that renewal occurred within the time frame  
6 that needed to be made.

7 Am I correct?

8 MS. CURTIS: Yes, Your Honor.

9 THE COURT: So in that regard, the objection is  
02:25:31PM 10 simply a matter of record as to how things are and the -- the  
11 renewal of the farm lease, while the Court might have the  
12 authority to cancel it, it is automatically renewed. It would  
13 take some affirmative action.

14 So why should I cancel it? Tell me why I  
15 should cancel it.

16 Is there any basis for me to cancel it at this  
17 point?

18 MS. CURTIS: The farm lease?

19 THE COURT: Yes, ma'am.

02:26:02PM 20 MS. CURTIS: No, Your Honor.

21 THE COURT: The motion will be granted unless there  
22 is something additional I need to know, Mr. Vie, about this  
23 before that occurs.

24 MR. VIE: No, Your Honor.

02:26:09PM 25 THE COURT: All right. I believe there was an order

1 entered, and I know there was one entered, but I believe the  
2 second order was entered for the payment of certain property  
3 taxes.

4 That has been taken care of, right?

02:26:28PM

5 MR. VIE: Yes, Your Honor. You have already entered  
6 that.

7 THE COURT: All right. I have reviewed your  
8 responses to the report. It seems to me the next item, then,  
9 has to do with objection that you have made -- I'm trying to  
10 figure out what you meant, Ms. Curtis, by "recommit matter to  
11 master for consideration."

02:26:40PM

12 Tell me what you are talking about there. You  
13 filed this on September 3rd. This was filed, what, today?

14 MS. CURTIS: This was filed this morning.

02:27:04PM

15 THE COURT: Wow. You are faster than the lawyers  
16 are. Where were you when you filed this?

17 MS. CURTIS: In the clerk's office.

18 THE COURT: All right. I didn't know if you were  
19 filing electronically or not.

02:27:16PM

20 MS. CURTIS: I do not file electronically.

21 THE COURT: Well, you filed this motion -- or  
22 objections to defendants' motion for order to recommit matters  
23 to master for consideration.

24 Tell me what you are talking about there.

02:27:31PM

25 MS. CURTIS: Well, there is a letter that Mr. Vie

1 provided to Mr. West in support of missing documents and other  
2 questions that the master had. It is dated July 15th, 2013.  
3 It was Appendix Tab 1 in Document No. 67 filed by the  
4 defendants, which is their response to the report of master.

02:28:02PM

5 THE COURT: All right.

6 MS. CURTIS: And I am objecting to even spending  
7 another penny with the master when there is nothing  
8 substantive in here. This was all just excuses and  
9 explanations.

02:28:23PM

10 THE COURT: You mean on the part of the defendants?

11 MS. CURTIS: The defendants, for missing records or  
12 how they categorized the expenses, which was not what the  
13 master was instructed to do. He was just instructed to list  
14 the income and the expenses that occurred for this period of  
15 time.

02:28:45PM

16 He did the best he could to categorize these  
17 things. He had questions, like about the 6500 in  
18 miscellaneous income. And he did not receive third-party  
19 receipts or original statements or any documentation. All the  
02:29:04PM 20 master received were excuses for these transactions, which is  
21 not the basis of the master's report. He was just asked to  
22 report on the income and expenses.

23 So I think this entire thing is just irrelevant  
24 and a waste of time.

02:29:25PM

25 THE COURT: So your objection and -- your objection

1 there is to -- has to do with the statements being made in the  
2 defendants' report or request or statements to the master, and  
3 that no further work should be done by the master -- special  
4 master regarding these documents and these statements?

02:29:50PM

5 MS. CURTIS: That is correct.

6 THE COURT: I think I've already cured that. I've  
7 just let him go.

02:30:09PM

8 What else did you have there? You filed, as  
9 well, I think a motion to show cause why a judgement of civil  
10 contempt should not be -- and I know they have not had a  
11 chance to respond to this. But that's also been filed before  
12 the Court. But is there anything else, other than that motion  
13 pending?

02:30:26PM

14 MS. CURTIS: I have not filed anything else, no,  
15 Your Honor.

02:30:41PM

16 THE COURT: All right. So, you are coming out of  
17 California, and I'm trying to find out how we -- how soon  
18 would you be ready and what evidence would you be presenting  
19 on this? Because I don't want to have you just coming back  
20 and forth, expense to you.

21 MS. CURTIS: I have a statement to make. I don't  
22 know if that will help.

23 THE COURT: I don't know if Mr. Vie is prepared to  
24 respond, but I will permit you to make your statement.

02:30:51PM

25 MS. CURTIS: I don't expect a response. I just came

1 prepared with this statement.

2 THE COURT: Okay. Go right ahead, then.

3 MS. CURTIS: "The absent of immunity results in  
4 responsibilities for which there is no exemption. Since no  
02:31:03PM 5 one may be in legal relation with their self, trustees, de  
6 facto or de jure, encumbered with duties, and empowered to  
7 perform such duties are bound in a jural relation to the  
8 beneficiaries, which confers upon said beneficiaries specific  
9 rights which are well-known to the law.

02:31:23PM 10 "Among such rights is a distinct and calculable  
11 property interest in a complete and accurate accounting.  
12 Withholding such information, whether by failure or refusal,  
13 constitutes a palpable injury to a beneficiary evidenced by  
14 the resulting inability to cure and perfect their claim.

02:31:43PM 15 "Said failure to perform the duties of trustee  
16 endows the beneficiary with the legal powers to act against  
17 said trustees in order to lay claim to that which is  
18 [property] -- properly theirs and to which they are entitled.

19 "I object to the July 15th letter from  
02:32:01PM 20 defendants to the master insofar as it contains excuses and  
21 explanations that are prejudicial, non-probative, and thus  
22 immaterial. The time for these explanations and excuses has  
23 long since passed. I would, however, offer the letter into  
24 evidence as an offer of proof that the omissions contained  
02:32:24PM 25 therein establish evidence of facts that are clear, positive,

1 uncontradicted and of such nature they cannot rationally be  
2 disbelieved, and the Court is, therefore, compelled to  
3 conclude that those facts have been established as a matter of  
4 law.

02:32:36PM

5 "Defendants admit that they failed to keep  
6 books and records, and, therefore, are incapable of providing  
7 a full, true and complete accounting. Further, defendants  
8 admit to self-dealing, commingling, and [applications] of --  
9 misapplications of fiduciary attached to expressions of bias.

02:32:58PM

10 "I would also like to offer defendants'  
11 response to plaintiff's request for disclosure and defendants'  
12 answer into evidence as an offer of proof that defendants  
13 refused to provide non-proprietary trust instruments and admit  
14 that they can provide no evidence of notices to the other  
15 co-beneficiaries of any of their acts from alleged changes to  
16 the trust, changes of trustees, changes in trustee  
17 compensation or any of their other proclaimed acts of trust  
18 administration.

02:33:17PM

02:33:33PM

19 "Plaintiff's claim for breach of fiduciary is  
20 ripe for summary judgment on the merits of these admissions  
21 and the accounting that supports the admissions. Plaintiff  
22 asks this Court for summary judgment on the claim for breach  
23 of fiduciary and asks that defendants be removed from  
24 conducting any further trust business.

02:33:48PM

25 This is Texas Trust Code 113.082, Sections 4, 5

1 and 6(b). Plaintiff further moves that this Court bifurcate  
2 all the remaining issues, including questions of damages,  
3 until more necessary information can be obtained."

02:34:11PM 4 THE COURT: I saw attached to your motion what I  
5 believe to be a request for certain discovery.

6 That is certain information that you have  
7 wanted provided to you; is that right?

8 MS. CURTIS: It is information I wanted provided to  
9 me.

02:34:25PM 10 THE COURT: All right. But once that  
11 information -- let's assume that that's what it is and that  
12 they are going to respond and give you certain information  
13 pursuant to your request, and now you have got the  
14 information, let's say.

02:34:34PM 15 What is your next -- you are asking the Court,  
16 I gather, to have a hearing to determine whether or not the  
17 parties should be removed as trustees. You understand that  
18 would require the Court then appointing someone to serve as a  
19 trustee.

02:34:52PM 20 MS. CURTIS: Yes, Your Honor.

21 THE COURT: And then the parties would then have to,  
22 then, present to the Court, I gather, the name -- the name or  
23 names of individuals who they believe -- whom they believe  
24 would be qualified to handle those -- those functions, and  
02:35:08PM 25 could not -- it would seem to me, because of the controversy,

1 it doesn't seem it could include you or another family member.

2 Do you see the problem there?

3 MS. CURTIS: I do understand.

4 THE COURT: So is that what you are asking the Court  
02:35:22PM 5 to do in your -- that's what I think I heard you say.

6 Is that right?

7 MS. CURTIS: Yes, that's correct.

8 THE COURT: Why haven't you gone on and hired a  
9 lawyer?

02:35:32PM 10 MS. CURTIS: Because these are things that -- these  
11 are things that I don't need an attorney for. I'm going --

12 THE COURT: I don't disagree that as a matter of  
13 course, you are entitled to what you are requesting. The  
14 problem is that you are not -- you are so far away from the  
02:35:53PM 15 courthouse, and it creates some problems with the  
16 communication that -- when I say "communication," meaning if I  
17 want to have a hearing on something, you either have got to  
18 fly in here, or I have got to have you on the telephone. And  
19 I'm not really sure the telephone is a proper way to have  
02:36:10PM 20 these types of proceedings.

21 If you had counsel, particularly local counsel,  
22 that's someone who could make motions and proceed to do  
23 discovery and all of that on your behalf. It seems to me that  
24 would be a much easier way to proceed. I'm just throwing that  
02:36:28PM 25 out there for you.

1                   However, under the rules of discovery, I'm not  
2 quite sure that the way that you have presented this is a way  
3 in which the defendants are required to respond. In other  
4 words, you have attached to your motion, your ex parte  
02:36:48PM 5 motion -- and I think you filed it under seal. I'm not sure  
6 why.

7                   Why did you file it under seal?

8                   MS. CURTIS: I just gave it to the clerk this  
9 morning.

02:36:57PM 10                   THE COURT: Okay. So it doesn't really need to be  
11 under seal. There are no -- I don't think there are any -- we  
12 generally have things filed under seal that would -- where  
13 there may be some indication of information, family private  
14 information, confidential information, that should not be  
02:37:20PM 15 disclosed to the public. But this is a public proceeding, so  
16 there is nothing, I gather, as far as you know that --

17                   MS. CURTIS: No, Your Honor.

18                   THE COURT: -- would require that. I'm going to,  
19 then, have it removed from being under seal. I don't know if  
02:37:31PM 20 counsel has gotten a copy of it yet, but he would be able to  
21 access it. You should provide him a copy of it.

22                   MS. CURTIS: I did.

23                   THE COURT: Okay. Very good. But if you look at  
24 what you have got as p-68. Does that mean there's a p-67  
02:37:53PM 25 someplace and a p-66?

1 MS. CURTIS: The p-67.

2 THE COURT: It's attached to the motion. That's  
3 what I am referring to. It's attached to your ex parte  
4 motion. It is a five-page document, demanding --

02:38:11PM 5 MS. CURTIS: I have it. It was the only exhibit  
6 that I attached.

7 THE COURT: But this suggests there are 67 other  
8 exhibits out there somewhere, right?

9 MS. CURTIS: Yes. I have just continued adding  
02:38:28PM 10 exhibit numbers from the very beginning.

11 THE COURT: Okay. So some of these exhibits are  
12 attached to your original proceeding?

13 MS. CURTIS: Yes, Your Honor.

14 THE COURT: And all along there may have been some  
02:38:38PM 15 that were added to or attached to your motions, and you are  
16 now at number 68. That's what that is. Okay.

17 MS. CURTIS: Yes, Your Honor. And --

18 THE COURT: Have you read the rules, Federal Rules  
19 of Procedure related to discovery requests?

02:38:55PM 20 MS. CURTIS: Yes, Your Honor. I have something to  
21 say about that, also.

22 THE COURT: Well, let me say my say first. And that  
23 is, this is not going to get.

24 MS. CURTIS: I understand.

02:39:04PM 25 THE COURT: Go ahead and say your say.

1 MS. CURTIS: "The public policy considerations  
2 involved in a common law information demand pursuant to a  
3 fiduciary obligation are very different from those involved in  
4 a discovery request under Rules of Civil Procedure for the  
02:39:19PM 5 following reasons: If trustee is administering property, the  
6 trust estate that belongs to the beneficiaries of the trust.  
7 In other words, the beneficiaries hold equitable title to the  
8 trust estate.

9 "The trustee acting in his individual capacity  
02:39:35PM 10 usually has no personal interest whatsoever in the estate of  
11 the trust that he is administering. Consequently, the  
12 information requested does not belong to the trustee. In  
13 legal discovery requests, a party to a lawsuit is requesting  
14 proprietary information and documents that belong to another  
02:39:54PM 15 party. This is not the case with respect to equitable demands  
16 for information.

17 "The trustee of a trust holds the trust estate  
18 for the benefit of the trust beneficiaries who have an  
19 equitable interest in all information and documents. There is  
02:40:10PM 20 usually a financial disparity between the beneficiary who is  
21 using his personal financial resources to obtain information  
22 and the trustee who is using the estate of the trust to pay  
23 for the cost of his compliance with the information demand.  
24 In essence, the beneficiary is paying everyone's fees.

02:40:32PM 25 "This situation does not occur in legal

1 discovery requests where independent parties are involved in  
2 litigation. The beneficiary of a trust is the only person  
3 authorized to enforce the trust. It is not possible for him  
4 or her to perform this function without disclosure from the  
02:40:49PM 5 trustee regarding how the trust is being administered. Where,  
6 as here, the trustee is conflicted, the duty to disclose is  
7 even higher than that of ordinary corporate trustees.

8 "In discovery, under the rules the scope of  
9 discovery is whether the information sought appears reasonably  
02:41:09PM 10 calculated to lead to the discovery of admissible evidence.  
11 In common law disclosure, the scope of discovery is material  
12 facts known to the trustee that might affect the  
13 beneficiaries' rights.

14 "There is no law in place allowing formal  
02:41:24PM 15 objections to reasonable common law disclosure demand for  
16 information directed from a beneficiary to a trustee. Unlike  
17 interrogatories, there is no limitation on the number of  
18 demands for information that can be made on the trustee if the  
19 trustee breaches his duty to disclose his subject to all  
02:41:45PM 20 equitable remedies. Moreover, his breach is a factor in the  
21 award of legal fees in the overall case pursuant to Texas  
22 Trust Code 114.064."

23 I have been asking, first, nicely, then I made  
24 a common law demand in writing in late 2011, after my mother  
02:42:08PM 25 passed away. I made a statutory demand for the exact same

1 information I was entitled to in January of 2011. And to this  
2 day, I have gotten nothing but excuses and explanations for  
3 records and documents that I am entitled to as a beneficiary.

02:42:35PM 4 THE COURT: All right. Let me ask you, when you say  
5 you have gotten nothing, are you saying that you have received  
6 absolutely nothing from defendants or their attorneys?

7 MS. CURTIS: I have received nothing responsive.

8 THE COURT: So now there is an argument as to what  
9 responsive is, isn't it?

02:42:50PM 10 So here's what I am getting to. These kinds of  
11 disputes as to whether or not -- whatever you might have  
12 received -- and I don't even suggest that it's what you  
13 requested, but whatever the dispute is, these matters are  
14 matters that now are in this Court. And you are asking me to  
02:43:10PM 15 address them, and I'm in no position to address them because I  
16 don't have the documents before me that you do have.

17 And the way this request has to be made now is  
18 not in a common law fashion as you would do if you were  
19 writing a letter to a person and requesting. That simply sets  
02:43:33PM 20 you up to go to court and get a judge to enter an order that  
21 you be provided with the documentation that you believe you  
22 are entitled to. My job would then be to decide whether or  
23 not the information that you have requested is relevant or  
24 important to any issue in the case.

02:43:51PM 25 Because the point is, the bottom line here, in

1 my opinion, and it seems where you are headed, is that you are  
2 asking this Court to do one of several things, or maybe  
3 several things.

02:44:07PM 4 One, it sounds like you are asking the Court to  
5 remove the trustees and appoint a trustee. I think I heard  
6 you say that.

7 Second, it seemed to me you want the estate  
8 dispersed so that you have your share of the estate and it is  
9 not under the supervision and/or hands of your sisters.

02:44:24PM 10 And, third, you want your sisters or the  
11 trustees, whoever was acting as -- I think it was both of  
12 them, co-trustees, since November 11th of 2011, or whatever  
13 period of time. You want them to account to you, that, by  
14 accounting, I think I hear you saying you want them to  
02:44:42PM 15 reimburse you for what they have taken that doesn't belong to  
16 them, as a disbursement to them, assuming that that has  
17 occurred.

18 And it sounds to me like you are asking for  
19 attorney's fees that have not -- following through. And this  
02:44:55PM 20 would not come from the estate per se. It would come from  
21 them individually. That's what I understand I am hearing.

22 So, there are some documents that may be  
23 important or relevant to those kinds of requests, but  
24 everything wouldn't necessarily be. Whether or not -- for  
02:45:14PM 25 example, if you are looking for do you have certified copies

1 of letters, or whatever, that might have gone from this person  
2 to that person, that might not be relevant.

3           What is relevant, it seems to me, is that there  
4 is a money issue here, and it can be solved by accounting and  
02:45:30PM 5 disbursement. One of the things that the Court is going to  
6 have to get around to, it seems to me, because I'm not sure  
7 that you are going to do it voluntarily, or the parties or the  
8 defendants, is at some point an asset/liability statement has  
9 to be prepared and presented in this case. Otherwise, there's  
02:45:50PM 10 no way for the Court to know what the value of the estate is  
11 and/or what the -- what any disbursements might look like.  
12 I'm not sure that disbursement is the proper venue, but I am  
13 certain that that's part of what you are requesting.

14           Am I correct in some of that?

02:46:07PM 15           MS. CURTIS: You are correct in almost 99 percent of  
16 that, but I would like to know where the EE bonds are.

17           THE COURT: The who?

18           MS. CURTIS: The EE Treasury bonds.

19           THE COURT: Here's my point. You can ask that, but  
02:46:24PM 20 you need to do it. You can ask for a revelation of these  
21 documents, these Treasury bonds, whatever else you think  
22 that's missing and have not been accounted for. And the  
23 reason, theoretically, at least in part, that they have not  
24 been accounted for is that they are not paying an interest as  
02:46:45PM 25 an income to the estate, necessarily. The interest,

1 apparently, is being accumulated in the bond itself. So you  
2 would have to cash the bond to get the principal and the  
3 interest. That may be an explanation for it.

02:47:01PM 4           You are entitled to know what those assets are,  
5 but you've got to ask for them. What I said to you was the  
6 way that you attached it to this motion is not the way that it  
7 should be done under the rules of discovery. So simply file  
8 your motion for requesting whatever it is that you are  
9 requesting discovery wise with counsel, Mr. Vie, who has the  
02:47:24PM 10 duty to either object to what you are requesting or to  
11 respond. Okay?

12           But I don't want it attached to your motion for  
13 an order to show cause because that's a different -- that's a  
14 different vehicle. This is discovery attached to something  
02:47:43PM 15 that it should not be attached to. So you need to file a  
16 separate discovery motion. All right? Or at least provide  
17 that -- file that request with Mr. Vie.

18           MS. CURTIS: Excuse me, Your Honor. But the reason  
19 I attached the demand for production of documents, this is  
02:48:05PM 20 a -- this has already been given to defendants. They have  
21 already responded to it.

22           THE COURT: Okay. Okay.

23           MS. CURTIS: And the reason that I attached it is  
24 because I still don't have the information that I need to be  
02:48:19PM 25 able to make a decision about anything having to do with my

1 beneficial interests.

2 THE COURT: So that's the basis for this  
3 application, for civil contempt.

4 MS. CURTIS: Yes, Your Honor.

02:48:30PM

5 THE COURT: I see. Okay. Now, see, I don't know  
6 what's going on outside of the Court. So I apologize for  
7 being too far ahead of you in that respect, or behind you,  
8 whatever.

02:48:44PM

9 The point is that this application, then, would  
10 require the Court to conduct a hearing. They have a duty to  
11 respond and an opportunity to respond within a certain number  
12 of days. It would require a hearing, and, in my opinion, it  
13 would require a hearing here in open court so the record is  
14 made of whatever that proceeding is. So, there you have it.

02:49:05PM

15 It is going to be -- I cannot let you participate by  
16 telephone.

17 MS. CURTIS: I understand.

18 THE COURT: Because you might need to be questioned,  
19 as well, under the proceeding. All right?

02:49:17PM

20 So I will set a date for that, and Mr. Vie can  
21 respond within that time frame, and then we will see whether  
22 or not there's a hearing probably within the next 30, 40 days.

23 MS. CURTIS: Okay.

24 THE COURT: Anything else?

02:49:36PM

25 MS. CURTIS: No, Your honor.

1 THE COURT: And you are still not going to get a  
2 lawyer, right?

3 MS. CURTIS: Not quite yet.

4 THE COURT: Okay.

02:49:44PM 5 Mr. Vie, did you have anything that you needed  
6 to bring to the Court's attention?

7 MR. VIE: No, Your Honor.

8 THE COURT: So I will go ahead and set this matter  
9 for a hearing perhaps the 1st of October.

02:49:55PM 10 Do we have a date that we can give them now?

11 Is October 1st too soon?

12 You haven't had a chance to respond yet. So,  
13 theoretically, you have got 21 days.

14 MR. VIE: I think it is on the docket for the -- I  
02:50:19PM 15 think the submission date is the 19th.

16 THE COURT: That's an automatic submission. I'm  
17 talking about a date for the hearing on the motion. You are  
18 going to be responding or -- or not, one way or the other. I  
19 would have to have a hearing before I could decide the motion.

02:50:35PM 20 MR. VIE: Tuesday, the 1st?

21 THE COURT: Would that be fine?

22 MS. CURTIS: Your Honor, the nature of my work  
23 requires me to be in my office on Monday or Tuesday of any  
24 given week.

02:50:49PM 25 THE COURT: What's a good day for you?

1 MS. CURTIS: Wednesday, Thursday or Friday. Any  
2 Wednesday, Thursday or Friday I will be here.

3 THE COURT: So if you have to travel, how are you  
4 going to get here on Wednesday if you have got to be in there  
02:51:01PM 5 on Tuesday?

6 MS. CURTIS: I can travel at night.

7 THE COURT: You can work that out.

8 MS. CURTIS: I will work that out.

9 THE COURT: So let's pick a Wednesday. October 2nd,  
10 how is that for you?

11 MR. VIE: No objection, Your Honor.

12 THE COURT: October 2nd. Is 11:30 a good time or is  
13 it better in the afternoon, Ms. Curtis?

14 MS. CURTIS: 11:30 is fine.

02:51:24PM 15 THE COURT: Is that fine with you, then, Mr. Vie?

16 MR. VIE: Yes, Your Honor.

17 THE COURT: 10/11, at 11:30 a.m. -- 10/2. 10/11  
18 must be a holiday. 10/2. I apologize. October 2nd.

19 We are not going to send out an additional --  
02:51:48PM 20 well, we might send a notice out, but don't wait on us to send  
21 you a notice. You might get a notice indicating that -- a  
22 reminder that this is occurring, and that would be the nature  
23 and extent of the -- so let me ask a couple of questions,  
24 Mr. Vie. And, I'm not sure, you might confer with your client  
02:52:11PM 25 there.

1 I just signed an order, and you know that is a  
2 fairly expensive -- I will deal with your order. I need to  
3 sign it.

02:52:21PM

4 Can we pull up his order on the motion for the  
5 lease?

6 I want to make sure that the funds are  
7 available to pay the attorney and the accountant before -- I  
8 don't want hear him call me and say, Judge, I haven't seen or  
9 heard anything.

02:52:37PM

10 MR. VIE: They are available, Your Honor.

11 THE COURT: All right. Very good. I believe  
12 everything else that was requested for payment, the taxes,  
13 that's been taken care of.

14 MR. VIE: Yes, Your Honor.

02:52:47PM

15 THE COURT: The only thing I need is your order  
16 here.

17 The Court has entered an order on that. I  
18 believe that's all that I have. Thank you very much, ladies  
19 and gentlemen.

02:53:35PM

20 (Concluded.)
